Lock Restrictions:

Locks are not transferable between Lenders, Borrower(s) or Properties. Should the Lender, Borrower(s) or Property change, the original loan will need to be canceled and a new loan can be locked at current market rate by submitting [CHFA Form 707](#) to chfaLockDesk@chfainfo.com. Only after the previous Lock has been canceled will a new Lock be made.

Reinstatement or New Lock following Canceled Lock:

If a Participating Lender would like to re-lock a canceled Lock, for the same Borrower and Property, the following options are available:

1. The Participating Lender may have the canceled Lock reinstated. All terms including Interest Rate and Lock Expiration date of the canceled Lock apply.
2. The Participating Lender may Lock a new loan at current market rate 31 calendar days from the Lock cancellation date.
3. If re-locking within 10 calendar days, of the original Lock date, the Participating Lender may request a new Lock subject to worst case pricing and a relock fee of \$250.00. A new Lock Expiration date will be established.
4. If re-locking after 10 calendar days, of the original Lock date, but within 30 calendar days of the Lock cancellation date, the Participating Lender may request a new Lock subject to worst case pricing and a cost of 0.35 percent of the Original Principal Balance of the First Mortgage Loan. A new Lock Expiration date will be established.
