Initial Applicant Affidavit

This affidavit (the "Affidavit") is an essential part of an application to a private mortgage lending institution (the "Lender") for a mortgage loan (the "Mortgage Loan") for the purchase of a single family residence. If the application is approved, the Mortgage Loan will be originated by the Lender and sold to Colorado Housing and Finance Authority ("CHFA") under a specific program funded with the proceeds of tax-exempt mortgage revenue bonds (the "Program").

This Affidavit is intended to serve two purposes: (i) to help establish that the Mortgage Loan will be eligible for sale to CHFA under the Program, in conformity with State and Federal requirements, and (ii) to make certain that the Borrower understands the nature and extent of the limitations and restrictions that are a part of the terms of the Mortgage Loan.

The Borrower should read this Affidavit carefully to be sure the information is true and complete. If the Borrower is uncertain as to the meaning of any questions, the Borrower should ask an authorized representative of the Lender for an explanation. The Borrower must complete all questions and sign this Affidavit prior to Program Compliance Submission to CHFA. If any question is not applicable, answer "N/A."

The Borrowers, as an essential part of the application for the Mortgage Loan, hereby swear or affirm:

If the residence is newly constructed, I certify and represent that none of the Borrowers and no other household resident: (a) is presently occupying the residence or (b) will occupy the residence prior to accepting the Lender's written commitment letter for the Mortgage Loan.

C. Use of Loan Proceeds and Cost of Residence

1. I certify and represent that no proceeds of the Mortgage Loan will be used to:

 - B. Pay any settlement or financing costs relating to the Mortgage Loan (other than FHA mortgage insurance premiums to the extent approved by CHFA) or the cost of any personal property (other than fixtures) to be used in connection with the residence; or
 - C. Repay, directly or indirectly, any existing loan on the residence other than a construction or bridge loan having a term of 24 months or less.

2. I certify and represent that the sales price set forth in the contract and any addendum signed by me with the present owner(s) of the residence (collectively, the "Seller") represents the entire costs of the residence to be paid by me (or any person acting on my/our behalf) to or for the benefit of the Seller. A true and correct copy of the sales contract was provided to the Lender for inclusion in CHFA's loan review file.

4) Plus the greater of cost or fair market value of land included as part of the residence and owned less than two years and purchased other than from the Seller	\$
5) Plus the reasonable costs of completing the residence if it is so incomplete it cannot be occupied under local law	\$
Total (Does not change the Purchase Price or Loan Amount.)	\$

D. Miscellaneous

1. I have been advised and understand that the making of any misrepresentation or misstatement in this Affidavit or any other document executed in connection with the Mortgage Loan will constitute an **event of default** under the Mortgage Loan.
2. I have been advised and understand that, except in circumstances when CHFA may consent to an assumption in accordance with its rules and regulations without jeopardizing the tax-exempt status of its bonds, the **mortgage loan will become due in full upon the sale of the residence**. The execution by me (or any Borrower individually) of a land contract, contract for deed, wrap-around, or other similar agreement that transfers the benefits and burdens of ownership and/or the occupancy of the residence (or any Borrower's rights) is a sale of the residence for this purpose and will cause the entire amount of the **mortgage loan to become due**.
3. **Electronic Signatures.** The electronic signature of each Borrower included in this Affidavit, in any form, is intended to authenticate this writing, bind it hereto, and to otherwise have the same force and effect as a manual signature. Delivery of a copy of this Affidavit bearing an original or electronic signature by

electronic mail in portable document format (.pdf) form, or by any other electronic means intended to preserve the original form of the document, will have the same effect as physical delivery of the paper document bearing an original or electronic signature.

4. I have been advised and understand I may be subject to Recapture Tax under the Code. The Recapture Tax may be applicable if the residence is sold or transferred within nine (9) years of the date from which the Mortgage Loan is closed, if my/our income has increased to more than an amount prescribed by the Code, and if the residence is disposed of with a net gain on sale. Additional information can be found on the CHFA website, www.chfainfo.com.
