

April 13, 2020

we would appreciate hearing from you!

CHFA is here and fully operational! CHFA, including its Asset Management team, is working remotely until April 30, 2020. However, the team is available to you, so please feel free to reach out to your point-of-contact for any assistance.

Realizing how incredibly busy you are at this unprecedented time, CHFA is asking for a brief five minutes from you to provide valuable feedback on what you are experiencing on site at your multifamily properties. CHFA is seeking your input to just a few questions to help us better understand the issues and roadblocks you are experiencing, which will enable us to make any necessary adjustments to our compliance and financial oversight for the near future.

We only need one response from each management company/owner/agent or one per property.
