CHFA: Celebrating 50 years of Strengthening Colorado

This year CHFA celebrates 50 years of strengthening Colorado and investing more than **\$35.3 billion** in affordable housing and community development. The Colorado General Assembly is an important part of this journey, having created CHFA as a quasi-governmental authority in 1973 and by advancing key bipartisan supported resources such as the state Affordable Housing Tax Credit and the Middle-income Access Program to leverage private sector investment in affordable housing.

We invite you to join us in our celebration and thank you for your leadership.

this week: coloradans living in homes supported by housing tax credits share their stories

In February, CHFA hosted the 2024 Housing Credit Summit, a gathering of affordable housing developers, investors, and stakeholders. At the conference, CHFA debuted a video featuring interviews with residents of developments supported by Housing Tax Credits throughout Colorado. It includes interviews with residents living in Steamboat Springs, Colorado Springs, Fort Collins, and Denver.

“The tax credits create the units, but it’s the residents that turn them into homes,” explained CHFA Executive Director and CEO Cris White in the video. Hear the residents’ stories and learn about the impact Housing Tax Credits have had on their lives by scanning the QR code below.
