Modifications for Second Mortgages

- Borrower(s) name must match the name(s) in the Note and/or Deed of Trust being modified.
- Lender name must be Colorado Housing and Finance Authority, unless Lender failed to close the Second Mortgage in CHFA's name in which case Lender name should be the Lender name used in the original Note and/or Deed of Trust.
- The Note date, Deed of Trust recording date, reception and county information MUST be reflected on the Modification.
- There are separate correction boxes for the Note and the Deed of Trust. If modification of only one of the two loan
 documents is necessary, select "N/A" from the drop-down menu for the document not being modified by this Modification.
- The reason for the Modification and the modification being made should be provided in detail in the appropriate box for the document being modified. If additional space is needed for the modification, attach exhibits as necessary and reference the exhibit in the appropriate box.
- The Modification must be signed by the Borrower(s) and notarized and the Lender signature/notary block must be left blank for CHFA to complete unless Lender is modifying the Second Mortgage to correctly establish CHFA as Lender in which case it should complete Lender's signature/notary block.
- Any information, other than the Note date, Deed of Trust recording date, reception, and county information, not
 completed on the form, prior to the borrower's signature, will require the document to be re-executed and notarized by
 all parties. If the document was recorded with missing information, a corrected Modification will be required.
- The original Modification for a second mortgage Deed of Trust will be recorded by CHFA.
- The original signed Modification must be sent to CHFA, copies are not accepted. CHFA's mailing address is PO Box 60, Denver CO 80201; overnight address is 1981 Blake St, Denver, CO 80202; Attn: Final Documents
