CHFA Requires a FHA MIC Within 30 Days

The FHA Mortgage Insurance Certificate (MIC) must be delivered to CHFA **within 30 days** of the loan purchase by CHFA. CHFA may begin the Repurchase process if all required forms and documents, including the FHA MIC, and any loan document error corrections, are not submitted timely.

This is incredibly important given our current environment. Please double check your processes to ensure CHFA receives a correct FHA MIC within this timeframe, if not sooner.

Please note: The sooner CHFA receives required documents, the sooner the loan can be purchased. CHFA is expediting our internal operations to purchase loans as quickly as possible. We realize getting loans off your warehouse lines is important.

Play your part and get documents to us quickly!
