ARTICLE VI

ADDITIONAL COVENANTS, EXERCISE OF OPTION TO REDEEM REFUNDED BONDS AND ESTABLISHMENT AND MAINTENANCE OF ESCROW ACCOUNT

Section 6.1 Servicing Fees. Servicing Fees with respect to Loans that are Related to the 2000 Series A Bonds or the Refunded Bonds shall not exceed 1.00% per annum of the outstanding principal balance of such Loans being serviced, unless the most recently filed Related Cash Flow Statement takes into account higher servicing fees.

Section 6.2 Tax Covenants.

(a) The Authority covenants for the benefit of the owners of the Tax-Exempt 2000 Series A Bonds that it will not take any action or omit to take any action with respect to the 2000 Series A Bonds, the proceeds thereof or of the Refunded Bonds, any other funds of the Authority or any facilities financed or refinanced with the proceeds of the 2000 Series A Bonds or the Refunded Bonds if such action or omission (i) would cause the interest on the Tax-Exempt 2000 Series A Bonds or the Refunded Bonds to lose the exclusion from gross income for federal income tax purposes under Section 103 of the Code, or (ii) would cause interest on the Tax-Exempt 2000 Series A Bonds to lose its exclusion from alternative minimum taxable income as defined in Section 55(b)(2) of the Code except to the extent such interest is required to be included in adjusted current earnings adjustment applicable to corporations under Section 56 of the Code in calculating corporate alternative minimum taxable income. The foregoing covenant shall remain in full force and effect notwithstanding the payment in full or defeasance of the 2000 Series A Bonds until the date on which all obligations of the Authority in fulfilling the above covenant under the Code have been met.

(ii) The Authority will not amend any material provision of the Loans, the Loan Agreements or the Servicing Agreements except upon filing with the Trustee a copy of any such amendment and an opinion of Bond Counsel to the effect that such amendment will not cause the interest on the Tax-Exempt 2000 Series A Bonds or the Refunded Bonds to be subject to inclusion in gross income under Section 103 of the Code and will not impair the security of the 2000 Series A Bonds.

(c) Notwithstanding the foregoing, the Authority will forgive or forbear payments due on one or more of the Loans in the amounts and at the times necessary in order to comply with subsection (a) of this Section 6.2.

For the purposes of subsections (b)(i) and (ii) of this Section 6.2, the Authority and the Trustee shall be entitled to rely conclusively upon an opinion of Bond Counsel to the effect that any particular provision in any of the documents listed in such subsections, which provision is proposed to be waived or amended, is not "material" for purposes of assuring the tax-exempt status of the interest payable on the Tax-Exempt 2000 Series A Bonds.

Section 6.3 Limitation on Payment of Fiduciary and Administrative Expenses and Limitations on Reserve Draws for 2000 Series A Class III Bonds.

(a) Fiduciary Expenses which may be paid from the 2000 Series A subaccount of the Revenue Fund pursuant to Section 4.6(c)(i)(M) of the Master Indenture may not exceed 1.00% of the Aggregate Principal Amount of all 2000 Series A Bonds then Outstanding.

(c) No transfers from the 2000 Series A subaccount of the Debt Service Reserve Fund pursuant to Section 4.8(c)(v) or (vi) of the Master Indenture may result in (i) the amount on deposit in such subaccount of the Debt Service Reserve Fund being reduced to an amount less than the Debt Service Reserve Fund Requirement minus an amount equal to 1% of the Aggregate Principal Amount of 2000 Series A Bonds then Outstanding or (ii) a failure to meet the 2000 Series A Class II Asset Requirement.

The Escrow Account shall be maintained in an amount, at the time of the initial credits therein and at all times subsequently, at least sufficient, together with the known minimum yield to be derived from the initial investment and any temporary reinvestments of the deposits therein or any part thereof in federal securities, to pay the principal of and interest on the Refunded Bonds. Upon request of any Notice Party, the Paying Agent shall give notice of such rate by Electronic Means.

Section 2.8 Alternate Rate for Interest Calculation. Except as otherwise provided in this Part B, in the event (a) the Remarketing Agent fails or is unable to determine the interest rate or Interest Period with respect to any 2000 Series A-1 Class I Bond, 2000 Series A-1 Class III Bond or 2000 Series A-2 Bond, or (b) the method of determining the interest rate or Interest Period with respect to a 2000 Series A-1 Class I Bond, 2000 Series A-1 Class III Bond or 2000 Series A-2 Bond shall be held to be unenforceable by a court of law of competent jurisdiction, such Bond shall thereupon, until such time as the Remarketing Agent again makes such determination or until there is delivered a Counsel's Opinion to the effect that the method of determining such rate is enforceable, bear interest from the last date on which such rate was determined in the case of clause (a) and from the date on which interest was legally paid in the case of clause (b), at the Alternate Rate for the Mode in effect for such Bond; provided, that, if either of the circumstances described in clauses (a) and (b) occurs on a Rate Determination Date for a Commercial Paper Bond, the relevant Interest Period shall be from and including such Rate Determination Date to, but not including, the next

succeeding Business Day, and thereafter shall commence on a Business Day and extend to, but shall not include, the next Business Day.

Section 2.9 Changes in Mode. Subject to the provisions of this Section 2.9, the Authority may effect a change in Mode with respect to a 2000 Series A-1 Class I Bond, 2000 Series A-1 Class III Bond or 2000 Series A-2 Bond by following the procedures set forth in this Section 2.9 (except that a change to the SAVRS Rate Mode shall be governed by the procedures set forth in Article VI of this Part B); provided, however, that a change in Mode with respect to a 2000 Series A-1 Class III Bond shall not be effected without the prior written consent of the Bond Insurer. If a change in Mode will make a 2000 Series A-1 Class I Bond, 2000 Series A-1 Class III Bond or 2000 Series A-2 Bond subject to Rule 15c2-12 promulgated under the Securities Act of 1934, as amended, a continuing disclosure undertaking shall be entered into by the Authority satisfying the requirements of said Rule.

(a) *Changes to a Mode Other Than the Fixed Rate Mode or the SAVRS Rate Mode*. A 2000 Series A-1 Class I Bond, 2000 Series A-1 Class III Bond or 2000 Series A-2 Bond (other than a 2000 Series A-1 Class I Bond, 2000 Series A-1 Class III Bond or 2000 Series A-2 Bond in the Fixed Rate Mode) may be changed from one Mode to another Mode (other than the Fixed Rate Mode or the SAVRS Rate Mode) as follows:

(i) *Mode Change Notice; Notice to Owners*. No later than the 45th day (or such shorter time as may be agreed to by the Authority, the Trustee, the Paying Agent and the Remarketing Agent) preceding the proposed Mode Change Date, the Authority shall give written notice to the Notice Parties of its intention to effect a change in the Mode from the Mode then prevailing (for purposes of this Section 2.9, the "Current Mode") to another Mode (for purposes of this Section 2.9, the "New Mode") specified in such written notice, and, if the change is to a Term Rate Mode, the length of the initial Interest Period as set by the Authority and whether or not the Bonds to be converted to the Term Rate Mode will be covered by the Standby Agreement (if they will be covered, then the initial Interest Rate Period for such Bonds selected by the Authority cannot extend beyond the Expiration Tender Date). Notice of the proposed change in Mode shall be given to the Owners pursuant to Section 4.3(a) of this Part B.

(ii) *Determination of Interest Rates*. The New Mode for a 2000 Series A-1 Class I Bond, 2000 Series A-1 Class III Bond or 2000 Series A-2 Bond shall commence on the Mode Change Date for such Bond and the interest rate (together, in the case of a change to the Commercial Paper Mode, with the Interest Period for such Bond) shall be determined by the Remarketing Agent (or the Authority in the case of the Interest Period for a 2000 Series A-1 Class I Bond, 2000 Series A-1 Class III Bond or 2000 Series A-2 Bond converted to the Term Rate Mode) in the manner provided in Sections 2.5, 2.6 and 2.7 of this Part B, as applicable.

(iii) *Conditions Precedent*.

(A) The Mode Change Date shall be a Business Day.

(B) Additionally, the Mode Change Date in the case of a change:

(1) from the Commercial Paper Mode, shall be the Purchase Date for the Commercial Paper Bond to be changed to the New Mode; and

(2) from a Term Rate Mode, shall be the last day of the current Interest Period for the Bond being converted.

(C) The following items shall have been delivered to the Trustee, the Paying Agent and the Remarketing Agent on the Mode Change Date:

(1) in the case of a change from a Short-Term Mode to a Long-Term Mode or from a Long-Term Mode to a Short-Term Mode, a Favorable Opinion of Bond Counsel dated the Mode Change Date and addressed to the Trustee, the Paying Agent and the Remarketing Agent;

(2) a Rating Confirmation Notice; and

(3) a Standby Agreement with principal coverage equal to the principal amount of the Bonds being converted, and with interest coverage equal to or greater than the Standby Interest Amount for the applicable Mode and with an Expiration Date not earlier than 5 days prior to the end of the initial Interest Rate Period for such Bond; provided, however, that in the case of a conversion of a 2000 Series A-1 Class I Bond or 2000 Series A-2 Bond (but not 2000 Series A-1 Class III Bond, except with the written consent of the Bond Insurer) to the Term Rate Mode, no Standby Agreement need be applicable to such Bond while in the Term Rate Mode if the Authority so elects, by the time it gives the notice to the Notice Parties required by subsection (a)(i) of this Section 2.9.

(D) If the 2000 Series A-1 Class I Bonds, 2000 Series A-1 Class III Bonds or 2000 Series A-2 Bonds to be changed are in the Commercial Paper Mode, no Interest Period set after delivery by the Authority to the Remarketing Agent of the notice of the intention to effect a change in Mode with respect to such Bonds shall extend beyond the proposed Mode Change Date.

(b) *Change to Fixed Rate Mode.* At the option of the Authority, a 2000 Series A-1 Class I Bond, 2000 Series A-1 Class III Bond or 2000 Series A-2 Bond may be changed to the Fixed Rate Mode as provided in this Section 2.9(b). Not less than 45 days (or such shorter time as may be agreed to by the Authority, the Trustee and the Remarketing Agent) before the proposed Mode Change Date for such Bond, the Authority shall give written notice to the Notice Parties stating that the Mode will be changed to the Fixed Rate Mode and setting forth the proposed Mode Change Date and that the Bonds to be converted to the

Fixed Rate Mode will not be covered by the Standby Agreement. Such Notice shall also state whether or not some or all of the 2000 Series A-1 Class I Bonds, 2000 Series A-1 Class III Bonds or 2000 Series A-2 Bonds to be converted shall be converted to Serial Bonds and, if so, the applicable Serial Maturity Dates and Serial Payments, all as determined pursuant to the provisions of subsection (v) of this subsection (b). Any such change in Mode shall be made as follows:

(i) *Conditions Precedent.* The Mode Change Date shall be:

(A) a Business Day;

(B) in the case of a change from the Commercial Paper Mode, the Purchase Date for the Commercial Paper Bond to be changed to the Fixed Rate Mode; and

(C) in the case of a change from the Term Rate Mode, the last day of the current Interest Period for the 2000 Series A-1 Class I Bond, 2000 Series A-1 Class III Bond or 2000 Series A-2 Bond being converted.

(ii) *Notice to Owners.* Not less than the 30th day next preceding the Mode Change Date, the Trustee shall mail by first-class mail, or transmitted in such other manner (such as by Electronic Means) as may be customary for the industry as directed in writing by the Authority, in the name of the Authority, a notice of such proposed change to the Owners stating that the Mode will be changed to the Fixed Rate Mode, the proposed Mode Change Date and that such Owner is required to tender such Owner's 2000 Series A-1 Class I Bonds, 2000 Series A-1 Class III Bonds or 2000 Series A-2 Bonds, as the case may be, for purchase on such proposed Mode Change Date.

(iii) *General Provisions Applying to Change to Fixed Rate Mode.* The change to the Fixed Rate Mode shall not occur unless the following items shall have been delivered to the Trustee and the Remarketing Agent on the Mode Change Date:

(A) if the change is from a Short-Term Mode, a Favorable Opinion of Bond Counsel dated the Mode Change Date and addressed to the Trustee and the Remarketing Agent; and

(B) a Rating Confirmation Notice.

(iv) *Determination of Interest Rate.* The Fixed Rate for a 2000 Series A-1 Class I Bond, 2000 Series A-1 Class III Bond or 2000 Series A-2 Bond to be converted to the Fixed Rate Mode shall be established by the Remarketing Agent pursuant to the provisions of Section 2.7(b) of this Part B.

(v) *Serialization.* Upon the conversion of 2000 Series A-1 Class I Bonds, 2000 Series A-1 Class III Bonds or the 2000 Series A-2 Bonds to the Fixed Rate Mode, such Bonds shall be serialized and made subject to Class I Sinking Fund Installments or Class III Sinking Fund Installments, as the case may be, as follows:

Notwithstanding the above, the Authority may elect not to serialize such Bonds or make them subject to Class I Sinking Fund Installments or Class III Sinking Fund Installments, as the case may be, or may elect to serialize such Bonds and/or make them subject to Class I Sinking Fund Installments or Class III Sinking Fund Installments, as the case may be, in a manner other than specified above, if (a) the Authority furnishes the Trustee a Favorable Opinion of Bond Counsel with respect thereto and (b) with respect to the 2000 Series A-1 Class III Bonds, the Authority shall have received the written consent of the Bond Insurer.

(c) *Failure to Satisfy Conditions Precedent to a Mode Change.* In the event the conditions described above in subsections (a) or (b), as applicable, of this Section 2.9 have not been satisfied by the applicable Mode Change Date, then the New Mode or Fixed Rate Mode, as the case may be, shall not take effect. If the failed change in Mode was from the Commercial Paper Mode, the applicable 2000 Series A-1 Class I Bond, 2000 Series A-1 Class III Bond or 2000 Series A-2 Bond shall remain in the Commercial Paper Mode with

interest rates and Interest Periods to be established by the Remarketing Agent on the failed Mode Change Date in accordance with Section 2.5 of this Part B. If the failed change in Mode was from the Daily Mode, the applicable 2000 Series A-1 Class I Bond, 2000 Series A-1 Class III Bond or 2000 Series A-2 Bond shall remain in the Daily Mode, and if the failed change in Mode was from the Weekly Mode, the applicable 2000 Series A-1 Class I Bond, 2000 Series A-1 Class III Bond or 2000 Series A-2 Bond shall remain in the Weekly Mode, in each case with interest rates established in accordance with the applicable provisions of Section 2.6 of this Part B on and as of the failed Mode Change Date. If the failed change in Mode was from the Term Rate Mode and for which the Standby Agreement was in effect for the 2000 Series A-1 Class I Bond, 2000 Series A-1 Class III Bond or 2000 Series A-2 Bond to be changed, the applicable 2000 Series A-1 Class I Bond, 2000 Series A-1 Class III Bond or 2000 Series A-2 Bond shall be changed (but, with respect to the 2000 Series A-1 Class III Bonds, only with the prior written consent of the Bond Insurer) to the Commercial Paper Mode with an Interest Period and Commercial Paper Rate to be determined by the Remarketing Agent on the failed Mode Change Date in accordance with Section 2.5 of this Part B. If, however, there was no Standby Agreement in effect for such Bond to have been changed from the Term Rate Mode (or, with respect to the 2000 Series A-1 Class III Bonds, if the consent of the Bond Insurer required by the preceding sentence is not received), then such Bond shall stay in the Term Rate Mode for an Interest Period ending on the next Stated Interest Payment Date and shall bear interest at the applicable Alternative Rate.

Section 2.10 Interest on Bank Bonds; Lien Priority of Bank Bonds.

(a) Each Bank Bond shall bear interest on the outstanding principal amount thereof at the Bank Rate for each day from and including the date such Bond becomes a Bank Bond to, but not including, the date such Bond is paid in full or is remarketed. Interest on Bank Bonds shall be payable as provided in the Standby Agreement. Bank Bonds shall not bear interest at the Bank Rate after such Bonds have been remarketed unless such Bonds shall again become Bank Bonds. Interest on Bank Bonds shall be calculated based upon a 365/366 day year for the actual number of days elapsed.

(b) 2000 Series A-1 Class I Bonds and the 2000 Series A-2 Bonds that are Bank Bonds shall constitute Class I Bonds only with respect to the interest thereon and regularly scheduled principal (i.e., principal payable in the amounts and on the dates provided for in Section 2.1 of this Part B) thereof, as such principal may be redeemed prior to such dates as set forth in Part A of this 2000 Series A Indenture and in this Part B. To the extent of any principal of such Bank Bonds which is payable in advance of the dates provided for in Section 2.1 of this Part B on and after the Amortization Start Date (as defined in the Standby Agreement) for such Bank Bonds, such portion of the Bank Bonds shall constitute Class III Bonds and shall also constitute General Obligation Bonds. The 2000 Series A-1 Class III Bonds shall constitute Class III Bonds regardless of whether or not they are Bank Bonds.

Section 2.11 Special Provisions Relating to Bond Insurance. This Section 2.11 shall supersede any inconsistent provision of the Indenture so long as the 2000 Series A-1 Class III Bonds

are insured by the Bond Insurer and the Bond Insurer is not in default of its obligations under the Bond Insurance Policy.

(a) Any notice that is required to be given to an owner of a 2000 Series A-1 Class III Bond, the Trustee, a Rating Agency or any other Person pursuant to the Indenture shall also be provided to the Bond Insurer. All notices required to be given to the Bond Insurer under the Indenture shall be in writing and shall be sent by registered or certified mail addressed to MBIA Insurance Corporation, 113 King Street, Armonk, New York 10504, Attention: Insured Portfolio Management - PCF.

(b) The Bond Insurer shall be deemed to be the sole owner of the 2000 Series A-1 Class III Bonds for all purposes (including, without limitation, all approvals, consents, requests, waivers, authorizations, directions, inspections and the institution of any action), provided that nothing in this Section 2.11(b) shall impair the rights of the Owners of the 2000 Series A-1 Class III Bonds to receive all payments due under such Bonds.

(c) The following provisions shall apply to payments under the Bond Insurance Policy:

(i) In the event that, on the second Business Day, and again on the Business Day, prior to any Bond Payment Date on the 2000 Series A-1 Class III Bonds, the Trustee has not received sufficient moneys to pay all principal of and interest on the 2000 Series A-1 Class III Bonds due on the second following or following, as the case may be, Business Day, the Trustee shall immediately notify the Bond Insurer or its designee on the same Business Day by telephone or telegraph, confirmed in writing by registered or certified mail, of the amount of the deficiency.

(ii) If the deficiency is made up in whole or in part prior to or on the payment date, the Trustee shall so notify the Bond Insurer or its designee.

(iii) In addition, if the Trustee has notice that an Owner of any 2000 Series A-1 Class III Bond has been required to disgorge payments of principal of or interest on the 2000 Series A-1 Class III Bonds to a trustee in bankruptcy or creditors or others pursuant to a final judgment by a court of competent jurisdiction that such payment constitutes a voidable preference to such owner within the meaning of any applicable bankruptcy laws, then the Trustee shall notify the Bond Insurer or its designee of such fact by telephone or telegraphic notice, confirmed in writing by registered or certified mail.

(iv) The Trustee is hereby irrevocably designated, appointed, directed and authorized to act as attorney-in-fact for the owners of the 2000 Series A-1 Class III Bonds as follows:

(A) If and to the extent there is a deficiency in amounts required to pay interest on the 2000 Series A-1 Class III Bonds, the Trustee shall (1) execute and deliver to State Street Bank and Trust Company, N.A., or its successors under the Bond Insurance Policy (the "Insurance Paying Agent"), in form satisfactory to the Insurance Paying Agent, an instrument appointing the Bond Insurer as agent for such owners in any legal proceeding related to the payment of such interest and an assignment to the Bond Insurer of the claims for interest to which such deficiency relates and which are paid by the Bond Insurer, (2) receive as designee of the respective owners (and not as Trustee) in accordance with the tenor of the Bond Insurance Policy payment from the Insurance Paying Agent with respect to the claims for interest so assigned, (2) receive as designee of the respective owners (and not as Trustee) in accordance with the tenor of the Bond Insurance Policy payment therefor from the Insurance Paying Agent, and (3) disburse the same to such respective owners; and

(B) If and to the extent of a deficiency in amounts required to pay principal of the 2000 Series A-1 Class III Bonds, the Trustee shall (1) execute and deliver to the Insurance Paying Agent in form satisfactory to the Insurance Paying Agent an instrument appointing the Bond Insurer as agent for such Owner in any legal proceeding relating to the payment of such principal and an assignment to the Bond Insurer of any of the 2000 Series A-1 Class III Bonds surrendered to the Insurance Paying Agent of so much of the principal amount thereof as has not previously been paid or for which moneys are not held by the Trustee, and available for such payment (but such assignment shall be delivered only if payment from the Insurance Paying Agent, and (3) disburse the same to such Owners.

(v) Payments with respect to claims for interest on and principal of 2000 Series A-1 Class III Bonds disbursed by the Trustee from proceeds of the Bond Insurance Policy shall not be considered to discharge the obligation of the Authority with respect to such 2000 Series A-1 Class III Bonds, and the Bond Insurer shall become the owner of such unpaid 2000 Series A-1 Class III Bond and claims for the interest in accordance with the tenor of the assignment made to it under the provisions of this subsection or otherwise.

(vi) Irrespective of whether any such assignment is executed and delivered, the Authority and the Trustee hereby agree for the benefit of the Bond Insurer that:

(A) They recognize that to the extent the Bond Insurer makes payments, directly or indirectly (as by paying through the Trustee), on account of principal of or interest on the 2000 Series A-1 Class III Bonds, the Bond Insurer will be subrogated to the rights of such Owners to receive the

amount of such principal and interest from the Authority, with interest thereon as provided and solely from the sources stated in the Indenture and the 2000 Series A-1 Class III Bonds; and

(B) They will accordingly pay to the Bond Insurer the amount of such principal and interest (including principal and interest recovered under subparagraph (ii) of the first paragraph of the Bond Insurance Policy, which principal and interest shall be deemed past due and not to have been paid), with interest thereon as provided in the Indenture and the 2000 Series A-1 Class III Bonds, but only from the sources and in the manner provided herein for the payment of principal of and interest on the 2000 Series A-1 Class III Bonds to Owners, and will otherwise treat the Bond Insurer as the owner of such rights to the amount of such principal and interest.

(vii) All amounts received under the Bond Insurance Policy shall be used solely for the payment of principal of and interest on the 2000 Series A-1 Class III Bonds, when due.

(d) The Bond Insurer shall be provided with the following information:

(i) at the time it is filed with the Trustee pursuant to Section 5.14(b) of the Master Indenture, and in any event within 180 days after the end of each Fiscal Year, the annual audited financial statements for the immediately prior Fiscal Year;

(ii) an official statement or other disclosure, if any, prepared in connection with the issuance of any additional Bonds under the Indenture, within 30 days after the sale thereof; and

(iii) notice of the resignation or removal of the Trustee and the appointment of a successor Trustee pursuant to Article VIII of the Master Indenture.

(e) The Authority will permit the Bond Insurer to discuss the affairs, finances and accounts of the Authority or any information the Bond Insurer may reasonably request regarding the security for the 2000 Series A-1 Class III Bonds with appropriate officials of the Authority. The Trustee or the Authority, as appropriate, will permit the Bond Insurer to have access to and to make copies of, at the Bond Insurer's expense, all books and records relating to the 2000 Series A-1 Class III Bonds at any reasonable time.

(f) To the extent that the Indenture confers upon or gives or grants to the Bond Insurer any right, remedy or claim under or by reason of the Indenture, the Bond Insurer is hereby explicitly recognized as being a third-party beneficiary under the Indenture and may enforce any such right, remedy or claim conferred, given or granted under the Indenture.

(g) The Bond Insurer shall be notified by the Trustee (i) immediately upon the occurrence of an Event of Default or General Obligation Bond Default or of any event that with notice and/or with the lapse of time could become an Event of Default or General Obligation Bond Default, and (ii) of any redemption of 2000 Series A Bonds at the same time that the Owners of the 2000 Series A Bonds to be redeemed are notified. All notices, reports, statement, schedules and certificates (including, without limitation, Cash Flow Statements) to be delivered to or by the Trustee, or to an Owner of a 2000 Series A Bond or available at the request of the Owners shall also be provided to the Bond Insurer. In addition, all opinions to be delivered to or by the Trustee, or to an Owner of a 2000 Series A Bond, shall also be addressed to the Bond Insurer.

(h) The Authority shall not enter into a Derivative Product with respect to the 2000 Series A-1 Class III Bonds without the prior written consent of the Bond Insurer, other than the ISDA Form Master Agreement (Local Currency, Single Jurisdiction) between the Authority and Lehman Brothers Financial Products Inc., and Schedule to Master Agreement dated March 2, 2000, and the Confirmation delivered thereunder in connection with the 2000 Series A-1 Class III Bonds.

Any notice transmitted as aforesaid will be conclusively presumed to have been given, whether or not actually received by any Owner. Bonds purchased pursuant to this Section 4.5 shall be delivered by the Owners (with all necessary endorsements) to the office of the Paying Agent in Denver, Colorado, at or before 12:00 noon, New York City time, on the Mandatory Purchase Date, and payment of the Purchase Price of such Bonds shall be made by wire transfer in immediately available funds by the Paying Agent by the close of business on such Mandatory Purchase Date.

ARTICLE V

STANDBY AGREEMENT

Section 5.1 Authorization of Standby Agreement. The use of the Standby Agreement to secure payment of the purchase price of the 2000 Series A-1 Class I Bonds, the 2000 Series A-1 Class III Bonds and the 2000 Series A-2 Bonds is hereby authorized. Except with the written consent of the Bond Insurer, a Standby Agreement shall remain in existence with respect to the 2000 Series A-1 Class III Bonds so long as such Bonds remain Outstanding in any Mode other than the Fixed Rate Mode.

Section 5.2 Requirements for Standby Agreement.

(a) *Amount.* The initial Standby Agreement will be a standby bond purchase agreement of the Bank, for direct payments to or upon the order of the Paying Agent of amounts up to (a) the principal of the 2000 Series A-1 Class I Bonds, the 2000 Series A-1 Class III Bonds and the 2000 Series A-2 Bonds when due upon purchase pursuant to a tender; and (b) the interest portion of the purchase price of 2000 Series A-1 Class I Bonds, 2000 Series A-1 Class III Bonds and 2000 Series A-2 Bonds consisting of accrued interest for the number of days required by each Rating Agency then rating the 2000 Series A-1 Class I Bonds, the 2000 Series A-1 Class III Bonds and the 2000 Series A-2 Bonds in order to ensure that the rating of the 2000 Series A-1 Class I Bonds, the 2000 Series A-1 Class III Bonds and the 2000 Series A-2 Bonds will not be adversely affected, as evidenced in writing from each such Rating Agency to the Trustee, at the Maximum Rate. If the Standby Agreement will be in effect during a Short-Term Mode or a Term Rate Mode, the stated coverage amount of the Standby Agreement will include the interest portion of the purchase price of 2000 Series A-1 Class I Bonds, 2000 Series A-1 Class III Bonds and 2000 Series A-2 Bonds for the number of days required by each Rating Agency then rating the 2000 Series A-1 Class I Bonds, the 2000 Series A-1 Class III Bonds and the 2000 Series A-2 Bonds in order to ensure that the respective ratings of the 2000 Series A-1 Class I Bonds, the 2000 Series A-1 Class III Bonds and the 2000 Series A-2 Bonds will not be adversely affected, as evidenced in writing from each such Rating Agency to the Trustee, at the Maximum Rate. The issuance of ratings on the 2000 Series A-1 Class I Bonds, the 2000 Series A-1 Class III Bonds and the 2000 Series A-2 Bonds as initially delivered shall serve as the "evidence in writing from each Rating Agency" required hereby with respect to the amount of the Standby Agreement and number of days of interest covered thereby for the initial Term Rate Mode commencing on the date of delivery of the 2000 Series A-2 Bonds and for the time the 2000 Series A-1 Class I Bonds, the 2000 Series A-1 Class III Bonds and the 2000 Series A-2 Bonds bear interest at a Weekly Rate. The Paying Agent shall promptly present any certificates required by a Standby Agreement for the reduction of the stated amount of the Standby Agreement whenever the Aggregate Principal Amount of the 2000 Series A-1 Class I Bonds, the 2000 Series A-1 Class III Bonds and the 2000 Series A-2 Bonds Outstanding is reduced.

(b) *Term.* Unless extended in accordance with Section 10.9(b) of the initial Standby Agreement, the Standby Agreement will expire at the end of the "Commitment Period," as defined in the initial Standby Agreement. The Trustee shall, without any further authorization or direction from the Authority, submit to the Bank not earlier than fifteen months before, and not later than six months before, the Expiration Date (as defined in the initial Standby Agreement) as from time to time in effect, on behalf of the Authority a request that the Bank renew the Standby Agreement and extend the Expiration Date thereof for an additional three-year period (or such other period as may be specified by the Authority in writing) after the then effective Expiration Date thereof in accordance with Section 10.9(b) of the initial Standby Agreement, unless the Trustee shall have received, not later than fifteen months before such Expiration Date, written direction from the Authority not to submit such request, at which point the Trustee's duties under this Section 5.2(b) shall cease. The Trustee's duties under this Section 5.2(b) are to be considered as strictly administrative in nature, and there will be no duty to take any action beyond sending a request to the Bank, regardless of what action, or lack of action, the Bank shall take regarding the request. If the Bank does not extend the Expiration Date after such a request is made, the Trustee's duties under this Section 5.2(b) shall cease and there shall be no duty to take any action under this Section 5.2(b) in subsequent years, unless there is a new Bank.

Section 5.3 Alternate Standby Agreement.

(a) The Authority may elect to replace any Standby Agreement with a new Standby Agreement substantially conforming to the requirements of Section 5.2 of this Part B, with (so long as any 2000 Series A-1 Class III Bonds are Outstanding) the written consent of the Bond Insurer. If a Term Rate will be in effect during the term of the current Standby Agreement, the Authority may not furnish an Alternate Standby Agreement with an Expiration Date earlier than the Expiration Date in the Standby Agreement then in effect.

(b) The Authority shall promptly notify the Trustee, the Remarketing Agent and the Paying Agent of the Authority's intention to deliver a new Standby Agreement at least 45 days prior to such delivery. Upon receipt of such notice, if the new Standby Agreement is issued by a different issuer, the Trustee will promptly mail by first class mail, or transmitted in such other manner (such as by Electronic Means) as may be customary for the industry as directed in writing by the Authority, a notice of the anticipated delivery of a new Standby Agreement, including the name of the provider of the new Standby Agreement, to the Remarketing Agent and each owner of the 2000 Series A-1 Class I Bonds, the 2000 Series A-1 Class III Bonds and the 2000 Series A-2 Bonds at the owner's registered address at least 30 days prior to delivery of the new Standby Agreement.

(c) A new Standby Agreement, along with the documents required by Section 5.4 of this Part B, must be delivered to the Trustee at least five Business Days prior to the time notice of mandatory tender must be sent to the Owners as set forth in Section 4.5 of this Part B.

Section 5.4 Opinions of Counsel and Other Documents.

(a) Any Standby Agreement delivered to the Trustee after the initial Standby Agreement must be accompanied by (1) a Favorable Opinion of Bond Counsel as to the delivery of the Standby Agreement; (2) an opinion of counsel stating that delivery of the Standby Agreement is authorized under the Indenture and complies with its terms; and (3) an opinion of counsel to the provider of such Standby Agreement stating that such Standby Agreement is a legal, valid, binding and enforceable obligation of such obligor in accordance with its terms.

(b) If the Authority or any natural person, firm, association or public body related to the Authority, within the meaning of § 147(a) of the Code, grants a security interest in any cash, securities or investment type property to the provider of such Standby Agreement or other facility, the Authority must furnish the Trustee a Favorable Opinion of Bond Counsel with respect to such grant.

Section 5.5 Draws.

(a) Whenever any amount is payable for the purchase of the 2000 Series A-1 Class I Bonds, 2000 Series A-1 Class III Bonds or 2000 Series A-2 Bonds as provided in this 2000 Series A Indenture, the Paying Agent shall direct the Trustee to draw on the Standby Agreement in accordance with its terms, if one is in effect, to the extent necessary (taking into account any remarketing proceeds that are then on hand with the Paying Agent as described in the next paragraph) to make such full and timely payment in accordance with this 2000 Series A Indenture and the Standby Agreement, except that the Paying Agent may not draw on the Standby Agreement to pay the purchase price of Bank Bonds or 2000 Series A-1 Class I Bonds, 2000 Series A-1 Class III Bonds or 2000 Series A-2 Bonds owned by or registered in the name of the Authority. In drawing on the Standby Agreement, the Paying Agent will be acting on behalf of the owners of the 2000 Series A-1 Class I Bonds, 2000 Series A-1 Class III Bonds or 2000 Series A-2 Bonds by facilitating payment of the purchase price of their 2000 Series A-1 Class I Bonds, 2000 Series A-1 Class III Bonds or 2000 Series A-2 Bonds and not on behalf of the Authority and will not be subject to the control of the Authority.

(b) On each Purchase Date or Mandatory Purchase Date on which the 2000 Series A-1 Class I Bonds, 2000 Series A-1 Class III Bonds or 2000 Series A-2 Bonds are to be purchased pursuant to a tender, the Paying Agent shall direct the Trustee to draw upon the Standby Agreement by 1:00 p.m., New York City time, in an amount sufficient, together with any remarketing proceeds that the Paying Agent has on hand at the time of such draw, to enable the Paying Agent to pay the purchase price of the 2000 Series A-1 Class I Bonds, 2000 Series A-1 Class III Bonds or 2000 Series A-2 Bonds to be purchased on such Purchase Date or Mandatory Purchase Date. If the Paying Agent does not have any remarketing proceeds on hand, the Paying Agent shall direct the Trustee to draw upon the Standby Agreement in an amount sufficient to enable the Paying Agent to pay such purchase price

entirely from the proceeds of such drawing. The Paying Agent shall direct the Trustee to make any drawing required under this subsection (b) in accordance with the terms of such Standby Agreement and deposit such moneys to the Standby Purchase Account so that immediately available funds will be available to the Paying Agent to pay the purchase price due on a Purchase Date or Mandatory Purchase Date by 2:30 p.m., New York City time, on the Purchase Date or Mandatory Purchase Date, and the Paying Agent shall deposit those moneys directly into the Standby Purchase Account.

(c) If, following any draw on a Standby Agreement in accordance with its terms, the Paying Agent does not receive from the Bank when due the full amount stated in such draw, the Paying Agent shall promptly direct the Trustee to submit another draw in the amount of any deficiency or, if nothing was received by the Paying Agent, in such full amount.

(d) Upon receipt from the Bank of the proceeds of any drawing on the Standby Agreement, the Paying Agent shall pay such proceeds to the persons entitled thereto in accordance with the provisions hereof.

(e) If, subsequent to any such draw to pay the purchase price of 2000 Series A-1 Class I Bonds, 2000 Series A-1 Class III Bonds or 2000 Series A-2 Bonds, the Paying Agent receives from the Remarketing Agent remarketing proceeds of 2000 Series A-1 Class I Bonds, 2000 Series A-1 Class III Bonds or 2000 Series A-2 Bonds for which such draw was made, the Paying Agent shall repay to the Bank in immediately available funds by 2:00 p.m., New York City time (so long as the Paying Agent has received such funds by 1:00 p.m., New York City time), on the day of receipt by the Paying Agent of such remarketing proceeds, an amount equal to such remarketing proceeds.

This Article VI shall be applicable to the 2000 Series A-1 Class I Bonds, the 2000 Series A-1 Class III Bonds or the 2000 Series A-2 Bonds on and after the SAVRS Rate Conversion Date for the 2000 Series A-1 Class I Bonds, the 2000 Series A-1 Class III Bonds or the 2000 Series A-2 Bonds. Any Standby Agreement then in effect shall automatically terminate with respect to the 2000 Series A-1 Class I Bonds, the 2000 Series A-1 Class III Bonds or the 2000 Series A-2 Bonds at the close of business on the SAVRS Rate Conversion Date for the 2000 Series A-1 Class I Bonds, the 2000 Series A-1 Class III Bonds or the 2000 Series A-2 Bonds.

Section 6.2 Conversion to SAVRS Rate Bonds.

(a) The 2000 Series A-1 Class I Bonds, the 2000 Series A-1 Class III Bonds or the 2000 Series A-2 Bonds shall be converted to SAVRS Rate Bonds on any Mode Change Date if the Authority shall have delivered to the Trustee and the Remarketing Agent (i) a written notice specifying the SAVRS Rate Conversion Date, which shall be not less than 45 days after such notice is delivered, which notice may be revoked by the delivery of written notice of revocation by the Authority to the Trustee and the Remarketing Agent on or before the date provided in subsection (h) of this Section 6.2, (ii) an opinion of Bond Counsel to the effect that such conversion to SAVRS Rate Bonds in accordance with the provisions hereof is authorized or permitted by the terms hereof and will not, in and of itself, adversely affect the exclusion from gross income for federal income tax purposes of interest on any of the Tax-exempt 2000 Series A Bonds, and (iii) with respect to the 2000 Series A-1 Class III Bonds, the written consent of the Bond Insurer.

(b) The Trustee shall give notice by first-class mail or transmitted in such other manner (such as by Electronic Means) as may be customary for the industry as directed in writing by the Authority, to the Owners of such 2000 Series A-1 Class I Bonds, 2000 Series A-1 Class III Bonds or 2000 Series A-2 Bonds, at least 30 days before the SAVRS Rate Conversion Date, of the SAVRS Rate Conversion Date. Such notice shall include or be accompanied by the notice required by subsection (c) of this Section 6.2.

(c) Each 2000 Series A-1 Class I Bond, 2000 Series A-1 Class III Bond or 2000 Series A-2 Bond, as applicable, shall be subject to mandatory purchase on the SAVRS Rate Conversion Date at the Purchase Price. The Trustee shall include in the notice transmitted to the Owners of such Bonds a further notice of mandatory purchase which in substance shall state: (i) the SAVRS Rate Conversion Date; (ii) if such is the case, that any ratings of any of such Bonds may be withdrawn or reduced; (iii) that subsequent to the SAVRS Rate Conversion Date, no owner of a 2000 Series A-1 Class I Bond, 2000 Series A-1 Class III Bond or 2000 Series A-2 Bond, as applicable, will have any right to demand purchase of such Bond under the Master Indenture and this 2000 Series A Indenture and such Owner will

not be entitled to the benefits of the Standby Agreement; and (iv) that all the Owners of such Bonds shall be required to tender or be deemed to have tendered their Bonds to the Paying Agent for purchase by 11:00 a.m., New York City time on the SAVRS Rate Conversion Date.

(d) Owners of such 2000 Series A-1 Class I Bonds, 2000 Series A-1 Class III Bonds or 2000 Series A-2 Bonds shall be required to tender their Bonds for payment on the SAVRS Rate Conversion Date at the Purchase Price. Any such Bonds on the SAVRS Rate Conversion Date for which there has been irrevocably deposited with the Paying Agent an amount sufficient to pay the Purchase Price of such Bonds shall be deemed to have been tendered in accordance herewith.

(e) Upon presentation of such 2000 Series A-1 Class I Bonds, 2000 Series A-1 Class III Bonds or 2000 Series A-2 Bonds, on the SAVRS Rate Conversion Date, or any Business Day thereafter, the Paying Agent shall purchase, but only from the proceeds of the remarketing of such Bonds or from amounts drawn under the Standby Agreement, all 2000 Series A-1 Class I Bonds, 2000 Series A-1 Class III Bonds or 2000 Series A-2 Bonds required to be purchased and deemed tendered pursuant to this Section 6.2 at the Purchase Price, payable by electronic transfer in immediately available funds to the account designated to the Paying Agent by the Owner of such Bonds deemed tendered, and if not so designated, by check or draft.

(f) On and after the SAVRS Rate Conversion Date for 2000 Series A-1 Class I Bonds, 2000 Series A-1 Class III Bonds or 2000 Series A-2 Bonds, such Bonds shall be in substantially the forms provided in the Supplemental Indenture to be entered into in connection with the SAVRS Rate Conversion Date.

(g) On and after the SAVRS Rate Conversion Date for the 2000 Series A-1 Class I Bonds, 2000 Series A-1 Class III Bonds or 2000 Series A-2 Bonds, the provisions of the Supplemental Indenture to be entered into in connection with the SAVRS Rate Conversion Date shall be deemed to be an integral part of this 2000 Series A Indenture. In the event that any provision of such Supplemental Indenture shall be inconsistent with any provision of the Master Indenture or this 2000 Series A Indenture, such provisions of such Supplemental Indenture shall supersede such inconsistent provisions.

(h) Notwithstanding any provisions to the contrary contained in this 2000 Series A Indenture or in the Master Indenture, (i) if the Authority has elected to convert the 2000 Series A-1 Class I Bonds, 2000 Series A-1 Class III Bonds or 2000 Series A-2 Bonds to SAVRS Rate Bonds pursuant to subsection (a) of this Section 6.2, the Authority shall have the right to revoke such election on or before the initial Date of Interest Accrual (as shall be defined in the Supplemental Indenture to be entered into in connection with the SAVRS Rate Conversion Date), whereupon the rate of interest on such Bonds shall automatically become or remain a Weekly Rate as of the proposed SAVRS Rate Conversion Date, and (ii) if, on the proposed SAVRS Rate Conversion Date, the Remarketing Agent has not received the

Purchase Price for all 2000 Series A-1 Class I Bonds, 2000 Series A-1 Class III Bonds or 2000 Series A-2 Bonds being tendered or deemed tendered as provided in this Section 6.2, the rate of interest on such Bonds shall automatically become or remain a Weekly Rate as of the proposed SAVRS Rate Conversion Date.

(i) The foregoing provisions shall be conclusive and binding upon the Authority, the Trustee and the Owners of the 2000 Series A-1 Class I Bonds, the 2000 Series A-1 Class III Bonds and the 2000 Series A-2 Bonds.

Section 6.3 Draw on the Standby Agreement on the SAVRS Rate Conversion Date. On any SAVRS Rate Conversion Date for the 2000 Series A-1 Class I Bonds, 2000 Series A-1 Class III Bonds or 2000 Series A-2 Bonds, the Trustee shall draw under the Standby Agreement in an amount equal to the Purchase Price thereof for which sufficient remarketing proceeds to pay the Purchase Price have not been received.

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT:

The Colorado Housing and Finance Authority (the "Authority"), a body corporate and political subdivision of the State of Colorado (the "State"), created and existing by virtue of the laws of the State, particularly the Colorado Housing and Finance Authority Act, constituting Part 7 of Article 4 of Title 29 of the Colorado Revised Statutes, as amended (the "Act"), for value received hereby promises to pay (but only from the funds, accounts and other security provided therefor) to the Registered Owner specified above, or to such Registered Owner's registered assigns or personal representatives, the Principal Amount specified above on the Maturity Date specified above, unless this Bond is redeemed or purchased prior thereto as provided below, upon its presentation and surrender as provided under the Master Indenture of Trust and the 2000 Series A Indenture of Trust, both dated as of March 1, 2000, between the Authority and Norwest Bank Colorado, National Association, as Trustee (collectively, the "Indenture"), and to pay to the Registered Owner interest on such Principal Amount until paid at the times and at the rates described herein.

This Bond is one of a duly authorized issue of bonds of the Authority designated "Colorado Housing and Finance Authority Multi-Family/Project Class I Adjustable Rate Bonds 2000 Series A-1" (the "Bonds"), issued under and pursuant to the Act and the Indenture. This Bond constitutes a Class I Obligation (as defined in the Indenture) under the Indenture and is secured by the pledge and lien of the Trust Estate contained therein, which is in the following order of priority: first, to secure the payment of the principal of and interest on the Class I Obligations in accordance with the terms and the provisions of the Indenture, second, to secure the payment of the principal of and interest on the Class II Obligations (as defined in the Indenture) in accordance with the terms and the provisions of the Indenture, third, to secure the payment of the principal of and interest on the Class III Obligations (as defined in the Indenture) in accordance with the terms and the provisions of the Indenture, and fourth, to secure the payment of the principal of and interest on the Class IV Obligations (as defined in the Indenture) in accordance with the terms and provisions of the Indenture. The Registered Owner hereof, by acceptance of this Bond, consents to all of the terms and conditions of the Indenture, a copy of which is on file with the Trustee.

THIS BOND, TOGETHER WITH THE INTEREST HEREON, IS A SPECIAL, LIMITED OBLIGATION OF THE AUTHORITY PAYABLE SOLELY FROM, AND SECURED ONLY BY, THE REVENUES AND OTHER SECURITY PLEDGED THEREFOR UNDER THE INDENTURE, SUBJECT TO THE LIEN AND PLEDGE PRIORITY DISCUSSED ABOVE. IN NO EVENT SHALL THIS BOND CONSTITUTE AN OBLIGATION OR LIABILITY OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE AUTHORITY). THE AUTHORITY HAS NO TAXING POWER NOR DOES IT HAVE THE POWER TO PLEDGE THE GENERAL CREDIT OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF OTHER THAN THE AUTHORITY, OR TO PLEDGE THE TAXING POWER OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF. THE STATE SHALL NOT BE LIABLE FOR THIS BOND, AND THIS BOND SHALL NOT CONSTITUTE A DEBT OF THE STATE.

1. Definitions. Any term used herein as a defined term but not defined herein shall be defined as in the Indenture.

2. Standby Agreement. The Authority has caused to be delivered to the Trustee a standby bond purchase agreement (the "Standby Agreement") issued by the Federal Home Loan Bank of Topeka (together with its successors and assigns or any issuer of any Alternate Standby Agreement, the "Bank"). The initial Standby Agreement will expire on March 20, 2005 unless earlier terminated in accordance with its terms. The Paying Agent, as provided in the Indenture, will draw on the Standby Agreement in order to receive amounts sufficient to pay (a) the principal of the Bonds when due upon purchase pursuant to a tender; and (b) the interest portion of the purchase price of Bonds, as provided in the Indenture.

The Authority, upon the conditions specified in the Indenture, may provide for the extension of the Standby Agreement prior to its expiration date or for the delivery to the Paying Agent of an Alternate Standby Agreement.

3. Interest Rate. Interest on this Bond will be paid at a Commercial Paper Rate when the Bond is in the Commercial Paper Mode, at a Daily Rate when the Bond is in the Daily Mode, at a Weekly Rate when the Bond is in the Weekly Mode, at a Term Rate when the Bond is in the Term Mode, at a rate determined by auction procedures described in the Indenture when the Bond is in a SAVRS Rate Mode, and at a Fixed Rate when the Bond is in the Fixed Rate Mode, all as determined in accordance with the Indenture; provided, however, that no Bond shall bear interest at a rate higher than the Maximum Rate. Bank Bonds shall bear interest at the Bank Rate, provided that Bank Bonds shall not bear interest at the Bank Rate after such Bonds have been remarketed unless such Bonds shall again become Bank Bonds. The Authority may change any Bond in a Mode, other than a Fixed Rate Mode, to any other Mode.

When a Commercial Paper Mode, a Daily Mode or Weekly Mode is in effect, interest will be calculated on the basis of a 365/366 day year for the actual number of days elapsed, when a SAVRS Rate Mode is in effect, interest will be calculated for the actual number of days elapsed on the basis of a 360-day year, and when a Term Rate Mode or Fixed Rate Mode is in effect, interest will be calculated on the basis of a 360 day year comprised of twelve 30-day months. Interest on Bank Bonds shall be calculated based upon a 365/366 day year for the actual number of days elapsed.

4. Determination of Rate. Interest on the Bonds will initially be payable at the Weekly Rate, unless and until the interest rate determination method is changed by the Authority as provided in the Indenture. The Authority may effect a change in Mode with respect to a Bond by following the procedures set forth in the Indenture. No later than the 45th day (or such shorter time as may be agreed to by the Authority, the Trustee, the Paying Agent and the Remarketing Agent) preceding any proposed Mode Change Date, the Authority shall give written notice to the Notice Parties (as defined in the Indenture) of its intention to effect a change in the Mode from the Mode then prevailing.

The new Mode for a Bond shall commence on the Mode Change Date for such Bond and the interest rate (together, in the case of a change to the Commercial Paper Mode, with the Interest Period for such Bond) shall be determined by the Remarketing Agent in the manner provided in the Indenture.

Except as otherwise provided in the Indenture, in the event (a) the Remarketing Agent fails or is unable to determine the interest rate or Interest Period with respect to any Bond, or (b) the method of determining the interest rate or Interest Period with respect to a Bond shall be held to be unenforceable by a court of law of competent jurisdiction, such Bond shall thereupon, until such time as the Remarketing Agent again makes such determination or until there is delivered a Counsel's Opinion to the effect that the method of determining such rate is enforceable, bear interest from the last date on which such rate was determined in the case of clause (a) and from the date on which interest was legally paid in the case of clause (b), at the Alternate Rate for the Mode in effect for such Bond; provided, that, if either of the circumstances described in clauses (a) and (b) occurs on a Rate Determination Date for a Commercial Paper Bond, the relevant Interest Period shall be from and including such Rate Determination Date to, but not including, the next succeeding Business

Day, and thereafter shall commence on a Business Day and extend to, but shall not include, the next Business Day.

5. Interest Payment Dates and Record Dates. Payment will be made on the applicable Interest Payment Date to the Registered Owner on the applicable Record Date for unpaid interest accrued during the current Interest Accrual Period (as defined below), all as set forth in the Indenture. Certain of the provisions relating thereto are set forth below:

"Interest Accrual Period" means the period during which the Bonds accrue interest payable on any Interest Payment Date. For Bonds in a Daily Mode, the Interest Accrual Period shall commence on (and include) the first day of each month and shall extend through (and include) the last day of such month; provided, that if such month is the month in which the Bonds are authenticated and delivered, or if the Bonds are changed to the Daily Mode during such month, the Interest Accrual Period shall commence on the date of authentication and delivery of the Bonds or the Mode Change Date, as the case may be; provided, further, that if no interest has been paid on Bonds in the Daily Mode, interest shall accrue from the date of original authentication and delivery of the Bonds or the Mode Change Date, as appropriate. With respect to Bonds in all Modes other than the Daily Mode, the Interest Accrual Period shall commence on (and include) the last Interest Payment Date to which interest has been paid (or, if no interest has been paid in such Mode, from the date of original authentication and delivery of the Bonds, or the Mode Change Date, as the case may be) to, but not including, the Interest Payment Date on which interest is to be paid. If, at the time of authentication of any Bond, interest is in default or overdue on the Bonds, such Bond shall bear interest from the date to which interest has previously been paid in full or made available for payment in full on Outstanding Bonds.

6. Method of Payment. The principal of and premium, if any, on each Bond will be payable in lawful money of the United States of America upon its surrender at the office of the Paying Agent. The Purchase Price of a Bond in the Commercial Paper Mode will be payable upon the close of business of the Purchase Date; provided, that such Bond is first surrendered to the Paying Agent by 12:00 noon New York City time on such date (see "Tenders and Purchasers" below). Interest on Bonds in the Commercial Paper Mode, the Daily Mode or the Weekly Mode will be paid by the Paying Agent by wire transfer of immediately available funds to an account specified by the Registered Owner on the applicable Record Date in a writing delivered to the Paying Agent and, on Bonds in the Term Rate or Fixed Rate Mode, by check mailed by the Paying Agent to the Registered Owner at the address appearing in the registration books of the Paying Agent on the applicable Record Date. Payment of interest to Registered Owners of \$1,000,000 or more in aggregate principal amount of Bonds in the Term Rate or Fixed Rate Mode may be made by wire transfer as provided in the Indenture.

7. Tenders and Purchasers.

(a) Optional Tenders. When a Bond is in the Daily Mode or the Weekly Mode, its Registered Owner may elect to have such Bond (or any portion thereof in an Authorized Denomination) purchased on any Business Day at a price equal to the Purchase Price (as defined in the Indenture) by delivering:

(i) (1) in the case of the Daily Mode, an irrevocable telephonic notice to the Remarketing Agent not later than 11:00 A.M., New York City time, on the Purchase Date specified by the Owner, (2) in the case of the Weekly Mode, an irrevocable written notice of tender or an irrevocable telephonic notice of tender to the Remarketing Agent, promptly confirmed in writing to the Paying Agent, by 4:00 P.M., New York City time, on a Business Day not less than seven days before the Purchase Date specified by the Registered Owner, stating, in each such case, the CUSIP number, Bond number, the principal amount to be purchased, and the Purchase Date; and

(ii) in either case, the Bond (with all necessary endorsements) to the Paying Agent in Denver, Colorado, on or before 12:00 noon on the Purchase Date.

(b) Optional Purchase. The Registered Owner of a Bond in the Term Rate Mode (unless such Bonds are being changed to another Mode in accordance with the Indenture) may elect to have its Bond (or portions thereof in Authorized Denominations) purchased on the last day of the current Interest Period applicable to such Bond (or the next Business Day if such last day is not a Business Day) at a price equal to the Purchase Price upon delivery of an irrevocable written notice of tender or irrevocable telephonic notice of tender to the Remarketing Agent, promptly confirmed in writing to the Paying Agent, by not later than 10:00 a.m. on a Business Day not less than seven days before such last day. Such notice of tender shall state the CUSIP number, Bond number and the principal amount of such Bond to be purchased. Exh. B-1

This Bond is one of a duly authorized issue of bonds of the Authority designated "Colorado Housing and Finance Authority Multi-Family/Project Class III Adjustable Rate Bonds 2000 Series A-1" (the "Bonds"), issued under and pursuant to the Act and the Indenture. This Bond constitutes a Class III Obligation (as defined in the Indenture) under the Indenture and is secured by the full faith and credit of the Authority in addition to the pledge and lien of the Trust Estate contained therein, which is in the following order of priority: first, to secure the payment of the principal of and interest on the Class I Obligations (as defined in the Indenture) in accordance with the terms and the provisions of the Indenture, second, to secure the payment of the principal of and interest on the Class II Obligations (as defined in the Indenture) in accordance with the terms and the provisions of the Indenture, third, to secure the payment of the principal of and interest on the Class III Obligations in accordance with the terms and the provisions of the Indenture, and fourth, to secure the payment of the principal of and interest on the Class IV Obligations (as defined in the Indenture) in accordance with the terms and provisions of the Indenture. The Registered Owner hereof, by acceptance of this Bond, consents to all of the terms and conditions of the Indenture, a copy of which is on file with the Trustee.

THIS BOND, TOGETHER WITH THE INTEREST HEREON, IS A GENERAL OBLIGATION OF THE AUTHORITY AND IS ALSO PAYABLE FROM, AND SECURED BY, THE REVENUES OF THE AUTHORITY AND OTHER SECURITY PLEDGED THEREFOR UNDER THE INDENTURE, SUBJECT TO THE LIEN AND PLEDGE PRIORITY DISCUSSED ABOVE. IN NO EVENT SHALL THIS BOND CONSTITUTE AN OBLIGATION OR LIABILITY OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE AUTHORITY). THE AUTHORITY HAS NO TAXING POWER NOR DOES IT HAVE THE POWER TO PLEDGE THE GENERAL CREDIT OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF OTHER THAN THE AUTHORITY, OR TO PLEDGE THE TAXING POWER OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF. THE STATE SHALL NOT BE LIABLE FOR THIS BOND, AND THIS BOND SHALL NOT CONSTITUTE A DEBT OF THE STATE.

1. Definitions. Any term used herein as a defined term but not defined herein shall be defined as in the Indenture.

2. Standby Agreement. The Authority has caused to be delivered to the Trustee a standby bond purchase agreement (the "Standby Agreement") issued by the Federal Home Loan Bank of Topeka (together with its successors and assigns or any issuer of any Alternate Standby Agreement, the "Bank"). The initial Standby Agreement will expire on March 20, 2005 unless earlier terminated in accordance with its terms. The Paying Agent, as provided in the Indenture, will draw on the Standby Agreement in order to receive amounts sufficient to pay (a) the principal of the Bonds when due upon purchase pursuant to a tender; and (b) the interest portion of the purchase price of Bonds, as provided in the Indenture.

The Authority, upon the conditions specified in the Indenture, may provide for the extension of the Standby Agreement prior to its expiration date or for the delivery to the Paying Agent of an Alternate Standby Agreement.

3. Interest Rate. Interest on this Bond will be paid at a Commercial Paper Rate when the Bond is in the Commercial Paper Mode, at a Daily Rate when the Bond is in the Daily Mode, at a Weekly Rate when the Bond is in the Weekly Mode, at a Term Rate when the Bond is in the Term Mode, at a rate determined by auction procedures described in the Indenture when the Bond is in a SAVRS Rate Mode, and at a Fixed Rate when the Bond is in the Fixed Rate Mode, all as determined in accordance with the Indenture; provided, however, that no Bond shall bear interest at a rate higher than the Maximum Rate. Bank Bonds shall bear interest at the Bank Rate, provided that Bank Bonds shall not bear interest at the Bank Rate after such Bonds have been remarketed unless such Bonds shall again become Bank Bonds. The Authority may change any Bond in a Mode, other than a Fixed Rate Mode, to any other Mode.

When a Commercial Paper Mode, a Daily Mode or Weekly Mode is in effect, interest will be calculated on the basis of a 365/366 day year for the actual number of days elapsed, when a SAVRS Rate Mode is in effect, interest will be calculated for the actual number of days elapsed on the basis of a 360-day year, and when a Term Rate Mode or Fixed Rate Mode is in effect, interest will be calculated on the basis of a 360 day year comprised of twelve 30-day months. Interest on Bank Bonds shall be calculated based upon a 365/366 day year for the actual number of days elapsed.

4. Determination of Rate. Interest on the Bonds will initially be payable at the Weekly Rate, unless and until the interest rate determination method is changed by the Authority as provided in the Indenture. The Authority may effect a change in Mode with respect to a Bond by following the procedures set forth in the Indenture. No later than the 45th day (or such shorter time as may be agreed to by the Authority, the Trustee, the Paying Agent and the Remarketing Agent) preceding any proposed Mode Change Date, the Authority shall give written notice to the Notice Parties (as defined in the Indenture) of its intention to effect a change in the Mode from the Mode then prevailing.

The new Mode for a Bond shall commence on the Mode Change Date for such Bond and the interest rate (together, in the case of a change to the Commercial Paper Mode, with the Interest Period for such Bond) shall be determined by the Remarketing Agent in the manner provided in the Indenture.

Except as otherwise provided in the Indenture, in the event (a) the Remarketing Agent fails or is unable to determine the interest rate or Interest Period with respect to any Bond, or (b) the method of determining the interest rate or Interest Period with respect to a Bond shall be held to be unenforceable by a court of law of competent jurisdiction, such Bond shall thereupon, until such time as the Remarketing Agent again makes such determination or until there is delivered a Counsel's Opinion to the effect that the method of determining such rate is enforceable, bear interest

from the last date on which such rate was determined in the case of clause (a) and from the date on which interest was legally paid in the case of clause (b), at the Alternate Rate for the Mode in effect for such Bond; provided, that, if either of the circumstances described in clauses (a) and (b) occurs on a Rate Determination Date for a Commercial Paper Bond, the relevant Interest Period shall be from and including such Rate Determination Date to, but not including, the next succeeding Business Day, and thereafter shall commence on a Business Day and extend to, but shall not include, the next Business Day.

5. Interest Payment Dates and Record Dates. Payment will be made on the applicable Interest Payment Date to the Registered Owner on the applicable Record Date for unpaid interest accrued during the current Interest Accrual Period (as defined below), all as set forth in the Indenture. With respect to Bonds in all Modes other than the Daily Mode, the Interest Accrual Period shall commence on (and include) the last Interest Payment Date to which interest has been paid (or, if no interest has been paid in such Mode, from the date of original authentication and delivery of the Bonds, or the Mode Change Date, as the case may be) to, but not including, the Interest Payment Date on which interest is to be paid. If, at the time of authentication of any Bond, interest is in default or overdue on the Bonds, such Bond shall bear interest from the date to which interest has previously been paid in full or made available for payment in full on Outstanding Bonds.

6. Method of Payment. The principal of and premium, if any, on each Bond will be payable in lawful money of the United States of America upon its surrender at the office of the Paying Agent. The Purchase Price of a Bond in the Commercial Paper Mode will be payable upon the close of business of the Purchase Date; provided, that such Bond is first surrendered to the Paying Agent by 12:00 noon New York City time on such date (see "Tenders and Purchasers" below). REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT:

The Colorado Housing and Finance Authority (the "Authority"), a body corporate and political subdivision of the State of Colorado (the "State"), created and existing by virtue of the laws of the State, particularly the Colorado Housing and Finance Authority Act, constituting Part 7 of Article 4 of Title 29 of the Colorado Revised Statutes, as amended (the "Act"), for value received hereby promises to pay (but only from the funds, accounts and other security provided therefor) to the Registered Owner specified above, or to such Registered Owner's registered assigns or personal representatives, the Principal Amount specified above on the Maturity Date specified above, unless this Bond is redeemed or purchased prior thereto as provided below, upon its presentation and

surrender as provided under the Master Indenture of Trust and the 2000 Series A Indenture of Trust, both dated as of March 1, 2000, between the Authority and Norwest Bank Colorado, National Association, as Trustee (collectively, the "Indenture"), and to pay to the Registered Owner interest on such Principal Amount until paid at the times and at the rates described herein.

This Bond is one of a duly authorized issue of bonds of the Authority designated "Colorado Housing and Finance Authority Taxable Multi-Family/Project Class I Adjustable Rate Bonds 2000 Series A-2 (Convertible to Tax-Exempt on the Conversion Date)" (the "Bonds"), issued under and pursuant to the Act and the Indenture. This Bond constitutes a Class I Obligation (as defined in the Indenture) under the Indenture and is secured by the pledge and lien of the Trust Estate contained therein, which is in the following order of priority: first, to secure the payment of the principal of and interest on the Class I Obligations in accordance with the terms and the provisions of the Indenture, second, to secure the payment of the principal of and interest on the Class II Obligations (as defined in the Indenture) in accordance with the terms and the provisions of the Indenture, third, to secure the payment of the principal of and interest on the Class III Obligations (as defined in the Indenture) in accordance with the terms and the provisions of the Indenture, and fourth, to secure the payment of the principal of and interest on the Class IV Obligations (as defined in the Indenture) in accordance with the terms and provisions of the Indenture. The Registered Owner hereof, by acceptance of this Bond, consents to all of the terms and conditions of the Indenture, a copy of which is on file with the Trustee.

THIS BOND, TOGETHER WITH THE INTEREST HEREON, IS A SPECIAL, LIMITED OBLIGATION OF THE AUTHORITY PAYABLE SOLELY FROM, AND SECURED ONLY BY, THE REVENUES AND OTHER SECURITY PLEDGED THEREFOR UNDER THE INDENTURE, SUBJECT TO THE LIEN AND PLEDGE PRIORITY DISCUSSED ABOVE. IN NO EVENT SHALL THIS BOND CONSTITUTE AN OBLIGATION OR LIABILITY OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE AUTHORITY). THE AUTHORITY HAS NO TAXING POWER NOR DOES IT HAVE THE POWER TO PLEDGE THE GENERAL CREDIT OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF OTHER THAN THE AUTHORITY, OR TO PLEDGE THE TAXING POWER OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF. THE STATE SHALL NOT BE LIABLE FOR THIS BOND, AND THIS BOND SHALL NOT CONSTITUTE A DEBT OF THE STATE.

1. Definitions. Any term used herein as a defined term but not defined herein shall be defined as in the Indenture.

2. Conversion. The date, if any, on which this bond begins to bear interest at the Tax-Exempt Rate (the "Conversion Date") shall be set in a written notice mailed by first-class mail, postage prepaid, by the Trustee to the registered owners of the Bonds at least 15 days prior to the Conversion Date. The Authority anticipates that the Conversion Date will be February 1, 2001, but it may be between February 1, 2001 and May 1, 2001, inclusive, if it occurs; however, the Conversion Date will occur only upon the delivery by bond counsel of an opinion to the effect that

on and after the Conversion Date interest on the Bonds will be excludable from gross income of the registered owners thereof. If bond counsel cannot deliver such an opinion on February 1, 2001, the Conversion Date will not occur until bond counsel can deliver such an opinion. The Conversion Date will not occur after May 1, 2001. In the event the Conversion Date does not occur for any reason, this Bond shall remain outstanding and bear interest at the Weekly Rate.

If a Conversion Date occurs, the Bonds shall be subject to mandatory exchange for new bonds. If a Conversion Date occurs, the Trustee shall send written notice, by first-class prepaid mail, to every Registered Owner of the Bonds that the Bonds are subject to mandatory exchange. Within ten days after the Conversion Date, new Bonds, reflecting the new tax-exempt interest rates, shall be distributed to the Registered Owners of the Bonds in exchange for the old Bonds, as listed on the registration records maintained by the Trustee.

3. Standby Agreement. The Authority has caused to be delivered to the Trustee a standby bond purchase agreement (the "Standby Agreement") issued by the Federal Home Loan Bank of Topeka (together with its successors and assigns or any issuer of any Alternate Standby Agreement, the "Bank"). The initial Standby Agreement will expire on March 20, 2005 unless earlier terminated in accordance with its terms. The Paying Agent, as provided in the Indenture, will draw on the Standby Agreement in order to receive amounts sufficient to pay (a) the principal of the Bonds when due upon purchase pursuant to a tender; and (b) the interest portion of the purchase price of Bonds, as provided in the Indenture.

The Authority, upon the conditions specified in the Indenture, may provide for the extension of the Standby Agreement prior to its expiration date or for the delivery to the Paying Agent of an Alternate Standby Agreement.

4. Interest Rate. Interest on this Bond will be paid at a Commercial Paper Rate when the Bond is in the Commercial Paper Mode, at a Daily Rate when the Bond is in the Daily Mode, at a Weekly Rate when the Bond is in the Weekly Mode, at a Term Rate when the Bond is in the Term Mode, at a rate determined by auction procedures described in the Indenture when the Bond is in a SAVRS Rate Mode, and at a Fixed Rate when the Bond is in the Fixed Rate Mode, all as determined in accordance with the Indenture; provided, however, that no Bond shall bear interest at a rate higher than the Maximum Rate. Bank Bonds shall bear interest at the Bank Rate, provided that Bank Bonds shall not bear interest at the Bank Rate after such Bonds have been remarketed unless such Bonds shall again become Bank Bonds. The Authority may change any Bond in a Mode, other than a Fixed Rate Mode, to any other Mode.

When a Commercial Paper Mode, a Daily Mode or Weekly Mode is in effect, interest will be calculated on the basis of a 365/366 day year for the actual number of days elapsed, when a SAVRS Rate Mode is in effect, interest will be calculated for the actual number of days elapsed on the basis of a 360-day year, and when a Term Rate Mode or Fixed Rate Mode is in effect, interest will be calculated on the basis of a 360 day year comprised of twelve 30-day months. Interest on Bank Bonds shall be calculated based upon a 365/366 day year for the actual number of days

elapsed.

5. Determination of Rate. Interest on this Bond will initially be paid at a Term Rate in a Term Rate Mode ending on January 31, 2001. Thereafter, interest on the Bonds will be payable at the Weekly Rate, unless and until the interest rate determination method is changed by the Authority as provided in the Indenture. The Authority may effect a change in Mode with respect to a Bond by following the procedures set forth in the Indenture. No later than the 45th day (or such shorter time as may be agreed to by the Authority, the Trustee, the Paying Agent and the Remarketing Agent) preceding any proposed Mode Change Date, the Authority shall give written notice to the Notice Parties (as defined in the Indenture) of its intention to effect a change in the Mode from the Mode then prevailing.

The new Mode for a Bond shall commence on the Mode Change Date for such Bond and the interest rate (together, in the case of a change to the Commercial Paper Mode, with the Interest Period for such Bond) shall be determined by the Remarketing Agent in the manner provided in the Indenture.

Except as otherwise provided in the Indenture, in the event (a) the Remarketing Agent fails or is unable to determine the interest rate or Interest Period with respect to any Bond, or (b) the method of determining the interest rate or Interest Period with respect to a Bond shall be held to be unenforceable by a court of law of competent jurisdiction, such Bond shall thereupon, until such time as the Remarketing Agent again makes such determination or until there is delivered a Counsel's Opinion to the effect that the method of determining such rate is enforceable, bear interest from the last date on which such rate was determined in the case of clause (a) and from the date on which interest was legally paid in the case of clause (b), at the Alternate Rate for the Mode in effect for such Bond; provided, that, if either of the circumstances described in clauses (a) and (b) occurs on a Rate Determination Date for a Commercial Paper Bond, the relevant Interest Period shall be from and including such Rate Determination Date to, but not including, the next succeeding Business Day, and thereafter shall commence on a Business Day and extend to, but shall not include, the next Business Day.

6. Interest Payment Dates and Record Dates. Payment will be made on the applicable Interest Payment Date to the Registered Owner on the applicable Record Date for unpaid interest accrued during the current Interest Accrual Period (as defined below), all as set forth in the Indenture. Certain of the provisions relating thereto are set forth below:

For Bonds in a Daily Mode, the Interest Accrual Period shall commence on (and include) the first day of each month and shall extend through (and include) the last day of such month; provided, that if such month is the month in which the Bonds are authenticated and delivered, or if the Bonds are changed to the Daily Mode during such month, the

Interest Accrual Period shall commence on the date of authentication and delivery of the Bonds or the Mode Change Date, as the case may be; provided, further, that if no interest has been paid on Bonds in the Daily Mode, interest shall accrue from the date of original authentication and delivery of the Bonds or the Mode Change Date, as appropriate. If, at the time of authentication of any Bond, interest is in default or overdue on the Bonds, such Bond shall bear interest from the date to which interest has previously been paid in full or made available for payment in full on Outstanding Bonds.

7. Method of Payment. The principal of and premium, if any, on each Bond will be payable in lawful money of the United States of America upon its surrender at the office of the Paying Agent. The Purchase Price of a Bond in the Commercial Paper Mode will be payable upon the close of business of the Purchase Date; provided, that such Bond is first surrendered to the Paying Agent by 12:00 noon New York City time on such date (see "Tenders and Purchasers" below). REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT:

The Colorado Housing and Finance Authority (the "Authority"), a body corporate and political subdivision of the State of Colorado (the "State"), created and existing by virtue of the laws of the State, particularly the Colorado Housing and Finance Authority Act, constituting Part 7 of Article 4 of Title 29 of the Colorado Revised Statutes, as amended (the "Act"), for value received hereby promises to pay (but only from the funds, accounts and other security provided therefor) to the Registered Owner specified above, or to such Registered Owner's registered assigns or personal representatives, the Principal Amount specified above on the Maturity Date specified above, unless this Bond is redeemed or purchased prior thereto as provided below, upon its presentation and surrender as provided under the Master Indenture of Trust and the 2000 Series A Indenture of Trust, both dated as of March 1, 2000, between the Authority and Norwest Bank Colorado, National Association, as Trustee (collectively, the "Indenture"), and to pay to the Registered Owner interest on such Principal Amount until paid at the times and at the rates described herein.

This Bond is one of a duly authorized issue of bonds of the Authority designated "Colorado Housing and Finance Authority Multi-Family/Project Class I Adjustable Rate Bonds Converted 2000 Series A-2" (the "Bonds"), issued under and pursuant to the Act and the Indenture. This Bond constitutes a Class I Obligation (as defined in the Indenture) under the Indenture and is secured by the pledge and lien of the Trust Estate contained therein, which is in the following order of priority: first, to secure the payment of the principal of and interest on the Class I Obligations in accordance with the terms and the provisions of the Indenture, second, to secure the payment of the principal of and interest on the Class II Obligations (as defined in the Indenture) in accordance with the terms and the provisions of the Indenture, third, to secure the payment of the principal of and interest on the Class III Obligations (as defined in the Indenture) in accordance with the terms and the provisions of the Indenture, and fourth, to secure the payment of the principal of and interest on the Class IV Obligations (as defined in the Indenture) in accordance with the terms and provisions of the Indenture. The Registered Owner hereof, by acceptance of this Bond, consents to all of the terms and conditions of the Indenture, a copy of which is on file with the Trustee.

THIS BOND, TOGETHER WITH THE INTEREST HEREON, IS A SPECIAL, LIMITED OBLIGATION OF THE AUTHORITY PAYABLE SOLELY FROM, AND SECURED ONLY BY, THE REVENUES AND OTHER SECURITY PLEDGED THEREFOR UNDER THE INDENTURE, SUBJECT TO THE LIEN AND PLEDGE PRIORITY DISCUSSED ABOVE. IN NO EVENT SHALL THIS BOND CONSTITUTE AN OBLIGATION OR LIABILITY OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE AUTHORITY). THE AUTHORITY HAS NO TAXING POWER NOR DOES IT HAVE THE POWER TO PLEDGE THE GENERAL CREDIT OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF OTHER THAN THE AUTHORITY, OR TO PLEDGE THE TAXING POWER OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF. THE STATE SHALL NOT BE LIABLE FOR THIS BOND, AND THIS BOND SHALL NOT CONSTITUTE A DEBT OF THE STATE.

1. Definitions. Any term used herein as a defined term but not defined herein shall be defined as in the Indenture.

2. Standby Agreement. The Authority has caused to be delivered to the Trustee a standby bond purchase agreement (the "Standby Agreement") issued by the Federal Home Loan Bank of Topeka (together with its successors and assigns or any issuer of any Alternate Standby Agreement, the "Bank"). The initial Standby Agreement will expire on March 20, 2005 unless earlier terminated in accordance with its terms. The Paying Agent, as provided in the Indenture, will draw on the Standby Agreement in order to receive amounts sufficient to pay (a) the principal of the Bonds when due upon purchase pursuant to a tender; and (b) the interest portion of the purchase price of Bonds, as provided in the Indenture.

The Authority, upon the conditions specified in the Indenture, may provide for the extension of the Standby Agreement prior to its expiration date or for the delivery to the Paying Agent of an Alternate Standby Agreement.

3. Interest Rate. Interest on this Bond will be paid at a Commercial Paper Rate when the Bond is in the Commercial Paper Mode, at a Daily Rate when the Bond is in the Daily Mode, at a Weekly Rate when the Bond is in the Weekly Mode, at a Term Rate when the Bond is in the Term Mode, at a rate determined by auction procedures described in the Indenture when the Bond is in a SAVRS Rate Mode, and at a Fixed Rate when the Bond is in the Fixed Rate Mode, all as determined in accordance with the Indenture; provided, however, that no Bond shall bear interest at a rate higher than the Maximum Rate. Bank Bonds shall bear interest at the Bank Rate, provided that Bank Bonds shall not bear interest at the Bank Rate after such Bonds have been remarketed unless such Bonds shall again become Bank Bonds. The Authority may change any Bond in a Mode, other than a Fixed Rate Mode, to any other Mode.

When a Commercial Paper Mode, a Daily Mode or Weekly Mode is in effect, interest will be calculated on the basis of a 365/366 day year for the actual number of days elapsed, when a SAVRS Rate Mode is in effect, interest will be calculated for the actual number of days elapsed on the basis of a 360-day year, and when a Term Rate Mode or Fixed Rate Mode is in effect, interest will be calculated on the basis of a 360 day year comprised of twelve 30-day months. Interest on Bank Bonds shall be calculated based upon a 365/366 day year for the actual number of days elapsed.

4. Determination of Rate. Interest on the Bonds will initially be payable at the Weekly Rate, unless and until the interest rate determination method is changed by the Authority as provided in the Indenture. The Authority may effect a change in Mode with respect to a Bond by following the procedures set forth in the Indenture. No later than the 45th day (or such shorter time as may be agreed to by the Authority, the Trustee, the Paying Agent and the Remarketing Agent) preceding any proposed Mode Change Date, the Authority shall give written notice to the Notice Parties (as defined in the Indenture) of its intention to effect a change in the Mode from the Mode then prevailing.

The new Mode for a Bond shall commence on the Mode Change Date for such Bond and the interest rate (together, in the case of a change to the Commercial Paper Mode, with the Interest Period for such Bond) shall be determined by the Remarketing Agent in the manner provided in the Indenture.

Except as otherwise provided in the Indenture, in the event (a) the Remarketing Agent fails or is unable to determine the interest rate or Interest Period with respect to any Bond, or (b) the method of determining the interest rate or Interest Period with respect to a Bond shall be held to be unenforceable by a court of law of competent jurisdiction, such Bond shall thereupon, until such time as the Remarketing Agent again makes such determination or until there is delivered a Counsel's Opinion to the effect that the method of determining such rate is enforceable, bear interest from the last date on which such rate was determined in the case of clause (a) and from the date on which interest was legally paid in the case of clause (b), at the Alternate Rate for the Mode in effect for such Bond; provided, that, if either of the circumstances described in clauses (a) and (b) occurs on a Rate Determination Date for a Commercial Paper Bond, the relevant Interest Period shall be from and including such Rate Determination Date to, but not including, the next succeeding Business

Day, and thereafter shall commence on a Business Day and extend to, but shall not include, the next Business Day.

5. Interest Payment Dates and Record Dates. Payment will be made on the applicable Interest Payment Date to the Registered Owner on the applicable Record Date for unpaid interest accrued during the current Interest Accrual Period (as defined below), all as set forth in the Indenture. Certain of the provisions relating thereto are set forth below:

------------	---	---	---

Bank Bonds will be payable as provided in the applicable Standby Agreement.

"Interest Accrual Period" means the period during which the Bonds accrue interest payable on any Interest Payment Date. For Bonds in a Daily Mode, the Interest Accrual Period shall commence on (and include) the first day of each month and shall extend through (and include) the last day of such month; provided, that if such month is the month in which the Bonds are authenticated and delivered, or if the Bonds are changed to the Daily Mode during such month, the Interest Accrual Period shall commence on the date of authentication and delivery of the Bonds or the Mode Change Date, as the case may be; provided, further, that if no interest has been paid on Bonds in the Daily Mode, interest shall accrue from the date of original authentication and delivery of the Bonds or the Mode Change Date, as appropriate. With respect to Bonds in all Modes other than the Daily Mode, the Interest Accrual Period shall commence on (and include) the last Interest Payment Date to which interest has been paid (or, if no interest has been paid in such Mode, from the date of original authentication and delivery of the Bonds, or the Mode Change Date, as the case may be) to, but not including, the Interest Payment Date on which interest is to be paid. If, at the time of authentication of any Bond, interest is in default or overdue on the Bonds, such Bond shall bear interest from the date to which interest has previously been paid in full or made available for payment in full on Outstanding Bonds.

6. Method of Payment. The principal of and premium, if any, on each Bond will be payable in lawful money of the United States of America upon its surrender at the office of the Paying Agent. The Purchase Price of a Bond in the Commercial Paper Mode will be payable upon the close of business of the Purchase Date; provided, that such Bond is first surrendered to the Paying Agent by 12:00 noon New York City time on such date (see "Tenders and Purchasers" below). Interest on Bonds in the Commercial Paper Mode, the Daily Mode or the Weekly Mode will be paid by the Paying Agent by wire transfer of immediately available funds to an account specified by the Registered Owner on the applicable Record Date in a writing delivered to the Paying Agent and, on Bonds in the Term Rate or Fixed Rate Mode, by check mailed by the Paying Agent to the Registered Owner at the address appearing in the registration books of the Paying Agent on the applicable Record Date. Payment of interest to Registered Owners of \$1,000,000 or more in aggregate principal amount of Bonds in the Term Rate or Fixed Rate Mode may be made by wire transfer as provided in the Indenture.

7. Tenders and Purchasers.

(a) Optional Tenders. When a Bond is in the Daily Mode or the Weekly Mode, its Registered Owner may elect to have such Bond (or any portion thereof in an Authorized Denomination) purchased on any Business Day at a price equal to the Purchase Price (as defined in the Indenture) by delivering:

(i) (1) in the case of the Daily Mode, an irrevocable telephonic notice to the Remarketing Agent not later than 11:00 A.M., New York City time, on the Purchase Date specified by the Owner, (2) in the case of the Weekly Mode, an irrevocable written notice of tender or an irrevocable telephonic notice of tender to the Remarketing Agent, promptly confirmed in writing to the Paying Agent, by 4:00 P.M., New York City time, on a Business Day not less than seven days before the Purchase Date specified by the Registered Owner, stating, in each such case, the CUSIP number, Bond number, the principal amount to be purchased, and the Purchase Date; and

(b) Optional Purchase. The Registered Owner of a Bond in the Term Rate Mode (unless such Bonds are being changed to another Mode in accordance with the Indenture) may elect to have its Bond (or portions thereof in Authorized Denominations) purchased on the last day of the current Interest Period applicable to such Bond (or the next Business Day if such last day is not a Business Day) at a price equal to the Purchase Price upon delivery of an irrevocable written notice of tender or irrevocable telephonic notice of tender to the Remarketing Agent, promptly confirmed in writing to the Paying Agent, by not later than 10:00 a.m. on a Business Day not less than seven days before such last day. Such notice of tender shall state the CUSIP number, Bond number and the principal amount of such Bond to be purchased. Bonds purchased pursuant to this paragraph (b) shall be delivered by the Registered Owners (with all necessary endorsements) to the office of the Paying Agent in Denver, Colorado, at or before 12:00 noon, New York City time, on such Purchase Date and payment of the Purchase Price of such Bonds shall be made by wire transfer in immediately available funds by the Paying Agent by the close of business on such Business Day.

Payment of the Purchase Price shall be made as described in paragraphs (a) and (b) above only if the Bond so delivered conforms in all respects to the description thereof in the notice of optional tender.

(c) Mandatory Purchase. This Bond must be delivered to the Paying Agent for purchase at its Purchase Price on or before 12:00 noon (or 11:00 a.m. on the SAVRS Rate Conversion Date, if any), New York City time, on the following dates:

(i) if the Bond is in the Commercial Paper Mode, on the Purchase Date;

(ii) on the Mode Change Date;

(iii) on the SAVRS Rate Conversion Date;

(iv) If the Authority fails to replace a Standby Agreement with another Standby Agreement prior to its stated expiration date, the earlier of the last Interest Payment Date before the then current Standby Agreement so expires (whether at the stated expiration date thereof or any earlier termination date therein provided), or 45 days before such stated expiration date or earlier termination date (if the Bonds have the benefit of the Standby Agreement);

(v) on a Business Day which is at least ten days subsequent to a Notice of Termination Date given by the Standby Purchaser and at least five days prior to the termination of the Standby Agreement.

BY ACCEPTANCE OF THIS BOND, THE REGISTERED OWNER AGREES TO TENDER THIS BOND FOR PURCHASE ON ANY DATE (THE "MANDATORY PURCHASE DATE") DESCRIBED ABOVE AND ACKNOWLEDGES THAT INTEREST WILL CEASE TO ACCRUE ON THE BOND ON SUCH MANDATORY PURCHASE DATE, PROVIDED THAT FUNDS FOR SUCH PURCHASE ARE ON DEPOSIT WITH THE PAYING AGENT ON SUCH MANDATORY PURCHASE DATE.

(d) Payment of Purchase Price. The Purchase Price of a Bond delivered for purchase as described above (with all necessary endorsements) will be paid by check or wire transfer, as applicable, in immediately available funds by the close of business on the applicable purchase date.

8. Redemptions.

(a) Optional Redemptions.

This Bond is one of a duly authorized issue of bonds of the Authority designated "Colorado Housing and Finance Authority Multi-Family/Project Class II Bonds, 2000 Series A-3" (the "Bonds"), issued under and pursuant to the Act and the Indenture. This Bond constitutes a Class II Obligation (as defined in the Indenture) under the Indenture and is secured by the pledge and lien of the Trust Estate contained therein, which is in the following order of priority: first, to secure the payment of the principal of and interest on the Class I Obligations (as defined in the Indenture) in accordance with the terms and the provisions of the Indenture, second, to secure the payment of the principal of and interest on the Class II Obligations in accordance with the terms and the provisions of the Indenture, third, to secure the payment of the principal of and interest on the Class III Obligations (as defined in the Indenture) in accordance with the terms and the provisions of the Indenture, and fourth, to secure the payment of the principal of and interest on the Class IV Obligations (as defined in the Indenture) in accordance with the terms and provisions of the Indenture. This Bond is one of a duly authorized issue of bonds of the Authority designated "Colorado Housing and Finance Authority Taxable Multi-Family/Project Class I Bonds, 2000 Series A-4" (the "Bonds"), issued under and pursuant to the Act and the Indenture. This Bond constitutes a Class I Obligation (as defined in the Indenture) under the Indenture and is secured by the pledge and lien of the Trust Estate contained therein, which is in the following order of priority: first, to secure the payment of the principal of and interest on the Class I Obligations in accordance with the terms and the provisions of the Indenture, second, to secure the payment of the principal of and interest on the Class II Obligations (as defined in the Indenture) in accordance with the terms and the provisions of the Indenture, third, to secure the payment of the principal of and interest on the Class III Obligations (as defined in the Indenture) in accordance with the terms and the provisions of the Indenture, and fourth, to secure the payment of the principal of and interest on the Class IV Obligations (as defined in the Indenture) in accordance with the terms and provisions of the Indenture. Any term used herein as a defined term but not defined herein shall be defined as in the Indenture.

This Bond is transferable, as provided in the Indenture, only upon the records of the Authority kept for that purpose at the Corporate Trust Office of the Trustee by the registered owner hereof in person, or by his duly authorized attorney, upon surrender of this Bond together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his duly authorized attorney, and thereupon a new registered Bond or Bonds, and in the same series, maturity and aggregate principal amounts, shall be issued to the transferee in exchange therefor as provided in the Indenture, and upon payment of the charges therein prescribed. The Authority and the Trustee shall deem and treat the person in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption

price hereof and interest due hereon and for all other purposes.

The Bonds are issuable in the form of registered Bonds without coupons in the denominations of \$5,000 or any integral multiples of \$5,000 ("Authorized Denominations"). The principal or Redemption Price (as defined in the Indenture) on each Bond will be payable in lawful money of the United States of America at the Corporate Trust Office of the Paying Agent in Denver, Colorado, or its successors as Paying Agent under the Indenture.
