and CHFA Preferred Very Low Income Program (VLIP)
Program Compliance Review Submission Checklist

Submission Tips

• Please use CHFA’s Document Delivery System in CHFA HomeConnection℠ for all new submissions.
• All documents with a red asterisk are required. Additionally, all other documentation that is relevant to the file, including, but not limited to, income, is also required even though it is not explicitly called out via a red asterisk.
• Be sure to follow this checklist when submitting files, and to submit only the documents requested. Submitting duplicate or extraneous documents increases CHFA’s review time and will slow down the progress of your loan.
• It is a lender’s responsibility to check their pipeline report within six hours of uploading documents to confirm that the status has changed from “Reserved” to “Compliance in Process.”
• CHFA second mortgage loans must be submitted simultaneously at time of first mortgage loan submission. The second mortgage loan must be submitted to its own loan number file in the CHFA Document Delivery System.
• Suspense Conditions: must be uploaded through the CHFA Document Delivery System. Conditions will be reviewed in the order received.
