homeconnectionsm: lender self-service

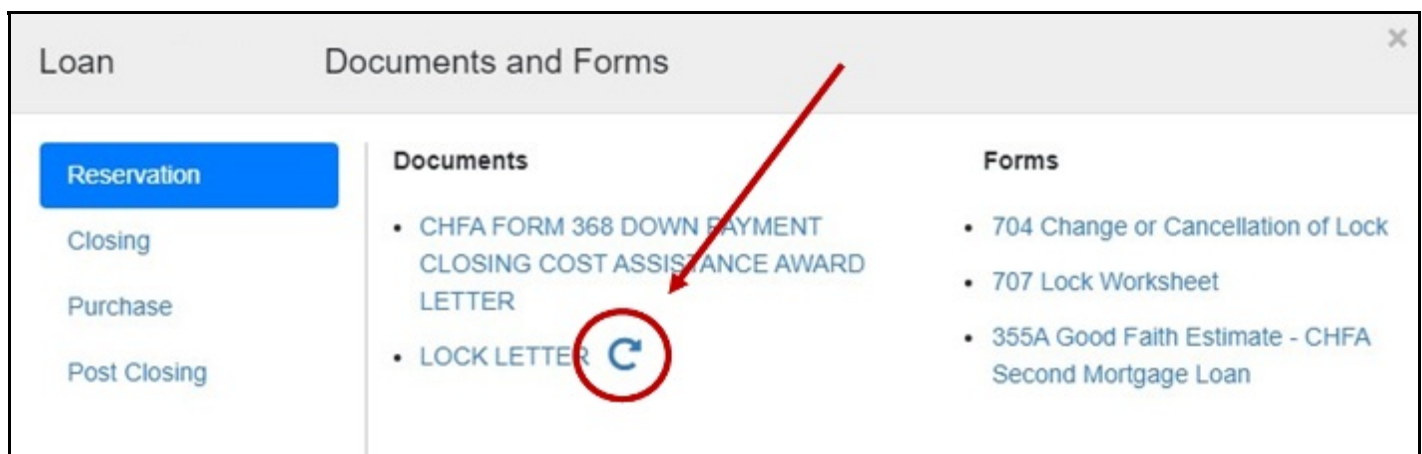

CHFA strives to make doing business with us efficient and easy. We have made several enhancements to HomeConnectionssm putting you in control of managing your pipeline.

While a Lock is in "Reserved" status, Lenders can change or update the following; simply click on the applicable icon next to the Lock in your pipeline:

- Change a program
- Change a loan product
- Update a loan, purchase price, or down payment amount
- Change a FICO score
- Extend a lock
- Cancel a lock
- Reinstate a lock

Generate a new Lock letter yourself

Should you make a change and need a new Lock letter, simply click on the circular arrow icon and follow the instructions in the pop-up window. You no longer need to contact CHFA to have a new letter generated!

Don't forget, CHFA offers various trainings for a wide range of loan delivery roles and responsibilities. [Click here](#) to view these opportunities.
