Section 2.06. Calculation and Payment of Interest; Maximum Rate.

(a) Interest on the 2025 Series O-1 Bonds shall be computed on the basis of a 360-day year of twelve 30-day months. When a Daily Mode, a Weekly Mode or a Term Rate Mode of shorter than one year is in effect for 2025 Series O-2 Bonds, interest shall be calculated on the basis of a 365/366 day year for the actual number of days elapsed. When a Term Rate Mode of one year or longer or a Fixed Rate Mode for 2025 Series O-2 Bonds

is in effect, interest shall be calculated on the basis of a 360 day year comprised of twelve 30-day months. Payment of interest on each 2025 Series O Bond shall be made on each Interest Payment Date for such Bond for unpaid interest accrued during the Interest Accrual Period to the Owner of record of such Bond on the applicable Record Date.

(b) Some or all of the 2025 Series O-2 Bonds in any Mode, other than a Fixed Rate Mode, may be changed to any other Mode at the times and in the manner provided below. Subsequent to such change in Mode (other than a change to a Fixed Rate Mode), any 2025 Series O-2 Bond may again be changed to a different Mode at the times and in the manner provided below. A Fixed Rate Mode shall be in effect until the applicable Maturity Date, or acceleration thereof prior to such Maturity Date, and may not be changed to any other Mode.

(d) No 2025 Series O-2 Bonds shall bear interest at an interest rate higher than the Maximum Rate.

Section 2.07. Determination of Interest Rate During the Daily Mode and the Weekly Mode.

(a) The interest rate for any 2025 Series O-2 Bond in the Daily Mode or Weekly Mode shall be the rate of interest per annum determined by the Remarketing Agent on and as of the applicable Rate Determination Date as the minimum rate of interest which, in the opinion of the Remarketing Agent under then-existing market conditions, would result in the sale of such Bond on the Rate Determination Date at a price equal to the principal amount thereof, plus accrued and unpaid interest, if any. In determining such interest rate the Remarketing Agent shall take into account, to the extent applicable, (1) market interest rates for comparable securities held by tax-exempt or taxable (as applicable) open-end municipal bond funds or other institutional or private investors with substantial portfolios (i) with interest rate adjustment periods and demand purchase options substantially identical to the 2025 Series O-2 Bonds, (ii) bearing interest at a variable rate intended to maintain par value, and (iii) rated by a national credit rating agency in the same category as the 2025 Series O-2 Bonds; (2) other financial market rates and indices which may have a bearing on the interest rate (including, but not limited to, rates borne by commercial paper, Treasury Bills, commercial bank prime rates, certificate of deposit rates, federal fund rates, the Secured Overnight Financing Rate, indices maintained by The Bond Buyer, and other publicly available tax-exempt or taxable (as applicable) interest rate indices); (3) general financial market conditions (including current forward supply); and (4) factors particular to the Authority and the 2025 Series O-2 Bonds.

(b) During the Daily Mode, the Remarketing Agent shall establish the Daily Rate by 10:00 a.m., New York City time, on each Rate Determination Date. The Daily Rate for any day during the Daily Mode which is not a Business Day shall be the Daily Rate established on the immediately preceding Rate Determination Date. The Remarketing Agent shall make the Daily Rate available by telephone to any Owner or Notice Party

requesting such rate, and on the last Business Day of each week, shall give notice to the Paying Agent of the Daily Rates that were in effect for each day of such week by Electronic Means.

(c) During the Weekly Mode, the Remarketing Agent shall establish the Weekly Rate by 4:00 p.m., New York City time, on each Rate Determination Date. The Weekly Rate shall be in effect (i) initially, from and including the first day the 2025 Series O-2 Bonds become subject to the Weekly Mode to and including the following Tuesday and (ii) thereafter, from and including each Wednesday to and including the following Tuesday. The Remarketing Agent shall make the Weekly Rate available (i) after 4:00 p.m., New York City time, on the Rate Determination Date by telephone to any Owner or Notice Party requesting such rate and (ii) by Electronic Means to the Paying Agent on the Rate Determination Date. The Paying Agent shall give notice of such interest rates to the Trustee by Electronic Means not later than 4:00 p.m., New York City time, on the second Business Day immediately succeeding the Rate Determination Date.

Section 2.08. Determination of Term Rate and Fixed Rate.

(a) ***Term Rates.***

(i) Except as provided in paragraph (iii) of this Section 2.08(a), once 2025 Series O-2 Bonds are changed to the Term Rate Mode, such Bonds shall continue in the Term Rate Mode until changed to another Mode in accordance with Section 2.10 of this Series Indenture. The Term Rate shall be determined by the Remarketing Agent not later than 4:00 p.m., New York City time, on the Rate Determination Date, and the Remarketing Agent shall make the Term Rate available by telephone to any Notice Party requesting such rate. The Remarketing Agent shall give written notice of the Term Rate to the Authority and the Paying Agent. The Term Rate shall be the minimum rate which, in the sole judgment of the Remarketing Agent, will result in a sale of such 2025 Series O-2 Bonds at a price equal to the principal amount thereof on the Rate Determination Date for the Interest Period selected by the Authority. If a new Interest Period is not selected by the Authority prior to the Business Day next preceding the Purchase Date for the Interest Period then in effect, the new Interest Period shall be the same length as the current Interest Period (or such lesser period as shall be necessary to comply with paragraph (ii) of this Section 2.08(a)). No Interest Period in the Term Rate Mode may extend beyond the Maturity Date of the 2025 Series O-2 Bonds.

(ii) A 2025 Series O-2 Bond on the date it is converted to the Term Rate Mode, and while it is in the Term Rate Mode, need not be secured by a Liquidity Facility if so determined by the Authority prior to the Mode Change Date. If, however, it is secured by a Liquidity Facility, then, notwithstanding anything to the contrary contained herein, no Interest Period for such Bond may extend beyond the Expiration Tender Date.

(iii) If, for any reason, a new Term Rate for a 2025 Series O-2 Bond that has been in the Term Rate Mode and is to continue in the Term Rate Mode is not or cannot be established, then (i) if such Bond is secured by a Liquidity Facility, it

will be changed automatically to the Weekly Mode, or (ii) if such Bond is not secured by a Liquidity Facility, then such Bond shall stay in the Term Rate Mode for an Interest Period ending on the next Stated Interest Payment Date and shall bear interest at the applicable Alternate Rate.

(b) **Fixed Rate.** The Remarketing Agent shall determine the Fixed Rate for a 2025 Series O-2 Bond in the Fixed Rate Mode in the manner and at the times as follows: Not later than 4:00 p.m., New York City time, on the Rate Determination Date for such Bond, the Remarketing Agent shall determine the Fixed Rate for such Bond and shall notify the Paying Agent of each Fixed Rate by Electronic Means on the Rate Determination Date. The Fixed Rate shall be the minimum interest rate which, in the sole judgment of the Remarketing Agent, will result in a sale of such Bond at a price equal to the principal amount thereof on the Rate Determination Date. The Remarketing Agent shall make the Fixed Rate available by telephone to any Notice Party requesting such Fixed Rate. Upon request of any Notice Party, the Paying Agent shall give notice of such rate by Electronic Means.

Section 2.09. Alternate Rate for Interest Calculation. Except as otherwise provided herein, in the event (a) the Remarketing Agent fails or is unable to determine the interest rate or Interest Period with respect to any 2025 Series O-2 Bond, or (b) the method of determining the interest rate or Interest Period with respect to a 2025 Series O-2 Bond shall be held to be unenforceable by a court of law of competent jurisdiction, such Bond shall thereupon, until such time as the Remarketing Agent again makes such determination or until there is delivered a Counsel's Opinion to the effect that the method of determining such rate is enforceable, bear interest from the last date on which such rate was determined in the case of clause (a) and from the date on which interest was legally paid in the case of clause (b), at the Alternate Rate for the Mode in effect for such Bond.

Section 2.10. Changes in Mode. Subject to the provisions of this Section 2.10, the Authority may effect a change in Mode with respect to a 2025 Series O-2 Bond by following the procedures set forth in this Section 2.10.

(a) **Changes to a Mode Other Than the Fixed Rate Mode.** A 2025 Series O-2 Bond (other than a 2025 Series O-2 Bond in the Fixed Rate Mode) may be changed from one Mode to another Mode (other than the Fixed Rate Mode) as follows:

(i) **Mode Change Notice; Notice to Owners.** No later than the 45th day (or such shorter time as may be agreed to by the Authority, the Trustee, the Paying Agent and the Remarketing Agent) preceding the proposed Mode Change Date, the Authority shall give written notice to the Notice Parties of its intention to effect a change in the Mode from the Mode then prevailing (for purposes of this Section 2.10, the "Current Mode") to another Mode (for purposes of this Section 2.10, the "New Mode") specified in such written notice, and, if the change is to a Term Rate Mode, the length of the initial Interest Period as set by the Authority and whether or not the 2025 Series O-2 Bonds to be converted to the Term Rate Mode will be covered by a Liquidity Facility (if they will be covered, then the initial Interest Rate Period for such Bonds selected by the Authority cannot extend beyond the Expiration Tender Date). Notice of the proposed change in

Mode shall be given to the Owners, with a copy to the MSRB, pursuant to Section 7.2 of this Series Indenture.

(ii) *Determination of Interest Rates.* The New Mode for a 2025 Series O-2 Bond shall commence on the Mode Change Date for such Bond and the interest rate shall be determined by the Remarketing Agent (or the Authority in the case of the Interest Period for a 2025 Series O-2 Bond converted to the Term Rate Mode) in the manner provided in Sections 2.7 and 2.8 of this Series Indenture, as applicable.

(iii) *Conditions Precedent.*

(A) The Mode Change Date shall be a Business Day.

(B) Additionally, the Mode Change Date in the case of a change from a Term Rate Mode, shall be the last day of the current Interest Period for the 2025 Series O-2 Bond being converted.

(C) The following items shall have been delivered to the Trustee, the Paying Agent and the Remarketing Agent on the Mode Change Date:

(1) in the case of a change from a Short-Term Mode to a Term Rate Mode or from a Term Rate Mode to a Short-Term Mode, a Favorable Opinion of Bond Counsel dated the Mode Change Date and addressed to the Authority, the Trustee, the Paying Agent and the Remarketing Agent;

(2) a Rating Confirmation Notice; and

(3) a Liquidity Facility with principal coverage equal to the principal amount of the 2025 Series O-2 Bonds being converted, and with interest coverage equal to or greater than the amount required by the Rating Agencies for the applicable Mode and with an Expiration Date not earlier than 5 days after the end of the initial Interest Rate Period for such Bond; provided, however, that in the case of a conversion of a 2025 Series O-2 Bond to the Term Rate Mode, no Liquidity Facility need be applicable to such Bond while in the Term Rate Mode if the Authority so elects, by the time it gives the notice to the Notice Parties required by subsection (a)(i) of this Section 2.10.

(b) *Change to Fixed Rate Mode.* At the option of the Authority, a 2025 Series O-2 Bond may be changed to the Fixed Rate Mode as provided in this Section 2.10(b). Not less than 45 days (or such shorter time as may be agreed to by the Authority, the Trustee and the Remarketing Agent) before the proposed Mode Change Date for such Bond, the Authority shall give written notice to the Notice Parties stating that the Mode will be changed to the Fixed Rate Mode and setting forth the proposed Mode Change

Date and that the 2025 Series O-2 Bonds to be converted to the Fixed Rate Mode will not be covered by the Liquidity Facility. Any such change in Mode shall be made as follows:

(i) *Conditions Precedent.* The Mode Change Date shall be:

(A) a Business Day; and

(B) in the case of a change from the Term Rate Mode, the last day of the current Interest Period for the 2025 Series O-2 Bond being converted.

(ii) *Notice to Owners.* Not less than the 30th day next preceding the Mode Change Date, the Trustee shall mail by first-class mail, or transmit in such other manner (such as by Electronic Means) as may be customary for the industry and as directed in writing by the Authority, in the name of the Authority, a notice of such proposed change to the Owners, with a copy to the MSRB, stating that the Mode will be changed to the Fixed Rate Mode, the proposed Mode Change Date and that such Owner is required to tender such Owner's 2025 Series O-2 Bonds for purchase on such proposed Mode Change Date.

(iii) *General Provisions Applying to Change to Fixed Rate Mode.* The change to the Fixed Rate Mode shall not occur unless the following items shall have been delivered to the Trustee and the Remarketing Agent on the Mode Change Date:

(A) if the change is from a Short-Term Mode, a Favorable Opinion of Bond Counsel dated the Mode Change Date and addressed to the Trustee and the Remarketing Agent; and

(B) a Rating Confirmation Notice.

(iv) *Determination of Interest Rate.* The Fixed Rate for a 2025 Series O-2 Bond to be converted to the Fixed Rate Mode shall be established by the Remarketing Agent pursuant to the provisions of Section 2.08(b) of this Series Indenture.

(c) *Failure To Satisfy Conditions Precedent to a Mode Change.* In the event the conditions described above in subsections (a) or (b), as applicable, of this Section 2.10 have not been satisfied by the applicable Mode Change Date, then the New Mode or Fixed Rate Mode, as the case may be, shall not take effect. If the failed change in Mode was from the Daily Mode, the applicable 2025 Series O-2 Bond shall remain in the Daily Mode, and if the failed change in Mode was from the Weekly Mode, the applicable 2025 Series O-2 Bond shall remain in the Weekly Mode, in each case with interest rates established in accordance with the applicable provisions of Section 2.7 of this Series Indenture on and as of the failed Mode Change Date. If the failed change in Mode was from the Term Rate Mode and for which the Liquidity Facility was in effect for the 2025 Series O-2 Bond to be changed, the applicable 2025 Series O-2 Bond shall be changed to the Weekly Mode. If, however, there was no Liquidity Facility in effect for such 2025

Series O-2 Bond to have been changed from the Term Rate Mode, then such 2025 Series O-2 Bond shall stay in the Term Rate Mode for an Interest Period ending on the next Stated Interest Payment Date and shall bear interest at the applicable Alternate Rate. The Trustee shall promptly notify the Owners, with a copy to the MSRB, of any failed change in Mode.

Section 2.11. Interest on Bank Bonds; Lien Priority of Bank Bonds.

(a) Each Bank Bond shall bear interest on the outstanding principal amount thereof at the Bank Rate for each day from and including the date such Bond becomes a Bank Bond to, but not including, the date such Bond is paid in full or is remarketed. Interest on Bank Bonds shall be payable as provided in the Liquidity Facility. Bank Bonds shall not bear interest at the Bank Rate after such Bonds have been remarketed unless such Bonds shall again become Bank Bonds. Interest on Bank Bonds shall be calculated in accordance with the terms of the Liquidity Facility.

(b) Except as otherwise may be provided in a Liquidity Facility, 2025 Series O-2 Bonds that are Bank Bonds shall constitute Class I Bonds only with respect to the interest thereon and regularly scheduled principal (i.e., principal payable in the amounts and on the dates provided for in Section 2.1 and, if applicable, Section 3.2 of this Series Indenture) thereof, as such principal may be redeemed prior to such dates pursuant to Section 3.2 of this Series Indenture. Except as otherwise may be provided in a Liquidity Facility, to the extent of any principal of such Bank Bonds which is payable in advance of the dates provided for in Section 2.1 and 3.2 of this Series Indenture pursuant to Section 3.7 of this Series Indenture, such portion of the Bank Bonds shall constitute Class III Bonds and shall also constitute General Obligation Bonds.

ARTICLE III

REDEMPTION OF THE 2025 SERIES O BONDS

Section 3.01. Special Redemption.

(a) *Unexpended Proceeds.* The 2025 Series O Bonds, other than the Premium Term Bonds, are subject to redemption prior to their respective Maturity Dates as a whole or in part at a Redemption Price equal to the principal amount thereof plus accrued interest thereon to the date of redemption, without premium, except that the PAC Bonds shall be redeemed at a Redemption Price that maintains the original yield on the PAC Bonds (as calculated by the Authority, which calculation, once made and the Redemption Prices communicated to the Trustee, shall be conclusive on all parties), plus accrued interest thereon to the date of redemption, on any date from amounts equal to proceeds of the 2025 Series O Bonds transferred from the 2025 Series O subaccount of the Acquisition Account to the 2025 Series O subaccount of the Class I Special Redemption Account pursuant to Section 5.02(d) of this Series Indenture.

(b) *Mortgage Repayments and Prepayments and Excess Revenues.* The 2025 Series O Bonds, other than the Premium Term Bonds, are subject to redemption prior to their respective stated maturities as a whole or in part at a Redemption Price equal to the

principal amount thereof plus accrued interest, if any, thereon to the date of redemption, without premium, on any date, from Revenues of the 2025 Series O Mortgage Loans and excess funds deposited in the 2025 Series O subaccount of the Class I Special Redemption Account pursuant to Section 5.05(d) of the Master Indenture.

Moneys deposited in or transferred to the 2025 Series O subaccount of the Class I Special Redemption Account shall be applied to redeem 2025 Series O Bonds, other than the Premium Term Bonds, as follows:

FIRST: such amounts shall be applied to redeem the PAC Bonds until the Aggregate Principal Amount of the Outstanding PAC Bonds is not less than the amounts shown in the column entitled 100% SIFMA Outstanding Balance of PAC Bonds (the “100% SIFMA Outstanding Balance”) for the applicable semiannual period as set forth in the table below;

SECOND: after applying the amounts as described in clause FIRST above, any remaining amounts shall be applied to the redemption of 2025 Series O Bonds, other than the PAC Bonds and the Premium Term Bonds, of such maturities and in such amounts as directed by the Authority (or, in the absence of such direction, on a pro rata by maturity basis) until the Aggregate Principal Amount of the 2025 Series O Bonds Outstanding is not less than the amount shown in the column “700% SIFMA Outstanding Balance of 2025 Series O Bonds” (the “700% SIFMA Outstanding Balance”) for the applicable semiannual period as set forth in the table below; and

THIRD: after applying the amounts as described in clauses FIRST and SECOND above, any remaining amounts may be applied to the redemption of 2025 Series O Bonds, other than the Premium Term Bonds, including the PAC Bonds; provided that the percentage of such remaining amounts so applied to redeem PAC Bonds may not exceed the ratio of the Aggregate Principal Amount of Outstanding PAC Bonds to the Aggregate Principal Amount of Outstanding 2025 Series O Bonds prior to such redemption.

Such redemptions may occur at such times and with such frequency as the Authority elects; provided that any redemptions described in clause FIRST above must occur at least once during each semiannual period commencing with the semiannual period ending on November 1, 2026 to the extent moneys in the 2025 Series O subaccount of the Class I Special Redemption Account are legally available therefor. To the extent PAC Bonds are to be redeemed on a date that is not a Stated Interest Payment Date, the 100% SIFMA Outstanding Balance of the PAC Bonds and the 700% SIFMA Outstanding Balance of 2025 Series O Bonds as set forth in the table below shall be deemed to be the respective amounts determined by interpolating such respective Outstanding Balances, using the straight line method, by reference to the respective Outstanding Balances for the Semi-Annual Period Ending dates listed in the table below which are immediately prior to and immediately subsequent to such redemption date, and the number of calendar days elapsed since the Semi-Annual Period Ending date which is immediately prior to such redemption date.

Payment of the Purchase Price with respect to purchases under this Section 7.01 shall be made to the Owners of tendered 2025 Series O-2 Bonds by wire transfer in immediately available funds by the Paying Agent by 3:00 p.m. New York City time on the Purchase Date. An Owner who gives the notice of tender as set forth above may repurchase the 2025 Series O-2 Bonds so tendered on such Purchase Dates if the Remarketing Agent agrees to sell the 2025 Series O-2 Bonds so tendered to such Owner. If such Owner decides to repurchase such 2025 Series O-2 Bonds and the Remarketing Agent agrees to sell the specified 2025 Series O-2 Bonds to such Owner, the delivery requirements set forth above shall be waived.

Owners of 2025 Series O-2 Bonds may not elect to tender their Bonds from and after a failure by the Liquidity Facility Provider to purchase any 2025 Series O-2 Bonds tendered or deemed tendered for purchase by the Owners thereof to and until the earlier of the related maturity date, redemption date, a date on which any of the 2025 Series O-2 Bonds are subject to mandatory purchase pursuant to Sections 7.02, 7.04 or 7.05 hereof, the date on which such failure is cured or the date of delivery of an Alternate Liquidity Facility.

Section 7.02. Mandatory Tender on Mode Change Dates. 2025 Series O-2 Bonds to be changed from one Mode to another Mode are subject to mandatory purchase on the Mode Change Date (or on the day which would have been a Mode Change Date had all the conditions described in subsection (a) of Section 2.10 hereof been satisfied by the proposed Mode Change

Date), at the Purchase Price as provided in this Section 7.02. 2025 Series O-2 Bonds purchased pursuant to this Section 7.02 shall be delivered by the Owners (with all necessary endorsements) to the office of the Paying Agent in Salt Lake City, Utah, at or before 12:00 noon, New York City time, on the proposed Mode Change Date and payment of the Purchase Price shall be made by wire transfer of immediately available funds by 3:00 p.m. New York City time on such date. The Trustee shall give notice of such mandatory purchase by first-class mail, or transmitted in such other manner (such as by Electronic Means) as may be customary for the industry as directed in writing by the Authority, to the Owners of the 2025 Series O-2 Bonds subject to mandatory purchase, with a copy to the MSRB, no less than 15 days prior to the Mandatory Purchase Date. The notice shall state the Mandatory Purchase Date, the Purchase Price, the numbers of the 2025 Series O-2 Bonds to be purchased if less than all of the 2025 Series O-2 Bonds owned by such Owner are to be purchased and that interest on 2025 Series O-2 Bonds subject to mandatory purchase shall cease to accrue from and after the Mandatory Purchase Date. The failure to transmit such notice with respect to any 2025 Series O-2 Bond shall not affect the validity of the mandatory purchase of any other 2025 Series O-2 Bond with respect to which notice was so transmitted. Any notice transmitted as aforesaid will be conclusively presumed to have been given, whether or not actually received by any Owner.

Section 7.03. Optional Tender at End of Interest Period for Term Rate Mode. The Owner of a 2025 Series O-2 Bond in the Term Rate Mode (unless such Bonds are being changed to another Mode in accordance with Section 2.10 of this Series Indenture) may elect to have its Bond (or portions thereof in Authorized Denominations) purchased on the last day of the current Interest Period applicable to such Bond (or the next Business Day if such last day is not a Business Day) at a price equal to the Purchase Price upon delivery of an irrevocable written notice of tender or irrevocable telephonic notice of tender to the Remarketing Agent, promptly confirmed by Electronic Means to the Paying Agent, by not later than 10:00 a.m., New York City time, on a Business Day not less than seven days before such last day. Such notice of tender shall state the CUSIP number, Bond number and the principal amount of such Bond to be purchased. Bonds purchased pursuant to this Section 7.03 shall be delivered by the Owners (with all necessary endorsements) to the Remarketing Agent at or before 12:00 noon, New York City time, on such Purchase Date and payment of the Purchase Price of such Bonds shall be made by wire transfer in immediately available funds by the Paying Agent by 3:00 p.m. New York City time on such Business Day.

Section 7.04. Mandatory Purchase upon Termination, Replacement or Expiration of Liquidity Facility; Mandatory Liquidity Facility Tender. If at any time the Trustee receives notice from the Authority or the Liquidity Facility Provider that 2025 Series O-2 Bonds tendered for purchase shall, on the date specified in such notice, cease to be subject to purchase pursuant to the Liquidity Facility then in effect as a result of (i) the termination, replacement or expiration of the term, as extended, of that Liquidity Facility, including but not limited to termination at the option of the Authority in accordance with the terms of such Liquidity Facility, or (ii) the occurrence and continuance of certain specified events under such Liquidity Facility (i.e., on a Notice of Termination Date as defined in the Liquidity Facility), then such 2025 Series O-2 Bonds shall be purchased or deemed purchased at the Purchase Price.

Any purchase of the 2025 Series O-2 Bonds pursuant to this Section 7.04 shall occur: (1) on the fifth Business Day preceding any expiration or termination of a Liquidity Facility

without replacement by an Alternate Liquidity Facility, or on the fifth Business Day preceding the effective date of any termination of a Liquidity Facility as set forth in a Notice of Termination Date delivered to the Trustee as described in clause (ii) of the preceding paragraph; and (2) on the proposed date of the replacement of a Liquidity Facility in any case where an Alternate Liquidity Facility has been delivered to the Trustee pursuant to Section 8.03 hereof. For the avoidance of doubt, in the case of a mandatory purchase in connection with the replacement of an existing Liquidity Facility, if on the applicable Mandatory Tender Date remarketing proceeds are not sufficient to purchase all 2025 Series O-2 Bonds, the Paying Agent shall draw upon the then existing Liquidity Facility, as provided herein and pursuant to the terms of such Liquidity Facility, to the extent necessary to effectuate the mandatory purchase of the 2025 Series O-2 Bonds.

The Trustee shall give notice of mandatory purchase pursuant to this Section 7.04 by first-class mail, or transmitted in such other manner (such as by Electronic Means) as may be customary for the industry as directed in writing by the Authority, to the Owners of the 2025 Series O-2 Bonds subject to mandatory purchase, with a copy to the MSRB, no less than 15 days prior to the Mandatory Purchase Date (or in connection with a Mandatory Purchase Date described in clause (ii) of the first paragraph of this Section, not less than 3 days prior to the Mandatory Purchase Date). The notice shall state the Mandatory Purchase Date, the Purchase Price and that interest on 2025 Series O-2 Bonds subject to mandatory purchase shall cease to accrue from and after the Mandatory Purchase Date. The failure to transmit such notice with respect to any 2025 Series O-2 Bond shall not affect the validity of the mandatory purchase of any other 2025 Series O-2 Bond with respect to which notice was so transmitted. Any notice transmitted as aforesaid will be conclusively presumed to have been given, whether or not actually received by any Owner. 2025 Series O-2 Bonds purchased pursuant to this Section 7.04 shall be delivered by the Owners (with all necessary endorsements) to the office of the Paying Agent in Salt Lake City, Utah, at or before 12:00 noon, New York City time, on the Mandatory Purchase Date, and payment of the Purchase Price of such 2025 Series O-2 Bonds shall be made by wire transfer in immediately available funds by the Paying Agent by 3:00 p.m. New York City time on such Mandatory Purchase Date.

Section 7.05. Mandatory Purchase at the Direction of the Authority. When the Daily Mode or the Weekly Mode is in effect, and prior to any termination or expiration of the Liquidity Facility, the 2025 Series O-2 Bonds are subject to mandatory purchase on any Business Day designated by the Authority by written notice delivered as provided in this Section 7.05, with the consent of the Remarketing Agent and the Liquidity Facility Provider, at the Purchase Price, payable in immediately available funds. The Trustee shall give notice of mandatory purchase pursuant to this Section 7.05 by first-class mail, or transmitted in such other manner (such as by Electronic Means) as may be customary for the industry as directed in writing by the Authority, to the Owners of the 2025 Series O-2 Bonds subject to mandatory purchase, with a copy to the MSRB, no less than 15 days prior to the Mandatory Purchase Date. The notice shall state the Mandatory Purchase Date, the Purchase Price and that interest on 2025 Series O-2 Bonds subject to mandatory purchase shall cease to accrue from and after the Mandatory Purchase Date. The failure to transmit such notice with respect to any 2025 Series O-2 Bond shall not affect the validity of the mandatory purchase of any other 2025 Series O-2 Bond with respect to which notice was so transmitted. Any notice transmitted as aforesaid will be conclusively presumed to have been given, whether or not actually received by any Owner. 2025 Series O-2 Bonds purchased pursuant to this Section 7.05 shall be delivered by the Owners (with all necessary endorsements) to the

office of the Paying Agent in Salt Lake City, Utah, at or before 12:00 noon, New York City time, on the Mandatory Purchase Date, and payment of the Purchase Price of such 2025 Series O-2 Bonds shall be made by wire transfer in immediately available funds by the Paying Agent by 3:00 p.m. New York City time on such Mandatory Purchase Date.

Section 7.06. Remarketing of 2025 Series O-2 Bonds; Notices.

(a) ***Remarketing of 2025 Series O-2 Bonds.*** The Remarketing Agent shall use its best efforts to offer for sale, at a price equal to the principal amount thereof plus accrued interest, if any, thereon to the applicable Purchase Date or Mandatory Purchase Date:

(i) all 2025 Series O-2 Bonds or portions thereof as to which notice of tender pursuant to Section 7.1 or Section 7.3 of this Series Indenture has been given;

(ii) all 2025 Series O-2 Bonds required to be purchased pursuant to Section 7.2 of this Series Indenture and, provided that an Alternate Liquidity Facility has been delivered in accordance with Section 8.03 hereof or the existing Liquidity Facility remains in effect, Sections 7.4 and 7.5 of this Series Indenture; and

(iii) all Bank Bonds;

provided, however, that the Remarketing Agent shall not remarket 2025 Series O-2 Bonds (including Bank Bonds) to the Authority or any Affiliate of the Authority.

(b) ***Notice of Remarketing; Registration Instructions; New Bonds.*** On each Purchase Date or Mandatory Purchase Date, as the case may be:

(i) unless the Remarketing Agent has notified the Paying Agent otherwise, the Remarketing Agent shall notify the Paying Agent (with a copy to the Liquidity Facility Provider) by Electronic Means not later than 10:00 a.m., New York City time (11:30 a.m. New York City time with respect to 2025 Series O-2 Bonds in the Daily Mode) of the amount of tendered 2025 Series O-2 Bonds which were successfully remarketed, the names of the tendering Owners and the registration instructions (i.e., the names, addresses and taxpayer identification numbers of the purchasers and the desired Authorized Denominations) with respect thereto; and

(ii) the Paying Agent shall authenticate new 2025 Series O-2 Bonds for the respective purchasers thereof which shall be available for pick-up by the Remarketing Agent not later than 1:30 p.m., New York City time.

(c) ***Delivery of Remarketing Proceeds.*** The proceeds of the sale by the Remarketing Agent of any 2025 Series O-2 Bonds shall be delivered to the Paying Agent for deposit into the Remarketing Proceeds Account of the Bond Purchase Fund not later than 10:00 a.m., New York City time (11:30 a.m. New York City time with respect to 2025 Series O-2 Bonds in the Daily Mode), on such Purchase Date or Mandatory Purchase Date.

(d) **Limitation on Remarketing of Bank Bonds.** Bank Bonds shall not be remarketed unless the Paying Agent has received written notice from the Liquidity Facility Provider that the Liquidity Facility has been reinstated in full.

(e) **Notices to the Liquidity Facility Provider.** The Remarketing Agent shall exercise its best efforts to (i) as promptly as possible and, in any event, on the Business Day immediately following the date of receipt of any notice of tender of 2025 Series O-2 Bonds, provide a copy of each such notice of tender to the Liquidity Facility Provider and (ii) as promptly as possible and, in any event prior to 5:00 p.m., New York City time on the Business Day immediately preceding the date on which 2025 Series O-2 Bonds are subject to tender for purchase by the Liquidity Facility Provider (12:00 noon New York City time on the Purchase Date or Mandatory Purchase Date with respect to 2025 Series O-2 Bonds in the Daily Mode), give written notice to the Liquidity Facility Provider by facsimile or other Electronic Means of the principal amount of 2025 Series O-2 Bonds to be tendered on the next Business Day for which, as of 4:00 p.m. (11:00 a.m. New York City time with respect to the 2025 Series O-2 Bonds in the Daily Mode), it did not have commitments for purchase.

Section 7.07. Source of Funds for Purchase of 2025 Series O-2 Bonds. By 3:00 p.m. New York City time on the Purchase Date or the Mandatory Purchase Date, as the case may be, the Paying Agent shall purchase tendered 2025 Series O-2 Bonds from the tendering Owners at the Purchase Price by wire transfer in immediately available funds. Funds for the payment of such Purchase Price shall be derived solely from the following sources in the order of priority indicated and neither the Paying Agent, the Authority nor the Remarketing Agent shall be obligated to provide funds from any other source:

(a) immediately available funds on deposit in the Remarketing Proceeds Account of the Bond Purchase Fund; and

(b) immediately available funds on deposit in the Standby Purchase Account of the Bond Purchase Fund.

Section 7.08. Delivery of 2025 Series O-2 Bonds. On each Purchase Date or Mandatory Purchase Date, as the case may be, the 2025 Series O-2 Bonds shall be delivered as follows:

(a) 2025 Series O-2 Bonds purchased by the Paying Agent with money described in Section 7.07(a) of this Series Indenture shall be delivered by the Remarketing Agent to the purchasers of those Bonds by 3:00 p.m., New York City time; and

(b) 2025 Series O-2 Bonds purchased by the Paying Agent with moneys described in Section 7.07(b) of this Series Indenture shall be immediately registered by the Trustee in the name of the Liquidity Facility Provider or, if directed in writing by the Liquidity Facility Provider, its nominee or designee, on or before 1:30 p.m., New York City time, and such 2025 Series O-2 Bonds shall be promptly delivered by the Trustee to the Liquidity Facility Provider or as the Liquidity Facility Provider may otherwise direct in writing to be held as Bank Bonds under this Series Indenture and the Liquidity Facility, and prior to such delivery such 2025 Series O-2 Bonds shall be held in trust by the Trustee for the benefit of the Liquidity Facility Provider.

Section 7.09. Undelivered 2025 Series O-2 Bonds. If 2025 Series O-2 Bonds to be purchased are not delivered by the Owners to the Remarketing Agent or the Paying Agent, as applicable, by 4:00 p.m., New York City time, on the Purchase Date or the Mandatory Purchase Date, as the case may be, the Paying Agent shall hold any funds received for the purchase of those Bonds in trust in a separate account and shall pay such funds to the former Owners of such Bonds upon presentation of such Bonds. Such undelivered Bonds shall cease to accrue interest as to the former Owners on the Purchase Date or the Mandatory Purchase Date, as the case may be, and moneys representing the Purchase Price shall be available against delivery of those Bonds at the office of the Paying Agent in Salt Lake City, Utah; provided, however, that any funds which shall be so held by the Paying Agent and which remain unclaimed by the former Owner of a Bond not presented for purchase for a period of three years after delivery of such funds to the Paying Agent, shall, to the extent permitted by law, upon request in writing by the Authority and the furnishing of security or indemnity to the Paying Agent's satisfaction, be paid to the Authority free of any trust or lien, and thereafter the former Owner of such Bond shall look only to the Authority and then only to the extent of the amounts so received by the Authority without any interest thereon and the Paying Agent shall have no further responsibility with respect to such moneys or payment of the Purchase Price of such Bonds. The Paying Agent shall authenticate a replacement Bond for any undelivered Bond which may then be remarketed by the Remarketing Agent.

Section 7.10. Inadequate Funds to Pay Purchase Price. If sufficient funds are not available for the purchase of all 2025 Series O-2 Bonds tendered or deemed tendered and required to be purchased on any Purchase Date or Mandatory Purchase Date, all such 2025 Series O-2 Bonds shall bear interest at the applicable Alternate Rate from the date of such failed purchase until all such 2025 Series O-2 Bonds are purchased as required in accordance with this Series Indenture, and all tendered 2025 Series O-2 Bonds shall be returned to their respective Owners. Notwithstanding any other provision of this Series Indenture, such failed purchase and return shall not constitute an Event of Default.

Section 7.11. No Purchases or Sales After Payment Default. Anything in the Indenture to the contrary notwithstanding, if there shall have occurred and be continuing an Event of Default described in Section 7.01(b) of the Master Indenture with respect to a failure to pay any Principal Installment or interest on the 2025 Series O-2 Bonds, the Remarketing Agent shall not remarket, and the Liquidity Facility Provider shall not be required to purchase pursuant to the Liquidity Facility, any 2025 Series O-2 Bonds.

Section 7.12. Bond Purchase Fund. There is hereby established and there shall be maintained with the Paying Agent, as agent for the Trustee, for the benefit of the Owners (but not pledged thereto) of the 2025 Series O-2 Bonds, a separate fund to be known as the "Bond Purchase Fund." The Paying Agent shall further establish separate accounts within the Bond Purchase Fund to be known as the "Standby Purchase Account" and the "Remarketing Proceeds Account."

(a) **Remarketing Proceeds Account.** Upon receipt of the proceeds of a remarketing of 2025 Series O-2 Bonds, the Paying Agent shall deposit such proceeds in the Remarketing Proceeds Account for application to the Purchase Price of the 2025 Series O-2 Bonds. Notwithstanding the above, any proceeds of a remarketing of 2025 Series O-2 Bonds in excess of such Purchase Price shall be retained in the Remarketing Proceeds Account to be used to pay the Purchase Price of Bank Bonds to the extent that the proceeds of the remarketing of such Bank Bonds are insufficient to pay such Purchase

Price; and provided, further, that if there are no Bank Bonds Outstanding, any such excess proceeds remaining therein on November 1 of each year shall be transferred, without any further order or direction, to the applicable subaccount of the Revenue Fund. Notwithstanding the foregoing, upon the receipt of the proceeds of a remarketing of Bank Bonds, the Paying Agent shall immediately pay such proceeds to the Liquidity Facility Provider to the extent of any amount owing to the Liquidity Facility Provider.

(b) ***Standby Purchase Account.*** Upon receipt from the Trustee of the immediately available funds transferred to the Paying Agent pursuant to 8.5 of this Series Indenture, the Paying Agent shall deposit such money in the Standby Purchase Account for application to the Purchase Price of the 2025 Series O-2 Bonds to the extent that the moneys on deposit in the Remarketing Proceeds Account shall not be sufficient. Any amounts deposited in the Standby Purchase Account and not needed with respect to any Purchase Date or Mandatory Purchase Date for the payment of the Purchase Price for any 2025 Series O-2 Bonds shall be immediately returned to the Liquidity Facility Provider.

(c) ***Investment.*** Amounts held in the Standby Purchase Account and the Remarketing Proceeds Account by the Paying Agent shall be held uninvested and separate and apart from all other funds and accounts. Notwithstanding the above, if there are no Bank Bonds Outstanding, the proceeds of a remarketing of 2025 Series O-2 Bonds in the Remarketing Proceeds Account in excess of the Purchase Price of such 2025 Series O-2 Bonds may be invested in Investment Securities in accordance with an Authority Request.

Section 7.13. Remarketing Agent. The Authority hereby appoints RBC Capital Markets, LLC as Remarketing Agent to remarket the 2025 Series O-2 Bonds pursuant to the Indenture, and to keep such books and records as shall be consistent with prudent industry practice and to make such books and records available for inspection by the Liquidity Facility Provider, the Authority, the Paying Agent and the Trustee at all reasonable times.

The Remarketing Agent may resign and may be removed in accordance with the Remarketing Agreement. Any successor Remarketing Agent shall be selected by the Authority (and approved by the Liquidity Facility Provider) and shall be a member of the Financial Industry Regulatory Authority, shall have a capitalization of at least \$15,000,000, and shall be authorized by law to perform all the duties set forth in the Indenture. The Authority's delivery to the Trustee of a certificate setting forth the effective date of the appointment of a successor Remarketing Agent and the name of such successor shall be conclusive evidence that (i) if applicable, the predecessor Remarketing Agent has been removed in accordance with the provisions of the Remarketing Agreement and (ii) such successor has been appointed and is qualified to act as Remarketing Agent under the terms of this Series Indenture. Upon the resignation or removal of the Remarketing Agent, the Authority is to promptly cause the Paying Agent to give notice thereof by mail to all Owners and to any Rating Agency which has assigned a rating to the 2025 Series O-2 Bonds.

Section 7.14. No Tender or Mandatory Purchase upon Immediate Termination Event. Notwithstanding anything to the contrary contained herein, no tender or mandatory purchase of 2025 Series O-2 Bonds shall be available after an event under the Liquidity Facility pursuant to which the obligation of the Liquidity Facility Provider to purchase 2025 Series O-2 Bonds immediately terminates or is suspended without notice.

ARTICLE VIII

LIQUIDITY FACILITIES

Section 8.01. Authorization of Liquidity Facility. The use of the Liquidity Facility to provide for payment of the Purchase Price of the 2025 Series O-2 Bonds is hereby authorized.

Section 8.02. Requirements for Liquidity Facility.

(a) **Amount.** The Initial Liquidity Facility will be the standby bond purchase agreement of the Liquidity Facility Provider, for direct payments to or upon the order of the Paying Agent of amounts up to (a) the principal of the 2025 Series O-2 Bonds when due upon purchase pursuant to a tender; and (b) the interest portion of the Purchase Price of the 2025 Series O-2 Bonds consisting of accrued interest for the number of days required by each Rating Agency then rating the 2025 Series O-2 Bonds in order to ensure that the rating of the 2025 Series O-2 Bonds will not be adversely affected, as evidenced in writing from each such Rating Agency to the Trustee, at the Maximum Rate. If any Liquidity Facility will be in effect during a Short-Term Mode or a Term Rate Mode, the stated coverage amount of the Liquidity Facility will include the interest portion of the Purchase Price of the 2025 Series O-2 Bonds for the number of days required by each Rating Agency then rating the 2025 Series O-2 Bonds in order to ensure that the respective ratings of the 2025 Series O-2 Bonds will not be adversely affected, as evidenced in writing from each such Rating Agency to the Trustee, at the Maximum Rate. The issuance of ratings on the 2025 Series O-2 Bonds as initially delivered shall serve as the “evidence in writing from each Rating Agency” required hereby with respect to the amount of the Initial Liquidity Facility and number of days of interest covered thereby for the time the 2025 Series O-2 Bonds bear interest at a Weekly Rate. The Paying Agent shall promptly present any certificates required by a Liquidity Facility for the reduction of the stated amount of the Liquidity Facility whenever the Aggregate Principal Amount of the 2025 Series O-2 Bonds Outstanding is reduced.

(b) **Term.** Unless extended in accordance with Section 9.09 of the Initial Liquidity Facility, the Liquidity Facility will expire on the “Expiration Date,” as defined in the Initial Liquidity Facility. The Authority may, at its option, submit to the Liquidity Facility Provider not earlier than 180 days before the Stated Expiration Date (as defined in the Initial Liquidity Facility) as from time to time in effect, a request that the Liquidity Facility Provider renew the Liquidity Facility and extend the Stated Expiration Date thereof for an additional period of time as the parties may agree after the then-effective Stated Expiration Date thereof in accordance with Section 9.09 of the Initial Liquidity Facility.

Section 8.03. Alternate Liquidity Facility.

(a) The Authority may elect to replace any Liquidity Facility with a new Liquidity Facility substantially conforming to the requirements of Section 8.2 of this Series Indenture. If a Term Rate will be in effect during the term of the current Liquidity Facility, the Authority may not furnish an Alternate Liquidity Facility with a Scheduled Expiration Date earlier than the Scheduled Expiration Date in the Liquidity Facility then in effect.

(b) The Authority shall promptly notify the Trustee, the Remarketing Agent and the Paying Agent of the Authority's intention to deliver a new Liquidity Facility at least 45 days prior to such delivery. Upon receipt of such notice, if the new Liquidity Facility is issued by a different issuer, the Trustee will promptly mail by first class mail, or transmitted in such other manner (such as by Electronic Means) as may be customary for the industry as directed in writing by the Authority, a notice of the anticipated delivery of a new Liquidity Facility, including the name of the provider of the new Liquidity Facility, to the Remarketing Agent and each owner of the 2025 Series O-2 Bonds at the owner's registered address at least 30 days prior to delivery of the new Liquidity Facility.

(c) A new Liquidity Facility, along with the documents required by Section 8.4 of this Series Indenture, must be delivered to the Trustee not later than the Expiration Date of the then-current Liquidity Facility.

Section 8.04. Opinions of Counsel and Other Documents.

(a) Any Liquidity Facility delivered to the Trustee after the Initial Liquidity Facility must be accompanied by (1) a Favorable Opinion of Bond Counsel as to the delivery of the Liquidity Facility; (2) an opinion of counsel stating that delivery of the Liquidity Facility is authorized under the Indenture and complies with its terms; and (3) an opinion of counsel to the provider of the Liquidity Facility stating that the Liquidity Facility is a legal, valid, binding and enforceable obligation of such obligor in accordance with its terms.

(b) If the Authority or any natural person, firm, association or public body related to the Authority, within the meaning of Section 147(a) of the Code, grants a security interest in any cash, securities or investment type property to the provider of the Liquidity Facility or other facility, the Authority must furnish the Trustee a Favorable Opinion of Bond Counsel with respect to such grant.

Section 8.05. Draws.

(a) Whenever any amount is payable for the purchase of the 2025 Series O-2 Bonds as provided in this Series Indenture, the Paying Agent shall draw on the Liquidity Facility in accordance with its terms, if one is in effect, to the extent necessary (taking into account any remarketing proceeds that are then on hand with the Paying Agent as described in the next paragraph) to make such full and timely payment in accordance with this Series Indenture and the Liquidity Facility, except that the Paying Agent may not draw on the Liquidity Facility to pay the Purchase Price of Bank Bonds or 2025 Series O-2 Bonds owned by or on behalf of or held for the account or for the benefit of the Authority or any Affiliate of the Authority. In drawing on the Liquidity Facility, the Paying Agent will be acting on behalf of the owners of the 2025 Series O-2 Bonds by facilitating payment of the Purchase Price of their 2025 Series O-2 Bonds and not on behalf of the Authority and will not be subject to the control of the Authority.

(b) On each Purchase Date or Mandatory Purchase Date on which the 2025 Series O-2 Bonds are to be purchased pursuant to a tender, the Paying Agent shall draw upon the Liquidity Facility by 10:30 a.m., New York City time, (12:00 noon New York

City Time with respect to 2025 Series O-2 Bonds in the Daily Mode) in an amount sufficient, together with any remarketing proceeds that the Paying Agent has on hand at the time of such draw (including all remarketing proceeds received pursuant to Section 7.06(c) hereof), to enable the Paying Agent to pay the Purchase Price of the 2025 Series O-2 Bonds to be purchased on such Purchase Date or Mandatory Purchase Date. If the Paying Agent does not have any remarketing proceeds on hand, the Paying Agent shall draw upon the Liquidity Facility in an amount sufficient to enable the Paying Agent to pay such Purchase Price entirely from the proceeds of such drawing. The Paying Agent shall make any drawing required under this subsection (b) in accordance with the terms of the Liquidity Facility and deposit such moneys to the Bond Purchase Fund so that immediately available funds will be available to the Paying Agent to pay the purchase price due on a Purchase Date or Mandatory Purchase Date by 3:00 p.m., New York City time, on the Purchase Date or Mandatory Purchase Date.

(c) Upon receipt from the Liquidity Facility Provider of the proceeds of any drawing on the Liquidity Facility, the Paying Agent shall pay such proceeds to the Persons entitled thereto in accordance with the provisions hereof.

(d) If, subsequent to any such draw to pay the Purchase Price of 2025 Series O-2 Bonds, the Paying Agent receives from the Remarketing Agent remarketing proceeds of 2025 Series O-2 Bonds for which such draw was made, the Paying Agent shall repay to the Liquidity Facility Provider in immediately available funds by 3:30 p.m., New York City time (so long as the Paying Agent has received such funds by 3:00 p.m., New York City time), on the day of receipt by the Paying Agent of such remarketing proceeds, an amount equal to such remarketing proceeds.

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT:

The Colorado Housing and Finance Authority (the “Authority”), a body corporate and political subdivision of the State of Colorado (the “State”), created and existing by virtue of the laws of the State, particularly the Colorado Housing and Finance Authority Act, constituting Part 7 of Article 4 of Title 29 of the Colorado Revised Statutes, as amended (the “Act”), for value received hereby promises to pay to the Registered Owner specified above, or to such Registered Owner’s registered assigns or personal representatives, the Principal Amount specified above on the Maturity Date specified above, unless this Bond is redeemed prior thereto as provided in the Indenture (as defined below), upon its presentation and surrender as provided under the Master Indenture of Trust dated as of October 1, 2001, as amended, between the Authority and Zions Bancorporation, National Association (formerly, Zions First National Bank), as trustee (the “Trustee”) and the 2025O Series Indenture dated as of November 1, 2025, between the Authority and the Trustee (collectively, the “Indenture”), and to pay to the Registered Owner interest on such Principal Amount at the Interest Rate per annum above. Any term used herein as a defined term but not defined herein shall be defined as in the Indenture.

This Bond is one of a duly authorized issue of bonds of the Authority designated “Colorado Housing and Finance Authority Single Family Mortgage Class I Bonds, 2025 Series O-1 (Federally Taxable)” (the “Bonds”), issued under and pursuant to the Act, the Indenture and the Supplemental Public Securities Act, constituting Part 2 of Article 57 of Title 11, Colorado Revised

Statutes. It is the intention of the Authority that this recital shall be conclusive evidence of the validity and the regularity of the issuance of the Bonds after their delivery for value and that all of the Bonds issued are incontestable for any cause whatsoever after their delivery for value. This Bond constitutes a Class I Obligation under the Indenture and is secured solely by the pledge and lien of the Trust Estate contained therein, which is in the following order of priority: first, to secure the payment of the principal of and interest on the Class I Obligations in accordance with the terms and the provisions of the Indenture, second, to secure the payment of the principal of and interest on the Class II Obligations in accordance with the terms and the provisions of the Indenture, third, to secure the payment of the principal of and interest on the Class III Obligations in accordance with the terms and the provisions of the Indenture, and fourth, to secure the payment of the principal of and interest on the Class IV Obligations in accordance with the terms and provisions of the Indenture. The Registered Owner hereof, by acceptance of this Bond, consents to all of the terms and conditions of the Indenture, a copy of which is on file with the Trustee.

THIS BOND, TOGETHER WITH THE INTEREST HEREON, IS PAYABLE SOLELY FROM, AND SECURED BY, THE REVENUES OF THE AUTHORITY AND OTHER SECURITY PLEDGED THEREFOR UNDER THE INDENTURE, SUBJECT TO THE LIEN AND PLEDGE PRIORITY DISCUSSED ABOVE. IN NO EVENT SHALL THIS BOND CONSTITUTE AN OBLIGATION OR LIABILITY OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE AUTHORITY). THE AUTHORITY HAS NO TAXING POWER NOR DOES IT HAVE THE POWER TO PLEDGE THE GENERAL CREDIT OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF OTHER THAN THE AUTHORITY, OR TO PLEDGE THE TAXING POWER OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF. THE STATE SHALL NOT BE LIABLE FOR THIS BOND, AND THIS BOND SHALL NOT CONSTITUTE A DEBT OF THE STATE.

This Bond is transferable, as provided in the Indenture, only upon the records of the Authority kept for that purpose at the Corporate Trust Office of the Trustee by the Registered Owner hereof in person, or by his duly authorized attorney, upon surrender of this Bond together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his duly authorized attorney, and thereupon a new registered Bond or Bonds, and in the same series, maturity and aggregate principal amounts, shall be issued to the transferee in exchange therefor as provided in the Indenture, and upon payment of the charges therein prescribed. The Authority and the Trustee shall deem and treat the person in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes.

The Bonds are issuable in the form of registered Bonds without coupons in the denominations of \$5,000 or any integral multiples of \$5,000 ("Authorized Denominations"). The owner of any Bonds may surrender the same at the above mentioned office of the Trustee, in exchange for an equal aggregate principal amount of Bonds of the same series and maturity of any of the Authorized Denominations, in the manner, subject to the conditions and upon the payment of the charges provided in the Indenture. Pursuant to Section 29-4-722 of the Act, Bonds issued under the Act shall be negotiable instruments under the laws of the State, subject only to applicable provisions for registration.

This Bond bears interest on the Principal Amount specified above, payable to the Registered Owner hereof on each Interest Payment Date (the first such date being May 1, 2026) until maturity or earlier redemption. Each Bond shall bear interest from the Interest Payment Date next preceding the date of authentication of such Bond, unless such Bond is authenticated on an Interest Payment Date, in which event such Bond shall bear interest from such Interest Payment Date, or unless such Bond is authenticated prior to the first Interest Payment Date, in which event such Bond shall bear interest from its dated date, or unless interest on such Bond shall be in default, in which event such Bond shall bear interest from the date to which interest has been paid in full or unless no interest shall have been paid on the Bonds, as the case may be, in which event such Bond shall bear interest from its dated date. Interest on the Bonds shall be computed on the basis of a 360-day year consisting of twelve 30-day months.

The principal or Redemption Price of and interest on the Bonds shall be payable in lawful money of the United States of America at the Corporate Trust Office of the Paying Agent in Denver, Colorado.

The Bonds are subject to special, sinking fund and optional redemption in the manner, at the prices, at the times and under the circumstances provided in the Indenture.

If any moneys held by the Trustee or Paying Agent in trust for the payment of interest, principal, or premium of any Bonds remain unclaimed for a period of three years after the date on which such moneys were payable, the Trustee or Paying Agent will, upon written notice from the Authority, pay such amounts to the Authority, as provided in the Indenture. Thereafter, such Registered Owners must look to the Authority for payment of such moneys.

The Indenture provides that the occurrences of certain events constitute Events of Default. If certain Events of Default occur, the Trustee may, and upon the written request of the Registered Owners of a sufficient percentage in aggregate principal amount of Outstanding Bonds (as provided in the Indenture), give 30 days' notice in writing to the Authority of its intention to declare all Outstanding Bonds immediately due and payable. At the end of such 30-day period, the Trustee may, and upon the written consent of the Owners of a sufficient percentage in aggregate principal amount of Outstanding Bonds (as provided in the Indenture), declare all Outstanding Bonds immediately due and payable. An Event of Default and its consequences may be waived as provided in the Indenture. Registered Owners may not enforce the Indenture or the Bonds except as provided in the Indenture.

The Act provides that neither the members of the Authority nor any authorized person executing bonds issued pursuant to the Act shall be personally liable for such bonds by reason of the execution or issuance thereof.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required by the Constitution and statutes of the State and the Indenture to exist, to have happened and to have been performed precedent to and in the issuance of this Bond, exist, have happened and have been performed in due time, form and manner as required by law.

IN WITNESS WHEREOF, the Colorado Housing and Finance Authority has caused this Bond to be executed in its name by the manual or facsimile signature of its Chair and its corporate

seal (or a facsimile thereof) to be impressed or imprinted hereon and attested by the manual or facsimile signature of its Executive Director.

Any term used herein as a defined term but not defined herein shall be defined as in the Indenture.

This Bond is one of a duly authorized issue of bonds of the Authority designated “Colorado Housing and Finance Authority Single Family Mortgage Class I Adjustable Rate Bonds, 2025 Series O-2 (Federally Taxable)” (the “Bonds”), issued under and pursuant to the Act, the Indenture and the Supplemental Public Securities Act, constituting Part 2 of Article 57 of Title 11, Colorado Revised Statutes. THIS BOND, TOGETHER WITH THE INTEREST HEREON, IS PAYABLE SOLELY FROM, AND SECURED BY, THE REVENUES OF THE AUTHORITY AND OTHER SECURITY PLEDGED THEREFOR UNDER THE INDENTURE, SUBJECT TO THE LIEN AND PLEDGE PRIORITY DISCUSSED ABOVE. IN NO EVENT SHALL THIS BOND CONSTITUTE AN OBLIGATION OR LIABILITY OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE AUTHORITY). THE AUTHORITY HAS NO TAXING POWER NOR DOES IT HAVE THE POWER TO PLEDGE THE GENERAL CREDIT OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF OTHER THAN THE AUTHORITY, OR TO PLEDGE THE TAXING POWER OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF. THE STATE SHALL NOT BE LIABLE FOR THIS BOND, AND THIS BOND SHALL NOT CONSTITUTE A DEBT OF THE STATE.

The Authority has caused to be delivered to the Trustee a standby bond purchase agreement (the “Liquidity Facility”) issued by Royal Bank of Canada (together with its successors and assigns or any issuer of any Alternate Liquidity Facility, the “Liquidity Facility Provider”). The Paying Agent, as provided in the Indenture, will draw on the Liquidity Facility in order to receive amounts sufficient to pay (a) the principal of the Bonds when due upon purchase pursuant to a tender; and (b) the interest portion of the Purchase Price of Bonds, as provided in the Indenture. The Authority, upon the conditions specified in the Indenture, may provide for the extension of the Liquidity Facility prior to its expiration date or for the delivery to the Paying Agent of an Alternate Liquidity Facility.

Interest on this Bond will be paid at a Daily Rate when the Bond is in the Daily Mode, at a Weekly Rate when the Bond is in the Weekly Mode, at a Term Rate when the Bond is in the Term Rate Mode, and at a Fixed Rate when the Bond is in the Fixed Rate Mode, all as determined in accordance with the Indenture; provided, however, that no Bond shall bear interest at a rate higher than the Maximum Rate. Bank Bonds shall bear interest at the Bank Rate, provided that Bank Bonds shall not bear interest at the Bank Rate after such Bonds have been remarketed unless

such Bonds shall again become Bank Bonds. The Authority may change any Bond in a Mode, other than a Fixed Rate Mode, to any other Mode.

Interest on the Bonds will be payable at the Weekly Rate, unless and until the Authority selects a different interest rate determination method as provided in the Indenture. The Authority may effect a change in Mode with respect to a Bond by following the procedures set forth in the Indenture.

Payment will be made on the applicable Interest Payment Date to the Registered Owner on the applicable Record Date for unpaid interest accrued during the current Interest Accrual Period, all as set forth in the Indenture.

The principal of and premium, if any, on each Bond will be payable in lawful money of the United States of America upon its surrender at the office of the Paying Agent on the Payment Date. Interest on Bonds in the Daily Mode or the Weekly Mode will be paid by the Paying Agent by wire transfer of immediately available funds to an account specified by the Registered Owner on the applicable Record Date in a writing delivered to the Paying Agent and, on Bonds in the Term Rate or Fixed Rate Mode, by check mailed by the Paying Agent to the Registered Owner at the address appearing in the registration books of the Paying Agent on the applicable Record Date. Payment of interest to Registered Owners of \$1,000,000 or more in aggregate principal amount of Bonds in the Term Rate or Fixed Rate Mode may be made by wire transfer as provided in the Indenture.

The Bonds are subject to special, sinking fund and optional redemption in the manner, at the prices, at the times and under the circumstances provided in the Indenture. The Bonds are subject to optional and mandatory tender at a price equal to the Purchase Price in the manner, at the times and under the circumstances provided in the Indenture.

The Bonds are in registered form without coupons in the following denominations (the "Authorized Denominations"): in the Daily Mode or the Weekly Mode, \$100,000 and any integral multiple of \$5,000 in excess thereof; and in the Term Rate and Fixed Rate Modes, \$5,000 and any integral multiple thereof. A Registered Owner may transfer or exchange Bonds in accordance with the Indenture. The Paying Agent may require the payment by any Registered Owner requesting such transfer or exchange of any tax or other governmental charge required to be paid with respect to such transfer or exchange. Pursuant to Section 29-4-722 of the Act, Bonds issued under the Act shall be negotiable instruments under the laws of the State, subject only to applicable provisions for registration. The Registered Owner of this Bond may be treated as its owner for all purposes.

If any moneys held by the Trustee or Paying Agent in trust for the payment of interest, principal, premium or Purchase Price of any Bonds remain unclaimed for a period of three years after the date on which such moneys were payable, the Trustee or Paying Agent will, upon written notice from the Authority, pay such amounts to the Authority, as provided in the Indenture. Thereafter, such Registered Owners must look to the Authority for payment of such moneys.

The Indenture provides that the occurrences of certain events constitute Events of Default. If certain Events of Default occur, the Trustee may, and upon the written request of the Registered Owners of a sufficient percentage in aggregate principal amount of Outstanding Bonds (as

provided in the Indenture), give 30 days' notice in writing to the Authority of its intention to declare all Outstanding Bonds immediately due and payable. At the end of such 30-day period, the Trustee may, and upon the written consent of the Owners of a sufficient percentage in aggregate principal amount of Outstanding Bonds (as provided in the Indenture), declare all Outstanding Bonds immediately due and payable. An Event of Default and its consequences may be waived as provided in the Indenture. Registered Owners may not enforce the Indenture or the Bonds except as provided in the Indenture.

The Act provides that neither the members of the Authority nor any authorized person executing bonds issued pursuant to the Act shall be personally liable for such bonds by reason of the execution or issuance thereof.
