Facebook: Rethink What You Know
Webinar • November 5 • 10:00am to 11:00am

Facebook started out as a network for college students and has grown into more than 2 billion users globally. Everyone does their research these days, starting with an online search or asking their family and friends for information. If you’re not where homebuyers are looking, you can miss out on their business. With Facebook, you can create an online business hub so others can easily find you and you can be part of their consideration and conversations.
