SUPPLEMENT TO OFFICIAL STATEMENTS RELATED TO

\$181,910,000 COLORADO HOUSING AND FINANCE AUTHORITY Single Family Mortgage Bonds (Series shown on inside front cover)

The Colorado Housing and Finance Authority Single Family Mortgage Bonds of the Series and in such principal amounts as shown on the inside front cover of this Supplement (collectively referred to herein as the "Remarketed Bonds") are being remarketed as variable rate bonds bearing interest at Weekly Rates determined on each Tuesday by Barclays Capital Inc. as Remarketing Agent (the "Remarketing Agent"), to be effective from and including each Wednesday to and including the following Tuesday, commencing on December 16, 2009. The interest rates on the Remarketed Bonds or any Series or portion thereof may be adjusted at the election of the Authority to a different interest rate mode, as described in the respective Official Statements relating to such Remarketed Bonds as shown on the inside front cover. Interest on the Remarketed Bonds will be payable on each May 1 and November 1, commencing on May 1, 2010, on any redemption date, on any mandatory tender date and at maturity.

While any of the Remarketed Bonds are in a Weekly Mode Period, owners of any such Remarketed Bonds will have the right to tender their Bonds for purchase and will also be required to tender their Bonds for purchase at the times and subject to the conditions set forth in the Indenture (as defined herein). Following December 16, 2009, payment of the purchase price for the Remarketed Bonds tendered for purchase and not remarketed or for which remarketing proceeds are not available will be supported by a Standby Irrevocable Temporary Credit and Liquidity Facility (Temporary Credit and Liquidity Program) (referred to herein as the "Facility" or the "Credit and Liquidity Facility") issued 50% each by Fannie Mae and Federal Home Loan Mortgage Corporation (collectively, the "Facility Provider" and individually, "Fannie Mae" and "Freddie Mac," respectively), in favor of Zions First National Bank, as Trustee and Tender Agent. The Facility will also provide standby credit support for scheduled debt service due on the Remarketed Bonds. Subject to certain limitations and conditions described in this Supplement, an alternative liquidity facility may be substituted for the Facility. Coverage under the Facility for the Remarketed Bonds, unless extended or earlier terminated, is stated to expire on December 16, 2012. Neither the Authority nor the Remarketing Agent is obligated to purchase Remarketed Bonds tendered by the owners of such Remarketed Bonds or subject to mandatory purchase if remarketing proceeds and payments under the Facility are insufficient to pay the purchase price of the Remarketed Bonds.

The obligations of Fannie Mae and Freddie Mac under the Credit and Liquidity Facility are primary, several and not joint obligations, and if either one provider fails to perform its obligations under the Credit and Liquidity Facility, the other provider will not be liable or responsible for performing the obligations of the nonperforming provider. Fannie Mae's and Freddie Mac's obligations with respect to the Remarketed Bonds are solely as provided in the Credit and Liquidity Facility. The obligations of Fannie Mae and Freddie Mac under the Credit and Liquidity Facility are several but not joint obligations of each entity and will not be backed by the full faith and credit of the United States of America. The Remarketed Bonds are not a debt of the United States of America or of any agency or instrumentality thereof or of Fannie Mae or Freddie Mac. The Remarketed Bonds are not guaranteed by the full faith and credit of the United States of America.

This Supplement provides information about the Remarketed Bonds only when they bear interest at a Weekly Rate and are subject to the Facility.

This cover page contains certain information for quick reference only. It is not a summary of the Remarketed Bonds. Investors must read the entire Supplement and the entire respective Official Statements to obtain information essential to the making of an informed investment decision.

The Remarketed Bonds are being remarketed by the Remarketing Agent, subject to certain other conditions. Certain legal matters will be passed on for the Remarketing Agent by its counsel, Bookhardt & O'Toole, Denver, Colorado and for the Facility Provider by internal counsel to Fannie Mae and to Freddie Mac. The Remarketing Agent intends, but is not obligated, to make a market in the Remarketed Bonds. It is expected that the Remarketed Bonds will be available through the facilities of DTC, New York, New York, on December 16, 2009.

SUPPLEMENT TO OFFICIAL STATEMENTS RELATED TO

\$181,910,000 COLORADO HOUSING AND FINANCE AUTHORITY Single Family Mortgage Bonds (Series shown on inside front cover)

INTRODUCTION

This Supplement which includes the Appendices hereto (this "Supplement") contains certain additional information with respect to the Colorado Housing and Finance Authority (the "Authority" or the "Issuer") Single Family Mortgage Bonds of the Series and in such principal amounts as shown on the inside front cover of this Supplement (being collectively referred to in this Supplement as the "Remarketed Bonds"). Investors must read this Supplement in conjunction with the respective Official Statements (collectively, the "Official Statements") relating to the respective Series of the Remarketed Bonds. The Remarketed Bonds were issued pursuant to the Master Indenture of Trust dated as of October 1, 2001, as amended and supplemented by the TCLP Supplemental Indenture hereinafter defined (the "Master Indenture"), and the Series Indentures shown on the inside front cover of this Supplement, as amended (the "Series Indentures," and together with the Master Indenture, the "Indenture"), each between the Authority and Zions First National Bank, Denver, Colorado, as Trustee (the "Trustee"). Capitalized terms used herein and not defined have the meanings specified in the Indenture. See "SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE" in Appendix A to the respective Official Statements and "TERMS OF THE REMARKETED BONDS" in this Supplement.

The information contained herein on the cover and under the headings "INTRODUCTION," "COLORADO HOUSING AND FINANCE AUTHORITY," "TERMS OF THE REMARKETED BONDS - Mandatory Purchase" and "-TCLP Supplemental Indenture," "CERTAIN PROGRAM ASSUMPTIONS - Insurance Limitations and Requirements," and "- Investments," "THE CREDIT AND LIQUIDITY FACILITY AND THE REIMBURSEMENT AGREEMENT," "REMARKETING AGENTS," "CERTAIN BONDOWNERS' RISKS - Risks Related to the Liquidity Providers and the Liquidity Facilities" and "-Risks Related to Interest Rate Contracts," "THE SINGLE FAMILY MORTGAGE PROGRAM," "FORWARD-LOOKING STATEMENTS," "RATINGS," "LITIGATION," "CERTAIN RELATIONSHIPS OF PARTIES," "LEGAL MATTERS," "TAX MATTERS UPON REMARKETING," "INDEPENDENT AUDITORS" supplements, respectively, the information contained on the cover and under the headings "Part I - INTRODUCTION," "Part II - COLORADO HOUSING AND FINANCE AUTHORITY," "Part I – TERMS OF THE _____ SERIES ___ BONDS – Mandatory Purchase," "Part I - CERTAIN PROGRAM ASSUMPTIONS - Insurance Limitations and Requirements," and "- Investments," "Part I -200__ REMARKETING AGENT," "Part II - CERTAIN BONDOWNERS' RISKS," "Part II - THE SINGLE FAMILY MORTGAGE PROGRAM," "PART I -FORWARD-LOOKING STATEMENTS," "Part I - RATINGS," "Part I - LITIGATION," "Part I -CERTAIN RELATIONSHIPS OF PARTIES," "Part I – LEGAL MATTERS" and "Part II – FINANCIAL STATEMENTS OF THE AUTHORITY" in the respective Official Statements. Appendices B-1, B-2, C, D, F, G and I to this Supplement are hereby substituted for Appendices B-1, B-2, C, D, F, G and I, respectively, to the respective Official Statements. The information contained herein supersedes any contradictory or inconsistent information contained in the respective Official Statements. Capitalized terms contained in this Supplement and not otherwise defined shall have the meanings ascribed thereto in the respective Official Statements, except that certain capitalized terms used in this Supplement and not defined herein shall have the meanings ascribed thereto in the Facility.

The status of the Remarketed Bonds of each Series is as follows. The liquidity facility for the 2003 Series B-1 Bonds and for a portion of the 2007 Series A-1 Bonds has expired, and the Authority owns all of these Bonds. The Authority also currently owns a substantial portion of the 2006 Series B-1 Bonds, the 2006 Series C-1 Bonds and the remaining 2007 Series A-1 Bonds, which are currently supported by standby bond purchase agreements provided by DEPFA Bank. On December 16, 2009, the Remarketed Bonds will be subject to mandatory tender by the existing holders, and will be remarketed by the Remarketing Agent. In connection with the remarketing, the Authority expects to enter into a Standby Irrevocable Temporary Credit and Liquidity Facility (Temporary Credit and Liquidity Facility Program) (referred to herein as the "Facility" or the "Credit and Liquidity Facility") issued 50% each by Fannie Mae and Federal Home Loan Mortgage Corporation on a several but not joint basis (collectively referred to herein as the "Facility Provider" or "GSEs" and individually referred to herein as "Fannie Mae" and "Freddie Mac," respectively). See Appendix C – "COPIES OF THE CREDIT AND LIQUIDITY FACILITY AND THE REIMBURSEMENT AGREEMENT" and Appendix D - "CERTAIN INFORMATION CONCERNING FANNIE MAE AND FREDDIE MAC" to this Supplement. Following December 16, 2009, payment of the purchase price for the Remarketed Bonds tendered for purchase and not remarketed or for which remarketing proceeds are not available will be supported by the Facility, and the existing standby bond purchase agreements will be terminated. Neither the Authority nor the Remarketing Agent is obligated to purchase Remarketed Bonds so tendered or subject to mandatory purchase if remarketing proceeds or payments under the Facility are insufficient to pay the purchase price of such Remarketed Bonds. The Facility will also provide standby credit support for scheduled debt service due on the Remarketed Bonds. Coverage under the Facility for the Remarketed Bonds, unless extended or earlier terminated, is stated to expire on December 16, 2012. Under the terms of the Facility, if one GSE fails to perform its obligations under the Facility, the other GSE will not be liable or responsible for performing the obligations of such nonperforming GSE.

The Authority may (and expects to) replace the Facility with one or more new liquidity facilities (each, an "Alternate Liquidity Facility") in accordance with the procedures set forth in the Indenture. See "Part II – SECURITY FOR THE BONDS AND AUXILIARY OBLIGATIONS – Liquidity Facilities" of the respective Official Statements. Upon such a replacement, there would be no credit facility supporting the Remarketed Bonds. See "CERTAIN BONDOWNERS' RISKS – Risks Related to the Liquidity Facility Provider and Liquidity Facilities – Replacement of Facility with Alternate Liquidity Facility" in this Supplement.

So long as the Facility is in effect with respect to any Series of Bonds outstanding under the Master Indenture, the Authority shall not be permitted to issue additional Adjustable Rate Bonds under the Master Indenture.

COLORADO HOUSING AND FINANCE AUTHORITY

Background

In 1973, upon a finding that there existed in the State a shortage of decent, safe and sanitary housing available within the financial capabilities of low and moderate income families, the Colorado General Assembly established the Colorado Housing Finance Authority, since renamed the Colorado Housing and Finance Authority, as a body corporate and a political subdivision of the State for the purpose of increasing the supply of decent, safe and sanitary housing for such families. The Act authorizes the Authority, among other things, to make loans to individuals and sponsors to finance the

construction, reconstruction, rehabilitation or purchase of housing facilities for low and moderate income families and to purchase mortgage loans from, and lend moneys to, qualified Mortgage Lenders under terms and conditions which provide for loans to finance housing facilities for low and moderate income families. The Act was amended in 1982 to authorize the Authority to finance project and working capital loans to commercial and industrial enterprises of small and moderate size. The Act was amended again in 1987 to create an economic development fund to enable the Authority to finance projects or provide capital for business purposes.

In order to achieve its authorized purposes, the Authority currently operates Qualified and Non-Qualified Single Family Mortgage Programs, a Rental Acquisition Program and various rental and business finance programs. See "Programs To Date" under this caption. The Act authorizes the Authority to issue its bonds, notes and other obligations in order to provide sufficient funds to achieve its purposes as set forth in the Act. Bonds or notes issued with respect to such programs are and will be separately secured from other bonds of the Authority, including the Remarketed Bonds, except as described in "Part II - SECURITY FOR THE BONDS AND AUXILIARY OBLIGATIONS" of the respective Official Statements. See also "INDEPENDENT AUDITORS" in this Supplement and **Appendix G** to this Supplement for the most recent audited financial statements of the Authority.

Board of Directors and Staff Officers

The Board of Directors of the Authority consists of the Colorado State Auditor, a member of the Colorado General Assembly appointed jointly by the Speaker of the House and the Majority Leader in the Senate, an executive director of a principal department of State government appointed by the Governor of Colorado and eight public members appointed by the Governor with the consent of the Senate. Members of the Board of Directors continue to serve after the end of their respective terms until a successor has been duly appointed and confirmed. The present members of the Board of Directors of the Authority are as follows:

⁽¹⁾ This Board member was re-elected as Chair of the Board effective March 26, 2009.

The principal staff officers of the Authority are as follows:

Milroy A. Alexander, Executive Director, joined the staff in October 1988. Mr. Alexander is a graduate of Metropolitan State College, Denver, Colorado, with a Bachelor's Degree in Accounting. Prior to assuming the responsibilities of Executive Director on January 1, 2001, Mr. Alexander served as the Authority's Director of Finance. Mr. Alexander was previously a financial manager with a major Colorado manufacturer and a senior manager with Touche Ross, a big eight international accounting and consulting firm. Mr. Alexander is a member of the Colorado Society of Certified Public Accountants and the American Institute of Certified Public Accountants. Mr. Alexander has announced his retirement from the Authority, expected to occur prior to the end of calendar year 2009. A search committee of the Board has been formed to consider his replacement.

⁽²⁾ This Board member has previously served as Secretary/Treasurer of the Board, and pursuant to the Authority's bylaws, succeeded to the position of Chair, <u>pro tem</u>, effective July l, 2009 upon the expiration of the term on that date of the prior Chair, pro tem.

⁽³⁾ This Board member was elected to Secretary/Treasurer of the Board effective August 27, 2009.

Cris A. White, Chief Operating Officer since February 2002, joined the staff in 1988 and served in various capacities until January 1996. He rejoined the staff in September of 1996 as the Director of Asset Management, after serving in the interim as a business development executive with an international equipment and real estate mortgage lender. On February 1, 2001, Mr. White was appointed Deputy Executive Director for Asset Management and Business Support Services and served until his present appointment. He also continued to serve as Director of Asset Management until December 10, 2001. Mr. White has a Bachelor's Degree in Business Administration from Regis College.

Thomas E. Hemmings, Chief Financial Officer, joined the staff in October 2003. Prior to joining the Authority, Mr. Hemmings served as chief financial officer for a \$650 million commercial bank located in Alabama. Mr. Hemmings has over seventeen years experience in banking and financial services, with over 10 of those years at the chief financial officer level. Mr. Hemmings is a graduate of the University of Colorado and is a Certified Public Accountant.

Charles L. Borgman, General Counsel, joined the staff in September 2004 and assumed the position of General Counsel on December 1, 2004. Mr. Borgman is a graduate of the University of Iowa and the University of Iowa College of Law and has over 30 years experience in private practice and as inhouse counsel in the areas of real estate, mortgage finance, commercial transactions, title insurance, banking and work-outs. Immediately prior to joining the Authority, Mr. Borgman was Vice President and Regional Counsel for North American Title Company, a part of Lennar Corporation.

John Dolton, **Director of Corporate Debt and Investment Management**, joined the staff in August 1990. Prior to assuming his current position, Mr. Dolton served as Director of Finance/CFO (January 2001 – July 2003) and as the Manager of Treasury Operations (September 1994 – December 2000). Before joining the Authority, Mr. Dolton was an analyst for a financial planning and investment management firm. Mr. Dolton has a Bachelor's Degree in Finance from the University of Colorado and holds the Chartered Financial Analyst designation.

Mark A. MacNicholas, **Controller**, joined the staff in October 2008. Prior to joining the Authority, Mr. MacNicholas served as Controller for SunCorp Corporate Credit Union. During his career, Mr. MacNicholas has served in various accounting roles within the financial services industry. Mr. MacNicholas has a Bachelor's Degree in Business Administration from the University of Iowa, a Masters in Accountancy from DePaul University and is a Certified Public Accountant.

Karen Harkin, CMB, CML, was appointed as **Director of Home Finance** in February 2001. Ms. Harkin joined the staff in June, 1999. Ms. Harkin received a Bachelor of Science degree from the University of Wisconsin-Madison and a Masters Degree in Business Administration from the University of Dubuque, Iowa. Ms. Harkin has more than twenty years experience in various capacities in public, private and non-profit real estate lending and development.

Jaime Gomez, Director of Commercial Lending, joined the staff in August 1999. Prior to his current position, Mr. Gomez served as the Director of Business Finance. A corporate reorganization in July 2006 merged the Authority's Business Finance and Rental Finance Divisions, forming the Commercial Lending Division. Mr. Gomez is a graduate of the University of Colorado with a degree in Finance. Mr. Gomez has prior experience working in both the public and private sector, including five-and-a-half years as director of finance and business development for the Colorado Office of Economic Development. Mr. Gomez was also designated as a certified bank examiner by the Federal Reserve Board of Governors in February of 1991.

D. Brian Miller was appointed as **Director of Asset Management** in October 2006. Prior to his current position, Mr. Miller served as the Manager of Multifamily Loan Compliance Department, as well

as various other positions within the Asset Management Division since joining the Authority in November 1998. Mr. Miller has over fifteen years experience in financial services and asset management. Mr. Miller is a graduate of the University of Northern Colorado with a Bachelor's Degree in Finance.

Rachel Basye, Director of Marketing and Strategic Development, joined the business finance division of the Authority in 1994. Ms. Basye moved to the Authority's planning and development division in 1995 which, in 2006, was expanded to include marketing and community relations activities in addition to strategic planning and program development/evaluation. Ms. Basye is a graduate of the University of Colorado at Boulder with a Bachelor's Degree in International Affairs and German. She earned her Masters Degree in Public Administration from the University of Colorado at Denver.

Rodney D. Hardin joined the staff as **Director of Information Technology** in January 2005. Prior to joining the Authority, Mr. Hardin served as SVP/CIO at Pulte Mortgage LLC for 11 years. He also served as SVP/MIS Manager at North American Mortgage for five years. He is past Chairman of the MBA Residential Technology Steering Committee. His education includes a Bachelor's Degree in Business Administration from Sonoma State University in Rohnert Park, California and a Masters Degree in Business Administration from Regis University in Denver, Colorado.

Laurie O'Brien, **Director of Loan Servicing**, joined the staff as Director in February 2006. Prior to joining the Authority, Ms. O'Brien previously worked for several large mortgage companies in the northeastern United States and was most recently employed by Fidelity Financial Services for the past 13 years. She graduated from Medialle College in Buffalo, NY, with a Bachelor of Science Degree in Human Resource Development. Ms. O'Brien has been in loan servicing for over 22 years.

Deborah Herrera, **Director of Human Resources**, originally joined the Authority in October 2001 as a senior level Human Resources Generalist and rejoined the Authority in September 2006 as the Director of Human Resources. She has ten years of human resources experience, during four of which she served in a management capacity in the financial/mortgage industry. Prior to rejoining the Authority, Mrs. Herrera was a Human Resources Director for an information and analytics company serving the mortgage and finance industry. Mrs. Herrera received a Bachelor of Arts in Psychology and a Masters in Human Resources Management from the University of North Florida.

Employees and Pension Information

As of December 31, 2008, the Authority had approximately 175 full-time employees, all of whom were members of the Public Employees' Retirement Association of Colorado ("**PERA**"). State statutes required the Authority to contribute 11.90% of each participating employee's gross salary to PERA in 2008. In 2008, the Authority's PERA contribution totaled approximately \$1,288,000, compared to an Authority contribution in 2007 of \$1,113,000. See footnote (11) of the audited 2008 financial statements of the Authority for further information.

Insurance Coverage

The Authority has general liability, errors and omission and employee dishonesty insurance coverage.

Selected Financial Information

The following is a brief summary of historical selected financial information for the Authority. The audited financial statements of the Authority also provide certain financial information about the Authority on a fund accounting basis, including a description of its General Fund. This information has

been included solely for purposes of providing a general overview for potential purchasers of the financial status of the Authority given that the Authority operates the programs which result in the Mortgage Loans securing Bonds and Auxiliary Obligations under the Master Indenture and also services such Mortgage Loans. See "THE SINGLE FAMILY MORTGAGE PROGRAM" in this Supplement. The Bonds and Auxiliary Obligations are limited obligations of the Authority secured by and payable from the Trust Estate, except in the limited case of those Bonds and Auxiliary Obligations designated as general obligations of the Authority. See "Obligations of the Authority" and "The General Fund" under this caption. The overall financial status of the Authority does not indicate and will not necessarily affect whether amounts will be available in the Trust Estate to pay principal and interest on Bonds when due.

The General Fund

Generally

CERTAIN OBLIGATIONS UNDER THE MASTER INDENTURE HAVE BEEN OR MAY IN THE FUTURE BE DESIGNATED AS GENERAL OBLIGATIONS OF THE AUTHORITY. SEE "PART II – SECURITY FOR THE BONDS AND AUXILIARY OBLIGATIONS" IN THE RESPECTIVE OFFICIAL STATEMENTS AND **APPENDIX B-1** – "THE OUTSTANDING BONDS AND AUXILIARY OBLIGATIONS" TO THIS SUPPLEMENT. THE FOLLOWING INFORMATION REGARDING THE AUTHORITY'S GENERAL FUND IS PROVIDED ONLY IN CONNECTION WITH OBLIGATIONS WHICH HAVE BEEN OR ARE IN THE FUTURE SO DESIGNATED.

The General Fund is funded principally from reimbursement of administrative expenses and other allowable transfers from other funds (including the transfer of assets in excess of specified parity levels from other bond issues); loan fees payable to the Authority by borrowers; servicing fees payable to the Authority in connection with outstanding loans, income from the Authority's Rental Acquisition Program; income on investments and mortgage loans held temporarily (for warehousing purposes) and permanently in the General Fund; and administrative fees payable by the federal government in connection with the Section 8 housing assistance payments program. Uses of amounts in the General Fund include payment of general and other administrative expenses and payment of costs relating to those activities deemed necessary to fulfill the Authority's corporate purposes and not payable from other funds of the Authority. The General Fund itself is not subject to any pledge created under the Master Indenture.

The Authority Board, in its discretion, has historically from time to time designated portions of the General Fund balance to particular purposes, and may do so in the future, which may affect the availability of the General Fund for payments in connection with any Bonds or Auxiliary Obligations which have been designated as general obligations. The designations have been or may be for particular uses by means of annual appropriations to certain programs, the establishment of reserves in limited situations and the imposition of restrictions on the fund balance. Designations by the Authority's Board using each of these means may also be redesignated at any time in the Board's discretion. The Authority Board also annually restricts the fund balance of the General Fund (net of amounts previously appropriated or restricted for various funds, debt service reserves, or operating reserves) for the benefit of the holders of certain bonds of the Authority in the event that no other moneys are legally available for debt service payments. As long as the Authority is not in default under the related indenture or resolution for such bonds, the Board may withdraw such restricted amounts at any time.

⁽¹⁾ The net assets shown as of December 31, 2006 reflect the restatement of net assets as of December 31, 2005. During 2006, it was determined that interfund receivables and payables arising in prior years represented amounts transferred between the various funds but not reflected as such. As a result, net assets as of December 31, 2005 were reduced by \$11,196,000. Sources: Derived based on the audited financial statements of the Authority for years ended December 31, 2004-2008.

Authority Policy Regarding Swaps

The Master Indenture permits the Authority to enter into "Auxiliary Agreements," which include interest rate exchange or swap contracts, cash flow exchange contracts, forward swaps, interest rate floors, caps or collars and other derivative products which qualify as "Interest Rate Contracts" under the Indenture. Under the master indenture relating to its Multi-Family/Project Bonds and under the general resolution relating to its Multifamily Housing Insured Mortgage Revenue Bonds, the Authority is also permitted to, and has entered into, certain derivative obligations which are described in footnote (7) of the audited 2008 financial statements of the Authority. The Board of the Authority has adopted a Bond Issuance Policy which it amends from time to time and, among other things, establishes parameters for swap agreements authorized from time to time by resolution of the Board in connection with the issuance of bonds by the Authority (including Bonds under the Master Indenture). On an annual basis, the Authority staff is to provide a report to the Board regarding all outstanding swap agreements. The Board may change its Bond Issuance Policy at any time and from time to time at its sole discretion, including an expansion of the Policy to permit derivative products other than swap agreements. Any changes to the Bond Issuance Policy may impact future derivative obligations including Interest Rate Contracts authorized in connection with Bonds under the Master Indenture. The Authority routinely engages a consultant to evaluate the terms of any proposed swap agreement and determine whether the base price for such a swap agreement with those terms is fair in the current market environment.

Programs to Date

The following is a brief summary of the programs currently operated by the Authority. This summary has been included solely for purposes of providing information about the Authority's activities to assist a potential investor in evaluating the Authority and its programs. **Except as otherwise described herein, the loans referred to below are not pledged in any way as security for the Bonds.** See "PART II – SECURITY FOR THE BONDS AND AUXILIARY OBLIGATIONS" of the respective Official Statements. See also "Obligations of the Authority" under this caption.

Single Family Mortgage Programs

Under its Single Family Mortgage Programs, the Authority may make mortgage loans for singlefamily residential dwellings directly to individual borrowers or may purchase such mortgage loans from qualified originating Mortgage Lenders. The Authority presently acquires mortgage loans under its Qualified Single Family Mortgage Program and its Non-Qualified Single Family Mortgage Program. Under its Qualified Single Family Mortgage Program, the Authority may make mortgage loans to Eligible Borrowers meeting certain income limit requirements, for Eligible Property not exceeding certain Purchase Price limits, and subject to certain other restrictions imposed, in some cases, by the Tax Code. The Authority permits Eligible Borrowers under its Non-Qualified Single Family Mortgage Program to meet certain income limits which are somewhat higher than the limits permitted for the Qualified Single Family Mortgage Program. There is also no limit on prior home ownership or limit on the purchase price of a residence which may be acquired with the proceeds of a loan under the Non-Qualified Single Family Mortgage Program, although the Authority does not exceed the Fannie Mae conforming loan limits. Proceeds of a mortgage loan under the Non-Qualified Single Family Mortgage Program may also be used under the Authority's refinancing program to refinance existing Mortgage Loans. In many other respects, the requirements for the Non-Qualified Single Family Mortgage Program are the same as the requirements for the Authority's Qualified Single Family Mortgage Program. See "THE SINGLE FAMILY MORTGAGE PROGRAM" in this Supplement. The Authority is in the process of revising all of its procedures in order to accommodate a broader range of programs involving the purchase and sale of single family mortgage loans. For certain information regarding the outstanding mortgage loans acquired under the Single Family Mortgage Programs, see footnote (3) to the audited 2008 financial statements of the Authority.

Commercial Loan Programs

Rental Finance Programs. The Commercial Lending Division of the Authority encompasses the business finance programs (described below) as well as the rental finance programs under which the Authority makes mortgage loans to qualified sponsors of low and moderate income multi-family housing within Colorado. As part of its rental finance activities, the Authority makes mortgage loans insured by an agency or instrumentality of the United States. The insured rental loans made by the Authority must be insured by an agency or instrumentality of the United States under an insurance program requiring payment of not less than 99% of the principal amount of such mortgage in the event of default. Insured rental loans made to date have been insured by the Federal Housing Administration ("FHA") under Sections 221(d)(3), 221(d)4 and 223(f) of the National Housing Act of 1934, as amended, and under Section 542(c) of the Housing and Community Development Act of 1992, as amended. These insured rental loans have been funded by the Authority as described in "Obligations of the Authority -Commercial Loan Programs" under this caption. In the case of a Section 542(c) claim, the Authority is responsible to reimburse FHA for 50% of any loss incurred by the FHA as a result of and after settlement of such claim. See "Obligations of the Authority - General Obligations - Loans Backed by Authority General Obligation" under this caption. For certain information regarding the Authority's outstanding insured rental loans, see footnote (3) to the audited 2008 financial statements of the Authority.

The Authority also makes uninsured rental loans to \$501(c)(3) nonprofit corporations and public housing authorities as well as to for-profit borrowers. Certain of these uninsured rental loans have been made as a part of the Authority's *Small Affordable Rental Transactions Program* (the "SMART Program") in principal amounts under \$5 million (or in such greater amounts as approved from time to time pursuant to the delegated authority policy of the Authority as approved or amended from time to time by the Board). In addition to long-term rental loans under the SMART Program, the Authority also makes uninsured rental loans that provide interim financing for acquisition and/or rehabilitation of the acquired property. These loans, referred to as bridge loans, are generally less than two years in term, are secured by a first deed of trust on the real estate, and have full recourse to the borrower during the term of the bridge loan. In the case of for-profit developers, the loans are both full recourse to the borrower and personally guaranteed by the individual principals during the term of the bridge loan. The Authority has also made an uninsured rental loan to a for-profit borrower in support of certain single family rental housing facilities at Fort Carson Army Base in Colorado Springs, Colorado.

Uninsured rental loans have also been made by the Authority using funds from amounts in its General Fund designated as the *Housing Opportunity Fund* ("**HOF**") under a program referred to as the "**HOF Program**." Under the HOF Program, the Authority makes fixed interest rate loans to nonprofit and for profit developers in support of rental housing facilities targeted to low income residents. Eligible "low income" residents are defined as persons or families that earn 60% of Area Median Income or less. HOF loan interest rates are set on a sliding scale based on the income levels of the residents served by prospective rental housing facilities. All HOF loans must conform to standard Authority diligence processes and underwriting criteria and will be secured by either first or second mortgages on real estate (maximum Loan to Value of 90% for loans to for profit developers and 95% for loans to nonprofit developers). Loan terms on HOF loans may range from 20 to 40 years. HOF loans are generally fully amortizing over their term and do not provide for prepayment restrictions or fees. Balloon payments on HOF loans are permitted under certain circumstances.

Under its *Rental Acquisition Program* (the "RAP Program"), the Authority acquires and rehabilitates apartment buildings located throughout Colorado for rental to persons and families of low

and moderate income. The Authority contracts with private entities to manage such buildings. For certain information concerning the RAP Program and facilities acquired, rehabilitated and operated by the Authority, see footnotes (1) and (4) to the audited 2008 financial statements of the Authority. During 2006, the Authority made the decision to sell a majority of the facilities it currently owns under the RAP Program. The facilities were offered for sale to local housing authorities where the facilities are located, and, if those parties were not interested in the purchase, the Authority offered such facilities to for-profit and nonprofit corporations interested in the purchase. The Authority has completed eleven sales to date. The Authority retains four properties within its portfolio and does not intend to sell these four properties in the foreseeable future. By its sale of these facilities, the Authority has offered valuable assets at a reasonable price to organizations whose mission is the development and preservation of affordable rental housing in Colorado. In all of such sales, the purchasing parties either maintained the existing number of units with affordability requirements or increased the number of units with affordability requirements. The sale of the eleven properties does not imply that the Authority is discontinuing or closing the RAP program. The Authority intends to seek opportunities to acquire other rental properties in underserved areas within the State of Colorado at such time as such transactions support the goals of the Authority with respect to affordable rental housing in Colorado.

Business Finance Programs. The Authority originates uninsured loans as part of certain of its business loan programs, including the CHFA Direct Loan Program, the Non-Profit Real Estate Loan Program, the U.S. Small Business Administration 504 Program (the "SBA 504 Program"), the CHFA Rural Loan Program, the RENEW Program and the Business and Industry Loan I ("B&I I") Program, described below. These uninsured business loans must meet certain economic development or job creation/retention objectives under the Act and are made to small and moderate-size Colorado businesses to provide long-term, fixed rate financing for real estate and equipment. The uninsured business loans are secured by a first lien on the assets financed, are made in amounts up to ninety percent (90%) of the lesser of cost or appraised value of the collateral, are fully-amortizing over terms of up to thirty (30) years for real estate loans and seven years for equipment, and generally require guarantees from principals of the business having a twenty percent or greater ownership interest. A guaranty is also required from the operating company if different from the Borrower.

- Under the CHFA Direct Loan Program, the Authority provides loans to for-profit businesses to acquire, construct and/or rehabilitate and equip commercial, retail or manufacturing facilities.
- Under the Non-Profit Real Estate Loan Program, the Authority provides loans to non-profit organizations to fund real estate acquisition.
- Under the SBA 504 Program, the Authority provides loans to for-profit businesses to finance owner-occupied real estate and/or equipment. The Program provides two structures, a direct loan option (where the Authority originates the first mortgage loan which generally finances 50% of the project costs) and a loan participation option (where the Authority purchases up to a 90% participation in a first mortgage loan). An SBA-approved company provides a second mortgage for up to 40% of the total project costs (or \$1.3 million, whichever is less), with the Borrower providing the remaining 10% of the costs.
- Under the CHFA Rural Loan Program, the Authority provides loans to rural small for-profit businesses to finance real estate and/or equipment.
- Under the RENEW Program, the Authority provides loans to businesses involved in the recycling and waste diversion industries, with funding received from the Colorado Department of Local Affairs.

• Under the B&I I Program, the Authority provides loans to for-profit businesses located in rural areas, which loans are supported by the partial guaranty of the Rural Business-Cooperative Services (which guarantees to date have ranged from 55% to 80% of the loan principal amount).

In connection with its *Special Projects financing program*, the Authority has financed business loans to corporations for certain manufacturing and solid waste disposal facility projects. The Authority has also made an uninsured business loan to a for-profit borrower to finance a project at the United States Air Force Academy in Colorado Springs, Colorado.

The business loan programs of the Authority also include the QIC, QAL and B&I II secondary market programs described below. Under these programs, the Authority purchases the guaranteed portion of a business loan (the "participation interest"), and is thereby able to provide the borrower with the safety and predictability of a fixed-rate throughout the term of the loan at an attractive interest rate. Additionally, each of these secondary market programs is a source of profit and liquidity for originating lenders.

The *Quality Investment Capital ("QIC") Program* is a secondary market program whereby the Authority purchases the guaranteed portion of loans originated by local lenders and guaranteed by the SBA. Typically, the Authority markets the QIC Program to local lenders and potential borrowers and purchases the participation interest (which is 100% guaranteed by the SBA). Proceeds of these participation interests may be used to fund real estate, equipment, machinery and working capital.

The *Quality Agricultural Loan* ("*QAL*") *Program* is a secondary market program whereby the Authority purchases the guaranteed portion of loans originated by local lenders and guaranteed 100% by the United States Farm Service Agency. The Borrowers are involved in the ranching and agricultural industry throughout Colorado. Proceeds of these loans may be used to finance real estate, equipment, and machinery used in farming and ranching operations.

The Business & Industry II ("B&I II") Program creates a secondary market for the purchase of the United States Rural Business Service ("RBS") guaranteed portion of qualified loans with funds provided by the Authority. Participating lenders originate loans according to their own credit criteria and RBS requirements. The Program provides fixed-rate financing on the guaranteed portion of RBS loans made to borrowers located in a rural community serviced by RBS guaranteed lenders. The originating lender acts as servicer of the loans for a fee not to exceed one percent (1%) per annum of the outstanding principal balance of the guaranteed portion purchased. Proceeds of the loans may be used to finance real estate, equipment, and machinery. The participation interest is 100% guaranteed by the RBS.

Obligations of the Authority

The following is a summary of certain obligations incurred by the Authority to provide funds for and otherwise operate the Authority and the programs described in "Programs to Date" under this caption. This summary has been included solely for purposes of providing information to assist a potential investor in evaluating the Authority's financial status. See also footnote (6) to the audited 2008 financial statements of the Authority.

Single Family Mortgage Programs

In connection with its Single Family Mortgage Programs, the Authority has previously issued numerous series of its Single-Family Program Bonds as senior and subordinate bonds, payable from the revenues of pledged mortgage loans and outstanding as of November 1, 2009 in the aggregate principal

amount of \$61,850,223. The Authority has also issued its Single Family Mortgage Bonds (referred to as "Bonds" in the respective Official Statements and in this Supplement) under the Master Indenture, payable from the revenues of mortgage loans held thereunder, outstanding as of November 1, 2009 in the aggregate principal amount of \$2,271,755,000. See Appendix B-1 to this Supplement for further detail about the Bonds. Subordinate bonds issued as part of the Single-Family Program Bonds and Class III Single Family Mortgage Bonds outstanding under the Master Indenture are also general obligations of the Authority, as described in "General Obligations – Single-Family Bonds – Subordinate Bonds and Class III Bonds" under this caption. For more detailed information concerning the outstanding bonds of the Authority issued in connection with its Single Family Mortgage Programs, see www.chfainfo.com and footnote (6) of the audited 2008 financial statements of the Authority. The Authority has also issued general obligation bonds through private placement in order to finance single family mortgage loans. See "General Obligations – Privately Placed Bonds" under this caption.

The Authority has also expanded its financing activities in connection with the Single Family Mortgage Programs to include the sale of certain single family mortgage loans to Fannie Mae and also has issued and sold mortgage-backed securities guaranteed by Ginnie Mae (the "Ginnie Mae Securities") to finance first mortgage loans as part of the Non-Qualified Single Family Mortgage Programs. Proceeds of Single Family Mortgage Bonds under the Single Family Mortgage Master Indenture have been used to finance second mortgage loans relating to such first mortgage loans financed by and securing the Ginnie Mae Securities. See "THE SINGLE FAMILY MORTGAGE PROGRAM – Special Program Features – Second Mortgage Loans" in this Supplement. The Authority expects to issue taxable bonds in an aggregate principal amount of approximately \$225 million to the United States Department of Treasury on January 12, 2010 under the Treasury's Single Family New Issue Bond Program (the "NIB Program"). Proceeds of such NIB Program bonds will initially be held in escrow and released at the time of issuance of additional bonds under the related master indenture to finance Mortgage Loans and Ginnie Mae Securities, as well as mortgage-backed securities guaranteed by Fannie Mae and Federal Home Loan Mortgage Corporation.

Commercial Loan Programs

The Authority has financed rental loans with proceeds of its Multifamily Housing Insured Mortgage Revenue Bonds (outstanding as of November 1, 2009 in an aggregate principal amount of \$112,300,000) and, since 2000, has financed rental and business loans and certain guaranteed participation interests with proceeds of its Multi-Family/Project Bonds, which were outstanding as of November 1, 2009 in an aggregate principal amount of \$867,885,000. Certain of the Multi-Family/Project Bonds are secured by the full faith and credit of the Authority, as described in "General Obligations – Multi-Family/Project Bonds" under this caption.

Bonds secured by a pledge of loan revenues as well as bonds secured by loan revenues and the general obligation of the Authority have also been privately placed to institutional purchasers by the Authority in order to finance rental loans. See "General Obligations – Privately Placed Bonds" under this caption. The Authority has also issued general obligation housing bonds to finance a rental loan secured by a pledge of loan revenues as well as the full faith and credit of the Authority. See "General Obligations – General Obligation Bonds" under this caption. Projects in the RAP Program have been acquired using a combination of revenue bonds, the Authority's general fund monies, proceeds of general obligation bonds and non-recourse seller carryback financing. See footnote (6) of the audited 2008 financial statements of the Authority for more information regarding these outstanding bonds and notes. The Authority has also acted as a conduit issuer of bonds supported by letters of credit or other credit facilities. These conduit bonds are payable only with amounts received from the conduit borrower, and are therefore not reported as obligations of the Authority on its financial statements.

Business loans and participation interests have also been financed by the Authority with the proceeds of the general obligation bonds described in "General Obligations – General Obligation Bonds" and privately placed bonds, secured by loan and participation revenues as well as the full faith and credit of the Authority. See "General Obligations – Privately Placed Bonds" under this caption. In connection with its Special Projects financing program, the Authority has acted as a conduit issuer its industrial development revenue bonds to finance certain manufacturing facilities and solid waste disposal facility projects for corporations. These bonds are payable only with amounts received from the conduit borrower and are therefore not reported as obligations of the Authority on its financial statements.

Except for bonds specifically identified in Appendix B-1 to this Supplement as Bonds under the Master Indenture, the revenue bonds described above and at the Authority's website are secured separately from and are not on parity with the Bonds and are issued and secured under resolutions or indentures of the Authority other than the Master Indenture.

General Obligations

Many of the bonds and notes issued by the Authority to finance its programs are secured by a pledge of specific revenues, with an additional pledge of its full faith and credit, as described under this caption. Other obligations of the Authority entered in connection with its programs or its operations are not secured by specific revenues or assets other than the Authority's full faith and credit. The bonds, notes and other obligations which are general obligations of the Authority are described below.

Multi-Family/Project Bonds. The Authority has issued Class I Multi-Family/Project Bonds (outstanding as of November 1, 2009 in an aggregate principal amount of \$280,760,000) in order to finance business loans which are payable not only from a senior lien on loan revenues but also as general obligations of the Authority. The Authority has also issued Class II Multi-Family/Project Bonds (outstanding as of November 1, 2009 in the aggregate principal amount of \$22,860,000) and Class III Multi-Family/Project Bonds (outstanding as of November 1, 2009 in an aggregate principal amount of \$2,085,000) in order to finance certain rental and business loans. These Class II and Class III Multi-Family/Project Bonds are payable from loan revenues on a subordinate lien basis to the Class I Multi-Family/Project Bonds and also as general obligations of the Authority.

<u>Single Family Bonds – Subordinate Bonds and Class III Bonds</u>. The Subordinate Bonds for the various series of the Authority's Single-Family Program Senior and Subordinate Bonds are payable from mortgage loan revenues on a subordinate lien basis and are also general obligations of the Authority. The aggregate principal amount of such Subordinate Bonds as of November 1, 2009 was \$770,000. The Authority has also issued Class III Single Family Mortgage Bonds, the proceeds of which have been used to finance mortgage loans for the Single Family Mortgage Programs. These Class III Bonds, outstanding in the aggregate principal amount of \$77,240,000 as of November 1, 2009, are payable from mortgage loan revenues under the Master Indenture and are also general obligations of the Authority. See **Appendix B-1** to this Supplement for more information about these Class III Bonds.

General Obligation Bonds. The Authority has financed an uninsured rental loan in connection with a housing project in the City and County of Denver using proceeds of its publicly-offered general obligation housing bonds. As of November 1, 2009, such bonds, secured by a general obligation pledge of the Authority and loan revenues, were outstanding in an aggregate principal amount of \$3,050,000. In connection with its Special Projects financing program, the Authority has financed a business loan to the Colorado Municipal League through the public offering of general obligation bonds. As of November 1, 2009, such bonds were outstanding in the aggregate principal amount of \$980,000.

<u>Privately Placed Bonds</u>. The Authority has issued general obligation bonds through private placement in order to finance rental loans. As of November 1, 2009, such privately placed bonds were outstanding in an aggregate principal amount of \$26,111,000. The Authority has also funded participation interests and business loans using proceeds of its privately placed bonds, outstanding as of November 1, 2009 in the aggregate principal amount of \$27,728,000. In addition, the Authority has issued general obligation bonds through private placement in order to finance single family mortgage loans. As of November 1, 2009, such privately placed bonds were outstanding in an aggregate principal amount of \$36,780,958.

Loans Backed by Authority General Obligation. The Authority has acquired or originated certain uninsured rental and business loans using proceeds of, and pledged to the repayment of, its Multi-Family/Project Bonds, outstanding as of November 1, 2009 in the aggregate principal amount of \$340,184,216. The Authority has pledged its full faith and credit to the payment of a substantial portion of such loans. The Authority has also assumed, as a general obligation, 50% risk of loss in the mortgage loans acquired by the Authority and insured by the FHA under Section 542(c) of the Housing and Community Development Act of 1992, as amended. As of November 1, 2009, such 542(c) mortgage loans were outstanding in the amount of approximately \$267 million (\$41 million held under the General Resolution and securing the Multifamily Housing Insured Mortgage Revenue Bonds and \$226 million held under the Multi-Family/Project Master Indenture and securing the Multi-Family/Project Bonds). In the case of a §542(c) claim, the Authority is responsible, as a general obligation, to reimburse FHA for 50% of any loss incurred by the FHA as a result of and after the final settlement of such claim. See "Programs to Date - Commercial Loan Programs - Rental Finance Programs" under this caption. To date, the Authority has incurred risk-sharing losses of approximately \$8.4 million following the defaults on insured mortgage loans for certain projects, the foreclosure and sale of those projects and the settlement of the respective final insurance claims with FHA. In addition, the mortgage loans for the Platte Valley Village II project in the approximate aggregate principal amount of \$1.78 million, for the Fox Run Apartments project in the approximate aggregate principal amount of \$3.45 million and for the Maples at Crestwood Apartments project in the approximate aggregate principal amount of \$14.84 million have also defaulted. The Authority has filed insurance claims and received insurance proceeds from HUD with respect to these loans. It is likely that the Authority will incur a risk-sharing liability with respect to these loans, for which the Authority believes it is adequately reserved.

Interest Rate Contracts; Derivative Products. The Authority has pledged its full faith and credit to secure its obligation to make termination payments under the Interest Rate Contracts relating to the Bonds under the Master Indenture and under the derivative products relating to the Multi-Family/Project Bonds under the Multi-Family/Project Master Indenture. See **Appendix B-1** – "THE OUTSTANDING BONDS AND AUXILIARY OBLIGATIONS – The Outstanding Auxiliary Obligations" to this Supplement. See also "Authority Policy Regarding Swaps" under this caption and footnote (7) to the audited 2008 financial statements of the Authority.

Other Borrowings. The Authority has entered into agreements with the Federal Home Loan Bank of Topeka and a commercial bank for borrowings from time to time. Such borrowings are also general obligations of the Authority and have generally been used to date to make or purchase loans pending the permanent financing of such loans. As of November 1, 2009, \$108,300,000 in borrowings were outstanding under those agreements. See footnote (5) to the audited 2008 financial statements of the Authority. The Authority has also borrowed amounts evidenced by Rural Business Cooperative Service Notes (outstanding as of November 1, 2009 in the aggregate principal amount of \$1,012,720), which have been used to finance project or working capital loans or participations therein for small businesses in rural areas. The Authority has pledged its full faith and credit to the payment of such notes.

General Obligation Ratings. Moody's has assigned an "A1" rating and S&P has assigned an "A+" rating to the Authority's ability to repay its general obligation liabilities. The ratings have been assigned based on the Authority's management, financial performance and overall program performance. There is no assurance that any such rating will continue for any given period of time or that any such rating will not be revised downward or withdrawn entirely by Moody's or S&P, respectively, if, in the judgment of the issuing rating agency, circumstances so warrant.

Summary of Certain Authority Obligations

TERMS OF THE REMARKETED BONDS

Mandatory Purchase

Mandatory Purchase During Weekly Mode Period

During any Weekly Mode Period, the Remarketed Bonds are subject to mandatory tender for purchase on any Business Day designated by the Authority, with the consent of the Remarketing Agent and the Facility Provider, at the Purchase Price, payable in immediately available funds.

Mandatory Purchase on Mode Change Date

The Remarketed Bonds to be changed from one Mode to another Mode will be subject to mandatory tender for purchase on each day on which a new Mode for such Bonds begins (the "Mode Change Date") at a purchase price equal to the Purchase Price.

Mandatory Purchase Upon Termination, Replacement or Expiration of the Liquidity Facility; Mandatory Standby Tender

If at any time the Trustee receives notice from the Authority or the Liquidity Facility Provider that Remarketed Bonds tendered for purchase shall, on the date specified in such notice, cease to be subject to purchase pursuant to the Liquidity Facility then in effect as a result of (i) the termination, replacement or expiration of the term, as extended, of that Liquidity Facility, including but not limited to termination at the option of the Authority in accordance with the terms of such Liquidity Facility, or (ii) the occurrence and continuance of certain specified events under such Liquidity Facility, then the Remarketed Bonds shall be purchased or deemed purchased at the Purchase Price. Any purchase of the Remarketed Bonds pursuant to the Indenture shall occur: (1) on the fifth Business Day preceding any expiration or termination of a Liquidity Facility without replacement by an Alternate Liquidity Facility, or upon any termination of a Liquidity Facility in any case where an Alternate Liquidity Facility has been delivered to the Trustee pursuant to the Indenture. Notwithstanding this provision, in the case of expiration or termination of the Facility, the mandatory purchase of any or all of the Remarketed Bonds shall be governed by the terms of the TCLP Supplemental Indenture described in "TCLP Supplemental Indenture – Mandatory Purchase Upon Expiration or Termination of the Facility" under this caption.

Notice of Mandatory Purchase

The Trustee shall give notice of mandatory purchase pursuant to the Indenture by first-class mail, or transmitted in such other manner (such as by Electronic Means) as may be customary for the industry as directed in writing by the Authority, to the Owners of the Remarketed Bonds subject to mandatory purchase, with a copy to the MSRB, no less than 15 days prior to the Mandatory Purchase Date (or in connection with a Mandatory Purchase Date resulting from certain specified events under the Liquidity Facility, not less than 3 days prior to the Mandatory Purchase Date). The notice shall state the Mandatory Purchase Date, the Purchase Price and that interest on Remarketed Bonds subject to mandatory purchase shall cease to accrue from and after the Mandatory Purchase Date. The failure to transmit such notice with respect to any Remarketed Bond shall not affect the validity of the mandatory purchase of any other Remarketed Bond with respect to which notice was so transmitted. Any notice transmitted as aforesaid will be conclusively presumed to have been given, whether or not actually received by any Owner.

Remarketed Bonds purchased pursuant to the Indenture shall be delivered by the Owners (with all necessary endorsements) to the office of the Paying Agent in Denver, Colorado, at or before 12:00 noon, New York City time, on the Mandatory Purchase Date, and payment of the Purchase Price of such Remarketed Bonds shall be made by wire transfer in immediately available funds by the Paying Agent by the close of business on such Mandatory Purchase Date. So long as the Remarketed Bonds are registered in the DTC book-entry system described in Appendix H of the respective Official Statements, such notices will be sent only to DTC's nominee.

Payment of Tender Price Upon Purchase

Any Remarketed Bonds required to be purchased in accordance with the Indenture as described above are to be purchased from the Owners thereof on the Purchase Date at the Purchase Price. The Indenture creates a separate fund (the "**Purchase Fund**") to be maintained by the Paying Agent, with separate accounts designated as the Remarketing Proceeds Account and the Standby Purchase Account. Funds for the payment of the Purchase Price are to be made solely from the following sources in the order of priority indicated:

- (1) proceeds of the sale of Remarketed Bonds (except proceeds of remarketed Bank Bonds to the extent applied to any amount owing to the Liquidity Facility Provider) pursuant to the Indenture and the Remarketing Agreement and furnished to the Tender Agent by the Remarketing Agent for deposit into the Remarketing Proceeds Account; and
- (2) money furnished by the Liquidity Facility Provider to the Trustee for deposit with the Paying Agent from requests under the Facility, if any, as described in $Appendix\ C$ "COPIES OF THE CREDIT AND LIQUIDITY FACILITY AND THE REIMBURSEMENT AGREEMENT" to this Supplement.

TCLP Supplemental Indenture

In connection with the delivery of the Facility, the Authority will execute a Fifth Supplement to the Master Indenture between the Authority and the Trustee, dated as of December 1, 2009 (the "TCLP Supplemental Indenture"). The TCLP Supplemental Indenture contains certain provisions which shall remain in effect with respect to the Remarketed Bonds as long as the Facility is in effect, which provisions are described below. Certain capitalized terms used under this caption "TCLP Supplemental Indenture" shall have the meanings ascribed thereto in **Appendix C** – "COPIES OF THE CREDIT AND LIQUIDITY FACILITY AND THE REIMBURSEMENT AGREEMENT" to this Supplement.

Credit Facility Fund

The TCLP Supplemental Indenture creates a Credit Facility Fund to be held by the Trustee and maintained as a separate account, in which no other monies held under the Indenture are to be commingled. The Credit Facility Fund is to be closed once the Facility Provider has no continuing liability under the Facility. The Trustee is directed to deposit all Debt Service Advances into the Credit Facility Fund, and to deposit any Liquidity Advance and Mandatory Tender Advance into the applicable account of the Bond Purchase Fund pursuant to the terms of the Indenture. No other money may be deposited into the Credit Facility Fund. The TCLP Supplemental Indenture directs the Trustee to apply amounts deposited into the Credit Facility Fund on the date payment is due to the payments for which an Advance has been made pursuant to the Facility. Any and all funds remaining in the Credit Facility Fund after making the payment for which the Advance was made are to be immediately refunded on a *pro rata* basis to the Facility Provider providing such amounts.

Mandatory Purchase Upon Expiration or Termination of the Facility

So long as the Facility is in effect, the following provision shall be applicable in the case of expiration or termination of the Facility, rather than the mandatory purchase provisions described in "Mandatory Purchase" under this caption. In the event of an expiration or termination of the Facility, the Remarketed Bonds shall be purchased or deemed purchased at the Purchase Price. Any purchase of the Remarketed Bonds pursuant to the Indenture as supplemented by the TCLP Supplemental Indenture shall occur on the fifth Business Day preceding any such expiration or termination of the Facility.

Mandatory Purchase at the Direction of the Facility Provider

In addition to the conditions for mandatory tender for purchase of the Remarketed Bonds listed in "Mandatory Purchase" and described in "– Mandatory Purchase Upon Expiration or Termination of the Facility" under this caption, the Remarketed Bonds are also subject to mandatory tender for purchase following receipt by the Trustee of written notice from the Facility Provider stating that an event of default under the Reimbursement Agreement has occurred and directing the Remarketed Bonds be subject to mandatory tender for purchase.

Special Facility Provider Rights

Following the purchase of Bank Bonds, Bank Bondowners are entitled to and, if necessary, are deemed to have been assigned all rights and privileges of Bondowners under the Indenture, along with any additional rights and privileges with respect to payment of interest and redemption provided by the Reimbursement Agreement with respect to Bank Bonds. Following the purchase of Bank Bonds, Bank Bondowners will be recognized by the Authority as the true and lawful owners (or, for Book-Entry Bonds, beneficial owners) of the Bank Bonds, free from any claims, liens, security interests, equitable interests and other interests of the Authority, except as such interests might exist under the terms of the Bank Bonds with respect to all owners (or, for Book-Entry Bonds, beneficial owners) of the Remarketed Bonds.

Prior to the appointment under the Indenture of a successor Trustee or Remarketing Agent for the Remarketed Bonds, notice must be provided to the Notice Parties at the Notice Parties' Addresses and the consent of the Facility Provider must be obtained, which consent is not to be unreasonably withheld. In addition, by written notice to the Authority and the Trustee, the Facility Provider may direct the Authority to remove the Remarketing Agent with respect to any Series of Remarketed Bonds and to appoint a successor Remarketing Agent for such Bonds in accordance with the provisions of the applicable Series Indenture if (i) an event of default has occurred and is continuing under the Reimbursement Agreement or (ii) such Remarketing Agent has failed to fulfill any of its duties and obligations under the Indenture, the TCLP Supplemental Indenture or the Remarketing Agreement.

The Facility Provider is a third-party beneficiary of the TCLP Supplemental Indenture and of the Indenture, and has the right (but not the obligation) to enforce, separately or jointly with the Trustee, or to cause the Trustee to enforce, the provisions of the TCLP Supplemental Indenture.

The Facility Provider alone has the right to enforce the covenants in the TCLP Supplemental Indenture.

CERTAIN PROGRAM ASSUMPTIONS

Insurance Limitations and Requirements

The Series Indentures require that Mortgage Loans (i) be insured by the FHA, (ii) be guaranteed by the VA, HUD or the Rural Housing Service (formerly the RHCDS, a successor agency to the FmHA), (iii) be Private Mortgage Insurance Mortgage Loans, (iv) be a Mortgage Loan which is not insured or guaranteed but (except for any second mortgage) has an original principal amount less than 80% of the appraised value (at the time of origination of such Mortgage Loan) or purchase price, whichever is less, of the property securing such Mortgage Loan (an "Uninsured Mortgage Loan") or (v) otherwise be a type of Mortgage Loan the acquisition of which (as confirmed by each Rating Agency) will not adversely affect such Rating Agency's then current rating on any Bonds. Furthermore, the Authority may use amounts in the Acquisition Account to acquire First and Second Mortgage Loans originated under the HUD Section 184 Indian Housing Guarantee Program, which provides a 100% loan guarantee to the Authority. See "THE SINGLE FAMILY MORTGAGE PROGRAM" in this Supplement and Appendix I – "INSURANCE AND GUARANTEE PROGRAMS; FORECLOSURE" to this Supplement.

Private Mortgage Insurance Mortgage Loans must be insured by a private insurance company approved by the Authority, qualified to transact business in the State and to provide insurance on mortgages purchased by Freddie Mac or Fannie Mae and rated by each Rating Agency then rating the Bonds, at the time each Private Mortgage Insurance Mortgage Loan under the Indenture is made or originated, as set forth in the respective series indenture (a "**Private Insurer**"). Such insurance must remain in force except as otherwise required by the Homeowners Protection Act of 1998, as amended, 12 U.S.C. 4901, et, seq. or other applicable laws, or at the option of the Authority, the Private Mortgage Insurance (if borrower paid) may be cancelable after the outstanding principal balance of the Mortgage Loan is reduced to 80% or less of the appraised value (based on the original appraisal) of the property securing the Mortgage Loan.

As of November 1, 2009, the following Private Insurers were providing insurance for the respective percentages of First Mortgage Loans (based on outstanding principal balance):

[Remainder of page left blank intentionally]

Private Mortgage Insurance Mortgage Loans and Private Insurers

Name of Private Insurer (3)	Percentage of Trust Estate (1)	Percentage of Private Mortgage Insurance <u>Mortgage Loans (2)</u>
Mortgage Guaranty Ins.	7.37%	37.36%
Genworth	5.68	28.82
RMIC	2.31	11.70
United Guaranty Corp.	2.12	10.77
PMI Mortgage Insurance	1.15	5.83
Triad Guaranty Insurance	0.57	2.88
Radian Guaranty Inc.	0.40	2.05
Other	0.12	0.59
Total Percentage	19.72%	100.00%

⁽¹⁾ Aggregate principal balance of First Mortgage Loans in the Trust Estate as of November 1, 2009 was approximately \$1.79 billion.

As of November 1, 2009, 19.72% of the \$1.79 billion aggregate principal amount of First Mortgage Loans in the Trust Estate were Private Mortgage Insurance Mortgage Loans. Due to the downgrade in the ratings of most Private Insurers, there has been a significant reduction of Private Mortgage Insurance Mortgage Loans being purchased by the Authority and an increase in the number of government insured or guaranteed Mortgage Loans being purchased by the Authority during the past two years. The Authority currently does not accept reservations for mortgage loans which are Private Mortgage Insurance Mortgage Loans except in very limited circumstances.

Investments

In connection with the prior issuance of Bonds outstanding under the Master Indenture, the Authority has invested certain amounts in Series subaccounts of Funds related to such Bonds in investment agreements with the investment providers and at the rates currently in effect as set forth in the following table:

⁽²⁾ Aggregate principal balance of First Mortgage Loans as of November 1, 2009 which were Private Mortgage Insurance Mortgage Loans was approximately \$362 million.

⁽³⁾ The ratings of several of these Private Insurers have been downgraded since the time that the Private Mortgage Insurance Mortgage Loans in the Trust Estate which are insured by such Private Insurers were originated, and such ratings are in most cases below the rating levels which were required for such Private Insurers by the applicable series indentures at the time of such originations.

⁽¹⁾ Neither the Authority nor the Remarketing Agent makes any representation about the financial condition or creditworthiness of the Investment Providers. Prospective investors are urged to make their own investigation into the financial condition and creditworthiness of the Investment Providers. See "Part II – SECURITY FOR THE BONDS AND AUXILIARY OBLIGATIONS" in the Official Statement.

In accordance with the terms of the Master Indenture, the Authority has also from time to time instructed the Trustee to invest certain moneys held by the Trustee in Funds and Accounts relating to prior Bonds in permitted Investment Securities other than investment agreements. Information about such investments is available in filings with national repositories that the Authority is obligated to make on an annual basis in connection with certain outstanding Bonds under the Master Indenture. See "Part I – INTRODUCTION – Availability of Continuing Information" in the respective Official Statements. The Authority expects (but is not obligated) in the future to invest certain amounts on deposit in the Debt Service Reserve Fund in mortgage backed securities, which are permitted Investment Securities under the Indenture.

The assumptions made by the Authority as to projected cashflows under the Indenture include the assumption that the investment rates provided by the Investment Agreements shown on the preceding table will be available as described. However, in the event that the Investment Agreement shown on the preceding table is terminated as a result of default by the respective investment provider or for any other reason, it may not be possible to reinvest such proceeds and deposits at these assumed rates and the cashflows may be adversely affected. Neither the Authority nor the Remarketing Agent makes any representation about the financial condition or creditworthiness of any of the investment providers shown

⁽²⁾ Following the downgrade of IXIS Funding Corp. (now known as Natixis Funding Corp.) by S&P from "AA-/A-1+" to "A+/A-1" on October 28, 2008, Natixis Funding Corp. opted, pursuant to its rights under the applicable investment agreement, to post collateral to secure the applicable investment agreement until December 1, 2009, at which time Natixis Funding Corp. could either post collateral for another period, assign the investment agreement to another qualified investment agreement provider, or obtain a replacement guarantor to enhance its capital position. Since Natixis did not take any of such actions on December 1, 2009, and their ratings as issued by Moody's and S&P are below "Aa3/P1" by Moody's or "AA-/A-1+" by S&P, the Trustee has the right to request the return of the moneys invested under the applicable investment agreement. Natixis has agreed with the Trustee to replace the existing investment agreements with repurchase agreements secured by the collateral at a collateralization level of 105%. Under such repurchase agreements, the applicable interest rates will each be reduced by 25 basis points.

⁽³⁾ The downgrade of Natixis Funding Corp. on October 28, 2008 described in footnote 2 above did not cause a "ratings event" under this investment agreement which provides for such a "ratings event" upon a downgrade by S&P below "A+/A1" or by Moody's below "A1/P1." Consequently, this investment agreement is not secured by collateral at this time.

on the preceding table. Prospective investors are urged to make their own investigation into the financial condition and creditworthiness of all such investment providers shown on the preceding table.

THE CREDIT AND LIQUIDITY FACILITY AND THE REIMBURSEMENT AGREEMENT

Copies of the Facility and the Reimbursement Agreement are attached to this Supplement as **Appendix C**. Investors are urged to review these copies of the Facility and the Reimbursement Agreement in order to understand all of their terms.

REMARKETING AGENTS

Remarketing Agreements for Remarketed Bonds

Barclays Capital Inc. has entered Remarketing Agreements with the Authority relating to the Remarketed Bonds, which have been amended pursuant to an Amendment to Remarketing Agreements dated December 16, 2009 (the "Remarketing Agreements"). If Remarketed Bonds are tendered or deemed tendered for purchase as described herein under the caption "Part I – TERMS OF THE 200__ SERIES ___ BONDS – Adjustable Rate Bonds – Optional Tender and Purchase" in the respective Official Statements and "TERMS OF THE REMARKETED BONDS – Mandatory Purchase" in this Supplement, the Remarketing Agent is required to use its best efforts to remarket such Remarketed Bonds in accordance with the terms of the Indenture and the respective Remarketing Agreements at a price equal to the principal amount thereof plus accrued interest, if any, thereon to the applicable purchase date. The Remarketing Agent is also responsible for determining the rates of interest for such Remarketed Bonds in accordance with the respective Series Indenture. So long as the Facility is in effect, the Remarketing Agent has agreed to use its best efforts at all times to remarket the respective Remarketed Bonds (including, without limitation, Bank Bonds) at interest rates up to the maximum rate permitted under the Indenture. The Remarketing Agent is to transfer any proceeds of remarketing of the Remarketed Bonds it receives to the Paying Agent for deposit in accordance with the respective Series Indenture.

The Remarketing Agent may at any time resign and be discharged of its duties and obligations under the respective Remarketing Agreements upon providing the Authority, the Trustee, the Paying Agent and the Facility Provider with thirty (30) days' prior written notice except that, so long as the Facility is in effect, such resignation shall not take effect until the appointment of a successor remarketing agent. The Remarketing Agent may be removed at any time, at the direction of the Authority, except that the Authority shall not remove the Remarketing Agent until the appointment of a successor remarketing agent under the respective Series Indenture. The appointment of any successor remarketing agent shall be subject to the prior written consent of the Facility Provider. The Facility Provider may direct the Authority to remove the Remarketing Agent and appoint a successor remarketing agent with respect to the Remarketed Bonds if (i) an event of default has occurred and is continuing under the Reimbursement Agreement or (ii) the Remarketing Agent has failed to fulfill any of its duties and obligations under the Indenture or the Remarketing Agreements. Upon the resignation or removal of the Remarketing Agent, the Authority is to promptly cause the Tender Agent to give notice thereof by mail to all Owners and to any rating agency which has assigned a rating to the Remarketed Bonds. The Remarketing Agent shall pay over, deliver and assign any monies and Remarketed Bonds held by it in such capacity to its successor.

Other Remarketing Agents for Adjustable Rate Bonds

In connection with the Adjustable Rate Bonds outstanding under the Master Indenture, the Authority has entered into remarketing agreements with the respective remarketing agents set forth in the following table:

^{*}These are the Remarketed Bonds under this Supplement.

The Remarketing Agent is Paid by the Authority

The Remarketing Agent's responsibilities include determining the interest rate from time to time and remarketing the Remarketed Bonds that are optionally tendered by the owners thereof, all as further described in this Supplement and the Official Statement. The Remarketing Agent is appointed by the Authority and is paid by the Authority for its services. As a result, the interests of the Remarketing Agent may differ from those of existing holders and potential purchasers of Remarketed Bonds.

The Remarketing Agent Routinely Purchases Bonds for its Own Account

The Remarketing Agent is permitted, but not obligated, to purchase the tendered Remarketed Bonds for its own account. The Remarketing Agent, in its sole discretion, routinely acquires tendered Remarketed Bonds for its own inventory in order to achieve a successful remarketing of the Remarketed Bonds (i.e., because there otherwise are not enough buyers to purchase the Remarketed Bonds) or for other reasons. However, the Remarketing Agent is not obligated to purchase Remarketed Bonds, and may cease doing so at any time without notice. The Remarketing Agent may also make a market in the Remarketed Bonds by routinely purchasing and selling such Remarketed Bonds other than in connection with an optional tender and remarketing. Such purchases and sales may be at or below par. However, the Remarketing Agent is not required to make a market in the Remarketed Bonds. If the Remarketing Agent purchases Remarketed Bonds for its own account, it may offer those Remarketed Bonds at a discount to par to some investors. The Remarketing Agent may also sell any Remarketed Bonds it has purchased to one or more affiliated investment vehicles for collective ownership or enter into derivative arrangements with affiliates or others in order to reduce its exposure to the Remarketed Bonds. The purchase of Remarketed Bonds by the Remarketing Agent may create the appearance that there is greater third party demand for the Remarketed Bonds in the market than is actually the case. The practices described above also may reduce the supply of Remarketed Bonds that may be tendered in a remarketing.

Remarketed Bonds may be Offered at Different Prices on any Date

The Remarketing Agent is required to determine on the rate determination date the applicable rate of interest that, in its judgment, is the lowest rate that would permit the sale of the respective Remarketed Bonds at par plus accrued interest, if any, on the date the rate becomes effective (the "Effective Date"). The interest rate will reflect, among other factors, the level of market demand for such Remarketed Bonds (including whether the Remarketing Agent is willing to purchase such Remarketed Bond for its own account). The Remarketing Agreements require that the Remarketing Agent use its best efforts to sell tendered Remarketed Bonds at par, plus accrued interest. There may or may not be Remarketed Bonds tendered and remarketed on a rate determination date or an Effective Date, the Remarketing Agent may or may not be able to remarket any respective Remarketed Bonds tendered for purchase on such date at par and the Remarketing Agent may sell such Remarketed Bond at varying prices to different investors on such date or any other date. The Remarketing Agent is not obligated to advise purchasers in a remarketing if it does not have third party buyers for all of the Remarketed Bonds at the remarketing price.

The Ability to Sell the Remarketed Bonds other than through Tender Process may be Limited

While the Remarketing Agent may buy and sell the Remarketed Bonds, it is not obligated to do so and may cease doing so at any time without notice. Thus, investors who purchase the Remarketed Bonds, whether in a remarketing or otherwise, should not assume that they will be able to sell their Remarketed Bonds other than by tendering the Remarketed Bonds in accordance with the tender process.

CERTAIN BONDOWNERS' RISKS

Risks Related to the Liquidity Providers and the Liquidity Facilities

Creditworthiness of the Liquidity Providers

The short-term credit ratings of the Adjustable Rate Bonds under the Master Indenture are based on the issuance of the respective Liquidity Facilities relating to such Adjustable Rate Bonds. Such ratings are based solely on the general credit of the respective Liquidity Provider. Any downgrade in the ratings of the related Liquidity Provider may impact the interest rate of the related Adjustable Rate Bonds.

Each Liquidity Facility provides the Trustee with the liquidity support necessary to purchase the applicable Adjustable Rate Bonds deemed tendered for purchase as described in the related Series Indenture. If remarketing proceeds are not sufficient to provide funds sufficient to pay the purchase price of tendered Adjustable Rate Bonds, the Trustee is required to draw funds under the applicable Liquidity Facility. The ability of the respective Liquidity Provider to honor such drawings may be adversely affected by its financial condition at the time of such draws. No assurance is given as to the current or future financial condition of any Liquidity Provider or the financial condition of any entity with which any Liquidity Provider may merge or by which it may be acquired. For more information about the Liquidity Providers and Outstanding Liquidity Facilities, see **Appendix B-1** – "THE OUTSTANDING BONDS AND AUXILIARY OBLIGATIONS – The Outstanding Auxiliary Obligations – Liquidity Facilities" to this Supplement. If a Liquidity Provider becomes insolvent or otherwise becomes a debtor in bankruptcy, timely payment of the purchase price of related Adjustable Rate Bonds subject to tender for purchase might depend entirely on the sufficiency of the Trust Estate to pay such amounts.

Inability to Obtain Substitute Liquidity Facility

Each Liquidity Facility expires on a particular date which is much earlier than the maturity dates of the related Adjustable Rate Bonds. See **Appendix B-1** to this Supplement. No assurances can be given that the Authority will be able to extend any of the Liquidity Facilities or obtain a Substitute Liquidity Facility with respect to any series of Adjustable Rate Bonds upon the terms required by the respective Series Indenture until and including the final maturity dates of such Adjustable Rate Bonds or until the interest rate on such Adjustable Rate Bonds is converted to a Fixed Rate. Failure to extend a Liquidity Facility or obtain a Substitute Liquidity Facility will result in a mandatory purchase of the related Adjustable Rate Bonds prior to maturity at a price of par. The mandatory purchase of such Adjustable Rate Bonds on such a mandatory bond purchase date may not be waived. As a result, related Adjustable Rate Bonds subject to such mandatory purchase will become Bank Bonds under the Master Indenture. **Coverage under the Facility for the Remarketed Bonds is stated to expire on December 16, 2012 and will not be extended.** See "Interest Costs Associated with Bank Bonds" under this caption.

Increased Costs Associated with Bank Bonds

Pursuant to the Liquidity Facilities, certain unpaid fees will bear interest at the "Default Rate" and Bank Bonds will bear interest at a rate as set forth in the related Liquidity Facilities. Those interest rates can be substantially higher than the variable rate that otherwise would apply to the calculation of interest on the Adjustable Rate Bonds; any increase in those interest rates increases the amount of interest payable by the Trust Estate under the Master Indenture and may affect its sufficiency to pay the Bonds. As of the date hereof, certain Adjustable Rate Bonds have been tendered and, since they have not been successfully remarketed, such Adjustable Rate Bonds have become Bank Bonds. These outstanding Bank Bonds bear

interest at rates substantially higher than the variable rate that would otherwise apply and, in connection with several Series, principal and interest on such Bank Bonds will be payable under the accelerated amortization provisions of the related Liquidity Facility. Payment of such interest on Bank Bonds is on parity with the lien of the related Adjustable Rate Bonds which have been purchased, except that payments due on the Bank Bonds following any acceleration by the Liquidity Facility Provider will be Class III Obligations and constitute general obligations of the Authority. See "Inability to Obtain Substitute Liquidity Facility" under this caption.

Replacement of Facility with Alternate Liquidity Facilities

In the Reimbursement Agreement relating to the Facility, the Authority has agreed that, as the market stabilizes, it will obtain one or more Alternate Liquidity Facilities in order to reduce the principal amount of the Remarketed Bonds supported by the Facility. Any such Alternate Liquidity Facility will not provide credit support for the applicable Remarketed Bonds. In connection with any such replacement, the applicable Remarketed Bonds will be subject to mandatory purchase as described in "TERMS OF THE REMARKETED BONDS – TCLP Supplemental Indenture – Mandatory Purchase Upon Expiration or Termination of the Facility" in this Supplement.

Risks Related to Interest Rate Contracts

Each of the Interest Rate Contracts exposes the Authority to certain risks including, but not limited to, the risk that payments received by the Authority from the applicable Counterparty could be substantially less than the floating rate interest payments due on the related Series of Bonds. Pursuant to each of the Interest Rate Contracts, the Authority will pay interest to the Counterparty at a fixed rate and will receive interest from the Counterparty at a variable rate which will be based on a LIBOR or SIFMA Index. To the extent Counterparty payments are based on a LIBOR or SIFMA Index, the amount of actual interest payments due on the respective Adjustable Rate Bonds may differ from the amount of such interest payments to be made by the Counterparty and the Trust Estate may not be sufficient to pay interest as due.

The payment obligations of the Authority under the Interest Rate Contracts do not remove the obligations of the Authority to pay interest on the related Series of Bonds from the Trust Estate. A negative change to the financial position of any of the Counterparties (including bankruptcy or insolvency) at any time may negatively impact payments to the Authority pursuant to the applicable Interest Rate Contract to an extent that cannot be determined. In addition, each Interest Rate Contract is subject to termination upon the occurrence of certain events, and no assurance can be given that the Interest Rate Contracts, or any of them, will continue to be in effect. None of the Interest Rate Contracts provide a source of credit or security for the Bonds. The Owners of the Bonds do not have any rights under any Interest Rate Contract or against any Counterparty. See "Part II – SECURITY FOR THE BONDS AND AUXILIARY OBLIGATIONS – Interest Rate Contracts" in the respective Official Statements. See also **Appendix B-1** – "THE OUTSTANDING BONDS AND AUXILIARY OBLIGATIONS – The Outstanding Auxiliary Obligations – Outstanding Interest Rate Contracts" to this Supplement. See footnote (7) to the audited 2008 financial statements of the Authority for a description of certain further risks associated with the Interest Rate Contracts.

THE SINGLE FAMILY MORTGAGE PROGRAM

The following sections describe requirements for the Mortgage Loans which are based on requirements in the Act or derive from general policies and limits established by the Authority for qualification of Mortgage Lenders, Servicers, Borrowers and Eligible Properties as well as basic requirements for Mortgage Loans (with noted exceptions). As indicated, certain requirements described below relate only to Mortgage Loans made as a part of the Authority's Qualified Single Family Mortgage Program. A number of the procedures described below may not apply to the Zero Interest First Mortgage Loans. It is expected that there will be variations in particular cases and that the policies and procedures of the Authority will be modified from time to time consistent with the Act, the Indenture and any procedures applicable to the Mortgage Loans.

Communication of Program Information

The Authority communicates information on its website (www.chfainfo.com) and through subscription Internet services regarding the changes to policies and procedures for First Mortgage Loans under the Program. Interest rates announced to participating Mortgage Lenders on the Authority website may change daily. The Authority also makes available on the website a guide to Mortgage Lenders setting forth requirements for the Program and information relating to the reservation procedures as more fully described in "Seller's Guide" under this caption (the "Seller's Guide"). Participating Mortgage Lenders are expected to obtain this information from the website. The Seller's Guide describes each Program parameters, mortgage purchase prices, discounts, income limits and other parameters and information necessary for Mortgage Lenders to determine the eligibility of Applicants, residences and Mortgage Loans under the Program. The Seller's Guide is incorporated by reference into the Mortgage Purchase Agreement entered into between the Authority and each respective participating Mortgage Lender for eligible Mortgage Loans. See "Mortgage Purchase Agreements" under this caption.

Reservation, Delivery and Acquisition of Mortgage Loans

The Seller's Guide references and incorporates a description of reservation procedures by which a Mortgage Lender may reserve Mortgage Loan funds. Reservations may be made on a continuous basis without regard to the availability of proceeds from a specific Series of Bonds. The reservation procedures require a Mortgage Lender to have taken a loan application from an Applicant who has entered into a purchase contract with the seller of a residence or to have taken an application from an Applicant who intends to refinance their existing mortgage loan. The Mortgage Lender must use the Internet Reservation System to reserve funds. Prior to closing the Mortgage Loan, the Mortgage Lender may deliver to the Authority further documentation in order for the Authority to review the eligibility of the Applicant and the residence. The Mortgage Lender must then close the Mortgage Loan and deliver to the Authority the complete Mortgage Loan closing documents within specified timeframes.

In connection with any First Mortgage Loan (with the exception of Zero Interest Loans) originated by a Mortgage Lender in the Single Family Mortgage Programs, a Borrower may request and obtain a Second Mortgage Loan, the proceeds of which may be used to fund upfront cash requirements of the applicable First Mortgage Loan, including payment of the origination fee, closing costs, initial required escrow deposits and/or all or a portion of a downpayment. Proceeds of a Second Mortgage Loan may also be used by a Borrower for a temporary "buy down" of the interest rate. See "Special Program Features – Second Mortgage Loans" under this caption. First Mortgage Loans will be offered with and without a Second Mortgage Loan at varying interest rates. In addition, the Authority may require a Borrower to make a cash contribution using funds other than the proceeds of a Second Mortgage Loan. The cash contribution does not have to be from the Borrower's own funds although it must be from a source acceptable to the First Mortgage Loan insurer or guarantor. The Authority or the Trustee will

acquire First Mortgage Loans from the Mortgage Lenders with available funds of the Authority at a price sufficient, in some cases, to pay additional lender fees and reimburse Mortgage Lenders for any upfront mortgage insurance premiums paid on behalf of the Authority. The Authority or the Trustee will also use available funds to reimburse Mortgage Lenders for any related Second Mortgage Loans originated by such Mortgage Lenders on behalf of the Authority in connection with such First Mortgage Loans.

In order to satisfy the requirements of the Tax Code in connection with certain tax-exempt Bonds, the Authority is required by the Indenture to reserve an amount in the Acquisition Account for the acquisition of First Mortgage Loans on "targeted area residences" within the meaning of Section 143 of the Tax Code ("**Targeted Area Residences"**). Such amount must be reserved until all of such amount is used to acquire First Mortgage Loans on such Targeted Area Residences or a date at least one year after the date on which the proceeds of the Series of Bonds or amounts exchanged therefor are first made available for the acquisition of such First Mortgage Loans.

Eligibility Requirements

Residency Requirements

In the case of Mortgage Loans made in the Qualified Single Family Mortgage Program, Mortgage Loans must be made only to Applicants who have not had a present ownership interest in a principal residence during the three-year period prior to the date of execution of each respective Mortgage which secures each such Mortgage Loan. Mortgage Loans in the Non-Qualified Single Family Mortgage Program or Eligible Veterans will not be subject to this requirement. Each Applicant must also intend to occupy the Eligible Property as his or her principal place of residence.

Purchase Price Limitations

In the case of Mortgage Loans made in the Qualified Single Family Mortgage Program, the Purchase Price of an Eligible Property financed in connection with such a Mortgage Loan may not exceed certain Purchase Price limits as established by the Authority. The Authority has established Purchase Price limits for Eligible Properties, with no differentiation between new and existing residences, based on the county in which such Eligible Property is located. These limits range from \$236,800 to \$324,300. Certain of these Purchase Price limits are somewhat lower than those permitted by the Tax Code in order to better serve persons and families of lower income. Purchase Price limits determined by the Authority may be amended by the Authority from time to time without notice to Bondowners. Furthermore, a Mortgage Loan may be made in an amount up to \$15,000 for an existing Residence to finance certain capital improvements to the Eligible Property for energy efficiency purposes. In addition to the proceeds of a First Mortgage Loan, an Eligible Property may be financed with amounts received and secured by a second mortgage encumbering the property. For other Mortgage Loans and in certain jurisdictions, the Authority has established or may establish higher Purchase Price limits, not in excess of 90% (110% in the case of Targeted Area Residences) of the Average Area Purchase Price, as defined below, of previously occupied or new single family residences, as the case may be, for the statistical area in which the Eligible Property is located.

The term "Purchase Price" means that cost of acquiring an Eligible Property from the seller as a completed residential unit, including: (i) all amounts paid, either in cash or in kind, by the Eligible Borrower (or a related party or for the benefit of the Eligible Borrower) to the seller (or a related person or for the benefit of the seller) as consideration for the Eligible Property, (ii) the purchase price of the land and (iii) if the Eligible Property is incomplete, the reasonable cost of completing it (to the extent that the builder thereof normally completes work on similar residences which he builds, and so that occupancy thereof is legally permitted); but exclusive of (A) usual and reasonable settlement or financing costs (but

only to the extent that such amounts do not exceed the usual and reasonable costs which would be paid by the Applicant where financing is not provided through the proceeds of qualified mortgage bonds the interest on which is excludable from the gross income of the recipient for federal income tax purposes), (B) the value of services performed by the Eligible Borrower or members of his or her family in completing the Eligible Property, (C) the value of an income-producing component of the Eligible Property, (D) the value of all items of personal property included in the Eligible Property and (E) the cost of land if owned by the Eligible Borrower for at least two years prior to the commencement of construction.

The term "Average Area Purchase Price" means the average area purchase price under the safe harbor limitations calculated as provided in Revenue Procedure 2009-18. This Revenue Procedure announces that the Treasury Department and the Internal Revenue Service have determined that FHA loan limits provide a reasonable basis for determining average area purchase price safe harbor limitations. Because FHA loan limits do not differentiate between new and existing residences, the Revenue Procedure contains a single average area purchase price safe harbor for both new and existing residences in a statistical area. If the Treasury Department and the Internal Revenue Service become aware of other sources of average purchase price data, including data that differentiate between new and existing residences, consideration will be given as to whether such data provide a more accurate method for calculating average area purchase price safe harbors. If no purchase price safe harbor is available for a statistical area, the safe harbor for "All Other Areas" may be used for that statistical area.

If the FHA revises the FHA loan limit for any statistical area after November 7, 2008, an issuer of qualified mortgage bonds or mortgage credit certificates may use the revised FHA loan limit for the statistical area to compute a revised average area purchase price safe harbor for that statistical area, provided that the issuer maintains records evidencing the revised FHA loan limit. The revised average area purchase price safe harbor for that statistical area is computed by dividing the revised FHA loan limit by 0.94. When new FHA loan limits pursuant to the American Recovery and Reinvestment Act of 2009, P.L. 111-5 ("ARRA"), are published, those numbers are to be divided by 1.03 to compute a revised average area purchase price safe harbor for a statistical area. FHA issued new loan limits under ARRA on February 24, 2009, in Mortgagee Letter 2009-07. In accordance with the Tax Code, the average area purchase price may be determined by the Authority, in lieu of the safe harbor limitations described above, if the Authority uses more accurate and comprehensive data.

On November 25, 2009, FHA issued Mortgagee Letter 2009-50 which provides notice of the 2010 comprehensive update to the FHA single-family loan limits, under the authority of Continuing Resolution 2010 ("CR") as part of the Department of Interior Environmental and Related Agencies Appropriations Act, Public Law 111-88. The loan limits described in ML-2009-50 are effective for loans with credit approval issued by the mortgagee on or after January 1, 2010 through December 31, 2010. The CR mandates that the revised FHA loan limits for 2010 are set at the higher of the loan limits established under the Economic Stimulus Act of 2008 ("ESA") or those loan limits otherwise established for 2010 under section 203(b), as amended by the Housing and Economic Recovery Act of 2008 ("HERA") which are in turn based on the national conforming loan limits (used by Fannie Mae and Freddie Mac for one-unit homes in the continental United States). HERA stipulated that the national conforming loans limits be established using a house price index chosen by the Federal Housing Finance Agent ("FHFA"). On November 12, 2009, the FHFA announced that the national conforming loan limit will remain at \$417,000 for calendar year 2010.

The most recently published safe harbor limitations for Average Area Purchase Prices for Single Family Residences in the State were as follows:

Condominium Projects

Under the Qualified Single Family Mortgage Program, Mortgage Loans on a limited number of condominium units which qualify for FHA insurance, VA or Rural Housing Service guarantees or PMI may be purchased. The aggregate principal amount of Mortgage Loans encumbering condominium units may not exceed 20% of the aggregate principal amount of all Mortgage Loans financed by the Bonds at the time such Mortgage Loans are originated or purchased.

Income Limits

An Applicant may be a Borrower for purposes of a Mortgage Loan only if such Applicant has a current Gross Annual Household Income which does not exceed the limits set forth in the Seller's Guide. Income limits determined by the Authority may be amended by the Authority from time to time without notice to Bondowners.

Homebuyer Education Requirement

Applicants for Mortgage Loans originated under the Qualified Single Family Mortgage Program will be required by the Authority (at the Authority's expense) to attend homebuyer education classes. Homebuyer education classes are intended to give Applicants a clearer understanding, among other

things, of their debt obligations. Applicants obtaining financing under the Authority's HomeAccess Program must attend the class prior to executing a contract with respect to the applicable property. Homebuyer education classes are offered statewide and at no cost to the Borrower by Authority-approved housing counseling agencies and housing authorities under contract with the Authority. Homebuyer education certificates are only valid for nine months from the date of the certificate through the date of the purchase contract. Pursuant to its contracts with such agencies, the Authority will pay up to certain amounts for the classroom education. Homebuyer education is also available online on the Authority's website. The Authority requires an online financial management class in connection with all refinancing programs. See "Special Program Features – Refinancing Programs" under this caption.

Mortgage Purchase Agreement

Each Mortgage Lender approved by the Authority to participate in the Authority's Single Family Mortgage Program has executed a Mortgage Purchase Agreement. Additional Mortgage Lenders may become eligible to participate and, if approved by the Authority, will enter into a Mortgage Purchase Agreement. Purchases of Mortgage Loans by the Authority from Mortgage Lenders are made pursuant to Mortgage Purchase Agreements, which in most cases incorporate by reference the terms and provisions of the Seller's Guide. A reservation of Mortgage Loan funds is for a specific Applicant, residence, Mortgage Loan amount and interest rate. The Seller's Guide provides that an origination fee equal to one percent (1%) of the aggregate principal amount of each First Mortgage Loan may be charged to a Borrower and Mortgage Lenders may receive an additional payment from the Authority as a servicing release fee and, in the case of First Mortgage Loans originated in non-metropolitan areas, an additional 50/100 of one percent (.50%) fee will be paid to Mortgage Lenders. In the case of Mortgage Loans originated in the HomeAccess Program, an additional one percent (1%) fee will be paid to Mortgage Lenders. Mortgage Lenders will also be paid one-hundred fifty dollars (\$150.00) for Second Mortgage Loans.

The Authority reserves the right to modify or otherwise change its procedures under the Program from time to time on the basis of its experience in order to meet changed conditions. To the extent that such modifications or changes are made, the Authority will be governed by the Act and by the covenants contained in the Indenture.

Seller's Guide

Each Mortgage Purchase Agreement (applicable only to Mortgage Loans other than Zero Interest First Mortgage Loans) incorporates by reference the Seller's Guide, including all of the terms, conditions, representations and warranties therein. The Seller's Guide describes the procedures for reservation, loan delivery and acquisition, and contains representations, warranties, covenants and agreements of the Mortgage Lender to the Authority, certain of which relate to: (i) the legality and validity of the Mortgage Loans and related documents; (ii) the existence and conveyance to the Authority of a valid lien (subject only to current taxes and assessments not yet due and payable, and encumbrances permitted by the Authority) on the Eligible Property, located in the State and held in fee simple; (iii) the absence of delinquencies with respect to payments on each Mortgage Loan; (iv) the absence of defaults under each Mortgage Loan; (v) the Mortgage Lender's right to sell each Mortgage Loan to the Authority; (vi) the existence and validity of hazard insurance on the Eligible Property in an amount equal to the lesser of (a) 100% of the replacement value of improvements (as established by the property insurer) or (b) the unpaid principal balance of the First Mortgage Loan plus any Second Mortgage Loan held by the Authority; provided, however, that under no circumstances may the amount of insurance be less than 80% of the replacement value of the improvements; (vii) compliance by the Mortgage Lender with all requirements relating to the insurance or guaranty of the Mortgage Loan; (viii) compliance with the applicable requirements of the Tax Code; and (ix) the requirement that any insurance or guaranty will inure to the benefit of the Authority. The Authority has the right to decline to purchase any Mortgage

Loan offered to it if, in the reasonable opinion of the Authority, the Mortgage Loan does not conform to the requirements of the Act or the Seller's Guide. See "Mortgage Purchase Agreement" under this caption.

The Seller's Guide may be amended or supplemented by the Authority from time to time without notice to the owners of the Bonds.

Servicing of the Mortgage Loans

Through its in-house servicing operations put into effect in 1997, the Authority is currently servicing its portfolios of single-family mortgage loans and intends to service all of the Mortgage Loans. The Authority has covenanted in the Indenture to service, or cause to be serviced, each Mortgage Loan in accordance with acceptable mortgage servicing practices of prudent lending institutions or in accordance with such other standards as are required to maintain the government mortgage insurance or guaranty or private mortgage insurance, as applicable, with respect to such Mortgage Loan. The Authority believes that it is servicing Mortgage Loans in compliance with this covenant. For more information concerning the Authority, see "COLORADO HOUSING AND FINANCE AUTHORITY" in this Supplement.

The Mortgage Purchase Agreement requires all originating Mortgage Lenders to sell to the Authority all of the loan servicing rights to the Mortgage Loans. In that connection, the Authority will in most cases retain an annual servicing fee of 30/100 of one percent (0.30%) of the outstanding balance of the First and Second Mortgage Loans (except that no servicing fee will be charged for Zero Interest Second Mortgage Loans and only a nominal administrative fee will be charged for Zero Interest First Mortgage Loans). In addition, the Authority plans to retain any and all investment earnings on the loan payments which accrue after such payments are received by the Authority but before the date the Authority is required by the Indenture to remit such payments to the Trustee.

The Authority begins servicing the Mortgage Loans after they have been purchased by the Authority. The Seller's Guide also gives the Authority the right to not purchase or transfer the servicing of certain Mortgage Loans back to the Mortgage Lender if the Mortgage Loan is not purchased within the time frames established by the Authority.

Loss Mitigation

For Mortgagors in default, the Authority actively seeks alternatives to foreclosure. The Authority is making use of HUD's loss mitigation procedures (see **Appendix I** – "INSURANCE AND GUARANTEE PROGRAMS; FORECLOSURE – FHA Insurance" to this Supplement) for all HUD loans, and follows the loss mitigation procedures for all other loan types as applicable. These loss mitigation alternatives include an informal or formal forbearance plan (depending on the length of the repayment period), a forbearance with a partial claim (FHA-insured loans only), loan modification, a preforeclosure sale, or a deed in lieu of foreclosure. The Authority also refers all Mortgagors in default to loan counselors for assistance. HUD evaluates loss mitigation efforts by loan servicers on a quarterly basis, six months in arrears. HUD assigns a tier ranking of one to four, with one being the highest ranking. The Authority's most recent ranking as a loan servicer is Tier 1.

Hazard Insurance

Each Mortgagor must maintain a hazard insurance policy covering loss against fire and hazards included within the term extended coverage.

In general, the standard form of fire and extended coverage policy covers physical damage to or destruction of a residence by fire, lightning, smoke, windstorm and hail, riot, strike and civil commotion, subject to the conditions and exclusions particularized in each policy. Although the policies relating to the Mortgage Loans may be underwritten by different insurers and therefore will not contain identical terms and conditions, the basic terms thereof are dictated by Colorado law. Most such policies typically do not cover any "physical damage" resulting from the following: war, revolution, governmental actions, earthquake, floods and other water-related causes, nuclear reactions, wet or dry rot, vermin, rodents, insects or domestic animals, theft and, in certain cases, vandalism. The foregoing list is merely indicative of certain kinds of uninsured risks and is not intended to be all-inclusive.

Most hazard insurance policies typically contain a "coinsurance" clause which will require the Mortgagor at all times to carry insurance of a specified percentage (generally 80% to 90%) of the full replacement value of the improvements on the residence in order to recover the full amount of any partial loss. If the coverage falls below the specified percentage, the insurer's liability in the event of partial loss would not exceed the larger of (i) the actual cash value of the improvements damaged or destroyed or (ii) such proportion of the loss as the amount of insurance carried bears to the specified percentage of the full replacement cost of such improvements. The effect of coinsurance in the event of partial loss may be that hazard insurance proceeds will be insufficient to restore fully the damage to the Eligible Property.

Special Program Features

Zero Interest First Mortgage Loans

The Authority may use amounts in the subaccount of the Acquisition Account to acquire as Mortgage Loans certain loans referred to as "Zero Interest First Mortgage Loans." Zero Interest First Mortgage Loans are loans which have been made by a non-profit organization to Borrowers in principal amounts equal to the cost of construction of the dwelling, with no interest. The Borrowers are expected to contribute over 400 hours of "sweat equity" into the construction of the dwelling in lieu of a down payment. The annual repayment obligation of Zero Interest First Mortgage Loans will be based on 25% of the respective Borrower's gross annual household income and the respective maturities of the Zero Interest First Mortgage Loans will be derived as a result of the repayment terms. The Zero Interest First Mortgage Loans will not be insured or guaranteed and do not need to meet any loan-to-value ratios. However, in the event of default, the Borrower is required to substitute the defaulted Zero Interest First Mortgage Loan with a comparable performing Zero Interest First Mortgage Loan. Zero Interest First Mortgage Loans are purchased by the Authority, and they may have cash assistance or a second mortgage loan from other entities. Terms of the Zero Interest First Mortgage Loans may be amended from time to time and the level of such Zero Interest First Mortgage Loans so acquired may be determined by the Authority, to the extent consistent with the then current Cash Flow Statement and Authority Certification required by the related Series Indenture to demonstrate that the Class I Asset Requirement, the Class II Asset Requirement and the Class III Asset Requirement for the particular Series of Bonds will be met after taking into account such terms and level. The Authority charges a small one-time, up-front administrative fee for each Zero Interest First Mortgage Loan.

HomeAccess Program

The Authority may use amounts in the Acquisition Account to acquire Mortgage Loans originated under the Authority's HomeAccess Program, which is intended to assist persons with disabilities or the parents of a disabled child to achieve homeownership. Under the HomeAccess Program, very low-income persons with disabilities or the parents of a disabled child may receive First Mortgage Loans (referred to herein as "HomeAccess Loans") at current market rates. A Mortgage Loan in the HomeAccess Program will be made only to a Borrower who makes a cash contribution of at least

\$750 or \$500 with automatic checking account payments and who meets certain income limits lower than those established for Borrowers of other First Mortgage Loans. The Authority may provide certain Borrowers under the HomeAccess Program with a Second Mortgage Loan for downpayment and closing cost assistance of up to \$25,000. The HomeAccess Second Mortgage Loans bear interest at an annual interest rate of 0% with repayment deferred for three-hundred sixty (360) months, then repaid at two hundred dollars (\$200) per month thereafter. Terms of the Mortgage Loans made under the HomeAccess Program may be amended from time to time and the level of such Mortgage Loans so acquired may be determined by the Authority, to the extent consistent with the then current Cash Flow Statement and Authority Certification required by the related Series Indenture to demonstrate that the Class I Asset Requirement, the Class II Asset Requirement and the Class III Asset Requirement for the particular Series of Bonds will be met after taking into account such terms and level.

SectionEight and SectionEight Plus Programs

The Authority may use amounts in the Acquisition Account to acquire Mortgage Loans originated under the Authority's SectionEight and SectionEight Plus Programs. Under its SectionEight Program, the Authority may make 30-year Mortgage Loans to first time homebuyers that meet certain income limit requirements, for eligible property not exceeding certain purchase price limits, and subject to certain other restrictions. Persons who receive Housing Assistance Payments ("HAP") from Public Housing Authorities ("PHA") and who are approved to participate in a PHA's homeownership programs may be eligible to participate in the Authority's SectionEight and SectionEight Plus Programs. Under the SectionEight Plus Program, the Authority may make Second Mortgage Loans to eligible borrowers to finance a down payment and/or closing costs.

JumpStart Tax Credit Program

The Authority may use amounts in the Acquisition Account to acquire Mortgage Loans originated under the Authority's JumpStart Tax Credit Program. In order to give borrowers access to the First Time Homebuyer Tax Credit made available under the American Recovery and Reinvestment Act of 2009, the Authority created the JumpStart Tax Credit Program, a statewide First and Second Mortgage Loan program available to first time homebuyers. Under the JumpStart Tax Credit Program, the Authority may make First and Second Mortgage Loans to eligible borrowers that meet certain income limit requirements to purchase eligible property not exceeding certain purchase price limits, and subject to certain other restrictions. A JumpStart Tax Credit First Mortgage Loan is payable on a monthly basis over a thirty year term. Second Mortgage Loans available under the JumpStart Tax Credit Program may be used for down payments and/or closing costs. Eligible Borrowers may receive a Second Mortgage Loan in an amount of up to three and one-half percent (3.5%) of the First Mortgage Loan amount or \$6,000, whichever is less. The First Time Homebuyer Tax Credit was extended in the Worker. Homeownership and Business Assistance Act of 2009 ("WHBAA"). Certain borrowers who close on the purchase of a residence on or before April 30, 2010, or enter into a binding contract on or before April 30, 2010 and close on or before June 30, 2010, may be eligible for the tax credit. The Authority extended its JumpStart Tax Credit Program in accordance with the WHBAA Extension under the JumpStart2 Program. A JumpStart2 Mortgage Loan is only available in conjunction with a JumpStart2 Tax Credit First Mortgage Loan. Interest on a Second Mortgage Loan under the JumpStart2 Tax Credit Program is payable at a zero percent (0%) interest rate only until December 31, 2010, after which interest must be paid on a monthly basis over a ten year term at an annual interest rate of eight percent (8%).

Second Mortgage Loans

Proceeds of certain Bonds have in the past been used by the Authority to acquire Second Mortgage Loans made to Borrowers of First Mortgage Loans. The Authority expects in the future to offer

Second Mortgage Loans under the Single Family Mortgage Programs and to fund such Second Mortgage Loans with Bond proceeds, including such Second Mortgage Loans made to Borrowers of First Mortgage Loans as well as Second Mortgage Loans originated under the Master Indenture in connection with first mortgage loans purchased and pledged to repay certain GNMA Securities expected to be issued by the Authority. Under most programs, Second Mortgage Loans have been and will be originated for three percent (3%) of the first mortgage loan amount at a zero percent (0%) interest rate or on an interestbearing basis, with a term of thirty (30) or forty (40) years. See Appendix B-2 to this Supplement for information regarding the outstanding Second Mortgage Loans under the Master Indenture. Generally, Second Mortgage Loans are due in full upon the sale of the property, the refinance of the related First Mortgage Loan, payment in full of the related First Mortgage Loan, default of the related First Mortgage Loan, transfer of title, or if the property is no longer the Borrower's principal residence. Repayment of the entire balance of the Second Mortgage Loan is due in month three-hundred sixty (360) or fourhundred eighty (480) (after repayment of the thirty (30) or forty (40) year first mortgage loan). The Second Mortgage Loan can be prepaid in full or in part at any time without penalty. The Second Mortgage Loan is assumable, subject to the assumptor's eligibility as it relates to the applicable Program Income Limits at the time of assumption, the assumptor's first-time homebuyer status (as applicable), and approval of the Authority.

The percentage and aggregate amounts available from Bond proceeds for acquisition of such Second Mortgage Loans from time to time must be at levels consistent with the then current Cash Flow Statements and Authority Certification required by the related Series Indenture to demonstrate that the Class I Asset Requirement, the Class II Asset Requirement and the Class III Asset Requirement for the particular Series of Bonds will be met after taking into account such levels for Second Mortgage Loans.

Refinancing Programs

Proceeds of the Bonds (or amounts exchanged therefor) provide funding for the Authority's mortgage purchase activities under the Single Family Mortgage Programs. The Authority is using, and in the future plans to use, such proceeds and exchanged amounts to fund mortgage refinancing activities. At this time, the Authority offers its Hardship Refinance Program for Eligible Borrowers who have experienced a significant life event and expects to offer a new 30-year, FHA insured, cash out refinancing program to be used for borrowers who wish to combine existing first and second mortgage loans, the proceeds of which were used to acquire an Eligible Property. Any such refinancing programs as part of the Program may result in the prepayment of outstanding mortgage loans, including the Mortgage Loans, with a corresponding redemption at par of Bonds secured by such Mortgage Loans in accordance with the redemption provisions of the related Series Indenture. See "Part II – CERTAIN BONDOWNERS' RISKS – Considerations Regarding Redemption" in the respective Official Statements.

Community Land Trust Program

The Authority uses proceeds of Bonds to acquire First Mortgage Loans with a first lien on residences built on leased ground in connection with a Community Land Trust. The remaining term of the ground leases will not be less than the term for repayment of the Bonds secured by the First Mortgage Loans. The Community Land Trust's ground lease may include certain resale restrictions to limit future property purchasers to low and moderate families or to limit the maximum sales price of the property. The Authority will require appropriate recorded documentation such as a Land Lease Rider (the "Rider") among the Borrower, the Authority and the Community Land Trust which will provide that such restrictions will terminate automatically on foreclosure of, or acceptance of a deed-in-lieu of foreclosure for, the leasehold mortgage. The documentation will also provide that in no event shall the leasehold terminate except for (1) nonpayment of amounts due under the lease; (2) violation of the restrictions on sale; and (3) violation of the requirement that the Borrower occupy the land as their primary residence.

The documentation shall give the Authority the prior right to cure any such default without terminating the lease or to foreclose its mortgage, at which point a new lease between the Authority and the Community Land Trust will be automatically created.

Payment of Recapture Tax

The Authority has established a reimbursement program for certain current and new Borrowers that may be subject to paying a recapture tax under the Internal Revenue Code (the "Recapture Tax"). The Internal Revenue Code mandates, under certain circumstances, a "recapture" of some of the subsidy received by a Borrower through borrowing under the Authority's tax-exempt mortgage revenue bond funded loan programs. A payment of Recapture Tax may be required if (i) the Authority financed property ceases to be the Borrower's principal residence in the first full nine years of ownership; (ii) there is a profit on the sale of the home; and (iii) the Borrower's household income increases significantly (generally more than five percent (5%) per year). Upon receipt of proof that a Borrower who was subject to a Recapture Tax actually paid to the IRS the Recapture Tax, the Authority will reimburse the Borrower the amount paid upon satisfaction of certain conditions. The reimbursement will be paid from general funds of the Authority. The Authority has evaluated the risks associated with this reimbursement program and determined that the likelihood is relatively low that a Borrower will be required to pay a Recapture Tax and that the Authority will subsequently have to reimburse such Borrower.

FORWARD-LOOKING STATEMENTS

This Supplement contains statements relating to future results that are "forward-looking statements" as defined in the Private Securities Litigation Reform Act of 1995. When used in this Supplement, the words "estimate," "forecast," "intend," "expect," "project," "budget," "plan" and similar expressions identify forward-looking statements.

THE ACHIEVEMENT OF CERTAIN RESULTS OR OTHER EXPECTATIONS CONTAINED IN SUCH FORWARD-LOOKING STATEMENTS INVOLVE KNOWN AND UNKNOWN RISKS, UNCERTAINTIES AND OTHER FACTORS WHICH MAY CAUSE ACTUAL RESULTS, PERFORMANCE OR ACHIEVEMENTS DESCRIBED TO BE MATERIALLY DIFFERENT FROM ANY FUTURE RESULTS, PERFORMANCE OR ACHIEVEMENTS EXPRESSED OR IMPLIED BY SUCH FORWARD-LOOKING STATEMENTS. THE AUTHORITY DOES NOT PLAN TO ISSUE ANY UPDATES OR REVISIONS TO THOSE FORWARD-LOOKING STATEMENTS IF OR WHEN ITS EXPECTATIONS, OR EVENTS, CONDITIONS OR CIRCUMSTANCES ON WHICH SUCH STATEMENTS ARE BASED OCCUR.

RATINGS

Moody's Investors Service ("**Moody's**") and Standard & Poor's Ratings Services, a Division of The McGraw-Hill Companies, Inc. ("**S&P**"), are expected to give the Remarketed Bonds ratings of "Aaa/VMIG 1" and "AAA/A-1+," respectively, based on the delivery of the Facility by the Facility Provider. Moody's and S&P have given the Remarketed Bonds the underlying long-term ratings of "Aaa" and "AAA," respectively. Such ratings reflect only the views of Moody's and S&P, respectively, at the time such ratings are given, and are not a recommendation to buy, sell or hold the Remarketed Bonds. The Authority makes no representation as to the appropriateness of such ratings. An explanation of the significance of the ratings given by Moody's and S&P, respectively, may be obtained from Moody's and S&P, respectively. Generally, a rating agency bases its rating on the information and materials furnished

to it and on investigations, studies and assumptions of its own. There is no assurance that any such rating will continue for any given period of time or that any such rating will not be revised downward or withdrawn entirely by Moody's or S&P, respectively, if, in the judgment of the issuing rating agency, circumstances so warrant. Any such downward revision or withdrawal of any such rating may have an adverse effect on the marketability or market price of the Remarketed Bonds. The Authority has no obligation to oppose, or to provide Owners of the Remarketed Bonds with notice of, any such revision or withdrawal of a rating.

LITIGATION

In connection with the remarketing of the Remarketed Bonds, the Authority will deliver an opinion of its in-house counsel to the effect that no litigation before any court is pending or, to his knowledge, threatened against the Authority in any way affecting the existence of the Authority or the titles of its officers to their respective offices, or seeking to restrain or to enjoin the remarketing of the Remarketed Bonds, or which would materially adversely affect the financial condition of the Authority, or in any way contesting or affecting the validity or enforceability of the Remarketed Bonds, the Indenture or the Remarketing Agreement.

CERTAIN RELATIONSHIPS OF PARTIES

Barclays Capital Inc. is acting the Remarketing Agent for the Remarketed Bonds. Barclays Capital Inc. is also acting as the Special Advisor to the Authority in connection with the NIB Program discussed under the caption "COLORADO HOUSING AND FINANCE AUTHORITY – Obligations of the Authority – Single Family Mortgage Program" in this Supplement. Barclays Bank PLC, an affiliate of Barclays Capital Inc., is the counterparty to the Authority under certain derivatives described in **Appendix B-1** to this Supplement and described in footnote (7) of the audited 2008 financial statements of the Authority. Barclays Bank PLC is also the provider of a Liquidity Facility in connection with certain Bonds (other than the Remarketed Bonds) as described in **Appendix B-1** to this Supplement.

LEGAL MATTERS

In connection with the remarketing of the Remarketed Bonds, Sherman & Howard L.L.C., as Bond Counsel to the Authority, will deliver the opinion described in "TAX MATTERS UPON REMARKETING" of this Supplement. Hogan & Hartson LLP will pass upon certain legal matters relating to the Remarketed Bonds as Disclosure Counsel to the Authority. Certain legal matters will be passed upon for the Authority by its in-house counsel. Bookhardt & O'Toole will pass upon certain matters for the Remarketing Agent. Certain legal matters will be passed upon for the Facility Provider by its counsel, Kutak Rock LLP.

Neither Sherman & Howard L.L.C., Hogan & Hartson LLP nor Bookhardt & O'Toole participated in any independent verification of the information concerning the financial condition or capabilities of the Authority contained in this Supplement.

TAX MATTERS UPON REMARKETING

The form of opinion of Bond Counsel delivered in connection with the issuance of each of the Series of Remarketed Bonds is contained as Appendices to the respective Official Statements. Bond Counsel has not undertaken to update its approving opinion delivered in connection with the issuance of each of the Series of Remarketed Bonds. However, in connection with the remarketing of the Remarketed Bonds, Bond Counsel will deliver its opinion to the effect that the delivery of the Credit and Liquidity Facility to the Trustee is permitted under the Indenture and will not, in and of itself, adversely affect the exclusion from gross income of interest on the Remarketed Bonds for federal tax purposes.

⁽¹⁾ A portion of these Bonds represent the Remarketed Bonds as shown on the inside cover page of this Supplement. The principal amounts of these Bonds which will remain outstanding after December 16, 2009 (in the aggregate principal amount of \$14,655,000) are owned by the Authority and will be cancelled.

⁽²⁾ These Bonds are expected to be remarketed on January 6, 2010.

⁽³⁾ These Bonds are expected to be remarketed on January 7, 2010.

⁽⁴⁾ Certain of these Bonds (in the aggregate principal amount of \$129,345,000) are expected to be redeemed by the Authority on or about December 23, 2009.

The Outstanding Auxiliary Obligations

The Auxiliary Obligations under the Master Indenture are the obligations of the Authority for the payment of money under Liquidity Facilities and Interest Rate Contracts.

Liquidity Facilities

The Authority has previously entered into Standby Bond Purchase Agreements (constituting Liquidity Facilities under the Master Indenture) among the Authority, the Paying Agent and a Liquidity Facility Provider. The following table describes the Liquidity Facility currently in effect with respect to each outstanding Series of Adjustable Rate Bonds under the Master Indenture, the name of the Liquidity Facility Provider and the expiration date (unless extended or earlier terminated).

Any payments or receipts received by the Authority under the Interest Rate Contracts are pledged under the Master Indenture as Revenues, as described in "Part II – SECURITY FOR THE BONDS AND AUXILIARY OBLIGATIONS – Revenues" and "– Interest Rate Contracts" in the Official Statement. Other than in the case of the Interest Rate Contract relating to the Single Family Mortgage Adjustable Rate Class II Bonds, 2007 Series B-3, the Authority's obligation to make regular interest payments to the counterparties under each of the Interest Rate Contracts constitutes a Class I Obligation under the Master Indenture, secured on parity with the lien on the Trust Estate of the other Class I Obligations. The Authority's obligation to make termination payments under each of the Interest Rate Contracts in the event of early termination is a general obligation of the Authority and not secured by the Trust Estate under the Master Indenture. See "CERTAIN BONDOWNERS' RISKS – Risks Related to Interest Rate Contracts" and "COLORADO HOUSING AND FINANCE AUTHORITY – Obligations of the Authority" in this Supplement. See footnote (7) to the audited 2008 financial statements of the Authority.

⁽¹⁾ As of November 1, 2009.

⁽²⁾ These Interest Rate Contracts have been entered in place of interest rate swap agreements previously existing between the Authority and certain affiliates of Lehman Brothers Inc. which have been terminated by the Authority.

⁽³⁾ These Interest Rate Contracts relate to the Remarketed Bonds.

Zions First National Bank, as Trustee and Tender Agent 1001 Seventeenth Street, Suite 1050 Denver, CO 80202]

At the request of Colorado Housing and Finance Authority (the "Issuer"), Fannie Mae ("Fannie Mae") and Federal Home Loan Mortgage Corporation ("Freddie Mac") (Fannie Mae and Freddie Mac are referred to herein as the "GSEs" and each, a "GSE") issue this standby irrevocable, temporary Credit and Liquidity Facility (the "Credit and Liquidity Facility") to Zions First National Bank (the "Trustee"), not in its individual or corporate capacity but solely as Trustee for the owners of the Bonds issued in the one or more series set forth on Schedule 1 attached hereto (each a "Series of Bonds" or "Bond Series" and together, the "Bonds") pursuant to the Indenture of Trust (as amended and supplemented in accordance with its terms, the "Indenture") dated as of December 16, 2009 between the Issuer and the Trustee.

1. **Definitions**. Capitalized terms used in this Credit and Liquidity Facility have the meanings given to those terms in this Section 1 or elsewhere in this Credit and Liquidity Facility.

"Administrator" means the entity designated by the GSEs to act as their administrative agent relative to this Credit and Liquidity Facility, initially U.S. Bank, National Association.

"Advance" means a Debt Service Advance, a Liquidity Advance or a Mandatory Tender Advance.

"Affiliate" as applied to any person, means any other person directly or indirectly controlling, controlled by, or under common control with, that person. For the purposes of this definition, "control" (including with correlative meanings, the terms "controlling," "controlled by" and "under common control with"), as applied to any person, means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of that person, whether through the ownership of voting securities, partnership interests or by contract or otherwise.

"Amount Available" has the meaning given that term in Section 2.

"Bank Bond" means any Bond during the period from and including the date of its purchase with the proceeds of a Liquidity Advance or a Mandatory Tender Advance, to, but excluding, the date on which the Principal Portion and the Interest Portion related to such Liquidity Advance made by the GSEs on account of such Bank Bond is reinstated under this Credit and Liquidity Facility.

"Business Day" means any day other than:

- (a) a Saturday or a Sunday;
- (b) any day on which banking institutions located in the City of New York, New York are required or authorized by law or executive order to close;
- (c) any day on which banking institutions located in the city or cities in which the principal or other designated corporate trust office of the Trustee or the Administrator is located are required or authorized by law or executive order to close;
- (d) prior to the date upon which the interest rate on the Bonds adjusts to a fixed rate mode, a day on which the New York Stock Exchange or the Federal Reserve Bank of New York is closed or on which banking institutions located in the city in which the Remarketing Agent is located are required or authorized by law or executive order to close; or
 - (e) any day on which either of the GSEs is closed.

"Certificate" means any certificate in the form attached to this Credit and Liquidity Facility as an Exhibit or such other form as provided in Section 3. If the certificate is submitted to the GSEs by personal delivery or by telecopy, the certificate must be signed by one who purports to be an authorized signatory of the Trustee. If the certificate is submitted to the GSEs in any other medium (such as e-mail or a web based medium), the certificate must be authenticated as provided in the related Presentation Protocol.

"Credit Enhancement Advance" means a Debt Service Advance.

"Credit and Liquidity Facility" means this Credit and Liquidity Facility as the same may be amended, supplemented or restated from time to time.

"Debt Service Advance" has the meaning given that term in Section 3.

"Effective Date" means, with respect to a Series of Bonds, the date on which the obligation of the GSEs to make Advances with respect to a Series of Bonds commences as set forth in Section 7(b). Each Series of Bonds may have a separate Effective Date applicable to that Series of Bonds. The GSEs shall not be obligated to make Advances with respect to a Series of Bonds unless and until any mandatory tender required to occur on the Effective Date has actually occurred.

"Excluded Bond" means any Bond which is not Outstanding (as that term is defined in the Indenture), any Bond registered in the name of or otherwise owned, directly or indirectly, by the Issuer or any Affiliate of the Issuer or any Bank Bond.

"Expiration Date" means, subject to Section 7(c), the date the obligation of the GSEs to make Advances with respect to a Series of Bonds expires as provided in Section 7(a), if not earlier terminated. Each Series of Bonds may have a separate Expiration Date applicable to that Series of Bonds.

- "Interest Portion" has the meaning given that term in Section 2.
- "Liquidity Advance" has the meaning given that term in Section 3.
- "Mandatory Tender" means any mandatory tender of Bonds required by the Indenture.
- "Mandatory Tender Advance" has the meaning given that term in Section 3.
- "Maturity Date" means, with respect to a Series of Bonds, the Maturity Date set forth in Schedule 1.
 - "Maximum Rate" has the meaning set forth in the Indenture.
 - "Optional Tender" means any optional tender of any Bond pursuant to the Indenture.
- "Presentation Protocol" means an agreement between either of the GSEs and the Trustee regarding one or more media through which the Trustee may present Certificates to that GSE under this Credit and Liquidity Facility, as such agreement may be amended, supplemented or restated from time to time.
 - "Principal Portion" has the meaning given that term in Section 2.
- "Reimbursement Agreement" means the Reimbursement Agreement, dated as of the date hereof, between the GSEs, the Trustee and the Issuer, as such agreement may be amended, supplemented or restated from time to time.
 - "Remarketing Agent" means the remarketing agent under the Indenture.
- "Tender Agent" means Zions First National Bank, a national banking association, duly organized and existing under the laws of the United States of America not in its individual or corporate capacity, but solely as tender agent under the Indenture, or any permitted successor tender agent under the Indenture.
- "Termination Date" means, with respect to a Series of Bonds and subject to Section 7(c), the date on which the obligation of the GSEs to make Advances with respect to a Series of Bonds terminates as provided in Section 7(b). Each Series of Bonds may have a separate Termination Date applicable to that Series of Bonds.
- "Treasury's Agent" means the entity identified to the Trustee by the GSEs as designated by the U.S. Department of the Treasury to act as its agent with respect to this Credit and Liquidity Facility, initially JPMorgan Chase Bank, National Association.
- "Trustee" means Zions First National Bank, a national banking association, duly organized and existing under the laws of the United States of America not in its individual or corporate capacity, but solely as trustee under the Indenture, or any permitted successor trustee under the Indenture.
- "Weekly Variable Rate" means the variable rate of interest per annum for a Series of Bonds determined from time to time during the related Weekly Rate (as that term is defined in the Indenture) in accordance with the Indenture.
- 2. **Amount Available**. With respect to a Series of Bonds and subject to the terms and conditions of this Credit and Liquidity Facility, each GSE irrevocably authorizes the Trustee to draw in an amount on each of the GSEs, from time to time, an amount which is (i) equal as to each GSE and (ii) the

aggregate of which does not exceed the Amount Available set forth for such Series of Bonds on Schedule 1 (as such amount may be reduced or reinstated from time to time in accordance with Section 8, the "Amount Available"), of which:

- (a) up to the Principal Portion set forth for such Series of Bonds on Schedule 1 (the "Principal Portion") may be drawn with respect to the unpaid principal of that Series of Bonds or, as the case may be, the principal portion of the purchase price of that Series of Bonds; and
- (b) up to the Interest Portion set forth for such Series of Bonds on Schedule 1 (the "Interest Portion"), or the number of days interest on the Bonds set forth on Schedule 1 (calculated at an assumed rate per annum on the Bonds as set forth on Schedule 1, using the day count basis set forth in Schedule 1), may be drawn with respect to interest due and owing on the next payment date with respect to that Series of Bonds or, as the case may be, the interest portion of the purchase price of that Series of Bonds.
- 3. **Advances**. Each demand for an Advance shall be made if the Trustee does not have sufficient available funds under the Indenture or otherwise to make the payment for which the Advance is required by the Trustee's presentation to the GSEs of a Certificate. Each Certificate shall relate to a single Series of Bonds.
 - (a) *Credit Enhancement Advances*. Credit Enhancement Advances shall be in the form of Exhibit A to pay (A) principal of any Bond (other than Excluded Bonds) due as a result of acceleration, defeasance, redemption, stated maturity and/or (B) interest on any Bond (other than Excluded Bonds) on or prior to their stated maturity date (the "Debt Service Advance").
 - (b) *Mandatory Tender Advance*. Mandatory Tender Advances shall be in the form of Exhibit B to pay the purchase price of, including principal of, plus accrued interest on, any Bond (other than Excluded Bonds) due as a result of a Mandatory Tender which Bond is not remarketed by the Remarketing Agent (the "Mandatory Tender Advance").
 - (c) *Liquidity Advances*. Liquidity Advances shall be in the form of Exhibit C to pay the purchase price of, including principal of, plus accrued interest on, any Bond (other than Excluded Bonds) subject to an Optional Tender which Bond is not remarketed by the Remarketing Agent (the "Liquidity Advance").
 - (d) All Advances. Any Certificate submitted by the Trustee shall have all blanks appropriately completed, all applicable boxes checked and shall be signed by one who states therein that he or she is an authorized signatory of the Trustee.

Neither demands for, nor Advances, may be made under this Credit and Liquidity Facility to pay (i) principal of, interest on or the purchase price of, any Excluded Bond, (ii) premium that may be payable upon the redemption of any of the Bonds or (iii) interest that may accrue on any of the Bonds on or after the maturity of such Bond.

The GSEs may amend the form of any Certificate or delete any of the information, statements and certifications set out in the form of any Certificate to accommodate the sending of such Certificate by a medium pursuant to a Presentation Protocol. No such amendment may (i) require any additional information, statement or certification than that required by such form of certificate attached to this Credit and Liquidity Facility on the date of issuance, (ii) modify the timing for the presentation of such Certificate, and the payment thereof or (iii) require personal delivery with respect to the presentation of any Certificate with respect to which payment is to be made on the same Business Day.

4. **Presentation of Certificates**. Each Certificate must be presented to the GSEs by contemporaneous presentation to both Fannie Mae and Freddie Mac as follows:

(a) **Presentation to Fannie Mae**:

- (i) Email to hfa_credit&liquidity_notices@fanniemae.com immediately followed by copy of the Certificate to telephone number 202-752-6853 (which fax transmission notice shall not be a condition to a Certificate conforming to the terms and conditions of this Credit and Liquidity Facility for purposes of Section 5); or
- (ii) such other medium as Fannie Mae and the Trustee may agree in a Presentation Protocol from time to time.

(b) **Presentation to Freddie Mac**:

- (i) email to hfa_credit&liquidity_notices@freddiemac.com immediately followed by telephonic notice to (703) 903-2000 (which telephonic notice shall not be a condition to a Certificate conforming to the terms and conditions of this Credit and Liquidity Facility for purposes of Section 5); or
- (ii) such other medium as Freddie Mac and the Trustee may agree in a Presentation Protocol from time to time.
- (c) Generally. A Presentation Protocol may provide that the Trustee may not submit a Certificate by telecopy after a stated date or may only submit Certificates by telecopy after a certain date with the prior written permission of the GSEs, in which case subsections (a) and/or (b) shall be automatically deemed amended to that effect. Each Certificate shall also be presented to Treasury's Agent and the Administrator by personal delivery at the addresses specified on the Certificate or by telecopy to the phone numbers specified thereon. Such addresses or phone numbers may be modified by notice from the GSEs to the Trustee. Failure by the Trustee to properly deliver a Certificate to Treasury's Agent and/or the Administrator will not invalidate a Certificate for purposes hereof or excuse performance hereunder by a GSE.

The GSEs will notify the Trustee in writing of any change in address or telecopy number to which all Certificates must be delivered or of any change relating to the person to be called for telephonic notices confirming telecopy communications. Any such written notice shall be effective upon receipt by the Trustee. The GSEs shall also notify the Trustee in writing of any change in the identity or notice address information of Treasury's Agent or the Administrator.

- 5. **The GSEs' Engagement**. Upon due receipt by a GSE of a Certificate completed with respect to a particular Series of Bonds conforming to the terms and conditions of this Credit and Liquidity Facility, such GSE will honor payment of the amounts specified in such Certificate if presented as specified below on or before the earlier of the Expiration Date or Termination Date:
 - (a) If a presentation in respect of a Debt Service Advance is made:
 - (i) at or prior to 12:00 noon Eastern time on a Business Day, payment shall be made to the Trustee in the amount specified no later than 2:00 p.m. Eastern time on the second following Business Day.

- (ii) after 12:00 noon Eastern time on a Business Day, payment shall be made to the Trustee in the amount specified no later than 2:00 p.m. Eastern time on the third following Business Day.
- (b) If a presentation in respect of a Mandatory Tender Advance is made:
- (i) at or prior to 10:30 a.m. Eastern time on a Business Day, payment shall be made to the Trustee in the amount specified no later than 2:00 p.m. Eastern time on the next following Business Day.
- (ii) after 10:30 a.m. Eastern time on a Business Day, payment shall be made to the Trustee in the amount specified no later than 2:00 p.m. Eastern time on the second following Business Day.
- (c) If a presentation in respect of a Liquidity Advance is made:
- (i) at or prior to 10:30 a.m. Eastern time on a Business Day, payment shall be made to the Trustee in the amount specified no later than 2:00 p.m. Eastern time on the same Business Day.
- (ii) after 10:30 a.m. Eastern time on a Business Day, payment shall be made to the Trustee in the amount specified no later than 2:00 p.m. Eastern time on the next following Business Day.

All Advances made under this Credit and Liquidity Facility will be made with the GSEs' own funds in immediately available funds.

6. **Nonconforming Draw**. If a demand for payment under this Credit and Liquidity Facility made by the Trustee does not conform to the terms and conditions of this Credit and Liquidity Facility, the GSEs will notify the Trustee of such lack of conformity promptly after delivery of such demand for payment, such notice to be promptly confirmed in writing to the Trustee, and the GSEs shall hold all documents at the Trustee's disposal or, at the Trustee's option, return the same to the Trustee. The Trustee may attempt to correct the nonconformity and resubmit the demand for payment in accordance with this Credit and Liquidity Facility.

7. **Expiration and Termination**:

- (a) Effective Date and Expiration Date. Subject to subparagraph (c), the obligation of the GSEs to make Advances with respect to a Series of Bonds under this Credit and Liquidity Facility shall (i) commence at 9:00 a.m. Eastern time on the Effective Date applicable to such Series of Bonds as set forth in Schedule I (the "Effective Date") and (ii) expire at 4:00 p.m. Eastern time on the Expiration Date applicable to such Series of Bonds as set forth on Schedule 1 (the "Expiration Date").
- (b) **Termination Before Expiration Date**. Subject to subparagraph (c), the obligation of the GSEs to make Advances with respect to a Series of Bonds under this Credit and Liquidity Facility shall automatically terminate prior to the Expiration Date related to such Series of Bonds on the first to occur of: (i) the honoring by the GSEs of a Debt Service Advance (in the form of Exhibit A) which automatically and permanently reduces the Principal Portion applicable to that Series of Bonds to zero; (ii) the honoring by the GSEs of a Mandatory Tender Advance made in connection with a Mandatory Tender which the GSEs have required pursuant to

Section 8.13(b) of the Reimbursement Agreement; (iii) the GSEs' receipt of a Certificate in the form of Exhibit D (which shall be conclusive evidence of the matters set forth therein); or (iv) the close of business on the date which is one Business Day after conversion by the Issuer of the interest rate mode on the entire Series of Bonds to an interest rate mode other than seven day variable rate. The date determined in the preceding sentence is the "Termination Date" applicable to that Series of Bonds.

- (c) **Business Day Convention**. In the event that any date on which the Expiration Date or the Termination Date would otherwise occur is not a Business Day, such date shall be 4:00 p.m. Eastern time on the next following Business Day.
- (d) **Delivery**. The Trustee shall deliver this Credit and Liquidity Facility to the GSEs for cancellation immediately upon the date upon which the GSEs' obligations under this Credit and Liquidity Facility cease pursuant to the terms of Section 7(b).
- 8. **Reduction and Reinstatement of Amount Available**. The Amount Available with respect to a Series of Bonds shall be reduced or reinstated from time to time in accordance with this Section.
 - (a) Automatic Reduction on Making any Advance. The Amount Available for a Series of Bonds shall be reduced automatically by the amount of each related Advance paid by a GSE, notwithstanding any act or omission, whether authorized or unauthorized, of the Trustee or any officer, director, employee or agent of the Trustee in connection with any Advance or the proceeds of such Advance or otherwise in connection with this Credit and Liquidity Facility. Each reduction shall be permanent or subject to reinstatement as provided in this Section. Such reduction shall be applied to the related Principal Portion for the Advance to which the reduction relates by the amount of such Advance and to the related Interest Portion by an amount equal to a proportionate amount of the permanent reduction of the Principal Portion.

In the event one GSE makes an Advance but the other GSE fails to make its related equal Advance, the automatic reduction of the Amount Available shall apply solely to the Amount Available which is obligated to be paid by the GSE which made the required Advance. In the event one GSE makes an Advance in full and the other GSE fails to make a part of its related equal Advance, the automatic reduction of the Amount Available shall apply in full to the Amount Available which is obligated to be paid by the GSE which made the required Advance in full and in part to the Amount Available which is obligated to be paid by the GSE which made the Required Advance in part to the extent of such partial payment.

- (b) **Permanent Reduction on Account of Issuer Payment**. The Principal Portion, and Interest Portion related to a Series of Bonds shall be reduced automatically and permanently upon payment by the Issuer of any principal with respect to such Series of Bonds as follows:
 - (i) the Principal Portion will be reduced by the amount of such payment or, if applicable, the principal component of any redemption or other payment; and
 - (ii) the Interest Portion will be proportionately reduced based on the amount of the related permanent reduction of the Principal Portion.
- (c) **Reduction on Notice from the Trustee**. The Amount Available for a Series of Bonds shall be reduced automatically by the amounts specified in any Certificate in the form of Exhibit E which is delivered to the GSEs. The Trustee shall furnish to the GSEs an appropriately

completed Exhibit E in connection with each such reduction. Such reduction shall be applied to the related Principal Portion and the Interest Portion as set out in the Certificate.

- (d) **Reinstatement of Interest Portion for Debt Service Advance**. Except for a permanent reduction of the Interest Portion under subsection (b)(ii) or (c), the amount of the Interest Portion reduced by the interest component of a related Debt Service Advance shall be reinstated immediately and automatically upon the making of such Debt Service Advance.
- (e) Reinstatement of Liquidity Advance and Mandatory Tender Advance. The Principal Portion for a Series of Bonds and the Interest Portion for a Series of Bonds shall be reinstated after each related Liquidity Advance and each related Mandatory Tender Advance upon receipt by the GSEs of money equal to the amount by which the Trustee requests the GSEs to increase that Principal Portion and that Interest Portion in a Certificate of Reinstatement in the form of Exhibit F.

Upon any permanent reduction of the Amount Available for a Series of Bonds, the GSEs may deliver to the Trustee a substitute Schedule 1 in exchange for the Schedule 1 attached to this Credit and Liquidity Facility, reflecting an amount available equal to the then current Amount Available, but otherwise having terms identical to the Schedule 1 attached to this Credit and Liquidity Facility.

- 9. **Discharge of Obligations**. Only the Trustee may demand an Advance under this Credit and Liquidity Facility. Upon payment by a GSE to the Trustee of the amount specified in any Certificate presented under this Credit and Liquidity Facility, such GSE shall be fully discharged of its obligations under this Credit and Liquidity Facility with respect to such Certificate and such GSE shall not thereafter be obligated to make any further payment to the Trustee or any other person in respect of such Certificate for payment of principal of, purchase price of, or interest on any Bond.
- 10. **Nature of the GSEs' Obligations**. The GSEs' obligation to make Advances to the Trustee upon the proper presentation of documents which conform to the terms and conditions of this Credit and Liquidity Facility is absolute, unconditional and irrevocable, shall be fulfilled strictly in accordance with this Credit and Liquidity Facility, and shall not be affected by any right of set-off, recoupment or counterclaim the GSEs might otherwise have against the Issuer, the Trustee, the Tender Agent, the Remarketing Agent or any other person.

The obligations of each GSE under this Credit and Liquidity Facility are primary, several and not joint obligations and shall not be affected by the performance or non-performance by the Issuer under the Indenture or the Bonds or by the Issuer under the Reimbursement Agreement or by the performance or non-performance of any party under any other agreement between or among any of the Issuer, the Trustee or the GSEs. If one GSE fails to perform its obligations under this Credit and Liquidity Facility, the other GSE will not be liable or responsible for performing the obligations of such nonperforming GSE.

- 11. **Transfer**. This Credit and Liquidity Facility may be successively transferred in whole only to each successor Trustee under the Indenture. Any such transfer shall be effective upon receipt by the GSEs of a signed copy of the instrument effecting such transfer signed by the transferor and by the transferee in the form attached as Exhibit G (which shall be conclusive evidence of such transfer). In each such case, the transferee instead of the transferor shall, without the necessity of further action, be entitled to all the benefits of and rights under this Credit and Liquidity Facility in the transferor's place.
- 12. **Notices and Deliveries**. All documents, notices and other communications, other than Certificates, shall be in writing and personally delivered to the GSEs at the addresses (and to the attention of the parties) set out in Section 4(a) or may be sent to the GSEs by telecopies, immediately followed by

telephonic notices as set out in Section 4(b), as such addresses, telephone and telecopy numbers and parties to whom such notices are sent are changed by the GSEs pursuant to Section 4. A copy of all notices and other communications delivered to the GSEs hereunder shall also be delivered to the Treasury's Agent and the Administrator at the following addresses:

- 13. **Governing Law**. This Credit and Liquidity Facility shall be governed by the laws of the District of Columbia as to enforceability of its provisions against Fannie Mae and the Commonwealth of Virginia as to its enforceability against Freddie Mac, including the Uniform Commercial Code as in effect in those respective jurisdictions.
- 14. **Entire Credit and Liquidity Facility**. This Credit and Liquidity Facility sets forth in full the terms of the GSEs' undertaking and shall not in any way be amended, amplified or limited by reference to any document, instrument or agreement referred to in this Credit and Liquidity Facility (including, without limitation, the Bonds) or in which this Credit and Liquidity Facility is referred to or to which this Credit and Liquidity Facility relates, except for (i) the Exhibits referred to in this Credit and Liquidity Facility and (ii) any Presentation Protocol, all of which shall be deemed fully incorporated into this Credit and Liquidity Facility as if fully set forth herein.

REIMBURSEMENT AGREEMENT

THIS REIMBURSEMENT AGREEMENT, dated as of December 16, 2009 (as the same may be amended and supplemented from time to time, this "Agreement"), by and among the COLORADO HOUSING AND FINANCE AUTHORITY (the "Issuer"), ZIONS FIRST NATIONAL BANK, acting hereunder not in its individual capacity but solely as Tender Agent and Trustee (both said roles being defined herein as the "Trustee"), FANNIE MAE, a federally-chartered and stockholder-owned corporation organized and existing under the Federal National Mortgage Association Charter Act, 12 U.S.C. § 1716, et seq. ("Fannie Mae") and FEDERAL HOME LOAN MORTGAGE CORPORATION, a shareholder-owned government sponsored enterprise organized under the laws of the United States ("Freddie Mac") (Fannie Mae and Freddie Mac are herein referred to as the "GSEs" and, each, a "GSE"),

WITNESSETH:

WHEREAS, the Issuer has issued its Single Family Mortgage Bonds, a portion of which is currently outstanding in the one or more Series and in the aggregate principal amounts identified in Schedule 1 hereto (each, a "Series of Bonds" and together the "Bonds"), pursuant to the Master Indenture of Trust dated as of October 1, 2001, as heretofore amended and supplemented, including without limitation as amended and supplemented by each applicable Series Indenture listed on Schedule 1 hereto and as amended and supplemented by the Fifth Supplement to Master Indenture of Trust dated as of December 1, 2009, each between the Issuer and the Trustee (as the same may be amended and supplemented from time to time hereafter in accordance with the terms herein and therein, collectively, the "Indenture");

WHEREAS, the Issuer wishes to enhance the liquidity of the Bonds by providing (i) credit support for the Bonds and (ii) liquidity support for the Bonds which are not remarketed upon certain tenders by the Bondholders or Beneficial Owners thereof on or prior to the last day of the Commitment Period (as hereinafter defined) as provided herein through purchases of Bonds by the GSEs, both from the proceeds of advances made pursuant to a Standby Irrevocable Temporary Credit and Liquidity Facility, dated as of December 16, 2009 and issued by the GSEs (the "Credit and Liquidity Facility");

WHEREAS, each of the GSEs is willing, upon the occurrence of certain events, to fund one-half of any required credit advance and to purchase one half of any of the outstanding Bonds tendered by the Bondholders or Beneficial Owners thereof and not successfully remarketed, upon the terms and conditions set forth in this Agreement and the Credit and Liquidity Facility; and

WHEREAS, in reliance upon the provisions hereof, the GSEs are willing to enter into this Agreement and to deliver the Credit and Liquidity Facility.

NOW, THEREFORE, the parties hereto agree as follows:

ARTICLE I

DEFINITIONS

Section 1.1. Specific Terms. As used herein, the following terms have the meanings indicated below or in the referenced Section of this Agreement, unless the context clearly indicates otherwise:

"Act" means the governing law of the State pursuant to which the Issuer was created and exists and the Bonds were issued and are outstanding, as more particularly described in the Indenture.

"Administrator" means U.S. Bank National Association, acting as custodian, collection agent, paying agent and administrator pursuant to an Administration Agreement by and among the GSEs, the U.S. Department of the Treasury and the Administrator and relating to the Bonds which are held as Bank Bonds, or such successor or replacement as specified in writing by the GSEs to the Trustee and Issuer.

"Advance" means any Credit Enhancement Advance, Liquidity Advance or Mandatory Tender Advance under the Credit and Liquidity Facility as described in Section 2.1 hereof.

"Affiliate" means, with respect to a Person, any Person (whether for-profit or not-for-profit), which "controls," or is "controlled" by, or is under common "control" with such Person. For purposes of this definition, a Person "controls" another Person when the first Person possesses or exercises directly, or indirectly through one or more other affiliates or related entities, the power to direct the management and policies of the other Person, whether through the ownership of voting rights, membership, the power to appoint members, trustees or directors, by contract, or otherwise.

"Agreement" means this Reimbursement Agreement, as amended or supplemented.

"Alternate Liquidity Facility" for a Series of Bonds means a liquidity facility, self liquidity or other liquidity arrangement being substituted for the Credit and Liquidity Facility with respect to that Series of Bonds and which meets the requirements for such a facility or arrangement as set forth in the Indenture.

"Amount Available" shall have the meaning set forth in the Credit and Liquidity Facility.

"Annual Filing" means the annual financial information required to be provided by the Issuer pursuant to a continuing disclosure undertaking of the Issuer pursuant to Rule 15c2-12, which information shall be provided to the GSEs pursuant to Section 7.3 hereof as and when required by the Rule 15c2-12, whether or not the Rule 15c2-12 applies to the Bonds.

"Bank Bondholder" means the Administrator and any other Person to whom the Administrator has sold or otherwise transferred Bank Bonds pursuant to Section 3.5(a) hereof.

"Bank Bonds" means each Bond purchased with the proceeds of a Liquidity Advance or a Mandatory Tender Advance, until remarketed or deemed to be remarketed in accordance with Section 3.5(c) hereof.

"Bank Rate" means, for each day of determination with respect to any Bank Bond, except as otherwise provided in Section 3.2(a) hereof, from and including the Purchase Date of such Bank Bond, the Base Rate; provided that from and after the occurrence of an Event of Default, the Bank Rate shall equal the Default Rate, provided further that at no time shall the interest on Bank Bonds or the Default Rate be less than the interest rate on the Bonds that are not Bank Bonds.

"Base Rate" means, for any day, a fluctuating rate of interest per annum equal to the base or prime rate of JPMorgan Chase Bank, National Association, until such time as another "Money Center" bank is designated by the GSEs in their discretion by notice to the Issuer, plus 1.0%.

"Bond Counsel" means nationally recognized bond counsel selected by the Issuer.

"Bondholders" means the owners of the Bonds as further described in the Indenture.

- "Bond Register" means a register recording the ownership of the Bonds maintained by the Trustee in accordance with the Indenture.

ARTICLE II

AGREEMENT TO DELIVER CREDIT AND LIQUIDITY FACILITY; REIMBURSEMENT

- Section 2.1. Agreement to Execute and Deliver Credit and Liquidity Facility. Subject to the terms and conditions of this Agreement, the GSEs agree to issue and deliver the Credit and Liquidity Facility for the account of the Issuer in favor of the Trustee in the Amount Available. The Credit and Liquidity Facility will provide credit support and liquidity support for each Series of Bonds, as follows:
 - (a) *Credit Support*. The Credit and Liquidity Facility will provide standby credit enhancement for the Bonds in the form of Credit Enhancement Advances.
 - (b) *Liquidity Support*. The Credit and Liquidity Facility will provide standby liquidity for the Bonds in the form of Liquidity Advances and Mandatory Tender Advances.
 - (c) *Expiration Date; Termination Date*. The Credit and Liquidity Facility shall expire or terminate, with respect to a Series of Bonds, in accordance with its terms.
- **Section 2.2. Reimbursement Obligations: Credit Enhancement Advances.** The Issuer unconditionally agrees, without notice or demand, to pay to each GSE by no later than 2:00 p.m. Eastern time the amount of each Credit Enhancement Advance made by such GSE on the date of such Credit Enhancement Advance.
- **Section 2.3. Repayment of Liquidity Advances and Mandatory Tender Advances**. Proceeds of Liquidity Advances and Mandatory Tender Advances shall be applied to the purchase of Bank Bonds as set forth below. The Issuer unconditionally agrees, without notice or demand, to make all payments with respect to the Bank Bonds as set forth in this Agreement.
- **Section 2.4. Payment Notices to GSEs.** For each payment with respect to an Advance, the Issuer shall provide or cause to be provided a Certificate for Issuer Reimbursement, appropriately completed and to the addressees listed thereon in the form of Exhibit A. For each payment required by this Agreement, other than with respect to Advances, the Issuer shall provide or cause to be provided, a

Certificate of Issuer Payment, appropriately completed and to the addressees listed thereon, in the form of Exhibit B.

Section 2.5. Repayment of Excess Advances. All proceeds of Advances which are not applied by the Trustee as required by this Agreement and the Credit and Liquidity Facility shall be immediately repaid to the GSEs, with, if repaid on a Business Day after the day the related Advance was made, interest at the federal funds rate announced by the Federal Reserve Bank of New York for the applicable day.

ARTICLE III

PURCHASE OF BONDS; FEES

Section 3.1. Purchase of Bonds. Subject to the terms and conditions of the Credit and Liquidity Facility and this Agreement, the GSEs hereby agree from time to time to make Liquidity Advances and Mandatory Tender Advances in accordance with the Credit and Liquidity Facility up to the amount of the Amount Available and apply the same to the purchase, at the Purchase Price, of Eligible Bonds which are tendered pursuant to Optional Tenders or Mandatory Tenders and which, in either case, the Remarketing Agent has been unable to remarket or for which remarketing proceeds have not been received by the Remarketing Agent or the Tender Agent by the specified time set forth in the Indenture. Each GSE will pay said Purchase Price with its own funds and not with funds of the Issuer. The aggregate principal amount of all Bonds purchased on any Purchase Date shall not exceed either (x) the Principal Portion or (y) the principal amount of Bonds so tendered (in either case calculated without giving effect to any purchase of Bonds by the GSEs on such date) on such date. The aggregate amount of the Purchase Price comprising interest on Bonds (the "Interest Component") purchased on any Purchase Date shall not exceed the lesser of (i) the Interest Portion on such date and (ii) the actual aggregate amount of interest accrued on each such Bond to such Purchase Date; provided that if the applicable Purchase Date is an Interest Payment Date, the amount described in this clause (ii) shall be reduced by the amount of interest payable on each such Eligible Bond on such Interest Payment Date. The GSEs shall promptly purchase any Bonds held by the prior liquidity provider at the close of business on the Effective Date (as defined in the Credit and Liquidity Facility) for the related Series of Bonds.

Section 3.2. Bank Bonds. Any Bonds purchased by the GSEs pursuant to Section 3.1 hereof shall thereupon constitute Bank Bonds and have all of the characteristics of Bank Bonds as set forth herein and in the Indenture. All Bank Bonds shall bear interest at the Bank Rate as described below:

Subject to the provisions of Section 3.2(c) hereof, all Bank Bonds shall bear interest at the Bank Rate; provided, however, at no time shall Bank Bonds bear interest in excess of the Maximum Rate. In the event that Bank Bonds would bear interest at a rate in excess of the Maximum Rate for any period, the GSEs shall receive interest on account of such Bank Bonds only at the Maximum Rate for such period (the difference between the interest payable to the GSEs if such Bank Bonds had continuously borne interest at the Bank Rate, and the interest actually paid to the GSEs at the Maximum Rate is hereinafter referred to as the "Excess Bank Bond Interest"). Notwithstanding any subsequent reduction in the Bank Rate, such Bank Bonds shall bear interest, from and after the date on which any Excess Bank Bond Interest is accrued, at the Maximum Rate until the earlier of (i) the date on which the interest paid to the GSEs on such Bank Bonds in excess of the Bank Rate, equals such Excess Bank Bond Interest and (ii) the date such Bank Bonds are redeemed or remarketed pursuant to the Indenture. The Issuer shall pay to the GSEs or the Bank Bondholder, as applicable, accrued interest, including any accrued but unpaid Excess Bank Bond Interest, on such Bank Bonds on each Interest Payment Date. On the first Business Day of each week, and otherwise upon the request of the Issuer, while any Excess Bank Bond Interest is outstanding the GSEs shall notify the Issuer of the amount of such accrued

but unpaid Excess Bank Bond Interest; *provided, however*, the failure to so notify the Issuer shall not effect the accrual of or the obligation of the Issuer to pay the Excess Bank Bond Interest.

- (b) Notwithstanding anything herein or in the Indenture to the contrary, all amounts owed to the GSEs with respect to Bank Bonds shall become immediately due and payable on the Payment Due Date if not repaid or otherwise declared due and payable prior to such date in accordance with the terms of the Indenture or of this Agreement.
- (c) The Issuer agrees to pay to the GSEs, on demand, interest at the Default Rate on any and all amounts owed by the Issuer under this Agreement or under the Bank Bonds from and after the occurrence of an Event of Default.
- (d) Interest on Bank Bonds shall be calculated on the basis of the actual number of days elapsed and a 365- or 366-day year, as the case may be.

Section 3.3. Method of Purchasing.

- (a) The GSEs shall not have any responsibility for, or incur any liability in respect of, any act, or any failure to act, by the Trustee which results in the failure of the Trustee to effect the purchase of Bonds for the account of the GSEs with such funds provided pursuant to the Credit and Liquidity Facility. Unless the Bonds are Book Entry Bonds, Bonds purchased pursuant to this Section 3.3(a) shall be registered in the name of the Custodian or, if directed in writing by GSEs, a nominee or designee on the Bond Register and shall be promptly delivered by the Tender Agent to the Custodian to be held as Bank Bonds or as the GSEs may otherwise direct in writing and, prior to such delivery, shall be held by the Tender Agent as agent on behalf of the GSEs. If the Bonds purchased pursuant to this Section 3.3(a) are Book Entry Bonds, the beneficial ownership of such Bonds shall be credited to the account of Custodian or, if directed in writing by the GSEs, another nominee or designee of the GSEs, maintained at DTC, and prior to the sale of any Bank Bond as provided in Section 3.5(a) hereof. The Interest Component of the Purchase Price paid for such Bonds shall accrue interest at the Bank Rate and shall be paid to the GSEs (or the applicable Bank Bondholder) on the next Interest Payment Date.
- (b) In the event that any funds paid by the GSEs to the Trustee pursuant to the Credit and Liquidity Facility for the purposes set forth in Section 3.3(a) hereof shall not be required to be applied to the purchase of Bonds as provided herein, such funds shall be held and be returned to the GSEs as soon as practicable by the Trustee and until so returned shall be held in trust by the Trustee for the account of the GSEs. In the event that such funds are not returned to the GSEs in immediately available funds as provided in Section 3.10(a) hereof by 4:30 p.m. (Washington, D.C. time) on the same day on which such funds were advanced, the Issuer shall pay or cause to be paid to the GSEs interest on such funds, payable on demand and in any event on the date on which such funds are returned, at a rate specified in Section 2.5.
- **Section 3.4. Reduction, Reinstatement or Termination of Amount Available**. The Amount Available shall be reduced and reinstated and shall automatically terminate in accordance with the provisions of the Credit and Liquidity Facility.

Section 3.5. Sale of Bank Bonds Limited.

(a) **Right to Sell Bank Bonds**. The GSEs shall have no right to sell any Bank Bonds, except (i) directly or indirectly to the United States Department of the Treasury or (ii) pursuant to a remarketing of Bank Bonds in accordance with Section 3.5(c) hereof.

- Day on which a Bank Bondholder holds Bank Bonds, unless the Termination Date has occurred, the Remarketing Agent may deliver a notice (a "Purchase Notice") to a Bank Bondholder as registered on the Bond Register and to the GSEs, the Trustee, the Tender Agent and the Issuer, stating that it has located a purchaser (the "Purchaser") for some or all of the Bank Bonds and that such Purchaser desires to purchase on the Business Day following the Business Day on which a Bank Bondholder receives, prior to 12:00 noon (Washington, D.C. time), a Purchase Notice (a "Sale Date") an authorized denomination of such Bonds at a price equal to the principal amount thereof, plus any interest thereon that has accrued to the Sale Date at a rate or rates of interest applicable to Bonds that are not Bank Bonds (the "Sale Price"). The Issuer shall pay to the Bank Bondholder any Differential Interest Amount that has accrued with respect to the sale of any Bank Bonds as provided in Section 4.1 hereof. After the termination of the Credit and Liquidity Facility with respect to any Bank Bond, such Bank Bond may no longer be remarketed by the Issuer or the Remarketing Agent and shall remain a Bank Bond until paid in full or purchased from the Bank Bondholder.
- Sale by Remarketing of Bank Bonds. Upon receipt of a Purchase Notice prior to (c) the Termination Date the Bank Bondholder shall deliver the Bank Bonds specified in the Purchase Notice to the Tender Agent (or, in the case of Bank Bonds which are Book Entry Bonds, shall cause the beneficial ownership thereof to be credited to the account of the Remarketing Agent at DTC) by 10:00 a.m. (Washington, D.C. time) on the Sale Date against receipt of the Sale Price therefor in immediately available funds or at the Bank Bondholder's address listed in the Bond Register, and such Bonds shall thereupon no longer be considered Bank Bonds. A Bank Bondholder delivering Bank Bonds pursuant to the preceding sentence shall use commercially reasonable efforts to expedite the delivery of such Bank Bonds to the Tender Agent or Remarketing Agent, as applicable. When Bank Bonds are purchased in accordance with this Section 3.5(c), the Tender Agent shall, upon receipt of such Bank Bonds and upon receipt by the Bank Bondholder of the Sale Price, notify the Issuer that such Bonds are no longer Bank Bonds. On the Sale Date, the Differential Interest Amount of such Bonds shall be paid to the Bank Bondholder as provided in Section 4.1 hereof. Any sale of a Bank Bond pursuant to this Section 3.5 shall be without recourse to the seller and without representation or warranty of any kind.

Section 3.6. Rights of Bank Bondholders. Upon purchasing Bank Bonds, Bank Bondholders shall be entitled to and, where necessary, shall be deemed assigned all rights and privileges accorded Bondholders, and any additional rights and privileges as to payment of interest and redemption that are provided by this Agreement with respect to Bank Bonds. Upon purchasing Bank Bonds, Bank Bondholders shall be recognized by the Issuer and the Tender Agent as the true and lawful owners (or, in the case of Book Entry Bonds, beneficial owners) of such Bank Bonds, free from any claims, liens, security interests, equitable interests and other interests of the Issuer, except as such interests might exist under the terms of the Bank Bonds with respect to all owners (or, in the case of Book Entry Bonds, beneficial owners) of the Bonds.

Section 3.7. Facility Fee and Other Fees.

(a) The Issuer hereby agrees to pay to the order of each GSE a nonrefundable commitment fee (the "Facility Fee") with respect to the Amount Available obligated to be paid by such GSE from time to time at the rate per annum set forth in Schedule 1 hereto (the "Facility Fee Rate") for the duration of the Commitment Period on the average daily amount of the Amount Available during each period in respect of which payment is made. The Facility Fee, once established, shall not change as a consequence of subsequent rating changes on the Bonds. Such

Facility Fee shall be payable in immediately available funds in arrears on the dates set forth on Schedule 1 hereto (each such payment to be computed on the basis of actual days elapsed and a 365/366 day year, as applicable, including date of issuance and expiration) in respect of the Amount Available from time to time in effect, payable during the Commitment Period and on the last day of the Commitment Period. If the Amount Available is terminated in its entirety, all accrued Facility Fees shall be payable on the effective date of such termination.

- (b) The Issuer also hereby agrees to pay to each GSE, on or prior to the Effective Date, all legal fees and disbursements incurred or made by the GSE in connection with the completion of this Agreement and any other Related Documents.
- (c) In connection with the written request by the Issuer or the Tender Agent of (i) any amendment, supplement, waiver, consent or other modification of this Agreement, the Indenture, the Credit and Liquidity Facility or any other Related Document requiring any action on the part of the GSEs, or (ii) any transfer of the rights and obligations under this Agreement or the Credit and Liquidity Facility by the Issuer or the Tender Agent, the Issuer shall pay or cause to be paid to each of the GSEs \$2,500 plus, in each case, the reasonable fees and expenses of counsel to the GSEs.
 - (d) All amounts payable pursuant to this Section 3.7 shall be non-refundable.

Section 3.8. Net of Taxes, Etc.

Taxes. Any and all payments to each GSE by the Issuer hereunder shall be made (a) free and clear of and without deduction for any and all taxes, levies, imposts, deductions, charges, withholdings or liabilities imposed thereon, excluding, however, taxes imposed on or measured by the net income or capital of each GSE by any jurisdiction or any political subdivision or taxing authority thereof or therein solely as a result of a connection between the GSE and such jurisdiction or political subdivision (all such non-excluded taxes, levies, imposts, deductions, charges, withholdings and liabilities being hereinafter referred to as "Taxes"). If the Issuer shall be required by law to withhold or deduct any Taxes imposed by the United States or any political subdivision thereof from or in respect of any sum payable hereunder to a GSE, (i) the sum payable shall be increased as may be necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 3.8), each of the GSEs receive an amount equal to the sum it would have received had no such deductions been made, (ii) the Issuer shall make such deductions and (iii) the Issuer shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law. If the Issuer shall make any payment under this Section 3.8 to or for the benefit of a GSE with respect to Taxes and if either of the GSEs shall claim any credit or deduction for such Taxes against any other taxes payable by that GSE to any taxing jurisdiction in the United States then that GSE shall pay to the Issuer an amount equal to the amount by which such other taxes are actually reduced; provided that the aggregate amount payable by a GSE pursuant to this sentence shall not exceed the aggregate amount previously paid by the Issuer with respect to such Taxes. In addition, the Issuer agrees to pay any present or future stamp, recording or documentary taxes and any other excise or property taxes, charges or similar levies that arise under the laws of the United States of America or the State, the District of Columbia and Commonwealth of Virginia from any payment made hereunder or from the execution or delivery or otherwise with respect to this Agreement (hereinafter referred to as "Other Taxes"). Each GSE shall provide to the Issuer within a reasonable time a copy of any written notification it receives with respect to Other Taxes owing by the Issuer to such GSE hereunder provided that a GSE's failure to send such notice shall not relieve the Issuer of its obligation to pay such amounts hereunder.

- *Indemnity*. The Issuer shall, to the fullest extent permitted by law, indemnify and reimburse each GSE for the full amount of Taxes and Other Taxes including any Taxes or Other Taxes imposed by any jurisdiction on amounts payable under this Section 3.8 paid by such GSE or any liability (including penalties, interest and expenses) arising therefrom or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally asserted. Each GSE agrees to give notice to the Issuer of the assertion of any claim against such GSE relating to such Taxes or Other Taxes as promptly as is practicable after being notified of such assertion; provided that the GSE's failure to notify the Issuer promptly of such assertion shall not relieve the Issuer of its obligation under this Section 3.8. Payments by the Issuer pursuant to this indemnification shall be made within thirty (30) days from the date a GSE makes written demand therefor, which demand shall be accompanied by a certificate describing in reasonable detail the basis thereof. Each GSE agrees to repay to the Issuer any refund (including that portion of any interest that was included as part of such refund) with respect to Taxes or Other Taxes paid by the Issuer pursuant to this Section 3.8 received by such GSE for Taxes or Other Taxes that were paid by the Issuer pursuant to this Section 3.8 and to contest, with the cooperation and at the expense of the Issuer, any such Taxes or Other Taxes which the GSEs or the Issuer reasonably believes not to have been properly assessed.
- (c) *Notice*. Within thirty (30) days after the date of any payment of Taxes by the Issuer, the Issuer shall furnish to both GSEs or the applicable GSE, the original or a certified copy of a receipt evidencing payment thereof. To the extent permitted by law, the Issuer shall compensate each GSE for all reasonable losses and expenses sustained by a GSE as a result of any failure by the Issuer to so furnish such copy of such receipt.

Section 3.9. Increased Costs.

- (a) If a GSE shall have determined that the adoption or implementation of, or any change in, any law, rule, treaty or regulation, or any policy, guideline or directive of, or any change in the interpretation or administration thereof by any court, central bank or other Governmental Agency (in each case, whether or not having the force of law), or compliance by such GSE with any request or directive of any such court, central bank or other Governmental Agency (whether or not having the force of law), shall (A) change the basis of taxation of payments to such GSE of any amounts payable hereunder (except for taxes on the overall net income or capital of such GSE), (B) impose, modify or deem applicable any reserve, special deposit or similar requirement against making or maintaining its obligations under this Agreement or assets held by, or deposit with or for the account of, such GSE or (C) impose on such GSE any other condition regarding this Agreement, and the result of any event referred to in clause (A), (B) or (C) above shall be to increase the cost to such GSE of making or maintaining its obligations hereunder, or to reduce the amount of any sum received or receivable by such GSE hereunder, then, upon request in writing by a GSE, the Issuer shall pay to such GSE, at such time and in such amount as is set forth in paragraph (c) of this Section 3.9, such additional amount or amounts as will compensate such GSE for such increased costs or reductions in amount.
- (b) If a GSE shall have determined that the adoption or implementation of, or any change in, any law, rule or regulation, or any policy, guideline or directive of, or any change in the interpretation or administration thereof by, any court, central bank or other Governmental Agency, or compliance by such GSE with any directive of or guidance from any central bank or other authority (in each case, whether or not having the force of law), shall impose, modify or deem applicable any capital adequacy or similar requirement (including, without limitation, a request or requirement that affects the manner in which such GSE allocates capital resources to its commitments, including its obligations under lines of credit) that either (A) affects or would

affect the amount of capital to be maintained by such GSE or (B) reduces or would reduce the rate of return on the capital of such GSE to a level below that which that such GSE could have achieved but for such circumstances (taking into consideration such GSE's policies with respect to capital adequacy) then, upon request in writing by such GSE, the Issuer shall pay to such GSE, at such time and in such amount as is set forth in paragraph (c) of this Section, such additional amount or amounts as will compensate such GSE for such cost of maintaining such increased capital or such reduction the rate of return on such GSE's capital.

(c) All payments of amounts referred to in paragraphs (a) and (b) of this Section shall be due thirty (30) days following the Issuer's receipt of notice thereof in writing from a GSE and shall be payable, in full, on the next succeeding monthly payment date that the Facility Fee described in Section 3.7(a) hereof is due and payable. Interest on the sums due as described in paragraphs (a) and (b) of this Section, and in the preceding sentence, shall begin to accrue from the date when the payments were first due and shall otherwise be payable on the next Interest Payment Date; provided, that from and after the required date of payment, interest shall begin to accrue on such obligations at a rate per annum equal to the Default Rate until such delinquent payments have been paid in full. A certificate as to such increased cost, increased capital or reduction in return incurred by a GSE as a result of any event mentioned in paragraphs (a) or (b) of this Section setting forth, in reasonable detail, the basis for calculation and the amount of such calculation shall be submitted by the GSE to the Issuer and shall be conclusive (absent manifest error) as to the amount thereof. In making the determinations contemplated by the above referenced certificate, a GSE may make such reasonable estimates, assumptions, allocations and the like that the GSEs in good faith determine to be appropriate.

Section 3.10. Computations: Payments.

- (a) Fees, interest and other amounts payable to or to the order of a GSE hereunder (other than the Facility Fee) shall be computed on the basis of a year of 365 or 366 days, as applicable, for actual days elapsed, and interest on Bonds and Bank Bonds shall be computed on the same basis. Any payments received by, or as directed by, a GSE later than 2:00 p.m. (Washington, D.C. time) on any day shall be deemed to have been paid on the next succeeding Business Day and interest shall accrue thereon until such next Business Day at the rate applicable thereto. All payments to a GSE hereunder shall be made in Dollars and in immediately available funds. Unless a GSE shall otherwise direct, all such payments shall be made by means of wire transfer of funds through the Federal Reserve Wire System to the Custodian or such other account as either Freddie Mac or Fannie Mae may specify in writing from time to time.
- (b) The Issuer agrees to pay to each GSE on each Purchase Date or Sale Date, as applicable, an amount equal to any charge imposed on such GSE pursuant to the Indenture in connection with the transfer or exchange of Bonds. The Issuer agrees to cause the Bond Registrar to give each GSE timely notice of each such charge, including the amount thereof.
- (c) Payments made to a GSE under this Agreement shall first be applied to any fees, costs, charges or expenses payable to such GSE hereunder, next to the interest component of any Credit Enhancement Advance, next to the principal component of any Credit Enhancement Advance, next to any past due interest, next to any current interest due, and then to outstanding principal of Bank Bonds.
- (d) Any amounts due and payable and remaining unpaid under this Agreement shall accrue interest at the Default Rate until paid, anything to the contrary herein notwithstanding.

Section 3.11. Voluntary Termination. Upon (a) providing the GSEs (with a copy to the Trustee) with at least thirty (30) days' prior written notice (except that no prior notice shall be required in connection with a termination following the default by either of the GSEs in honoring its payment obligations hereunder), and (b) paying to the GSEs all amounts then owed to the GSEs hereunder, including all principal and accrued interest owing on any Bank Bonds (but not any termination fee or penalty) and payment of the GSEs' attorneys fees and expenses, the Issuer may with notice to the Trustee terminate the Credit and Liquidity Facility and this Agreement.

Section 3.12. Nature of Obligations.

Pursuant to the Indenture, the Issuer has granted to the Bondholders of the Bonds, including any Bank Bonds, a first priority security interest, on a parity with the security interest granted to the other Bondholders of all Parity Debt pursuant to the Indenture, in the Security. The obligations of the Issuer under this Agreement to reimburse the GSEs for Credit Enhancement Advances, Liquidity Advances and Mandatory Tender Advances are secured by the Security on a parity with the Bonds, and are payable on a parity with the Bonds.

The Issuer hereby agrees that fees and other amounts payable to each GSE (other than principal and interest on Bank Bonds) shall either (a) constitute Program Expenses, pursuant to and as defined in the Indenture, will be paid from the Revenue Fund when due or (b) will be Class I Auxiliary Obligations, payable on the same priority as debt service on the Bonds and pursuant to the Indenture, will be paid from the Revenue Fund when due, whichever is the more senior priority. The Issuer further agrees that to the extent sufficient funds are not available in the Revenue Fund to pay such fees and other amounts when due for any reason, the Issuer will immediately pay or cause to be paid such fees and other amounts from available funds of the Issuer.

Section 3.13. Tax Ownership. Nothing in this Agreement requires, and nothing in this Agreement is intended by the parties to require, that either GSE be or be deemed the owner of any of the Bank Bonds for federal income tax purposes.

ARTICLE IV

BANK BONDS

Section 4.1. Maturity; Interest.

The interest on the unpaid amount of each Bank Bond from and including the (a) applicable Purchase Date shall be computed at a rate per annum equal to the Bank Rate. Interest on Bank Bonds shall be paid on each Interest Payment Date. The outstanding principal amount of each Bank Bond, and the unpaid interest accrued thereon, shall be repaid by or on behalf of the Issuer not later than the earliest to occur of (i) the date on which such Bank Bonds are redeemed, defeased, accelerated or otherwise paid in accordance with their terms, (ii) the date of the remarketing of such Bank Bonds, (iii) the date on which such Bank Bonds mature in accordance with their terms, (iv) the effective date of an Alternate Liquidity Facility with respect to such Series of Bonds, (v) the date on which the Issuer elects to convert or change the interest rate on all or a portion of the Bonds or Series of Bonds to an interest rate other than the mode effective on the Effective Date and (vi) the end of the Term Out Period, if applicable (any one of the foregoing constituting a "Payment Due Date"). In addition to repayment of the interest due on each Bank Bond on each Interest Payment Date and each Payment Due Date as set forth in the immediately preceding sentence, any amount representing Differential Interest Amount unpaid by the Issuer on a Sale Date may be paid on each Payment Due Date set forth in clauses (i)-(v)

above, inclusive, and, in any event, shall be paid no later than the final day of the Term Out Period, and such Differential Interest Amount shall, subject to State laws relevant thereto, bear interest at the Bank Rate, payable on each Payment Due Date set forth in clauses (i)-(v) above, inclusive, and, in any event, shall be paid no later than the final day of the Term Out Period.

- Subject to the payment of any Bank Bond as provided in Section 4.1(a) hereof, each Bank Bond will automatically become subject to a Term Out beginning the last day of the Commitment Period; provided, that on the commencement date for such Term Out, (i) the representations and warranties contained in Article V of this Agreement, the Indenture and in each other Related Document and certificate or other writing delivered to the GSEs pursuant hereto in connection with the transactions contemplated by this Agreement shall be true and correct as though made on and as of such date, except to the extent a representation or warranty relates specifically to an earlier date (in which case such representation and warranty shall be true and correct as of such date); and (ii) no Event of Default shall have occurred and be continuing. On the commencement date of each Term Out Period, the Issuer shall be deemed to have represented and warranted to the GSEs that the conditions set forth in (i) and (ii) of the immediately preceding sentence have been satisfied. If either (i) or (ii) cannot be satisfied as of such date, the Bank Bonds shall be immediately due and payable. The principal and interest on each Bank Bond subject to a Term Out Period shall be paid by or on behalf of the Issuer (i) in accordance with the amortization required under the Indenture for each particular Series of Bonds (as if there were no Bank Bonds of such Series of Bonds) and (ii) upon the occurrence of any of the events set forth in Section 4.1(a)(i) through and including Section 4.1(a)(v) above and shall, in addition thereto but subject to the sources set forth in the Indenture, be repaid by or on behalf of the Issuer no later than the final day of the Term Out Period.
- (c) Any Bank Bond may be prepaid by the Issuer, without premium or penalty, upon one (1) Business Day's prior written or electronic notice to the GSEs (with written or electronic copies to Treasury's Agent and the Custodian), the Trustee and, if other than GSEs, any Bank Bondholder (which notice, if electronic or telephonic, shall be promptly confirmed in writing), in whole or in part but, if in part, in a minimum aggregate principal amount of \$500,000 and integral multiples of \$100,000 in excess thereof (or, in any event, in whole). Any prepayment of principal by the Issuer of a Bank Bond (including any prepayment pursuant to the sinking fund requirements associated with the related Bank Bond) shall be credited against the next succeeding payment due on the Bank Bond. Any such redemption or payment shall be applied equally to Bank Bonds purchased hereunder by each of the GSEs.

ARTICLE V

CONDITIONS PRECEDENT TO EFFECTIVENESS

This Agreement shall become effective as of the Effective Date; *provided* that each of the following conditions have been fulfilled to the satisfaction of the GSEs. The execution and delivery of this Agreement and the Credit and Liquidity Facility by the GSEs shall constitute the GSEs' acknowledgment that such conditions have been satisfied or waived.

Section 5.1. Conditions. On the Effective Date (and after giving effect to the terms hereof), (a) there shall exist no Event of Default or Default (b) all representations and warranties made by the Issuer herein or in any of the Related Documents to which it is a party shall be true and correct with the same effect as though such representations and warranties had been made at and as of such time, (c) except as described in the Official Statement or any other documents provided by the Issuer to the GSEs and approved by the GSEs prior to the Effective Date, no material adverse change shall have occurred in the

condition (financial or otherwise) or operations of the Issuer between the date of the Issuer's most recent audited financial statements and the Effective Date, and no transactions or obligations having a material adverse effect on the condition (financial or otherwise) or operations of the Issuer, whether or not arising from transactions in the ordinary course of the Issuer's business, shall have been entered into by the Issuer subsequent to the date of the Issuer's most recent audited financial statements, (d) and such Official Statement (including any amendments or supplements prepared subsequent to its date) shall have been furnished to the GSEs prior to the distribution thereof which does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which made, not misleading, (e) except as described in the Official Statement no transaction or event shall have occurred and no change shall have occurred in the condition (financial or otherwise) or operations of the Issuer between the date of the Issuer's most recent audited financial statements and the Effective Date which materially adversely affects the issuance of any of the Bonds, the security for any of the Bonds, or the Issuer's ability to repay when due its obligations under this Agreement, any of the Bonds and the Related Documents, and (f) except as otherwise expressly agreed by the GSEs, evidence reasonably satisfactory to the GSEs that all existing liquidity and credit facilities relating to the Bonds have been (or will be, on the applicable CLF Effective Date for Series) terminated.

Section 5.2. Other Documents.

- (a) On the Effective Date, the GSEs shall have received executed originals or certified copies of each of the following documents, which documents shall be in full force and effect on the Effective Date and in form and substance reasonably satisfactory to each GSE and its counsel:
 - (i) a certified copy of the Indenture (with amendments);
 - (ii) the Official Statement, as amended or supplemented;
 - (iii) a certified copy of the Remarketing Agreement (with amendments);
 - (iv) this Agreement;
 - (v) the resolutions of the Issuer authorizing the Related Documents (which certification shall state that such resolutions are in full force and effect as of the Effective Date);
 - (vi) Issuer's Closing and Incumbency Certificate (authorizing resolution attached);
 - (vii) Trustee's Certificate (as trustee and tender agent) regarding the enforceability of this Agreement and the Related Documents against the Trustee;
 - (viii) Issuer's Liquidity Facility Substitution Notice to Notice Parties;
 - (ix) Trustee Notice of Mandatory Tender (if required);
 - (x) Rating Letters (Enhanced Bonds and underlying ratings); and
 - (xi) Executed copies of any and all outstanding Interest Rate Contracts.

- (b) All filings, recordings, re-filings and re-recordings shall have been made, notices given, all filing fees, taxes and expenses in connection therewith shall have been paid and all such action shall have been taken, which are necessary or advisable on the Effective Date to grant to the Trustee a duly perfected security interest in the Revenues for the benefit of the Bondholders, if required.
- **Section 5.3. Legal Opinions**. The GSEs shall have received legal opinions or reliance letters authorizing the GSEs to rely on legal opinions, in form and substance satisfactory to the GSEs and their respective counsel, addressed to the GSEs and dated the Effective Date, of:
 - (a) Bond Counsel, including a reliance letter if not addressed to GSEs;
 - (b) General Counsel of the Issuer as required by GSEs;
 - (c) Counsel to the Remarketing Agent, as to such matters as the GSEs may reasonably request;
 - (d) Counsel to Remarketing Agent, providing comfort on the Official Statement and as to such other matters as the GSEs may reasonably request; and
 - (d) Any other counsel rendering an opinion in connection with the execution and/or delivery of this Agreement, the Indenture and the other Related Documents.
- **Section 5.4. Supporting Documents of the Issuer**. There shall have been delivered to the GSEs such information and copies of documents, approvals (if any) and records certified, where appropriate, of corporate and legal proceedings as the GSEs may have requested relating to the Issuer's entering into and performing this Agreement and the other Related Documents to which it is a party, and the transactions contemplated hereby and thereby. Such documents shall, in any event, include:
 - (a) A certificate of the Issuer, in form and substance satisfactory to the GSEs and their counsel, executed by an executive officer of the Issuer, dated the Effective Date, confirming that the representations set forth in Section 5.1 and Article VI hereof are true and correct as of such date and that all actions required to be taken, all consents required to be obtained, and all resolutions required to be adopted by (which resolutions shall be attached to such certificate), the Issuer under applicable law, in order for this Agreement to be in full force and effect, have been done, obtained and adopted; and
 - (b) An incumbency certificate with respect to the officers or agents of the Issuer who are authorized to execute this Agreement and the other Related Documents to which the Issuer is a party and any documents or instruments under this Agreement and the other Related Documents to which the Issuer is a party.
- **Section 5.5. Supporting Documents of the Trustee**. There shall have been delivered to the GSEs incumbency certificates with respect to the officers or agents of the Trustee who are authorized to (a) execute the respective Related Documents to which the Trustee is a party and (b) execute and deliver to the GSEs the written notices and demands attached to the Credit and Liquidity Facility.
- Section 5.6. Other Supporting Documents. There shall have been delivered to the GSEs such information and copies of documents, approvals (if any) and records (certified, where appropriate) of corporate and legal proceedings as the GSEs may have requested relating to the entering into and

performance by each of the parties (other than the GSEs) thereto, of each of the Related Documents or the transactions contemplated thereby or the tax exempt status of interest on the Bonds, if applicable.

- **Section 5.7. Payment of Fees and Expenses**. The fees and expenses and all other amounts (including attorneys' fees and expenses) payable on the Effective Date pursuant to Section 3.7 or Section 10.2 hereof shall have been received.
- **Section 5.8. Rating.** The GSEs shall have received satisfactory evidence that the Bonds shall have been assigned long-term ratings of at least "Aaa" by Moody's (if rated by Moody's), and short-term ratings of at least "VMIG1" by Moody's (if rated by Moody's) and long-term ratings of at least "AAA" by S&P or Fitch (if rated by S&P or Fitch), short-term ratings of at least "A-1+" by S&P (if rated by S&P) or short-term ratings of at least "F1+" by Fitch (if rated by Fitch).
- **Section 5.9. Issuer Bond Rating**. The GSEs shall have received satisfactory evidence that the Issuer Bond Rating on the Effective Date is at least (i) "Baa3" by Moody's (if rated by Moody's) with a "stable" outlook by Moody's (if rated by Moody's), and (ii) "BBB-" by S&P or Fitch (if rated by S&P or Fitch) with a "stable" outlook by S&P or Fitch (if rated by S&P or Fitch); provided that such minimum Issuer Bond Ratings shall be "A3" and "A-" for Moody's and S&P/Fitch, respectively, if the Bonds are secured in part by multifamily mortgage loans.
- **Section 5.10. Other Documents**. The GSEs shall have received such other documents, instruments, approvals (and, if requested by Freddie Mac, certified duplicates or executed copies thereof) or opinions as the GSEs may reasonably request.

In addition to the foregoing, the GSEs shall have determined, as of the Effective Date, that no law, regulation, ruling or other action of the United States, the Commonwealth of Virginia, the District of Columbia or the State or any political subdivision or authority therein or thereof shall be in effect or shall have occurred, the effect of which would be to prevent the Issuer or the GSEs from fulfilling its obligations under this Agreement.

ARTICLE VI

REPRESENTATIONS AND WARRANTIES

To induce the GSEs to enter into this Agreement, to deliver the Credit and Liquidity Facility and to advance funds as provided herein and therein, the Issuer makes the following representations and warranties to, and agreements with the GSEs (which representations, warranties and agreements shall survive the execution and delivery of this Agreement and any purchases of Bonds by the GSEs):

- **Section 6.1. Status**. The Issuer is a body corporate and political subdivision of the State, organized and existing under the laws of the State, with all requisite power and authority to execute and deliver, and to perform its obligations under this Agreement and the Related Documents to which it is a party and to issue, execute and deliver the Bonds.
- **Section 6.2. Power and Authority**. The Issuer has the requisite power and authority to execute and deliver, and to perform its obligations under, this Agreement and the other Related Documents to which it is or will be a party and has taken all necessary action to authorize the execution, delivery and performance of this Agreement and the other Related Documents to which it is or will be a party. The Issuer has the requisite power and authority to irrevocably direct the Tender Agent and Trustee to enter into and perform its obligations under this Agreement and has made said irrevocable direction to the Tender Agent and Trustee.

Section 6.3. Enforceability. Assuming due authorization, execution and delivery by each of the other parties thereto, each of this Agreement and the Related Documents (other than the Official Statement) to which the Issuer is a party constitutes the legal, valid and binding obligation of the Issuer enforceable in accordance with its terms, subject, as to enforceability, to applicable bankruptcy, moratorium, insolvency or similar laws affecting the rights of creditors generally or the rights of creditors of governmental entities and to certain principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law). Each of the Related Documents (other than the Official Statement) is or will be on the Effective Date in full force and effect.

Section 6.4. No Conflict. The execution and delivery of this Agreement and the Related Documents to which the Issuer is a party and the performance by the Issuer of its obligations thereunder do not and will not violate any constitutional provision or any law or any regulation, order, writ, injunction or decree of any court or governmental body, agency or other instrumentality applicable to the Issuer, or result in a breach of any of the terms, conditions or provisions of, or constitute a default under, or result in the creation or imposition of any lien (other than the lien of the Indenture) upon any of the assets of the Issuer pursuant to the terms of, any ordinance, resolution, mortgage, indenture, agreement or instrument to which the Issuer is a party or by which it or any of its properties is bound.

Section 6.5. Consents. All consents, licenses, approvals, validations and authorizations of, and registrations, validations or declarations by or with, any court or any Governmental Agency required to be obtained in connection with the execution, delivery, performance, validity or enforceability of this Agreement and the other Related Documents (including the Bonds) to which the Issuer is a party have been obtained and are in full force and effect.

Section 6.6. Litigation. Except as disclosed in the Official Statement, there is no litigation, action, suit, arbitration, proceeding or administrative proceeding, or, to its knowledge, any inquiry or investigation at law or in equity or before or by any court, public board or body pending or, to its knowledge, threatened against or affecting it (a) wherein an unfavorable decision, ruling or finding would materially adversely affect (i) the transactions contemplated by or the validity of this Agreement, any of the Related Documents or any agreement or instrument to which it is a party and which is contemplated by this Agreement or the Related Documents, or (ii) its property, assets, operations or condition, financial or otherwise, or its ability to perform its obligations hereunder or under the Related Documents to which it is a party; or (b) which in any way contests its existence, organization or powers or the titles of its officers to their respective offices.

Section 6.7. Default. No Event of Default or Default has occurred and is continuing. In addition, the Issuer is not in material default under (a) any order, writ, injunction or decree of any Governmental Agency having jurisdiction over the affairs of the Issuer, or (b) any law or regulation applicable to the Issuer, or (c) any contract, agreement or instrument to which the Issuer is a party or by which it or its property is bound, default under which could reasonably be expected to have a material adverse effect on the transactions contemplated by this Agreement, the Indenture or the other Related Documents, or which reasonably be expected to have a material adverse effect on the validity or enforceability of, or the authority or ability of the Issuer to perform its obligations under, this Agreement, the Indenture and the other Related Documents to which it is a party.

Section 6.8. Official Statement. The Official Statement, along with all amendments and supplements thereto, prepared with respect to the Bonds and the transactions herein contemplated, true copies of which have heretofore been delivered to the GSEs, does not contain any untrue statement of a material fact and such Official Statement does not omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which made, not misleading, except no representation is made as to information furnished in writing by the GSEs expressly for inclusion therein.

Section 6.9. Bonds. Each Bond is duly issued under the Indenture and each such Bond is entitled to the benefits thereof. The proceeds of the Bonds have been used to finance residential mortgages, and principal and interest on the Bonds will be paid primarily from the cash flow from said residential mortgages.

Section 6.10. Assignment of Bonds. The Bank Bonds purchased pursuant to Article III hereof will be transferred to the GSEs free and clear of all liens, security interests or claims of any Person other than the GSEs, except for consensual liens or other security interests as may be created by the GSEs. The Bonds (including the Bank Bonds) are secured by a first priority perfected security interest lien and assignment in and to the Security, as and to the extent provided in the Indenture and described in Section 3.12 hereof and, except as contemplated by the Indenture, the Issuer has not pledged or granted a lien, security interest or other encumbrance of any kind on the Security.

Section 6.11. Incorporation of Representations and Warranties. The Issuer hereby makes to the GSEs the same representations and warranties as were made by it in the Indenture and the other Related Documents to which the Issuer is a party, which representations and warranties, together with the related definitions of terms contained therein, are hereby incorporated by reference with the same effect as if each and every such representation and warranty and definition were set forth herein in its entirety and were made as of the date hereof.

Section 6.12. Financial Statements. The statement of net assets of the Issuer as of its last audited financial statements, and the related statement of revenues, expenses and changes in net assets for the year then ended and the auditors' reports with respect thereto, copies of which have heretofore been furnished to the GSEs, are complete and correct in all material respects and fairly present the financial condition, changes in fund equity and results of operations of the Issuer, as the case may be, at such dates and for such periods, and were prepared in accordance with generally accepted accounting principles, consistently applied. Since the date of the last audited financial statements, there has been no material adverse change in the condition (financial or otherwise) or operations of the Issuer, except as disclosed in such Official Statement, and other documents provided by the Issuer to the GSEs. Since the date of such Official Statement no transaction or event shall have occurred and no change shall have occurred in the condition (financial or otherwise) or operations of the Issuer which materially adversely affects the issuance of any of the Bonds, the security for any of the Bonds, or the Issuer's ability to repay when due its obligations under this Agreement, any of the Bonds and the Related Documents.

Section 6.13. Complete and Correct Information. All information, reports and other papers and data with respect to the Issuer furnished to the GSEs were, at the time the same were so furnished, complete and correct in all material respects. Any financial, budget and other projections furnished to the GSEs were prepared in good faith on the basis of the assumptions stated therein, which assumptions were fair and reasonable in light of conditions existing at the time of delivery of such financial, budget or other projections, and represented, and as of the date of this representation, represent, the Issuer's best estimate of the Issuer's future financial performance. No fact is known to the Issuer that materially and adversely affects or in the future may (so far as it can reasonably foresee) materially and adversely affect the security for any of the Bonds, or the Issuer's ability to repay when due its obligations under this Agreement, any of the Bonds and the Related Documents that has not been set forth in the Official Statement referenced in Section 6.8 hereof or in the financial statements and other documents referred to in this Section 6.13 or in such information, reports, papers and data or otherwise disclosed in writing to the GSEs. The Issuer has delivered to Fannie Mae and Freddie Mac true and correct copies of: (i) the Indenture with all amendments thereto; (ii) the other Related Documents to which the Issuer is a party; and (iii) all other documents executed by the Issuer in connection with the issuance of the Bonds with all amendments thereto. Taken as a whole, the documents furnished and statements made by the Issuer in connection with the negotiation, preparation or execution of this Agreement and the Related Documents

do not contain untrue statements of material facts or omit to state material facts necessary to make the statements contained therein in light of the circumstances under which they were made, not misleading.

Section 6.14. No Proposed Legal Changes. There is no amendment, or to the knowledge of the Issuer, proposed amendment certified for placement on a statewide ballot, to the Constitution of the State or any published administrative interpretation of the Constitution of the State or any State law, or any legislation that has passed either house of the State legislature, or any published judicial decision interpreting any of the foregoing, the effect of which is to materially adversely affect the issuance of any of the Bonds, the security for any of the Bonds, or the Issuer's ability to repay when due its obligations under this Agreement, any of the Bonds, and the other Related Documents.

Section 6.15. The Tender Agent and the Remarketing Agent. The financial institution identified as Trustee (or a successor or assign approved in writing by the GSEs) is the duly appointed and acting Tender Agent, and the financial institution identified as the Remarketing Agent (or a successor or assign) approved in writing by the GSEs) is the duly appointed and acting Remarketing Agent for the Bonds.

Section 6.16. [Reserved.]

Section 6.17. No Sovereign Immunity. To the extent permitted by laws of the State, the Issuer hereby waives the defense of sovereign immunity in any proceeding by the GSEs to enforce a breach of the contractual obligations of the Issuer under this Agreement.

Section 6.18. Interest. None of the Indenture, the other Related Documents or the Bonds provide for any payments that would violate any applicable law relating to permissible maximum rates of interest.

Section 6.19. Investment Obligations. As of the Effective Date, the Issuer has no knowledge that it has made any material investment, or entered into any agreement for the purpose of effecting any such investment, which is not permitted to be made pursuant to the Act and the Indenture.

Section 6.20. Tax-Exempt Status. Solely with respect to those Series of Bonds that bear interest that is intended to be tax exempt, the Issuer has not taken any action or omitted to take any action, and knows of no action taken or omitted to be taken by any other person or entity, which action, if taken or omitted, would cause interest on those Series of Bonds to be subject to personal income taxes levied by the Federal Government.

Section 6.21. Security. The Bonds (including any Bank Bonds and interest thereon and any mandatory prepayments thereof) and the Issuer's obligations under this Agreement are Class I Obligations, are secured under the Indenture by the Security and are payable out of any of the Issuer's revenues, moneys or assets legally available therefor. The Issuer has not pledged or otherwise granted a lien upon the Trust Estate (as defined in the Indenture) for any obligation other than Class I Obligations, Class II Obligations and Class III Obligations (as each is defined in the Indenture). The Issuer has pledged to the Trustee its entire right, title and interest in each mortgage loan pledged as Security and such pledge conveys a first lien on such mortgage loans. The security for the Issuer's obligation with respect to the payment of principal and interest of Bonds, including Bank Bonds, under the Indenture includes a debt service reserve fund which is funded in the amount required under the Indenture and which has not, as of the date hereof, been drawn upon.

Section 6.22. Hedges. Attached hereto as Schedule 2 is a description of each Hedge related to the Bonds, the counterparty to such Hedge, the current ratings of such counterparty, termination events

for each Hedge, including any termination upon downgrade of the counterparty and any collateralization requirements. The Issuer has not cross-defaulted any obligation under a Hedge with its obligations under any other instrument.

Section 6.23. Investment Guidelines. Attached as Schedule 3 are the Issuer's investment guidelines for the investment of funds held under the Indenture.

ARTICLE VII

COVENANTS

The Issuer covenants and agrees that, so long as any of the Bonds shall be Outstanding or any amounts remain unpaid hereunder:

Section 7.1. Payment Obligations. The Issuer shall promptly pay or cause to be paid all amounts payable by it hereunder and under the Related Documents according to the terms hereof or thereof and shall duly perform each of its obligations under this Agreement and the other Related Documents to which it is a party. All payments of principal, interest and any other sums due hereunder shall be made in the amounts required hereunder without any reduction or setoff, notwithstanding the assertion of any right of recoupment or setoff or of any counterclaim by the Issuer. The Issuer's annual budget shall include the payment of all amounts payable by the Issuer hereunder, and, if applicable, the Issuer shall use its best efforts to cause the making of appropriations for payment of such amounts.

Section 7.2. Related Documents.

- (a) The Issuer agrees that it will perform and comply in all material respects with each and every covenant and agreement required to be performed or observed by it in each Related Document to which it is a party and in each case such provisions, together with the related definitions of terms contained therein, are hereby incorporated by reference herein with the same effect as if each and every such provision were set forth herein in its entirety.
- (b) The Issuer shall not enter into any new or replacement Related Document and shall not amend, supplement or otherwise modify in any material respect (or permit any of the foregoing), or request or agree to any consent or waiver under, or effect or permit the cancellation, acceleration or termination of, or (except as otherwise permitted under the Related Documents) release or permit the release of any collateral held under, any of the Related Documents without the prior written consent of each of the GSEs; provided, however, that the consent of the GSEs shall not be required with respect to supplements entered into solely for the purpose of providing for the issuance of a series of bonds pursuant to the Indenture, except as provided in Section 7.25(a) below. With respect to Indenture amendments, the determination of the GSEs as to the materiality of an amendment shall be controlling.
- (c) The Issuer shall at all times cause to be in place a Remarketing Agent acceptable to the GSEs. The Issuer covenants to cause the Remarketing Agent to use its best efforts at all times to remarket Bonds (including, without limitation, Bank Bonds held prior to the termination of the Credit and Liquidity Facility) at interest rates up to the Maximum Rate. If the Remarketing Agent fails to remarket any Bank Bonds for 30 consecutive calendar days, or otherwise fails to perform its duties under the Remarketing Agreement, then the Issuer agrees, at the written request of a GSE, to cause the Remarketing Agent to be replaced with a Remarketing Agent reasonably acceptable to the GSEs. The Remarketing Agreement shall obligate the Remarketing Agent to use its best efforts to remarket Bonds (including, without limitation, Bank Bonds) up to the

Maximum Rate. The Remarketing Agreement shall provide that the Remarketing Agent may not resign until a new remarketing agent is in place unless otherwise consented to by the GSEs. The GSEs shall be third party beneficiaries to the Remarketing Agreement.

- **Section 7.3. Reporting Requirements**. (a) *Books and Records; GAAP*. The Issuer shall keep proper books of record and account in which full, true and correct entries will be made of all dealings and transactions of or in relation to affairs, operations, transactions and activities of the Issuer in accordance with generally accepted accounting principles applicable to governmental entities, consistently applied, and will furnish to each GSE a copy of each of the following:
 - (b) **Non-Public Information**. As used in this section, "Information" means any information described in subsection (c) and "Non-Public Information" means any of the Information that, as of the date that such Information is due to be provided to the GSEs pursuant to subsection (c), the Issuer has not released to the general public or otherwise is not in the public domain. To the extent that any of the Information described in subsection (c) is Non-Public Information, each of the following shall apply:
 - (i) The Issuer may provide such Non-Public Information to the GSEs but, subject to clause (ii) below, is not obligated to do so. If the Issuer elects not to provide Non-Public Information, it shall identify the categories of Information that are then Non-Public Information and so inform the GSEs of that fact at the time such information is otherwise due to be provided under subsection (c);
 - (ii) If the Issuer elects not to provide Non-Public Information as stated in clause (i) above, but a GSE determines that the absence of any such information is a material impairment to its obligation to conduct its business in a safe and sound manner or is inconsistent with the requirements of applicable law or regulation, then the Issuer will provide such Information to that GSE at the times and as otherwise required by subsection (c); and
 - (iii) To the extent that the Issuer actually provides Non-Public Information pursuant to subsection (c), the Issuer will label such information as Non-Public Information and will segregate all Non-Public Information so that a GSE which elects not to look at the Non-Public Information can do so.
 - (c) **Information**. The Issuer agrees to furnish to each GSE a copy of each of the following:
 - (i) On the date that is the earlier of (i) ninety (90) days after the end of each quarter of each Fiscal Year of the Issuer and (ii) the day such information is first made available to the general public, the Issuer shall provide to each GSE the financial statements of the Issuer consisting of a balance sheet of the Issuer as at the end of such period, a statement of operations and a statement of cash flows of the Issuer for such period and, with respect to the report provided after the end of each Fiscal Year, there shall also be included a statement of the changes in net assets of the Issuer for such period. The financial statements referred to above shall be set forth in reasonable detail and shall be accompanied by, in the case of the annual statements, an audit report of the Issuer's auditor or nationally recognized independent certified public accountants stating that they have (except as noted therein) been prepared in accordance with generally accepted accounting principles consistently applied

(provided that such audit report need not be submitted until one hundred eighty (180) days after the end of the relevant Fiscal Year);

- (ii) On the date that is the earlier of (i) ninety (90) days after the end of each quarter of each Fiscal Year of the Issuer and (ii) the day such information is first made available to the general public, the Issuer shall provide to each GSE financial statements of the Issuer specific to each Indenture pursuant to which Bonds are outstanding consisting of a statement of operations and a statement of cash flows under each such Indenture for such period and, with respect to the report provided after the end of each Fiscal Year, there shall also be included a statement of the changes in net assets under each such Indenture for such period. The financial statements referred to above shall be set forth in reasonable detail and shall be accompanied by, in the case of the annual statements, an audit report of the Issuer's auditor or nationally recognized independent certified public accountants stating that they have (except as noted therein) been prepared in accordance with generally accepted accounting principles consistently applied (provided that such audit report need not be submitted until one hundred eighty (180) days after the end of the relevant Fiscal Year);
- (iii) Immediately after any officer of the Issuer obtains knowledge thereof, a certificate of the Issuer setting forth the occurrence of any Default or Event of Default, the details thereof and the action which the Issuer is taking or proposes to take with respect thereto;
- (iv) Quarterly, at the time each of the financial statements referenced in 7.3(a) above is provided, and otherwise at the request of a GSE, a certificate of the Issuer (i) stating whether there exists on the date of such certificate any Default or Event of Default and, if so, the details thereof and the action which the Issuer is taking or proposes to take with respect thereto and (ii) setting forth a description in reasonable detail of the amounts held in the Revenue Fund and other accounts under the Indenture;
- (v) Simultaneously with their release to the general public, disclosure statements of any kind prepared by the Issuer which disclose such matters as quarterly or other interim financial statements relating to each Indenture, portfolio composition information regarding each Indenture such as the percentage of loans insured under FHA, HUD, RDA, or VA programs or any pooled mortgage insurance program or securitization by GNMA or a GSE or portfolio performance information detailing such matters as delinquencies, foreclosures and real estate owned properties;
- (vi) Promptly upon receipt of notice by such Issuer of any such default, the occurrence of any material event of default by any counterparty to a Related Document;
- (vii) At the request of a GSE, copies of any information or request for information concerning this Agreement or any of the Related Documents as and when provided to the Trustee;
- (viii) Promptly after the receipt or giving thereof, copies of all notices of resignation by or removal of the Trustee, the Remarketing Agent or the Tender Agent which are received or given by the Issuer;

- (ix) Promptly after the adoption thereof, copies of any amendments to the Indenture, any of the other Related Documents (including replacement of or any new Related Document) and the Official Statement;
- (x) Within 30 days of the issuance of any public issuance of indebtedness of the Issuer payable from the Revenues under the Indenture, copies of any disclosure documents distributed in connection therewith;
- (xi) Any Annual Filing or Material Event Notice shall be delivered to the GSEs on the day it becomes available to the general public or the Bondholders or would be required to become available if Rule 15c2-12 were applicable to the Bonds;
- (xii) Simultaneously with the delivery of each set of the financial statements and the annual filing referred to in clauses (a) and (k) and otherwise at the request of the GSEs, or with respect to (iii) whenever prepared and available, (i) a copy of the most recent rating letter received relating to the Issuer Bond Rating and/or the Indenture rating, (ii) a certificate of the Issuer stating that the Issuer is in compliance with all financial covenants set forth in the Indenture; and (iii) a copy of the most recent cash flow certificates, financial reports and statements and annual budget (including portfolio performance reports detailing delinquencies and foreclosure rates and percentage of loans insured under the FHA, RDA and VA programs and any pooled mortgage insurance program, and the percentage of uninsured loans as set forth in Schedule 4 hereto);
- (xiii) Immediately upon receipt by the Issuer, any rating report or other rating action relative to the Issuer, the Bonds or any other bonds issued under the Indenture;
- (xiv) Immediately upon any such transfer, notice of any extraordinary payment or transfer of funds from the Indenture;
- (xv) In a timely manner at the request of a GSE, any data or information required by a GSE for use by a GSE in calculating performance under the Federal Housing Finance Agency's housing goal regulations or for use in complying with any other regulatory or legal requirement; and
- (xvi) Such other information, whether such information is published or unpublished, respecting the affairs, condition and/or operations, financial or otherwise, of the Issuer as a GSE may from time to time reasonably request (including, without limitation, data, including loan level data, required by the GSEs with respect to any asset management surveillance and/or disclosure requirement).
- (xvii) All reports required by this Section 7.3 shall be sent to each GSE at its email address specified in Section 10.3.
- **Section 7.4. Compliance With Law**. The Issuer shall comply with all laws, ordinances, orders, rules and regulations that may be applicable to it if the failure to comply could have a material adverse effect on the security for any of the Bonds, or the Issuer's ability to repay when due its obligations under this Agreement, any of the Bonds, and the Related Documents.
- **Section 7.5. Notices.** The Issuer will promptly furnish, or cause to be furnished, to each of the GSEs (with a copy to the Administrator and the Treasury's Agent) and to the Trustee (i) notice of the occurrence of any Event of Default or Default as defined herein or in the Indenture, (ii) notice of the

failure by the Remarketing Agent, the Tender Agent or the Trustee to perform any of its obligations under the Remarketing Agreement or the Indenture, (iii) notice of any proposed substitution of the Credit and Liquidity Facility, (iv) each notice required to be given to any liquidity facility provider pursuant to the Indenture, (v) notice of any litigation, administrative proceeding, proposed or enacted legislation or business development known to the Issuer which may materially adversely affect its business, properties or affairs or the ability of the Issuer to perform its obligations as set forth hereunder or under any of the Related Documents to which it is a party, and (vi) notice of any downgrade, withdrawal, or suspension of the Issuer Bond Rating or the placement of the Bonds or any Parity Debt on credit watch by a Rating Agency, or if a Rating Agency then under contract with the Issuer to maintain an Issuer Bond Rating expresses in writing a negative outlook as to such Issuer Bond Rating.

The Trustee will notify the GSEs, the Administrator and the Treasury's Agent by e-mail followed by telecopier and the Treasury by telecopier, at the addresses set forth in Section 10.3 of: (i) each notice of Optional Tender upon receipt; (ii) each notice of Mandatory Tender upon receipt; and (iii) not later than 4:00 p.m. on the Business Day before any Optional Tender or Mandatory Tender of Bonds, a statement as to principal amount of Bonds for which the Trustee or Tender Agent has received remarketing proceeds or notice from the Remarketing Agent that such principal amount of Bonds has been remarketed. The Trustee shall also provide to the Custodian and the Treasury's Agent as required by the Credit and Liquidity Facility at the addresses set forth in Section 10.3, all demands for an Advance (as defined in the Credit and Liquidity Facility) as and when delivered to the GSEs.

Section 7.6. Certain Information. The Issuer shall not include in an offering or remarketing document for the Bonds any information concerning a GSE that is not supplied in writing, or otherwise consented to, by such GSE expressly for inclusion therein, nor shall the Issuer make any changes in any reference to a GSE in any amendment or supplement to an offering or remarketing document for the Bonds without obtaining the prior written consent of such GSE thereto.

Section 7.7. Liquidity.

- (a) The Issuer agrees that, with respect to any Alternate Liquidity Facility, the Issuer will require, as a condition to its effectiveness, that the issuer of the Alternate Liquidity Facility provide funds to the extent necessary, in addition to other funds available, on the date the Alternate Liquidity Facility becomes effective, for the purchase of all Bank Bonds at par plus accrued interest (at the Bank Rate) through the Purchase Date. On such date any and all amounts due hereunder and under the Indenture or the Bonds due to the GSEs shall be payable in full to the GSEs.
- (b) The Issuer shall not permit an Alternate Liquidity Facility to become effective with respect to fewer than all of the Outstanding Bonds of a Series of Bonds without the prior written consent of the GSEs.
- **Section 7.8. Appointment of Successors and Replacements**. So long as this Agreement is in effect and the GSEs are not in default hereunder, the Issuer will not permit the appointment of a successor Trustee or Tender Agent or Remarketing Agent unless the Issuer has obtained the prior written consent of the GSEs, which consent will not be unreasonably withheld. The Issuer will cause a Remarketing Agent to be in place at all times while this Agreement is in effect or any Bank Bonds are outstanding.
- Section 7.9. Maintenance of Approvals: Filings, Etc. The Issuer shall at all times maintain in effect, renew and comply with all the terms and conditions of all consents, filings, licenses, approvals and authorizations as may be necessary or appropriate under any applicable law or regulation for its

execution, delivery and performance of this Agreement and the other Related Documents to which it is a party.

- **Section 7.10. Inspection Rights**. To the extent permitted by law, the Issuer shall, at any reasonable time and from time to time, upon reasonable notice, permit the GSEs or any agents or representatives thereof, at the Issuer's expense, to examine and make copies of the records and books of account related to the transactions contemplated by this Agreement, to visit its properties and to discuss its affairs, finances and accounts with any of its officers and independent accountants *provided*, *however*, that prior to the occurrence of an Event of Default, the Issuer shall not be required to pay for more than one inspection per fiscal year. The Issuer will not unreasonably withhold its authorization for its independent accountants to discuss its affairs, finances and accounts with the GSEs.
- **Section 7.11. Additional Obligations**. The Issuer shall not issue any bonds, notes or similar obligations or evidence of indebtedness payable from the Revenues or any other amounts, accounts or other property held under the Indenture except as permitted by the Indenture. So long as this Agreement remains in effect or any Bank Bonds remain Outstanding, the Issuer shall not issue any additional variable rate obligations except as permitted in Section 7.25(a).
- **Section 7.12. Permitted Liens**. The Issuer shall not create or incur or suffer to be incurred or to exist any Lien on the Revenues or any other funds, accounts or other property held under the Indenture except as permitted by the Indenture. The Issuer will take no action, nor fail to take any action, necessary to ensure that the Eligible Bonds purchased pursuant to this Agreement are free and clear of all liens, security interests or claims of any Person other than the GSEs, except for consensual liens or security interests as the GSEs may create.
- **Section 7.13. Issuer Bond Rating**. The Issuer shall use its best efforts to maintain the minimum Issuer Bond Ratings specified in Section 5.9 hereof.
- **Section 7.14. Litigation, Etc.** The Issuer shall give prompt notice in writing to the GSEs of any litigation, administrative proceeding or business development which may materially adversely affect its business, properties or affairs or the ability of the Issuer to perform its obligations as set forth hereunder or under any of the Related Documents to which it is a party, and shall in all events give prompt notice of any such litigation or proceeding involving a claim in excess of \$5,000,000 payable from the Revenues held under the Indenture.

Section 7.15. Indenture; Redemption of Bank Bonds; Payment of Fees.

- (a) While any Bank Bonds are outstanding and in accordance with the Indenture, the Issuer will, to the extent obligated under Section 4.1 hereof, (i) redeem Bank Bonds from available funds under the Indenture, and (ii) will redeem Bank Bonds prior to the optional redemption of any other Bonds under the Indenture.
- (b) The Issuer hereby agrees that fees and other amounts payable to each GSE (other than principal and interest on Bank Bonds and the obligation to reimburse the GSEs for Credit Enhancement Advances, Liquidity Advances and Mandatory Tender Advances) shall either (a) constitute Program Expenses pursuant to, and as defined in, the Indenture and, pursuant to the Indenture, will be paid from the Revenue Fund when due or (b) will be payable on the same priority as debt service on the Bonds, whichever is the more senior priority. The Issuer further agrees that to the extent sufficient funds are not available in the Revenue Fund to pay such fees and other amounts when due for any reason, the Issuer will immediately pay or cause to be paid such fees and other amounts from available funds of the Issuer.

Section 7.16. Maintenance of Existence. The Issuer shall preserve and maintain its existence as a body corporate and political subdivision of the State organized and existing under the laws of the State, and to perform its obligations under this Agreement and the Related Documents and will not, without the prior written consent of the GSEs, (i) merge or consolidate with any other organization nor (ii) sell, lease or transfer all or substantially all of its property to any Person, or turn over the management or operation of any substantial part of its business, property or assets, to any other Person, except as otherwise provided in the Indenture and the Act; provided, however, that the Issuer may consolidate with or merge into another governmental entity that assumes in writing all the obligations of Issuer in form and substance satisfactory to the GSEs and such consolidations or merger will not impair or adversely affect the security supporting its obligations to the GSEs or otherwise have a material adverse effect upon the Bonds, this Reimbursement Agreement or the Related Documents.

Section 7.17. Swap Termination Fees. So long as this Agreement remains in effect, the Issuer shall not permit any swap termination fees to be payable on a basis senior to or on a parity with the Bonds or the Issuer's obligations under this Agreement.

Section 7.18. Further Assurances. The Issuer will at any and all times, insofar as it may be authorized so to do by law, authorize, make, do, execute, acknowledge and deliver every and all such further resolutions, acts, deeds, conveyances, assignments, recordings, filings, transfers and assurances as may be reasonably necessary for the better assuring, conveying, granting, assigning and confirming all and singular the rights of the GSEs hereunder or payment of the obligations of the Issuer arising under or pursuant to this Agreement, or intended so to be, or which the Issuer may hereafter become bound to pledge or assign thereto, including the maintenance of the security interests in the Revenues created pursuant to the Indenture.

Section 7.19. Disclosure to Participants. The Issuer shall permit each GSE to disclose any information received by such GSE in connection herewith, including without limitation the financial information described in Section 7.3 hereof, to any Participants; provided, that the GSE shall require, as a condition to providing any such information to any Participant, an agreement on the part of said Participant to maintain the confidentiality of said information unless said Participant is required to release such information pursuant to any statute, rule, regulation or judicial process or upon the lawful demand of any court or agency having jurisdiction over such Participant.

Section 7.20. Conversions; Defeasance. The Issuer shall promptly furnish, or cause to be furnished, to each GSE, not later than its furnishing the same to the Remarketing Agent, a copy of any written notice furnished by the Issuer to the Remarketing Agent pursuant to the Indenture indicating a proposed conversion or change of the interest rate on a Series of the Bonds to a rate other than a variable rate. The Issuer shall not consummate any such conversion without the prior written consent of each of the GSEs. In addition, the Issuer will not defease, nor allow the defeasance of, the Bonds without having contemporaneously satisfied all of its obligations hereunder, including the Bank Bonds. The Issuer and Trustee hereby recognize that any such conversion of the interest rate mode shall result in a termination of the Credit and Liquidity Facility with respect to the Series of Bonds so converted if the entire Series of Bonds is so corrected.

Section 7.21. Investment Securities. The Issuer shall not permit any funds invested under the Indenture to be invested in obligations, securities or other investments of a type not included within the categories permitted for such purpose in the Indenture, will comply with the investment guidelines attached hereto as Schedule 3 and will not modify such investment guidelines without the prior written consent of the GSEs.

Section 7.22. [Reserved.]

Section 7.23. Maintenance of Tax-Exempt Status of the Bonds. Solely with respect to those Series of Bonds that bear interest that is intended to be tax exempt, the Issuer will not take any action or omit to take any action which, if taken or omitted, would adversely affect the exclusion from gross income of such interest on those Bonds for purposes of the exemption of such interest from Federal income taxes.

Section 7.24. No Leverage; No Derivatives. The Issuer shall not acquire any investments with funds pledged to payment of Bonds or amounts due hereunder on margin, nor shall the Issuer enter into any Hedge without the prior written consent of the GSEs.

Section 7.25. Special GSE Program Covenants. The Issuer covenants that it will:

- (a) Not issue new bonds under the Indenture in a variable rate demand, adjustable rate or auction rate mode other than variable rate bonds issued and acquired by the GSEs under the GSEs' HFA Initiative Program;
- (b) Transition, as the market stabilizes, to private liquidity providers or other funding mechanisms that will result in a reduction in the principal amount of Bonds supported by the Credit and Liquidity Facility;
- (c) Continuously monitor the market with the objective of converting each Series of Bonds to a fixed rate financing without credit enhancement from the GSEs and effect such a conversion if it can be accomplished at a break even cost to the Issuer, including the cost of terminating any interest rate swap related to such Series of Bonds;
- (d) Certify annually on the anniversary date of the Effective Date that a conversion to fixed rate was uneconomical during the prior year;
- (e) Prepare documents within six (6) months of delivery of the Effective Date that will allow the Issuer to expeditiously convert each Series of Bonds to fixed rate securities if economic conditions permit;
- (f) Except as limited by tax law requirements and except for scheduled or other required redemptions, redeem Bank Bonds ahead of any other outstanding bonds issued pursuant to the Indenture:
- (g) Apply available excess funds under the Indenture to redeem all Bank Bonds upon expiration of the Credit and Liquidity Facility;
- (h) To the extent the Issuer does not have sufficient funds to redeem all Bank Bonds on or before the termination of the Credit and Liquidity Facility, pay the outstanding Bank Bonds over a 10-year period in accordance with the requirements of Section 4.1(b) hereof;
- (i) The Issuer shall take all steps necessary to assure that all assets and revenues of any description pledged to the payment of the Bonds and all other bonds issued under the Indenture shall be applied strictly in accordance with, and solely for the purposes and in the amounts specified and permitted by, the terms of the Indenture.
- (j) The Issuer shall not exercise any rights it may have to make voluntary withdrawals of cash or other assets from the lien of the Indenture except under the following circumstances and within the following limits:

- (i) No withdrawals whatsoever shall be made during any period that either (A) any of the unenhanced long term credit ratings on the Bonds are below (i) "Baa3" by Moody's (if rated by Moody's) or (ii) "BBB-" by S&P or Fitch (if rated by S&P or Fitch) or (B) Bank Bonds are outstanding (except withdrawals to redeem Bank Bonds).
- (ii) No withdrawals whatsoever shall be made to the extent that such withdrawal would adversely affect any of the unenhanced long term credit ratings on the Bonds that are effective immediately prior to such withdrawal.
- (iii) Withdrawals shall be made only to (A) fund programs sponsored by, or other administrative expenses of, the Issuer which have been historically funded with the proceeds of withdrawals from the Indenture, and the annual amount of such withdrawals shall be consistent with the annual amount of past withdrawals for such purposes or (B) to redeem Bank Bonds or Bonds.
- (iv) Prior to and as a condition to each withdrawal, the Issuer shall (i) obtain and furnish to the GSEs and to the Treasury a confirmation from each of the rating agencies maintaining a long term rating on the Bonds that the proposed withdrawal will not adversely affect such rating and (ii) provide a written certification to the GSEs and to Treasury specifying the amount and purpose of the withdrawal and that the requirements of this Section 7.25(j) have been met with respect to such withdrawal.
- (k) No later than 90 days prior to the stated expiration date of the Credit and Liquidity Facility either: (i) refinance or defease the Bonds; (ii) provide a substitute liquidity facility; or (iii) convert the Bonds to a fixed interest rate. The Issuer agrees and acknowledges that failure to effect either (i), (ii) or (iii) above will result in a mandatory tender in whole of the Bonds on or prior to the stated expiration date of the Credit and Liquidity Facility.
- (l) With respect to the purchase, origination, enforcement and servicing of mortgage loans and mortgage –backed securities ("MBS") the Issuer shall:
 - (i) originate or cause to be originated, mortgage loans and purchase, or cause to be purchased, MBS in a manner consistent with applicable state law, the Indenture and any supplements thereto, and such other related documents by which the Issuer is bound:
 - (ii) cause all Mortgage Loans to be serviced pursuant to the servicing requirements of the Issuer, GNMA, FHA Fannie Mae and Freddie Mac, as applicable, or any other party providing credit support in respect of any Mortgage Loans held under the Indenture;
 - (iii) diligently take all steps necessary or desirable to enforce all terms of the mortgage loans, MBS, loan program documents and all such other documents evidencing obligations to the Issuer; and
 - (iv) diligently take all actions consistent with sound mortgage loan origination, purchase and servicing practices and principles as may be necessary to receive and collect sufficient revenues to pay debt service when due on the Bonds.

ARTICLE VIII

EVENTS OF DEFAULT

The occurrence of any of the following events shall constitute an "Event of Default":

- **Section 8.1. Payments**. Any principal of, or interest on, any Bond (including any Bank Bond) shall not be paid when due (disregarding for such purposes payments made from Credit Enhancement Advances); or
- **Section 8.2. Fee Payments; Reimbursement**. The Issuer shall fail to pay any amount owing under Section 2.2, 3.7 or 4.1 hereof when and as the same shall become due; or
- **Section 8.3. Representations**. Any representation or warranty made or deemed to be made to the GSEs by or on behalf of the Issuer in this Agreement or in any Related Document or in any certificate or statement delivered hereunder or thereunder shall be incorrect or untrue in any material respect when made or deemed to have been made; or
- **Section 8.4. Certain Covenants.** The Issuer shall fail to observe or perform any covenant or agreement of the Issuer set forth in Sections 7.1 to the extent it relates to the payment of obligations, 7.2(b) and (c), 7.5, 7.6, 7.7, 7.8, 7.11, 7.12, 7.14, 7.15, 7.17, 7.20, 7.21, 7.24, and 7.25(a), (f), (g) and (j) hereof; or
- **Section 8.5. Other Covenants**. The Issuer shall default in the due performance or observance of any other term, covenant or agreement contained (or incorporated by reference) or there is any Default in this Agreement (other than those referred to in Sections 8.1, 8.2, 8.3, and 8.4 hereof) and such Event of Default or Default shall remain unremedied for a period of thirty (30) days after the GSEs shall have given written notice thereof to the Issuer; or

Section 8.6. Insolvency. (a) The Issuer shall commence any case, proceeding or other action (i) under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate it a bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to it or its Debts, or (ii) seeking appointment of a receiver, trustee, custodian or other similar official for it or for all or any substantial part of its assets, or the Issuer shall make a general assignment for the benefit of its creditors; or (b) there shall be commenced against the Issuer any case, proceeding or other action of a nature referred to in clause (a) above which (i) results in an order for such relief or in the appointment of a receiver or similar official or (ii) remains undismissed, undischarged or unbonded for a period of sixty (60) days; or (c) there shall be commenced against the Issuer, any case, proceeding or other action seeking issuance of a warrant of attachment, execution, rehabilitation, distraint or similar process against all or any substantial part of its assets (including the Security), which results in the entry of an order for any such relief which shall not have been vacated, discharged, or stayed or bonded pending appeal within sixty (60) days from the entry thereof; or (d) the Issuer shall take any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clause (a), (b) or (c) above; or (e) the Issuer shall generally not, or shall be unable to, and so admit in writing its inability to, pay its Debts; or (f) a moratorium, restructuring, adjustment or comparable extraordinary restriction shall have been declared (whether or not in writing) with respect to the Bonds or Parity Debt of the Issuer by the Issuer or the State (including, without limitation, any of the executive, legislative or judicial branches of government thereof) or any federal government agency or authority having jurisdiction over the Issuer;

Section 8.7. Invalidity. (a) Any provision of the Act, this Agreement, the Indenture, the Bonds or any Parity Debt relating to the payment of the principal of or interest on the Bonds (including any Bank Bonds) or any Parity Debt or the Security therefor shall at any time and for any reason cease to be valid and binding on the Issuer as a result of (i) finding or ruling, (ii) enactment or adoption of legislation, (iii) issuance of an executive order or (iv) entry of a judgment or decree, in each instance, by a Governmental Agency having appropriate jurisdiction over the Issuer that such a provision is null and void, invalid or unenforceable; or (b) the Issuer shall have taken or permitted to be taken any official action which would adversely affect the enforceability of this Agreement, the Bonds, the Act, the Indenture or any Parity Debt relating to the payment of the principal or interest on the Bonds (including any Bank Bonds) or any Parity Debt or the Security therefor or results in a repudiation of its obligation to pay the Bonds (including any Bank Bonds); or (c) the Issuer (i) challenges the validity or enforceability of any provision of this Agreement, the Bonds, the Act, the Indenture or any Parity Debt relating to or otherwise affecting (A) the obligation to pay the principal of or interest on the Bonds, the Bank Bonds or any Parity Debt or (B) the Security available for repayment of the principal of or interest on the Bonds, the Bank Bonds or any Parity Debt or (ii) seeks an adjudication that any provision of this Agreement, the Act, the Indenture, the Bonds or any Parity Debt relating to or otherwise affecting (A) the Issuer's obligation to pay the principal of or interest on the Bonds, the Bank Bonds or any Parity Debt or (B) the Security available for repayment of the principal of or interest on the Bonds, the Bank Bonds or any Parity Debt is not valid and binding on the Issuer; or

Section 8.8. Ratings Withdrawal or Suspension. Each of Moody's, Fitch and S&P shall have (a) withdrawn their long-term ratings of the Bonds or any unenhanced Parity Debt for any credit related reasons; or (b) suspended their long-term ratings of the Bonds or any unenhanced Parity Debt for any credit related reasons; or

Section 8.9. Default on Other Obligations. The Issuer shall fail to pay when due and payable (whether by scheduled maturity, required prepayment, acceleration, demand or otherwise) any Parity Debt, or any interest or premium thereon, and such failure shall continue beyond any applicable period of grace specified in any underlying resolution, indenture, contract or instrument providing for the creation of or concerning such Parity Debt, or pursuant to the provisions of any such resolution, indenture, contract or instrument, the maturity of any Parity Debt shall have been or, as a result of a payment default of any nature, may be accelerated or shall have been, or, as a result of a payment default of any nature, may be required to be prepaid prior to the stated maturity thereof; or

Section 8.10. Judgment. A final non appealable judgment or order for the payment of money that exceeds \$5,000,000 in aggregate shall have been rendered against the Issuer and shall be payable from or attach to the Revenues or other monies pledged to the payment of the Bonds under the Indenture, and such judgment or order shall not have been satisfied within a period of 30 days from the date on which such judgment was rendered; or

Section 8.11. Maintenance of Tax-Exempt Status of the Bonds. Solely with respect to those Series of Bonds that bear interest that is intended to be tax exempt, the issuance of a Proposed Determination by the Internal Revenue Service which, if not terminated, revoked or omitted, would adversely affect the exclusion from gross income of such interest on those Bonds for purposes of the exemption of such interest from Federal income taxes; or

Section 8.12. Event of Default Under Related Documents. An event of default shall occur and be continuing under any Related Documents.

Section 8.13. Remedies.

- (a) Upon the occurrence of any Event of Default, the GSEs may, in a written notice executed by both GSEs, declare all accrued and unpaid amounts payable to them hereunder to be immediately due and payable (other than payments of principal of and interest on Bank Bonds, acceleration rights with respect to which are governed by the Indenture), and the GSEs shall have all remedies provided at law or in equity, including, without limitation, specific performance; provided, however, the GSEs agree to fund Advances under the Credit and Liquidity Facility notwithstanding the occurrence of an Event of Default.
- (b) Upon the occurrence of any Event of Default, the GSEs may, in a written notice executed by both GSEs, give notice to the Tender Agent and Trustee of their election to require the Tender Agent/Trustee to cause a Mandatory Tender of all of Bonds of each applicable Series.
- (c) The remedies provided in (a) and (b) above are not exclusive, and the GSEs hereby reserve the right and shall have the right to pursue any other available remedies, whether provided by law, equity, in any Related Document or this Agreement.

ARTICLE IX

OBLIGATIONS ABSOLUTE

- **Section 9.1. Obligations Absolute**. The obligations of the Issuer under this Agreement shall be absolute, unconditional and irrevocable and shall be paid or performed strictly in accordance with the terms of this Agreement, under all circumstances whatsoever, including, without limitation, the following circumstances:
 - (a) to the extent permitted by applicable law, any lack of validity or enforceability of this Agreement or any Related Document or any other agreement or instrument delivered in connection herewith or therewith;
 - (b) any amendment or waiver of or any consent to departure from, the terms of any of the Related Documents;
 - (c) the existence of any claim, set-off, defense or other right which the Issuer may have at any time against the Tender Agent, the Trustee, the Remarketing Agent, the GSEs or any other Person, whether in connection with this Agreement, the Related Documents or any unrelated transaction; provided, however, that nothing herein contained shall prevent the assertion of such claim by separate suit;
 - (d) any statement or any other document presented other than by the GSEs under this Agreement or any of the Related Documents proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect whatsoever; or
 - (e) any other circumstances or happening whatsoever, whether or not similar to any of the foregoing.

ARTICLE X

MISCELLANEOUS

Section 10.1. Amendments; Liability of the GSEs.

- (a) No amendment or waiver of any provision of this Agreement, nor consent to any departure by the Issuer therefrom, shall in any event be effective unless the same shall be in writing and signed by each of the GSEs, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.
- With respect to each GSE, to the extent permitted by law, the Issuer assumes all (b) risks of the acts or omissions of the Tender Agent, the Trustee, the Remarketing Agent and any of their agents in respect of their use of this Agreement or the Credit and Liquidity Facility or any amounts made available by a GSE under the Credit and Liquidity Facility. Neither of the GSEs nor any of its officers or directors shall be liable or responsible for: (i) the use which may be made of this Agreement or any amounts made available by the GSEs under the Credit and Liquidity Facility or for any acts or omissions of the Trustee, the Tender Agent or the Remarketing Agent or their agents in connection therewith; (ii) the validity, sufficiency or genuineness of documents, or of any endorsement(s) thereon, even if such documents should in fact prove to be in any or all respects invalid, insufficient, fraudulent or forged; or (iii) any other circumstances whatsoever in making or failing to make payment under the Credit and Liquidity Facility, except only that the Issuer shall have a claim against a GSE, and such GSE shall be liable to the Issuer to the extent, but only to the extent, of any direct, as opposed to consequential, damages suffered by the Issuer which the Issuer proves (as evidenced by a final decision by a court of competent jurisdiction) were caused by such GSE's gross negligence or willful failure to make payment under the Credit and Liquidity Facility strictly in accordance with the terms thereof. In furtherance and not in limitation of the foregoing, each GSE may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary.
- (c) The Issuer assumes all risks associated with the acceptance by each GSE of documents received by telecommunication, it being agreed that the use of telecommunication devices is for the benefit of the Issuer and that each GSE assume no liabilities or risks with respect thereto.

Section 10.2. Costs and Expenses.

- (a) To the extent permitted by law, the Issuer agrees to reimburse each of the GSEs in respect of all reasonable out-of-pocket costs, charges and expenses (including reasonable attorneys' fees) arising in connection with the preparation, execution, delivery, administration and enforcement of, preservation of rights in connection with a workout, restructuring or default under an amendment or waiver with respect to, this Agreement, the Bonds, the Credit and Liquidity Facility and the other Related Documents.
- (b) To the extent permitted by law, the Issuer agrees to indemnify and hold harmless each GSE, its officers, directors, employees and agents (each an "Indemnified Party") from and against any and all claims, damages, losses, liabilities, reasonable costs or expenses whatsoever which an Indemnified Party may incur (or which may be claimed against an Indemnified Party by any Person) by reason of or in connection with the execution and delivery of and consummation of the transactions contemplated under this Agreement and the Related Document, including,

without limitation, (i) the offering, sale, remarketing or resale of Bonds (including, without limitation, by reason of any untrue statement or alleged untrue statement contained or incorporated by reference in any preliminary official statement or official statement, or in any supplement or amendment thereof, prepared with respect to the Bonds, or the omission or alleged omission to state therein a material fact necessary to make such statements, in the light of the circumstances under which they are or were made, not misleading or the failure to deliver a preliminary official statement or an official statement to any offeree or purchaser of Bonds) and (ii) the execution and delivery of, or payment or failure to pay by any Person (other than a GSE as and when required by the terms and provisions hereof) under, this Agreement; provided, however, that the Issuer shall not be required to indemnify a GSE for any claims, damages, losses, liabilities, costs or expenses to the extent, but only to the extent, caused by (a) the willful misconduct or gross negligence of such GSE (including without limitation, failure of a GSE to honor its obligations to advance funds upon the satisfaction of the applicable conditions precedent set forth in the Credit and Liquidity Facility and in accordance with the terms of the Credit and Liquidity Facility) or (b) the material inaccuracy of any information included or incorporated by reference in any official statement referred to in Section 6.8 hereof concerning a GSE which was furnished in writing by a GSE expressly for inclusion or incorporated by reference therein. Nothing in this Section 10.2 is intended to limit the obligations of the Issuer under the Bonds or of the Issuer to pay its obligations hereunder and under the Related Documents.

(c) The provisions of this Section 10.2 and Sections 3.8 and 3.9 hereof shall survive the termination of this Agreement and the payment in full of the Bonds and the obligations of the Issuer hereunder. Each GSE shall notify the Issuer of any amounts which are owed to such party pursuant to this Section 10.2.

Section 10.3. Notices. Unless otherwise specified herein, all notices, requests, demands or other communications to or upon the respective parties hereto or referred to herein shall be deemed to have been given (i) in the case of notice by letter, when delivered by hand or four (4) days after the same is deposited in the mails, first class postage prepaid, and (ii) in the case of notice by telecopier or e-mail, when sent, receipt confirmed, addressed to them as follows or at such other address as any of the parties hereto may designate by written notice to the other parties hereto and the Remarketing Agent:

Section 10.4. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the Issuer, the Trustee, the Tender Agent and each GSE, and their respective successors, endorsees and assigns, except that, as long as this Agreement is in effect and each GSE is not in default hereunder, the Issuer may not assign or transfer its rights or obligations hereunder without the prior written consent of the GSEs. Each GSE may grant a participation to any financial institution or governmental entity in all or any part of, or any interest (undivided or divided) in, such GSE's rights and benefits under this Agreement, any Bonds owned by it and the other Related Documents, and to the extent of that participation such Participant shall, except as set forth in the following clause (ii), have the same rights and benefits against the Issuer hereunder as it would have had if such Participant were a direct party hereto; provided that (i) no such participation shall affect the obligations of a GSE to make Advances as required by the Credit and Liquidity Facility; (ii) the Issuer shall be required to deal only with each GSE with respect to any matters under this Agreement and no such Participant shall be entitled to enforce directly against the Issuer any provision hereunder; (iii) no Participant shall be entitled to recover amounts hereunder in excess of any amounts to which a GSE is entitled to recover hereunder; and (iv) such Participant shall not be any Person registered as an investment company under the Investment Company Act of 1940, as amended, substantially all of the assets of which are invested in obligations exempt from federal income taxation under Section 103 of the Code or any similar or successor provision.

The obligations of a GSE under the Credit and Liquidity Facility or any part thereof may be assigned by a GSE to any financial institution only with the prior written consent of the Issuer and the prior written confirmation of the existing ratings by each Rating Agency then rating the Bonds.

Section 10.5. Governing Law; Waiver of Jury Trial; Venue.

- (a) THIS AGREEMENT SHALL BE GOVERNED BY, AND INTERPRETED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO THE RULES OF CONFLICTS OF LAWS; PROVIDED, HOWEVER, THAT THE DUTIES AND OBLIGATIONS OF THE ISSUER UNDER THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF COLORADO, WITHOUT GIVING EFFECT TO CONFLICT OF LAW PRINCIPLES.
- (b) TO THE FULLEST EXTENT PERMITTED BY LAW, THE ISSUER, THE TRUSTEE, THE TENDER AGENT, FREDDIE MAC AND FANNIE MAE WAIVE THEIR RESPECTIVE RIGHTS TO A TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION

BASED UPON OR ARISING OUT OF OR RELATED TO THIS AGREEMENT, ANY OTHER DOCUMENT DELIVERED IN CONNECTION HEREWITH, OR THE TRANSACTIONS CONTEMPLATED HEREBY OR IN ANY ACTION, PROCEEDING OR OTHER LITIGATION OF ANY TYPE BROUGHT BY ANY OF THE PARTIES AGAINST ANY OTHER PARTY OR ANY GSE-RELATED PERSON. PARTICIPANT OR ASSIGNEE. WHETHER WITH RESPECT TO CONTRACT CLAIMS, TORT CLAIMS, OR OTHERWISE. THE ISSUER, THE TRUSTEE, THE TENDER AGENT, AND THE GSEs AGREE THAT ANY SUCH CLAIM OR CAUSE OF ACTION SHALL BE TRIED BY A COURT TRIAL WITHOUT JURY. WITHOUT LIMITING THE FOREGOING, THE PARTIES FURTHER AGREE THAT THEIR RESPECTIVE RIGHT TO A TRIAL BY JURY IS WAIVED BY OPERATION OF THIS SECTION AS TO ANY ACTION, COUNTERCLAIM OR OTHER PROCEEDING WHICH SEEKS, IN WHOLE OR IN PART, TO CHALLENGE THE VALIDITY OR ENFORCEABILITY OF THIS AGREEMENT OR ANY OTHER DOCUMENT DELIVERED IN CONNECTION HEREWITH OR ANY PROVISION HEREOF OR THEREOF. THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT AND ANY OTHER DOCUMENTS DELIVERED IN CONNECTION THEREWITH. TO THE FULL EXTENT PERMITTED BY LAW, EACH OF THE ISSUER, THE TRUSTEE, THE TENDER AGENT, AND THE GSEs HEREBY WAIVE TRIAL BY JURY IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OF THE RELATED DOCUMENTS.

(c) THE ISSUER, THE TRUSTEE, THE TENDER AGENT, FREDDIE MAC AND FANNIE MAE HEREBY AGREE THAT ANY LITIGATION INVOLVING ENFORCEMENT OF THE PROVISIONS HEREOF SHALL BE BROUGHT IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK AND EACH PARTY, TO THE FULLEST EXTENT PERMITTED BY LAW, CONSENTS TO THE JURISDICTION OF SUCH COURT.

Section 10.6. No Waivers, Amendments, Etc. No provision of this Agreement shall be waived, amended or supplemented except by a written instrument executed by the parties hereto.

Section 10.7. Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 10.8. Source of Funds. The GSEs agree that all funds provided by either under the Credit and Liquidity Facility will be paid from funds of the GSEs and not directly or indirectly from funds or collateral on deposit with or for the account of, or pledged with or for the account of, the GSEs by the Issuer.

Section 10.9. Term of the Agreement.

- (a) **Term**. The term of this Agreement shall be until the later of (x) the termination or expiration of the Credit and Liquidity Facility and (y) the payment in full of the principal of and interest on all Bank Bonds and all other amounts due hereunder.
- (b) **No Extension**. No extension of the term of the Credit and Liquidity Facility will be offered by the GSEs.

Section 10.10. Headings. Section headings in this Agreement (the texts of which are set forth in the Table of Contents hereof) are included herein for convenience of reference only and shall not have any effect for purposes of interpretation or construction of the terms of this Agreement.

Section 10.11. Complete and Controlling Agreement. This Agreement and the other Related Documents completely set forth the agreements between the GSEs and the Issuer and completely supersede all prior agreements, both written and oral, between GSEs and the Issuer relating to the matters set forth herein and in the Related Documents.

Section 10.12. Losses Relating to Telephonic Notices. The Issuer hereby agrees to compensate the GSEs for the loss of use of funds in the event the GSEs disburse funds under the Credit and Liquidity Facility (a) in any attempt to make purchases of Bonds based upon telephonic requests made by any Person or Persons which the GSEs in good faith believes to be the Tender Agent or its designees (but the foregoing shall not imply any standard of care against the GSEs with respect to requests made in any other manner, except as otherwise expressly agreed herein), and (b) in any amount in excess of that actually required to purchase Bonds due to the Tender Agent incorrectly stating such amount in its Purchase Notice (to the extent such loss of use of funds is not covered by Section 3.3(b) hereof). A certificate of the GSEs as to the amount of any such loss shall be conclusive, absent manifest error. The Issuer shall be entitled to payment and reimbursement by the Tender Agent for the amount of such loss that resulted from the negligence or misconduct of the Tender Agent.

Section 10.13. Severability. If any provision of this Agreement shall be held or deemed to be or shall in fact be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever.

Section 10.14. Notices to, and Independent Rights of, the GSEs. Each GSE is entitled to each notice required to be given hereunder and notice to one GSE shall not constitute notice to the other GSE nor shall it satisfy a requirement that the GSEs be provided notice of an event. Each GSE shall be entitled to exercise its rights hereunder independently and no consent, approval or waiver which is required of the GSEs hereunder shall be effective unless provided by each GSE separately.

Certain Information Concerning Fannie Mae and Freddie Mac

Fannie Mae

The information presented under this caption "Fannie Mae" has been supplied by Fannie Mae. None of the Authority, the Trustee, or the Remarketing Agent has independently verified such information, and none assumes responsibility for the accuracy of such information. The information is qualified in its entirety by reference to the documents incorporated by reference, as defined below.

Fannie Mae is a government-sponsored enterprise that was chartered by the U.S. Congress in 1938, organized and existing under the Federal National Mortgage Association Charter Act, 12 U.S.C. 1716 et seq. (the "Charter"). Fannie Mae has a public mission to support liquidity and stability in the secondary mortgage market, where existing mortgage loans are purchased and sold. Fannie Mae securitizes mortgage loans originated by lenders in the primary mortgage market into mortgage-backed securities ("Fannie Mae MBS"), which can then be bought and sold in the secondary mortgage market. Fannie Mae also participates in the secondary mortgage market by purchasing mortgage loans (often referred to as "whole loans") and mortgage-related securities, including Fannie Mae MBS, for Fannie Mae's mortgage portfolio. In addition, Fannie Mae makes other investments to increase the supply of affordable housing, however, pursuant to the Charter, Fannie Mae may not lend money directly to consumers in the primary mortgage market. Although Fannie Mae is a corporation chartered by the U.S. Congress, the conservator of Fannie Mae is a U.S. Government agency, and the United States Department of Treasury ("Treasury") owns senior preferred stock and a warrant to purchase common stock of Fannie Mae, the U.S. Government (including Treasury) does not guarantee, directly or indirectly, the securities or other obligations of Fannie Mae.

On September 6, 2008, the Director of the Federal Housing Finance Agency ("FHFA"), the safety, soundness and mission regulator of Fannie Mae, placed Fannie Mae into conservatorship and appointed FHFA as the conservator. As the conservator, FHFA succeeded to all rights, titles, powers and privileges of Fannie Mae, and of any stockholder, officer or director of Fannie Mae with respect to Fannie Mae and the assets of Fannie Mae. As such, FHFA has the authority to conduct all business of Fannie Mae. Pursuant to the Housing and Economic Recovery Act of 2008, FHFA, as conservator, may take "such action as may be necessary to put the regulated entity in a sound and solvent condition." Fannie Mae has no control over FHFA's actions or the actions it may direct Fannie Mae to take. The conservatorship has no specified termination date; Fannie Mae does not know when or how the conservatorship will be terminated. In addition, the Board of Directors of Fannie Mae does not have any fiduciary duties to any person or entity except to FHFA, as conservator. Accordingly, the Board of Directors is not obligated to consider the interests of Fannie Mae or the stockholders of Fannie Mae unless specifically directed to do so by FHFA, as conservator. The United States Department of Housing and Urban Development, however, remains Fannie Mae's regulator with respect to fair lending matters.

On September 7, 2008, Fannie Mae, through its conservator, entered into two agreements with Treasury – a Senior Preferred Stock Purchase Agreement ("Stock Purchase Agreement") and a Common Stock Warrant ("Warrant"). Pursuant to the Stock Purchase Agreement, Fannie Mae issued to Treasury 1,000,000 shares of senior preferred stock ("Senior Preferred Stock") with an initial liquidation preference of \$1,000 per share and the Warrant, which allows Treasury to purchase, for a nominal price, shares of common stock equal to 79.9% of the outstanding common stock of Fannie Mae. The Senior Preferred Stock and the Warrant were issued to Treasury as an initial commitment fee for Treasury's commitment (the "Commitment"), set forth in the Stock Purchase Agreement, to provide up to \$100 billion in funds to Fannie Mae under specified conditions. The Stock Purchase Agreement was

amended and restated on September 26, 2008 and was further amended on May 6, 2009 to, among other things, increase the size of the Commitment to \$200 billion. Fannie Mae generally may draw funds under the Commitment on a quarterly basis when Fannie Mae's total liabilities exceed its total assets on its consolidated balance sheet prepared in accordance with generally accepted accounting principles as of the end of the preceding quarter. Additional information about the conservatorship, the Stock Purchase Agreement, the Warrant and the Commitment is included in Fannie Mae's Annual Report on Form 10-K for the year ended December 31, 2008 (the "2008 Form 10-K") and Fannie Mae's quarterly reports on Form 10-Q for the quarters ended March 31, 2009, June 30, 2009 and September 30, 2009, respectively, which are incorporated by reference into this section of the Supplement.

Through September 30, 2009, Fannie Mae had received a total of \$44.9 billion from Treasury under the Commitment. At September 30, 2009, Fannie Mae's total liabilities exceeded its total assets on its consolidated balance sheet by \$15.0 billion. On November 4, 2009, the Acting Director of FHFA submitted a request on Fannie Mae's behalf to Treasury to draw additional funds under the Commitment by December 31, 2009 to eliminate Fannie Mae's net worth deficit as of September 30, 2009. Amounts drawn on the Commitment are added to the liquidation preference of the Senior Preferred Stock, which currently has a 10% annual dividend rate. Upon the receipt of the requested funds from Treasury, (i) Fannie Mae will have drawn a total of \$59.9 billion in funds under the Commitment, (ii) the aggregate liquidation preference of the Senior Preferred Stock will equal \$60.9 billion and (iii) the annualized dividend obligation on the Senior Preferred Stock, based upon the 10% annual dividend rate, will be \$6.1 billion. If dividends are not paid quarterly and in cash, the annual dividend rate would increase to 12%, and the unpaid dividend would accrue and be added to the liquidation preference of the Senior Preferred Stock.

On September 19, 2008, Fannie Mae entered into a lending agreement with Treasury (the "**Treasury Credit Facility**") under which Fannie Mae may request loans from Treasury until December 31, 2009, although Treasury is not obligated to make any such requested loan. To borrow from Treasury under the Treasury Credit Facility, Fannie Mae must post collateral in the form of agency mortgage-backed securities to secure all such borrowings under the Treasury Credit Facility. As of the date of the Supplement, Fannie Mae has not borrowed any funds under the Treasury Credit Facility.

The Stock Purchase Agreement, the Warrant and the Treasury Credit Facility contain covenants that significantly restrict Fannie Mae's business activities. These covenants include prohibitions on the following activities unless prior written consent of Treasury is obtained (i) the issuance of equity securities (except in limited instances), (ii) the payment of dividends or other distributions on Fannie Mae's equity securities (other than the Senior Preferred Stock or the Warrant) and (iii) the issuance of subordinated debt securities. The covenants also limit the amount of debt securities Fannie Mae may have outstanding. These covenants are summarized in the 2008 Form 10-K and Fannie Mae's quarterly report on Form 10-Q for the quarter ended March 31, 2009.

The securities of Fannie Mae are not guaranteed by the United States Government (including Treasury) and do not constitute a debt or obligation of the United States or any agency or instrumentality thereof, including Treasury and FHFA, other than Fannie Mae.

Information on Fannie Mae and its financial condition is contained in periodic reports that are filed with the Securities and Exchange Commission (the "SEC"). The SEC filings are available at the SEC's website at www.sec.gov. The periodic reports filed by Fannie Mae with the SEC are also available on Fannie Mae's web site at http://www.fanniemae.com/ir/sec or from Fannie Mae at the Office of Investor Relations at 202-752-7115.

Fannie Mae is incorporating by reference in this section of the Supplement the documents described herein that Fannie Mae publishes from time to time. This means that Fannie Mae is disclosing information to Bondholders and other recipients of the Supplement by referring such recipients to those documents. Those documents are considered part of this section of the Supplement, so Bondholders and other recipients of the Supplement should read the Supplement and any applicable supplements or amendments, together with those documents, before making an investment decision.

Fannie Mae incorporates by reference the following documents Fannie Mae has filed, or may file, with the SEC:

- (i) Fannie Mae's 2008 Form 10-K, filed with the SEC on February 26, 2009;
- (ii) Fannie Mae's Form 10-Qs for the quarterly periods ended March 31, 2009, June 30, 2009 and September 30, 2009, filed with the SEC on May 8, 2009, August 6, 2009, and November 5, 2009, respectively; and
- (iii) all other proxy statements that Fannie Mae files with the SEC, and all documents Fannie Mae files with the SEC pursuant to Section 13(a), 13(c) or 14 of the Securities Exchange Act of 1934, as amended, after the date of the Supplement and prior to the termination of the offering of securities under the Supplement, excluding any information "furnished" to the SEC on Form 8-K.

The information contained in this section of the Supplement was prepared as of the date of the Supplement. Bondholders and other recipients of the Supplement should rely on the most currently available information, however, Fannie Mae has no secondary market obligation to update the information contained in this section of the Supplement.

In addition, Fannie Mae makes no representation as to the contents of the Supplement (other than the information contained in this section), the suitability of the Remarketed Bonds for any investor, the feasibility or performance of any project or loan, or compliance with any securities, tax, or other laws or regulations. Fannie Mae's role with respect to the Remarketed Bonds is limited to issuing and discharging its obligations under the Credit and Liquidity Facility on the Remarketed Bonds and exercising the rights reserved to it in the Indenture and the Reimbursement Agreement.

Freddie Mac

The information presented under this caption "Freddie Mac" has been supplied by Freddie Mac. None of the Authority, the Trustee or the Remarketing Agent has independently verified such information, and none assumes responsibility for the accuracy of such information. The information is qualified in its entirety by reference to the Incorporated Documents, as defined below.

Freddie Mac is a shareholder-owned government-sponsored enterprise created on July 24, 1970 pursuant to the Federal Home Loan Mortgage Corporation Act, Title III of the Emergency Home Finance Act of 1970, as amended, 12 U.S.C. §§ 1451-1459 (the "Freddie Mac Act"). Freddie Mac's statutory mission is (i) to provide stability in the secondary market for residential mortgages; (ii) to respond appropriately to the private capital market; (iii) to provide ongoing assistance to the secondary market for residential mortgages (including activities relating to mortgages on housing for low- and moderate-income families involving a reasonable economic return that may be less than the return earned on other activities); and (iv) to promote access to mortgage credit throughout the United States (including central cities, rural areas and underserved areas) by increasing the liquidity of mortgage financing. Neither the United States nor any agency or instrumentality of the United States is obligated, either directly or indirectly, to fund the mortgage purchase or financing activities of Freddie Mac or to guarantee Freddie Mac's securities or obligations.

Freddie Mac's principal business consists of the purchase of (i) first-lien, conventional residential mortgages subject to certain maximum loan limits and other underwriting requirements under the Freddie Mac Act and (ii) securities backed by such mortgages. Freddie Mac finances its mortgage purchases and mortgage-backed securities purchases through the issuance of a variety of securities, primarily pass-through mortgage participation certificates and unsecured debt, as well as with cash and equity capital.

On September 7, 2008, the Director of the Federal Housing Finance Agency ("FHFA") appointed FHFA as conservator of Freddie Mac in accordance with the Federal Housing Finance Reform Act of 2008 (the "Reform Act") and the Federal Housing Enterprises Financial Safety and Soundness Act of 1992. On September 7, 2008, in connection with the appointment of FHFA as conservator, Freddie Mac and the U.S. Department of the Treasury ("Treasury") entered into a Senior Preferred Stock Purchase Agreement. Also, pursuant to its authority under the Reform Act, Treasury announced that it has established the Government Sponsored Enterprise Credit Facility (a lending facility to ensure credit availability to Freddie Mac, Fannie Mae, and the Federal Home Loan Banks that will provide secured funding on an as needed basis under terms and conditions established by the Treasury Secretary to protect taxpayers) and a program under which Treasury will purchase Government Sponsored Enterprise (including Freddie Mac) mortgage-backed securities (MBS) in the open market. The announcements by FHFA and Treasury and descriptions of these programs are available at their respective websites: http://www.OFHEO.gov and http://www.Treasury.gov.

Freddie Mac registered its common stock with the U.S. Securities and Exchange Commission (the "SEC") under the Securities Exchange Act of 1934 (the "Exchange Act"), effective July 18, 2008. As a result, Freddie Mac files annual, quarterly and current reports, proxy statements and other information with the SEC. Prior to July 18, 2008, Freddie Mac prepared an annual Information Statement (containing annual financial disclosures and audited consolidated financial statements) and Information Statement Supplements (containing periodic updates to the annual Information Statement).

As described below, Freddie Mac incorporates certain documents by reference in this Supplement, which means that Freddie Mac is disclosing information to you by referring you to those documents rather than by providing you with separate copies. Freddie Mac incorporates by reference in this Supplement its proxy statement, and all documents that Freddie Mac files with the SEC pursuant to

Section 13(a), 13(c) or 14 of the Exchange Act, after July 18, 2008 and prior to the completion of the remarketing of the Remarketed Bonds, excluding any information that Freddie Mac may "furnish" to the SEC but that is not deemed to be "'filed." Freddie Mac also incorporates by reference its Registration Statement on Form 10, in the form declared effective by the SEC on July 18, 2008 (the "Registration Statement"). These documents are collectively referred to as the "Incorporated Documents" and are considered part of this Supplement. You should read this Supplement, in conjunction with the Incorporated Documents. Information that Freddie Mac incorporates by reference will automatically update information in this Supplement. Therefore, you should rely only on the most current information provided or incorporated by reference in this Supplement.

You may read and copy any document Freddie Mac files with the SEC at the SEC's public reference room at 100 F Street, N.E., Washington, D.C. 20549. Please call the SEC at 1-800-SEC-0330 for further information on the public reference room. These SEC filings are also available to the public from the SEC's web site at http://www.sec.gov.

Freddie Mac makes no representations as to the contents of this Supplement, the suitability of the Remarketed Bonds for any investor, or compliance with any securities, tax or other laws or regulations. Freddie Mac's role is limited to discharging its obligations under the Temporary Credit and Liquidity Facility.

FREDDIE MAC'S OBLIGATIONS WITH RESPECT TO THE REMARKETED BONDS ARE SOLELY AS PROVIDED IN THE FACILITY. THE OBLIGATIONS OF FREDDIE MAC UNDER THE FACILITY WILL BE OBLIGATIONS SOLELY OF FREDDIE MAC, A SHAREHOLDER-OWNED, GOVERNMENT-SPONSORED ENTERPRISE ORGANIZED UNDER THE LAWS OF THE UNITED STATES OF AMERICA. SEE **APPENDIX** C – "COPIES OF THE CREDIT AND LIQUIDITY FACILITY AND THE REIMBURSEMENT AGREEMENT" TO THIS SUPPLEMENT. FREDDIE MAC HAS NO OBLIGATION TO PURCHASE, DIRECTLY OR INDIRECTLY, ANY OF THE REMARKETED BONDS, BUT WILL BE OBLIGATED, PURSUANT TO THE FACILITY, TO PROVIDE FUNDS TO THE TRUSTEE TO PAY THE PRINCIPAL OF AND INTEREST ON, AND THE PURCHASE PRICE OF, THE REMARKETED BONDS UNDER THE CIRCUMSTANCES DESCRIBED HEREIN. THE REMARKETED BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA, ANY AGENCY THEREOF, OR OF FREDDIE MAC, AND ARE NOT GUARANTEED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA OR BY FREDDIE MAC.

APPENDIX F

Class Asset Requirements for Bonds

The "Class I Asset Requirement" means the requirement that, as of any date of calculation, the sum of:

- (a) amounts held in the related subaccount or subaccounts of the Acquisition Account, the related subaccount of the Loan Recycling Account, the related subaccount of the Class I Debt Service Fund (to the extent such amounts are required to be used to pay principal of the related series of Class I Bonds), the related subaccounts of the Redemption Fund (to the extent such amounts are required to be used to redeem the related series of Class I Bonds), the related subaccount of the Debt Service Reserve Fund and the related subaccount of the Revenue Fund after all transfers and payments made pursuant to the Master Indenture,
- (b) in the case of certain series of Bonds, the amounts held in the respective subaccounts of the Accounts and Funds noted in clause (a) above that are unrelated to such series of Bonds (including amounts in such subaccounts of the Class I Debt Service Fund and the Redemption Fund only to the extent such amounts are required to be used to pay principal of or to redeem Class I Bonds) plus the aggregate unpaid principal balance of Mortgage Loans Unrelated to such series of Bonds to the extent the aggregate amount held in such subaccounts for each series of such Unrelated Bonds and the aggregate unpaid principal balance of such Mortgage Loans exceeds the percentage of the aggregate principal amount of the Class I Bonds of such series of Unrelated Bonds then Outstanding as shall be approved or required by each Rating Agency in writing, but only to the extent that such amounts have not been or are not being taken into account in satisfying the "Class I Asset Requirement" for any other series of Bonds Unrelated to such series of Bonds other than the Series of Bonds to which each respective "Class I Asset Requirement" relates, and
- (c) the aggregate unpaid principal balance of Mortgage Loans Related to the related series of Bonds, be at least equal to the percentage set forth in the Series Indenture of the aggregate principal amount of related series of Class I Bonds then Outstanding, or such different percentage as shall be approved or required by each Rating Agency in writing.

The "Class II Asset Requirement" means the requirement that, as of any date of calculation, the sum of:

- (a) amounts in the related subaccount or subaccounts of the Acquisition Account, the related subaccount of the Loan Recycling Account, the related subaccounts of the Class I Debt Service Fund and the Class II Debt Service Fund (to the extent such amounts are required to be used to pay principal of the related series of Class I Bonds or Class II Bonds), the related subaccounts of the Redemption Fund (to the extent such amounts are required to be used to redeem the related series of Class I Bonds or Class II Bonds), the related subaccount of the Debt Service Reserve Fund and the related subaccount of the Revenue Fund after all transfers and payments made pursuant to the Master Indenture,
- (b) the amounts held in the respective subaccounts of the Accounts and Funds listed in clause (a) above that are Unrelated to such series of Bonds (including amounts in such subaccounts of the Class I Debt Service Fund, the Class II Debt Service Fund and the Redemption Fund only to the extent such amounts are required to be used to pay principal of or to

redeem Class I Bonds or Class II Bonds) plus the aggregate unpaid principal balance of Mortgage Loans Unrelated to such series of Bonds to the extent the aggregate amount held in such subaccounts for each series of such Unrelated Bonds and the aggregate unpaid principal balance of such Mortgage Loans exceeds the percentage of the aggregate principal amount of the Class I Bonds of such series of Unrelated Bonds then Outstanding plus the percentage of the aggregate principal amount of the Class II Bonds of such series of Unrelated Bonds then Outstanding as such percentages shall be approved or required by each Rating Agency in writing, but only to the extent that such amounts have not been or are not being taken into account in satisfying the "Class II Asset Requirement" for any other series of Bonds Unrelated to such series of Bonds other than the series of Bonds to which each respective "Class II Asset Requirement" relates, and

(c) the aggregate unpaid principal balance of Mortgage Loans Related to the related series of Bonds, be at least equal to the percentage set forth in the Series Indenture of the aggregate principal amount of the related series of Class I Bonds then Outstanding plus the percentage set forth in the Series Indenture of the aggregate principal amount of the related series of Class II Bonds then Outstanding, or such different percentages as shall be approved or required by each Rating Agency in writing.

The "Class III Asset Requirement" means the requirement that, as of any date of calculation, the sum of:

- (a) amounts held in the related subaccount or subaccounts of the Acquisition Account, the related subaccount of the Loan Recycling Account, the related subaccount of the Class I Debt Service Fund (to the extent such amounts are required to be used to pay principal of related Series of Class I Bonds), the related subaccount of the Class II Debt Service Fund (to the extent such amounts are required to be used to pay principal of related series of Class II Bonds) and the related subaccount of the Class III Debt Service Fund, the related subaccounts of the Redemption Fund, the related subaccount of the Debt Service Reserve Fund and the related subaccount of the Revenue Fund after all transfers and payments made pursuant to the Master Indenture,
- (b) the amounts held in the respective subaccounts of the Accounts and Funds listed in clause (a) above that are Unrelated to such series of Bonds plus the aggregate unpaid principal balance of Mortgage Loans Unrelated to such series of Bonds to the extent the aggregate amount held in such subaccounts for each Series of such Unrelated Bonds and the aggregate unpaid principal balance of such Mortgage Loans exceeds the percentage of the aggregate principal amount of the Class I Bonds of such series of Unrelated Bonds then Outstanding plus the percentage of the aggregate principal amount of the Class III Bonds of such series of Unrelated Bonds then Outstanding plus the percentage of the aggregate principal amount of the Class III Bonds of such Series of Unrelated Bonds then Outstanding as such percentages shall be approved or required by each Rating Agency in writing, but only to the extent that such amounts have not been or are not being taken into account in satisfying the "Class III Asset Requirement" for any other series of Bonds Unrelated to such series of Bonds other than the series of Bonds to which each respective "Class III Asset Requirement" relates, and
- (c) the aggregate unpaid principal balance of Mortgage Loans Related to the related series of Bonds, be at least equal to the percentage set forth in the Series Indenture of the aggregate principal amount of the related series of Class I Bonds then Outstanding plus the percentage set forth in the Series Indenture of the aggregate principal amount of the related series of Class II Bonds then Outstanding plus the percentage set forth in the Series Indenture of the aggregate principal amount of the related series of Class III Bonds then Outstanding, or such different percentages as may be approved or required by each Rating Agency in writing.

The Class I Asset Requirement, Class II Asset Requirement and Class III Asset Requirement, respectively, with respect to a series of Bonds shall include the percentages set forth in the Related Series Indenture. The percentages for the Class Asset Requirements for each series of the Outstanding Bonds, approved at this time by each Rating Agency are 113.75% for the Class I Asset Requirement, 106% for the Class II Asset Requirement and 102% for the Class III Asset Requirement (except, in each case, with respect to the Short-Term Bonds, for which the applicable Class Asset Requirement is 100%). These percentages are subject to change and reevaluation upon the issuance of each series of Bonds and from time to time as reviewed by the Rating Agencies.

Financial Statements for the Years ended December 31, 2008 and 2007 and Independent Auditor's Report

Independent Auditor's Report

Board of Directors Colorado Housing and Finance Authority Denver, Colorado

We have audited the accompanying financial statements of the business-type activities and each major fund of Colorado Housing and Finance Authority as of and for the year ended December 31, 2008, which collectively comprise Colorado Housing and Finance Authority's basic financial statements as listed in the table of contents. These financial statements are the responsibility of Colorado Housing and Finance Authority's management. Our responsibility is to express opinions on these financial statements based on our audit. The prior year summarized comparative information has been derived from Colorado Housing and Finance Authority's December 31, 2007 basic financial statements and, in our report dated March 27, 2008, we expressed unqualified opinions on the basic financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities and each major fund of Colorado Housing and Finance Authority as of December 31, 2008, and the respective changes in financial position and cash flows thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated April 23, 2009 on our consideration of Colorado Housing and Finance Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

The management's discussion and analysis on pages 4 through 8 is not a required part of the basic financial statements but is supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

The introductory section listed in the table of contents has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion on it.

April 23, 2009

This section of the Colorado Housing and Finance Authority's (the "Authority") annual financial report presents management's discussion and analysis of the financial position and results of operations at and for the fiscal year ended December 31, 2008. This analysis should be read in conjunction with the Authority's financial statements and accompanying notes.

Financial Highlights

- Net assets as of December 31, 2008, were \$295.7 million, an increase of \$13.3 million, or 4.7%, compared to net assets of \$282.4 million as of December 31, 2007, increasing the Authority's capital position. Net assets as a percent of total assets decreased slightly from 7.85% as of December 31, 2007, to 7.28% as of December 31, 2008.
- As reflected in the Statement of Revenues, Expenses and Changes in Net Assets, the increase in net assets of \$13.3 million for 2008 represents an \$8.0 million, or 37.6%, decrease compared to the increase in net assets for 2007 of \$21.3 million. This \$8.0 million decrease was primarily due to a \$13.0 million decrease in net interest income due to increased interest on debt, and a \$4.0 million increase in provision for loan and other real estate losses in 2008 compared to 2007. Partially offsetting these items was a \$6.5 million increase during 2008 in the fair value of investments and a \$3.8 million gain on retirement of debt in other revenue. Profitability, as measured by return on average net assets, was 4.60% in 2008 compared to 7.85% in 2007.
- Total net loans receivable as of December 31, 2008, were \$3.2 billion, an increase of \$323.0 million, or 11.2%, compared to the amount outstanding as of December 31, 2007.
- The increase in loans receivable was funded primarily by an increase in debt. As of December 31, 2008, total debt outstanding was \$3.7 billion, an increase of \$435.2 million, or 13.4%, compared to the balance at December 31, 2007.

Overview of the Financial Statements

The basic financial statements consist of a Statement of Net Assets, a Statement of Revenues, Expenses and Changes in Net Assets, a Statement of Cash Flows and the notes thereto. The Authority, a corporate body and political subdivision of the State of Colorado, is a public purpose financial enterprise and therefore follows enterprise fund accounting. The financial statements offer information about the Authority's activities and operations.

The Statement of Net Assets includes all of the Authority's assets and liabilities, presented in order of liquidity. The resulting net assets presented in these statements are displayed as invested in capital assets, net of related debt, restricted or unrestricted. Net assets are restricted when their use is subject to external limits such as bond indentures, legal agreements or statutes. Over time, increases or decreases in net assets may serve as a useful indicator of whether the financial position of the Authority is improving or deteriorating.

All the Authority's current year revenues and expenses are recorded in the Statement of Revenues, Expenses and Changes in Net Assets. This statement measures the activities of the Authority's operations over the past year, and presents the resulting change in net assets - calculated as revenues less expenses.

The final required financial statement is the Statement of Cash Flows. The primary purpose of this statement is to provide information about the Authority's cash receipts and cash payments during the reporting period. This statement reports cash receipts, cash payments and net changes in cash resulting from operating, noncapital financing, capital financing and

investing activities. The statement provides information regarding the sources and uses of cash and the change in the cash balance during the reporting period.

The notes to the financial statements provide additional information that is essential to a full understanding of the information provided in the financial statements. The notes follow the Statement of Cash Flows.

Authority Funds – The Authority's financial statements present the activities of its three funds – the General Fund, the Single Family Fund and the Multi-Family/Business Fund. A description of each of these funds is provided in the notes to the financial statements. Interfund activity is eliminated.

Analysis of Financial Activities

Statement of Net Assets

The following table presents condensed information about the financial position of the Authority as of December 31, 2008, and 2007, and changes in the balances of selected items during the fiscal year ended December 31, 2008.

Total liabilities and net assets	\$ 4,059,759	\$ 3,596,985	\$ 462,774	12.9%

Total loans receivable increased \$323.0 million, or 11.2%, during the current year, of which the noncurrent portion of the increase was \$312.3 million. This increase is largely due to new loan purchases and originations of approximately \$545.8

million, offset by loan repayments and prepayments that resulted in total principal reductions of \$218.0 million. This growth in loans receivable was primarily funded by use of bond proceeds, discussed below, in addition to the use of proceeds from sales and maturities of short-term investments

Current liabilities increased \$115.9 million, or 84.6%, compared to 2007. This increase was primarily due to an increase of \$84.4 million in the amount borrowed under the Authority's line of credit with the Federal Home Loan Bank. Noncurrent bonds and notes payable increased \$333.7 million, or 10.5%, compared to December 31, 2007, as a result of various new bond issues. Additional information on the Authority's debt activities is provided under "Debt Administration".

Statement of Revenues, Expenses and Changes in Net Assets

The following table presents condensed statements of revenues, expenses and changes in net assets for the years ended December 31, 2008, and 2007, and the change from the prior year.

Net assets:				
Beginning of year	282,364	261,045	21,319	8.2%
End of year	\$ 295,667	\$ 282,364	\$ 13,303	4.7%

Interest earned on loans of \$172.0 million, interest income on investments of \$26.5 million and interest expense on debt of \$191.6 million are the primary components of total revenues and expenses of the Authority.

Total operating revenues were \$237.1 million in 2008, an increase of \$31.0 million, or 15.1%, compared to 2007. Interest on loans receivable climbed \$24.4 million, or 16.5%, over the 2007 amount. This increase is primarily the result of a 13.3% increase in average loans outstanding.

Also contributing to the increase in operating revenues was a net increase in the fair value of investments of \$6.5 million in 2008 compared to an increase in fair value of \$4.7 million in 2007. This increase was due to a decline in market rates in 2008 and in 2007. In addition, loan servicing income, reflected in other revenues, increased \$1.8 million, or 18.4%, compared to 2007. The Authority services in excess of 99% of its loans receivable, for which it receives a monthly fee.

Total operating expenses of \$229.9 million for 2008 increased \$38.5 million, or 20.1%, compared to 2007. The rise was largely attributable to a \$36.2 million, or 23.3%, increase in interest expense on debt. This increase was due primarily to an increase in interest rates from 2007 to 2008.

Operating expenses also increased as a result of a provision for loan and other real estate losses of \$4.5 million in 2008 compared to a provision of \$0.5 million in 2007.

Reflected in nonoperating revenues and expenses are \$6.1 million in gains on the sales of various apartment complexes owned by the Authority, discussed in more detail below in "Capital Assets".

Capital Assets

Capital assets, net of accumulated depreciation, as of December 31, 2008, totaled \$29.6 million, a decrease of \$3.1 million, or 9.5%, compared to the amount as of December 31, 2007. The majority of this investment in capital assets is related to the Authority's ownership of four apartment complexes that provide housing to lower and moderate income families. During 2007 the Authority sold six complexes for a total gain of \$6.7 million. In 2008, the Authority sold an additional six properties for a total gain of \$6.1 million.

The only significant additions during 2008 were the implementation of a new debt management and property management application and enhancements to a software application related to single family and multi-family origination.

Additional information regarding the Authority's capital assets can be found in the notes to the financial statements.

Debt Administration

As of December 31, 2008, the Authority had \$3.5 billion in bonds and notes payable outstanding and \$149.0 million outstanding under borrowing agreements with the Federal Home Loan Bank. This debt is secured by various assets and, in certain cases, the general obligation pledge of the Authority. The long-term ratings on the debt of the Single Family Fund and the Multi-Family/Business Fund range from A1 to Aaa by Moody's Investors Service (Moody's) and A+ to AAA by Standard & Poor's (S&P), depending on the underlying collateral. The Authority issuer's credit rating on the general obligation debt is A1/A+ by Moody's and S&P, respectively.

Colorado Housing and Finance Authority – Management's Discussion and Analysis

In 2008 the Authority issued \$589.2 million in debt related to its lending programs. Of this amount, \$349.0 million was issued pursuant to the Authority's single family lending program and is reflected in the Single Family Fund, \$239.8 million was for the multi-family/business lending program and is reflected in the Multi-Family/Business Fund. Partially offsetting these new debt issues were maturities of short-term debt related to the Authority's private activity bond volume cap preservation program, scheduled debt payments, early redemptions and refundings of various debt issues.

Additional information of the Authority's long-term and short-term debt can be found in the notes to the financial statements.

The Authority defines cash and cash equivalents as cash deposits.

The accompanying notes are an integral part of these statements

(1) Organization and Summary of Significant Accounting Policies

(a) Authorizing Legislation and Reporting Entity

Authorizing Legislation - The Colorado Housing and Finance Authority (the "Authority") is a body corporate and a political subdivision of the State of Colorado (the "State") established pursuant to the Colorado Housing and Finance Authority Act, Title 29, Article 4, Part 7 of the Colorado Revised Statutes, as amended (the "Act"). The Authority is not a state agency and is not subject to administrative direction by the State. The governing body of the Authority is its board of directors. Operations of the Authority commenced in 1974. The Authority is not a component unit of the State or any other entity.

The Authority was created for the purpose of making funds available to assist private enterprise and governmental entities in providing housing facilities for lower and moderate income families. Under the Act, the Authority is also authorized to finance project and working capital loans to industrial and commercial enterprises (both for-profit and non-profit) of small and moderate size.

In 2001, the Colorado state legislature repealed the limitation on the amount of debt that the Authority can issue as well as removed the moral obligation of the State on future debt issues of the Authority. The bonds, notes and other obligations of the Authority do not constitute debt of the State.

In 1992, Colorado voters approved an amendment to the State Constitution, Article X, Section 20 which, among other things, imposes restrictions on increases in revenue and expenditures of state and local governments. In the opinion of its bond counsel, the Authority qualifies as an enterprise under the amendment and therefore is exempt from its provisions.

Blended Component Units - Hyland Park Centre Corporation ("Hyland Park"), Tanglewood Oaks Apartments Corporation ("Tanglewood"), and Village of Yorkshire Corporation ("Yorkshire") have been designated as blended component units and included in the Authority's financial statements. Hyland Park, Tanglewood and Yorkshire are public, non-profit instrumentalities of the Authority, each of which owns and operates a single, separate multi-family rental housing project. The Authority is financially accountable for these units because they have the same board of directors and management personnel, and their surplus assets are relinquished to the Authority. Separate financial statements for the individual component units may be obtained through the Authority.

(b) Measurement Focus, Basis of Accounting and Financial Statement Presentation

Measurement Focus and Basis of Accounting - The Authority's funds are accounted for as enterprise funds for financial reporting purposes. All funds utilize the economic resource measurement focus and accrual basis of accounting wherein revenues are recognized when earned and expenses when incurred. The Authority applies all Governmental Accounting Standards Board (GASB) pronouncements for its funds, as well as those of the Financial Accounting Standards Board issued before November 30, 1989, unless such pronouncements conflict with or contradict GASB pronouncements. After November 30, 1989, the Authority only applies applicable GASB pronouncements.

Financial Statement Presentation – The Authority's financial statements include a classified Statement of Net Assets, a Statement of Revenues, Expenses and Changes in Net Assets formatted to report operating and nonoperating revenues and expenses, a Statement of Cash Flows presented using the direct method and notes to the financial statements. The Authority's financial statements present its funds in separate columns. Summarized financial information for 2007 has been presented in the accompanying financial statements in order to provide an understanding of changes in the Authority's financial position, results of operations and cash flows on an entity-wide basis. However, the summarized financial information is not intended to present the financial position, results of operations or cash flows in accordance with accounting principles generally accepted in the United States of America.

The financial activities of the Authority are recorded in three funds which are consolidated for reporting purposes and are described below.

General Fund – The General Fund is the Authority's primary operating fund. It accounts for all financial activity not specifically pledged for the repayment of bonds in the other funds.

Single Family Fund – The Single Family Fund accounts for bonds issued and assets pledged for payment of the bonds under the related indentures. Loans acquired by this fund with the proceeds of single family bond issues include FHA, conventional, USDA Rural Development and VA loans made under various loan programs.

Multi-Family/Business Fund – The Multi-Family/Business Fund accounts for bonds issued and assets pledged for payment of the bonds under the related indentures. Loans acquired by this fund with the proceeds of multi-family and business (sometimes referred to as project) bond issues include loans made for the purchase, construction or rehabilitation of multi-family rental housing. In addition, business loans are made to both for-profit and non-profit organizations primarily for the purpose of acquisition or expansion of their facilities or for the purchase of equipment.

Interfund activity is eliminated, reflected in the "Eliminations" column of the statements.

(c) Summary of Significant Accounting Policies

Investments – Investments of the Authority, with the exception of nonparticipating investment agreements which are reported at cost, are carried at fair value based on quoted market prices. Investments with a maturity of one year or less are valued at amortized cost, which approximates fair value.

Loans Receivable – Mortgage loans receivable are carried at their unpaid principal balance net of deferred down payment assistance expense, deferred fee income and an allowance for estimated loan losses. Deferred down payment assistance expense and deferred fee income are capitalized and amortized over the life of the loan using the effective interest method. Virtually all mortgage loans receivable are serviced by the Authority.

Allowance for Loan Losses - The allowance for loan losses is provided through charges against current operations based on management's periodic review of the loan portfolio. This review considers such factors as the payment history of the loans, the projected cash flows of the borrowers, estimated value of the collateral, subsidies, guarantees, mortgage insurance, historical loss experience for each loan type, additional guarantees provided by the borrowers and economic conditions. When this review determines that an exposure to loss is probable and can be reasonably estimated, a provision against current operations is made.

Capital Assets – The Authority's capital assets consist of two components. Corporate capital assets include those capital assets other than those used in its Rental Acquisition Program (RAP) activities. The Authority commenced its RAP operations in 1988 when the Board authorized the acquisition, rehabilitation and operation of multi-family properties to provide affordable housing to lower and moderate income families. The Authority has acquired and rehabilitated these properties with a combination of funds, including (1) general obligation and multi-family bond proceeds, (2) seller-carry notes, and (3) contributions from the General Fund. As a policy matter, the Authority sells these properties from time to time to qualified non-profit sponsors. As of December 31, 2008, the Authority owned a total of four RAP projects, including its three component units, containing 917 units.

Capital assets are defined by the Authority as assets with an initial, individual cost of \$2,500 in the case of corporate capital assets and \$1,500 in the case of RAP capital assets. Capital assets are depreciated or amortized using the straight-line method over their estimated useful lives, ranging from 3-30 years.

Other Real Estate Owned - Other real estate owned represents real estate acquired through foreclosure and in-substance foreclosures. Other real estate owned is initially recorded at the lower of the investment in the loan or the estimated net realizable value.

Bond and Note Issuance Costs - Costs of debt issuance are deferred and amortized over the lives of the bond issues using the effective interest method.

Other Assets - Included in other assets are unamortized costs of mortgage servicing rights. Mortgage servicing rights are amortized over the life of the related loans using the effective interest method.

Bond Discounts and Premiums - Discounts and premiums on bonds payable are amortized over the lives of the respective bond issues using the effective interest method.

Debt Refundings - For current and advance refundings resulting in defeasance of debt reported by the Authority, the difference between the reacquisition price and the net carrying amount of the old debt is deferred and amortized as a component of interest expense over the remaining life of the old or new debt, whichever is shorter, using the effective interest method. The deferred refunding amounts are classified as a component of bonds payable in the financial statements.

Interest Rate Swap Agreements - The Authority enters into interest rate swap agreements with rated swap counterparties in order to (1) provide lower cost fixed rate financing for its loan production needs through synthetic fixed rate structures; and (2) utilize synthetic fixed rate structures with refunding bonds in order to generate cash flow savings. The interest differentials to be paid or received under such swaps are recognized as an increase or decrease in interest expense of the related bond liability. Additional information about the swap agreements is provided in Note 7.

Compensated Absences - Employees accrue paid time off at a rate based on length of service. Employees may accrue and carry over 150% of their annual paid time off benefit. The liability for compensated absences is based on current salary rates and is reflected in the financial statements.

Operating and Nonoperating Revenues and Expenses - The Authority distinguishes operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services in connection with the Authority's ongoing operations. The principal operating revenues of the Authority are interest income on loans and investment income. The Authority also recognizes revenues from rental operations and other revenues, which include loan servicing fees and other administrative fees. Operating expenses include interest expense, administrative expenses, depreciation, and the provision for loan losses. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

The Authority's nonoperating revenues and expenses consist primarily of pass-through amounts related to the Authority's role as a contract administrator of the U.S. Department of Housing and Urban Development's Section 8 subsidy program. Under the Section 8 subsidy program, tenants pay 30% of their income toward rent and the balance is paid by federal subsidy.

Budget Policies - The Authority's budget year is the calendar year. The budget is developed on a full accrual basis with estimations of revenue by source and expenses by object. The Authority is not subject to the Local Budget Government Law of Colorado pursuant to Title 29, Article 1, Part 1 of the Colorado Revised Statutes.

New Accounting Principles - The Authority has adopted all current Statements of the Governmental Accounting Standards Board (GASB) that are applicable. No new statements needed to be adopted for the fiscal year ending December 31, 2008.

The GASB issued Statement No. 51, Accounting and Financial Reporting for Intangible Assets, which provides guidance on internally generated computer software, and Statement No. 53, Accounting and Reporting for Derivative Instruments which provides guidance on swap agreements. The Authority is currently studying the statements and plans on adoption when required, which will be in the fiscal year ending December 31, 2010.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Actual results could differ from those estimates.

Reclassifications - Certain prior year amounts have been reclassified to conform to current year presentation.

(2) Cash and Investments

For General Fund investments, the Authority is authorized by means of a Board-approved investment policy to invest in notes, bonds and other obligations issued or guaranteed by the U.S. government and certain governmental agencies. Additionally, the Authority is permitted to invest, with certain restrictions as to concentration of risk, collateralization levels, maximum periods to maturity, and/or underlying rating levels applied, in revenue or general obligations of states and their agencies, certificates of deposits, U.S. dollar denominated corporate or bank debt, commercial paper, repurchase agreements backed by U.S. government or agency securities, money market mutual funds and investment agreements. The Authority is also subject to permissible investments as authorized by Title 24, Article 75, Part 6 of the Colorado Revised Statutes (CRS). Permissible investments pursuant to the CRS are either identical to or less restrictive than the Authority's investment policy. In addition, each of the trust indentures established under the Authority's bond programs contain requirements as to permitted investments of bond fund proceeds, which may be more or less restrictive than the Authority's investment policy for General Fund monies. Pursuant to temporary IRS regulations, the Authority has acquired and is holding \$147,280,000 of its own bonds as investments. These investments are included in the disclosures below under State & political subdivision obligations.

As of December 31, 2008, the Authority had the following investments:

		Inv	est	ment Matu	riti	es (In Year	s)			
		Less						More		
Investment Type	1	Than 1		1-5		6-10	T	han 10	Total	2007

Total	\$	479,323	\$	9,441	\$	19,373	\$	215,261	\$ 723,398	\$ 582,376

Interest Rate Risk – The Authority manages interest rate risk in the General Fund by generally limiting the maximum maturity date of an investment to seven years. Of the General Fund's \$108,292,000 in investments, 96% have maturities of less than one year.

In the Single Family and Multi-Family/Business Funds, the Authority matches maturities to anticipated cash flows. Of the \$214,629,000 in investments with a maturity of more than ten years held by these funds, 57% are debt service reserves.

Credit Risk – The following table provides credit ratings of the Authority's investments as determined by Moody's Investors Service and/or Standard and Poor's.

Investment Type	Rating
Money market mutual fund	Aaa/AAAm
External investment pool	Aaa/AAAm
Repurchase agreement	Unrated & Aaa/AAAm
U.S. Government agencies	Aaa/AAA
State & political subdivision obligations	Baa1/AA- to Aaa/AAA
Investment agreements - uncollateralized	Unrated
Investment agreements - collateralized	Unrated

The rating for the repurchase agreements in the above table is the rating of the underlying securities. 89% of the investments in securities issued by state and political subdivisions are rated AAA. Investment agreements meet the requirements of the rating agency providing the rating on the related debt issue, and of the Board's investment policy.

As of December 31, 2008, the Authority had invested in the Colorado Local Government Liquid Asset Trust (COLOTRUST), an investment vehicle established for local governmental entities in Colorado to pool funds available for investment. COLOTRUST is reflected in the above tables as an external investment pool. The State Securities Commissioner administers and enforces all State statutes governing COLOTRUST. COLOTRUST operates similar to a money market fund and each share's fair value is \$1.00.

Concentration of Credit Risk – The Authority has various maximum investment limits both by type of investment and by issuer to prevent inappropriate concentration of credit risk. The following table provides information on issuers in which the Authority has investments representing more than 5% of its total investments or of the respective funds.

		General	Single	Multi-Family/
Issuer	Total	Fund	Family	Business
Federal National Mortgage Association	7.21%		5.16%	14.85%

Transamerica Occidental Life Insurance Company	5.81%		10.09%	
Trinity Funding Company	8.93%		15.51%	
West LB AG				7.45%

Custodial Credit Risk - Investments - For an investment, custodial credit risk is the risk that, in the event of the failure of the issuer, the Authority will not be able to recover the value of its investment or collateral securities that are in the

possession of an outside party. All securities owned by the Authority are either in the custody of the related bond indenture trustees or held in the name of the Authority by a party other than the issuer of the security.

Custodial Credit Risk - Cash Deposits – In the case of cash deposits, custodial credit risk is the risk that in the event of a bank failure, the Authority's deposits may not be returned to it. At December 31, 2008, the Authority's cash deposits had a carrying amount of \$29,355,000. All deposit accounts were either covered by the Federal Deposit Insurance Corporation or collateralized in accordance with the Public Deposit Protection Act.

Included in cash deposits are escrow deposits in the amount of \$20,139,000 held in a fiduciary capacity. These escrow deposits are primarily held for the payment of property taxes and insurance on behalf of the Authority's mortgagors.

(3) Loans Receivable, Other Real Estate Owned and Related Allowances

Loans receivable at December 31, 2008, and 2007, consist of the following:

	2008	2007
General Fund	\$ 341,252	\$ 275,003
Single Family Fund:		
Program Senior and Subordinate	89,623	103,310

Allowance for loan losses	(12,000)	(10,401)
Total loans receivable, net	\$ 3,208,052	\$2,885,011

Loans in the Single Family Fund and the Multi-Family/Business Fund in the table above are grouped based on the related bond type (see Note 6 for additional information).

General Fund loans are made up of single family, multi-family and business finance loans acquired under various programs of the General Fund, warehoused loans to be acquired by the Single Family and Multi-Family/Business Funds, loans held as investments, and loans backed by bonds within the General Fund. These loans are typically collateralized by mortgages on real property and improvements. Certain of these loans are also guaranteed by agencies of the United States government.

Colorado Housing and Finance Authority – Notes to Financial Statements (tabular amounts are in thousands)

Single family bond program loans are collateralized by mortgages on applicable real property, and in the case of loans with a loan-to-value ratio of 80% or more, are generally either insured by private mortgage insurance or the Federal Housing Administration or guaranteed by the Veterans Administration or Rural Economic and Community Development Department.

Multi-family/business bond program loans are collateralized by mortgages on applicable real estate, and, in some cases, are further insured by an agency of the United States government.

Activity in the allowance for loan losses for the year ended December 31, 2008, was as follows:

(5) Short-term Debt

The Authority has agreements with the Federal Home Loan Bank of Topeka (FHLB) for collateralized borrowings in an amount not to exceed the lending limit internally established by the FHLB. Borrowings under these agreements are used to support the Authority's various lending programs, including warehousing of loans in the General Fund, and activities related to the Authority's private activity bond volume cap preservation program. Amounts drawn under the agreements bear interest at the same rates charged by the FHLB to its member banks and are collateralized by certain mortgage loans and/or investments. There are no commitment fees associated with these agreements.

The Authority also has a revolving, unsecured, commercial bank line of credit agreement for borrowings of up to \$30,000,000. Amounts drawn under the agreement bear interest fixed at 0.65% per annum above the London Interbank Offered Rate. This line of credit agreement terminates on July 24, 2009. The Authority pays an unused line fee at the rate of 0.25% per annum, payable in arrears on the last day of each calendar. The fee is based upon the amount by which the daily average of the aggregate principal amount of the borrowings outstanding is less than the line of credit.

Through August 2008, the Authority additionally had an agreement with a commercial bank for a secured line of credit authorizing borrowings of up to \$10,000,000. The Authority borrowed an amount based on the prior month's average daily balance of custodial funds held in a non-interest bearing account at the bank. Amounts drawn under this agreement bear interest fixed at .75% per annum, and are invested with the bank in money market instruments. There are no commitment fees associated with this agreement.

Short-term debt activity for the year ended December 31, 2008, was as follows:

	Ве	ginning						Ending
Description		Balance		Additions		eductions	Balance	
Lines of credit	\$	64,545	\$	5,911,850	\$	(5,811,410)	\$	164,985

(6) Long-term Liabilities

The Authority issues bonds and notes payable to finance its lending programs. Proceeds from long-term debt of the Single Family and Multi-Family/Business Funds are used for funding of single family, multi-family and business loans. Long-term debt of the General Fund (including notes payable) is used to finance single family and business loans related to various private placements, the Authority's RAP activities and for general corporate purposes. The aggregate principal amounts of bonds and notes payable outstanding as of December 31, 2008, and 2007, are shown in the table on the following pages. Interest is payable semi-annually unless otherwise noted. Interest rates on variable debt are reset on a weekly basis by the remarketing agents.

A breakdown of bonds payable as of December 31, 2008, and 2007 by fixed and variable interest rates follows in the table below. Certain of the Authority's variable rate debt has been converted to fixed rate debt by entering into pay fixed/receive variable rate interest rate swap agreements as further described in Note 7. Such debt is referred to in the table as synthetic fixed rate debt.

Description	2008			
Fixed rate debt	\$ 654,060	\$ 696,509		
Synthetic fixed rate debt	2,257,690	2,194,640		
Unhedged variable rate debt	556,825	287,340		
Total	\$ 3,468,575	\$ 3,178,489		

Included in certain of the bond issues shown in the previous table are capital appreciation term bonds. The principal amounts of these bonds appreciate based on semiannual compounding of the original principal balances at the interest rates specified. The appreciated balances of these bonds at maturity, and as reflected in the accompanying Statement of Net Assets at December 31, 2008, and 2007, are as follows:

^{*} Includes \$10.5 million of future accretion of principal value on capital appreciation bonds.

The Authority has issued certain conduit bonds, the proceeds of which were made available to various developers and corporations for rental housing and commercial purposes. As of December 31, 2008, the amount outstanding on these bonds was \$445,705,000. The bonds are payable solely from amounts received by the trustees from the revenue earned by the developers and corporations. Loan and corresponding debt service payments are generally guaranteed by irrevocable direct-pay letters of credit, or other credit enhancement arrangements. The faith and credit of the Authority is not pledged for the payment of the principal or interest on the bonds. Accordingly, these obligations are excluded from the Authority's financial statements.

The Authority enters into Standby Bond Purchase agreements with various banks in connection with its variable rate bonds. Pursuant to these agreements, the banks are required to purchase any variable rate bonds which are not remarketed when

the rates are reset each week. The bonds held by the banks bear an interest rate specified in the agreements and must be removed from the banks at specified dates. At December 31, 2008, the banks held \$513,605,000 of the Authority's outstanding bonds. The bonds held by the bank bear interest at rates from 3.25% to 4.45% and must be removed by the Authority over the period from March 2009 to September 2018.

(7) Interest Rate Swap Agreements

Objective - The Authority has entered into pay-fixed, receive-variable interest rate swaps in order to (1) provide lower cost fixed rate financing for its production needs through synthetic fixed rate structures; and (2) utilize synthetic fixed rate structures with refunding bonds in order to generate cash flow savings.

Summary of Swap Transactions - The key terms, including the fair values and counterparty credit ratings of the outstanding swaps as of December 31, 2008, are shown in the table on the following pages. The notional amounts of the swaps match the principal amounts of the associated debt. Except as discussed under amortization risk below, the authority's swap agreements contain scheduled reductions to outstanding notional amounts that are expected to approximately follow scheduled or anticipated reductions in the associated bonds payable.

Risk Disclosure

Credit Risk: All of the Authority's swaps rely upon the performance of the third parties who serve as swap counterparties, and as a result the Authority is exposed to credit risk - i.e., the risk that a swap counterparty fails to perform according to its contractual obligations. The appropriate measurement of this risk at the reporting date is the fair value of the swaps, as shown in the column labeled "Fair Value" in the table on the following page. The Authority is exposed to credit risk in the amount of any positive net fair value exposure to each counterparty. As of December 31, 2008, the Authority was exposed to no credit risk to any of its counterparties. To mitigate credit risk, the Authority maintains strict credit standards for swap counterparties. All swap counterparties must be rated in the Aa/AA or higher category by either Moody's Investors Service (Moody's) or Standard & Poor's (S&P) respectively at the time the contract is entered into.

The Authority has executed 78 swap transactions with 9 counterparties with concentrations and ratings (Standard and Poor's/ Moody's Investors Service) as shown:

Swap Count	Concentration	Counterparty Rating
14	17.8%	A-/A3
14	17.1%	AA-/Aa3
35	32.0%	AA-/Aa1
2	2.0%	AAA/Aaa
1	5.5%	A+/Aa3
6	14.8%	AA-/Aa1
1	0.3%	AAAt/Aaa
3	8.7%	AA-/Aaa
2	1.8%	A+/Aa2
<u>78</u>	100.00%	

Additionally, the Authority has entered into 2 forward starting swap agreements with 2 counterparties for a notional amount of \$40,000,000. The fair value of these swaps as of December 31, 2008, was a negative \$3,667,000. As of December 31, 2008, the bonds relating to these swap agreements had not been issued.

In the fourth quarter of 2008, due to a credit event affecting 2 of the Authority's counterparties, the Authority terminated 63 swaps with a notional amount of \$1,095,810,000. The Authority entered into 39 replacement swap agreements with other counterparties for a notional amount of \$926,935,000. Terminated swap agreements with a notional amount of

\$168,875,000 were not replaced. In connection with the swap terminations and replacements, a termination payment of \$4.7 million was expensed in 2008 and a net premium of \$47.5 million was received. This premium is included in bonds payable, current and non-current, and is being amortized over the life of the new swap agreements.

Basis Risk: The Authority is exposed to basis risk when the variable interest rate paid to the holders of its variable rate demand obligations (VRDO's) is not equivalent to the variable interest rate received from its counterparties on the related swap agreements. When exposed to basis risk, the net interest expense incurred on the combination of the swap agreement and the associated variable rate debt may be higher or lower than anticipated.

The Authority's tax-exempt variable-rate bond interest payments are substantially equivalent to the Securities Industry and Financial Markets Association Municipal Swap Index (SIFMA) rate (plus a trading spread). Certain tax-exempt swaps, as indicated in the table below, contain a trigger feature in which the Authority receives a rate indexed on SIFMA should LIBOR be less than a predetermined level (the trigger level), or a rate pegged at a percentage of LIBOR should LIBOR be equal to or greater than the predetermined trigger level. For these swaps, the Authority would be negatively exposed to basis risk during the time period it is receiving the rate based on a percentage of LIBOR should the relationship between LIBOR and SIFMA converge.

The Authority's taxable variable-rate bond interest payments are substantially equivalent to LIBOR (plus a trading spread). The Authority is receiving LIBOR (plus a trading spread) for all of its taxable swaps and therefore is only exposed to basis risk to the extent that the Authority's bonds diverge from their historic trading relationship with LIBOR.

Termination Risk: The Authority's swap agreements do not contain any out-of-the-ordinary termination events that would expose it to significant termination risk. In keeping with market standards, the Authority or the counterparty may terminate each swap if the other party fails to perform under the terms of the contract. In addition, the swap documents allow either party to terminate in the event of a significant loss of creditworthiness. If at the time of the termination a swap has a negative value, the Authority would be liable to the counterparty for a payment equal to the fair value of such swap.

There are certain termination provisions relevant to the Authority's counterparties operating as special purpose vehicles (SPV) with a terminating structure. In the case of certain events, including the credit downgrade of the SPV or the failure of the parent company to maintain certain collateral levels, the SPV would be required to wind up its business and terminate all of its outstanding transactions with all clients, including the Authority. All such terminations would be at mid-market pricing. In the event of such termination, the Authority would be exposed to the risk of market re-entry and the cost differential between the mid-market termination and the offered price upon re-entry.

Rollover Risk: The Authority is exposed to rollover risk only on swaps that mature or may be terminated at the counterparty's option prior to the maturity of the associated debt. As of December 31, 2008, the Authority is not exposed to rollover risk.

^(*) SIFMA is the Securities Industry Financial Markets Association Municipal Swap Index. LIBOR is the London Interbank Offered Rate.

Amortization Risk: The Authority is exposed to amortization risk in the event that the swap amortization schedules fail to match the actual amortization of the underlying bonds as a result of loan prepayments which significantly deviate from expectations. If prepayments are significantly higher than anticipated, the Authority would have the option of reinvesting or recycling the prepayments, or calling unhedged bonds. Alternatively, if the Authority chose to call bonds associated with the swap, the Authority could elect an early termination of the related portions of the swap at a potential cost to the Authority. If prepayments are significantly lower than anticipated and the associated bonds remained outstanding longer than the relevant portion of the swap, the Authority could experience an increase in its exposure to unhedged variable rate bonds. Alternatively, the Authority could choose to enter into a new swap or an extension of the existing swap. If interest rates are higher at the time of entering into a new swap or swap extension, such action would result in a potential cost to the Authority.

^(**) The fair value of the outstanding swaps are presented for informational purposes only and do not impact the financial statements. All fair values have been calculated using the mark-to-market or par value method and include the valuation of any related embedded option.

Swap Payments and Associated Debt - Using interest rates as of December 31, 2008, debt service requirements of the Authority's outstanding variable-rate debt and net swap payments are as follows. As rates vary, variable rate interest rate payments on the bonds and net swap payments will change.

(8) Debt Refundings

On June 25, 2008, the Authority issued its Multi-Family/Project Bonds 2008 Series B, in the aggregate principal amount of \$165,565,000. Proceeds of the bonds were used to refund its outstanding Multi-Family/Project Bonds 2006 Series B, and 2007 Series A, in the amount of \$165,565,000. The refunding resulted in a decrease in the aggregate debt service requirement of approximately \$12,400,000, based on the change in variable interest rates at the time of refunding, and an approximate economic gain to the Authority of \$6,100,000. In accordance with GASB Statement No. 23, Accounting and Financial Reporting for Refundings of Debt Reported by Proprietary Activities, \$1,914,000 was deferred and is being amortized over the estimated life of the old debt.

Economic gain or loss is calculated as the difference between the present value of the old debt service requirements and the present value of the new debt service requirements less related upfront costs of issuance, bond call premiums and bond insurance premiums, discounted at the effective interest rate.

In prior years, the Authority defeased certain bonds by placing the proceeds of new bonds in an irrevocable trust to provide for all future debt service payments on the bonds. Accordingly, the trust account assets and the liability for the defeased bonds are not included in the Authority's financial statements. On December 31, 2008, \$58.9 million of bonds outstanding are considered defeased.

(9) Restricted Net Assets

The amounts restricted for the Single Family Fund and the Multi-Family/Business Fund are for the payment of principal, redemption premium, if any, or interest on all outstanding single family and multi-family/business bond issues, in the event that no other monies are legally available for such payments. The Board may withdraw all or part of this restricted balance if (1) updated cash flow projections indicate that adequate resources will exist after any withdrawal to service the outstanding debt, subject to approval by the bond trustee; (2) the Authority determines that such monies are needed for the implementation or maintenance of any duly adopted program of the Authority; and (3) no default exists in the payment of the principal, redemption premium, if any, or interest on such bonds.

Assets of the Single Family and Multi-Family/Business Funds are pledged for payment of principal and interest on the applicable bonds. In addition, certain assets are further restricted by bond resolutions for payment of interest on and/or principal of bonds in the event that the related debt service funds and other available monies are insufficient. Such assets are segregated within the Single Family and Multi-Family/Business Funds and are held in cash or investments. At December 31, 2008, these assets were at least equal to the amounts required to be restricted.

The Authority's Board of Directors (the "Board") has designated certain amounts of the unrestricted net assets of the General Fund as of December 31, 2008, for various purposes, as indicated in the following table. These designations of net assets are not binding, and can be changed by the Board.

Appropriations for loan programs:	
Housing Opportunity loans	\$ 41,833
Housing loans	389
Business finance loans	14,577
Total appropriations	56,799
Designations:	
General obligation bonds	18,832
General operating and working capital	540
Unrealized appreciation of investments	45,342
Single and multi-family bonds	19,382
Total designations	84,096
Total General Fund unrestricted net assets	\$ 140,895

(10) Interfund Receivables, Payables and Transfers

The composition of interfund balances as of December 31, 2008, is as follows:

	Due to Fund								
				Single	Mu	lti-Family/			
Due From Fund	Ge	General		Family	Business		Total		
General	\$	-	\$	31,051	\$	20,778	\$	51,829	
Single Family		-		-		-		-	
Multi-Family/Business		361		-		-		361	
Total	\$	361	\$	31,051	\$	20,778	\$	52,190	

The outstanding balances between funds result mainly from the processing of loan payments which are initially received by the General Fund and then transferred to the Single Family Fund and Multi-Family/Business Fund on a month lag basis. All interfund payables are expected to be paid within one year.

The following table summarizes the Authority's transfers for the year ended December 31, 2008:

	Transfers In							
				Single		Multi-Family/		
Transfers Out		General		Family		Business		Total
General	\$	-	\$	42,450	\$	100,605	\$	143,055
Single Family		46,958		-		-		46,958
Multi-Family/Business		85,434		-		-		85,434
Total	\$	132,392	\$	42,450	\$	100,605	\$	275,447

The Authority makes transfers between funds primarily for the purpose of (1) making initial contributions from the General Fund to new bond series to cover bond issuance costs and (2) transferring amounts to the General Fund that are no longer restricted by bond resolutions or indentures.

(11) Retirement Plans

The Authority contributes to the Local Government Division Trust fund (Trust), previously known as the Municipal Division Trust Fund, a cost-sharing multiple-employer public defined benefit plan administered by the Public Employees' Retirement Association of Colorado (PERA). The Trust provides retirement and disability, annual increases, and death benefits for members or their beneficiaries. Generally, all employees of the Authority are members of the Trust.

The Authority also contributes to the Health Care Trust Fund (Health Fund), a cost-sharing multiple-employer postemployment healthcare plan administered by PERA. The Health Fund provides a health care premium subsidy to PERA participating benefit recipients and their eligible beneficiaries.

Colorado Revised Statutes assign the authority to establish Trust and Health Fund benefit provisions to the State Legislature. PERA issues a publicly available annual financial report that includes financial statements and required supplementary information for the Trust and the Health Fund. That report may be obtained by writing to PERA at P.O. Box 5800, Denver, Colorado 80217-5800, by calling PERA at 303-832-9550 or 1-800-759-PERA (7372) or from PERA's web site at www.copera.org.

Plan members and the Authority are required to contribute to the Trust at rates set by Colorado Statutes. A portion of the Authority's contribution is allocated for the Health Fund. Member contributions to the Health Fund are not required.

The contribution rate for members and the Authority's contributions to the Trust and Health Fund, which equaled the Authority's required contributions for each year, were as follows:

	2008			2007	2	006
Contribution rate of covered salary:						
Members	8	3.00%	8	3.00%	8.00%	
Authority:						
Trust	10.88%		9.98%		9.48%	
Health Fund	1.02%		1.02%		1.02%	
Total contribution rate	11.90%		11.00%		10.50%	
Contributions by the Authority:						
Trust	\$	1,178	\$	1,010	\$	890
Health Fund		110		103		96
Total contributions	\$	1,288	\$	1,113	\$	986

An additional benefit offered to eligible Authority employees through PERA is a Voluntary Investment Program, established under Section 401(k) of the Internal Revenue Code. Participants invest a percentage of their annual gross salaries up to the annual IRS limit of their gross salaries. The Authority contributes 1% of each participating employee's salary as part of the 401(k) match and, in addition to the 1% contribution, the Authority matches half of the employee's 401(k) contribution up to 5% of the participating employee's gross salary. The Authority's maximum match of gross salary is 3.5%, which includes the 1% contribution. All Participating employees vest immediately in the plan. Contributions by the Authority for the years ended December 31, 2008, and 2007 were \$325,000 and \$302,000, respectively. Contributions by participating employees for the year ended December 31, 2008 and 2007 were \$829,000 and \$797,000, respectively.

Included in bonds and notes payable are bonds payable to PERA of \$33,747,000 at December 31, 2008, that carry the Authority's general obligation pledge.

(12) Risk Management

The Authority has a risk management program under which the various risks of loss associated with its business operations are identified and managed. The risk management techniques utilized include a combination of standard policies and procedures and purchased insurance. Commercial general liability, property losses, business automobile liability, worker's compensation and public officials' liability are all managed through purchased insurance. There were no significant reductions or changes in insurance coverage from the prior year. Settled claims did not exceed insurance coverage in any of the past three fiscal years.

(13) Commitments and Contingencies updated

The Authority had outstanding commitments to make or acquire single family and multi-family/business loans of \$15,040,000 and \$37,002,000, respectively, as of December 31, 2008.

There are a limited number of claims or suits pending against the authority arising in the Authority's ordinary course of business. In the opinion of the Authority's management and counsel, any losses that might result from these claims and suits are either covered by insurance or, to the extent not covered by insurance, would not materially affect the Authority's financial position.

(14) Subsequent Events

On April 7, 2009, the Authority issued its Single Family Mortgage Class I Bonds in the amount of \$90,000,000. The bonds carry interest rates of 2.4% to 5.5% and mature in varying amounts through 2029.

APPENDIX I

Insurance and Guarantee Programs; Foreclosure

The Mortgage Loans are required by the Master Indenture to be subject to mortgage insurance or guaranty to the extent required by any Series Indenture. For a description of the requirements of a particular Series Indenture, see "CERTAIN PROGRAM ASSUMPTIONS" in this Supplement. The following is a description of the various insurance and guarantee programs which may be applicable in connection with certain Mortgage Loans. The following also includes a description of the Colorado foreclosure procedures which may apply to a Mortgage Loan in the case of a Mortgagor default.

FHA Insurance

The National Housing Act (the "NHA") of 1934, as amended, provides for various FHA mortgage insurance programs. The regulations governing the single family programs under which the FHA-insured Mortgage Loans are insured provide that a Mortgage Loan will be considered to be in default if the Mortgagor fails to make any payment or perform any other obligation under the Mortgage, and such failure continues for a period of thirty days. Insurance benefits are payable to the Mortgagee upon acquisition of title (through foreclosure or otherwise) and conveyance of the Eligible Property to HUD.

HUD requires Mortgagees to explore alternatives to foreclosure. These may include a forbearance, a forbearance with a partial claim, or modification agreement, a home affordable modification, a pre-foreclosure sale, or a deed in lieu of foreclosure. Utilization of certain alternatives to foreclosure may result in quicker receipt of the FHA insurance claim because the time required to complete a foreclosure is eliminated. Attempts to utilize alternatives to foreclosure which are unsuccessful may delay receipt of the FHA insurance claim due to a delay in commencement of foreclosure proceedings.

The FHA insurance claim for a Mortgage Loan will be paid in an amount equal to the outstanding principal balance plus allowable interest and, in most cases, approximately seventy-five percent (75%) of the permitted costs and expenses of acquiring title to the Eligible Property. Interest is allowed (except for two months which is disallowed) at the HUD debenture rate which may be less than the Mortgage Loan interest rate.

Payment for insurance claims may include reimbursement to the Mortgagee for tax, insurance, and similar advances made by the Mortgagee, as well as deductions for amounts received or retained by the Mortgagee after default. Under most FHA insurance programs for single-family residences, the Federal Housing Commissioner has the option of paying insurance claims in cash or in debentures. The HUD debenture rate may be less than the interest rate on the Mortgage Loans, and any debentures would mature 20 years after the date of issue, pay interest semiannually and may be redeemable at par at the option of HUD. Current FHA policy, which is subject to change at any time, is to pay insurance claims in cash.

Except in limited circumstances as approved by HUD properties conveyed to HUD upon completion of the foreclosure process or other acquisition of title must be conveyed vacant. In some circumstances it may be necessary to evict a tenant or Mortgagor upon the completion of the foreclosure proceedings before the Eligible Property can be conveyed to HUD and the FHA insurance claim can be filed. Recent changes in Federal law require that bona fide tenants in a property under foreclosure who

have a lease resulting from an arms length transaction and who meet other conditions are entitled to a minimum 90 day advance notice to vacate the property.

FHA insurance claims may be denied or curtailed in limited circumstances. An FHA insurance claim may be denied if there was fraud in the origination of the Mortgage Loan or if the Mortgage is unable to deliver marketable title to HUD. Claims may be curtailed if the Authority, as servicer of the Mortgage Loans, fails to process the foreclosure in accordance with the FHA requirements or fails to adequately protect the Eligible Property. The Authority relies on the warranties and representations of the originating Mortgage Lenders with respect to proper origination of the Mortgage Loans. If an insurance claim is denied or curtailed due to an error of the Mortgage Lender, the Authority would have recourse to such Mortgage Lender for reimbursement. See "THE SINGLE FAMILY MORTGAGE PROGRAM" in this Supplement. The Authority's ability to collect claims for reimbursement may depend in part on the Mortgage Lender's financial condition at the time the claim arises.

VA Guaranty

The Veteran's Benefits Act of 1957, Public Law 85-857, as amended, permits a veteran (or in certain circumstances a veteran's spouse) to obtain a mortgage loan guaranty to finance the purchase of a one-to-four unit family dwelling at interest rates permitted by the VA.

Claims for the payment of a VA guaranty may be submitted when any default of the Mortgagor continues for a period of three months. A guaranty may be paid without the Mortgagee instituting foreclosure proceedings or otherwise acquiring title. A Mortgagee intending to institute foreclosure proceedings must send to the Administrator of Veteran Affairs a notice of default and intention to foreclose 120 days from the date of delinquency. The guaranty provisions for mortgage loans generally are as follows: (i) for home and condominium loans of \$45,000 or less, 50% of the loan is guaranteed; (ii) for home and condominium loans above \$45,000 but not more than \$56,250, \$22,500 of the loan is guaranteed; (iii) for home and condominium loans above \$56,250 but not more than \$144,000, the lesser of \$36,000 or 40% of the loan is guaranteed; and (iv) for home and condominium loans above \$144,000, the lesser of \$50,750 or 25% of the loan is guaranteed. The liability on the guaranty is reduced or increased pro rata with any reduction or increase in the amount of the indebtedness. Notwithstanding the dollar and percentage limitations of the guaranty, a Mortgagee will ordinarily suffer a monetary loss only when the difference between the unsatisfied indebtedness and the proceeds of any foreclosure sale of an Eligible Property is greater than the original guaranty as adjusted. The VA may, at its option and without regard to the guaranty, make full payment to a Mortgagee of unsatisfied indebtedness on a Mortgage upon the Mortgagee's obtaining title and assigning it to the VA.

In the case of a Mortgage Loan originated by a Mortgage Lender, the Authority relies on the originating Mortgage Lender for proper origination of such Mortgage Loan. If a guaranty claim is denied or curtailed due to the error of the Mortgage Lender, the Authority would have recourse to such Mortgage Lender for reimbursement. See "THE SINGLE FAMILY MORTGAGE PROGRAM" in this Supplement. The Authority's ability to collect claims for reimbursement may depend in part on the Mortgage Lender's financial condition at the time the claim arises.

Rural Housing Service Guarantee

Under the Rural Housing Service's Rural Housing Loan Guarantee Program, a Mortgagor may obtain a Mortgage Loan guaranteed by the Rural Housing Service ("RHS") covering mortgage financing of the purchase of an Eligible Property located in a RHS-designated rural area at interest rates permitted by the RHS. The RHS Rural Housing Loan Guarantee program will be limited to only certain rural areas of the State. Mortgagor and Mortgage Loan eligibility for such guarantees is subject to certain income,

purchase price and other limitations in addition to the limitations applicable to all Mortgagors and Mortgage Loans.

The amount of the RHS loan guarantee is 90% of the principal amount of the mortgage loan. The maximum loss payment under the RHS guarantee will be the lesser of: (i) any loss of an amount equal to 90% of the principal amount actually advanced to the Mortgagor, or (ii) any loss sustained by the Mortgagee of an amount up to 35% of the principal amount actually advanced to the Mortgagor, plus any additional loss sustained by the Mortgagee of an amount up to 85% of the remaining 65% of the principal amount actually advanced to the Mortgagor. Loss includes only: (a) principal and interest evidenced by the promissory note; (b) any Mortgage Loan subsidy due and owing; and (c) any principal and interest indebtedness on RHS-approved protective advances for protection and preservation of the Eligible Property. Interest (including any subsidy) will be covered by the RHS guarantee to the date of the final loss settlement when the Mortgagee conducts liquidation of the Eligible Property in an expeditious manner in accordance with RHS regulations.

When a Mortgage Loan becomes three payments delinquent, the Mortgagee may proceed with foreclosure of the Mortgage Loan unless extenuating circumstances exist. The RHS requires Mortgagees to explore an acceptable alternative to foreclosure, although incentives are not paid to mortgagees to implement the alternatives. Acceptable foreclosure alternatives include forbearance, modifications, preforeclosure sales and deeds in lieu of foreclosure. If the Mortgagee proposes a method of liquidation other than foreclosure, then the Mortgagee must obtain RHS's approval of such method.

Payment of loss is made within 60 days after the Mortgagee files a claim. A claim must be filed within 30 days after liquidation of the Mortgage Loan. Loss is determined by the difference between the unpaid principal balance of the mortgage loan, unpaid interest and advances approved by RHS and net proceeds from the Eligible Property. Normal costs of liquidation are also included in the loss payment. If the Mortgagee acquires title to the Eligible Property through the foreclosure process, the Mortgagee must submit a disposition plan to RHS for RHS concurrence. The Mortgagee has six months from the date of acquisition to sell the Eligible Property. If the Eligible Property is sold in accordance with the plan, the actual net proceeds from the sale of the Eligible Property will be used to calculate the loss payment. If the Eligible Property is not sold within 6 months from the acquisition date (which period may be extended for 30 days with RHS approval to permit the closing on an offer received near the end of the 6 month period) RHS will obtain a liquidation value appraisal of the Eligible Property which will be used to determine net proceeds for calculation of the loss payment.

If a third party acquires title to the Eligible Property from the foreclosure sale or as a result of a sale by the Mortgagor to cure or avoid a default, the actual net proceeds from the sale will be used to calculate the loss payment. In some circumstances, the Mortgagee may be required to enforce a deficiency judgment against the Mortgagor before the loss payment will be paid. This may substantially delay payment. Any recovery on the mortgage loan by the Mortgagee after receipt of a loss payment must be shared with RHS in proportion to the loss borne by RHS and the Mortgagee.

RHS claims may be denied or curtailed in limited circumstances. A claim may be denied if there was fraud or misrepresentation that the Mortgagee knew about, participated in or condoned. Claims may be curtailed as a result of violation of usury laws, negligent servicing or failure to obtain required collateral.

In the case of a Mortgage Loan originated by a Mortgage Lender, the Authority relies on the originating Mortgage Lender for proper origination of such Mortgage Loan. If a guaranty claim is denied or curtailed due to the error of the Mortgage Lender, the Authority would have recourse to such Mortgage Lender for reimbursement. See "THE SINGLE FAMILY MORTGAGE PROGRAM" in this

Supplement. The Authority's ability to collect claims for reimbursement may depend in part on the Mortgage Lender's financial condition at the time the claim arises.

Private Mortgage Insurance and Uninsured Mortgage Loans

Private Mortgage Insurance

Under each Series Indenture, the Authority is authorized in certain circumstances to purchase PMI Mortgage Loans which are insured by a private mortgage insurance company approved by the Authority, which is qualified to do business in the State and qualified to provide insurance on mortgages purchased by Freddie Mac or Fannie Mae and which is rated, at the time each PMI Mortgage Loan is made or originated, by the agency then rating the Bonds at certain ratings designated in the Series Indenture. See "CERTAIN PROGRAM ASSUMPTIONS – Insurance Limitations and Requirements" in this Supplement for a description of the ratings requirements under the Series Indentures applicable to the Series of Bonds.

The amount of private mortgage insurance plus the Eligible Borrower's down payment must at least equal the amount by which the PMI Mortgage Loan exceeds 80% of the appraised value (at the time of origination) or purchase price, whichever is less, of the mortgaged property securing such PMI Mortgage Loan. The private mortgage insurance may either be Borrower Paid Mortgage Insurance (BPMI) where mortgage insurance is paid by the mortgagor; or Lender Paid Mortgage Insurance (LPMI) where mortgage insurance is paid by a person other than the mortgagor. LPMI cannot be cancelled by the mortgagor and is not automatically terminated under federal law. LPMI may result in a mortgage with a higher interest rate and terminates only when the mortgage is refinanced, paid off, or otherwise terminated. Federal law requires BPMI to be cancelled at the mortgagor's request on or after either of the following dates: (1) the date the principal balance of the loan is first scheduled to reach eighty percent (80%) of the original value of the property; or (2) the date the principal balance actually reaches eighty percent (80%) of the original value of the property. BPMI will only be canceled on these dates if the mortgagor submits a written request for cancellation; has a good payment history; is current on the mortgage loan; and the Authority receives evidence that the value of the property has not declined below its original value and certification that there are not subordinate liens on the property. Federal law also requires BPMI to automatically terminate on the date that the principal balance of the loan is first scheduled to reach seventy eight percent (78%) of the original value of the property if the mortgagor is current on loan payments. In any event, BPMI will terminate on the first day of the month immediately following the date that is the midpoint of the amortization period for the loan, if the mortgagor is current on that date.

Generally, delinquencies must be reported to the Private Insurer at day 45 of the delinquency and then on a monthly basis thereafter, and proceedings to recover title are required to commence within four months of default. It is also required that prior to presenting a claim under the PMI, title to the mortgaged property, free and clear of all liens and encumbrances, including any right of redemption by the mortgagor, must be acquired and tendered to the Private Insurer. Private mortgage insurance policies may provide that the Private Insurer, upon taking title to the mortgaged property securing a PMI Mortgage Loan, must pay the mortgagee the unrecovered balance of its loss but may permit mortgagee to retain such title and pay a claim equal to the difference between the original principal amount of such Mortgage Loan and 75% of the appraised value (at the time or origination) or purchase price of such mortgaged property, whichever is less. The amount of the claim payable also generally consists of usual and customary attorneys' fees, real estate taxes, hazard and private mortgage insurance premiums necessarily advanced by the insured, expenses incurred in preservation and maintenance of the mortgaged property, and other costs and expenses incurred to acquire the mortgaged property. Private Insurers may require or permit the mortgagee to forbear from foreclosing a defaulted Mortgage Loan, offer a

preforeclosure sale or deed in lieu of foreclosure, or enter into an agreement modifying the terms of a Mortgage Loan in certain circumstances.

In the case of a Mortgage Loan originated by a Mortgage Lender, the Authority relies on the originating Mortgage Lender for proper origination of such Mortgage Loan. If an insurance claim is denied or curtailed due to the error of the Mortgage Lender, the Authority would have recourse to such Mortgage Lender for reimbursement. See "THE SINGLE FAMILY MORTGAGE PROGRAM" in this Supplement. The Authority's ability to collect claims for reimbursement may depend in part on the Mortgage Lender's financial condition at the time the claim arises.

Uninsured Mortgage Loans

Each Series Indenture also permits the Authority in certain circumstances to make or purchase Uninsured Mortgage Loans which are neither governmentally-guaranteed or insured nor insured by a private mortgage insurance company, as long as the outstanding principal balance of each such Uninsured Mortgage Loan is less than or equal to 80% of the appraised value (at the time of origination of such Mortgage Loan) or the purchase price, whichever is less, of the mortgaged property securing such Uninsured Mortgage Loan.

Colorado Foreclosure Law and Procedure

The Mortgage Loans are evidenced by promissory notes and secured by deeds of trust encumbering the mortgaged property. The Colorado form of deed of trust is a unique three-party instrument that involves a public official known as a public trustee rather than a private trustee. The parties to a deed of trust are the borrower (i.e., the mortgagor), the public trustee of the county in which the mortgaged property is located and the Mortgage Lender (generally referred to in a deed of trust as the beneficiary and herein as the mortgagee). A deed of trust creates a lien in favor of the mortgagee to secure repayment of the debt.

The public trustee's duties are generally limited to foreclosure of deeds of trust, issuance of certificates of purchase and deeds following foreclosure, releases of deeds of trust, and related matters. The public trustee will rarely have notice of a deed of trust until the mortgagee elects to have the public trustee foreclose the deed of trust. Public trustees do not have discretionary or decision-making authority like judges. Rather, they perform the ministerial and procedural acts necessary to complete foreclosures in accordance with Colorado law.

A mortgagor's failure to perform a material covenant of the deed of trust (like failure to pay taxes or failure to pay the debt) generally constitutes a default entitling the mortgagee to accelerate the debt and foreclose. To start foreclosure proceedings, the mortgagee must present to the public trustee (i) the original or, for certain qualified holders, a copy of the promissory note or evidence of debt (or, except as provided in the following sentence, a lost instruments bond if the note or evidence of debt has been lost), (ii) the original or copy of the recorded deed of trust (which copy in some cases must be certified by the Clerk and Recorder or in other cases accompanied by the certificate of the holder that such holder is a "qualified holder") and (iii) an originally executed Notice of Election and Demand for Sale. Certain types of mortgagees, which include the Authority, may commence foreclosure by presenting a copy of the original evidence of debt instead of the original instrument or a bond. If the mortgagee presents a copy of the evidence of debt, the mortgagee is liable to a person incurring a loss if the original evidence of debt is subsequently presented for payment. The mortgagee or its attorneys must also prepare and submit to the public trustee the so-called Combined Notice and other required notices, certificates and affidavits and a mailing list for the notices. The public trustee must record the Notice of Election and Demand for Sale in the appropriate clerk and recorder's office within ten business days after receipt. The public trustee must

mail a Combined Notice no more than 20 calendar days after recording the Notice of Election and Demand to those persons on the initial mailing list provided by the mortgagee's attorney.

The public trustee also causes the Combined Notice to be published and posted. The Combined Notice must be published once per week for five successive weeks in a newspaper of general circulation in the county where the mortgaged property is located. Copies of the Combined Notice must be sent to the borrower, Grantor of the Deed of Trust, Guarantors, and "occupants" as designated by statute and who are listed on a mailing list provided by the mortgagee's attorney within 20 days after the recording of the Notice of Election and Demand. No more than sixty (60) nor fewer than forty-five (45) days prior to the first scheduled date of sale, the public trustee is required to again send the Combined Notice to the persons identified in the preceding sentence as well as to the owner of the property as of the date of recording of the Notice of Election and Demand and each person who appears to have an interest in the property prior to the date of the recording of the Notice of Election and Demand (if such person's interest in the property may be extinguished by the foreclosure).

The mortgagee may elect to preserve certain junior interests (like easements or leases) that would otherwise be extinguished by the foreclosure by filing a Notice to Affirm prior to the transfer of the title.

A right to redeem inures to certain holders of recorded junior interests that were recorded prior to the recording of the Notice of Election and Demand for Sale. A right to cure inures to the owner of the mortgaged property as of the recording of the Notice of Election and Demand and certain transferees, parties liable on the debt, sureties and guarantors of the debt and holders of an interest junior to the lien being foreclosed that was recorded prior to the recording of the Notice of Election and Demand for Sale.

A public trustee foreclosure sale is scheduled by the public trustee to occur no fewer than 110 days and no more than 125 days after the date of recording the Notice of Election and Demand for Sale for non-agricultural property. For agricultural property the sale is to be scheduled 215 to 230 days after the recording of the Notice of Election and Demand. If it is not evident from the legal description in the deed of trust the public trustee will determine if the property is agricultural based on certain evidence such as a subdivision plat, a written statement of an official that the property was within incorporated city limits, or a written statement from the assessor. The sale date may be extended by the mortgagee from time to time and by the public trustee for other reasons provided by statute.

Prior to the foreclosure sale the mortgagee must obtain an Order Authorizing Sale in an appropriate Colorado District Court pursuant to Rule 120 of the Colorado Rules of Civil Procedure. Notice of a Rule 120 hearing must be provided to the persons designated by statute. The hearing must be held no later than 16 days prior to the date of the foreclosure sale or the mortgagee must continue the sale. An order authorizing the public trustee foreclosure sale will be issued if the court determines there is a reasonable probability that a default has occurred entitling the mortgagee to foreclose and no interested party is entitled to protection of the Servicemembers' Civil Relief Act of 1940, as amended (the "Relief Act"). The scope of the Rule 120 hearing is limited to determining the reasonable probability that a default has occurred, determining whether under the deed of trust foreclosure is authorized, and determination of issues related to the Relief Act.

Mortgagors called to active duty after obtaining a Mortgage Loan are entitled to benefit of the Relief Act. Under the Relief Act a mortgagor may be granted certain relief from the mortgage obligations during active military service and for one year after the end of the period of military service. Such relief includes: (i) reduction of the Mortgage Loan interest rate to six percent (6%); and (ii) a stay of foreclosure proceedings. Such relief may reduce revenues received by the Authority during such period.

When foreclosure is initiated due to the nonpayment of sums due under the promissory note or deed of trust (such as principal, interest or real estate taxes), parties entitled by statute to cure who wish to exercise such cure rights must preserve the right to cure by filing a Notice of Intent to Cure with the public trustee at least fifteen days prior to the date of the foreclosure sale. The Public Trustee is then required to promptly request the amount required to cure the default from the mortgagee. For requests to cure filed 30 days or more before the sale date, the mortgagee must provide the amount required to cure by noon on the seventh calendar day prior to the sale. For requests for cure statement filed more than 30 days before the sale date, the mortgagee must provide the amount required for cure statement within 10 business days after the receipt of the request. If the request for cure statement is filed 30 or fewer days prior to the sale date, the amount required to cure must be provided to the public trustee by 12:00 Noon on the seventh (7th) calendar day prior to the date of sale. If these deadlines are not met, the foreclosure will be postponed thereafter from week to week. The party wishing to cure the default must pay the public trustee all delinquent principal, interest and other amounts due plus the costs and expense of the foreclosure, including attorneys' fees, on or before noon of the day prior to the foreclosure sale to effectuate the cure. After the default is cured the mortgagee must terminate the foreclosure proceedings. The mortgagee may, but is not obligated to, accept a cure and terminate the foreclosure proceedings even if the statutory requirements are not met.

If the Mortgage Loan is not cured, the public trustee will sell the mortgaged property at the foreclosure sale to the highest bidder. Anyone may bid at the sale. There is no obligation for the mortgagee to bid any amount in excess of the outstanding debt. Any bid by the mortgagee which is less than the outstanding debt must be at least the mortgagee's good faith estimate of the fair market value of the mortgaged property (less unpaid taxes, the amount of senior liens and estimated reasonable costs and expenses, net of income, of holding, marketing and selling such property). The failure of the mortgagee to bid a good faith estimate of the fair market value of the mortgaged property will not affect the validity of the foreclosure sale but may be raised as a defense by a person sued on a deficiency. The public trustee will issue a Certificate of Purchase to the successful bidder. Title to the property vests in the holder of the Certificate of Purchase upon the close of business, eight days after the sale date if no notice of intent to redeem was filed. If a notice of intent to redeem was filed, the title vests upon the expiration of all redemption periods.

Certain holders of recorded junior interests have redemption rights if they timely filed a Notice of Intent to Redeem. The most senior junior lienholder may redeem between 15 and 19 days after the sale date and each subsequent junior lienholder has (in order of priority of the liens) five business days to redeem. To preserve the right to redeem, a junior lienholder must file a notice of intent to redeem and other documents with the public trustee within eight business days after the foreclosure sale. Title to the property will vest in the holder of the Certificate of Purchase upon the close of business eight days after the sale date if no notice of intent to redeem was filed. If a notice of intent to redeem was filed, and no redemption has occurred, the title vests in the holder of the Certificate of Purchase upon the expiration of all redemption periods. The public trustee will issue a deed to, the holder of the Certificate of Purchase. The public trustee deed will convey the mortgaged property free of all junior interests except junior interests the mortgagee elected to affirm or which were not sent proper notices of the foreclosure as required by statute. Special rules apply with respect to junior liens which are held by the IRS or other federal agencies. The public trustee's deed will be junior to the lien for real property taxes and assessments and to all liens and interests, if any, which were senior to the deed of trust foreclosed.

Judicial foreclosure may be required or advisable in certain circumstances including where there are defects in title, where there is a need to reform the Mortgage Loan documents to correct an error, or where there is a dispute about the priority of the deed of trust. Generally a judicial foreclosure will take substantially longer and be significantly more expensive than a public trustee foreclosure.

In addition to the statutory requirements with respect to a foreclosure in Colorado, other restrictions may be imposed by the Mortgage Loan documents or by the VA, FHA, Rural Housing Service or a Private Insurer. VA and FHA encourage Mortgage Lenders to avoid foreclosure wherever possible. VA, FHA and Rural Housing Service also have special programs for certain borrowers whose defaults are caused by circumstances outside of their control, as described in "VA Guaranty," "Rural Housing Service Guarantee" and "FHA Insurance" under this caption. Certain loan documents for the Mortgage Loans may incorporate restrictions from the FNMA/FHLMC Colorado Uniform Security Instrument which require the mortgagee to give the Mortgagor 30 days' notice prior to accelerating the Mortgage Loan unless the default is violation of the due-on-sale clause.

In the event a Mortgagor files a bankruptcy petition, the foreclosure proceedings are automatically stayed until the mortgagee is granted relief from stay or the bankruptcy action is dismissed. The mortgagee may not be granted relief from stay in certain cases. If a bankruptcy petition is filed after all publications of the Combined Notice as required by Colorado law have been completed, the Mortgagee may continue the sale for as long as the automatic stay is in effect. Upon obtaining relief from stay or upon dismissal of the bankruptcy, the sale can be held at the next available sale date. If a bankruptcy petition is filed prior to completion of the publication of all of the Combined Notices as required by Colorado law, the remaining notices must be cancelled. If the mortgagee obtains relief from stay or the bankruptcy is dismissed, the mortgagee must re-record the Notice of Election and Demand for Sale and all required notices must be given before a foreclosure sale may be held.

Effective for foreclosures filed on or after August 2, 2009, on certain owner occupied properties in which the original debt was \$500,000 or less, the mortgagor may be eligible for a foreclosure deferment for a period of 90 days to allow the holder of the debt and mortgagor to negotiate. On such properties, the mortgagee must provide a Notice to the Public Trustee that the property and mortgagor may be eligible for a foreclosure deferment; and must post a notice in a conspicuous place on the property that the mortgagor may be eligible for a deferment including the information concerning contacting a housing counselor within 20 days. If within 30 days, the housing counselor determines that the mortgagor is eligible for a 90 day deferment, the housing counselor must file a certification with the Public Trustee, who must cancel all publications and postpone the sale date from week to week. During the foreclosure deferment period, the holder and the mortgagor must negotiate the terms of the debt and the mortgagor must make reduced payments to the holder. The 90 day deferment may be terminated early upon the certification of the housing counselor. A certification may be made upon request of the holder, if the holder can demonstrate that the mortgagor has abandoned the property; failed to comply with the conditions of the foreclosure deferment; transferred or further encumbered the property; or has filed bankruptcy during the foreclosure deferment period. In addition, if foreclosure is initiated by a different party on another lien encumbering the property, the foreclosure deferment may terminate early. Once the foreclosure deferment has ended or been terminated, the Public Trustee will begin publication and must mail the Notice of Sale within 20 days.

The Colorado General Assembly recently enacted HB-09-1207 which makes some changes in the foreclosure process. Certain provisions took effect for foreclosures filed on or after September 1, 2009 and others will take effect for foreclosures filed on or after January 1, 2010. Those changes are not reflected in the description of the foreclosure process in this **Appendix I**.
