CHFA: Celebrating 50 years of Strengthening Colorado

This year CHFA celebrates 50 years of strengthening Colorado and investing more than **\$35.3 billion** in affordable housing and community development. The Colorado General Assembly is an important part of this journey, having created CHFA as a quasi-governmental authority in 1973 and by advancing key bipartisan supported resources such as the state Affordable Housing Tax Credit and the Middle-income Access Program to leverage private sector investment in affordable housing.

We invite you to join us in our celebration and thank you for your leadership.

this week: strengthening colorado for the next fifty years

CHFA is grateful for your leadership in this legislative session and for the opportunity to share more about our investments in affordable housing and community development. We are proud to serve as a partner in strengthening Colorado.

While we look back on the previous five decades of impact, we are excited to continue our work for the next fifty years. CHFA will continue to innovate new products, expand access to capital, and engage with community partners in all sectors to fulfill our vision that everyone in Colorado will have the opportunity for housing stability and economic prosperity.

To advance this work, CHFA is glad for your consideration and support of legislation to expand opportunities for the development and rehabilitation of affordable housing across Colorado with HB24-1434 and HB24-1316.
