homebuyer education: chfa temporarily offers free online homebuyer education class options

As circumstances from COVID-19 continue to evolve, CHFAs priority is ensuring the health and safety of our staff, customers, and partners while continuing to fulfill our mission of investing in affordable housing and economic development.

In light of Governor Polis declaring a state of emergency for Colorado earlier this week, and in the spirit of taking a proactive approach to help contain the virus from spreading, CHFA will be temporarily allocating funds to cover the cost of online homebuyer education.

Starting today, March 16, 2020, individuals may choose a free online homebuyer education option, which can be found on [CHFAs interactive homebuyer education search tool](#).
