lender participation

section 100: nondiscrimination and fair housing

A. CHFA's Nondiscrimination Policy

With respect to its programs, services, activities, and employment practices, Colorado Housing and Finance Authority (CHFA) does not discriminate on the basis of race, color, religion, sex, age, national origin, disability, or any other protected classification under federal, state, or local law. Requests for reasonable accommodation, the provision of auxiliary aids, or any complaints alleging violation of this nondiscrimination policy should be directed to the Nondiscrimination Coordinator, 1.800.877.2432, CHFA, 1981 Blake Street, Denver, CO 80202-1272, available weekdays 8:00am to 5:00pm.

B. Fair Housing

The Fair Housing Act, 42 U.S.C. 3601 et seq., prohibits discrimination by direct providers of housing, such as landlords and real estate companies, as well as other entities, such as municipalities, banks or other lending institutions and homeowners insurance companies whose discriminatory practices make housing unavailable to persons because of: race or color, religion, sex, national origin, familial status, or disability.

section 101: participating lender qualifications

A. General Qualifications

To be approved by CHFA as a Participating Lender, a Lender must meet the following requirements:

1. Demonstrate a minimum tangible net worth of \$1,000,000.
2. Demonstrate minimum warehouse lines of credit of \$3,000,000 and be in good standing with those warehouse providers, or have equivalent liquidity.
3. Have fidelity bond and mortgage errors and omissions coverage in an amount at least equal to \$300,000.
4. Have internal audit and management control systems in place to evaluate and monitor the overall quality of its loan production.
5. Have the financial ability to Repurchase any Mortgage Loans that fail to meet the performance and quality standards defined in this Guide, in accordance with the terms of the Mortgage Purchase Agreement.
6. Have the ability to service any Mortgage Loan until Loan Purchase by, and servicing transfer to, CHFA.

7. If a Participating Lender is a national banking association or a state or federal savings and loan association, then such Participating Lender must also maintain a (physical) Colorado office; including having staff that conduct business from that office. Home-based offices do not meet the CHFA criteria of a physical Colorado office.
8. A Participating Lender may originate Mortgage Loans through affiliate companies in which the Participating Lender has a 50 percent (50%) or greater controlling interest. "Controlling interest" shall mean the Participating Lender has equal or controlling ownership or voting rights. This includes joint ventures, partnerships, limited liability companies, and other types of entities, provided those entities have been pre-approved by CHFA for origination of Mortgage Loans and provided those entities are in compliance with all state and federal laws concerning licensing and regulation of residential mortgage loan originators. The Participating Lender shall be responsible for and shall assure that all Mortgage Loans so originated are in compliance with all of the terms of the Mortgage Purchase Agreement and this Guide, and shall be responsible for any obligation to Repurchase any Mortgage Loan.
9. Ensure that all staff (and any third-party contractors) are knowledgeable about the various aspects of mortgage loan origination, mortgage loan sales, and mortgage loan servicing, as is applicable to their position within the lender organization.
10. Use sound business judgment in all aspects of its operations.
11. Demonstrate a commitment to providing sound financing options to low- and moderate-income homebuyers in Colorado.
12. Use its best efforts to protect Applicants and Borrowers from fraud, misrepresentation, and/or negligence by and of its staff or third-party contractors involved in the origination process.
13. Have written business practices and procedures that are designed to avoid predatory lending practices, regardless of whether or not the Participating Lender utilizes an automated underwriting system, underwriting staff, or private mortgage insurance contract underwriters to perform credit underwriting functions.
14. Comply with all state and federal requirements for disclosure, licensing, education, identification verification, and other applicable requirements that are mandated for persons and entities which originate residential mortgage loans in the State.
15. Be a member of the Mortgage Electronic Registration Systems, Inc. (MERS) and/or be MERS-ready at the time of CHFA Participating Lender approval.

B. Program Specific Qualifications

If the Lender intends to originate, credit underwrite, and sell:

1. FHA-insured Mortgage Loans to CHFA, the Participating Lender must be an FHA-approved Direct Endorsement mortgagee.
2. VA-guaranteed Mortgage Loans to CHFA, the Participating Lender must be a VA-approved Automatic mortgagee.
3. RD-guaranteed Mortgage Loans to CHFA, the Participating Lender must be an RD-approved mortgagee.

4. Conventional Mortgage Loans to CHFA, the Participating Lender must have an experienced staff underwriter or employ a private mortgage insurance contract underwriter. Additionally, the Participating Lender must ensure Mortgage Loans meet Fannie Mae or Freddie Mac selling criteria, as applicable.

For all Mortgage Loans, the Participating Lender must utilize the most current underwriting criteria applicable for the specific loan type it is originating for sale to CHFA. Loans originated under a joint venture arrangement must close in the name of the approved Participating Lender.

section 102: participating lender approval process

- A. To apply for approval as a Participating Lender for some or all of CHFA's Programs, a Lender must:
 1. Complete a Participating Lender Pre-application Questionnaire to determine prequalification. The Questionnaire must be completed and submitted to CHFA for evaluation. Following review of the Pre-application Questionnaire by CHFA, a Participating Lender Application will be sent to those Lenders that prequalify.
 2. Complete and submit a Participating Lender Application, with all required attachments and a \$1,000 nonrefundable application fee.
 3. Provide any additional documentation requested by CHFA.
 4. Execute a Mortgage Purchase Agreement with CHFA.

section 103: maintaining participating lender approval

- A. After gaining initial approval, in order to maintain its approval a Participating Lender must:
 1. Comply with the terms and conditions of all agreements executed between the Participating Lender and CHFA, and this Guide;
 2. Annually provide CHFA with the following, evidencing continued compliance with CHFA's Participating Lender Requirements (see Section 101 of this Guide):
 - a. Participating Lender's audited financial statements for the prior fiscal year, including supplemental information;
 - b. Participating Lender's quality control policies and procedures which meet applicable investor/insurer/guarantor requirements;
 - c. Updated Participating Lender Operational Contacts Form (Exhibit B to the Mortgage Purchase Agreement);
 - d. Participating Lender's Fidelity Bond Policy and Errors and Omissions Policy;
 - e. Participating Lender's Good Standing Certificate, issued by the Colorado Secretary of State dated effective as of or after the date of this Notice;
 - f. Any additional documentation requested by CHFA; and
 - g. A \$500 annual renewal fee.

3. Participate in all training required for Participating Lenders and staff.
4. Provide immediate notice to CHFA if any regulatory agency assumes a participating role in the management of the Participating Lender's operations;
5. Provide immediate notice to CHFA if any regulatory agency suspends or withdraws the Participating Lender's approval to originate mortgages.

section 104: suspending or terminating participating lender approval

CHFA reserves the right to suspend, modify, or terminate approval if a Participating Lender fails to perform or provide information as required or requested in accordance with the Mortgage Purchase Agreement and/or this Guide. Without limiting any of CHFA's rights under the Mortgage Purchase Agreement, in the event that the Participating Lender has failed to observe or perform its obligations under the Mortgage Purchase Agreement and/or this Guide, CHFA may suspend the right of the Participating Lender to make a Reservation or sell Mortgage Loans to CHFA for a period of time to allow the Participating Lender to cure its deficiency. Such a suspension is strictly within the sole discretion of CHFA.

section 105: participating lender's representations and warranties

With respect to each Mortgage Loan sold to CHFA by a Participating Lender, the Participating Lender makes the following representations and warranties. These representations and warranties survive the Purchase of the Mortgage Loan and Servicing Rights, and are expressly relied upon by CHFA.

- A. The Mortgage Loan complies with all of the requirements, conditions, and procedures established by CHFA in the Mortgage Purchase Agreement, any Program Participation Agreements, and this Guide.
- B. The Participating Lender is the sole owner of the First Mortgage Loan, and all collateral securing the Mortgage Loan is free and clear of all claims, restrictions, liens, and encumbrances, except a first priority lien in favor of the Participating Lender, and the Participating Lender has the authority to sell the First Mortgage Loan, including all servicing rights, if applicable, on the terms and conditions set forth in the Mortgage Purchase Agreement. Upon Purchase, title to the Mortgage Loan shall pass to CHFA.
- C. All documents, instruments, and agreements evidencing the Mortgage Loan, the collateral for the Mortgage Loan, and all guarantees of the Mortgage Loan are legal, valid, binding, and enforceable in accordance with their terms; have been properly executed, delivered, and, where necessary or advisable to protect or establish CHFA's rights in the Mortgage Loan or the collateral for the Mortgage Loan, filed, registered, and recorded, as applicable, in all appropriate public records. All mortgages, deeds of trust, security agreements, and other documents granting a security interest in collateral for the Mortgage Loan (Collateral Documents) create a valid, perfected, and enforceable lien on the Property.

- D. The full principal amount of the Mortgage Loan has been properly advanced to, or for the account of, the Borrower and the Unpaid Principal Balance and escrow deposit balances on the Mortgage Loan are correctly stated by the Participating Lender. All costs, fees, and expenses incurred in the making and closing of the Mortgage Loan and the recording costs, fees, and expenses for recording, filing, or registering all Collateral Documents have been fully paid. No lien of any Collateral Document and no interest in any Property under any Collateral Document has been released or subordinated, and no person or entity liable for all or any part of the indebtedness on the Mortgage Loan has been released for such liability by either express consent or the operation of law. No Mortgage Loan or any Collateral Document has been amended, modified, or changed in a manner not fully disclosed to CHFA in writing. The Mortgage Loan and the Collateral Documents for the Mortgage Loan are not in default.
- E. The Participating Lender has properly applied all funds received, from whatever source, intended to reduce or pay the Mortgage Loan or assist in the payment of the monthly payments with respect thereto for the purposes intended.
- F. The Mortgage Loan conforms, as applicable, to FHA, VA, RD, Fannie Mae, Freddie Mac, or Ginnie Mae requirements, rules, regulations, and guidelines.
- G. Except in the case of a conventional Mortgage Loan with a loan-to-value ratio of 80 percent or less, or a conventional Mortgage Loan originated for a CHFA Program not requiring Private Mortgage Insurance, each Collateral Document evidencing a security interest in real property shall be insured by the FHA, guaranteed by the USDA, or VA, or insured by an acceptable private mortgage insurer, whichever is applicable.
- H. The Mortgage Loan complies with all applicable laws.
- I. A mortgagee's title insurance policy with all endorsements deemed necessary or advisable by the institutional warrantor or guarantor's rules, regulations, or guidelines naming the Participating Lender, its successors and/or assigns, as the insured in the full amount of the Original Principal Balance on the First Mortgage Loan shall be in full force and effect when the First Mortgage Loan is sold to CHFA.
- J. The assignment of the First Mortgage Loan to CHFA shall be in proper form to be recorded and shall be registered in the name of Mortgage Electronic Registration Systems, Inc. (MERS).
- K. All signatures on the Mortgage Loan documents shall be genuine, and all Mortgage Loan documents shall be executed by persons duly authorized to execute them. CHFA only accepts electronic signatures for initial disclosures, initial loan applications, and purchase contracts, provided they are obtained in compliance with the E-Sign Act, the Uniform Electronic Transaction Act, and any other applicable requirements.
- L. The Participating Lender has complied with all federal and state laws and regulations with respect to the servicing of the Mortgage Loan prior to its transfer to CHFA.
- M. Upon the Purchase of a Mortgage Loan, CHFA shall have the right to service such Mortgage Loan and the right to receive all compensation payable with respect to such servicing, subject to the Mortgage Purchase Agreement.
- N. On the date of Loan Purchase, in the judgment of the Participating Lender, the Mortgage Loan offered for sale to CHFA would in all respects be a prudent investment at the purchase price paid.
- O. The Participating Lender has not discriminated against any person or group of persons on the basis of race, color, religion, sex, age, national origin, disability, or any other protected classification under federal, state, or local law in making the Mortgage Loan.

- P. The Participating Lender certifies that the underlying transaction satisfies arm's length transaction requirements in accordance with applicable insurer/guarantor or Fannie Mae or Freddie Mac guidelines.
- Q. No fee, commission, kickback, or tangible or intangible compensation of any kind whatsoever shall be or shall have been received or retained by the Participating Lender, or to the Participating Lender's knowledge, realized by any other person or entity, except such fees as may be disclosed in the Settlement Statement for the Mortgage Loan. Any fees disclosed shall be in compliance with all state and federal laws.
- R. The Participating Lender has no knowledge of any circumstance or condition regarding the Mortgage Loan or the Borrower's credit standing that would cause prudent private investors in the secondary market to regard the Mortgage Loan as an unacceptable investment, cause the Mortgage Loan to become delinquent, or adversely affect the value or marketability of the Mortgage Loan.
- S. The Participating Lender has no knowledge of any fraud in relation to the Mortgage Loan.

section 106: delivery of a mortgage loan

The Participating Lender must review the Mortgage Loan application and the related Mortgage Loan and CHFA Program documents for each Borrower to determine whether the Borrower and the Property meet the eligibility criteria for the applicable CHFA Program.

The Participating Lender is responsible for determining that a Borrower complies with all requirements of the Mortgage Loan insurer or guarantor, or of Fannie Mae or Freddie Mac, as applicable, for conventional Mortgage Loans, and for determining that a Borrower has the financial ability to repay the Mortgage Loan on the terms proposed. Such determination must be based on a thorough and objective evaluation of the Borrower's creditworthiness.

Reasonable and appropriate measures must be undertaken by the Participating Lender to verify that all information provided is accurate and complete.

CHFA will perform a Program Compliance Review of Mortgage Loans for Borrower and Property eligibility. CHFA may request additional documentation to support CHFA's review.

Except for the CHFA HomeAccesssm and CHFA SectionEightsm Homeownership Programs, CHFA does not evaluate a Borrower's financial ability to repay, and the Participating Lender is responsible for such determination.

Mortgage Loans must be submitted for Purchase within 10 days after the Closing Date. Prior to the delivery of a Mortgage Loan for Purchase, the Participating Lender shall verify the following:

A. Unpaid Principal Balance (UPB)

The amount of the Unpaid Principal Balance of the Mortgage Loan and accrued interest, if any, due and owing from the Borrower.

B. Deed of Trust and Promissory Note

The Mortgage Loan is evidenced by a properly executed Promissory Note and First Deed of Trust and/or Second Deed of Trust, as applicable. The Mortgage Loan documents are the legal, valid, and binding obligations of the Borrowers, and are enforceable in accordance with their terms. All parties executing the Mortgage Loan documents had full legal capacity to execute such documents.

The Participating Lender has not modified, satisfied, canceled, subordinated the Mortgage Loan indebtedness, or released the Property from the lien of the indebtedness. The terms of the Promissory Notes, First Deed of Trust and any Second Deed of Trust have not been materially waived, altered, or modified.

C. Note Endorsement

First Mortgage Loan Promissory Notes are made payable to the Participating Lender and, upon Loan Purchase by CHFA, endorsed by the Participating Lender: "Pay to the order of Colorado Housing and Finance Authority, without recourse," with the name of the Participating Lender, the signature of the authorized officer, and the typed name and title of the signatory below the endorsement. The Note endorsement must not be dated.

All Second Mortgage Loan Promissory Notes are payable to Colorado Housing and Finance Authority and do not require endorsement to CHFA.

D. Title

A Mortgagee's title insurance policy has been issued with respect to the First Mortgage Loan. The title insurance policy meets the requirements of Chapter 6, Purchase Procedures, of this Guide.

The improvements on the Property securing the Mortgage Loan lie wholly within the boundaries and building restrictions of the Property, and no improvements on adjoining properties encroach upon the Property except as noted in the title insurance policy and permitted by Chapter 6, Purchase Procedures. There are no exceptions in the title insurance policy with respect to the survey, except for normal easements and restrictions that comply with the requirements in Chapter 6.

E. Valid Lien

The First Deed of Trust creates a valid and existing first lien to secure the First Mortgage Loan on the Property and any Second Deed of Trust creates a valid and existing second lien to secure the CHFA Second Mortgage Loan on the Property. The Property is located in the State and owned by the Borrower in fee simple together with the improvements and fixtures described.

F. Liens and Encumbrances

The Property has been completed and is free and clear of all mechanics' liens that could materially adversely affect the value of the Property as security for the Mortgage Loan, and no rights are outstanding that could give rise to such liens. The Property is free from all other liens, encumbrances, restrictions, and covenants except those that comply with the requirements of Chapter 6, Purchase Procedures, of this Guide. Upon receipt of notice, the Participating Lender will provide CHFA timely notice of any adverse actions affecting the Property, including but not limited to, the filing of any liens against the Property.

G. Transfer of Mortgage Loan/MERS

The First Mortgage Loan Deed of Trust shall be in proper form to be recorded and the Mortgage Loan shall be registered in the name of Mortgage Electronic Registration Systems, Inc. (MERS). CHFA will accept separate assignments only from Participating Lenders that are not MERS members. Assignments to MERS will be required prior to Purchase if the Participating Lender is not a MERS member. CHFA Form 230M, Assignment, is available at www.chfainfo.com.

H. No Counterclaim, Offset, Defense, or Right of Rescission

Neither the Borrower, nor any other individual, has the right to assert any counterclaim, offset, defense, or right of rescission against CHFA as assignee of the Mortgage Loan.

I. Recording

The First Deed of Trust and any Second Deed of Trust have been recorded by the Participating Lender in the proper public office in the proper order to give constructive notice thereof to all subsequent purchasers or third parties.

J. State and Federal Laws and Regulations

The Mortgage Loan complies with all applicable state and federal laws and regulations.

The Participating Lender has not discriminated against any person or group of persons on account of race, color, religion, age, sex, national origin, disability or any other protected classification under federal, state, or local law in the origination of the Mortgage Loan.

K. Unlawful Compensation

To the best of the Participating Lender's knowledge and belief, no unlawful fee, commission, kickback, or other unlawful compensation or value of any kind has been or will be received, retained, or realized by any attorney, firm, or other person or entity, and no such unlawful items have been received, retained, or realized by the Participating Lender.

L. Mortgage Loan Insurer or Guarantor Requirements

1. Each FHA-insured Mortgage Loan complies with the requirements of the National Housing Act, as amended, all rules and regulations issued thereunder, and all administrative publications. The FHA insurance is in full force and effect and will, upon Purchase of the Mortgage Loan, inure to the benefit of CHFA;
2. Each VA-guaranteed Mortgage Loan complies with the requirements of the Servicemen's Readjustment Act, as amended, all rules and regulations issued thereunder, and all administrative publications. The VA guaranty is in full force and effect and will, upon Purchase of the Mortgage Loan, inure to the benefit of CHFA;
3. Each RD Mortgage Loan complies with the requirements of the Housing Act of 1949, as amended, all rules and regulations issued thereunder, and all administrative publications. The RD guarantee is in full force and effect and will, upon Purchase of the Mortgage Loan, inure to the benefit of CHFA;
4. Each conventional Mortgage Loan complies with Fannie Mae or Freddie Mac requirements.
5. Each Mortgage Loan complies with the provisions of the policy of Pool Insurance, if applicable, and the Participating Lender has received a commitment to insure the Mortgage Loan under such policy. No pool insurance premium shall be paid from the proceeds of the Mortgage Loan.

M. Borrower

The Borrower is an eligible Borrower pursuant to Chapter 2, Eligibility Requirements, of this Guide.

N. Advance and/or Use of Funds

Based upon its review of (1) the application submitted in connection with the Mortgage Loan, together with all supporting documentation; (2) the purchase contract and all other contracts and side agreements relating to the purchase of the Property; and (3) the closing statement relating to the disposition of the proceeds of the Mortgage Loan, the Participating Lender has no reason to believe that:

1. Any proceeds of the Mortgage Loan are being used to pay any loan owed by the Borrower or member of his or her household other than a loan permitted by Chapter 3, Programs;
2. The allocation of closing costs between the Borrower and the Seller of the Property are inconsistent with the standard real estate practices in the community in which the Property is located; and
3. The Participating Lender has advanced money, or required any other party to advance money, to the Borrower to be used by the Borrower for the payment of any monthly installment of principal, interest, or other charges payable under the Mortgage Loan.

O. Default and Delinquency

There is no default or delinquency under the terms and covenants of the Mortgage Loan. CHFA will not purchase any Mortgage Loan that is delinquent or in default.

P. Hazard and Flood Insurance

The Property is covered by a valid and existing policy of hazard insurance (and flood insurance, if applicable), which meets the requirements of Chapter 6, Purchase Procedures.

Q. Property

The Property meets the requirements of Chapter 2, Eligibility Requirements. If the Property is New Construction, the Property has not been previously occupied. A model home is not New Construction.

The Participating Lender has no knowledge that there are any violations of applicable zoning laws or regulations with respect to the Property

To the best of the Participating Lender's knowledge, there is no pending proceeding for a total or partial condemnation of the Property, and the Property is undamaged by fire, windstorm, or other casualty.

The Participating Lender has no knowledge that either the Property or appurtenances thereto, or the intended use of the Property, is, or will be, in violation of any applicable law, rule, or regulation governing the protection of the environment. The Participating Lender has no knowledge of any pending case or proceeding directly involving the Property in which compliance with any such law, rule, or regulation is an issue.

If the Property is located in a single-family attached project (i.e. condominium project or party wall project), the project meets CHFA criteria described in Chapter 2, Eligibility Requirements.

R. Occupancy

To the best of the Participating Lender's knowledge, the Property is, or within 60 days after the Mortgage Loan Closing Date will be, occupied by the Borrower as his or her Principal Residence.

S. Underwriting

Each Mortgage Loan was underwritten in accordance with all rules, regulations, and requirements of the applicable mortgage insurer or guarantor and/or of Fannie Mae or Freddie Mac for conventional Mortgage Loans.

section 107: participating lender allowable fees and charges

Unless otherwise stated in specific Program guidelines, the Participating Lender may not charge or collect any fees or points in excess of the fees listed below. Any fees for reimbursement of costs incurred are limited to the amount paid for the service. Discount points are prohibited.

A. Allowable Fees

1. **Origination Fee.** The Participating Lender may charge an origination fee of 1 percent of the First Mortgage Loan amount. For FHA 203(k) Mortgage Loans, Participating Lenders may also collect a supplemental origination fee of 1.5 percent of the portion of the Mortgage Loan allocated to rehabilitation or \$350, whichever is greater.
2. **Other Lender Fees.** The Participating Lender may charge “reasonable and customary” fees to the Borrower, provided the fees do not exceed the amounts charged in the area for similar non-CHFA loans, and the fees must be directly related to actual services rendered for providing the loan, whether or not those fees are paid to a third party or collected by the Participating Lender for providing those services. In addition, the Participating Lender must adhere to applicable agency, insurer, and guarantor or Fannie Mae or Freddie Mac guidelines with respect to points and fees limitations. Total points and fees may not exceed the lower of: the allowable applicable agency, insurer, guarantor, or Fannie Mae or Freddie Mac guidelines, or 5 percent of the total loan amount. Loans with points and fees which do not meet the foregoing requirements will be subject to Repurchase by the Participating Lender.
3. **30-day Upfront Loan Delivery Extension.** If the loan is still within the original 60-day delivery period, the Participating Lender may request a one-time 30-day extension with the reserved Interest Rate for a fee of thirty-five one-hundredths of one percent/35 basis points (0.35%/35 basis points) of the OPB of the Loan. This fee may be paid by the Borrower, Participating Lender, or Seller of the Property, and will be deducted in the CHFA Purchase Advice.
4. **Program-specific Fees.** See applicable program directive or matrices for any additional Program specific allowable fees.
 - a. For a CHFA DPA Second Mortgage Loan or a HomeAccess Second Mortgage Loan, Participating Lenders may collect the title company’s closing fee and the recording fees for recording the Second Deed of Trust from the Borrower. No other fees may be charged. CHFA does not require the use of a title company to close a CHFA Second Mortgage Loan and does not mandate the collection of a closing fee.
5. **Cash Back to Borrower(s) at Closing.** CHFA will defer to insurer/guarantor or Fannie Mae or Freddie Mac guidelines with respect to whether the Borrower may receive cash back at Closing, and, if permitted, the amount. However, excess funds resulting from CHFA Down Payment Assistance Grants, CHFA Second Mortgages, or the FHA Streamline Borrower Premium Option may not result in cash back to the borrower at closing. In any event, the Borrower must always meet the minimum Borrower contribution requirements for CHFA’s Programs.

6. CHFA Program Fees. No fee shall be charged solely because the Mortgage Loan is originated under a CHFA program and/or is intended for sale to CHFA. No fee shall be designated as a "CHFA fee."

section 108: notice of recapture tax

Tax-exempt Program Loans may be subject to Recapture Tax Provisions, which were incorporated into the Internal Revenue Code (the Code) pursuant to the Technical and Miscellaneous Revenue Act of 1988. See Chapter 10, Recapture Tax Provision, of this Guide and the CHFA website at www.chfainfo.com for an explanation.

The Recapture Tax is initially disclosed to the Borrower in the Initial Applicant Affidavit. The original of this affidavit must be signed by the Borrower and included in the Program Compliance Review package for Tax-exempt Program loans.

For Mortgage Loans subject to the Recapture Tax Provision, CHFA will provide a Notice of Potential Recapture Tax to the Borrower by either:

- Providing the Notice to the Participating Lender, and the Participating Lender will complete the form and provide it to the Borrower at the time of closing; or
- Providing the Notice to the Borrower within 90 days after Loan Closing.

With the exception of stand-alone MCCs, CHFA will reimburse Borrowers for any Recapture Tax actually due and paid to the IRS, if the Recapture Tax is triggered by a payoff based on the sale of the Property.

section 109: privacy and confidentiality

- A. Pursuant to the Mortgage Purchase Agreement, CHFA and Participating Lenders agree to comply with applicable consumer privacy laws (any and all federal, state, and local statutes, regulations, and rules applicable to the protection and privacy of consumer information, including but not limited to the privacy provisions of the Gramm-Leach-Bliley Act, 15 U.S.C Section 6801 et seq.), and to implement appropriate measures designed to safeguard customer information.
- B. The Participating Lender will maintain the confidentiality of the information governed by consumer privacy laws.
- C. The confidentiality conditions in the Mortgage Purchase Agreement are material terms of the Agreement, and either CHFA or a Participating Lender may terminate the Mortgage Purchase Agreement, effective immediately, in the event of any breach of consumer privacy.
- D. CHFA has provided on its website an online system, "HomeConnectionsm," whereby Participating Lenders may reserve Mortgage Loans and check the status of Mortgage Loans previously reserved. Participating Lenders must comply with the HomeConnection Terms and Conditions attached to the Mortgage Purchase Agreement.

- E. Participating Lenders are responsible for requesting from CHFA requisite access for their staff to HomeConnection, as necessary and appropriate, and Participating Lenders will take all necessary measures to manage access in a timely manner and to prevent unauthorized use.
- F. By using the services provided through HomeConnection, users consent to the collection and use of their information among the other provisions in the Terms and Conditions for HomeConnection. Further, by accessing HomeConnection, users affirmatively consent to CHFA emailing CHFA Home Finance eNews communications which generally provide information about CHFA single family mortgage loan programs, guideline updates, trainings, and CHFA events. Users may opt out at any time, but in doing so, may miss timely notifications related to CHFA Home Finance products and operations.

section 110: equal opportunity lending

In originating a Mortgage Loan, the Participating Lender:

- A. Shall not discriminate against any person or group of persons on the basis of race, color, religion, sex, age, national origin, disability or any other protected classification under federal, state and local law.
- B. Shall make Mortgage Loans available in accordance with all federal, state, and local laws and regulations.
- C. Shall comply with all requirements of Regulation B, including, but not limited to, the requirements for Applicant notifications.

section 111: borrower communication

CHFA works through and in cooperation with the Participating Lender. Until the Mortgage Loan is Purchased by CHFA, it is the responsibility of the Participating Lender to inform the Borrower or any other person(s) involved in the processing of the Mortgage Loan of CHFA guidelines and requirements.

section 112: cobranding

Participating Lenders are licensed to use the CHFA Participating Lender badge and product names within their marketing and advertising pieces. Such use must be in accordance with the CHFA Cobranding Guide, which is posted on the CHFA website, www.chfainfo.com. Participating Lenders are not licensed nor authorized to use the CHFA logo.

Any questions regarding visual or language usage, or requests for a Participating Lender badge for use in advertising materials, may be directed to the CHFA Marketing and Community Relations Division at chfabrand@chfainfo.com.

section 113: third-party originators

A Participating Lender may originate Mortgage Loans for sale to CHFA through a wholesale relationship with a third-party originator (TPO), provided such TPO is in compliance with all applicable state and federal requirements concerning licensing and regulation of TPOs. The Participating Lender is responsible for all required oversight of such TPOs. In addition, the Participating Lender must assure that all Mortgage Loans so originated are in full compliance with the Mortgage Purchase Agreement and this Guide, and remains fully responsible for any obligation thereunder relating to such Mortgage Loan including, but not limited to, any required repurchase of the Mortgage Loan(s).

Lenders that intend to utilize TPOs in the origination of loans for sale to CHFA must notify CHFA of their intent to do so, and must originate such loans via a specifically designated branch established in CHFA's HomeConnection system. All loans originated using a TPO must close in the name of the CHFA Participating Lender.

chapter 2

eligibility requirements

section 200: general eligibility requirements

All CHFA Programs have basic eligibility requirements for both the Borrower and the Property. Participating Lenders should refer to Chapter 9, Mortgage Credit Certificates (MCC), for specific Borrower and Property eligibility requirements for the MCC Program.

section 201: borrower eligibility

A. Credit Requirements

All Applicants must credit qualify for a Mortgage Loan in accordance with the applicable mortgage insurer/guarantor credit guidelines, or under Fannie Mae or Freddie Mac guidelines for conventional Mortgage Loans. Prior foreclosure on a CHFA Mortgage Loan does not necessarily preclude a Borrower from obtaining a new CHFA Mortgage Loan, provided the Borrower meets the applicable insurer, guarantor, or Fannie Mae or Freddie Mac requirements associated with the particular loan program utilized.

CHFA is eligible for the Housing and Finance Authority (HFA) exemption to the CFPBs and other federal agencies' Ability-to-Repay (ATR) and Qualified Mortgage (QM) Rules. Nonetheless, CHFA continues to expect Participating Lenders to conduct a thorough underwriting analysis and document the consumer's ability to repay the loan. Because loans financed or administered by HFAs are exempt from the ATR rule, HFA loans are also not subject to the QM standard, or the subset of safe harbor or higher-priced mortgage loan (HPML) QMs. Similarly, HFA loans are not subject to FHA's QM standard, or the subset of FHA safe harbor and rebuttable presumption QMs. Accordingly, CHFA will purchase loans that fall into the category of HPML or FHA rebuttable presumption QMs.

Nonetheless, Participating Lenders must adhere to applicable investor, insurer, and guarantor guidelines with respect to points and fees limitations. As always, CHFA will not purchase any loans that meet any of the HOEPA coverage tests applicable to High-Cost Mortgages (12 CFR 1026.32). Further, total points and fees cannot exceed the lower of allowable investor/insurer/guarantor guidelines or 5 percent of the total loan amount. CHFA may have additional Borrower credit requirements for any and/or all CHFA Mortgage Loan Programs. See applicable Program matrices, and Chapter 4, Reservation, of this Guide for specific guidelines.

B. First-time Homebuyer

Some CHFA Programs are limited to First-time Homebuyers. A First-time Homebuyer is a Borrower who has had no present ownership interest in the Borrower's principal residence at any time during the three-year period ending on the date the mortgage is executed (i.e. the Mortgage Loan Closing Date). CHFA's First-time Homebuyer Programs may also be available to Qualified Veterans.

C. Borrower Residency Status

All Mortgage Loans must be originated in compliance with the legal residency requirements of the applicable insurer or guarantor (FHA/VA/RD) or Fannie Mae or Freddie Mac. All Borrowers must have a valid Social Security number.

If the land on which the residence is located and any outbuilding located on such land are intended to be used in any trade or business activity that would qualify for Federal Income Tax purposes for a home office business expense deduction, then such use must be merely incidental to the use of the Property as the residence of the Borrower.

D. Occupancy

All Borrowers must intend to, and must, occupy the Property as their Principal Residence within 60 days after the Closing Date. Except for short-term leasebacks which expire within 60 days after the Closing Date, the Borrower may not rent or lease the Property during the term of the Mortgage Loan without the prior written consent of CHFA.

E. Income Limits

Borrowers' income must not exceed the applicable Income Limits associated with the particular CHFA Program under which they are seeking a Mortgage Loan.

F. Ownership of other Residential Real Estate

Borrowers may have an ownership interest in one other residential property and still qualify for a CHFA Program loan, provided that such ownership is permissible under the requirements of the insurer or guarantor, or Fannie Mae or Freddie Mac, as applicable. The Property associated with the CHFA Loan must be owner-occupied and the Borrower's Principal Residence. Borrowers may only have one CHFA-financed Property at any one time.

1. Examples of "other residential property" are:

- a. Cooperative
- b. Farmhouse
- c. Ranch home
- d. Manufactured Housing permanently affixed to a foundation with title purged
- e. Second home
- f. Vacation home
- g. Single-family investment property (one- to four-unit property)

2. The Borrower may own property not considered residential. Examples are:

- a. Commercial property
- b. Manufactured Housing not permanently affixed to a foundation
- c. Timeshare

G. New Mortgage Loan

The Mortgage Loan must be a new mortgage and not used to refinance or replace an existing mortgage, except as provided below. Refinance Loans are permitted for:

1. Repayment of a construction loan;
2. Repayment of a bridge loan, or other form of temporary financing with an initial term of 24 months or less;
3. Repayment of an existing FHA-insured CHFA First Mortgage Loan, in accordance with the requirements of the CHFA FHA Streamline Refinance Program. CHFA may subordinate an existing CHFA Second Mortgage Loan to the new Mortgage Loan pursuant to the terms and conditions of that Program and CHFA guidelines.
4. The CHFA Advantagesm Program Refinance Loan.
5. The CHFA Preferredsm Program Refinance Loan.

H. Homebuyer Education

CHFA requires all Borrowers and Co-Borrowers, with the exception of permitted refinance loans, to individually complete an online or classroom-based CHFA-approved Homebuyer Education course, provided by a CHFA-approved provider, prior to closing. For purposes of CHFA Mortgage Loan programs, construction-to-permanent loan borrowers must complete homebuyer education.

Note: Online Homebuyer Education may not be appropriate for all Borrowers. The Participating Lender may direct a Borrower to a classroom-based course rather than the online course for several reasons, such as Mortgage Insurance incentives or the Borrower's lack of comfort and familiarity with the Internet. Whether to complete Homebuyer Education online or in a classroom is ultimately the Borrower's decision.

Reasonable accommodations are available at all CHFA-approved Homebuyer Education classes. Courses are available in English and Spanish. Contact the provider if further language interpretation services are needed. In addition, specialized homeownership counseling for persons with disabilities is available.

Homebuyer Education certificates are valid for 12 months. To meet the Homebuyer Education requirement, Borrowers must execute a purchase contract prior to expiration of the Homebuyer Education certificate.

The most current list of CHFA-approved in-person and online providers and a schedule of classroom dates are available on the CHFA website at www.chfainfo.com, or by calling 303.297.7376 or 888.320.3688.

I. Co-Borrowers

CHFA permits Co-Borrowers if they:

1. Meet the CHFA eligibility requirements;
2. Take title to the Property;
3. Obligate themselves for the Mortgage Loan by signing the Promissory Note(s) and First Deed of Trust; and
4. Intend to occupy the Property as their Principal Residence.

J. Cosigners

CHFA does not permit Cosigners.

K. Minimum Financial Investment

1. CHFA requires Borrowers to make a Minimum Financial Investment towards the purchase or refinance of the Property. The specific amount is specified in the applicable Program Matrix.
2. CHFA requires the Minimum Financial Investment to be from the Borrower's own funds. However, the Minimum Financial Investment can come from a gift, other than the CHFA DPA Grant or CHFA Second Mortgage Loan, if this is acceptable to the mortgage insurer or guarantor, or to Fannie Mae or Freddie Mac, as applicable, for conventional Mortgage Loans. The Minimum Financial Investment cannot come from the proceeds of any subordinate Mortgage Loan, or from any new debt acquired by the Borrower, including credit card debt. Funds that come from a gift must be documented according to the mortgage insurer or guarantor requirements, or according to applicable Fannie Mae or Freddie Mac requirements for conventional Mortgage Loans.

The following items, paid by the Borrower outside of closing, may be counted toward the Minimum Financial Investment if documented on the Closing Disclosure.

- a. Earnest money deposit;
- b. Application, appraisal, or credit report fee paid to the Participating Lender;
- c. Home inspection fee, including fees paid for additional inspection services, such as sewer scopes, or structural engineer's report;
- d. Hazard insurance premium paid outside of closing;
- e. Thirty-day Loan Delivery Extension Fee;
- f. For HUD Homes only, the closing agent's closing fee; and/or
- g. Any Homebuyer Education Fee for online Homebuyer Education.

A real estate agent fee, if any, paid by the Borrower cannot be counted toward the Minimum Financial Investment.

L. Non-borrowing Individuals

CHFA does not permit non-borrowing spouses or others not obligated to the underlying mortgage loan to take title to the subject property.

section 202: property eligibility

A. Property Location

The Property must be located within the State of Colorado.

B. Property Type

The Property type must be acceptable to CHFA and must also be acceptable to the applicable insurer or guarantor, or to Fannie Mae or Freddie Mac for conventional Mortgage Loans. Acceptable Property types to CHFA are single-family attached or detached homes; Planned Unit Developments (PUDs), attached or detached; townhomes; condominium units; Modular Homes; and Manufactured Housing on a permanent foundation, for which title has been purged as evidenced by either an Affidavit of Real Property or a Certificate of Permanent Location.

All condominium projects must meet insurer/guarantor or Fannie Mae or Freddie Mac guidelines. Required documentation may differ and is dependent on project specifications and review type. Lenders are responsible for determining and providing the necessary documentation to ensure that a project meets all applicable eligibility requirements.

For government loans (FHA, VA, and RD) project documentation must include:

- Evidence of project approval based on the applicable insurer/guarantor guidelines.

For conventional loans, project documentation must include, but is not limited to, the following:

- Condo Project Manager (CPM) Approval or CHFA Form 770, Condo Project Approval Certification
- Current project budgets
- Appraisal reports; and
- Evidence of required insurance policies and related documentation.

In addition, for all conventional loans, the Participating Lender must review the HOA projected budget and determine that it is adequate and provides for the funding of replacement reserves for capital expenditures and deferred maintenance in an amount that is at least 10 percent of the budget.

The Property may not consist of more than one (1) living unit. Accessory Dwelling Units (ADU) and two- (2) to four- (4) unit properties are not allowed.

Except for the CHFA Statewide Mortgage Credit Certificate Program, the maximum permissible acreage is the lesser of 50 acres, or the maximum acreage allowed under insurer/guarantor guidelines, or applicable Fannie Mae or Freddie Mac requirements for conventional loans. For the CHFA Statewide Mortgage Credit Certificate Program, the maximum lot size for a single-family home may not exceed that amount reasonably necessary to maintain basic livability and may not exceed five (5) acres, with limited exceptions. See Chapter 9 for more information.

For Property where the land also has an income-producing component, the income-producing component must be incidental to the primary use of the Property as the Borrower's Principal Residence. The income-producing component may not be financed with the First Mortgage Loan.

For homes that also have outbuildings, such as barns, chicken coops, sheds, lean-tos, corrals, workshops, or studios (in a separate building), no downward adjustment in the First Mortgage Loan amount is necessary if outbuildings are customary for the area. If outbuildings are not customary for the area, the Participating Lender must reduce the First Mortgage Loan amount by the amount the value of the outbuilding.

For homes with wells as a water source, documentation is required to verify that the well is located within the boundaries of the subject property. Homes with cisterns as the only water source are acceptable provided it meets insurer or guarantor, or Fannie Mae or Freddie Mac guidelines, as applicable.

For a Manufactured Home to be an eligible Property, title must be purged (if a title was issued), and the Manufactured Home must be permanently affixed to real property in accordance with Colorado law (C.R.S. 38-29-101 et. seq). The Colorado Division of Property Taxation website has Manufactured Home forms available.

Either an Affidavit of Real Property for a Manufactured Home or a Certificate of Permanent Location for a Manufactured Home, as applicable, must be provided at Loan Purchase if available; or if not yet available, the Participating Lender must provide copies of the documents that are being processed with the local officials. A copy of the recorded Certificate of Permanent Location or Affidavit of Real Property for a Manufactured Home, as applicable, must be provided to CHFA within 60 days after the Closing Date.

If the Property is in a Leasehold or Land Trust, or the Property will be subject to a Deed Restriction, or Affordable Housing Covenant, then the Property or project must first be approved by the insurer or guarantor (FHA, RD, or VA), or by Fannie Mae or Freddie Mac, as applicable, for conventional mortgage loans, and written evidence of approval deemed acceptable by CHFA, or CHFA Form 780, Housing Restrictions Approval Certification, must be submitted to CHFA.

Consistent with Colorado state law, private transfer fees are prohibited for all CHFA residential mortgage programs.

C. Business Use of Property

No more than 15 percent of the total finished enclosed area of a residence may be used primarily in any trade or business activity that would qualify for Federal Income Tax purposes for a home office business expense deduction.

If the land on which the residence is located and any outbuilding located on such land are intended to be used in any trade or business activity that would qualify for Federal Income Tax purposes for a home office business expense deduction, then such use must be merely incidental to the use of the Property as the residence of the Borrower.

section 203: property eligibility - attached projects

For all Mortgage Loans to finance condominium units, the Participating Lender must include the following documentation in the Program Compliance Review package:

1. For FHA-insured loans, a copy of the current HUD Review and Approval Process (HRAP) or Direct Endorsement Lender Review and Approval Process (DELRAP). For conventional loans, Condo Project Manager (CPM) Approval, lender full review, or limited review, or such other reviews as required by Fannie Mae or Freddie Mac, as applicable, must be provided, using CHFA Form 770, Condo Project Approval Certification. CHFA will also require any additional documents mandated by insurer/guarantor guidelines.

2. A copy of the blanket insurance policy. The blanket or master condominium and unit policies must meet applicable insurer and guarantor guidelines, including Fannie Mae or Freddie Mac for conventional loans.
3. A copy of HO-6 policy aka “walls-in” coverage policy, unless the Participating Lender can document that the master policy provides interior unit coverage, including replacement of interior improvements and betterment coverage to insure improvements that the Borrower has made to the unit. The HO-6 coverage amount must meet the applicable guidelines of the insurer or guarantor, or Fannie Mae or Freddie Mac for conventional loans.

A. Investor and Insurer/Guarantor Representations and Warranties

With respect to each Mortgage Loan submitted to CHFA, the Participating Lender will be deemed to be providing CHFA the same representations and warranties that are provided by CHFA to the applicable insurer/guarantor or investor. In addition to meeting the insurer/guarantor and investor requirements, Properties must conform to all CHFA guidelines and property standards, as well as other statutory, regulatory and compliance requirements.

B. Project Saturation

CHFA reserves the right to limit the number of Mortgage Loans CHFA will Purchase, secured by Property in a single family attached project, any condominium project, Planned Unit Development (PUD), or party wall project.

C. Conditions or Suspensions

CHFA reserves the right to condition or suspend its Purchase of Mortgage Loans in a particular condominium project, PUD, or party wall project at any time.

section 300: general information

CHFA finances its single family production through various vehicles, which include the issuance and sale of Ginnie Mae mortgage-backed securities (MBS), the sale of whole loans to Fannie Mae and Freddie Mac®, the process of swapping loans for the issuance of a Fannie Mae or Freddie Mac MBS, and the issuance of Taxable and Tax-exempt Mortgage Revenue Bonds.

Programs funded with Tax-exempt Bond proceeds (Tax-exempt Programs) and Mortgage Credit Certificates (MCCs) are subject to the Recapture Tax Provision. Refer to Chapter 10, Recapture Tax Provision, for more information. If the funding for a Program is not a Tax-exempt Program or an MCC Program, it is not subject to the Recapture Tax Provision.

CHFA also administers MCC Issuer Programs. Refer to Chapter 9, Mortgage Credit Certificates, for more information.

section 301: eligible mortgage loan types

CHFA permits a variety of First Mortgage Loan types for CHFA Programs. CHFA reserves the right to suspend or limit the number of Reservations received for each loan type or each Program. CHFA performs Program Compliance Reviews to ensure compliance with CHFA requirements. See Chapter 5, Program Compliance Review Procedures, for more information.

A. FHA-insured Mortgage Loans

CHFA Purchases FHA-insured First Mortgage Loans. The Participating Lender must underwrite First Mortgage Loans in accordance with FHA guidelines. The Participating Lender is responsible for securing the FHA insurance on all FHA First Mortgage Loans. The full loan amount on the First Mortgage Loan Promissory Note must be insured.

B. VA-Guaranteed Mortgage Loans

CHFA Purchases VA-guaranteed First Mortgage Loans. The Participating Lender must underwrite the First Mortgage Loan in accordance with VA guidelines.

The Participating Lender is responsible for securing the VA mortgage guaranty on all VA First Mortgage Loans. The VA guaranty must be based on the entire First Mortgage Loan amount, and the VA guaranty and the Borrower's down payment must total at least 25 percent of either the purchase price of the Property, or the value on the Certificate of Reasonable Value (CRV), whichever is less. The unguaranteed portion of the First Mortgage Loan cannot be greater than 75 percent of the lesser of the purchase price or the appraised value of the Property. The full amount of the veteran Borrower's available guaranty must be applied to the First Mortgage Loan. The funding fee charged by VA must not be included in this calculation.

The cash down payment must also include the amount, if any, by which the purchase price exceeds the CRV. Loan amounts for the simultaneous purchase of a home and energy conservation improvements are based solely on the CRV amount. The cash down payment may not be derived from a second mortgage on the Property.

C. RD-guaranteed or Leveraged Mortgage Loans

CHFA Purchases RD-guaranteed First Mortgage Loans underwritten to RD requirements. The Participating Lender is responsible for securing the RD mortgage guarantee on all RD First Mortgage Loans. RD-guaranteed First Mortgage Loans originated for sale to CHFA must be guaranteed for the maximum amount allowed by RD and must be originated in compliance with applicable RD guidelines.

CHFA also Purchases First Mortgage Loans originated under the RD Leveraged loan program. The RD Leveraged loan program combines a smaller First Mortgage Loan with a larger RD second mortgage made directly by RD. In certain situations, RD may also take a third position, subject to prior approval from RD. These First Mortgage Loans are processed, closed, and sold to CHFA like other First Mortgage Loans. Participating Lenders should contact their local RD office for additional information about the RD Leveraged program.

D. Conventional Insured Mortgage Loans

CHFA purchases conventional First Mortgage Loans under the CHFA Preferred and CHFA Preferred Plus programs, with mortgage insurance provided by a Private Mortgage Insurance company, when the loan-to-value (LTV) ratio of the Mortgage Loan is greater than 80 percent. The LTV ratio is determined by dividing the Mortgage Loan amount by the lesser of the sales price or appraised value of the Property. It is the Participating Lender's responsibility to secure the Private Mortgage Insurance when required. A Participating Lender must underwrite these First Mortgage Loans according to the requirements of the program guidelines of the specific CHFA-approved Private Mortgage Insurance company and Fannie Mae or Freddie Mac, as applicable. Desktop Underwriter® (DU®) findings must be Approve Eligible, or the Loan Product Advisorsm Indicator Score must meet the minimum requirements for the Freddie Mac HFA Advantage® Program. Loans reserved under CHFA's Fannie Mae programs must be underwritten via DU and loans reserved under CHFA's Freddie Mac programs must be underwritten via Loan Product Advisor.

Refer to the website, www.chfainfo.com, for approved Private Mortgage Insurance companies; to Chapter 6, Purchase Procedures, for coverage requirements; and to the Program Matrix for Program availability.

The mortgage insurance premium must be paid to the private mortgage insurer according to the private mortgage insurer's requirements. The private mortgage insurer must approve the First Mortgage Loan according to their underwriting guidelines.

E. Conventional Uninsured Mortgage Loans

CHFA purchases conventional uninsured First Mortgage Loans using the CHFA Preferred/ Preferred Plus Programs where the loan-to-value (LTV) is 80 percent or less. The LTV ratio is determined by dividing the Mortgage Loan amount by the lesser of the sales price or appraised value. A Participating Lender must underwrite these First Mortgage Loans according to the requirements of Fannie Mae or Freddie Mac, as applicable, and DU findings must be Approve Eligible and Loan Product Advisor Indicator Score must meet HFA Advantage® Program requirements.

CHFA also may purchase a conventional uninsured First Mortgage Loan under the CHFA Advantage Program for loan-to-value ratios between 80.01 and 97 percent. Mortgage Insurance is not required for Mortgage Loans originated under the CHFA Advantage Program.

section 302: special financing enhancements

CHFA permits and/or provides a variety of financing enhancements for its Programs.

A. FHA Streamline Borrower Premium Option

CHFA may provide closing cost assistance in the form of an FHA Streamline Borrower Premium that enables financing of closing costs and prepaids for the FHA Streamline Program. Financing is equal to 1, 2, or 3 percent of the First Mortgage Loan. The Borrower Premium option may not be used to finance the down payment, and Borrowers must still comply with Minimum Financial Investment requirements.

Participating Lenders should disclose the FHA Streamline Borrower Premium on the Closing Disclosure in accordance with their own guidelines, provided that they comply with applicable legal and regulatory requirements, including any insurer, guarantor or Fannie Mae or Freddie Mac requirements. Notwithstanding the foregoing, the full amount of the financed Borrower Premium must be reflected on the Closing Disclosure. Otherwise, CHFA may, in its sole discretion, require a principal reduction or reclosing of the loan prior to purchase.

B. Temporary Interest Rate Buydowns

CHFA may permit a temporary Interest Rate buydown of a First Mortgage Loan subject to the following conditions:

1. A buydown must be acceptable to the mortgage insurer or guarantor and the investor;
2. Borrowers must qualify at the Note Interest Rate rather than the buydown Interest Rate, unless otherwise permitted by the insurer or guarantor; and
3. The buydown may be funded by the Seller, Borrower, or subordinate mortgage proceeds from a Lender other than CHFA, if acceptable to the subordinate mortgagee.

Buydowns are not permitted on any Mortgage Loan in the CHFA HomeAccess, CHFA SectionEight Homeownership, CHFA Advantage, or CHFA Preferred and CHFA Preferred Plus Programs.

C. Seller Contribution

Any Seller contribution toward reasonable and customary closing costs and/or prepaids associated with a Borrower's acquisition of a Property may not exceed the maximum allowed by the applicable insurer or guarantor, or Fannie Mae or Freddie Mac if the Mortgage Loan is a conventional loan.

D. Subordinate Liens

CHFA permits subordinate liens behind the CHFA First Mortgage and any CHFA Second Mortgage Loan to assist Borrowers with down payment and closing costs. The additional sources of assistance must meet applicable insurer or guarantor, or Fannie Mae or Freddie Mac guidelines. Any repayment of any assistance loans must be included by the Participating Lender in the housing payment-to-income ratio.

E. Loan Assumptions

If authorized by the investor, insurer and/or guarantor, CHFA First Mortgage Loans may be assumed by qualified Borrowers meeting CHFA Income requirements, and any other eligibility requirements applicable to the Program at the time of the assumption. CHFA Second Mortgage Loans are not assumable.

CHFA Loan Servicing at 855.587.8655 can provide additional Assumption information.

section 303: pool insurance

CHFA may require pool insurance on Mortgage Loans. Pool insurance coverage is in addition to Private Mortgage Insurance coverage. If CHFA requires pool Insurance, CHFA will notify the Participating Lenders with directions on submitting credit packages to the pool insurer. Pool insurance premiums are paid by CHFA and are not directly charged to Participating Lenders or Borrowers.

section 304: chfa down payment assistance options

CHFA Down Payment Assistance options may not be combined in a single loan transaction; i.e., a Borrower may not receive both a CHFA DPA Grant and a CHFA Second Mortgage Loan.

A. CHFA Down Payment Assistance Grant

In the Programs listed below, CHFA offers Down Payment Assistance Grants (DPA Grants) to its Borrowers utilizing a CHFA First Mortgage Loan to purchase a home. The CHFA DPA Grants:

- Are non-repayable;
- May not exceed 4 percent of the CHFA First Mortgage Loan amount;
- May be used toward down payment, closing costs, prepaids, and/or principal reductions provided all applicable insurer, guarantor, or Fannie Mae or Freddie Mac requirements are met; and
- Will not be secured by a lien.

The grants are available in the following Programs:

- CHFA Preferred Plussm
- CHFA SmartStep Plussm
- CHFA SectionEightsm Homeownership Plus

B. CHFA DPA Second Mortgage Loan Program

In the Programs listed below, CHFA offers CHFA DPA Second Mortgage Loans to Borrowers utilizing a CHFA mortgage loan to purchase a home. The CHFA Second Mortgage Loans:

- Have a zero percent (0%) interest rate
- May not exceed 5 percent of the CHFA First Mortgage Loan amount;
- Repayment is deferred 30 years or until the maturity date, whichever occurs earlier, in accordance with the terms of the loan documents;
- May be used toward down payment, closing costs, prepaids, and/or principal reductions provided all insurer, guarantor, or Fannie Mae or Freddie Mac requirements are met; and
- Will be secured by a lien.

CHFA DPA Second Mortgage Loans are available in the following Programs:

- CHFA Preferred Plussm
- CHFA FirstStep Plussm
- CHFA SmartStep Plussm
- CHFA SectionEightsm Homeownership Plus

The CHFA DPA Second Mortgage Loan may not be used to fund the Borrower's Minimum Financial Investment or any additional real estate broker or agent fees.

Unless otherwise stated in the applicable Program matrix, when the First Mortgage Loan is subject to the Recapture Tax Provision, the corresponding CHFA DPA Second Mortgage Loan is as well.

1. CHFA DPA Second Mortgage Loan Terms

Typically, CHFA DPA Second Mortgage Loans are originated for up to 5 percent of the First Mortgage Loan amount at a zero percent (0%) Interest Rate and are subordinate to the CHFA First Mortgage.

The exact amount to be borrowed should be determined by the Participating Lender based on the Borrower's need (cash required to close) less the Borrower's Minimum Financial Investment.

a. Maturity

Payment on the CHFA DPA Second Mortgage Loan is due in full on the earlier of (i) 30 years from the date of the CHFA DPA Second Mortgage Loan; (ii) the date the promissory note, secured by the First Deed of Trust encumbering the Property is paid in full, either by voluntary prepayment, acceleration, or foreclosure; (iii) the date the Borrower assigns, transfers, or conveys all or any part of his/her interest in the Property; or (iv) the date the Borrower ceases to occupy the Property as his/her principal residence. Such date is called the "Maturity Date" as defined in the CHFA Second Mortgage Loan documents.

b. Subordinations

Unless otherwise specified in this Section, the CHFA DPA Second Mortgage Loan may only be subordinated to a new CHFA First Mortgage Loan; subordinating to any lien other than a CHFA First Mortgage Loan is not allowed. Additional liens may be subordinate to the CHFA DPA Second Mortgage Loan.

c. Repayment

The CHFA DPA Second Mortgage Loan is due on the maturity date in accordance with the terms of the loan documents. The CHFA DPA Second Mortgage Loan may be prepaid at any time without penalty.

2. Reimbursement Requirements

CHFA DPA Second Mortgage Loans are closed in CHFA's name and funded at closing by the Participating Lender, and later reimbursed by CHFA in conjunction with the Purchase of the First Mortgage Loan.

CHFA will not fund any CHFA DPA Second Mortgage Loan unless CHFA Purchases the corresponding First Mortgage Loan. If CHFA does not Purchase a First Mortgage Loan, the CHFA DPA Second Mortgage Loan will be assigned to the Participating Lender.

If the Participating Lender is required to Repurchase the First Mortgage Loan, the Participating Lender may be required to Purchase the CHFA DPA Second Mortgage Loan encumbering the subject Property.

Participating Lenders must submit the following fully executed documents to CHFA:

- a. CHFA Form 305, CHFA Second Mortgage Loan Promissory Note,
- b. CHFA Form 310, CHFA Second Mortgage Loan Deed of Trust,
- c. Second Mortgage Loan Estimate or Good Faith Estimate, as applicable; and
- d. Second Mortgage Loan Closing Disclosure or HUD-1 Settlement Statement, as applicable.

An Assignment of Deed of Trust for the CHFA Second Deed of Trust is not required as the CHFA DPA Second Mortgage Loan is closed by the Participating Lender in CHFA's name.

Title Insurance is not required on the CHFA DPA Second Mortgage Loan.

CHFA relies on its Participating Lenders to comply with any and all applicable legal and regulatory disclosure requirements. As such, Participating Lenders should follow their company's compliance and/or legal guidelines regarding TRID and RESPA. If a Mortgage Loan is for any reason found not to be in compliance with such disclosure requirements, it will be subject to Repurchase.

C. CHFA HomeAccess Second Mortgage Loan Program

Under the CHFA HomeAccess Program, Borrowers may use a CHFA HomeAccess Second Mortgage Loan including for down payment and closing cost assistance in conjunction with the First Mortgage Loan. Because the First Mortgage Loan is subject to the Recapture Tax Provision, the corresponding CHFA HomeAccess Second Mortgage Loan is as well.

The CHFA HomeAccess Second Mortgage Loan is applied to the upfront cash requirements of closing the First Mortgage Loan, which may include:

- Down payment, closing costs, prepaids, and/or principal reductions provided all applicable insurer, guarantor, or Fannie Mae or Freddie Mac requirements are met;
- A temporary Interest Rate buydown.

The CHFA HomeAccess Second Mortgage may not be used to fund the Borrower's Minimum Financial Investment or any additional real estate broker or agent fees.

CHFA may pay Participating Lenders a premium for every CHFA HomeAccess Second Mortgage Loan funded in conjunction with a CHFA First Mortgage Loan.

CHFA's HomeAccess Second Mortgage Loans for down payment and/or closing cost assistance include the following terms:

- Zero percent (0%) interest rate;
- Maximum loan amount of \$25,000;
- Payment of \$200 per month will be deferred up to 360 months, otherwise, payment in full is due upon the occurrence of certain triggering events (e.g. payoff of the related HomeAccess First Mortgage Loan, either by voluntary prepayment, acceleration, or foreclosure); and

The exact amount to be borrowed should be determined by the Participating Lender based on the Borrower's need (cash required to close), less the Borrower's Minimum Financial Investment. section 305: chfa advantagesm

A. Overview

Both CHFA Advantage products provide Borrowers with conventional fixed Interest Rate financing, using a CHFA First Mortgage Loan. Private Mortgage Insurance is not required for this Program. The First Mortgage Loan must have a 30-year term, a fixed Interest Rate, and be fully amortizing.

Borrowers participating in the CHFA Advantage Program must meet all applicable criteria set forth in Chapter 2, Eligibility Requirements, as well as Program specific requirements.

All Borrowers with a credit score must have a decision credit score of 680 or above, and the maximum debt-to-income (DTI) ratio is determined by AUS findings. All Loans must receive an Approve/Eligible decision from DU or an acceptable Indicator Score from Loan Product Advisor. Should a loan not receive an AUS approval, Participating Lenders may choose to manually underwrite the loan. Participating Lenders must follow all Fannie Mae or Freddie Mac guidelines, including CHFA's credit score requirement of 680.

B. Purchase Product

The CHFA Advantage purchase product is not restricted to First-time Homebuyers and Mortgage Loans originated in the CHFA Advantage purchase product are not subject to the Recapture Tax Provision. This Program has Income Limits, which are available on the website at www.chfainfo.com.

The CHFA Advantage purchase product may be combined with the CHFA Statewide or Issuer Mortgage Credit Certificate (CHFA MCC) Programs. Refer to Chapter 9, Mortgage Credit Certificates, for complete information.

C. Refinance Product

The CHFA Advantage refinance product is available to refinance any mortgage loan type. The CHFA Advantage refinance product may not be combined with the CHFA or Issuer Mortgage Credit Certificate (MCC) Programs; however, if the Borrower currently has a CHFA MCC for the loan being refinanced, refer to Chapter 9 of this Guide for applicable Reissued Mortgage Credit Certificate requirements.

D. Program Requirements

1. By participating in the CHFA Advantage Program, the Participating Lender represents and warrants the following:
 - a. The Participating Lender will underwrite CHFA Advantage Loans only through DU or Loan Product Advisor;
 - b. Each CHFA Advantage Loan that the Participating Lender sells to CHFA will have an "Approve/Eligible" DU recommendation or a Risk Class of "Accept" in LPA;
 - c. The appraisal report submitted by the Participating Lender to CHFA in the loan file for each CHFA Advantage Loan is: i) an exact copy of the final version of such appraisal report uploaded to the Uniform Collateral Data Portal® (UCDP®); and ii) accurately reflected in the UCDP® Submission Summary Report and Appraisal Findings Detail Report;
 - d. Each CHFA Advantage Loan sold to CHFA complies with Fannie Mae and Freddie Mac Uniform Closing Dataset requirements, and the UCD Feedback Certificate provided to CHFA is an exact copy of the final UCD Feedback Certificate received for the subject loan; and
 - e. The Participating Lender has fully complied with any and all CHFA Advantage Program requirements, including those listed in the CHFA Advantage Program Matrix.
2. Underwriting Responsibility. The Participating Lender acknowledges and agrees that:
 - a. CHFA's DU license is for the purpose of allowing eligible lenders, without a DU license of their own, to underwrite CHFA Advantage Loans through CHFA's sponsorship under DU; and
 - b. Notwithstanding CHFA's DU license, CHFA shall in no event be deemed a credit underwriter, or otherwise involved in any manner with the underwriting, of CHFA Advantage Loans.

3. Appraiser Oversight. Under CHFA Advantage, the Participating Lender is responsible for the qualifications and quality of work provided by the appraiser(s) it selects and shall have a clear approval, monitoring, and deselection (or watch list maintenance) process for appraiser oversight. If the Participating Lender enters into a contract with any vendor, contractor, or third-party service provider, the Participating Lender remains fully responsible to CHFA for the quality of the work performed.

The Participating Lender is responsible for adhering to Appraisal Independence Requirements (AIR). Participating Lenders must have policies and procedures in place to ensure:

- a. Selected appraisers are licensed or certified by the state in which the subject property is located;
 - b. No employee, director, agent of the Participating Lender, or any third party acting on behalf of the Participating Lender shall influence the development, reporting, results, or review of an appraisal through coercion, extortion, collusion, compensation, inducement, intimidation, bribery, or any other manner;
 - c. Only the Participating Lender or any authorized third party is responsible for selecting, retaining, and compensating the appraiser;
 - d. The Participating Lender's production staff are restricted from the appraisal process, including selecting, retaining, or influencing the selection of an appraiser for a specific appraisal assignment; and
 - e. Misconduct by an appraiser is reported to the applicable state appraiser certifying and licensing agency or other relevant regulatory bodies.
4. DU and Loan Product Advisor Submittals. Under CHFA Advantage, the Participating Lender's submittal to DU or Loan Product Advisor as of the time of the DU or Loan Product Advisor recommendation shall contain the same information provided by the Participating Lender to CHFA in its compliance submittal. If the Participating Lender submits to DU or Loan Product Advisor any changes to such information after the DU or Loan Product Advisor recommendation, then the Participating Lender must provide such information including, but not limited to, all new reports and the results of the resubmission to CHFA for approval prior to, and as a condition of, CHFA's purchase of such CHFA Advantage Loan.
 5. DU Fees. The Participating Lender shall be fully responsible for prompt payment of any and all fees from the Participating Lender's use of DU in connection with CHFA Advantage (the "DU Technology Fees"), regardless of whether such fees are charged directly to the Participating Lender or to CHFA. Any such DU Technology Fees which are charged directly to CHFA may, in CHFA's sole discretion, be deducted from the sales proceeds owed by CHFA to the Participating Lender for such loan. Such deduction shall be reflected in the Purchase Advice for the applicable loan. The Participating Lender agrees not to pass on to its borrowers any DU Technology Fees incurred in the Participating Lender's use, if any, of CHFA's DU sponsorship.
 6. UCD Feedback Certificate. All loans originated for sale to CHFA must comply with Fannie Mae and Freddie Mac requirements with regard to the submission of the UCD casefile. Specifically, CHFA requires the Participating Lender to upload the UCD XML data file to Fannie Mae or Freddie Mac prior to CHFA's prefunding loan file review. Participating Lenders do not have to transfer the UCD File to CHFA.

However, Participating Lenders must provide CHFA with the UCD Feedback Certificate showing a successful UCD response at prefunding prior to purchase of the loan by CHFA. If the Participating Lender issues a post-consummation Closing Disclosure, it must resubmit the UCD file directly to Fannie/Freddie and obtain a new UCD Feedback Certificate. The updated UCD Feedback Certificate showing a successful UCD response and the post consummation Closing Disclosure must be provided to CHFA.

7. Termination

- a. The Participating Lender or CHFA may elect to terminate the Participating Lender's participation in CHFA Advantage at any time by giving 30 days' written notice.
- b. In the event of any such termination, effective with the date of such notice, the Participating Lender shall cease making reservations for CHFA Advantage Loans (the "Reservations"). No CHFA Advantage Loans may be delivered for purchase by CHFA at the expiration of the 30-day notice period. CHFA Advantage Loans that are subject to Reservations and that have been delivered for purchase by CHFA prior to such participation termination shall be processed in accordance with this Guide. The obligations of the Participating Lender with respect to CHFA Advantage Loans purchased by CHFA from the Participating Lender shall survive the termination of its participation in the CHFA Advantage Program.

E. CHFA Second Mortgage Loan Subordination Terms

The CHFA Advantage Refinance product allows eligible borrowers to refinance their property by securing a new first loan from the Participating Lender which is intended to be a first and prior purchase money mortgage on the property. Participating Lender is solely responsible for full compliance with the foregoing, which are enforceable by CHFA including, but not limited to, through a Repurchase.

1. Any subordination by CHFA of a CHFA Second Deed of Trust to a First Deed of Trust shall be up to the original principal amount of the Participating Lender's new First Mortgage Loan Note and conditioned on the following material terms:
 - a. Participating Lender's sale of the First Mortgage Loan to CHFA;

- b. If the First Mortgage Loan, including such loan's Note and the First Deed of Trust, is not sold to CHFA in accordance with the terms of the Mortgage Purchase Agreement and this Guide, Participating Lender agrees to immediately, without further notice or consent, pay off the CHFA Second Mortgage Loan in full. Such payment will include, but is not limited to, amounts outstanding under the CHFA Second Mortgage Note, and any and all release, processing and other fees and costs incurred by CHFA in connection with the CHFA Second Mortgage Loan (collectively, the "CHFA's Second Mortgage Fees").
- c. Participating Lender is fully responsible for the correct completion of any Subordination Agreement provided by CHFA to Participating Lender and for its timely and proper recording. If there are any errors in the Subordination Agreement, whether or not material, or in connection with its recording, Participating Lender must take any and all necessary steps to promptly and fully correct such errors and pay all related costs and expenses. If Participating Lender fails to correct such errors within 15 days of Participating Lender's knowledge of an error, then Participating Lender must immediately, and without further notice or consent, pay off the CHFA Second Mortgage Loan in full. A. Overview

Permanent Disability of an adult is a permanent impairment as described by the most current Disability Evaluation Under Social Security Listing of Impairments - Adult Listings (Part A). Part A is applicable to individuals age 18 and over and to children under age 18 where criteria are appropriate. <http://www.ssa.gov/disability/professionals/bluebook/AdultListings.htm>

Permanent Disability of a child is defined by the **most current** Disability Evaluation Under Social Security Listing of Impairments - Childhood Listings (Part B). This provides medical criteria for the evaluation of impairments of children under age 18 (where criteria in Part A - Adult listings do not give appropriate consideration to the particular disease process in childhood). <http://www.ssa.gov/disability/professionals/bluebook/ChildhoodListings.htm>

The following items are acceptable proof of disability:

1. Receipt of a current award letter for SSI or SSDI benefits. The letter must be dated within the most recent 12 months;
2. A current letter from the Social Security Administration acknowledging eligibility for benefits due to a permanent disability; or

However, Participating Lenders must first perform a credit underwrite and approve the Mortgage Loan before submitting to CHFA for Credit Review and Program Compliance Review. CHFA shall, in no event, be deemed a credit underwriter, or otherwise involved in any manner with the underwriting of CHFA loans.

C. Income and Purchase Price Limits

The Gross Annual Income Limit is determined by the area where the Property is located and is adjusted for household size. The income of Live-in Aides who are not family members is not included in the determination of Gross Annual Household Income. Purchase Price Limits are also determined by the area where the Property is located. Income and Purchase Price Limits are on the website at www.chfainfo.com.

Gross Annual Income is equal to the current total gross annual income for all loan applicants [i.e. borrower(s) and co-borrower(s)], any spouse or civil union partner of any Borrower or co-borrower who will live in the residence, and any other individual expected to both live in the residence and to be secondarily liable for the Mortgage Loan. If the loan application indicates that the Borrower or co-borrower is married or in a civil union, the income of the specified spouse/civil union partner who will occupy the property must be included. All sources of income for all such individuals, from whatever source derived and before taxes or withholdings, calculated in the manner required by Section 143(f)(2) of the Code, must be included. Refer to Chapter 5 of this Guide for more information.

D. Purchase Requirements

Mortgage Loans in the CHFA HomeAccess Program must meet Purchase requirements as stated in Chapter 6, Purchase Procedures.

E. First Mortgage Loan Terms

Only FHA and RD loans are eligible for the CHFA HomeAccess Program. The CHFA HomeAccess First Mortgage Loan must have a 30-year term, have a fixed Interest Rate, and be fully amortizing.

Borrowers may choose to make payments on the First Mortgage Loan via an automatic withdrawal, or Automatic Payment Program (APP) payment. To initiate APP payments, CHFA requires a voided check attached to a completed Automatic Payment Authorization Agreement, available on the website at www.chfainfo.com.

Borrowers who select the APP payment option will have a reduced Minimum Financial Investment amount. For more information, see the Program Matrix. If the Borrower has accepted CHFA's reduced Minimum Financial Investment, the Borrower must make Mortgage Loan payments via APP throughout the term of the Mortgage Loan.

F. Due on Sale and Assumption Provisions

1. Due on Sale. The CHFA HomeAccess First and/or Second Mortgage Loan(s) is/are due upon the sale of the Property, the refinance of the First Mortgage Loan, the transfer of title, or if the property is no longer the Borrower's Principal Residence.
2. If the Borrower is, or is the parent of, a person with a permanent impairment ("Disabled Person") which made the Borrower eligible under the CHFA HomeAccess Program for the CHFA HomeAccess Second Mortgage Loan, CHFA will not exercise the due on sale clause under the following circumstances: (a) the Property remains the Principal Residence of the Disabled Person even though the Borrower fails to occupy the Property as the Borrower's Principal Residence; or (b) the Disabled Person dies, and the Property continues to be occupied as a Principal Residence by a member of the Disabled Person's immediate family or at least one Borrower or Co-Borrower.
3. Assumptions/Subordinations. The CHFA First Mortgage Loan is assumable, subject to the assumptor's eligibility as it relates to CHFA HomeAccess program income limits, purchase price limits, and First-time Homebuyer status at the time of assumption, credit qualification, and CHFA approval. HomeAccess Second Mortgage Loan is not assumable even if an assumptor is assuming the CHFA First Mortgage Loan. CHFA will not subordinate the CHFA HomeAccess Second Mortgage Loan, even if the CHFA First Mortgage Loan is being refinanced under a CHFA refinance program. Additional liens may be subordinate to the CHFA HomeAccess Second Mortgage Loan.

section 311: chfa sectioneightsm homeownership and sectioneightsm homeownership plus

A. Overview

The CHFA SectionEight Homeownership Program (CHFA SectionEight) offers First-time Homebuyers who are currently receiving tenant-based Section 8 Housing Assistance Payments (HAP) from a participating Public Housing Authority (PHA) the opportunity to become homeowners if the PHA participates in HUD's Housing Choice Voucher program. The monthly HAP assists qualified families with their monthly homeownership expenses.

HUD's Housing Choice Voucher Homeownership program is a voluntary program offered by HUD through participating PHAs as part of their current HAP voucher program and must follow the HUD guidelines as described in 24 CFR Part 982, and as otherwise updated by HUD and stated in this Chapter.

The First Mortgage Loan must be a 30-year term, fixed Interest Rate, and fully amortizing. Acceptable Mortgage Loan types include FHA or RD.

The CHFA SectionEight Homeownership product does not provide any form of down payment assistance. The CHFA SectionEight Homeownership Plus product includes either the CHFA DPA Grant or CHFA DPA Second Mortgage Loan.

B. Eligibility

Borrowers participating in the CHFA SectionEight Program must meet all criteria set forth in Chapter 2, Eligibility Requirements.

The Applicant's participation in the participating Public Housing Authority's (PHA) Housing Choice Voucher Homeownership program is voluntary. To be eligible for the Housing Choice Voucher Homeownership program, the Applicant must fulfill the Program's initial qualifications, which include, but are not limited to:

1. Receive tenant-based Section 8 rental vouchers for at least one (1) year prior to application.
2. Have no more than three (3) re-certifications of their rental voucher in the 12 months prior to application.
3. Meet CHFA's First-time Homebuyer requirements.
4. Must demonstrate sufficient income to meet any minimum income standard set by HUD or the PHAs.
5. No family member may have a present ownership interest in a residence at commencement of homeownership assistance (current homeowners are not eligible for the program.)

C. Requirements Prior to Making a Reservation

Before making a Reservation in the CHFA SectionEight or CHFA SectionEight Plus Program, Participating Lenders must determine that the Borrower meets the following criteria:

1. The Borrower has completed a Mortgage Loan application with a CHFA SectionEight approved Participating Lender that makes a determination that the Borrower is qualified to buy the Property identified in the purchase contract.
2. The Borrower has a fully executed purchase contract on a Property that is eligible for the Program.
3. The Borrower meets the Income Limits for the Program.
4. The Borrower has the funds available, or will have by the time of Mortgage Loan closing, for the Minimum Financial Investment. Gift funds, other than funds from the CHFA DPA Grant, are acceptable if acceptable to the mortgage insurer or guarantor. PHAs may require a Borrower contribution in excess of CHFA's Minimum Financial Investment. Contact the PHA directly for complete program guidelines.
5. The Borrower must provide a letter of readiness and proof of receipt of tenant-based

Section 8 Housing Assistance Payments (HAP) from a participating, and CHFA-approved, Public Housing Authority (PHA). A list of current CHFA-eligible participating PHAs is available on www.chfainfo.com.

6. Section 8 income may not be grossed up. The applicant's Section 8 HAP may change based upon their annual or interim recertification of income, which is determined by the PHA.

D. Section 8 Income

Borrowers receiving Section 8 assistance from a CHFA-approved PHA may use their monthly assistance to help them qualify for a Mortgage Loan in the CHFA SectionEight Program. Applicants may be subject to a separate agreement with the PHA. Applicants should provide the Participating Lender with a letter of readiness from the PHA verifying the Applicant's eligibility to participate in the Housing Choice Voucher Homeownership Program and CHFA's SectionEight Homeownership Program.

The Applicant's Section 8 HAP may change based upon their annual or interim recertification of income, which is determined by the PHA.

Applicants are ultimately responsible for the entire payment on the First Mortgage Loan and any Second Mortgage Loan.

HAP payments are applied as an "offset" against the Borrower's First Mortgage Loan payment during loan qualification. The Applicant is responsible for the First Mortgage payment, less the amount of the HAP payment. The HAP payment must be paid directly to CHFA by the PHA.

The PHA must certify that the HAP payments will be sent directly to CHFA. Additionally, the PHA must certify there have been no more than three (3) rental re-certifications in the prior 12 months before application. Borrowers with more than three (3) re-certifications are deemed to not have a stable financial situation and are therefore not eligible to participate in the CHFA SectionEight Homeownership program.

E. Mortgage Loan Payments

The PHA must follow CHFA's method for delivering Section 8 funds to CHFA on behalf of the Borrower. The Participating Lender must explain to the Borrower that he or she will be responsible for forwarding any additional personal funds to CHFA in the amount needed to satisfy the entire monthly mortgage payment, and that the Borrower is ultimately responsible for ensuring timely delivery of the entire monthly payment. All payments received by CHFA after the fifteenth (15th) day of the month will be charged a late fee. PHA payments should be mailed directly to:

section 400: general reservation information

CHFA accepts Reservations from Participating Lenders to reserve an interest rate for a specific Property and Borrower intending to purchase or refinance a loan. The Reservation is associated with the Borrower, the Participating Lender, and the Property. For the Mortgage Credit Certificate (MCC) Issuer Program, refer to Chapter 9, Mortgage Credit Certificates.

The loan Delivery period is 60 days from the date of Reservation. All Mortgage Loans must be closed, delivered to CHFA, and Approved for Purchase prior to Reservation Expiration.

CHFA expects “best effort delivery” from Reservation to the Loan Closing Date, and “mandatory delivery” from the Loan Closing Date to Purchase.

section 401: interest rates

Interest Rates are published on HomeConnectionsm and made available to subscribing Participating Lenders via a daily email. Interest Rates are subject to change without prior notice.

section 402: making a reservation

CHFA accepts Reservations through HomeConnection, located on CHFA’s website at www.chfainfo.com. HomeConnection Reservations may be made on Business Days from 9:30am to 10:00pm MT, with the exception of scheduled or unscheduled system maintenance.

CHFA permits Participating Lenders to make Reservations for Borrowers for a specific Program who meet the following criteria:

- A. The Borrower has completed a Mortgage Loan application with a Participating Lender, which makes a preliminary determination that the Borrower is credit-worthy and qualified for the Mortgage Loan (CHFA strongly urges Participating Lenders to obtain full loan approval prior to making a Reservation);
- B. The Borrower has a fully executed purchase contract for a Property, unless the Mortgage Loan is a refinance, and the Property meets eligibility criteria for the Program;
- C. The Participating Lender has determined that the Borrower meets the Income Limits for the applicable Program;
- D. If applicable, the Borrower is a First-time Homebuyer; and

- E. The Borrower has or will have the funds available by Mortgage Loan closing for the Minimum Financial Investment (see Chapter 2, Eligibility Requirements).

The Participating Lender must provide the Automated Underwriting System Case Number (if any), the lowest middle credit score, and the Borrower's debt-to-income ratio. If the Borrower has less than three (3) credit scores, the Participating Lender should use the lowest score.

- F. CHFA HomeAccesssm Reservations

Only CHFA HomeAccess-certified loan officers of a Participating Lender may make a Reservation for the HomeAccess Program.

Prior to making a Reservation in the CHFA HomeAccess Program, Participating Lenders must ensure that the Borrower provides proof of a disability for either the Borrower or the Borrower's child or children who reside with the Borrower.

- G. CHFA SectionEightsm Homeownership Reservations

Only CHFA SectionEight Homeownership certified loan officers (the same loan officers certified for the HomeAccess Program) of a Participating Lender may make a Reservation for the CHFA SectionEight Homeownership Program.

section 403: reservation acceptance

Upon completion of a Reservation, a loan number for the First Mortgage Loan will be assigned. A separate loan number will be assigned for any CHFA Second Mortgage Loan, and Mortgage Credit Certificate, if applicable. Participating Lenders may view their existing Reservations and loan status within HomeConnection.

Participating Lenders can print the Reservation details from HomeConnection for their files.

Participating Lenders can track a Mortgage Loan's progress through CHFA's HomeConnection by referring to the Status field on the Pipeline page. The Status field will show:

- Loan numbers for the First Mortgage Loan, any CHFA Second Mortgage Loan, and any Mortgage Credit Certificate;
- Loan product and Interest Rate;
- Loan status;
- Borrower information;
- Property information; and
- Lender Contacts associated with the Mortgage Loan

Participating Lenders can update all First Mortgage Loan information while the loan is in Reserved status, with the exception of Borrower(s), Interest Rate, Property Address, CHFA Program, and loan type.

Participating Lenders cannot change the amount of the CHFA down payment assistance in HomeConnection. At time of Purchase, the CHFA Loan Analyst will enter the actual amount of the down payment assistance as stated on the Settlement Statement. At time of Issuance, the Mortgage Credit Certificate amount will match the actual amount of the CHFA First Mortgage Loan as stated on the Settlement Statement and Promissory Note.

Receipt of a CHFA loan number or a pipeline status indicating “Reserved” does not mean that CHFA has determined a Borrower or the Property are in compliance with Program requirements.

section 404: reservation period and reservation expiration

Participating Lenders can view the Reservation Expiration date for any Mortgage Loan within HomeConnection.

A Program may have multiple Reservation Period options available as enumerated in the applicable Program matrix. The Reservation Period includes timelines for both delivery and Purchase of the Mortgage Loan, and may be extended by CHFA as described in Section 405.

The Mortgage Loan must be delivered and approved for Purchase within the Reservation Period. Therefore, Participating Lenders that reserve Mortgage Loan Funds must close the Loan and deliver the file to CHFA for review and approval for Purchase prior to Reservation Expiration.

section 405: extensions, fees, and penalties

A. Cancellation Penalty

CHFA may charge a Cancellation Penalty to a Participating Lender when a cancelled or expired Reservation meets the criteria of the cancellation policy described in Section 408.

B. 30-day Extension

If a loan is within the original 60-day Reservation Period, the Participating Lender may request a 30-day extension with the Reserved Interest Rate for a fee of thirty five one-hundredths of one percent (0.35%) of the original principal balance (OPB). This fee may be paid by the Borrower, Participating Lender, builder, or seller. The fee will be deducted from funding and will be displayed on the CHFA purchase advice.

C. Loan Delivery Extension Penalty

If the Mortgage Loan is not delivered to CHFA prior to the end of the Reservation Period and an Extension has not been requested, CHFA will charge the Participating Lender one quarter of one percent (.25%) of the OPB for the Loan Delivery Extension, and ten (10) days will be added to the Delivery Period.

If the Mortgage Loan is not delivered to CHFA by the end of the Loan Delivery Extension, the Reservation may be cancelled and CHFA may not Purchase the Mortgage Loan if submitted at a later date. The Mortgage Loan may be subject to any applicable Cancellation Fee.

D. Funding Extension and Penalty

If the Mortgage Loan has not been Approved for Purchase within the Funding Review Period, CHFA will charge the Participating Lender a penalty of one quarter of one percent (0.25%) of the OPB and add a 10-day Funding Extension to the Funding Period.

If the Mortgage Loan is still not Approved for Purchase, another Funding Extension and Penalty will be imposed. If the Mortgage Loan is not Approved for Purchase by the end of the second Funding Extension, CHFA may decline to Purchase the Mortgage Loan, and any applicable Cancellation Fee may be imposed.

E. Suspension Penalty

Once the Mortgage Loan has been delivered and reviewed, if it is suspended due to missing, incomplete, or inaccurate information, the Participating Lender will be given ten (10) days to cure the deficiency. Regardless of the number of days remaining in the Reservation Period, if the suspension is not cured within ten (10) days, the Lender will be charged a Suspension Penalty equal to one quarter of one percent (.25%) of the OPB.

section 406: rate adjustment fee

A Rate Adjustment Fee may be charged if the Mortgage Loan is closed at the wrong Interest Rate, and the Note Interest Rate is lower than the Reserved Interest Rate. The Rate Adjustment Fee will equal the cost to buy down the Reserved Interest Rate to the Note Interest Rate over the Mortgage Loan term. If the Mortgage Loan is closed at the wrong Interest Rate, and the Note Interest Rate is higher than the Reserved Interest Rate, the Participating Lender must reclose the Mortgage Loan at the correct Interest Rate before CHFA will Purchase the Mortgage Loan.

A Rate Adjustment Fee may also be charged if a reservation expires and the reserved Mortgage Loan has not been sold to CHFA, and for which the Participating Lender has accepted four or more payments from the Borrower. The Rate Adjustment Fee in such instances will be determined at CHFA's sole discretion and will be based upon market conditions and pricing at the time the subject Mortgage Loan is purchased.

section 407: reservation changes and transfers

If a loan is in reserved status, edits to loan amount, purchase price, or borrower information can be completed in HomeConnectionsm. For all other changes, submit CHFA Form 704 by fax to 303.297.0947 or by email to CHFALockDesk@chfainfo.com.

Furthermore, reservations are not transferable. If transferring to a new Participating Lender, Borrower(s), or Property, the original loan will need to be canceled in HomeConnection or by using CHFA Form 704. A new loan may be locked by submitting CHFA Form 707. New locks will be at the current market rate. Technical assistance is available by emailing CHFALockDesk@chfainfo.com or calling 800.877.2432

section 408: cancelled or expired reservations

CHFA requires Participating Lenders to cancel Reservations promptly, and CHFA expects Participating Lenders to report the reason that the Reservation expired. A loan may be cancelled in HomeConnection or by submitting CHFA Form 704 by fax to 303.297.0947 or by email to CHFALockDesk@chfainfo.com.

A. Cancellation Policy

CHFA expects “mandatory delivery” from the Closing Date to Purchase, and will monitor all cancellations and expirations. Some examples of acceptable cancellation reasons include, but are not limited to, the buyer cancelled after an unacceptable inspection or appraisal; the buyer lost his/her job; the seller cancelled the transaction and returned the earnest money; and any reason that would cause the Participating Lender to issue an Adverse Action Notice. Unacceptable reasons may include, but are not limited to, the Participating Lender closed the Mortgage Loan but did not sell it to CHFA; or the Participating Lender did not determine that the Borrower met CHFA requirements prior to making a Reservation. Participating Lenders that do not produce evidence of a valid cancellation may be charged a \$100 Cancellation Fee for each cancelled Reservation.

CHFA may suspend for Purchase all Mortgage Loans for any Participating Lender if the fees are not paid in a timely manner. Applicable fees and penalties as described in Section 405 will continue to accrue. CHFA will attempt to notify and work with Participating Lenders that approach an excessive number of cancellations or expirations. However, Participating Lenders are expected to monitor and manage their pipeline.

B. Canceling a Reservation

Prior to the completion of the Program Compliance Review process, a Participating Lender must use HomeConnection to cancel a Reservation. Once the Mortgage Loan has been submitted for Program Compliance Review, the Reservation may be cancelled by submitting a completed CHFA Form 704, Change or Cancellation of Reservation.

C. Re-Reserving a Cancelled Reservation

If a Participating Lender cancels the Reservation, a new Reservation can be made 30 days from cancelling at the current market rate. However, if the Lender requests to waive the 30-day lockout period on the same Borrower and Property, the following two options are available:

1. The Lender may have the Reservation reinstated, or
2. The Lender may have a new Reservation with the Loan Delivery Expiration date set back to the Original Loan Delivery Expiration date, and the initial interest rate will apply.

chapter 5

program compliance review procedures

section 500: chfa program compliance review

In a Program Compliance Review, CHFA Loan Analysts review specific documents to determine if a Borrower and the Property meet the appropriate CHFA Program eligibility requirements. CHFA Program Compliance approval is neither a commitment to Purchase nor an assurance that a Loan meets applicable insurer/guarantor or Fannie Mae or Freddie Mac requirements. Each Program has specific eligibility requirements in addition to the general Program Compliance requirements. Refer to Chapter 2, Eligibility Requirements, and Chapter 3, Programs, for these eligibility requirements.

CHFA requires submission of a full Program Compliance file at the time of Program Compliance Review for all Mortgage Loans. However, a Participating Lender is responsible for determining that a Borrower has the financial ability to repay the Mortgage Loan. Such determination must be based on a thorough and objective evaluation of the Borrower's creditworthiness.

CHFA requires all Mortgage Loans to be underwritten and approved by a Participating Lender **prior** to submission for Program Compliance Review. Participating Lenders must follow the applicable underwriting guidelines of the mortgage insurer or guarantor, or Fannie Mae or Freddie Mac for conventional Mortgage Loans.

CHFA may have additional Borrower credit or credit score restrictions for any and/or all CHFA Mortgage Loan Programs. See applicable Program Matrix for specific guidelines.

CHFA will perform a CHFA Program Compliance Review of Mortgage Loans within three (3) Business Days after receipt of a complete CHFA Program Compliance Review file. If the Program Compliance Review results in a Mortgage Loan being referred for further review to determine CHFA eligibility or to verify the reasonableness of the transaction, the Participating Lender will be informed and notified of any further required documentation needed. At times, due to a high volume of Mortgage Loans, the maximum review time may exceed three (3) Business Days. Any delays will be communicated to Participating Lenders through HomeConnection and CHFA eNews. CHFA reserves the right to request additional documentation in the review of a Participating Lender's underwriting decision. Such requests may relate to issues such as, but not limited to, undocumented or poorly documented credit, excessive debt-to-income ratios, unpaid judgments or collections, previous foreclosures, property inspection findings, or appraisal concerns. CHFA may decline to Purchase any Mortgage Loan that CHFA, in its sole judgment, determines would not be a prudent investment.

Additionally, CHFA requires that all Mortgage Loans meet the following criteria:

- The Borrower and Co-Borrower must have a decision credit score that meets the program guidelines, as documented in Chapter 3, Programs;
- Discount points or permanent Interest Rate buydowns are not allowed.
- The Program Compliance Review determines if a Borrower and Property meet the CHFA Program requirements. Participating Lenders should refer to Chapter 2, Eligibility Requirements, and Chapter 3, Programs, for specific Program and eligibility requirements in addition to the Program Compliance requirements.

A. Document Delivery

Each Program has a checklist, available on CHFA's website at www.chfainfo.com, which lists all of the documents necessary for Program Compliance Review. All required documents must be submitted and reviewed prior to CHFA issuing approval for CHFA Program Compliance.

When submitting a file, lenders have the option of delivering either a paper file or an electronic file. If submitting an electronic file, lenders must use CHFA's electronic loan Document Delivery System, which can be accessed via HomeConnection. Instructions for utilizing this system are available on CHFA's website at www.chfainfo.com.

If submitting a paper file, remove all staples and secure the file with a binder clip or rubber bands. Do not hole-punch documents. Paper files should be sent to: Colorado Housing and Finance Authority, 1981 Blake Street, Denver, CO 80202.

B. Other Documents

A CHFA Loan Analyst may specify additional items not necessary for CHFA Program Compliance approval, but which are necessary to Purchase a Mortgage Loan. All of these items must be in the Mortgage Loan Purchase file for CHFA to Purchase the Mortgage Loan.

section 501: calculating income for program eligibility

A. Qualifying Borrower Income

For determining eligibility with Income Limits under all CHFA Programs other than the CHFA FirstStep Program, the HomeAccess Program, and the CHFA MCC Program (collectively, the "Excluded Programs"), CHFA will accept the Qualifying Income utilized by the Participating Lender for determining borrower eligibility for the Mortgage Loan type, and which complies with applicable insurer/guarantor or Fannie Mae or Freddie Mac guidelines. Except for the Excluded Programs, only the income utilized by the Participating Lender for purposes of credit qualifying the borrower(s) will be required for purposes of determining eligibility under CHFA's Income Limits.

Prior year tax returns are required for all borrowers. Transcripts of the borrower's tax returns are acceptable. For reservations made on or after April 15, the borrower's prior year tax return is required. Filing extensions will not be accepted in lieu of the tax return. If a Borrower was not legally required to file taxes, a letter of explanation signed by the Borrower will be required.

B. Calculating Gross Annual Income for the CHFA FirstStep Program, the CHFA HomeAccess Program, and the CHFA MCC Program

1. CHFA's calculation of Gross Annual Income for CHFA Program Compliance purposes under the CHFA FirstStep Programs and the CHFA HomeAccess Programs may differ from a Participating Lender's income calculation for qualifying purposes. Gross Annual Income is equal to the current total gross annual income for all loan applicants [i.e., borrower(s) and co-borrower(s)], any spouse or civil union partner of any Borrower or co-borrower who will reside in the residence, and any other individual who is expected to both live in the residence and to be secondarily liable on the Mortgage Loan. If the loan application indicates that the Borrower or co-borrower is married or in a civil union, the income of the specified spouse/civil union partner who will occupy the property must be included. All sources of income for all such individuals, from whatever source derived and before taxes or withholdings, calculated in the manner required by Section 143(f)(2) of the Code, must be included.

2. CHFA's calculation of Gross Annual Income for Program Compliance purposes under the CHFA MCC Program is equal to income from all sources of all household members aged eighteen (18) years and older who reside or intend to reside in the Property as their Principal Residence. Gross Annual Income must be calculated in accordance with Section 143 (f)(2) of the Code. Please note: MCC credit used to qualify for a Mortgage Loan must be included in the Gross Annual Income calculation for purposes of determining compliance with CHFA Income Limits.

Income Limits are available on CHFA's website at www.chfainfo.com and are subject to change at any time.

The CHFA Streamline Refinance program does not require verification of income.

C. Required Documentation

In addition to insurer/guarantor or Fannie Mae or Freddie Mac required documentation, CHFA requires the following documentation.

1. Verification of Employment. For CHFA's Program Compliance review, a Verification of Employment (VOE) is required for all Borrowers and other household residents aged eighteen (18) years and older. The VOE should include the total compensation for the previous year and the year-to-date amount earned. Overtime, bonuses, and other compensation should be noted on the VOE. VOEs should be signed by a representative of the employer or by a third-party business financial advisor or accountant in the case of a Borrower employed by a family business. VOEs may not be signed by a member of the Borrower's family.

As an alternative, CHFA will accept a verbal VOE, completed by the Participating Lender, combined with paystubs.

2. Paystubs. Paystubs from employers are required by CHFA at Program Compliance Review for all Borrowers and other household residents aged 18 years and older. The maximum "age" of a paystub will be in accordance with applicable insurer/guarantor or Fannie Mae or Freddie Mac guidelines. If the paystub does not reflect year-to-date income, supporting documentation, such as a copy of the payroll ledger or a letter from the employer, is required.
3. Prior Year Federal Tax Returns. Prior year tax returns are required for all borrowers. Transcripts of the borrower's tax returns are acceptable. For reservations made on or after the tax filing deadline of a respective year, the borrower's prior year tax return is required. Filing extensions will not be accepted in lieu of the tax return. If a Borrower was not legally required to file taxes, a letter of explanation signed by the Borrower will be required.
4. Self-employment Income Documentation. A household member with a 25 percent or greater interest in a business is considered by CHFA to be self-employed. Self-employed Borrowers must provide their personal Federal Income Tax Returns, Business Tax Returns or Corporate Tax Returns for the previous year, year-to-date Profit and Loss Statement, and current Balance Sheet.

When calculating Gross Annual Income for Borrowers whose income is reported on Schedule C, CHFA adds the net earnings from Schedule C, any depreciation deducted, and the year-to-date net income on the Profit and Loss Statement, and divides the total by the number of months covered by Schedule C and the Profit and Loss Statement.

5. Income Verification. CHFA requires documentation from all taxable and nontaxable sources of income. CHFA calculates Gross Annual Income from all sources as follows:

- a. Any monthly gross pay; any additional income from overtime, part-time employment, bonuses, and any similar income. This amount is annualized for sums received year-to-date; however if the Borrower has received a raise (or a VOE shows a raise in the next 60 days), the higher monthly income will be treated as the monthly gross pay and projected forward. Similarly, if the Borrower has ceased working overtime, and this is confirmed in writing by the employer, the amount earned to date will be annualized and will not be projected forward. If the Borrower has ceased working a second job and this is confirmed in writing in the VOE or by the employer, this additional income will not be counted. Voluntary pre-tax withdrawals, such as 401(k) or Section 125 flex spending accounts, should not be deducted.
- b. Recurring payments from retirement funds, pensions, Veterans Administration compensation, insurance policies or annuities, unemployment benefits, workers' compensation benefits, sick or short term disability compensation, TANF assistance, or any other State or Federal public assistance must be included in Gross Annual Income.
- c. All tax-free income, including Supplemental Security Income (SSI) or Social Security Disability Insurance (SSDI), for the Borrower(s) or any other person who will reside in the home must be included in Gross Annual Income calculation. The following are acceptable sources of verification:
 - Federal tax returns, or a more recent bank statement showing receipt of Social Security income;
 - A Proof of Income Letter (sometimes referred to as a Budget or Benefits Letter); or
 - A copy of the Social Security Administration Benefit Statement, SSA-1099/1042S.

If the Notice of Award or equivalent document does not have a defined expiration date, CHFA considers this income likely to continue, and additional documentation is not required.

- d. Maintenance and child support must be included in determining Gross Annual Income. The Borrower must provide a copy of the separation and divorce agreement stipulating the amount of maintenance and/or child support to be received. The Participating Lender must also provide proof through court documents, wage garnishments, or canceled checks that the maintenance and/or child support is being received. If documents indicate that child support should be received, but in fact is not being received (and therefore should not be considered as income for eligibility purposes), the Participating Lender must provide proof of non-receipt through the Family Register, bank statements, or other third-party records.
- e. Section 8 housing assistance from a Public Housing Authority must be included in the Gross Annual Income calculation. See Chapter 3, Programs, for details on how Section 8 payments may be used.
- f. Gross Annual Income for members of the Armed Forces includes base pay, special pay, combat pay, active duty pay, plus any additional payments for housing, rations, uniforms, etc.
- g. Income from dividends, interest, investments, net rental income, and capital gains from the sale of an asset, royalties, and trusts for all family members must be included in calculating total Gross Annual Income.
 - Any income from rents should be calculated as follows: Take the monthly amount received for rent per the applicable lease agreement and subtract the principal, interest, taxes and insurance (PITI) and HOA payment, if applicable. If this results in a loss for the Borrower, such rental income would not be counted

in Borrower's Gross Annual Income, nor would such loss be deducted from total Gross Annual Income. If, however, such calculation results in a profit, such profit should be counted toward the Borrower's Gross Annual Income.

- h. Year-to-date lottery winnings, gambling winnings, and one-time bonuses must be included in gross income and annualized.
- i. Allowances which are reoccurring, such as clothing and car allowances, must be included in income.
- j. Income received from foster care must be counted for Gross Annual Income purposes; however, the individuals for whom care is being provided are also considered family members when determining family size.
- k. Earned income of a child under the age of 18 who is not a Borrower, is not considered a component of Gross Annual Income.
- l. Income earned by a Live-in Aide who is not a family member or who is not also a Borrower is not considered part of Gross Annual Income.
 - If a Live-in Aide resides in the Property, CHFA must receive medical documentation that supports the need for a Live-in Aide. This verification may be a doctor's letter, statement, or prescription. Additionally, CHFA must receive verification that the Live-in Aide is capable of providing the necessary care.
 - CHFA may refuse to recognize an individual as a Live-in Aide if:
 - The individual commits fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program;
 - The individual commits drug-related criminal activity or violent criminal activity; or
 - The individual currently owes rent or other amounts to a PHA in connection with Section 8 or public housing assistance under the Housing Act of 1937.

Not considered when determining Gross Annual Income are gifts, inheritances, out-of-pocket reimbursements, tuition reimbursement, or something similar like an expense reimbursement, sale or liquidation of an asset (other than capital gains) including 401(k) or IRA withdrawals, or cash-out of annuities or life insurance policies.

D. Calculating Gross Income from Paystubs

Gross Annual Income from paystub information will be calculated as follows:

1. Gross wages before any payroll deductions using year-to-date earnings to obtain an annual amount; or using the hourly, weekly, or monthly pay rate multiplied by the average number of hours worked per pay period and projecting forward.
2. Gross income from tips, gratuities, seasonal income, or commissions averaged from the previous year and the year-to-date tip, gratuity, seasonal, or commission earnings to obtain an annual amount.
3. Gross income earned from overtime or part-time employment, determined by averaging the year-to-date part time and overtime income and projecting forward.

section 502: program-specific compliance review requirements

A. CHFA HomeAccess and CHFA SectionEight Homeownership Credit Review

For CHFA HomeAccess and CHFA SectionEight Homeownership Programs, CHFA will perform a Credit Review, which includes the CHFA Program Compliance Review. A complete credit package must be submitted for CHFA to perform a Credit Review no less than five (5) Business Days before the Closing Date. CHFA shall in no event be deemed a credit underwriter or otherwise involved, in any manner, with the underwriting of CHFA Loans.

A Participating Lender must first credit underwrite the Mortgage Loan according to the guidelines of the mortgage insurer or guarantor. If a Mortgage Loan received an acceptable AUS approval, the Participating Lender's underwriter must still review the loan documentation and sign off on the loan approval.

CHFA will perform a Credit Review of a Mortgage Loan within three (3) Business Days after receipt of complete Credit Review documents. Review of Mortgage Loan files that are incomplete and subsequently suspended will be delayed. Lenders should allow a minimum of two (2) Business Days to satisfy any underwriting conditions before closing the Mortgage Loan. At times, due to high volume of Mortgage Loans, the maximum review time might exceed three (3) Business Days. Any delays will be communicated to Participating Lenders through HomeConnection.

B. CHFA FHA Streamline Refinance Review

CHFA will generally follow HUD guidelines to complete an FHA Streamline Refinance. Such guidelines do not require an appraisal, a credit review, or a qualification process prior to the refinance.

CHFA does not require a minimum Borrower contribution amount, or a minimum FICO score. Borrowers are not required to complete Homebuyer Education to be eligible for a CHFA FHA Streamline Refinance.

To qualify for an FHA Streamline Refinance, a Borrower or Property must meet the following criteria:

1. The Property must be owner-occupied;
2. HO-6 Insurance is required for all condominium units, even if the Borrower does not currently have such coverage.
3. Generally, the same Borrowers who signed the original FHA loan Note must sign the new Note refinancing the original FHA-insured CHFA First Mortgage Loan. There are possible exceptions, such as in the case of death or divorce, and this will be determined on a case by case basis. Participating Lenders must document approval from HUD for any exceptions to the FHA Streamline Refinance Guidelines.
4. If the original loan included a co-signer, the individual(s) who co-signed the original FHA-insured CHFA First Mortgage Loan must also sign the new First Mortgage Loan.
5. The CHFA First Mortgage Loan must be seasoned a minimum of six (6) payments.

6. For loans with less than 12 payments made, a payment history report, demonstrating no delinquent payments, must be provided by the Participating Lender. For loans with 12 or more payments made, a payment history report demonstrating no delinquent payments for the most recent 12 months, must be provided by the Participating Lender. The payment history report must evidence that payments were consistently received by CHFA within the month they were due.

Participating Lenders should use the CHFA Payment History Request Form, available on CHFA's website, to request the applicable payment history report. Any charges for providing this payment history report will be added to the payoff total for the CHFA First Mortgage. The fee will be waived if CHFA declines to purchase the CHFA FHA Streamline Refinance loan. CHFA Payment History Request Forms must be faxed to CHFA. Credit reports (including mortgage only credit reports) may be used in lieu of payment history reports, provided they include all payment history data required by FHA. If a Lender obtains a credit report, they must enter all of the credit scores obtained into FHA Connection.

Subject to applicable program requirements, CHFA may subordinate certain CHFA Second Mortgage Loans to the new CHFA FHA Streamline Refinance First Mortgage Loan, provided the loan being refinanced was closed after March 2009. No subordination fee will be charged by CHFA.

Prior to submitting a new CHFA First Mortgage Loan for CHFA Program Compliance Review, the Participating Lender must obtain a Subordination Agreement via HomeConnection. The Subordination Agreement must be properly completed and submitted with the Mortgage Loan file for Program Compliance Review. If accurate and the eligibility criteria are met, CHFA will execute the Subordination Agreement and return the original document to the Participating Lender, or its designee, via US Postal Service mail delivery. Participating Lenders may request expedited delivery by providing a prepaid shipping label.

C. CHFA Advantage and Refinance, CHFA Preferred, CHFA Preferred Plus, and CHFA Preferred Refinance.

To qualify for CHFA's conventional loan programs, a Borrower and Property must meet the following criteria in addition to the eligibility requirements stated in Chapter 2:

1. The Property must be owner-occupied
2. Borrowers must meet applicable Program Income Limits.
3. Any variation between the household size shown on a Mortgage Loan application and the actual household size must be explained in a letter from the Borrower.
4. Generally, the same Borrowers who signed the original First Mortgage loan Note must sign the new Refinance loan Note. There are possible allowable exceptions, such as in the case of death or divorce, but this will be determined on a case-by-case basis. Participating Lenders must document approval from Fannie Mae or Freddie Mac, as applicable, and CHFA for any exceptions to the CHFA Advantage Refinance Guidelines.
5. Co-signors are not permitted for CHFA conventional purchase products. Persons who co-signed the original Mortgage Loan must also sign the new CHFA Advantage Refinance Mortgage Loan Note.
6. All Borrowers must have a decision credit score of 680 or above for CHFA Advantage loans. All Borrowers must have a decision credit score of 620 or above for all CHFA Preferred loans.

7. All loans must be evaluated via the most recent version of Desktop Underwriter® and receive an Approve/Eligible recommendation, or through Loan Product AdvisorSM and receive an acceptable Indicator Score.
8. For all CHFA Advantage Loans, the maximum permissible LTV is 97 percent, and the minimum permissible LTV is 80.01 percent.
9. Private Mortgage Insurance (PMI) is not required for loans in the CHFA Advantage program.
PMI is required for all CHFA Preferred loans with an LTV greater than 80 percent.
 - a. Participating Lenders must ensure at the time the Mortgage Loan file is submitted to CHFA that the PMI is from a CHFA-approved PMI company.
 - b. Participating Lenders may either: a) submit the Mortgage Loan to the PMI company for PMI underwriting approval; or b) conduct the PMI underwriting directly, provided the Participating Lender has the requisite delegated PMI underwriting authority from the PMI company issuing the mortgage insurance on the Mortgage Loan and provides CHFA written evidence of such authority at the time the Mortgage Loan file is submitted to CHFA. CHFA nevertheless reserves the right to, in its sole discretion and upon notice, require a Participating Lender to submit Mortgage Loans to eligible PMI companies for PMI underwriting approval.
10. There are no temporary or permanent buydowns permitted in CHFA's conventional loan Programs.
11. The CHFA DPA Grant or CHFA DPA Second Mortgage Loan are available for the CHFA Preferred Plus Program.

chapter 6

loan purchase procedures

section 600: general information

Per C.R.S. 29-4-712(2), at the time of transfer of a Mortgage Loan to CHFA, a Participating Lender must certify that in its judgment the Mortgage Loan would in all respects be a prudent investment at the purchase price paid. Each Mortgage Loan must conform to all applicable terms and conditions set forth in this Guide and in the Mortgage Purchase Agreement. CHFA reserves the right at all times to decline to Purchase any Mortgage Loan offered by a Participating Lender that CHFA determines, in its sole judgment, does not conform to this Guide and the Mortgage Purchase Agreement.

A First Mortgage Loan must be originated by a Participating Lender, according to all applicable mortgage lending laws, rules and regulations, and insurer/guarantor and Fannie Mae or Freddie Mac requirements. The Participating Lender must use Mortgage Loan documents that are approved by the mortgage insurer or guarantor or Fannie Mae or Freddie Mac, as applicable, or provided by CHFA.

Current CHFA documents are available on CHFA's website at www.chfainfo.com. Participating Lenders must use the most recent versions of forms available. All applicable Mortgage Loan Documents must be promptly and correctly recorded with the appropriate County Clerk and Recorder's Office. After closing, the Participating Lender must submit the Mortgage Loan to CHFA according to the procedures outlined in this Chapter.

section 601: chfa first mortgage loan requirements

The following requirements are applicable to all CHFA First Mortgage Loans.

A. Mortgage Loan Amount

There is no minimum Mortgage Loan amount. Refer to a program's matrix for the maximum total Mortgage Loan amount.

The full principal amount of the Mortgage Loan must have been advanced to the Borrower or advanced in accordance with the direction of the Borrower prior to CHFA's Purchase of the First Mortgage Loan. The Borrower must not have an option under the First Mortgage Loan to borrow, from the Participating Lender or any other person, additional funds secured by the lien of the First Deed of Trust. The full amount of the First Mortgage Loan must be as represented by the Participating Lender to CHFA and must be fully secured by the First Deed of Trust.

For First Mortgage Loans in the CHFA FHA Streamline Refinance Program, the new First Mortgage Loan amount must be equal to the current unpaid principal balance of the existing CHFA First Mortgage Loan that is being refinanced. Program requirements do not permit inclusion of any fees or costs in the new First Mortgage Loan amount or any cash out of the transaction to Borrowers.

B. Payment Amount

The First Mortgage Loan must provide for equal monthly payments of principal and interest due on the first (1st) day of the month.

C. First Payment Due Date

The first monthly principal and interest payment of the First Mortgage Loan will typically be due on the first (1st) day of the second (2nd) month following the month in which the First Mortgage Loan was closed. However, if a Mortgage Loan closes and funds on the first (1st) day of the month, no interest is due, or if an interest credit is applied, the Borrower's monthly payments will be due on the first (1st) day of the first (1st) month following the month in which the First Mortgage Loan was closed. Please note, interest credits are not permitted on CHFA HomeAccess and CHFA SectionEight loans.

Please be advised that if the first payment is due on the first (1st) day of the first (1st) month following the month in which the First Mortgage Loan was closed, the Participating Lender will be required to receive the first (1st) payment prior to the loan being eligible for purchase. This may result in a delay of the loan being purchased and will be subject to applicable Funding Extension penalties being assessed in accordance with CHFA's reservation policy.

D. Valid First Lien

The First Mortgage Loan must be secured by a Deed of Trust constituting a valid first lien on the Property. The Property must be free and clear of all prior encumbrances and liens, and no rights may be outstanding that could give rise to such liens, subject only to exceptions previously approved in writing by CHFA and by the First Mortgage Loan insurer or guarantor.

E. Promissory Note, First Deed of Trust, and Riders

Each Promissory Note and First Deed of Trust must be legal, valid, and binding obligations of the Borrower, enforceable in accordance with their terms, free of any right of set-off, counterclaim, or other claim or defense. No part of the Property may have been released from the lien of the First Deed of Trust. The terms of the First Mortgage Loan must not be modified, amended, waived, or changed, except as set forth in a written modification recorded with the appropriate recording office. The Participating Lender must use the appropriate Promissory Note, First Deed of Trust, and rider documents as required by the First Mortgage Loan insurer, guarantor or investor. In the case of conventional First Mortgage Loans, the Promissory Note and First Deed of Trust must be on forms approved by Fannie Mae or Freddie Mac, as applicable.

The Participating Lender must use CHFA Form 220, Tax-exempt Financing Rider, on all Mortgage Loans originated under CHFA Tax-exempt Programs. The Rider will be attached to and recorded simultaneously with the First Deed of Trust.

The appropriate boxes on the Deed of Trust listing all required riders, including CHFA Form 220, Tax-exempt Financing Rider, shall be checked and all riders attached prior to recording.

Corrections to the Deed of Trust must be completed using CHFA Form 205, Modification of Promissory Note and Deed of Trust.

If a Participating Lender closes a Mortgage Loan at an Interest Rate lower than that which was reserved, the Participating Lender must pay the Rate Adjustment fee to permanently buy down the Interest Rate over the term of the Mortgage Loan. If the Mortgage Loan is closed at an Interest Rate higher than that which was reserved, the Participating Lender must reclose the Mortgage Loan at the correct Interest Rate before CHFA will Purchase the Mortgage Loan.

Please note:

1. If there is an initial line on any page of the Promissory Note or Deed of Trust, the line must be initialed by Borrower(s).
2. Lender Endorsement
 - a. Must be payable to Colorado Housing and Finance Authority
 - b. Must state, "Without Recourse"
 - c. Must include Lender Printed Name and match the Originating Lender on section 1 of the Note
 - d. Must include authorized signor's Signature
 - e. Must include authorized signor's Printed Name
 - f. Must include authorized signor's Printed Title
 - g. Must not be dated
 - h. Example:
PAY TO THE ORDER OF: Colorado Housing and Finance Authority
WITHOUT RECOURSE
Company Legal Name

BY: _____
Title: _____
 - i. Note endorsement must reflect the correct order of transfer of the Promissory Note

F. Mortgage Electronic Registration System (MERS)

Participating Lenders must follow MERS membership processing guidelines, contained in the MERS Procedures Manual, Release Bulletins, and Rules of Membership.

The CHFA First Mortgage Loan should be closed using a MERS as Original Mortgagee (MOM) Deed of Trust, which must be recorded in the appropriate county.

Should the Mortgage Loan be closed using a non-MOM Deed of Trust, the assignment to MERS must be executed by the Participating Lender. CHFA Form 230M, Assignment of Deed of Trust (to MERS), is available at www.chfainfo.com.

If the Mortgage Identification Number (MIN) is omitted or incorrect on the MOM Deed of Trust and/or Assignment, a Mortgagee Affidavit (available on the MERS website, www.mersinc.com) is required to add and/or correct the MIN number. The Mortgagee Affidavit, recorded in the appropriate county, is required at Final Documents.

Upon Purchase of a First Mortgage Loan by CHFA, the Participating Lender must initiate the transfer of servicing and beneficial rights in the MERS System (www.mersinc.com) within five (5) calendar days after purchase of the Loan.

CHFA's MERS OrgID number is 1008017.

G. Tax Service Fee

In connection with the purchase of each First Mortgage Loan, CHFA charges the Participating Lender a one-time real estate tax service fee. This fee may be charged to the Borrower if permitted by the applicable insurer/guarantor or Fannie Mae or Freddie Mac.

H. Escrow Payments

The First Mortgage Loan must provide for the monthly collection of escrow payments, along with the monthly payment of principal and interest. Escrow payments include those funds collected for payment of taxes, assessments, hazard insurance, HO-6 insurance (condominium unit walls-in coverage), or other insurance premiums or payments to the Mortgage Loan insurer or guarantor.

The Participating Lender must notify the Borrower that CHFA does not escrow for Homeowners Association dues. For the CHFA FHA Streamline Refinance Program, Participating Lenders must collect sufficient escrow funds to establish the escrow account for the new First Mortgage Loan. The remaining funds in the existing escrow account for the original Mortgage Loan will be refunded to the Borrower within 60 days after closing.

I. Maintenance of the Property

The Mortgage Loan documents must obligate the Borrower to maintain the Property in good repair and condition. The Property must be free from liens and encumbrances that may attain priority over the First Deed of Trust securing the First Mortgage Loan. Hazard and flood insurance must be maintained according to the requirements in this Chapter. The Participating Lender must advise the Borrower of the obligation to carry hazard insurance, and, if necessary, additional condominium insurance and flood insurance.

J. Taxes and Assessments

Taxes and assessments are payable in arrears and, and all taxes and assessments due must be paid at closing

During the Participating Lender's servicing of the Mortgage Loan prior to CHFA's purchase of the Mortgage Loan, the Participating Lender must fully service the Mortgage Loan, including, but not limited to, paying all tax and assessments due and payable.

For Mortgage Loans closed on or after January 1, the previous year's real estate taxes, which are due, must be paid.

Special assessments must be paid in full, unless otherwise authorized by CHFA in writing.

K. Private Mortgage Insurance (PMI) for Conventional Mortgage Loans

Unless provided otherwise for a particular CHFA Program, Conventional Mortgage Loans with a loan-to-value ratio greater than 80 percent must have Private Mortgage Insurance through a CHFA-approved private mortgage insurance company.

CHFA will not accept loans with "Reduced MI," "Lower-Cost MI," or "Custom MI," regardless of Automated Underwriting System (AUS) findings that allow for less coverage unless indicated on the Program Matrix. Minimum coverage amounts will be indicated on the applicable Program Matrix.

If the PMI Company's coverage requirement differs from CHFA's requirements, the higher coverage requirement shall apply. If the AUS findings allow for a lower coverage amount, the Participating Lender must rerun the AUS with the correct minimum coverage amount to ensure that the Borrower qualifies for the Mortgage Loan with the required mortgage insurance coverage rate.

It remains the Participating Lender's responsibility to ensure that the proper level of mortgage insurance coverage is in place at the time of closing a Mortgage Loan. In addition, the Participating Lender must ensure that Mortgage Insurance Certificates/Endorsements are reflected on acceptable master policy forms as required by the Fannie Mae Selling Guide and Freddie Mac Seller/Servicer Guide, as applicable. For acceptable master policy forms, refer to the Fannie Mae Approved MI Forms List and the Freddie Mac Approved MI Exhibit.

CHFA will either decline to Purchase or will initiate Repurchase for any Mortgage Loan that does not have a valid mortgage insurance certificate, or where the Borrower did not qualify for the Mortgage Loan with the required mortgage insurance coverage.

L. Mortgage Insurance Premiums

The Participating Lender is responsible for remitting the initial or upfront mortgage insurance premium to the mortgage insurer or guarantor. The Participating Lender is also responsible for remitting any monthly mortgage insurance premiums due to the insurer or guarantor until the Mortgage Loan is Purchased and being serviced by CHFA. CHFA will not reconcile any monthly mortgage insurance premiums paid to the insurer or guarantor by the Participating Lender unless the Participating Lender requests the reconciliation within 30 days after the Purchase date.

M. Life of Loan Flood Determination

Participating Lenders must order a life of loan flood determination and transfer the certificate to CHFA after Purchase. A copy of the transfer request must be provided to CHFA. CHFA-approved flood determination providers are available on CHFA's website at www.chfainfo.com.

N. Rescission

New First Mortgage Loans in the CHFA FHA Streamline Refinance Program, the CHFA Advantage Refinance Program, and the CHFA Preferred Refinance Program are subject to applicable regulatory and other legal requirements relating to lender disclosures and consumer rights including, but not limited to, the Right of Rescission, as defined by the federal Truth in Lending Act and Regulation Z. Participating Lenders must comply with all such requirements.

section 602: chfa refinance programs

Prior to scheduling a Loan Closing, the Participating Lender must request a payoff of the existing CHFA First Mortgage Loan. If, as part of the refinance transaction, a CHFA Second Mortgage is being subordinated, then to ensure that the CHFA Second Mortgage Unpaid Principal Balance is not included in the payoff, the Participating Lender must clearly note that the payoff is for the CHFA First Mortgage **only** through the CHFA Refinance program, specifying the applicable program name.

The Payoff Request must include:

- The Borrower's name and property address
- The payoff effective date
- The Borrower's existing CHFA First Mortgage Loan and CHFA Second Mortgage Loan numbers

Payoff Request forms are available on CHFA's website or in HomeConnection. Payoff Requests may be emailed to CHFApayoff@DMlcorp.com, or faxed to 847.574.7512.

The Participating Lender can obtain the Subordination Agreement, CHFA Form 724, via HomeConnection. The Subordination Agreement must be properly completed and submitted to CHFA with the Mortgage Loan file for Program Compliance Review. If accurate and the eligibility criteria are met, CHFA will execute the Subordination Agreement and return the original document to the Participating Lender, or its designee, via US Postal Service mail delivery. Participating Lenders may request expedited delivery by providing a prepaid shipping label. Refer to Chapter 3, Programs, for more information about this program.

General CHFA DPA Grant requirements can be found in Section 304.A of this Seller's Guide.

The CHFA DPA Grant is only available on specified loan programs denoted with a "Plus" in the program name. CHFA DPA Grants are not available for refinance programs. CHFA First Mortgage Loans for which a CHFA DPA Grant is provided may be combined with a Mortgage Credit Certificate (MCC).

B. DPA Grant Award Letter

CHFA will issue a DPA Letter on CHFA Form 504, Down Payment Assistance Grant Award Letter (FHA-insured loans), or CHFA Form 505, Down Payment Assistance Grant Award Letter (loans not FHA-insured), to the Participating Lender at the time of Program Compliance Approval.

General Second Mortgage Loan requirements can be found in Section 304.B of this Seller's Guide.

The CHFA DPA Second Mortgage Loan is only available on specified loan programs denoted with a "Plus" in the program name. CHFA DPA Second Mortgage Loans are not available for refinance programs. Except for the FirstStep Program, CHFA First Mortgage Loans for which a CHFA DPA Second Mortgage Loan is provided may be combined with a Mortgage Credit Certificate (MCC)

B. CHFA DPA Second Mortgage Loan Award Letter

CHFA shall issue a DPA Letter on CHFA Form 367 to the Participating Lender for a CHFA DPA Second Mortgage Loan, provided such loan has been approved by CHFA to be closed in CHFA's name and delivered to CHFA in connection with the closing and delivery to CHFA of a related First Mortgage Loan. If a DPA Letter is issued, CHFA shall send it to the Participating Lender with the Mortgage Loan's compliance approval letter. The Participating Lender shall obtain the signature of each of the Borrower(s) on the DPA Letter at or prior to closing, returning a copy of the executed letter in the Purchase file submitted to CHFA.

C. Mortgage Loan Amount

The maximum CHFA DPA Second Mortgage Loan amount cannot exceed 5 percent of the associated total CHFA First Mortgage Loan amount. The full principal amount of the CHFA DPA Second Mortgage Loan must have been advanced to the Borrower or advanced in accordance with the direction of the Borrower prior to the Purchase of the CHFA DPA Second Mortgage Loan by CHFA. The full amount of the CHFA DPA Second Mortgage Loan must be as represented by the Participating Lender to CHFA and must be fully secured by the Second Deed of Trust.

D. Valid Second Lien

The CHFA DPA Second Mortgage Loan must list CHFA as the mortgagee and be secured by a CHFA Second Deed of Trust constituting a valid second lien on the Property. The Property must be free and clear of all prior encumbrances and liens except the CHFA First Mortgage Loan, and no rights may be outstanding that could give rise to such liens, subject only to exceptions previously approved in writing by CHFA and by the First Mortgage Loan insurer or guarantor.

E. CHFA Form 305, CHFA Second Mortgage Loan Promissory Note, and CHFA Form 310, CHFA Second Mortgage Loan Deed of Trust

Each Promissory Note and Second Deed of Trust must be legal, valid, and binding obligations of the Borrower, enforceable in accordance with their terms, free of any right of set-off, counterclaim, or other claim or defense. No part of the Property may have been released from the lien of the Second Deed of Trust. The terms of the CHFA DPA Second Mortgage Loan must not be modified, amended, waived, or changed, except as set forth in a written modification recorded with the appropriate recording office.

F. Disclosures

CHFA relies on its Participating Lenders to comply with any and all applicable legal and regulatory disclosure requirements. As such, Participating Lenders should follow their company's compliance and/or legal guidelines regarding TRID and RESPA. If a Mortgage Loan is for any reason found not to be in compliance with such disclosure requirements, it may be subject to Repurchase.

CHFA will rely on Participating Lenders to determine the required disclosures and disclosure contents under the TILA-RESPA Integrated Disclosure Rule (TRID) and RESPA. Generally, the TRID Amendment provides lenders the option to use the TRID Disclosures (Loan Estimate and Closing Disclosure) for DPA Loans which meet the partial exemption criteria under 12 CFR 1026.3(h). Federally related mortgage loans not subject to the TILA disclosure requirements in 12 CFR §1026.19(e), (f), and (g) must continue to provide the RESPA disclosures where the partial exemption criteria in 12 CFR §1026.3(h) is not satisfied. Lenders should follow their company's compliance and/or legal guidelines regarding the disclosure requirements under TRID and RESPA.

CHFA has provided a Loan Estimate (CHFA Form 376), Closing Disclosure (CHFA Form 377), Good Faith Estimate (CHFA Form 335A) and HUD-1 Settlement Statement (CHFA Form 335B) on its website as a courtesy for Participating Lenders unable to generate disclosures through their own systems. These forms are made available for our Participating Lenders to use at their own discretion. CHFA makes no representation or warranty as to the accuracy of the content of these forms, including whether they meet regulatory requirements. By using these forms, the Participating Lender acknowledges that CHFA and its employees assume no responsibility for, and the Participating Lender will hold CHFA and its employees harmless from, any claims or expenses that may be related to or arise from use of these forms. CHFA will rely on its Participating Lenders to comply with TILA-RESPA Integrated Disclosure Rule (TRID) requirements. Participating Lenders should consult their compliance and/or legal departments for guidance to ensure any loan sold to CHFA meets those requirements.

section 605: chfa homeaccess second mortgage loan

General Second Mortgage Loan requirements can be found in Section 304.C of this Seller's Guide. The following requirements are applicable to CHFA HomeAccess Second Mortgage Loans.

D. CHFA Form 305H, HomeAccess Second Mortgage Loan Promissory Note, and CHFA Form 311H, HomeAccess Second Mortgage Loan Deed of Trust

Each Promissory Note and Second Deed of Trust must be legal, valid, and binding obligations of the Borrower, enforceable in accordance with their terms, free of any right of set-off, counterclaim, or other claim or defense. No part of the Property may have been released from the lien of the Second Deed of Trust. The terms of the CHFA HomeAccess Second Mortgage Loan must not be modified, amended, waived, or changed, except as set forth in a written modification signed by CHFA and recorded with the appropriate county recording office.

The Participating Lender must close the CHFA HomeAccess Second Mortgage Loan in CHFA's name, and must ensure that all documents executed in connection with any CHFA HomeAccess Second Mortgage Loan comply with applicable State and Federal law and regulations.

The Participating Lender must direct the closing agent to send the executed deed(s) of trust for recording and return the completed CHFA HomeAccess Second Mortgage Loan documents to CHFA.

F. CHFA HomeAccess Second Mortgage Loan Loan Estimate and CHFA HomeAccess Second Mortgage Loan Closing Disclosure

CHFA relies on its Participating Lenders to comply with any and all applicable legal and regulatory disclosure requirements. As such, Participating Lenders should follow their company's compliance and/or legal guidelines regarding the TILA-RESPA Integrated Disclosure Rule. If a Mortgage Loan is for any reason found not to be in compliance with such disclosure requirements, it may be subject to Repurchase.

CHFA believes the TILA-RESPA Integrated Disclosure (TRID) forms are appropriate for CHFA DPA HomeAccess second mortgage loans. A Loan Estimate and Closing Disclosure must be issued by the Participating Lender in CHFA's name in accordance with the TILA-RESPA Integrated Disclosure Rule.

CHFA has provided a Loan Estimate (CHFA Form 381) and Closing Disclosure (CHFA Form 382) form on its website as a courtesy for Participating Lenders unable to generate disclosures through their own systems. These forms are made available for our Participating Lenders to use at their own discretion. CHFA makes no representation or warranty as to the accuracy of the content of these forms, including whether they meet regulatory requirements. By using these forms, the Participating Lender acknowledges that CHFA and its employees assume no responsibility for, and that the Participating Lender will hold CHFA and its employees harmless from, any claims or expenses that may be related to or arise from use of these forms.

section 606: title insurance requirements

The First Mortgage Loan must be insured by a title insurance policy, the benefits of which must inure to CHFA. A Short Form Residential Loan Policy (Revised 06.16.07) is required unless it is not available from the title insurance company. If not available, a full policy (ALTA Loan Policy 06.17.06) must be provided. The Policy must be received by CHFA within 90 days after Purchase. The title insurance policy must be issued by a title insurance company acceptable to the First Mortgage Loan insurer or guarantor or, in the case of insured conventional First Mortgage Loans, acceptable to Fannie Mae or Freddie Mac, and/or CHFA. The title evidence must insure that the title is acceptable and that the First Mortgage Loan constitutes a first lien on a fee simple or, in the case of Land Trusts, a leasehold estate. Title insurance is also required for any CHFA HomeAccess Second Mortgage Loan. However, standard endorsements are not required for the HomeAccess Second Mortgage Loan title insurance.

The Title Policy must include all required endorsements. If the final policy is not a Short Form Residential Loan Policy, then a policy jacket must be included.

A. Insured

The name of the insured must be the name of the Participating Lender, its successors, and/or assigns.

B. Effective Date and Recording Date

1. Short Form Policy

- a. The Date of Policy should be no earlier than the date and time of recording of the First Deed of Trust, unless the Short Form Title Policy also includes language stating: "or the date of recording, whichever is later."
- b. When the Short Form Title policy does not have the language stating: "...or the date of recording, whichever is later," then the Date of Policy, or the Effective Date of the Policy, must be no earlier than the date and time of recording of the First Deed of Trust. If the Deed of Trust is rerecorded then the Date of Policy, or the Effective Date of the Policy, must be no earlier than the date and time of the rerecording of the First Deed of Trust.

2. Long Form Policy

- a. The Date of Policy or the Effective Date of the Policy must be no earlier than the date and time of recording of the First Deed of Trust. If the Deed of Trust is rerecorded then the Date of Policy, or the Effective Date of the Policy, must be no earlier than the date and time of the rerecording of the First Deed of Trust.

C. Amount of Coverage

The amount of the title insurance policy must be at least equal to the Loan amount.

D. Prior Liens and Encumbrances

The title to the Property must be good and merchantable, and free and clear of all liens and encumbrances prior to the First Deed of Trust, except those permitted by CHFA, the Mortgage Loan insurer, guarantor, or, for a conventional insured Mortgage Loan, Fannie Mae or Freddie Mac.

E. Location Endorsement

Location endorsements are required for all Mortgage Loans. The title insurance policy must include a Colorado Form 100, or its equivalent, for all properties except for Condominium units, which require a Form 115.1, and Planned Unit Developments (PUDs), which require a Form 115.2 or its equivalent.

F. Environmental Protection Lien Endorsement

Environmental protection lien endorsements are required for all Mortgage Loans. ALTA Form 8.1 endorsement provides the required coverage.

G. Other Endorsements

Other required endorsements include those required by the Mortgage Loan insurer or guarantor, or for a conventional First Mortgage Loan, all endorsements as required by Fannie Mae or Freddie Mac. These include, but are not limited to:

1. Date Down: When the Deed of Trust is rerecorded, an endorsement showing the succession of title and bringing the date of the policy to the date of rerecording is required.

3. PUD (Planned Unit Development) Project: a Colorado Form 115.2 endorsement or its equivalent is required
4. Mineral Reservations: Colorado Form 100.29 or 100.30 endorsement or its equivalent is required if the Title Policy reflects severed mineral rights. The Alta Endorsement 9-06 is an acceptable substitution for the 100.29 or 100.30.
5. Manufactured Housing: An ALTA Form 7 endorsement or equivalent containing the following language: "The term 'Land' as defined in this policy includes the manufactured housing unit located on the land at the date of policy."

H. Unacceptable Title Exceptions

1. Real Estate taxes must be shown as being current, or as being taxes not yet due and payable.
2. Survey exceptions are not acceptable unless the Title Company insures over the exceptions by a Form 103.2 or 103.3 endorsement, or its equivalent, and the encroachments do not violate the requirements of the Mortgage Loan insurer, guarantor, or investor.
3. Other minor impediments to the title are acceptable to CHFA only if:
 - a. The Participating Lender warrants that they do not materially affect the marketability of the Property and agrees to indemnify CHFA, and its assigns, if a loss is later incurred that relates directly to the impediment; and
 - b. The impediments are acceptable to the Mortgage Loan insurer, guarantor, or investor, or for a conventional First Mortgage Loan, to Fannie Mae or Freddie Mac. The Participating Lender must identify the impediment and provide the warranty and indemnity prior to closing.

The premiums for the HO-6 are paid by the Borrower and must be included in the amount escrowed.

If the loan is still within the original 60-day Delivery Period, the Lender may request a one-time 30-day extension with the reserved interest rate for a fee of thirty-five one-hundredths of one percent (0.35%) of the OPB. This fee may be paid by the Borrower, Lender, or Seller of the Property and will be deducted in the CHFA purchase advice.

Accrued interest is due to the Participating Lender if the Borrower has paid interest through a date past the Purchase date; accrued interest is due to CHFA if the Borrower has not paid interest to the Purchase date.

The CHFA DPA Second Mortgage Loan and CHFA HomeAccess Second Mortgage Loan have a zero percent (0%) interest rate, and interest does not accrue.

21. MERS Registration Fee. If the Participating Lender is not a MERS Lender, the standard MERS Registration fee will be assessed at the time of Purchase.
22. Non-metro Premium. A premium paid to a Participating Lender for a Mortgage Loan in a Non-metro Area. The Rate Adjustment Fee will equal the cost to buy down the Reserved Interest Rate to the Note Interest Rate over the term of the Mortgage Loan.
26. Servicing Release Premium. A Servicing Release Premium will be paid to the Participating Lender on all First Mortgage Loans. The premium is calculated based on the UPB on the Purchase Advice. The Servicing Release Premium is calculated at 1.5 percent. See the applicable Program Matrix for additional Servicing Release Premium(s).

section 610: purchase reconciliations

Requests for a reconciliation of the Purchase Advice must include supporting documentation, such as a pay history, proof of payment, etc. CHFA will research all reconciliations against the Purchase Advice and payment history. If the Participating Lender makes a duplicate payment of any escrow amounts, the Participating Lender should contact the payee to request a refund. If the refund has been sent to CHFA, CHFA will reimburse the Participating Lender after receipt of the refund. If the Participating Lender pays a mortgage insurance premium that CHFA has also paid, CHFA will not refund the Participating Lender until CHFA receives a refund or is not billed for a month of mortgage insurance. CHFA must have proof of reimbursement for the duplicate payment before a refund will be sent to the Participating Lender.

CHFA requires a separate reconciliation for each Mortgage Loan. CHFA is unable to accommodate bulk reconciliations. All reconciliation requests must be submitted to CHFA via email at reconciliations@chfainfo.com within 30 days of Purchase.

At no time should a Participating Lender use a payment received from a Borrower in error as reconciliation for amounts due from CHFA. Any Mortgage Loan payments due CHFA should be forwarded directly to CHFA in their entirety.

section 611: purchase delivery procedures

A. General Purchase Delivery Procedures

Mortgage Loans must be delivered to CHFA for Purchase within 10 days after the Closing Date. Additionally, if a Mortgage Loan is not Purchased by CHFA prior to Reservation Expiration, CHFA may decline to Purchase the Mortgage Loan. In the event the Participating Lender has accepted four (4) or more payments from the Borrower, CHFA may charge a fee upon purchase.

If a Mortgage Loan is closed and not delivered to CHFA, the Participating Lender may be charged a Cancellation Fee.

See Chapter 4, Reservation, for further details about Reservation Expiration and applicable extension, fees, and penalties.

Purchase delivery procedures are the same as those for Program Compliance delivery, except where otherwise noted in this chapter. When submitting a file, lenders have the option of delivering either a paper file or an electronic file. If submitting an electronic file, lenders must use CHFA's electronic loan document delivery system, which can be accessed via HomeConnection. Instructions for utilizing this system are available on CHFA's website at www.chfainfo.com.

If submitting a paper file, Lenders should remove all staples and secure the file with a binder clip or rubber bands. Do not hole punch documents. Paper files should be sent to: Colorado Housing and Finance Authority, 1981 Blake Street, Denver, CO 80202.

1. Purchase Documents

To enable CHFA to Purchase a Mortgage Loan, the Participating Lender must deliver specific documents to CHFA within the Delivery Period. Should any of the required documents be omitted from the Purchase package, for the First Mortgage Loan and/or the CHFA HomeAccess Second Mortgage Loan, the Mortgage Loan(s) will be suspended for Purchase and a fee will be assessed, if not cleared for Purchase within 10 days after the date of suspension.

Each Program has a checklist, available at www.chfainfo.com, which lists all of the documents necessary for Purchase.

For all loans, discrepancies in the payment history provided by a Participating Lender related to the borrower escrow account may result in a loan being suspended by CHFA. CHFA validates that the initial escrows from the Closing Disclosure are reflected on the payment history, and that all monthly mortgage insurance premium(s) due have been paid. Loans lacking evidence of compliance with CHFA's interim servicing requirements will be suspended until an updated payment history confirming such compliance is provided.

The Participating Lender must also send proof of activation of private mortgage insurance on all Conventional loans utilizing mortgage insurance. For FHA loans, Participating Lenders must provide the FHA Case Details Results evidencing payment of all required monthly mortgage insurance premiums due, and any late fees, if applicable. If the Participating Lender has received borrower payments, CHFA will require this documentation prior to purchase. If the Participating Lender will be receiving a payment after purchase by CHFA, the FHA Case Details Results will be required for CHFA's Final Documents review.

Any required principal reductions must be reflected in the payment history provided to CHFA prior to purchase.

2. Servicing Deadline

CHFA will Purchase the Mortgage Loan from the Participating Lender and accept the next month's Mortgage Loan payment, if the Participating Lender submits the Mortgage Loan to CHFA, and CHFA has approved the loan for Purchase by the Servicing Transfer Deadline. See Chapter 8, Servicing, for Servicing Deadline details. Any Loans approved for Purchase after the Servicing Transfer Deadline will be Purchased on the projected Unpaid Principal Balance (UPB), and the Participating Lender will be responsible for continuing to service the loan and accepting the next Mortgage Loan payment(s).

Failure to timely deliver the documents may result in the imposition of a Loan Delivery Extension Penalty and/or a Funding Extension Penalty, or CHFA declining to Purchase the Mortgage Loan.

B. CHFA HomeAccess and CHFA SectionEight Homeownership Purchase Delivery Procedures

1. General Purchase Information

Mortgage Loans in the CHFA HomeAccess and CHFA SectionEight Homeownership Programs are purchased differently than other Loans. Fewer documents are submitted in the Pre-funding package within 10 days after the Closing Date, with the remaining required documents submitted in a Post-funding package prior to Reservation Expiration. This process has several advantages to the Borrower, the Participating Lender, and to CHFA, including:

- a. Eliminating confusion to the Borrower about where to send mortgage payments as CHFA will accept the first payment from the Borrower;
- b. Reducing the possibility of lost payments;
- c. Preventing the need to transfer the Loss Payee on Hazard Insurance from the Participating Lender to CHFA, as CHFA will be the original Loss Payee on all Hazard Insurance policies;
- d. Eliminating mortgage insurance premium payment penalties while Mortgage Loans are in the process of being Purchased by CHFA; and
- e. Eliminating the need for Participating Lenders to set up the Mortgage Loan for servicing.

2. Pre-funding Package

To enable CHFA to Purchase a Mortgage Loan in time to accept the First Mortgage Loan payment, the Participating Lender must deliver specific documents to CHFA both within the Reservation period and within 10 days after the Mortgage Loan Closing Date.

If the Pre-funding file is not received within 10 calendar days after the Mortgage Loan Closing Date, CHFA may decline to Purchase the First Mortgage Loan.

CHFA will only Purchase those Mortgage Loans that have been Credit Reviewed, approved, and in its judgment appear to be in all respects, a prudent investment.

If the Purchase of the First Mortgage Loan is declined by CHFA, any CHFA Second Mortgage Loan may not be acquired by CHFA, and may be assigned to the Participating Lender.

CHFA Form 702A, CHFA HomeAccess and CHFA SectionEight Homeownership Programs Purchase Pre-funding Submission Voucher, is available on the website at www.chfainfo.com, listing all of the documents necessary for Purchase.

Upon Purchase, CHFA will order the monthly payment statements to be sent to the Borrower or set up automatic drafting (APP) for monthly payments from the Borrower's account. CHFA will begin collecting payments from the Borrower effective with the first payment. To avoid any delay in the Borrower receiving the payment statement, it is very important for the Participating Lender to ensure that the Closing Disclosure has the Borrower's mailing address.

Failure to timely deliver the Pre-funding documents may result in CHFA's inability to Purchase the Mortgage Loan(s). If a Participating Lender sends in a complete Purchase package containing both Pre-funding and Post-funding documents, the loan may be eligible for full funding, provided the Post-funding package is complete and approved no later than 10 days after the Closing Date.

The Participating Lender is responsible for promptly filing any applicable lender record change notification with the applicable insurer or guarantor, naming CHFA as holder, and naming Dovenmuehle Mortgage, Inc. (DMI) as subservicer under a contractual agreement

with CHFA.

3. Post-funding Package

The Participating Lender must deliver all required documents to CHFA prior to the Reservation Expiration. CHFA HomeAccess Second Mortgage Loan, CHFA SectionEight Homeownership, and CHFA SectionEight Homeownership Plus documents should be included in a separate folder. Failure to comply with the timely delivery of the Post-funding package may result in Repurchase of the First Mortgage Loan and assignment of the CHFA HomeAccess Second Mortgage Loan.

Should any of the required documents for the First Mortgage Loan and/or the CHFA HomeAccess Second Mortgage Loan be omitted from the Post-funding package, the Mortgage Loan(s) will be suspended. A Suspension Penalty of one quarter of one percent (0.25%) of the OPB of the First Mortgage Loan will be charged for any Purchase that is suspended due to missing, incorrect, or incomplete information and is not corrected within 10 days of suspension. If a Mortgage Loan is suspended for Post-funding for more than 10 days, an email will be sent to the Participating Lender's Branch Manager requesting the suspension be cleared immediately or the file may be returned. The email will stipulate a deadline for submitting all documents to clear the suspension. Sending to CHFA one document at a time will not extend the deadline for clearing the suspended file.

section 612: purchase review

CHFA will review the Purchase package for completeness and accuracy prior to the Purchase of the Mortgage Loan. CHFA reserves the right to decline to purchase any Mortgage Loan that does not comply with the terms, conditions, and requirements of the Mortgage Purchase Agreement and this Guide. If the Purchase package is complete and satisfies the Purchase conditions, the Mortgage Loan will be approved for Purchase and Purchased at the next available funding date. Any applicable documents for CHFA HomeAccess and CHFA SectionEight Homeownership Program Loans that are not required for Purchase but are required to complete the Mortgage Loan, must be submitted within 30 days after Purchase to avoid a Post-funding Penalty.

Any Mortgage Loan suspended for Purchase will be subject to additional penalties. See Chapter 4, Reservation. If a suspended loan is not cleared and approved for Purchase by close of business (5:00pm MT) 10 days after the date of the original suspense letter, a suspension penalty of one quarter of one percent (0.25%) of the OPB will be assessed and deducted from the Purchase Advice upon funding. The suspension penalty will only be assessed one time on each loan not approved for Purchase.

If CHFA declines to Purchase a Mortgage Loan, the Loan may be resubmitted to CHFA for re-review within the Funding Period.

If Reservation Expiration occurs while the Mortgage Loan is suspended for Purchase, CHFA may decline to Purchase the Mortgage Loan. Refer to Chapter 4, Reservations.

CHFA will acquire a CHFA HomeAccess Second Mortgage Loan as outlined in the Mortgage Purchase Agreement and in this Guide.

The Participating Lender may access HomeConnection to check the status of Mortgage Loans submitted to CHFA for Purchase. CHFA will also notify Participating Lenders in writing of the status of all Mortgage Loans that were submitted and reviewed for Purchase.

section 613: obligation to repurchase

A. Repurchase Amount Determination

The Participating Lender must Repurchase any Mortgage Loan Purchased by CHFA, in accordance with the Mortgage Purchase Agreement, for an amount equal to:

1. The unpaid principal balance of, plus accrued interest on, the Mortgage Loan;
2. The aggregate amount of any advances made by CHFA for the account of the Borrower and interest thereon at the Interest Rate;
3. The Servicing Release Premium and any other fee or premium paid by CHFA to the Participating Lender, if any;
4. The CHFA DPA Grant or CHFA DPA Second Mortgage Loan amount, if any (may be subject to exception, as determined by CHFA, such as for compliance with any applicable FHA down payment assistance mandates); and
5. Any attorney's fees, legal expenses, court costs, or other expenses which may have been incurred or expended by or on behalf of CHFA in connection with the Mortgage Loan and interest thereon at the Interest Rate, upon notice by CHFA.

B. Reasons for Required Repurchase

A Mortgage Loan is subject to Repurchase as provided in the Mortgage Purchase Agreement, including if:

1. The Participating Lender fails to deliver to CHFA any FHA, VA, HUD, RD-USDA, or private mortgage insurance Mortgage Insurance Certificate or Guaranty Certificate with respect to any First Mortgage Loan sold and delivered to CHFA pursuant to this Guide.
2. The Participating Lender enters into an indemnification agreement with an insurer or guarantor, or Fannie Mae or Freddie Mac, whereby the underlying insurance of a Mortgage Loan sold to CHFA is no longer in effect. A Participating Lender must notify CHFA immediately upon execution of any such indemnification agreement with an insurer or guarantor, or Fannie Mae or Freddie Mac.
3. The Participating Lender fails to deliver any documents required by the Guide or pursuant to any condition of Purchase by CHFA, all in form and substance as required by CHFA or by State and Federal statutes and regulations, and satisfactory to CHFA in its sole discretion, within the period provided in this Guide.
4. It is determined, at any time, that any representation made by the Participating Lender with respect to the Mortgage Loan was untrue when made (including any information specified in this Guide with respect to such Mortgage Loan), or any warranty or term in the Mortgage Purchase Agreement or in this Guide has been breached. The Participating Lender agrees that any such determination shall be final and conclusive for all purposes between the parties.
5. There was an occurrence of fraud, violation of the Participating Lender's duties under the Mortgage Purchase Agreement or with respect to origination of the Mortgage Loan, or violation of the Participating Lender's Representations and Warranties.

6. It is determined, at any time, that:
 - a. Any material representation made by the Borrower with respect to the Mortgage Loan was untrue when made or a misstatement by the Borrower of a material fact relating to such Mortgage Loan exists in any of the documents delivered pursuant to this Guide;
 - b. Such misrepresentation or misstatement is one which the Participating Lender reasonably should have discovered by the exercise of due diligence in originating such Mortgage Loan; and
 - c. CHFA has suffered or is threatened with a material loss or detriment by reason of such misrepresentation or misstatement.
7. CHFA is required to Repurchase a Mortgage Loan for underwriting or compliance deficiencies, fraud, or misrepresentation related to the origination of the Mortgage Loan.
8. It is determined, at any time, through CHFA's quality assurance review process or otherwise that there are material underwriting or compliance deficiencies, or that the Mortgage Loan was originated based on fraud or misrepresentation.

A. Repurchase Process

1. Any Repurchase by the Participating Lender must take place on such date as CHFA may specify in its notice to the Participating Lender of the occurrence of one or more of the foregoing events. Upon Repurchase, CHFA shall transfer the Mortgage Loan servicing rights to the Participating Lender and reassign its interest in all appropriate Mortgage Loan documents, without recourse, including, without limitation, any insurance thereon or with respect thereto, to the Participating Lender, and to the extent permitted by law, will hold the Participating Lender harmless from any loss resulting from any action taken by CHFA which has impaired the mortgage lien.
2. In the event that the Participating Lender is required to Repurchase the First Mortgage Loan, the Participating Lender will also be required to purchase the related CHFA Second Mortgage Loan, subject to certain exceptions, including an exception for compliance with FHA secondary financing mandates. Upon Repurchase, CHFA agrees to promptly endorse the note and assign the deed of trust securing both the First Mortgage Loan and Second Mortgage Loan to the Participating Lender.

B. Rights and Obligations

1. The Participating Lender agrees to indemnify CHFA and hold CHFA harmless from any loss, damage, and expenses that CHFA may sustain as a result of the occurrence of any of the events constituting an obligation for Repurchase under the Mortgage Purchase Agreement. In addition to any other remedies available to CHFA, the Participating Lender agrees that, if CHFA is unable or delayed in its ability to require a Repurchase or indemnification due to applicable insurer, guarantor or investor restrictions, Participating Lender will, upon CHFA's request, enter into an indemnification agreement or tolling agreement to preserve CHFA's rights under the Mortgage Purchase Agreement or this Guide to address the violation(s).
2. Should CHFA have to take action to enforce its right to require Repurchase of a Mortgage Loan, the Participating Lender also will be liable to CHFA for attorney's fees and costs, administrative costs, and any related expenses, as well as for any applicable consequential damages.

3. The Repurchase liability period for the Participating Lender shall not exceed 180 days after Purchase, with the exception of instances of fraud, misrepresentation, incomplete documentation, underwriting or origination irregularities, the requirement that CHFA must repurchase the Mortgage Loan as described in paragraph B.6 above, violation of the Participating Lender's duties, or violation of Representations and Warranties. CHFA agrees that it will not make future changes to this Guide related to the Participating Lender's obligations to Repurchase a Mortgage Loan that will have retroactive effect without the acknowledgement of the Participating Lender's Chief Financial Officer or Chief Executive Officer.
4. In the event that the Participating Lender has failed to observe or perform its obligations to Repurchase a loan, CHFA may suspend the right of the Participating Lender to make a Reservation or sell Mortgage Loans to CHFA for a period of time to allow the Participating Lender to cure its deficiency. Such a suspension is strictly within the sole discretion of CHFA.

Further rights and obligations concerning Repurchase are set forth in the Mortgage Purchase Agreement.

section 614: repurchase and assignment of servicing for chfa homeaccess and chfa sectioneight homeownership mortgage loans

CHFA HomeAccess and CHFA SectionEight Homeownership Mortgage Loans must be Post-funding approved by CHFA within the 60-day Reservation Period. Failure to comply with the timely delivery of the Post-funding package may result in Repurchase of the First Mortgage Loan, and the transfer of servicing to the Participating Lender

If CHFA transfers servicing to the Participating Lender, CHFA will provide written notice to the Participating Lender. The transfer of the servicing by CHFA to the Participating Lender shall be effective on the date specified by CHFA in its notice to the Participating Lender. CHFA will remit all payments received less any sums advanced by CHFA, including escrow advances. CHFA will provide servicing transferor notice of the servicing transfer to the Borrower and provide a payment history and fee breakdown to the Participating Lender. The Participating Lender shall be responsible for transferee notice of the servicing transfer and notice of the assignment of the loan.

section 615: early payoffs

If a Mortgage Loan is refinanced (excluding through one of CHFA's refinancing programs) or paid in full within 180 days of purchase by CHFA, then upon notice by CHFA, the Participating Lender must reimburse CHFA for all lender premiums paid by CHFA to the Participating Lender in connection with the Mortgage Loan. Reimbursement is due regardless of whether the Participating Lender had any direct or indirect influence or involvement in promoting or soliciting such refinancing.

chapter 7

final document procedures

section 700: final document delivery

CHFA requires a complete Mortgage Loan file to comply with FHA, VA, RD, Fannie Mae, Freddie Mac, and other investor regulations and requirements. When CHFA Purchases a Mortgage Loan, many of the required forms and documents are not available for submission by the Participating Lender. Therefore, these forms and documents must be submitted as final documents after CHFA purchases the Mortgage Loan.

A. Time Frame

Required forms and documents must be delivered to CHFA within 90 days after the First Mortgage Loan Purchase Date, unless an earlier date is required, as set forth below. Failure to deliver within 120 days after Purchase will result in a \$150 Late Document Fee being charged to the Participating Lender. Unless previously approved for an extension by the Manager, Home Finance Funding/Final Documents, CHFA may, in its sole discretion, begin the Repurchase process if all required forms and documents are not submitted within 150 days after Loan Purchase. See Chapter 8, Servicing, of this Guide for Repurchase details.

The following required documents have specific time frame requirements:

1. Mortgage Electronic Registration Systems (MERS) Members must register the Mortgage Identification Number (MIN) in the MERS system prior to CHFA purchasing the loan.
2. Mortgage Electronic Registration Systems (MERS) Mortgage Identification Number (MIN) complete a TOS/TOB transfer using a transfer date within the five (5) days of Purchase.
3. The Mortgage Insurance Certificate (MIC) must be delivered to CHFA within 30 days after Purchase.

For FHA-insured loans, the Participating Lender is responsible for all Monthly Mortgage Insurance premiums for payments they accept, prior to the first payment due CHFA after purchase. The Participating Lender must transfer the holder to CHFA (05366) and transfer the servicer to Dovenmuehle (11303) after the have made all required monthly Mortgage Insurance Premium payments in FHA Connection

B. Documents

The Final Document Review Submission Checklist, CHFA Form 738, available at www.chfainfo.com, lists all final documents required by CHFA. Participating Lenders should pay particular attention to whether or not an original document is required or if a copy is acceptable.

Participating Lenders should forward documents to CHFA upon receipt; it is not necessary to submit all documents at one time. If the required documents are not received in a timely manner by CHFA, CHFA will contact the Participating Lender's Final Documents department to determine what actions can be taken to resolve the delayed delivery of the final documents. This may include CHFA contacting Title Companies, Borrowers, and county recording offices. Should CHFA and the Participating Lender agree that this is the most efficient solution, the Participating Lender will reimburse CHFA for all fees and costs associated with these efforts.

Should CHFA and/or the Participating Lender not choose this option, and the outstanding documents are not received by CHFA promptly, the Mortgage Loan may, in CHFA's sole discretion, be subject to Repurchase.

CHFA Form 205, Modification of Note and/or Deed of Trust – Lenders are encouraged to send any required Modification documents to their designated CHFA Final Documents contact for review prior to executing and/or recording.

C. Escrow Closeout Requirements

Closeout requirements for escrow repairs and FHA 203(k) loans must follow applicable insurer/guarantor and Fannie Mae or Freddie Mac guidelines, including providing all required documentation. CHFA, as required by such guidelines, must receive proof that the repairs have been completed, and CHFA will verify disbursement of funds. The FHA Connection Escrow Closeout Certification will be required for all 203(k) loans.

chapter 8

servicing

section 800: purchase of mortgage loan and the servicing transfer deadline

CHFA, as Master Servicer, services Mortgage Loans Purchased by CHFA, and other loans for which CHFA has a separate servicing agreement. CHFA uses a subservicer, Dovenmuehle Mortgage, Inc. (DMI).

A. Servicing Transfer

CHFA will Purchase Mortgage Loans from a Participating Lender and accept the next month's Mortgage Loan payments if the Participating Lender submits the Mortgage Loan to CHFA and CHFA has approved the loan for Purchase by the Servicing Transfer Deadline (see table below). If the Participating Lender intends to have CHFA accept the first payment on the Mortgage Loan, the Participating Lender must submit the Mortgage Loan to CHFA and have it approved for Purchase before the Servicing Transfer Deadline for the first payment.

In accordance with the Real Estate Settlement Procedures Act (RESPA) and Regulation X, the Servicing Transfer Deadline is 15 days prior to the due date of the first payment to be accepted by CHFA, which will be the effective date of the of the servicing transfer. Any loans approved for Purchase after the Servicing Transfer Deadline will be Purchased on the projected Unpaid Principal Balance (UPB), and the Participating Lender will be responsible for continuing to service the loan, including accepting the next Mortgage Loan payment(s). In accordance with CHFA's Reservation requirements, CHFA must Purchase the Mortgage Loan(s) prior to Reservation Expiration. See Chapter 4, Reservation.

CHFA will Purchase most loans based upon the current UPB or the scheduled amortized balance, depending upon the funding date. Refer to the Program Matrices for specific Purchase information, or Chapter 6, Purchase Procedures. If a Participating Lender is expecting to receive the next Mortgage Loan payment(s), the scheduled amortized balance will be used by CHFA to determine the funding amount. Any premiums paid to a Participating Lender will be calculated as described in Chapter 6, Loan Purchase Procedures.

Upon Purchase, CHFA will provide the Borrower with a combined notice of servicing transfer, combining the transferor servicer notice from the Participating Lender and the transferee servicer notice to DMI, under a contractual arrangement with CHFA. Therefore, it is not necessary for the Participating Lender to send such notice(s). CHFA will provide a copy of the combined notice to the Participating Lender.

For CHFA HomeAccess and CHFA SectionEight Homeownership Loans, upon Purchase, CHFA will order the monthly payment statements to be sent to the Borrower or set up automatic drafting (APP) for monthly payments from the Borrower's account. CHFA will Purchase the Mortgage Loan from the Participating Lender and transfer servicing effective on the due date of the first Mortgage Loan payment if the Participating Lender submits the Mortgage Loan to CHFA within 10 days after the Mortgage Loan Closing; otherwise, CHFA may decline to Purchase the Mortgage Loan.

B. Assignment of Loan

For each Mortgage Loan Purchased by CHFA, CHFA will provide the Borrower with the notice of purchase, assignment or other transfer of the Mortgage Loan. Such notices will also be provided to the Participating Lender for documentation purposes.

Should a Participating Lender choose to send its own correspondence to a borrower regarding loan servicing, please include the following information:

section 801: servicing requirements

If a Participating Lender receives principal reduction payments or any other unscheduled payments after CHFA has Purchased a Mortgage Loan, the Participating Lender must forward the payments via overnight delivery or registered mail to the CHFA Home Finance Division.

The Participating Lender is responsible for IRS reporting for the period prior to transferring the Mortgage Loan servicing to CHFA.

The Participating Lender will maintain all buydown funds and escrow funds in accordance with law, regulation, and the requirements of the mortgage insurer or guarantor, or in accordance with applicable Fannie Mae or Freddie Mac requirements for conventional loans, until the First Mortgage Loan is Purchased by CHFA, and servicing is transferred.

section 802: mortgage insurance premiums

The Participating Lender is responsible for remitting the initial or upfront mortgage insurance premium, guarantee fee, or funding fee (“upfront fees”) to the mortgage insurer or guarantor. The Participating Lender is also responsible for remitting any monthly mortgage insurance premiums directly to the insurer or guarantor until the Mortgage Loan is Purchased and servicing is transferred to CHFA.

If the Participating Lender calculated an inaccurate coverage level which resulted in a Borrower being charged an incorrect amount for the upfront fees, the Participating Lender must make the correction before CHFA will Purchase the Mortgage Loan.

If the inaccuracy in the calculation resulted in the Borrower being overcharged for the upfront fees, the Participating Lender must provide a principal reduction in the same amount as the overcharge. If the inaccuracy resulted in the Borrower being undercharged for the upfront fees, the Participating Lender must correct the upfront fees amount with the appropriate insurer or guarantor before CHFA will Purchase the Mortgage Loan.

The Participating Lender is responsible for making all monthly Mortgage Insurance Premiums for all payments they receive prior to the first payment due CHFA after the loan has been purchased. CHFA will not work to reconcile any monthly mortgage insurance premiums paid in error by the Participating Lender to the insurer or guarantor unless the Participating Lender requests the reconciliation within 30 days after the Purchase date.

Mortgage insurance premiums for CHFA HomeAccess and CHFA SectionEight Homeownership Loans will be remitted by CHFA. The Participating Lender should not pay any monthly MIPs to the insurer or guarantor for these loans.

section 803: transfer of mortgage insurance/guaranty, hazard and flood insurance

The Participating Lender is responsible for filing any applicable mortgagee record change notification with the insurer or guarantor, as well as notifying hazard and flood insurers, Flood Determination Certificate issuers, and other interested parties of the transfer of servicing to CHFA. Failure to timely file these changes or notices may result in a required Repurchase of the First Mortgage Loan.

All insurance and guarantee policies must reflect the Mortgagee Clause as follows:

section 804: payment of property taxes

For any purchase or refinance loan closed in the prior year and purchased by CHFA on or after January 25, 2019, Participating Lenders are responsible at minimum for the payment of the first half of required 2018 property taxes and all prior years' taxes due.

For any purchase loan closed on or after January 1, 2019, all prior year(s) property taxes must be paid at the time of closing.

For any refinance loan dispersed on or after January 1, 2019, and purchased by CHFA on or after January 25, 2019, Participating Lenders are responsible at minimum for the payment of the first half of required 2018 property taxes and all prior years' taxes due.

CHFA will require proof of property tax payments prior to loan purchase.

chapter 9

mortgage credit certificates

section 900: general information

The Mortgage Credit Certificate (MCC) Program is a homebuyer assistance program designed to help low- to moderate-income families afford homeownership. The MCC Program allows the homebuyer to claim a dollar-for-dollar tax credit for a portion of the mortgage interest paid per year. The remaining mortgage interest paid may still be utilized as an itemized deduction.

An MCC is valid for as long as the original Mortgage loan is outstanding and the homebuyer occupies the home as his or her Principal Residence. An MCC may be reissued if the Borrower refinances their original mortgage, meets the applicable criteria, and the MCC Program allows for a reissued MCC.

MCCs cannot be combined with any other loan program funded with the proceeds of Tax-exempt bonds. All MCC Programs are subject to the Recapture Tax Provision. See Program Matrices for any additional restrictions.

section 901: mcc lender criteria

A. Lender Eligibility

All Lenders may participate in any MCC Program. A Lender may be any person or entity who provides financing for the purchase of a Property, including but not limited to any commercial bank, savings and loan association, savings bank, credit union, finance company, mortgage banker, or mortgage broker. The lender may not be a Related Person within the meaning of Section 103(b) (6) (c) (i) and 1.103-10(e) (1) of the Code. Unless the Lender has qualified as a CHFA Participating Lender, an MCC Lender may not participate in any CHFA Programs other than the CHFA MCC or Issuer MCC Programs.

An approved Participating Lender may also opt in to participate in the CHFA MCC and Issuer MCC Programs. For purposes of this Chapter and applicable Program matrices, "Lender" refers to all MCC Lenders, including CHFA Participating Lenders who have opted to become MCC Lenders, in accordance with the requirements set forth in this chapter.

B. Lender Information and Training

Any CHFA Participating Lender that desires to participate in any MCC Program must forward a completed CHFA Form MCC1-8, Lender Information Sheet, and any applicable participation fee to CHFA. In addition, any Lender that desires to participate in the CHFA MCC Program must execute a Mortgage Credit Certificate Participation Agreement.

CHFA requires MCC Program training for Lenders, including instructions for making an accurate Reservation in HomeConnection.

C. Correspondent MCC Lender Relationships

CHFA allows Lenders that have executed the MCC Agreement to utilize third-party correspondent lenders in the CHFA MCC program if those third-party entities are in compliance with all state and federal laws concerning licensing and regulation of residential mortgage loan originators. CHFA will treat these Reservations as if they had been made by the Lender, and all of the Lender's obligations under this Guide, the Mortgage Purchase Agreement, and the Mortgage Credit Certificate Agreement shall apply to the assigned Mortgage Loans and MCC. The Lender is responsible for providing the third-party originator with Program and compliance training, as well as for making and maintaining all Mortgage Loan and MCC Reservations.

D. Program Eligibility

A Lender must understand and be able to accurately explain all applicable MCC Program requirements to a Borrower before an application for an MCC is taken. In addition, a Lender must decline the MCC application when the Borrower, the Property, or the Loan does not meet the applicable MCC Program qualifications. Allocations for MCCs may also be set-aside by CHFA within the CHFA MCC Program for specific areas of the State.

Specific eligibility requirements include:

1. **Mortgage Credit Certificate Application.** A Borrower may apply through any Lender. The Lender must review the Mortgage Credit Certificate Application and the Borrower's applicable MCC Program documents to determine whether the Borrower, the Property for which the Borrower has a purchase contract, and the Loan meet the program requirements. Lenders should undertake appropriate measures to verify that all information provided by the Borrower is accurate and complete.
2. **Loan Approval by Lender.** In addition to satisfying the applicable MCC Program eligibility requirements, the Borrower must comply with the Lender's requirements for originating the Loan. Eligibility approval for an MCC does not constitute approval for any Loan.
3. **Final Determination of Program Eligibility.** The Lender must decline the MCC application when the Borrower, Property, or Loan does not meet the applicable MCC Program requirements. CHFA will make the final determination of MCC Program eligibility at the time of Program Eligibility Review.

E. Equal Opportunity Lending

In originating and processing an MCC application, the Lender:

1. Shall not discriminate against any person or group of persons on account of race, color, religion, age, sex, marital status, national origin, familial status, or the existence of a disability, or in any other manner prohibited by the laws of the United States or of the State; and
2. Shall make MCC applications available on a first come, first served basis in accordance with the directions contained in the Code and related rules and regulations, and this Guide, including the Program Matrix.

F. Lender's Fees and Charges

1. **Mortgage Credit Certificate Fee – Lender.** The Lender may charge a fee for processing and reviewing the MCC application if it is permitted in the MCC Program. Lenders should refer to the specific MCC Program Matrix for information about charging a fee and the

allowable amount of the fee. The Lender may waive or reduce this fee, but never increase the fee. If the Borrower obtains a Loan from another Lender or declines the Loan offered by the Lender who qualified the Borrower for an MCC, the second Lender may not charge another fee if the original Lender retains the fee for processing and reviewing the MCC application.

2. Mortgage Credit Certificate Fee – CHFA. CHFA charges an MCC Program administration fee of \$250 for each MCC associated with a CHFA Loan, and the Lender must collect the fee on behalf of CHFA. The fee will be deducted on the Purchase Advice, at the time of Loan Purchase. If the First Mortgage is not a CHFA Loan, the MCC Program administration fee is \$1,000 and may be paid in the form of a corporate check, cashier's check, or certified funds made payable to Colorado Housing and Finance Authority prior to eligibility approval. All or a portion of the MCC fee may be collected by the Lender from the Borrower or the Seller of the Property. If paid by the Borrower, all or a portion of the fee may be reimbursed to the Borrower by the Seller of the Property, or the fee can be split between the Borrower and the Seller.

The MCC Program administration fee paid to CHFA does not count toward the Borrower's Minimum Financial Investment if combined with a CHFA First Mortgage Loan.

If the MCC is denied in Program Eligibility Review because the Borrower, Property, or Mortgage Loan does not meet Program eligibility requirements, the CHFA administrative fee will be refunded after receipt of CHFA Form MCC11, Request for Refund. Lenders are encouraged to refund their fee for processing and reviewing the MCC application if the MCC is denied by CHFA.

3. Other Lender Fees. A Borrower may be required to pay certain other fees relating to the origination of the loan. These fees are permitted under the MCC Programs as long as the fees are reasonable and customary, and are in an amount and of the type ordinarily charged by the lender with respect to similar loans not made in connection with an MCC.

G. Lender Disclosure to Applicants

The Lender is required to make various written and oral disclosures to the Borrower regarding the MCC Program.

1. Negligent Material Misstatement. The Lender shall not rely on an affidavit or other statement made under penalty of perjury if it has reason to know that the information contained within it is false. The Lender will inform all persons required to provide an affidavit or other statement under penalty of perjury with respect to the issuance of an MCC, that they may be subject to payment of penalties to the Internal Revenue Service for each MCC with respect to which the negligent misstatement was made.
2. Fraudulent Material Misstatement. If a misstatement as described in the preceding paragraph is due to fraud on the part of the person making the misstatement, then such person shall be subject to both civil and criminal penalties. Further, any such fraudulent misstatement will result in denial of the issuance of the MCC or in the immediate revocation of the MCC.
3. Calculation/Advice Disclosure to the Borrower.

The Lender must advise the Borrower:

- a. To perform his or her own calculations of the estimated tax benefits of the MCC or seek advice from the Borrower's own tax advisor as to the estimated tax benefits of the MCC, and

- b. That his or her itemized interest deduction for federal income tax purposes will be reduced due to the use of an MCC.
- 4. Recapture Tax Notice. The Lender is required to present information about the Recapture Tax Provision at application and closing. The initial notification is contained in CHFA Form MCC-2, Initial Applicant and Lender Affidavit. CHFA Form MCC14, Notice of Recapture Tax to Mortgage Loan Applicants, is presented at the time of closing.

The original signed CHFA Form MCC-2, Initial Applicant and Lender Affidavit, must accompany the Program Eligibility Review package submitted to CHFA for approval. Upon Program Eligibility Review approval, CHFA will send CHFA Form MCC-14, Notice of Recapture Tax to Mortgage Loan Applicants, to the Lender to complete and provide to the Borrower(s) for signature(s) at closing. The original CHFA Form MCC-14, Notice of Recapture Tax to Mortgage Loan Applicants, must be submitted to CHFA in the Final Certificate package.

If CHFA does not issue an MCC, the Borrower will not be subject to the Recapture Tax Provisions outlined in the Initial Notice of Recapture Tax to Mortgage Loan Applicants. The Lender must provide prompt, written notification that the Recapture Tax Provisions are not applicable to the Borrower.

For complete information about the Recapture Tax, see Chapter 10, Recapture Tax Provision.

H. Lender Communication with Borrowers on CHFA's Behalf

CHFA works through and in cooperation with the CHFA-approved MCC Lender. It is the responsibility of the Lender to inform the Borrower or other person(s) involved in the processing of the MCC application of CHFA guidelines and requirements.

section 902: availability of funds

The availability of MCC Funds for all MCC Programs is regularly updated on the CHFA website at www.chfainfo.com.

section 903: set-asides

A. Targeted Area Set-asides

Any Targeted Area set-asides for each MCC Program will be identified in the specific Program Matrix. Refer to Chapter 11, Targeted Areas, of this Guide for more information.

B. Limitations and/or Set-asides

Allocations for MCCs may also be set-aside for specific areas of the State, specific housing programs associated with local and/or nonprofit agencies, specific Property types, specific projects, or any other limitations or set-asides a local MCC Issuer or CHFA may choose. Limitations and set-asides will be identified in the applicable Program Matrix.

section 904: mcc reservations

A. General Information

MCC Reservations may be made on Business Days from 9:30am-10:00pm MT, with the exception of scheduled or unscheduled system maintenance. Subject to funds availability, MCC Reservations will be accepted on a first-come, first-served basis. There is no limitation regarding the number of MCCs that may be issued in any specific development or project. MCC Reservations are made by Lenders on HomeConnection, located on CHFA's website at www.chfainfo.com. A Reservation is accepted when it is logged into HomeConnection and the Lender is assigned a CHFA loan number.

Any Participating Lender may add an MCC to a CHFA loan, with the exceptions of CHFA FirstStep or CHFA HomeAccess. To add a CHFA First Mortgage Loan Program to the MCC Reservation, Participating Lenders must first reserve the CHFA First Mortgage Loan and then reserve the MCC, referencing the CHFA First Mortgage Loan number in the MCC HomeConnection Reservation.

Prior to making an MCC Reservation, a Lender must have:

1. Completed an MCC Lender Training and received a HomeConnection user password;
2. Created a login on HomeConnection;
3. Taken a mortgage application from a Borrower for purchase of a Property for which the Borrower has a fully executed purchase contract; and
4. Made a preliminary determination that the Borrower:
 - a. Will qualify for the amount of the mortgage loan,
 - b. Is eligible for the applicable MCC Program, and
 - c. Has or will pay to the Lender the applicable one-time MCC fee.

B. Reservation Acceptance

Upon completion of a Reservation, an MCC reservation number will be assigned. Lenders may view their existing Reservations and status, and print the Reservation details from within HomeConnection. Lenders can track an MCC application's progress through HomeConnection by referring to the Status field on the Pipeline page.

Receipt of an MCC reservation number or a pipeline status indicating "Reservation" does not mean that CHFA has determined that a Borrower complies with the applicable MCC Program requirements.

C. Reservation Expirations

Generally, Reservations expire 60 days from the date of the Reservation. Refer to Chapter 4, Reservation, for Reservation expiration information when an MCC is reserved in conjunction with a CHFA loan program.

After an MCC application is Program Eligibility Review approved, CHFA will issue an approval letter and CHFA Form MCC-5, Certificate of Eligibility. The Lender should close the loan before the Reservation Expiration date and deliver the Final Certificate package to CHFA within 10 days after closing.

A Reservation Expiration date may be sooner than the time periods stated above if a Reservation is made near the expiration date of the applicable MCC Program. In that case, the Reservation period may be shortened to coincide with the expiration of the applicable MCC Program. In all cases, the Final Certificate MCC-10 must be issued before the end of the applicable MCC Program.

D. Reservation Extensions

CHFA may grant a 30-day MCC Reservation extension if adequate time remains before the expiration of the applicable MCC Program. No fee will be charged for an MCC Reservation Extension; however, there may be a Reservation Extension fee charged for a related CHFA First Mortgage Loan attached to an MCC. Refer to Chapter 4, Reservation.

E. Program Eligibility Review Package

If the Lender has not delivered the Program Eligibility Review package to CHFA prior to the expiration of the Reservation and any subsequent extensions, CHFA is not obligated to issue CHFA Form MCC-5, Certificate of Eligibility, or CHFA Form MCC-10, Mortgage Credit Certificate. At CHFA's discretion, a Lender may be required to refund the MCC fee to a Borrower when a Lender misses expiration and/or extension dates.

F. Reservation Transfers

The Reservation may be transferred to another Lender upon CHFA's receipt of CHFA Form MCC-17, Change or Cancellation of Reservation, and approval by CHFA. This request may come from the Borrower or from the original Lender. Upon approval of the request, CHFA will make the appropriate Lender changes.

If the Borrower decides to purchase a different Property, the Lender must notify CHFA immediately to make the appropriate Property changes.

G. Reservation Cancellations

Reservations may be cancelled by a Lender for a specific Borrower on HomeConnection if the MCC is in a Reservation status. If the MCC is in process, it must be cancelled by faxing a completed CHFA Form MCC-17, Change or Cancellation of Reservation. CHFA encourages Lenders to cancel Reservations in a timely manner, thereby making additional funds available for other Borrowers.

section 905: program requirements

A. Program Matrix

CHFA will post a Program Matrix for the MCC Program on its website, www.chfainfo.com. The Program Matrix explains the general terms and conditions applicable to the MCC Program.

B. First-time Homebuyer

MCC Programs are limited to First-time Homebuyers, Qualified Veterans, or non-First-time Homebuyers purchasing a property located in a targeted area. To be considered a First-time Homebuyer under an MCC Program, any Borrower who will take title to the Property must not have had an ownership interest in their Principal Residence at any time in the three (3) years prior to closing on the Property.

1. A homebuyer may not have an ownership interest in any other residential Property at the time the loan closes.

Examples of other residential Property are:

- a. Farmhouses;
- b. Manufactured Housing, with a minimum of 400 square feet of living space and a minimum width in excess of 102 inches and which is of a kind customarily used at a fixed location;
- c. Ranch homes;
- d. Second homes; and
- e. Vacation homes.

2. Ownership of specific types of property not considered residential is permitted by CHFA. Examples of such property are:

- a. Commercial property
- b. Timeshares

C. Homebuyer Education

CHFA requires all First-time Homebuyer Borrowers and Co-Borrowers obtaining an MCC from any MCC Program to individually complete a CHFA-approved Homebuyer Education course prior to closing.

D. Occupancy

All persons acquiring an ownership interest in the Property must intend to, and must, occupy the Property as their Principal Residence within 60 days after the Closing Date.

When the Property is no longer the Principal Residence of the Borrower, the MCC shall be revoked. The Borrower must notify CHFA within 30 days after rental, sale, transfer, or other conveyance or discontinuance of residency. An MCC shall not transfer with the Property to a new owner or to another Property

E. Income

The Gross Annual Income is defined as the income from all sources of all household members aged 18 years and older who reside or intend to reside in the Property as their Principal Residence. Gross Annual Income must be calculated in accordance with Section 143 (f)(2) of the Code. Refer to Chapter 5, Program Compliance Review Procedures, for more information. Please note: MCC credit used to qualify for a Mortgage Loan must be included in the Gross Annual Income calculation for purposes of determining compliance with CHFA Income Limits.

F. Credit Score

Refer to the CHFA MCC Program Matrix for the specific credit score requirements for all Borrowers if the MCC is being used in conjunction with a CHFA loan.

G. Purchase Price

All MCC Programs have Purchase Price Limits. Lenders should refer to the specific Program Matrix for the Purchase Price Limits.

The Purchase Price is defined as the cost of acquiring the Property from the Seller as a complete residential unit. All amounts paid by the buyer to the Seller, either in cash or in-kind, are considered in calculating the Purchase Price. A Property is considered a complete residential unit if it contains finished space and reasonable and customary fixtures, is habitable, and meets the applicable health and safety, zoning, and occupancy standards. This is defined in Internal Revenue Service Regulations, Section 6a. 103-A-2 (b)(8).

1. The Purchase Price includes the following:

- a. All amounts paid or to be paid, either in cash or in-kind, by the Borrower (or a related party or for the benefit of the Borrower) to the Seller (or a related party or for the benefit of the seller) as consideration for the Property, including fixtures thereto.

The following will be considered fixtures if they are included in the Purchase Price as being sold with the Property and intended by the Seller and by the Borrower from the date of the purchase of the Property to be part of the real estate:

- Refrigerators, ranges, cooktops, and ovens, whether or not built-in (unless, in the case of such an appliance that is not built-in, there is evidence of a contrary intent by the parties; e.g., a separately stated purchase price for the appliance)
 - Other appliances, if they are built-in
 - Garbage disposal
 - Ceiling and attic fans
 - Permanently affixed window coverings, such as blinds or shades
 - Curtain rods
 - Wall-to-wall carpeting
 - Garage door opener and control
 - Furnace, wood burning stove, or heating fixtures
 - Air conditioner or swamp cooler (rooftop or built-in units only)
 - Water heater
 - Lighting fixtures
 - Plumbing fixtures
 - Storm windows, doors, and screens
 - Landscaping
 - TV antenna
- b. If the Property is incomplete, the reasonable cost of completing the Property regardless of whether or not the cost of completing the Property is included with the financing.
 - c. The capitalized value of the ground rent, if the Property is subject to ground rent.
 - d. The documented cost of the land, if the Property and the land are acquired separately and the Borrower has owned the land for less than two (2) years before construction on the Property began. In this situation, the Purchase Price is determined by adding the contract cost of construction to the greater of the land cost or fair market value of the land.

2. The Purchase Price does not include:
 - a. Usual and reasonable closing costs, lender fees and charges, and mortgage insurance premiums.
 - b. The value of "sweat equity" for work performed on the Property by the Borrower or his or her immediate family.
 - c. The value of any income-producing component of the Property.
 - d. The cost of the land if owned by the Borrower for two (2) years or more at the time construction of the Property began.
 - e. The value of personal property. Personal property includes, but is not limited to:
 - Window coverings that are not permanently affixed, such as curtains or draperies
 - Washer or dryer
 - Furniture
 - Gas Grill
 - Lawn equipment
 - Pool equipment
 - Hot tub
 - Any portable appliance or equipment, such as a portable shed, a portable air conditioner or swamp cooler, portable trash compactor, a portable microwave oven, or portable dishwasher.

H. Property Characteristics

In addition to the requirements below, all Properties must comply with applicable insurer or guarantor guidelines, or with Fannie Mae or Freddie Mac guidelines for conventional Mortgage Loans. Acceptable Properties, containing no more than one (1) living unit, are single family detached homes, townhomes, condominium units, and Manufactured Housing on a permanent foundation for which title has been purged.

1. Lot Size. The maximum lot size for a single family home may not exceed that amount reasonably necessary to maintain basic livability and may not exceed five (5) acres. For areas of the state where the minimum lot size is greater than five (5) acres to maintain basic livability (i.e., for water and sanitary purposes) and larger lots are reasonable and customary for the area, the lender may request a waiver from the CHFA Home Finance Director. If the lot size exceeds five (5) acres (unless a waiver from CHFA is obtained), the Certified Indebtedness Amount will be reduced by the value of the land in excess of five (5) acres.
2. Income Producing Components and Outbuildings. For homes where the land also has an income-producing component, the income-producing component must be incidental to the primary use of the Property as the Borrower's Principal Residence. If the Appraisal identifies and assigns a value to the income-producing component, then that portion of the Property must be excluded when determining whether the Property meets the Purchase Price Limits. The income-producing component may not be included in the Certified Indebtedness Amount.

For homes that also have outbuildings, such as wooden or pole barns, chicken coops, sheds, lean-tos, corrals, workshops, or studios (located in a separate building), the value of the outbuildings should not be included in the Purchase Price of the real estate unless the outbuildings are customary to the neighborhood or area, such as neighborhoods zoned for horses where small barns are common.

No downward adjustment in Certified Indebtedness Amount is necessary if the outbuilding is customary for the area. If outbuildings are not customary for the area, the lender will be required to reduce the Certified Indebtedness Amount by the amount the value of the outbuilding exceeds the amount of the down payment.

3. Cisterns. Homes with cisterns as the only water source are acceptable provided it meets insurer or guarantor, or Fannie Mae or Freddie Mac guidelines, as applicable.
4. Manufactured Homes. CHFA will use the following definition of residence for purposes of determining property eligibility for the CHFA Manufactured Home MCC:

The CHFA Manufactured Home MCC Property is any manufactured home which has a minimum of 400 square feet of living space and a minimum width in excess of 102 inches and which is of a kind customarily used at a fixed location. The term "residence" does not, however, include recreational vehicles, campers, and other similar vehicles.

For Manufactured Homes for which title has been purged and which are permanently affixed to a foundation, Participating Lenders should follow the regular MCC Manufactured Home property requirements.

I. Business Use of Home

No more than 15 percent of the total finished enclosed area of the residence may be intended to be used primarily in any trade or business activity that would qualify for Federal Income Tax purposes for a home business expense deduction. If the land on which the residence is located and any outbuilding located on such land is intended to be used in any trade or business activity that would qualify for Federal Income Tax purposes for a home business expense deduction, then:

1. Such use must be merely incidental to the use of the Property as the residence of the Borrower, and
2. The value of such use, as determined in the appraisal, must be excluded from the calculation of the Purchase Price and may not be financed with the proceeds of the Mortgage Loan.

J. Property Location

The CHFA MCC Program is statewide with set-asides for specific cities and/or counties established by CHFA. Certain Issuer MCC Programs may be limited to specific locations within the State. Lenders should refer to the applicable Program Matrix for details.

K. Loan Type

The MCC must be issued in conjunction with a mortgage loan made to the Borrower(s) for acquisition of the Property. An MCC may be issued in conjunction with any mortgage loan program including, but not limited to, FHA, VA, RD, and conventional insured, except that the financing cannot be provided from a qualified mortgage bond or a qualified veteran's mortgage bond, as such terms are defined in the Code. The Lender and Borrower determine the loan type and terms.

To best serve those Borrowers in need of the credit and support sustainable homeownership, the CHFA MCC Program requires the first Mortgage Loan to be of a type which has a fully amortizing fixed interest rate, or a five (5)-, seven (7)-, or 10-year adjustable rate mortgage (ARM). Balloons, negative amortization, or pay option ARMs are prohibited from use with a CHFA MCC.

L. New Mortgage.

The loan must be a new mortgage and not used to acquire or replace an existing mortgage, except as provided below. No loan may be made for the purpose of refinancing an existing loan except:

1. For the repayment of construction period loans; or
2. Repayment of a bridge loan, or other form of temporary financing having an initial term of 24 months or less.

section 906: qualifying with a mortgage credit certificate

The MCC has a positive effect when qualifying a Borrower for a loan as the tax credit component is recognized as increasing the Borrower's cash flow. Each loan insurer, guarantor, or Fannie Mae or Freddie Mac may recognize the tax credit differently, as described below. Lenders should contact the applicable insurer, guarantor, or Fannie Mae or Freddie Mac for further information. In any case, for all CHFA loan programs an MCC may only be utilized as additional income for purposes of qualifying a borrower for a CHFA Mortgage Loan.

For qualifying purposes, Participating Lenders must limit the Monthly Tax Credit Benefit for Qualifying Purpose to 20 percent.

Lenders may find the MCC Credit Calculation Worksheet at the end of this Chapter useful when calculating the monthly tax credit.

section 907: program eligibility review

Before the loan may be closed and the MCC issued, the Lender must submit a Program Eligibility Review package to CHFA.

A. Program Eligibility Review Required Documents

All required eligibility documents must be submitted and reviewed prior to CHFA issuing an MCC approval. Each MCC Program has a submission checklist, available on CHFA's website at www.chfainfo.com, which lists the documents necessary for Program Eligibility Review.

B. Program Eligibility Approval

Lenders should allow three (3) Business Days for completion of the Program Eligibility Review following submission of an MCC package.

Lenders will receive notification of Program Eligibility approval and any outstanding conditions via email or facsimile, depending upon the Lender's preference.

C. CHFA Form MCC-5, Certificate of Eligibility

Upon Program Eligibility Approval, CHFA will issue CHFA Form MCC-5, Certificate of Eligibility, to the Lender. It is the Lender's responsibility to immediately forward CHFA Form MCC-5, Certificate of Eligibility, to the Borrower. No loan may be closed until CHFA Form MCC-5, Certificate of Eligibility, has been issued by CHFA. This certificate approves the Borrower for an MCC based upon the information and certifications contained in the Program Eligibility Review package.

CHFA Form MCC-5 includes the following important information:

1. **Certified Indebtedness Amount.** The Certificate will indicate the Certified Indebtedness Amount. In most cases, the Certified Indebtedness Amount is the First Mortgage Loan amount. In some cases, it may be less than the First Mortgage Loan amount due to adjustments for personal property, income-producing components of the Property, or land in excess of five (5) acres. CHFA will verify the Certified Indebtedness Amount.
2. **Validity.** The Certificate is valid unless the Lender discovers, in the normal course of loan processing and/or closing, that the Borrower, Property, or Loan do not meet the MCC Program eligibility requirements. In such event, the Lender must immediately notify CHFA, and CHFA Form MCC-5, Certificate of Eligibility, will be revoked.
3. **Expiration of Certificate.** The Certificate expires on the Reservation expiration date.
4. **Extension.** CHFA Form MCC-5, Certificate of Eligibility, may be extended for thirty (30) calendar days at CHFA's discretion.

D. Resubmission of Program Eligibility Review Packages

CHFA will permit a Lender to resubmit Program Eligibility Review packages that were suspended or denied.

E. Appeal

A Lender may appeal a suspended or denied Program Eligibility Review package by contacting the CHFA Home Finance Operations Manager.

section 908: closing of the loan

After a Program Eligibility Review package has been approved and CHFA has issued CHFA Form MCC5, Certificate of Eligibility, the Lender may close the Loan. The Loan is closed in the Lender's name in accordance with federal and state law and all applicable mortgage lending rules and regulations.

Participating Lenders utilizing the CHFA SmartStep or SmartStep Plus Programs in conjunction with an MCC should refer to Chapter 6, Loan Purchase Procedures, for specific closing information.

section 909: final certificate

A. Delivery of Final Certificate Package

The Lender must submit a Final Certificate package to CHFA within 10 Business Days after Loan Closing and before Reservation expiration and the end of the MCC Program. CHFA expects the Participating Lender to provide, in addition to the original CHFA Form MCC14, Notice of Recapture Tax to Mortgage Loan Applicants, originals of each affidavit required under the Program.

B. Final Certificate Package Review

CHFA will review the required documents for adequacy and accuracy. The Lender will be notified when the Final Certificate package is approved, suspended, or denied.

A suspended or denied Final Certificate package may be resubmitted to CHFA for re-review within 30 days of the date of denial or suspension, subject to the final delivery date of the Program.

Purchase of a CHFA First Mortgage Loan with an associated MCC is conditioned upon approval of the Final Mortgage Credit Certificate.

C. Issuance of CHFA Form MCC-10, Mortgage Credit Certificate

When the Final Certificate package is complete, CHFA will issue and mail the MCC to the Borrower with a copy to the Lender.

CHFA performs the following activities in relation to the MCC:

1. Issuance of the Mortgage Credit Certificate. This Certificate entitles the Borrower to a federal income tax credit. CHFA issues only one Certificate to the Borrower during the life of the loan, unless the Certificate is reissued. Duplicates may be requested from CHFA if the original MCC is lost or misplaced. CHFA may charge a fee to the Borrower to provide a duplicate MCC.
2. Provision of an Information Letter. Along with the MCC, CHFA will provide the Borrower with an information letter, which explains the tax credit calculation and proper filing requirements of the Internal Revenue Service.
3. Provision of a One-time Reminder. In January, CHFA will mail a reminder notice to all Borrowers who received MCCs during the previous year, together with a copy of IRS Form 8396, Mortgage Interest Credit for MCC, which the Borrower must file along with Form 1040 to receive the appropriate tax credit. This January reminder notice is only mailed to the MCC recipients in the first year after the Loan closing. In following years, the Borrower must obtain IRS Form 8396 directly from the IRS.

section 910: final certificate reporting and follow up

Under current Internal Revenue Service regulations, certain reporting and record maintenance requirements are imposed on Lenders and CHFA.

A. Lender Final Certificate Responsibilities

1. Reporting. Lenders must file an annual report to the IRS on Form 8329, Lender Information Return for MCCs, containing information on loans originated in connection with the applicable MCC program during the prior calendar year. This report must be filed on or before January 31 of the year following the year to which the report relates.

CHFA may provide the Lender with a report containing all information required by the IRS on all loans for which an MCC was issued for the prior calendar year. This report will be mailed to the Lender at the address listed on CHFA Form MCC18, Lender Information sheet.

Notwithstanding the foregoing, anyone failing to file a required report to the IRS at the time and in the manner required may be subject to a penalty imposed by the IRS for each MCC not reported.

2. Record Maintenance: The Lender must retain in its books and records certain information pertaining to the loans issued in connection with MCCs for six (6) years following the year the in which the loan is made, unless a longer period is prescribed by the IRS.
3. Notification to CHFA: If a Lender becomes aware of any MCC that does not meet the applicable MCC Program requirements, the Lender should immediately notify CHFA.

B. CHFA Final Certificate Responsibilities

1. Reporting: CHFA must report quarterly to the IRS certain information on holders of MCCs issued during the prior quarter.
2. Revocation of an MCC: An MCC is treated as revoked when the Property to which the MCC relates ceases to be the Borrower's Principal Residence.

CHFA may revoke an MCC if it is determined that the Borrower, Property, or other MCC Program requirements were not met. When revoking an MCC, CHFA will notify both the Borrower and the IRS.

section 911: reissued mortgage credit certificate

A Reissued Mortgage Credit Certificate (RMCC) may be available to current holders of CHFA issued MCCs who refinance their mortgage loan.

A. Conditions for Reissuance

All RMCCs must meet the following criteria:

1. The Borrower has a CHFA-issued MCC.
2. The applicable MCC Program authorizes the issuance of a RMCC. MCCs issued under the CHFA Statewide MCC Program may be reissued.
3. The Certified Indebtedness Amount of the RMCC is limited to the lesser of the outstanding principal balance of the original loan or the existing loan at the time of refinance.
4. The tax credit rate on the RMCC cannot exceed the tax credit rate of the original MCC.
5. A higher interest credit than would have been available under the original MCC cannot be claimed for any taxable year.

6. The RMCC is valid only until the maturity date of the original Mortgage Loan, unless the maturity date of the new mortgage loan is prior to that of the original Mortgage Loan.
7. The Property is still the Borrower's Principal Residence.
8. There is no re-qualification of Borrower eligibility in terms of income or purchase price.
9. The RMCC is reissued in the name(s) of the original MCC holder(s), except only for reason of death or divorce, in which case a copy of the Death Certificate or Divorce Decree must be provided to CHFA.
10. Payment of a fee to CHFA for administration.
11. Other applicable Code requirements.

B. Application Procedure

To apply for an RMCC, or for additional information, visit the CHFA website at www.chfainfo.com.

C. Documentation Required for Reissuance

The following documentation must be submitted to:

Denver, CO 80202

1. CHFA Form MCC19, MCC Reissuance Affidavit;
2. Original Mortgage Credit Certificate;

chapter 10

recapture tax provision

section 1000: mortgage loans subject to recapture tax provision

The Internal Revenue Code's recapture tax requirements apply to Borrowers who receive the benefits associated with a Mortgage Loan funded by Tax Exempt Mortgage Revenue Bonds, either through a lower mortgage Interest Rate than what is customarily charged on other mortgage loans, or through receipt of a credit against their federal income taxes via a Mortgage Credit Certificate (MCC). Such Borrowers may be subject to recapture of those benefits under certain circumstances as described in this Chapter.

section 1001: borrower notification

When applicable, the Borrower is advised about the Recapture Tax Provision in CHFA Form 401, Initial Applicant Affidavit, which is signed at the time of application. Participating Lenders must explain the Recapture Tax Provision at this time.

CHFA Form 407, Notice of Recapture Tax to Mortgage Loan Applicant, explains the recapture tax formula in detail. When applicable, CHFA will provide CHFA Form 407 to the Participating Lender to be completed and given to the Borrower at closing. The Participating Lender must then provide the original completed and executed form to CHFA in the Loan Purchase package.

For the CHFA MCC and MCC Issuer Programs, Borrowers must sign CHFA Form MCC-2, Initial Applicant and Lender Affidavit, at the time of application and CHFA Form MCC-14, Notice of Recapture Tax to Mortgage Loan Applicant, at Loan Closing.

section 1002: recapture tax provision requirements

When a Borrower receives a Mortgage Credit Certificate with their Mortgage Loan, which loan is not part of the Tax Exempt Program, they are receiving the benefit of a credit against their federal income taxes based on their MCC rate. If the Borrower sells or otherwise disposes of the Property during the nine (9) years after Closing on the Mortgage Loan, this benefit may be "recaptured." The recapture is accomplished by an increase in their Federal Income Taxes for the year in which they sell the Property. The recapture only applies, however, if the Borrower sells their Property at a gain and if their income increases above specified levels.

A. Calculation of Recapture Tax

The "Maximum Recapture Tax" that a Borrower may be required to pay in addition to their Federal Income Taxes is 6.25 percent of the highest principal amount of their Mortgage Loan. The actual Recapture Tax due, if any, can only be calculated at the time of sale of the Property, using a formula which multiplies the Maximum Recapture Tax by the holding period percentage and the income percentage for the Borrower's geographic area of the State. Borrowers will receive a Notice of Recapture Tax to Mortgage Loan Applicants (either CHFA

Form MCC-14 or CHFA Form 407) along with additional information that will be needed to calculate the Recapture Tax. Refer to these forms for more specific information regarding the calculation and payment of the Recapture Tax.

B. Exceptions to Required Payment of the Recapture Tax

In the following circumstances, no Recapture Tax is due, and the Borrower will not be required to pay the Recapture Tax:

1. The Borrower disposes of the Property more than nine (9) years after Closing on the associated Mortgage Loan;
2. The Property is disposed of as a result of the Borrower's death;
3. The Borrower transfers the Property either to his or her spouse or to his or her former spouse incident to divorce, and the Borrower has no gain or loss included in his or her income under Section 1041 of the Code; or
4. The Borrower disposes of the Property at a loss.

Borrowers may wish to consult a tax advisor or the local office of the Internal Revenue Service at the time they sell the Property to determine the amount, if any, of Recapture Tax required.

C. Reimbursement of Recapture Tax

CHFA will reimburse Borrowers for any Recapture Tax due to the IRS and actually paid, if the Recapture Tax is triggered by the payoff of a Mortgage Loan resulting from the sale of a residence on which there is:

1. A CHFA First Mortgage Loan funded with Tax-exempt Mortgage Revenue Bonds; or
2. An MCC issued by CHFA on a Property that also has a CHFA First Mortgage Loan.

targeted areas

section 1100: general information

Targeted Areas are determined in accordance with the Code, and may be changed by the Federal Government from time to time.

Each Participating Lender whose normal lending area includes one (1) or more Targeted Areas must use reasonable diligence in connection with Mortgage Credit Certificates (MCCs) or originating tax exempt Mortgage Loans in Targeted Areas. CHFA will furnish informational materials for distribution or reproduction by Participating Lenders and will take appropriate steps to advise residents of Targeted Areas of the availability of MCCs or other CHFA Programs. Participating Lenders are encouraged to take additional steps to assure that residents of Targeted Areas have fair and equitable access to all funds.
