Lock to Purchase Review Submission Checklist

Submission Tips

- Please use CHFA's Document Delivery System in CHFA HomeConnectionsm for all new submissions.
- All documents with a red asterisk are required. Additionally, all other documentation that is relevant to the file, is also required even though it is not explicitly called out via a red asterisk.
- Be sure to follow this checklist when submitting files, and to submit only the documents requested. Submitting duplicate or extraneous documents increases CHFA's review time and will slow down the progress of your loan.
- It is a lender's responsibility to check their pipeline report within six hours of uploading documents to confirm that the status has changed from "Reserved" to "Prefunding in Process."
- CHFA second mortgage loans must be submitted simultaneously at time of first mortgage loan submission. Second mortgage loan must be submitted to its own loan number file in the CHFA Document Delivery System.
- Suspense conditions – must be uploaded through the CHFA Document Delivery System. Conditions will be reviewed in the order received.
- This document list is not all inclusive of what may be required by FHA, VA, USDA-RD, Fannie Mae, Freddie Mac or by local, state and federal laws, regulations or other requirements, as applicable. CHFA relies on its Participating Lenders to comply with any and all applicable legal and regulatory requirements relating to the origination and underwriting of the loan including, but not limited to, disclosure requirements. CHFA reserves the right to request additional documentation from the Lender as needed in CHFA's sole discretion.
