CHFA: Celebrating 50 years of Strengthening Colorado

This year CHFA celebrates 50 years of strengthening Colorado and investing more than **\$35.3 billion** in affordable housing and community development. The Colorado General Assembly is an important part of this journey, having created CHFA as a quasi-governmental authority in 1973 and by advancing key bipartisan supported resources such as the state Affordable Housing Tax Credit and the Middle-income Access Program to leverage private sector investment in affordable housing.

We invite you to join us in our celebration and thank you for your leadership.

April is Fair Housing Month, commemorating the passage of the Fair Housing Act signed into law on April 11, 1968, by President Lyndon B. Johnson. This landmark federal legislation prohibits housing discrimination on the basis of race, color, national origin, religion, gender identity, sexual orientation, disability, and familial status.

CHFA is committed to providing educational resources for property owners, managers and residents on fair housing and an array of other topics through the **chfareach** program, an acronym which stands for “Research, Education and Assistance for Colorado Housing.” The **chfareach** curriculum features courses taught by subject matter experts, including affordable housing developers and legal professionals.

CHFA's online catalog features more than a dozen on-demand webinars on fair housing, from the basics to advanced topics, including courses offered in Spanish.
