section 100: nondiscrimination and fair housing

A. CHFA's Nondiscrimination Policy

With respect to its programs, services, activities, and employment practices, Colorado Housing and Finance Authority (CHFA) does not discriminate on the basis of race, color, religion, sex, age, national origin, disability, or any other protected classification under federal, state, or local law. Requests for reasonable accommodation, the provision of auxiliary aids, or any complaints alleging violation of this nondiscrimination policy should be directed to the Nondiscrimination Coordinator, 1.800.877.2432, CHFA, 1981 Blake Street, Denver, CO 80202-1272, available weekdays 8:00am to 5:00pm MT.

B. Fair Housing

The Fair Housing Act, 42 U.S.C. 3601 et seq., prohibits discrimination by direct providers of housing, such as landlords and real estate companies, as well as other entities, such as municipalities, banks or other lending institutions and homeowners insurance companies whose discriminatory practices make housing unavailable to persons because of: race or color, religion, sex, national origin, familial status, or disability.

section 101: participating lender qualifications

A. General Qualifications

To be approved by CHFA as a Participating Lender, a Lender must meet the following requirements:

1. Demonstrate a minimum tangible net worth of \$1,000,000.
2. Demonstrate minimum warehouse lines of credit of \$3,000,000 and be in good standing with those warehouse providers, or have equivalent liquidity.
3. Have fidelity bond and mortgage errors and omissions insurance policies, each with coverage in an amount not less than the greater of (i) three hundred thousand dollars (\$300,000), or (ii) such other amount that complies with any and all insurer, guarantor, Fannie Mae, and/or Freddie Mac coverage requirements, as applicable. In addition, insurance deductibles must meet any and all insurer, guarantor, Fannie Mae, and/or Freddie Mac coverage requirements, as applicable.
4. Have internal audit and management control systems in place to evaluate and monitor the overall quality of its loan production.

7. If a Participating Lender is a national banking association or a state or federal savings and loan association, then such Participating Lender must also maintain a (physical) Colorado office; including having staff that conduct business from that office. Home-based offices do not meet the CHFA criteria of a physical Colorado office.
8. A Participating Lender may originate Mortgage Loans through affiliate companies in which the Participating Lender has a 50 percent (50%) or greater controlling interest. "Controlling interest" shall mean the Participating Lender has equal or controlling ownership or voting rights. This includes joint ventures, partnerships, limited liability companies, and other types of entities, provided those entities have been pre-approved by CHFA for origination of Mortgage Loans and provided those entities are in compliance with all state and federal laws concerning licensing and regulation of residential mortgage loan originators. The Participating Lender shall be responsible for and shall assure that all Mortgage Loans so originated are in compliance with all of the terms of the Mortgage Purchase Agreement and this Guide and shall be responsible for any obligation to Repurchase any Mortgage Loan.
9. Ensure that all staff (and any third-party contractors) are knowledgeable about the various aspects of mortgage loan origination, mortgage loan sales, and mortgage loan servicing, as is applicable to their position within the lender organization.
10. Such lists may include:
 - a. Department of Treasury's Office of Foreign Assets Control Specially Designated Nationals and Blocked Persons List (OFAC List);
 - b. System for Award Management (SAM) - General Services Administration's Excluded Parties List System (EPLS);
 - c. HUD Limited Denial of Participation List (LDP);
 - d. Freddie Mac® Exclusionary List; and
 - e. Federal Housing Finance Agency (FHFA) Suspended Counterparty Program (SCP) List.
11. Use sound business judgment in all aspects of its operations.
12. Demonstrate a commitment to providing sound financing options to low- and moderate-income homebuyers in Colorado.
13. Use its best efforts to protect Applicants and Borrowers from fraud, misrepresentation, and/or negligence by and of its staff or third-party contractors involved in the origination process.
14. Have written business practices and procedures that are designed to avoid predatory lending practices, regardless of whether or not the Participating Lender utilizes an automated underwriting system, underwriting staff, or private mortgage insurance contract underwriters to perform credit underwriting functions.
15. Comply with all state and federal requirements for disclosure, licensing, education, identification verification, and other applicable requirements that are mandated for persons and entities which originate residential mortgage loans in the State.
16. Be a member of the Mortgage Electronic Registration Systems, Inc. (MERS).

Notwithstanding the qualification criteria provided in this Section 101, CHFA reserves the right to deny a prospective Participating Lender or terminate a Participating Lender's Mortgage Purchase

Agreement if, in CHFA's sole discretion, CHFA determines the Lender's conduct, whether past or present, does not align with CHFA's mission, vision, or values.

For all Mortgage Loans, the Participating Lender must utilize the most current underwriting criteria applicable for the specific loan type it is originating for sale to CHFA. Loans originated under a joint venture arrangement must close in the name of the approved Participating Lender.

section 102: participating lender approval process

- A. To apply for approval as a Participating Lender for some or all of CHFA's Programs, a Lender must:
1. Complete a Participating Lender Pre-application Questionnaire to determine prequalification. The Questionnaire must be completed and submitted to CHFA for evaluation. Following review of the Pre-application Questionnaire by CHFA, a Participating Lender Application will be sent to those Lenders that prequalify.
 2. Complete and submit a Participating Lender Application, with all required attachments and a \$1,000 nonrefundable application fee.
 3. Provide any additional documentation requested by CHFA.
 4. Execute a Mortgage Purchase Agreement with CHFA.

6. Deliver a minimum of one loan per full calendar year of participation.

section 104: suspending or terminating participating lender approval

CHFA reserves the right to suspend, modify, terminate approval, or to deny reinstatement or renewal, of an application post-termination if a Participating Lender fails to perform or provide information as required or requested in accordance with the Mortgage Purchase Agreement and/or this Guide, in CHFA's sole discretion. If a Participating Lender is terminated for failure to comply with the requirement set forth in Section 103.A.6., the Participating Lender is precluded from reapplying to CHFA for a period of 12 months from the effective date of termination, in CHFA's sole discretion. - L. When an individual acts as a Borrower's attorney-in-fact or agent under a Power of Attorney, such Power of Attorney meets insurer, guarantor, Fannie Mae, or Freddie Mac requirements, as applicable, as well as any and all other legal and regulatory requirements, such as duly authorizing the signer to execute any and all of documents that the signer has signed on the Borrower's behalf.

Any fees disclosed shall be in compliance with all state and federal laws.
- S. The Participating Lender has no knowledge of any circumstance or condition regarding the Mortgage Loan or the Borrower's credit standing that would cause prudent private investors in the secondary market to regard the Mortgage Loan as an unacceptable investment, cause the Mortgage Loan to become delinquent, or adversely affect the value or marketability of the Mortgage Loan.
- T. The Participating Lender has no knowledge of any fraud in relation to the Mortgage Loan.

- U. The Participating Lender's delivery of Mortgage Loan documents to CHFA and CHFA's possession thereof throughout the Lock Period, as extended, will not violate any agreement the Participating Lender has with its lender(s). Otherwise, the Participating Lender shall be solely responsible for, shall hold CHFA harmless from and shall indemnify CHFA for any costs, expenses, fees, claims, demands and/or damages whatsoever resulting directly or indirectly from such violation(s). CHFA reserves the right, in its sole discretion, to comply with any demand letter from Participating Lender's warehouse lender(s) or any other Participating Lender financiers, including each of their respective representatives or agents, for return of the Mortgage Loan documents as instructed therein.

section 106: delivery of a mortgage loan

The Participating Lender must review the Mortgage Loan application and the related Mortgage Loan and CHFA Program documents for each Borrower to determine whether the Borrower and the Property meet the eligibility criteria for the applicable CHFA Program.

The Participating Lender is responsible for determining that a Borrower complies with all requirements of the Mortgage Loan insurer or guarantor, or of Fannie Mae or Freddie Mac, as applicable, for conventional Mortgage Loans, and for determining that a Borrower has the financial ability to repay the Mortgage Loan on the terms proposed. Such determination must be based on a thorough and objective evaluation of the Borrower's creditworthiness.

Reasonable and appropriate measures must be undertaken by the Participating Lender to verify that all information provided is accurate and complete.

Mortgage Loans must be submitted for Purchase within 10 days after the Closing Date. Prior to the delivery of a Mortgage Loan for Purchase, the Participating Lender shall verify the following:

The Note endorsement must not be dated.

All Second Mortgage Loan Promissory Notes are payable to Colorado Housing and Finance Authority and do not require endorsement to CHFA.

E. Valid Lien

The First Deed of Trust creates a valid and existing first lien to secure the First Mortgage Loan on the Property and any Second Deed of Trust creates a valid and existing second lien to secure the CHFA Second Mortgage Loan on the Property. The Property is located in the State and owned by the Borrower in fee simple together with the improvements and fixtures described.

F. Liens and Encumbrances

The Property has been completed and is free and clear of all mechanics' liens that could materially adversely affect the value of the Property as security for the Mortgage Loan, and no rights are outstanding that could give rise to such liens. The Property is free from all other liens, encumbrances, restrictions, and covenants except those that comply with the requirements of Chapter 7, Purchase Procedures, of this Guide. G. Transfer of Mortgage Loan/MERS

The First Mortgage Loan Deed of Trust shall be in proper form to be recorded and the Mortgage Loan shall be registered in the name of Mortgage Electronic Registration Systems, Inc. (MERS). CHFA will accept separate assignments only from Participating Lenders that are not MERS members. Assignments to MERS will be required prior to Purchase if the Participating Lender is not a MERS member. CHFA Form 230M, Assignment, is available at www.chfainfo.com.

H. No Counterclaim, Offset, Defense, or Right of Rescission

Neither the Borrower, nor any other individual, has the right to assert any counterclaim, offset, defense, or right of rescission against CHFA as assignee of the Mortgage Loan.

I. Recording

K. Unlawful Compensation

To the best of the Participating Lender's knowledge and belief, no unlawful fee, commission, kickback, or other unlawful compensation or value of any kind has been or will be received, retained, or realized by any attorney, firm, or other person or entity, and no such unlawful items have been received, retained, or realized by the Participating Lender.

There is no default or delinquency under the terms and covenants of the Mortgage Loan. CHFA will not purchase any Mortgage Loan that is delinquent or in default. In addition, CHFA will not purchase any mortgage loan that is, at the time of purchase, in forbearance.

P. Hazard and Flood Insurance

The Property is covered by a valid and existing policy of hazard insurance (and flood insurance, if applicable), which meets the requirements of Chapter 7, Purchase Procedures.

Q. Property

The Property meets the requirements of Chapter 2, Eligibility Requirements. If the Property is New Construction, the Property has not been previously occupied. A model home is not New Construction.

The Participating Lender has no knowledge that there are any violations of applicable zoning laws or regulations with respect to the Property.

To the best of the Participating Lender's knowledge, there is no pending proceeding for a total or partial condemnation of the Property, and the Property is undamaged by fire, windstorm, or other casualty.

The Participating Lender has no knowledge that either the Property or appurtenances thereto, or the intended use of the Property, is, or will be, in violation of any applicable law, rule, or regulation governing the protection of the environment. The Participating Lender has no knowledge of any pending case or proceeding directly involving the Property in which compliance with any such law, rule, or regulation is an issue.

If the Property is located in a single-family attached project (i.e., condominium project or party wall project), the project meets CHFA criteria described in Chapter 2, Eligibility Requirements.

R. Occupancy

To the best of the Participating Lender's knowledge, the Property is, or within 60 days after the Mortgage Loan Closing Date will be, occupied by the Borrower as his or her Principal Residence.

S. Underwriting

Each Mortgage Loan was underwritten in accordance with all rules, regulations, and requirements of the applicable mortgage insurer or guarantor and/or of Fannie Mae or Freddie Mac for conventional Mortgage Loans.

section 107: participating lender allowable fees and charges

Unless otherwise stated in specific Program guidelines, the Participating Lender may not charge or collect any fees or points in excess of the fees listed below. Any fees for reimbursement of costs incurred are limited to the amount paid for the service. Discount points are prohibited.

A. Allowable Fees

1. **Origination Fee.** The Participating Lender may charge an origination fee of 1 percent of the First Mortgage Loan amount. For FHA 203(k) Mortgage Loans, Participating Lenders may also collect a supplemental origination fee of 1.5 percent of the portion of the Mortgage Loan allocated to rehabilitation or \$350, whichever is greater.
2. **Other Lender Fees.** The Participating Lender may charge "reasonable and customary" fees to the Borrower, provided the fees do not exceed the amounts charged in the area for similar non-CHFA loans, and the fees must be directly related to actual services rendered for providing the loan, whether or not those fees are paid to a third party or collected by the Participating Lender for providing those services. In addition, the Participating Lender must adhere to applicable agency, insurer, and guarantor or Fannie Mae or Freddie Mac guidelines with respect to points and fees limitations. Total points and fees may not exceed the lower of: the allowable applicable agency, insurer, guarantor, or Fannie Mae or Freddie Mac guidelines, or 5 percent of the total loan amount. Loans with points and fees which do not meet the foregoing requirements will be subject to Repurchase by the Participating Lender.
3. **Program-specific Fees.** See applicable program directive or matrices for any additional Program specific allowable fees.
 - a. For a CHFA DPA Second Mortgage Loan or a HomeAccess Second Mortgage Loan, Participating Lenders may collect the title company's closing fee and the recording fees for recording the Second Deed of Trust from the Borrower. No other fees may be charged. CHFA does not require the use of a title company to close a CHFA Second Mortgage Loan and does not mandate the collection of a closing fee.

4. Cash Back to Borrower(s) at Closing. CHFA will defer to insurer/guarantor or Fannie Mae or Freddie Mac guidelines with respect to whether the Borrower may receive cash back at Closing, and, if permitted, the amount. However, excess funds resulting from CHFA Down Payment Assistance Grants or CHFA Second Mortgages may not result in cash back to the borrower at closing. In any event, the Borrower must always meet CHFA's Minimum Borrower Financial Contribution requirements for CHFA's Programs.
5. CHFA Program Fees. No fee shall be charged solely because the Mortgage Loan is originated under a CHFA program and/or is intended for sale to CHFA. No fee shall be designated as a "CHFA fee."

section 108: notice of recapture tax

Tax-exempt Program Loans may be subject to Recapture Tax Provisions, which were incorporated into the Internal Revenue Code (the Code) pursuant to the Technical and Miscellaneous Revenue Act of 1988. See Chapter 11, Recapture Tax Provision, of this Guide and the CHFA website at www.chfainfo.com for an explanation.

The Recapture Tax is initially disclosed to the Borrower in the Initial Applicant Affidavit. The original of this affidavit must be signed by the Borrower and included in the Program Compliance Review package for Tax-exempt Program loans.

For Mortgage Loans subject to the Recapture Tax Provision, CHFA will provide a Notice of Potential Recapture Tax to the Borrower by either:

- Providing the Notice to the Participating Lender, and the Participating Lender will complete the form and provide it to the Borrower at the time of closing; or
- Providing the Notice to the Borrower within 90 days after Loan Closing.

Under certain circumstances, Borrowers may be eligible for reimbursement for any Recapture Tax paid by completing CHFA Form 950. See Chapter 11 for further details.

section 109: privacy and confidentiality

- A. Pursuant to the Mortgage Purchase Agreement, CHFA and Participating Lender agree to comply with applicable consumer privacy laws as well as any and all federal, state, and local statutes, regulations, rules, and requirements applicable to the protection and privacy of consumer information, including but not limited to the privacy provisions of the Gramm-Leach-Bliley Act, 15 U.S.C Section 6801 et seq. (collectively, "Consumer Privacy Requirements"). Participating Lender's responsibilities include, but are not limited to, implementing appropriate measures, policies and procedures designed to safeguard customer information, ensure transmittal of consumer information is secure, comply with notice requirements upon a security breach and meet any and all other Consumer Privacy Requirements, as applicable.
- B. The Participating Lender will maintain the confidentiality of the information governed by consumer privacy laws.

- C. The confidentiality conditions in the Mortgage Purchase Agreement are material terms of the Agreement, and either CHFA or a Participating Lender may terminate the Mortgage Purchase Agreement, effective immediately, in the event of any breach of consumer privacy.
- D. CHFA has provided on its website an online system, "HomeConnection," whereby Participating Lenders may reserve Mortgage Loans and check the status of Mortgage Loans previously reserved. Participating Lenders must comply with the HomeConnection Terms and Conditions attached to the Mortgage Purchase Agreement.
- E. Participating Lenders are responsible for requesting from CHFA requisite access for their staff to HomeConnection, as necessary and appropriate, and Participating Lenders will take all necessary measures to manage access in a timely manner and to prevent unauthorized use.
- F. By using the services provided through HomeConnection, users consent to the collection and use of their information among the other provisions in the Terms and Conditions for HomeConnection. Further, by accessing HomeConnection, users affirmatively consent to CHFA emailing CHFA Home Finance eNews communications which generally provide information about CHFA single family mortgage loan programs, guideline updates, trainings, and CHFA events. Users may opt out at any time, but in doing so, may miss timely notifications related to CHFA Home Finance products and operations.
- G. When submitting any document or data to CHFA containing consumer information including, but not limited to, personal information or personal identifying information, Participating Lender is fully responsible for ensuring that such transmittal complies with all Consumer Privacy Requirements, including by ensuring any such transmittals are sent through CHFA's HomeConnectionsm, Transport Layer Security (TLS) connection, or Participating Lender's own secure transmittal system meeting all applicable Consumer Privacy Requirements.
- H. Participating Lender and CHFA will each, within a reasonable timeframe from when the breach was established, notify the other party (the "Disclosing Party") of any data security breach or any other unauthorized access, disclosure, acquisition, or use of Disclosing Party's personally identifiable information (PII) provided by Disclosing Party or Disclosing Party's customers. As soon as possible thereafter, the party who had the data security breach (the "Recipient") will provide Disclosing Party full details of the unauthorized access, disclosure, acquisition, and/or use. Recipient will cooperate in a commercially reasonable manner to investigate the incident and will exert commercially reasonable efforts to (i) terminate the unauthorized access, disclosure, acquisition, and/or use and (ii) prevent the reoccurrence thereof. Recipient will provide reasonable assistance to Disclosing Party to regain possession of and terminate any unauthorized access, disclosure, acquisition, and/or use of the PII. Recipient will reasonably cooperate with Disclosing Party to conduct investigation of or litigation involving third parties related to said incident. Recipient will assist and cooperate with Disclosing Party concerning any disclosures to affected parties, government or regulatory bodies, and other remedial measures as reasonably requested by Disclosing Party or as required under any applicable privacy or data protection laws. If the data security breach was caused by Recipient's negligence or fault, Recipient will discharge all responsibilities set forth in this Section at Recipient's cost and expense.

section 110: equal opportunity lending

- B. Shall make Mortgage Loans available in accordance with all federal, state, and local laws and regulations.
- C. Shall comply with all requirements of Regulation B, including, but not limited to, the requirements for Applicant notifications.

section 111: borrower communication

CHFA works through and in cooperation with the Participating Lender. Until the Mortgage Loan is Purchased by CHFA, it is the responsibility of the Participating Lender to inform the Borrower or any other person(s) involved in the processing of the Mortgage Loan of CHFA guidelines and requirements.

section 112: lender communication

CHFA may, from time to time, issue eNews, which provide information about CHFA Program guideline updates, trainings, and CHFA events. There may be occasion when an update, communicated through an eNews, takes effect immediately. In such case, the Participating Lender will comply with any such update, regardless of whether the conforming update to the Guide has yet been made.

section 113: cobranding and comarketing

Participating Lenders are licensed to use the CHFA Participating Lender badge and product names within their marketing and advertising pieces. Such use must be in accordance with the requirements of this Seller's Guide Section and with the CHFA Cobranding Guide, which is posted on the CHFA website, chfainfo.com. Participating Lenders are not licensed nor authorized to use the CHFA logo.

Requests for a Participating Lender badge for use in advertising materials, may be directed to the CHFA Marketing and Communications Team at chfabrand@chfainfo.com.

Participating Lender's marketing, informational, commercial or consumer-related publications and materials which, in whole or in part, refer or relate to CHFA including, but not limited to, any CHFA programs, products, services or cobranding with CHFA (collectively, the "Comarketing Materials"), regardless of form, whether hard copy, electronic, video, audio, or otherwise, and the manner or means by which such Comarketing Materials are distributed, delivered, posted, or published must fully comply with any and all applicable federal, state and local legal and regulatory laws, rules, regulations, and requirements including, but not limited to, the CAN-SPAM Act, Truth in Lending Act and Regulation Z. CHFA and the Participating Lender agree that the Participating Lender shall be designated and deemed the "sender" of the Comarketing Materials for purposes of CAN-SPAM Act compliance. Rights and remedies relating to non-compliance with this provision is as further detailed in the Mortgage Purchase Agreement.

section 114: third-party originators

A Participating Lender may originate Mortgage Loans for sale to CHFA through a wholesale relationship with a third-party originator (TPO), *provided* such TPO is in compliance with all applicable state and federal requirements concerning licensing and regulation of TPOs. The Participating Lender is responsible for all required oversight of such TPOs. In addition, the Participating Lender must assure that all Mortgage Loans so originated are in full compliance with the Mortgage Purchase Agreement and this Guide, and remains fully responsible for any obligation thereunder relating to such Mortgage Loan including, but not limited to, any required repurchase of the Mortgage Loan(s).

Lenders that intend to utilize TPOs in the origination of loans for sale to CHFA must notify CHFA of their intent to do so. All loans originated using a TPO must close in the name of the CHFA Participating Lender or otherwise must be owned by the Participating Lender prior to sale of the loan to CHFA.

section 115: colorado open records act disclosure

As a political subdivision of the State of Colorado, CHFA is subject to the Colorado Open Records Act (CORA) C.R.S. §§ 24-72-200.1, et seq., which requires CHFA to permit inspection and copying of certain public records. The Participating Lender acknowledges and agrees that it will indemnify CHFA from any claims arising from or related to CHFA's disclosure or nondisclosure of any materials submitted to CHFA as part of its Application.

chapter 2

eligibility requirements

section 200: general eligibility requirements

All CHFA Programs have basic eligibility requirements for both the Borrower and the Property. These are subject to applicable program requirements. Please see applicable program matrix for further details.

section 201: borrower eligibility

A. Credit Requirements

All Applicants must credit qualify for a Mortgage Loan in accordance with the applicable mortgage insurer/guarantor credit guidelines, or under Fannie Mae or Freddie Mac guidelines for conventional Mortgage Loans. Prior foreclosure on a CHFA Mortgage Loan does not necessarily preclude a Borrower from obtaining a new CHFA Mortgage Loan, provided the Borrower meets the applicable insurer, guarantor, or Fannie Mae or Freddie Mac requirements associated with the particular loan program utilized.

CHFA is eligible for the Housing and Finance Authority (HFA) exemption to the CFPBs and other federal agencies' Ability-to-Repay (ATR) and Qualified Mortgage (QM) Rules. Nonetheless, CHFA continues to expect Participating Lenders to conduct a thorough underwriting analysis and document the consumer's ability to repay the loan. Because loans financed or administered by HFAs are exempt from the ATR rule, HFA loans are also not subject to the QM standard, or the subset of safe harbor or higher-priced mortgage loan (HPML) QMs. Similarly, HFA loans are not subject to FHA's QM standard, or the subset of FHA safe harbor and rebuttable presumption QMs. Accordingly, CHFA will purchase loans that fall into the category of HPML or FHA rebuttable presumption QMs.

Nonetheless, Participating Lenders must adhere to applicable investor, insurer, and guarantor guidelines with respect to points and fees limitations. As always, CHFA will not purchase any loans that meet any of the HOEPA coverage tests applicable to High-Cost Mortgages (12 CFR 1026.32). Further, total points and fees cannot exceed the lower of allowable investor/insurer/guarantor guidelines or 5 percent of the total loan amount. CHFA may have additional Borrower credit requirements for any and/or all CHFA Mortgage Loan Programs. See applicable Program matrices, and Chapter 4, Locking Loans, of this Guide for specific guidelines.

B. First-time Homebuyer

Some CHFA Programs are limited to First-time Homebuyers. A First-time Homebuyer is a Borrower who has had no present ownership interest in the Borrower's principal residence at any time during the three-year period ending on the date the mortgage is executed (i.e. the Mortgage Loan Closing Date). CHFA's First-time Homebuyer Programs may also be available to individuals who are not First-time Homebuyers if for the purchase by a Qualified Veteran (see definition) of such individual's principal residence in Colorado or for the purchase of the Borrower's principal residence located in a Targeted Area in Colorado.

C. Borrower Residency Status

All Mortgage Loans must be originated in compliance with the legal residency requirements of the applicable insurer or guarantor (FHA/VA/RD) or Fannie Mae or Freddie Mac. All Borrowers must have a valid Social Security number.

If the land on which the residence is located and any outbuilding located on such land are intended to be used in any trade or business activity that would qualify for Federal Income Tax purposes for a home office business expense deduction, then such use must be merely incidental to the use of the Property as the residence of the Borrower.

D. Occupancy

All Borrowers must intend to, and must, occupy the Property as their Principal Residence within 60 days after the Closing Date. Except for short-term leasebacks which expire within 60 days after the Closing Date, the Borrower may not rent or lease the Property during the term of the Mortgage Loan without the prior written consent of CHFA.

E. Income Limits

Borrowers' income must not exceed the applicable Income Limits associated with the particular CHFA Program under which they are seeking a Mortgage Loan. Income Limits are available on CHFA's website at www.chfainfo.com and are subject to change at any time.

F. Loan and Purchase Price Limits

Unless otherwise stated in the applicable Program matrix, the maximum total loan limit for all Mortgage Loans is the lower of the Fannie Mae conforming loan limit or the amount determined by the applicable insurer, guarantor, Fannie Mae, or Freddie Mac. The maximum total loan limit includes financed MI, MIP, VA Funding Fee, USDA-RD Guarantee Fee, or 203(k) rehab funds, as applicable. Not all Programs have Purchase Price limits. However, when a Program has Purchase Price limits, under no circumstances may a loan amount or acquisition cost of a Property exceed the Purchase Price available on CHFA's website at www.chfainfo.com.

G. Debt-to-Income (DTI) Ratio

In no event may a debt-to-income (DTI) limit exceed the lower of any CHFA DTI limit or the maximum DTI limit permitted by FHA, USDA-RD, VA, Fannie Mae, Freddie Mac, and/or the DTI limit determined by the Automated Underwriting System (AUS) findings, as applicable.

CHFA has the following DTI overlay maximums:

- 50.00% DTI for borrowers with a mid FICO of 620 to 659, or
- 55.00% DTI for borrowers with a mid FICO of 660 or above.

H. Ownership of other Residential Real Estate

Subject to applicable program requirements, Borrowers may have an ownership interest in one other residential property and still qualify for a CHFA Program loan, provided that such ownership is permissible under the requirements of the insurer or guarantor, or Fannie Mae or Freddie Mac, as applicable. Please refer to the program matrix for further details. The Property associated with the CHFA Loan must be owner-occupied and the Borrower's Principal Residence. Borrowers may only have one CHFA-financed Property at any one time.

1. Examples of "other residential property" are:
 - a. Cooperative
 - b. Farmhouse
 - c. Ranch home
 - d. Manufactured Housing permanently affixed to a foundation with title purged
 - e. Second home
 - f. Vacation home
 - g. Single-family investment property (one- to four-unit property)
2. The Borrower may own property not considered residential. Examples are:
 - a. Commercial property
 - b. Manufactured Housing not permanently affixed to a foundation
 - c. Timeshare
 - d. Vacant land

I. New Mortgage Loan

The Mortgage Loan must be a new mortgage and not used to replace an existing mortgage, except as provided below.

1. Repayment of a construction loan; or
2. Repayment of a construction to permanent loan, or other form of temporary financing with an initial term of 24 months or less.

J. Homebuyer Education

CHFA requires all Borrowers and Co-Borrowers to individually complete an online or classroom-based CHFA-approved Homebuyer Education course, provided by a CHFA-approved provider. Borrowers are strongly encouraged to complete this requirement early in the home buying process. CHFA reserves the right to not purchase or require repurchase if the Homebuyer Education requirement is not in compliance with insurer, guarantor, Fannie Mae and Freddie Mac requirements, as applicable.

Note: Online Homebuyer Education may not be appropriate for all Borrowers. The Participating Lender may direct a Borrower to a classroom-based course rather than the online course for several reasons, such as Mortgage Insurance incentives or the Borrower's lack of comfort and familiarity with the Internet. Whether to complete Homebuyer Education online or in a classroom is ultimately the Borrower's decision.

Reasonable accommodations are available at all CHFA-approved Homebuyer Education classes. Courses are available in English and Spanish. Contact the provider if further language interpretation services are needed. In addition, specialized homeownership counseling for persons with disabilities is available.

Homebuyer Education certificates are valid for 12 months. To meet the Homebuyer Education requirement, Borrowers must execute a purchase contract prior to expiration of the Homebuyer Education certificate.

The most current list of CHFA-approved in-person and online providers and a schedule of classroom dates are available on the CHFA website at www.chfainfo.com, or by calling 303.297.7376 or 888.320.3688.

K. Co-borrowers

CHFA permits Co-Borrowers if they:

1. Meet the CHFA eligibility requirements;
2. Take title to the Property;
3. Obligate themselves for the Mortgage Loan by signing the Promissory Note(s) and First Deed of Trust; and
4. Intend to occupy the Property as their Principal Residence.

L. Cosigners

CHFA does not permit Cosigners.

M. CHFA's Minimum Borrower Financial Contribution

1. CHFA requires Borrowers to make a Minimum Borrower Financial Contribution towards the purchase of the Property. The specific amount is specified in the applicable Program Matrix.
2. CHFA requires the Minimum Borrower Financial Contribution to be from the Borrower's own funds. However, the Minimum Borrower Financial Contribution can come from a gift, other than the CHFA DPA Grant or CHFA Second Mortgage Loan, if this is acceptable to the mortgage insurer or guarantor, or to Fannie Mae or Freddie Mac, as applicable, for conventional Mortgage Loans. The Minimum Borrower Financial Contribution cannot come from the proceeds of any subordinate Mortgage Loan, or from any new debt acquired by the Borrower, including credit card debt. Funds that come from a gift, including a gift of Seller's equity, must be documented according to the mortgage insurer or guarantor requirements, or according to applicable Fannie Mae or Freddie Mac requirements for conventional Mortgage Loans.

The following items, paid by the Borrower outside of closing, may be counted toward the Minimum Borrower Financial Contribution if documented on the Closing Disclosure.

- a. Earnest money deposit;
- b. Application, appraisal, or credit report fee paid to the Participating Lender;
- c. Home inspection fee, including fees paid for additional inspection services, such as sewer scopes, or structural engineer's report;
- d. Hazard and/or flood insurance premium paid outside of closing;
- e. For HUD Homes only, the closing agent's closing fee; and/or
- f. Any Homebuyer Education Fee for online Homebuyer Education.

A real estate agent fee, if any, paid by the Borrower cannot be counted toward the Minimum Borrower Financial Contribution.

N. Non-borrowing Individuals

CHFA does not permit non-borrowing spouses or others not obligated to the underlying mortgage loan to take title to the subject property.

O. Trust

All Mortgage Loans must close in each Borrowers' individual name and may not be closed in the name of a trust.

P. Borrower Participation in Address Confidentiality Program (ACP)

CHFA accepts a substitute address for any Borrower that participates in Colorado's Address Confidentiality Program (ACP). The Borrower is responsible for notifying the Participating Lender of their need to use a substitute address pursuant to the Colorado Address Confidentiality Act. To ensure compliance with the ACP, Participating Lender is responsible for notifying CHFA of the substitute address and providing a copy of the Borrower's valid ACP authorization card with the loan file.

section 202: property eligibility

A. Property Location

The Property must be located within the State of Colorado.

B. Property Interest

In addition to meeting all insurer, guarantor, Fannie Mae, and Freddie Mac requirements, as applicable, including those related to property interest requirements, a Borrower must own the improvements on the Property and have either a fee simple interest or leasehold interest in the land. CHFA does not permit real property interests that include, by virtue of such real property interest, an ownership interest in a company. For example, if Borrower's leasehold interest in the land requires Borrower also take an ownership interest in the lessor company and which ownership interest, whether in the form of a membership interest, shareholder interest or otherwise, is transferred to CHFA upon a foreclosure, then this would not meet CHFA's requirements.

C. Property Type

The Property type must be acceptable to CHFA and must also be acceptable to the applicable insurer or guarantor, or to Fannie Mae or Freddie Mac for conventional Mortgage Loans. Acceptable Property types to CHFA are single-family attached or detached homes; Planned Unit Developments (PUDs), attached or detached; townhomes; condominium units; Modular Homes; and Manufactured Housing on a permanent foundation, for which title has been purged as evidenced by either an Affidavit of Real Property or a Certificate of Permanent Location, as required in accordance with legal and regulatory requirements, including state statutes.

All condominium projects must meet insurer/guarantor or Fannie Mae or Freddie Mac guidelines. Required documentation may differ and is dependent on project specifications and review type. Lenders are responsible for determining and providing the necessary documentation to ensure that a project meets all applicable eligibility requirements.

For government loans (FHA, VA, and RD) project documentation must include:

- Evidence of project approval based on the applicable insurer/guarantor guidelines.

For conventional loans, project documentation must include, but is not limited to, the following:

- Condo Project Manager (CPM) Approval or CHFA Form 770, Condo Project Approval Certification;
- Current project budgets;
- Appraisal reports; and
- Evidence of required insurance policies and related documentation.

In addition, for all conventional loans, the Participating Lender must review the HOA projected budget and determine that it is adequate and provides for the funding of replacement reserves for capital expenditures and deferred maintenance in an amount that is at least 10 percent of the budget.

The Property may not consist of more than one (1) living unit. Two- to four-unit properties are not allowed. Except for CHFA FirstStep and CHFA HomeAccess programs, properties with an Accessory Dwelling Unit (ADU) are allowed, subject to applicable insurer, guarantor, Fannie Mae, or Freddie Mac requirements, as applicable.

The maximum permissible acreage is the acreage allowed under insurer/guarantor guidelines, or Fannie Mae or Freddie Mac requirements or 50 acres, whichever is less. Under no circumstance may a property exceed 50 acres.

For Property where the land also has an income-producing component, the income-producing component must be incidental to the primary use of the Property as the Borrower's Principal Residence. The income-producing component may not be financed with the First Mortgage Loan.

For homes that also have outbuildings, such as barns, chicken coops, sheds, lean-tos, corrals, workshops, or studios (in a separate building), no downward adjustment in the First Mortgage Loan amount is necessary if outbuildings are customary for the area. If outbuildings are not customary for the area, the Participating Lender must reduce the First Mortgage Loan amount by the amount the value of the outbuilding.

Homes with cisterns as the only water source are acceptable provided it meets insurer or guarantor, or Fannie Mae or Freddie Mac guidelines, as applicable.

For a Manufactured Home to be an eligible Property, title must be purged (if a title was issued), and the Manufactured Home must be permanently affixed to real property in accordance with Colorado law (C.R.S. 38-29-101 et. seq). The Colorado Division of Property Taxation website has Manufactured Home forms available.

Either an Affidavit of Real Property for a Manufactured Home or a Certificate of Permanent Location for a Manufactured Home, as required in accordance with applicable legal and regulatory requirements, including state statutes, must be provided at Loan Purchase if available; or if not yet available, the Participating Lender must provide copies of the documents that are being processed with the local officials. A copy of the recorded Certificate of Permanent Location or Affidavit of Real Property for a Manufactured Home, as applicable, must be provided to CHFA within 60 days after the Closing Date.

If the Property is in a Leasehold or Land Trust, or the Property will be subject to a Deed Restriction, or Affordable Housing Covenant, then the Property or project must first be approved by the insurer or guarantor (FHA, RD, or VA), or by Fannie Mae or Freddie Mac, as applicable, for conventional mortgage loans, and written evidence of approval deemed acceptable by CHFA, or CHFA Form 780, must be submitted to CHFA.

CHFA does not currently accept property inspection waivers (PIW); all properties must have a full appraisal that conforms, as applicable, with insurer, guarantor, Fannie Mae, Freddie Mac, and/or Ginne Mae requirements, as well as any other applicable legal and regulatory requirements.

Consistent with Colorado state law, private transfer fees are prohibited for all CHFA residential mortgage programs.

D. Business Use of Property

No more than 15 percent of the total finished enclosed area of a residence may be used primarily in any trade or business activity that would qualify for Federal Income Tax purposes for a home office business expense deduction.

If the land on which the residence is located and any outbuilding located on such land are intended to be used in any trade or business activity that would qualify for Federal Income Tax purposes for a home office business expense deduction, then such use must be merely incidental to the use of the Property as the residence of the Borrower.

section 203: property eligibility - attached projects

For all Mortgage Loans to finance condominium units, the Participating Lender must include the following documentation:

1. For FHA-insured loans, a copy of the current HUD Review and Approval Process (HRAP) or Direct Endorsement Lender Review and Approval Process (DELRAP). CHFA will accept a Single Unit Approval when applicable and permitted by FHA, including all required supporting documentation. For conventional loans, Condo Project Manager (CPM) Approval, lender full review, or limited review, or such other reviews as required by Fannie Mae or Freddie Mac, as applicable, must be provided, using CHFA Form 770, Condo Project Approval Certification. CHFA will also require any additional documents mandated by insurer/guarantor guidelines.
2. A copy of the blanket insurance policy. The blanket or master condominium and unit policies must meet applicable insurer and guarantor guidelines, including Fannie Mae or Freddie Mac for conventional loans.
3. A copy of HO-6 policy aka "walls-in" coverage policy, unless the Participating Lender can document that the master policy provides interior unit coverage, including replacement of interior improvements and betterment coverage to insure improvements that the Borrower has made to the unit. The HO-6 coverage amount must meet the applicable guidelines of the insurer or guarantor, or Fannie Mae or Freddie Mac for conventional loans.

A. Investor and Insurer/Guarantor Representations and Warranties

With respect to each Mortgage Loan submitted to CHFA, the Participating Lender will be deemed to be providing CHFA the same representations and warranties that are provided by CHFA to the applicable insurer/guarantor or investor. In addition to meeting the insurer/ guarantor and investor requirements, Properties must conform to all CHFA guidelines and property standards, as well as other statutory, regulatory and compliance requirements.

B. Project Saturation

CHFA reserves the right to limit the number of Mortgage Loans CHFA will Purchase, secured by

Property in a single family attached project, any condominium project, Planned Unit Development (PUD), or party wall project.

C. Conditions or Suspensions

CHFA reserves the right to condition or suspend its Purchase of Mortgage Loans in a particular condominium project, PUD, or party wall project at any time.

section 300: general information

CHFA finances its single family production through various vehicles, which include the issuance and sale of Ginnie Mae mortgage-backed securities (MBS), the sale of whole loans to Fannie Mae and Freddie Mac®, the process of swapping loans for the issuance of a Fannie Mae or Freddie Mac MBS, and the issuance of Taxable and Tax-exempt Mortgage Revenue Bonds.

Programs funded with Tax-exempt Bond proceeds (Tax-exempt Programs) and Mortgage Credit Certificates (MCCs) are subject to the Recapture Tax Provision. Refer to Chapter 11, Recapture Tax Provision, for more information. If the funding for a Program is not a Tax-exempt Program or an MCC Program, it is not subject to the Recapture Tax Provision.

section 301: eligible mortgage loan types

CHFA permits a variety of First Mortgage Loan types for CHFA Programs. CHFA reserves the right to suspend or limit the number of Locks received for each loan type or each Program.

A. FHA-insured Mortgage Loans

CHFA Purchases FHA-insured First Mortgage Loans. The Participating Lender must underwrite First Mortgage Loans in accordance with FHA guidelines. The Participating Lender is responsible for securing the FHA insurance on all FHA First Mortgage Loans. The full loan amount on the First Mortgage Loan Promissory Note must be insured.

B. VA-guaranteed Mortgage Loans

CHFA Purchases VA-guaranteed First Mortgage Loans. The Participating Lender must underwrite the First Mortgage Loan in accordance with VA guidelines.

The Participating Lender is responsible for securing the VA mortgage guaranty on all VA First Mortgage Loans. The VA guaranty must be based on the entire First Mortgage Loan amount, and the VA guaranty and the Borrower's down payment must total at least 25 percent of either the purchase price of the Property, or the value on the Certificate of Reasonable Value (CRV), whichever is less. The unguaranteed portion of the First Mortgage Loan cannot be greater than 75 percent of the lesser of the purchase price or the appraised value of the Property. The full amount of the veteran Borrower's available guaranty must be applied to the First Mortgage Loan. The funding fee charged by VA must not be included in this calculation.

The cash down payment must also include the amount, if any, by which the purchase price exceeds the CRV. Loan amounts for the simultaneous purchase of a home and energy conservation improvements are based solely on the CRV amount. The cash down payment may not be derived from a second mortgage on the Property.

C. USDA-RD-guaranteed

CHFA Purchases USDA-RD-guaranteed First Mortgage Loans underwritten to USDA-RD requirements.

The Participating Lender is responsible for securing the USDA-RD mortgage guarantee on all USDA-RD First Mortgage Loans. USDA-RD-guaranteed First Mortgage Loans originated for sale to CHFA must be guaranteed for the maximum amount allowed by USDA-RD and must be originated in compliance with applicable USDA-RD guidelines.

D. Conventional Mortgage Loans

CHFA purchases conventional First Mortgage Loans underwritten according to the requirements of Fannie Mae and Freddie Mac, as applicable. Fannie Mae loans must be underwritten via Desktop Underwriter® (DU) with an “Approve/Eligible” and Freddie Mac loans must be underwritten via Loan Product AdvisorSM with a risk class of “Accept.”

Mortgage insurance provided by a Private Mortgage Insurance company is required when the loan-to-value (LTV) ratio of the Mortgage Loan is greater than 80 percent (80%). The LTV ratio is determined by dividing the Mortgage Loan amount by the lesser of the sales price or appraised value of the Property. It is the Participating Lender’s responsibility to secure the Private Mortgage Insurance when required. The mortgage insurance premium must be paid to the private mortgage insurer according to the private mortgage insurer’s requirements. The private mortgage insurer must approve the First Mortgage Loan according to their underwriting guidelines. Refer to the website, www.chfainfo.com, for approved Private Mortgage Insurance companies and to Chapter 7, Purchase Procedures, for coverage requirements.

1. Program Requirements

- a. By delivering conventional First Mortgage Loans, the Participating Lender represents and warrants the following:
 - i. The Participating Lender will underwrite conventional First Mortgage Loans only through DU or Loan Product Advisor, as applicable;
 - ii. Each conventional First Mortgage Loan that the Participating Lender sells to CHFA will have an “Approve/Eligible” DU recommendation or an acceptable Indicator Score from Loan Product Advisor, as applicable;
 - iii. The appraisal submitted by the Participating Lender to CHFA in the loan file for each conventional First Mortgage Loan is: (i) an exact copy of the final version of such appraisal report uploaded to the Uniform Collateral Data Portal® (UCDP®); and (ii) accurately reflected in the UCDP® Submission Summary Report and Appraisal Findings Detail Report;
 - iv. Each conventional First Mortgage Loan sold to CHFA complies with Fannie Mae and Freddie Mac Uniform Closing Dataset requirements, and the UCD Feedback Certificate provided to CHFA is an exact copy of the final UCD Feedback Certificate received for the subject loan; and
 - v. The Participating Lender has fully complied with any and all Program requirements, including those listed in the Program Matrix, as applicable.
- b. Underwriting Responsibility. By participating in the CHFA Preferred Program, the Participating Lender acknowledges and agrees that:
 - i. CHFA’s DU license is for the purpose of allowing eligible Participating Lenders that do not possess a DU license of their own to underwrite Fannie Mae Loans through CHFA’s sponsorship under DU; and
 - ii. Notwithstanding CHFA’s DU license, CHFA shall in no event be deemed a credit underwriter, or otherwise involved in any manner with the underwriting, of conventional First Mortgage Loans.

- c. DU and Loan Product Advisor Submittals. Under CHFA Preferred, a Participating Lender's submittal to DU or Loan Product Advisor as of the time of the DU or Loan Product Advisor recommendation shall contain the same information provided by the Participating Lender to CHFA in its program compliance submittal. If the Participating Lender submits to DU or Loan Product Advisor any changes to such information after the DU or Loan Product Advisor recommendation, the Participating Lender must provide such information, including but not limited to, all new reports and the results of the resubmission to CHFA for approval prior to, and as a condition of, CHFA's purchase of such conventional First Mortgage Loan.
- d. DU Fees. The Participating Lender shall be fully responsible for prompt payment of any and all fees from the Participating Lender's use of DU in connection with CHFA (DU Technology Fees), regardless of whether such fees are charged to the Participating Lender directly or to CHFA. Any such DU Technology Fees which are charged directly to CHFA may, in CHFA's sole discretion, be deducted from the proceeds owed by CHFA to the Participating Lender for such Loan purchase. Such deduction shall be reflected in the Purchase Advice for the applicable loan. The Participating Lender agrees to not pass on to its Borrowers any DU Technology Fees incurred in the Participating Lender's use, if any, of CHFA's DU sponsorship.
- e. UCD Feedback Certificate. All loans originated for sale to CHFA must comply with Fannie Mae and Freddie Mac requirements with regard to the submission of the UCD casefile. Specifically, CHFA requires the Participating Lender to upload the UCD XML data file to Fannie Mae or Freddie Mac prior to CHFA's prefunding loan file review. Participating Lenders do not have to transfer the UCD File to CHFA. However, Participating Lenders must provide CHFA with the UCD Feedback Certificate showing a successful UCD response at prefunding prior to purchase of the loan by CHFA. If the Participating Lender issues a post-consummation Closing Disclosure, it must resubmit the UCD file directly to Fannie/Freddie and obtain a new UCD Feedback Certificate. The updated UCD Feedback Certificate showing a successful UCD response and the post consummation Closing Disclosure must be provided to CHFA.
- f. IRS Tax Transcripts. Most recent two years' tax transcripts are required for all Borrowers utilizing the CHFA Preferred Program, CHFA Preferred Plus Program, or CHFA Preferred Very Low Income Program. The most recent tax transcripts must be provided. If not available (due to a recent filing or extension) a copy of the IRS notice showing "No record of return filed" is required.

Additionally, a properly executed 4506-C for all Borrowers is still required for all CHFA programs.

section 302: special financing enhancements

CHFA permits and/or provides a variety of financing enhancements for its Programs.

A. Interest Rate Buydowns

CHFA does not permit a temporary or permanent Interest Rate buydown of a First Mortgage Loan. In addition, discount points are not permitted.

B. Seller Contribution

Any Seller contribution toward reasonable and customary closing costs and/or prepaids associated with a Borrower's acquisition of a Property may not exceed the maximum allowed by the applicable insurer or guarantor, or Fannie Mae or Freddie Mac if the Mortgage Loan is a conventional loan.

C. Subordinate Liens

CHFA permits subordinate liens behind the CHFA First Mortgage and any CHFA Second Mortgage Loan to assist Borrowers with down payment and closing costs. The additional sources of assistance must meet applicable insurer or guarantor, or Fannie Mae or Freddie Mac guidelines. Any repayment of any assistance loans must be included by the Participating Lender in the housing payment-to-income ratio.

D. Loan Assumptions

If authorized by the investor, insurer and/or guarantor, CHFA First Mortgage Loans may be assumed by qualified Borrowers meeting CHFA Income requirements, and any other eligibility requirements applicable to the Program at the time of the assumption. CHFA Second Mortgage Loans are not assumable.

CHFA Loan Servicing at 855.587.8655 can provide additional Assumption information.

section 303: pool insurance

CHFA may require pool insurance on Mortgage Loans. Pool insurance coverage is in addition to Private Mortgage Insurance coverage. If CHFA requires pool Insurance, CHFA will notify the Participating Lenders with directions on submitting credit packages to the pool insurer. Pool insurance premiums are paid by CHFA and are not directly charged to Participating Lenders or Borrowers.

section 304: chfa down payment assistance options

CHFA Down Payment Assistance options may not be combined in a single loan transaction (i.e., a Borrower may not receive both a CHFA DPA Grant and a CHFA Second Mortgage Loan).

A. CHFA Down Payment Assistance Grant

In the Programs listed below, CHFA offers Down Payment Assistance Grants (DPA Grants) to its Borrowers utilizing a CHFA First Mortgage Loan to purchase a home. The CHFA DPA Grants:

- Are non-repayable;
- May not exceed the lesser of \$25,000 or 3 percent of the CHFA First Mortgage Loan's OPB, rounded down to the nearest dollar (including financed MI, MIP, VA Funding Fee, USDA-RD Guarantee Fee, or 203(k) rehabilitation and repair funds, as applicable);
- May be used toward down payment, closing costs, prepaids, and/or principal reductions provided all applicable insurer, guarantor, or Fannie Mae or Freddie Mac requirements are met; and
- Will not be secured by a lien.

The grants are available in the following Programs:

- CHFA SmartStep Plussm
- CHFA SectionEightsm Homeownership Plus

The CHFA DPA Grant may not be used to fund CHFA's Minimum Borrower Financial Contribution, pay off debt, pay for any additional real estate broker or agent fees, fund escrow repairs, or to cover gaps between the appraised value and sales price.

CHFA will not fund any CHFA DPA Grant unless CHFA purchases the corresponding First Mortgage Loan. If CHFA does not purchase a First Mortgage Loan, the CHFA DPA Grant will be the responsibility of the Participating Lender. The foregoing requirements may be subject to exception, as determined by CHFA, such as for compliance with any applicable government insurer down payment assistance mandates.

B. CHFA DPA Second Mortgage Loan Program

In the Programs listed below, CHFA offers CHFA DPA Second Mortgage Loans to Borrowers utilizing a CHFA mortgage loan to purchase a home. The CHFA Second Mortgage Loans:

- Have a zero percent (0%) interest rate
- May not exceed the lesser of \$25,000 or 4 percent of the CHFA First Mortgage Loan's OPB, rounded down to the nearest dollar (including financed MI, MIP, VA Funding Fee, USDA-RD Guarantee Fee, or 203(k) rehabilitation and repair funds, as applicable);
- Repayment is deferred 30 years or until the maturity date, whichever occurs earlier, in accordance with the terms of the loan documents;
- May be used toward down payment, closing costs, prepaids, and/or principal reductions provided all insurer, guarantor, or Fannie Mae or Freddie Mac requirements are met; and
- Will be secured by a lien.

CHFA DPA Second Mortgage Loans are available in the following Programs:

- CHFA Preferred Plussm
- CHFA FirstStep Plussm
- CHFA SmartStep Plussm
- CHFA SectionEightsm Homeownership Plus
- Colorado HFA1 Plussm

The CHFA DPA Second Mortgage Loan may not be used to fund CHFA's Minimum Borrower Financial Contribution, pay off debt, pay for any additional real estate broker or agent fees, fund escrow repairs, or to cover gaps between the appraised value and sales price. In addition, the CHFA DPA Second Mortgage Loan may not be applied toward the cash down payment calculation to meet the 25 percent VA guaranty requirement.

Unless otherwise stated in the applicable Program matrix, when the First Mortgage Loan is subject to the Recapture Tax Provision, the corresponding CHFA DPA Second Mortgage Loan is as well.

1. CHFA DPA Second Mortgage Loan Terms

Typically, CHFA DPA Second Mortgage Loans are originated for up to 4 percent of the First Mortgage Loan's OPB at a zero percent Interest Rate and are subordinate to the CHFA First Mortgage.

The exact amount to be borrowed should be determined by the Participating Lender based on the Borrower's need (cash required to close) less CHFA's Minimum Borrower Financial Contribution.

a. Maturity

Payment on the CHFA DPA Second Mortgage Loan is due in full on the earlier of

- i. Thirty years from the date of the CHFA DPA Second Mortgage Loan; (ii) the date the promissory note, secured by the First Deed of Trust encumbering the Property is paid in full, either by voluntary prepayment, acceleration, or foreclosure; (iii) the date the Borrower assigns, transfers, or conveys all or any part of his/her interest in the Property; or (iv) the date the Borrower ceases to occupy the Property as his/her principal residence. Such date is called the "Maturity Date" as defined in the CHFA Second Mortgage Loan documents.

b. Subordinations

The CHFA DPA Second Mortgage Loan may not be subordinated.

c. Repayment

The CHFA DPA Second Mortgage Loan is due upon refinance of the CHFA First Mortgage Loan or on the maturity date in accordance with the terms of the loan documents. The CHFA DPA Second Mortgage Loan may be prepaid at any time without penalty.

2. Reimbursement Requirements

CHFA DPA Second Mortgage Loans are closed in CHFA's name and funded at closing by the Participating Lender, and later reimbursed by CHFA in conjunction with the Purchase of the First Mortgage Loan.

CHFA will not fund any CHFA DPA Second Mortgage Loan unless CHFA Purchases the corresponding First Mortgage Loan. If CHFA does not Purchase a First Mortgage Loan, the CHFA DPA Second Mortgage Loan will be assigned to the Participating Lender. The foregoing requirements may be subject to exception, as determined by CHFA, such as for compliance with any applicable government insurer down payment assistance mandates.

If the Participating Lender is required to Repurchase the First Mortgage Loan, the Participating Lender may be required to Purchase the CHFA DPA Second Mortgage Loan encumbering the subject Property.

Participating Lenders must submit the following fully executed documents to CHFA:

- a. CHFA Form 305, CHFA Second Mortgage Loan Promissory Note,
- b. CHFA Form 310, CHFA Second Mortgage Loan Deed of Trust,
- c. Second Mortgage Loan Estimate or Good Faith Estimate, as applicable; and
- d. Second Mortgage Loan Closing Disclosure or HUD-1 Settlement Statement, as applicable.

An Assignment of Deed of Trust for the CHFA Second Deed of Trust is not required as the CHFA DPA Second Mortgage Loan is closed by the Participating Lender in CHFA's name.

Title Insurance is not required on the CHFA DPA Second Mortgage Loan.

CHFA relies on its Participating Lenders to comply with any and all applicable legal and regulatory disclosure requirements. As such, Participating Lenders should follow their company's compliance and/or legal guidelines regarding TRID and RESPA. If a Mortgage Loan is for any reason found not to be in compliance with such disclosure requirements, it will be subject to Repurchase.

C. CHFA HomeAccess Second Mortgage Loan Program

Under the CHFA HomeAccess Program, Borrowers may use a CHFA HomeAccess Second Mortgage Loan including for down payment and closing cost assistance in conjunction with the First Mortgage Loan. Because the First Mortgage Loan is subject to the Recapture Tax Provision, the corresponding CHFA HomeAccess Second Mortgage Loan is as well.

The CHFA HomeAccess Second Mortgage Loan is applied to the upfront cash requirements of closing the First Mortgage Loan, which may include down payment, closing costs, prepaids, and/or principal reductions provided all applicable insurer, guarantor, or Fannie Mae or Freddie Mac requirements are met.

The CHFA HomeAccess Second Mortgage may not be used to fund CHFA's Minimum Borrower Financial Contribution, pay off debt, pay for any additional real estate broker or agent fees, fund escrow repairs, or to cover gaps between the appraised value and sales price. In addition, the CHFA DPA Second Mortgage Loan may not be applied toward the cash down payment calculation to meet the 25 percent VA guaranty requirement.

The CHFA HomeAccess Second Mortgage may not be used to fund CHFA's Minimum Borrower Financial Contribution or any additional real estate broker or agent fees.

CHFA may pay Participating Lenders a premium for every CHFA HomeAccess Second Mortgage Loan funded in conjunction with a CHFA First Mortgage Loan.

CHFA's HomeAccess Second Mortgage Loans for down payment and/or closing cost assistance include the following terms:

- Zero percent (0%) interest rate;
- Maximum loan amount of \$25,000;
- Payment of \$200 per month will be deferred up to 360 months, otherwise, payment in full is due upon the occurrence of certain triggering events (e.g. payoff of the related HomeAccess First Mortgage Loan, either by voluntary prepayment, acceleration, or foreclosure); and
- No prepayment penalty.

The exact amount to be borrowed should be determined by the Participating Lender based on the Borrower's need (cash required to close), less CHFA's Minimum Borrower Financial Contribution. CHFA HomeAccess Second Mortgage Loans are closed in CHFA's name and funded at closing by the Participating Lender, which is later reimbursed by CHFA in conjunction with the Purchase of the First Mortgage Loan.

Any such custodial parent or legal guardian must also, at the time of closing, have the legal right for and intend for the individual with a permanent disability to live in the home purchased using the HomeAccess Loan Program at least 50 percent of the year for the duration of the HomeAccess Loan term.

Permanent Disability of an adult is a permanent impairment as described by the most current Disability Evaluation Under Social Security Listing of Impairments - Adult Listings (Part A). Part A is applicable to individuals age 18 and over and to children under age 18 where criteria are appropriate. <http://www.ssa.gov/disability/professionals/bluebook/AdultListings.htm>

Permanent Disability of a child is defined by the most current Disability Evaluation Under Social Security Listing of Impairments - Childhood Listings (Part B). This provides medical criteria for the evaluation of impairments of children under age 18 (where criteria in Part A - Adult listings do not give appropriate consideration to the particular disease process in childhood).
<http://www.ssa.gov/disability/professionals/bluebook/ChildhoodListings.htm>

The following items are acceptable proof of disability:

The CHFA HomeAccess Program may not be combined with any Mortgage Credit Certificate (MCC) program.

B. Originating a Mortgage Loan in the CHFA HomeAccess Program

Only CHFA HomeAccess approved loan officers of Participating Lenders approved to originate Mortgage Loans in the CHFA HomeAccess Program may make Locks for this Program and agree to the following:

1. Participating Lender's staff or representatives who are designated to underwrite, review, process, or otherwise work on CHFA HomeAccess Program loans, in any manner, must be trained and approved by CHFA to participate in the CHFA HomeAccess Program.
2. Participating Lender understands the complexity of the program requirements and the requirements of the Borrowers and is aware of the uniqueness of the CHFA HomeAccess Program

compared to other CHFA Programs with respect to the timing of specific activities, reservation processes, and documentation and underwriting requirements.

3. Participating Lender understands that the optional CHFA HomeAccess Program Second Mortgage is at different rates and terms than other CHFA Second Mortgages or the CHFA DPA Grant.
4. Participating Lender is aware that there may be differences in the Participating Lender compensation for this program.

C. Income and Purchase Price Limits

The Gross Annual Income Limit is determined by the area where the Property is located and is adjusted for household size. The income of Live-in Aides who are not family members is not included in the determination of Gross Annual Household Income. Purchase Price Limits are also determined by the area where the Property is located. Income and Purchase Price Limits are on the website at www.chfainfo.com.

Gross Annual Income is equal to the current total gross annual income for all loan applicants [i.e. borrower(s) and co-borrower(s)], any spouse or civil union partner of any Borrower or co-borrower who will live in the residence, and any other individual expected to both live in the residence and to be secondarily liable for the Mortgage Loan, such as a guarantor or co-signor, if applicable. Note, CHFA does not currently allow guarantors or co-signors under any of its single-family mortgage loan programs.

If the loan application indicates that the Borrower or co-borrower is married or in a civil union, the income of the specified spouse/civil union partner who will occupy the property must be included. All sources of income for all such individuals, from whatever source derived and before taxes or withholdings, calculated in the manner required by Section 143(f)(2) of the Code, must be included. Refer to Chapter 5 of this Guide for more information.

D. Purchase Requirements

Mortgage Loans in the CHFA HomeAccess Program must meet Purchase requirements as stated in Chapter 7, Purchase Procedures.

E. First Mortgage Loan Terms

Only FHA, VA, and RD loans are eligible for the CHFA HomeAccess Program. The CHFA HomeAccess First Mortgage Loan must have a 30-year term, have a fixed Interest Rate, and be fully amortizing.

Borrowers may choose to make payments on the First Mortgage Loan via an automatic withdrawal, or Automatic Payment Program (APP) payment. To initiate APP payments, CHFA requires a voided check attached to a completed Automatic Payment Authorization Agreement, available on the website at www.chfainfo.com.

Borrowers who select the APP payment option must make Mortgage Loan payments via APP throughout the term of the Mortgage Loan.

F. Due on Sale and Assumption Provisions

1. Due on Sale. The CHFA HomeAccess First and/or Second Mortgage Loan(s) is/are due upon the sale of the Property, the refinance of the First Mortgage Loan, the transfer of title, or if the property is no longer the Borrower's Principal Residence.

The option described above shall not be exercised by the Lender under the following circumstances: (a) the Borrower fails to occupy the Property as Borrower's principal residence,

however the Property remains the principal residence of the Person with a Disability; or (b) the Person with a Disability dies or no longer occupies the Property as their principal residence due to their impairment, and the Property continues to be occupied as a principal residence by a member of the Person with a Disability's immediate family or at least one Borrower. "Person with a Disability" as used herein means that certain person with a permanent impairment which made the Borrower eligible for the CHFA HomeAccess Program loan evidenced by the Note and the Deed of Trust, and whom was at the time of the Loan application intended to benefit from the Loan.

2. Assumptions. The CHFA First Mortgage Loan is assumable, subject to the assumptor's eligibility as it relates to CHFA HomeAccess program income limits, purchase price limits, and First-time Homebuyer status at the time of assumption, credit qualification, and CHFA approval. HomeAccess Second Mortgage Loan is not assumable even if an assumptor is assuming the CHFA First Mortgage Loan. Additional liens may be subordinate to the CHFA HomeAccess Second Mortgage Loan.

section 309: chfa sectioneightsm homeownership and sectioneightsm homeownership plus

A. Overview

The CHFA SectionEight Homeownership Program (CHFA SectionEight) offers First-time Homebuyers who are currently receiving tenant-based Section 8 Housing Assistance Payments (HAP) from a participating Public Housing Authority (PHA) the opportunity to become homeowners if the PHA participates in HUD's Housing Choice Voucher program. The monthly HAP assists qualified families with their monthly homeownership expenses.

HUD's Housing Choice Voucher Homeownership program is a voluntary program offered by HUD through participating PHAs as part of their current HAP voucher program and must follow the HUD guidelines as described in 24 CFR Part 982, and as otherwise updated by HUD and stated in this Chapter.

The First Mortgage Loan must be a 30-year term, fixed Interest Rate, and fully amortizing. Acceptable Mortgage Loan types include FHA or RD.

The CHFA SectionEight Homeownership product does not provide any form of down payment assistance. The CHFA SectionEight Homeownership Plus product includes either the CHFA DPA Grant or CHFA DPA Second Mortgage Loan.

B. Originating a Mortgage Loan in the CHFA SectionEight Homeownership Program

Only CHFA SectionEight Homeownership approved loan officers of Participating Lenders approved to originate Mortgage Loans in the CHFA SectionEight Homeownership Program may make Locks for this Program and agree to the following:

1. Participating Lender's staff or representatives who are designated to underwrite, review, process or otherwise work on CHFA SectionEight Homeownership Program loans, in any manner, must be trained and approved by CHFA to participate in the CHFA SectionEight Homeownership Program.
2. Participating Lender understands the complexity of the program requirements and the requirements of the Borrowers and is aware of the uniqueness of the CHFA SectionEight

Homeownership Program compared to other CHFA Programs with respect to the timing of specific activities, reservation processes, and documentation and underwriting requirements.

3. Participating Lender is familiar with HUD Section 8 program requirements.
4. Participating Lenders must be able to originate, and service in the case of a loan repurchase from CHFA, HUD Section 8 loans, as such loans are permitted in the CHFA SectionEight Homeownership Program.
5. Participating Lender understands that CHFA SectionEight Homeownership Program loans must be manually underwritten; an automated underwriting system may not be used.

C. Borrower Eligibility

Borrowers participating in the CHFA SectionEight Homeownership Program must meet all criteria set forth in Chapter 2, Eligibility Requirements.

The Applicant's participation in the participating Public Housing Authority's (PHA) Housing Choice Voucher Homeownership program is voluntary. To be eligible for the Housing Choice Voucher Homeownership program, the Applicant must fulfill the Program's initial qualifications, which include, but are not limited to:

1. Receive tenant-based Section 8 rental vouchers for at least one (1) year prior to application.
2. Have no more than three (3) recertifications of their rental voucher in the 12 months prior to application.
3. Meet CHFA's First-time Homebuyer requirements.
4. Must demonstrate sufficient income to meet any minimum income standard set by HUD or the PHAs.
5. No family member may have a present ownership interest in a residence at commencement of homeownership assistance (current homeowners are not eligible for the program.)

D. Requirements Prior to Making a Lock

Before making a Lock in the CHFA SectionEight Homeownership or CHFA SectionEight Homeownership Plus Programs, Participating Lenders must determine that the Borrower meets the following criteria:

1. The Borrower has completed a Mortgage Loan application with a CHFA SectionEight Homeownership approved Participating Lender that makes a determination that the Borrower is qualified to buy the Property identified in the purchase contract.
2. The Borrower has a fully executed purchase contract on a Property that is eligible for the Program.
3. The Borrower meets the Income Limits for the Program.
4. The Borrower has the funds available, or will have by the time of Mortgage Loan closing, for CHFA's Minimum Borrower Financial Contribution. Gift funds, other than funds from the CHFA DPA Grant, are acceptable if acceptable to the mortgage insurer or guarantor. PHAs may require a Borrower contribution in excess of CHFA's Minimum Borrower Financial Contribution. Contact the PHA directly for complete program guidelines.

5. The Borrower must provide a letter of readiness and proof of receipt of tenant-based Section 8 Housing Assistance Payments (HAP) from a participating, and CHFA-approved, Public Housing Authority (PHA). A list of current CHFA-eligible participating PHAs is available on www.chfainfo.com.
6. Section 8 income may not be grossed up. The applicant's Section 8 HAP may change based upon their annual or interim recertification of income, which is determined by the PHA.

E. Section 8 Income

Borrowers receiving Section 8 assistance from a CHFA-approved PHA may use their monthly assistance to help them qualify for a Mortgage Loan in the CHFA SectionEight Homeownership and CHFA HomeAccess Programs. Applicants may be subject to a separate agreement with the PHA. Applicants should provide the Participating Lender with a letter of readiness from the PHA verifying the Applicant's eligibility to participate in the Housing Choice Voucher Homeownership Program and CHFA's SectionEight Homeownership or CHFA HomeAccess Programs.

The Applicant's Section 8 HAP may change based upon their annual or interim recertification of income, which is determined by the PHA.

Applicants are ultimately responsible for the entire payment on the First Mortgage Loan and any Second Mortgage Loan.

HAP payments are applied as an "offset" against the Borrower's First Mortgage Loan payment during loan qualification. The Applicant is responsible for the First Mortgage payment, less the amount of the HAP payment. The HAP payment must be paid directly to CHFA by the PHA.

The PHA must certify that the HAP payments will be sent directly to CHFA. Additionally, the PHA must certify there have been no more than three (3) rental re-certifications in the prior 12 months before application. Borrowers with more than three (3) re-certifications are deemed to not have a stable financial situation and are therefore not eligible to participate in the CHFA SectionEight Homeownership program.

F. Mortgage Loan Payments

The PHA must follow CHFA's method for delivering Section 8 funds to CHFA on behalf of the Borrower. The Participating Lender must explain to the Borrower that he or she will be responsible for forwarding any additional personal funds to CHFA in the amount needed to satisfy the entire monthly mortgage payment, and that the Borrower is ultimately responsible for ensuring timely delivery of the entire monthly payment. All payments received by CHFA after the fifteenth (15th) day of the month will be charged a late fee. PHA payments should be mailed directly to:

Borrowers participating in the Colorado HFA1 Program must meet all applicable criteria set forth in Chapter 2, Eligibility Requirements.

B. First Mortgage Terms

The First Mortgage Loan must have a 30-year term, a fixed Interest Rate, and be fully amortizing. Acceptable Mortgage Loan types include FHA, VA, USDA-RD, Fannie Mae (HFA Preferred), or Freddie Mac (HFA Advantage) purchase loans.

section 311: chfa overlays

Unless specifically stated in the Mortgage Purchase Agreement, Seller's Guide, eNews, and/or applicable Program Matrix, no additional overlays exist. CHFA relies on its Participating Lenders to determine whether borrowers are eligible under the guidelines of the insurer, guarantor, Fannie Mae, Freddie Mac, or the IRS, as applicable. Additionally, Participating Lenders remain responsible for compliance with any and all other applicable legal and regulatory requirements and guidelines, as updated from time to time, including IRS requirements for qualified mortgage revenue bonds.

chapter 4

locking loans

section 400: general lock information

CHFA accepts Locks from Participating Lenders at the specified interest rate, as confirmed by such Lock, and for a specific Property and Borrower intending to purchase a home. The Lock is associated with the Borrower, Participating Lender, and Property. All Mortgage Loans should be delivered to CHFA for purchase review within 10 calendar days of the closing date at the locked Interest Rate. CHFA is under no obligation to purchase a Mortgage Loan if the Interest Rate differs from the locked Interest Rate. Additionally, if a Mortgage Loan is not purchased by CHFA prior to Lock Expiration, CHFA may decline to purchase the Mortgage Loan.

The loan Delivery period is 60 calendar days from the date of Lock through the Lock Expiration date. Participating Lenders that lock a Mortgage Loan must close the Loan, deliver all required documents to CHFA for review, and have the loan purchased by CHFA prior to Lock Expiration.

CHFA expects “best effort delivery” from Lock to the Loan Closing Date, and “mandatory delivery” from the Loan Closing Date to Purchase.

section 401: interest rates

Interest Rates are published on HomeConnectionsm and made available to subscribing Participating Lenders via a daily email. Interest Rates are subject to change without prior notice.

Interest rates are intended for CHFA’s Participating Lenders only. Dissemination and/or publicly posting of CHFA rates is prohibited.

Participating Lenders are solely responsible for ensuring any loan locked under a CHFA loan program meets the applicable interest rate cap, if any.

section 402: making a lock

CHFA accepts Locks through HomeConnection, located on CHFA’s website at www.chfainfo.com. HomeConnection Locks may be made on Business Days from 9:30am to 10:00pm MT, with the exception of scheduled or unscheduled system maintenance.

CHFA permits Participating Lenders to make Locks for Borrowers for a specific Program who meet the following criteria:

- A. The Borrower has completed a Mortgage Loan application with a Participating Lender, which makes a preliminary determination that the Borrower is credit-worthy and qualified for the Mortgage Loan (CHFA strongly urges Participating Lenders to obtain full loan approval prior to making a Lock);

- B. The Borrower has a fully executed purchase contract for a Property and the Property meets eligibility criteria for the Program;
- C. The Participating Lender has determined that the Borrower meets the Income Limits and other eligibility requirements for the applicable Program; and
- D. The Borrower has or will have the funds available by Mortgage Loan closing for the CHFA Minimum Borrower Financial Contribution (see Chapter 2, Eligibility Requirements).

The Participating Lender must provide the Automated Underwriting System Case Number (if any), the lowest middle credit score, and the Borrower's debt-to-income ratio. If the Borrower has less than three (3) credit scores, the Participating Lender should use the lowest score.

E. CHFA HomeAccesssm Locks

Only CHFA HomeAccess approved loan officers of a Participating Lender may make a Lock for the HomeAccess Program.

Prior to making a Lock in the CHFA HomeAccess Program, Participating Lenders must ensure that the Borrower meets program eligibility requirements.

F. CHFA SectionEightsm Homeownership Locks

Only CHFA SectionEight Homeownership approved loan officers of a Participating Lender may make a Lock for the CHFA SectionEight Homeownership Program.

section 403: lock acceptance

Upon completion of a Lock, a loan number for the First Mortgage Loan will be assigned. A separate loan number will be assigned for any CHFA Second Mortgage Loan, and Mortgage Credit Certificate, if applicable. Participating Lenders may view their existing Locks and loan status within HomeConnection.

Participating Lenders can obtain the Lock Confirmation from HomeConnection for their files.

Participating Lenders can track a Mortgage Loan's progress through CHFA's HomeConnection by referring to the Status field on the Pipeline page.

Receipt of a CHFA loan number or a pipeline status indicating "Reserved" does not mean that CHFA has determined a Borrower or the Property are in compliance with Program requirements.

section 404: lock period, lock extension(s), and lock expiration

Participating Lenders must close the Mortgage Loan, deliver all required documents to CHFA for review, and have the loan purchased by CHFA prior to or on the Lock Expiration date.

If a Mortgage Loan has not been delivered and remains in reserved status upon the Lock Expiration date, the Lock will automatically be canceled on day 61. Canceled Locks may be reinstated or relocked following the policies found in Section 407.C of the CHFA Seller's Guide.

If a Mortgage Loan is in reserved status and additional time is needed, the Participating Lender may extend the Lock in HomeConnection for 10 days, provided such request is submitted by or on the Lock Expiration date. A 10-day Lock Extension Fee for 0.125 percent of the Original Principal Balance of the First Mortgage Loan will be assessed.

The lender may continue to extend if the Lock remains in reserved status, and it is extended prior to the Expiration date. Note, automatic cancelation occurs the day after the 10-day extension if another extension has not been initiated by the lender.

If a Mortgage Loan has been delivered and has moved out of reserved status, but not approved for purchase due to missing and/or incorrect documentation, the lender may continue to extend the Lock. Or, CHFA will automatically charge the Participating Lender a 10-day Lock Extension Fee of 0.125 percent of the Original Principal Balance providing an additional 10 days for the Participating Lender to have the loan purchased by CHFA. The 10-day Lock Extension Fee will be assessed and reoccur automatically every 10 days until the loan is purchased, with a maximum of six extensions. With each extension, a new Lock Confirmation will be generated indicating the new Lock Expiration date, as well as a Lock Extension Notice indicating the new Lock Expiration date and the fee assessed.

Regardless of status and after the sixth extension, on day 121, the loan will be automatically canceled. A Lock canceled at day 121 may be reinstated. However, reinstatement will be at the discretion of CHFA's Secondary Marketing Department, and a Rate Adjustment Fee may be assessed.

section 405: service release premium adjustment and rate adjustment fees

A Service Release Premium Adjustment Fee may be charged if a Lock expires and the Mortgage Loan has not been sold to CHFA, and for which the Participating Lender has accepted four or more payments from the Borrower. The Service Release Premium Adjustment Fee in such circumstances will be determined at CHFA's sole discretion and will be based upon market conditions and pricing at the time the subject Mortgage Loan is purchased.

If the Mortgage Loan is closed at the wrong Interest Rate, and the Note Interest Rate is higher than the locked Interest Rate, the Participating Lender must reclose the Mortgage Loan at the correct Interest Rate before CHFA will Purchase the Mortgage Loan.

Additionally, Mortgage Loans closed with a Note Interest Rate that is lower than the locked Interest Rate will, if purchased, be subject to a Rate Adjustment Fee at least equal to the cost to buy down the locked Interest Rate to the Note Interest Rate over the Mortgage Loan term. Notwithstanding the foregoing, CHFA is under no obligation to purchase a Mortgage Loan closed at an Interest Rate that differs from the locked Interest Rate.

section 406: lock changes and transfers

While the Mortgage Loan is in reserved status, Participating Lenders can change certain Lock information, including but not limited to: Program, loan product, and First Mortgage and Second Mortgage Loan information, including purchase price and down payment assistance amounts. Lock information that can be changed or updated will be visible in HomeConnection. In addition, Participating Lenders can cancel a Lock, extend a Lock, reinstate a Lock and re-lock a canceled Lock for the same Borrower and Property.

If the Mortgage Loan is not in reserved status, Participating Lenders cannot make changes in HomeConnection. If changes need to be made after the file checks in for review, Participating Lenders can submit CHFA Form 704 by email to chfalockdesk@chfainfo.com.

At time of Purchase, Participating Lenders cannot change the amount of the CHFA down payment assistance in HomeConnection. The CHFA Loan Analyst will enter the actual amount of the CHFA down payment assistance as stated on the final Closing Disclosure.

Furthermore, Locks are not transferable between Lenders, Borrower(s) or properties. Should the Lender, Borrower(s) or Property change, the original loan will need to be canceled in HomeConnection or by submitting CHFA Form 704. Only after the previous Lock has been canceled can a new Lock be made by submitting CHFA Form 707. New Locks will be at the current market rate. Technical assistance is available by emailing chfaLockDesk@chfainfo.com or calling 800.877.2432.

section 407: canceled or expired locks

CHFA requires Participating Lenders to cancel Locks promptly, and CHFA expects Participating Lenders to report the reason for the Lock cancellation. A loan may be canceled in HomeConnection or by submitting CHFA Form 704 to chfaLockDesk@chfainfo.com.

A. Cancellation Policy

CHFA expects “mandatory delivery” from the Closing Date to Purchase, and will monitor all cancellations and expirations. Some examples of acceptable cancellation reasons include, but are not limited to, the buyer canceled after an unacceptable inspection or appraisal; the buyer lost his/her job; the seller canceled the transaction and returned the earnest money; and any reason that would cause the Participating Lender to issue an Adverse Action Notice. Unacceptable reasons may include, but are not limited to, the Participating Lender closed the Mortgage Loan but did not sell it to CHFA; or the Participating Lender did not determine that the Borrower met CHFA requirements prior to making a Lock. Participating Lenders that do not produce evidence of an acceptable cancellation reason in CHFA’s sole discretion may be charged a \$100 Cancellation Fee for each canceled Lock.

CHFA may suspend for Purchase all Mortgage Loans for any Participating Lender if any and all required fees are not paid in a timely manner. Applicable fees and penalties as described in Section 405 will continue to accrue. Participating Lenders are expected to monitor and manage their pipeline.

B. Canceling a Lock

Any Lock in reserved status may be canceled by the Participating Lender using HomeConnection. Once the Mortgage Loan has been submitted and the loan checks in for Program Compliance Review or Prefunding Review, the Lock may be canceled by submitting a completed CHFA Form 704, Change or Cancellation of Lock.

C. Relocking a Canceled Lock

If a Participating Lender would like to relock a canceled Lock, for the same Borrower and Property, the following options are available:

1. The Participating Lender may have the canceled Lock reinstated. All terms including Interest Rate and Lock Expiration date of the canceled Lock apply.

2. The Participating Lender may lock a new loan at current market rate 31 calendar days from the Lock cancellation date.
3. If relocking within 10 calendar days, of the original Lock Date, the Participating Lender may lock a new loan subject to worst case pricing and a relock fee of \$250.00. A new Lock Expiration date will be established.
4. If relocking after 10 calendar days, of the original Lock date, but within 30 calendar days of the Lock cancellation date, the Participating Lender may lock a new loan subject to worst case pricing and a cost of 0.35 percent of the First Mortgage Loan amount original principal balance. A new Lock Expiration date will be established.

Relock fees may be paid by the Borrower, Participating Lender, real estate agent, builder, or seller of the property, provided all such fees and payments comply with all applicable state and federal laws, regulatory requirements and applicable FHA, VA, USDA-RD, Fannie Mae, and Freddie Mac requirements. The fee will be debited against the funded loan balance as illustrated on the CHFA Purchase Advice.

chapter 5

program compliance review procedures

section 500: general information

Loans with a Lock Date on or after September 1, 2020, on CHFA Preferred (including CHFA Preferred VLIP), CHFA SmartStep Mortgage Loans, and Colorado HFA1 Mortgage Loans will no longer be reviewed for CHFA program compliance prior to loan closing. Participating Lenders will lock these Mortgage Loans in HomeConnection and then directly deliver these Loans upon closing for CHFA Prefunding Review. These Mortgage Loans will no longer receive a CHFA program compliance approval. CHFA calls this the “Lock to Purchase” process.

All other programs will continue to go through a CHFA Program Compliance Review.

Regardless of process, Participating Lenders must still ensure all applicable insurer, guarantor, Fannie Mae, and Freddie Mac guidelines are met prior to closing the Mortgage Loan. In addition, each Program has specific eligibility and programmatic requirements which must be met. Refer to Chapter 2, Eligibility Requirements, and Chapter 3, Programs, for these requirements. CHFA will not purchase Mortgage Loans that fail to meet all applicable requirements and/or guidelines.

Participating Lenders are responsible for determining that a Borrower has the financial ability to repay the Mortgage Loan. Such determination must be based on a thorough and objective evaluation of the Borrower’s creditworthiness. Participating Lenders must also follow the underwriting guidelines of the applicable mortgage insurer, guarantor, Fannie Mae or Freddie Mac. In addition, CHFA may have additional Borrower credit or credit score restrictions for any and/or all CHFA Mortgage Loan Programs. See applicable Program Matrix for specific guidelines.

section 501: chfa program compliance review

In a Program Compliance Review, CHFA Loan Analysts review specific documents to determine if a Borrower and the Property meet the appropriate CHFA Program eligibility and programmatic requirements. CHFA Program Compliance approval is neither a commitment to Purchase nor an assurance that a Loan meets applicable insurer/guarantor or Fannie Mae or Freddie Mac requirements.

CHFA requires submission of a full Program Compliance file at the time of Program Compliance Review for all CHFA FirstStep, CHFA HomeAccess, and CHFA SectionEight Homeownership Mortgage Loans. These Loans must be underwritten and approved by a Participating Lender prior to submission for Program Compliance Review. Participating Lender should make sure such loans receive Program Compliance Review approval prior to proceeding with closing to help ensure eligibility of purchase by CHFA. CHFA FirstStep and CHFA HomeAccess Mortgage Loans require specific CHFA documents to be signed at closing. These documents only become available to you upon CHFA Program Compliance Review approval.

CHFA will perform a CHFA Program Compliance Review of Mortgage Loans within three (3) Business Days after receipt of a complete CHFA Program Compliance Review file. If the Program Compliance Review results in a Mortgage Loan being referred for further review to determine CHFA eligibility or to verify the reasonableness of the transaction, the Participating Lender will be informed and notified of any further required documentation needed. At times, due to a high volume of Mortgage Loans,

the maximum review time may exceed three (3) Business Days. Any delays will be communicated to Participating Lenders through HomeConnection and CHFA eNews. CHFA reserves the right to request additional documentation in the review of a Participating Lender's underwriting decision. Such requests may relate to issues such as, but not limited to, undocumented or poorly documented credit, excessive debt-to-income ratios, unpaid judgments or collections, previous foreclosures, property inspection findings, or appraisal concerns. CHFA may decline to Purchase any Mortgage Loan that CHFA, in its sole judgment, determines would not be a prudent investment.

A. Document Delivery

Each Program has a checklist, available on CHFA's website at www.chfainfo.com, which lists all of the documents necessary for Program Compliance Review. All required documents must be submitted and reviewed prior to CHFA issuing approval for CHFA Program Compliance.

Lenders must use CHFA's electronic loan Document Delivery System, which can be accessed via HomeConnection. Instructions for utilizing this system are available on CHFA's website at www.chfainfo.com.

B. Other Documents

A CHFA Loan Analyst may specify additional items not necessary for CHFA Program Compliance approval, but which are necessary to Purchase a Mortgage Loan. All of these items must be in the Mortgage Loan Purchase file for CHFA to Purchase the Mortgage Loan.

chapter 6

calculating income for program eligibility

section 600: calculating income for program eligibility

A. Qualifying Borrower Income

For determining eligibility with Income Limits under all CHFA Programs other than the CHFA FirstStep Program and the HomeAccess Program (collectively, the “Excluded Programs”), CHFA will accept the Qualifying Income utilized by the Participating Lender for determining borrower eligibility for the Mortgage Loan type, and which complies with applicable insurer/guarantor or Fannie Mae or Freddie Mac guidelines. Except for the Excluded Programs, only the income utilized by the Participating Lender for purposes of credit qualifying the borrower(s) will be required for purposes of determining eligibility under CHFA’s Income Limits.

B. Calculating Gross Annual Income for the CHFA FirstStep Program and the CHFA HomeAccess Program

1. CHFA’s calculation of Gross Annual Income for CHFA Program Compliance purposes under the CHFA FirstStep Programs and the CHFA HomeAccess Programs may differ from a Participating Lender’s income calculation for qualifying purposes. Gross Annual Income is equal to the current total gross annual income for all loan applicants [i.e. borrower(s) and co-borrower(s)], any spouse or civil union partner of any Borrower or co-borrower who will reside in the residence, and any other individual who is expected to both live in the residence and to be secondarily liable on the Mortgage Loan, such as a guarantor or co-signor, if applicable. Note, CHFA does not currently allow guarantors or co-signors under any of its single family mortgage loan programs.
2. If the loan application indicates that the Borrower or co-borrower is married or in a civil union, the income of the specified spouse/civil union partner who will occupy the property must be included. All sources of income for all such individuals, from whatever source derived and before taxes or withholdings, calculated in the manner required by Section 143(f)(2) of the Code, must be included.

Income Limits are available on CHFA’s website at chfainfo.com and are subject to change at any time.

C. Required Documentation

In addition to insurer/guarantor or Fannie Mae or Freddie Mac required documentation, CHFA requires the following documentation.

1. Verification of Employment. For CHFA’s Program Compliance review, a Verification of Employment (VOE) is required for all Borrowers. The VOE should include the total compensation for the previous year and the year-to-date amount earned. Overtime, bonuses, and other compensation should be noted on the VOE. VOEs should be signed by a representative of the employer or by a third-party business financial advisor or accountant in the case of a Borrower employed by a family business. VOEs may not be signed by a member of the Borrower’s family.

As an alternative, CHFA will accept a verbal VOE, completed by the Participating Lender, combined with paystubs.

2. Paystubs. Paystubs from employers are required by CHFA at Program Compliance Review for all Borrowers. The maximum "age" of a paystub will be in accordance with applicable insurer/guarantor or Fannie Mae or Freddie Mac guidelines. If the paystub does not reflect year-to-date income, supporting documentation, such as a copy of the payroll ledger or a letter from the employer, is required.
3. Prior Year Federal Tax Returns. Prior year tax returns are required for all borrowers utilizing the CHFA FirstStep Program or CHFA HomeAccess Program. Tax returns are not required for all other CHFA Programs unless required by applicable Automated Underwriting System (AUS) findings or manual underwriting guidelines. In instances when tax returns are required:
 - Transcripts of the borrower's tax returns are acceptable.
 - For Locks made on or after the tax filing deadline of a respective year, the borrower's prior year tax return is required.
 - Filing extensions will not be accepted in lieu of the tax return.
 - If a Borrower was not legally required to file taxes, a letter of explanation signed by the Borrower will be required.
4. Self-employment Income Documentation. A household member with a 25 percent or greater interest in a business is considered by CHFA to be self-employed. Self-employed Borrowers must provide their personal Federal Income Tax Returns; Business Tax Returns or Corporate Tax Returns for the previous year; and year-to-date Profit and Loss Statement.

When calculating Gross Annual Income for Borrowers whose income is reported on Schedule C, CHFA adds the net earnings from Schedule C, any depreciation or any mileage deducted, and the year-to-date net income on the Profit and Loss Statement, and divides the total by the number of months covered by Schedule C and the Profit and Loss Statement. Please note, losses from self-employment cannot be used to offset Gross Annual Income to meet CHFA programmatic income eligibility.

5. Income Verification. CHFA requires documentation from all taxable and nontaxable sources of income. CHFA calculates Gross Annual Income from all sources as follows:
 - a. Any monthly gross pay; any additional income from overtime, part-time employment, bonuses, and any similar income. This amount is annualized for sums received year-to-date; however if the Borrower has received a raise (or a VOE shows a raise in the next 60 days), the higher monthly income will be treated as the monthly gross pay and projected forward. Similarly, if the Borrower has ceased working overtime, and this is confirmed in writing by the employer, the amount earned to date will be annualized and will not be projected forward. If the Borrower has ceased working a second job and this is confirmed in writing in the VOE or by the employer, this additional income will not be counted. Voluntary pretax withdrawals such as 401(k) or Section 125 flex spending accounts, should not be deducted.
 - b. Recurring payments from retirement funds, pensions, Veterans Administration compensation, insurance policies or annuities, unemployment benefits, workers' compensation benefits, sick or short term disability compensation, TANF assistance, or any other State or Federal public assistance must be included in Gross Annual Income.
 - c. All tax-free income, including Supplemental Security Income (SSI) or Social Security Disability Insurance (SSDI), for the Borrower(s) or any other person who will reside in the home must be included in Gross Annual Income calculation. The following are acceptable sources of verification:

- i. Federal tax returns, or a more recent bank statement showing receipt of Social Security income;
- ii. A Proof of Income Letter (sometimes referred to as a Budget or Benefits Letter); or
- iii. A copy of the Social Security Administration Benefit Statement, SSA-1099/1042S.

If the Notice of Award or equivalent document does not have a defined expiration date, CHFA considers this income likely to continue, and additional documentation is not required.

- d. Maintenance and child support must be included in determining Gross Annual Income. The Borrower must provide a copy of the separation and divorce agreement stipulating the amount of maintenance and/or child support to be received. The Participating Lender must also provide proof through court documents, wage garnishments, or canceled checks that the maintenance and/or child support is being received. If documents indicate that child support should be received, but in fact is not being received (and therefore should not be considered as income for eligibility purposes), the Participating Lender must provide proof of non-receipt through the Family Register, bank statements, or other third party records.
- e. Section 8 housing assistance from a Public Housing Authority must be included in the Gross Annual Income calculation. See Chapter 3, Programs, for details on how Section 8 payments may be used.
- f. Gross Annual Income for members of the Armed Forces includes base pay, special pay, combat pay, active duty pay, plus any additional payments for housing, rations, uniforms, etc.
- g. Income from dividends, interest, investments, net rental income, and capital gains from the sale of an asset, royalties, and trusts for all family members must be included in calculating total Gross Annual Income.
 - i. Any income from rents should be calculated as follows: Take the monthly amount received for rent per the applicable lease agreement and subtract the principal, interest, taxes and insurance (PITI) and HOA payment, if applicable. If this results in a loss for the Borrower, such rental income would not be counted in Borrower's Gross Annual Income, nor would such loss be deducted from total Gross Annual Income. If, however, such calculation results in a profit, such profit should be counted toward the Borrower's Gross Annual Income.
- h. Year-to-date lottery winnings, gambling winnings, and one-time bonuses must be included in gross income and annualized.
- i. Allowances which are reoccurring, such as clothing and car allowances, must be included in income.
- j. Income received from foster care must be counted for Gross Annual Income purposes; however, the individuals for whom care is being provided are also considered family members when determining family size.
- k. Earned income of a child under the age of eighteen (18), who is not a Borrower, is not considered a component of Gross Annual Income.
- l. Income earned by a Live-in Aide who is not a family member or who is not also a Borrower is not considered part of Gross Annual Income.
 - i. If a Live-in Aide resides in the Property, CHFA must receive medical documentation that supports the need for a Live-in Aide. This verification may be a doctor's letter, statement, or prescription. Additionally, CHFA must receive verification that the Live-in Aide is capable of providing the necessary care.

- ii. CHFA may refuse to recognize an individual as a Live-in Aide if:
 - The individual commits fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program;
 - The individual commits drug-related criminal activity or violent criminal activity; or
 - The individual currently owes rent or other amounts to a PHA in connection with Section 8 or public housing assistance under the Housing Act of 1937.
- m. Not considered when determining Gross Annual Income are gifts, inheritances, out-of-pocket reimbursements, tuition reimbursement, or something similar like an expense reimbursement, sale or liquidation of an asset (other than capital gains) including 401(k) or IRA withdrawals, or cash-out of annuities or life insurance policies.

D. Calculating Gross Income from Paystubs

Gross Annual Income from paystub information will be calculated as follows:

1. Gross wages before any payroll deductions using year-to-date earnings to obtain an annual amount; or using the hourly, weekly, or monthly pay rate multiplied by the average number of hours worked per pay period and projecting forward.
2. Gross income from tips, gratuities, seasonal income, or commissions averaged from the previous year and the year-to-date tip, gratuity, seasonal, or commission earnings to obtain an annual amount.
3. Gross income earned from overtime or part-time employment, determined by averaging the year-to-date part time and overtime income and projecting forward.

chapter 7

loan purchase procedures

section 700: general information

Per C.R.S. 29-4-712(2), at the time of transfer of a Mortgage Loan to CHFA, a Participating Lender must certify that in its judgment the Mortgage Loan would in all respects be a prudent investment at the purchase price paid. Each Mortgage Loan must conform to all applicable terms and conditions set forth in this Guide and in the Mortgage Purchase Agreement. CHFA reserves the right at all times to decline to Purchase any Mortgage Loan offered by a Participating Lender that CHFA determines, in its sole judgment, does not conform to this Guide and the Mortgage Purchase Agreement.

A First Mortgage Loan must be originated by a Participating Lender, according to all applicable mortgage lending laws, rules and regulations, and insurer/guarantor and Fannie Mae or Freddie Mac requirements. The Participating Lender must use Mortgage Loan documents that are approved by the mortgage insurer or guarantor or Fannie Mae or Freddie Mac, as applicable, or provided by CHFA.

The Participating Lender must use Mortgage Loan documents that are approved by the mortgage insurer or guarantor or Fannie Mae or Freddie Mac, as applicable, or provided by CHFA. Current CHFA documents are available on CHFA's website, at www.chfainfo.com through HomeConnectionsm, and/or through a document preparation system that is approved to provide CHFA forms. Participating Lenders must use the most recent versions of forms available. All applicable Mortgage Loan Documents must be promptly and correctly recorded with the appropriate County Clerk and Recorder's Office. After closing, the Participating Lender must submit the Mortgage Loan to CHFA according to the procedures outlined in this Chapter.

section 701: chfa first mortgage loan requirements

The following requirements are applicable to all CHFA First Mortgage Loans.

A. Mortgage Loan Amount

There is no minimum Mortgage Loan amount. Refer to a program's matrix for the maximum total Mortgage Loan amount.

The full principal amount of the Mortgage Loan must have been advanced to the Borrower or advanced in accordance with the direction of the Borrower prior to CHFA's Purchase of the First Mortgage Loan. The Borrower must not have an option under the First Mortgage Loan to borrow, from the Participating Lender or any other person, additional funds secured by the lien of the First Deed of Trust. The full amount of the First Mortgage Loan must be as represented by the Participating Lender to CHFA and must be fully secured by the First Deed of Trust.

B. Payment Amount

The First Mortgage Loan must provide for equal monthly payments of principal and interest due on the first (1st) day of the month.

C. First Payment Due Date

The first monthly principal and interest payment of the First Mortgage Loan will typically be due on the first (1st) day of the second (2nd) month following the month in which the First Mortgage Loan was closed. However, if a Mortgage Loan closes and funds on the first (1st) day of the month, no interest is due, or if an interest credit is applied, the Borrower's monthly payments will be due on the first (1st) day of the first (1st) month following the month in which the First Mortgage Loan was closed. Please note, interest credits are not permitted on CHFA HomeAccess and CHFA SectionEight Homeownership loans.

Please be advised that if the first payment is due on the first (1st) day of the first (1st) month following the month in which the First Mortgage Loan was closed, the Participating Lender will be required to receive the first (1st) payment prior to the loan being eligible for purchase. This may result in a delay of the loan being purchased and will be subject to applicable fees being assessed in accordance with CHFA's Lock policy.

D. Valid First Lien

The First Mortgage Loan must be secured by a Deed of Trust constituting a valid first lien on the Property. The Property must be free and clear of all prior encumbrances and liens, and no rights may be outstanding that could give rise to such liens, subject only to exceptions previously approved in writing by CHFA and by the First Mortgage Loan insurer or guarantor.

E. Promissory Note, First Deed of Trust, and Riders

Each Promissory Note and First Deed of Trust must be legal, valid, and binding obligations of the Borrower, enforceable in accordance with their terms, free of any right of set-off, counterclaim, or other claim or defense. No part of the Property may have been released from the lien of the First Deed of Trust. The terms of the First Mortgage Loan must not be modified, amended, waived, or changed, except as set forth in a written modification recorded with the appropriate recording office. The Participating Lender must use the appropriate Promissory Note, First Deed of Trust, and rider documents as required by the First Mortgage Loan insurer, guarantor or investor. In the case of conventional First Mortgage Loans, the Promissory Note and First Deed of Trust must be on forms approved by Fannie Mae or Freddie Mac, as applicable.

The Participating Lender must use CHFA Form 220, Tax-exempt Financing Rider, on all Mortgage Loans originated under CHFA Tax-exempt Programs. The Rider will be attached to and recorded simultaneously with the First Deed of Trust.

The appropriate boxes on the Deed of Trust listing all required riders, including CHFA Form 220, Tax-exempt Financing Rider, shall be checked and all riders attached prior to recording.

Corrections to the Deed of Trust must be completed using CHFA Form 205, Modification of Promissory Note and Deed of Trust.

If a Participating Lender closes a Mortgage Loan at an Interest Rate lower than that which was reserved, the Participating Lender must pay the Rate Adjustment fee to permanently buy down the Interest Rate over the term of the Mortgage Loan. If the Mortgage Loan is closed at an Interest Rate higher than that which was reserved, the Participating Lender must reclose the Mortgage Loan at the correct Interest Rate before CHFA will Purchase the Mortgage Loan.

Please note:

1. If there is an initial line on any page of the Promissory Note or Deed of Trust, the line must be initialed by Borrower(s).

2. Lender Endorsement

- a. Must be payable to Colorado Housing and Finance Authority
- b. Must state, "Without Recourse"
- c. Must include Lender Printed Name and match the Originating Lender on section 1 of the Note
- d. Must include authorized signor's Signature (stamps not permitted)
- e. Must include authorized signor's Printed Name
- f. Must include authorized signor's Printed Title
- g. Must not be dated
- h. Example:
PAY TO THE ORDER OF: Colorado Housing and Finance Authority
WITHOUT RECOURSE
Company Legal Name

BY: _____
Title: _____

- i. Note endorsement must reflect the correct order of transfer of the Promissory Note

F. Mortgage Electronic Registration System (MERS)

Participating Lenders must follow MERS membership processing guidelines, contained in the MERS Procedures Manual, Release Bulletins, and Rules of Membership.

The CHFA First Mortgage Loan should be closed using a MERS as Original Mortgagee (MOM) Deed of Trust, which must be recorded in the appropriate county.

Should the Mortgage Loan be closed using a non-MOM Deed of Trust, the assignment to MERS must be executed by the Participating Lender. CHFA Form 230M, Assignment of Deed of Trust (to MERS), is available at www.chfainfo.com.

If the Mortgage Identification Number (MIN) is omitted or incorrect on the MOM Deed of Trust and/or Assignment, a Mortgagee Affidavit (available on the MERS website, www.mersinc.com) is required to add and/or correct the MIN number. The Mortgagee Affidavit, recorded in the appropriate county, is required at Final Documents.

Upon Purchase of a First Mortgage Loan by CHFA, the Participating Lender must initiate the transfer of servicing and beneficial rights in the MERS System (www.mersinc.com) within five (5) calendar days after purchase of the Loan.

CHFA's MERS OrgID number is 1008017.

G Tax Service Fee

In connection with the purchase of each First Mortgage Loan, CHFA charges the Participating Lender a one-time real estate tax service fee. This fee may be charged to the Borrower if permitted by the applicable insurer/guarantor or Fannie Mae or Freddie Mac.

H. Escrow Payments

The First Mortgage Loan must provide for the monthly collection of escrow payments, along with the monthly payment of principal and interest. Escrow payments include those funds collected for payment of taxes, assessments, hazard insurance, HO-6 insurance (condominium unit walls-in coverage), or other insurance premiums or payments to the Mortgage Loan insurer or guarantor. Please note, regardless of LTV, CHFA will not waive escrows.

The Participating Lender must notify the Borrower that CHFA does not escrow for Homeowners Association dues.

I. Maintenance of the Property

The Mortgage Loan documents must obligate the Borrower to maintain the Property in good repair and condition. The Property must be free from liens and encumbrances that may attain priority over the First Deed of Trust securing the First Mortgage Loan. Hazard and flood insurance must be maintained according to the requirements in this Chapter. The Participating Lender must advise the Borrower of the obligation to carry hazard insurance, and, if necessary, additional condominium insurance and flood insurance.

J. Taxes and Assessments

Taxes and assessments are payable in arrears and all taxes and assessments due must be paid at closing

During the Participating Lender's servicing of the Mortgage Loan prior to CHFA's purchase of the Mortgage Loan, the Participating Lender must fully service the Mortgage Loan, including, but not limited to, paying all tax and assessments due and payable.

For Mortgage Loans closed on or after January 1, the previous year's real estate taxes, which are due, must be paid.

Special assessments must be paid in full, unless otherwise authorized by CHFA in writing.

K. Private Mortgage Insurance (PMI) for Conventional Mortgage Loans

Unless provided otherwise for a particular CHFA Program, Conventional Mortgage Loans with a loan-to-value ratio greater than 80 percent must have Private Mortgage Insurance through a CHFA-approved private mortgage insurance company.

CHFA will not accept loans with "Reduced MI," "Lower-Cost MI," or "Custom MI," regardless of Automated Underwriting System (AUS) findings that allow for less coverage unless indicated on the Program Matrix. Minimum coverage amounts will be indicated on the applicable Program Matrix.

If the PMI Company's coverage requirement differs from CHFA's requirements, the higher coverage requirement shall apply. If the AUS findings allow for a lower coverage amount, the Participating Lender must rerun the AUS with the correct minimum coverage amount to ensure that the Borrower qualifies for the Mortgage Loan with the required mortgage insurance coverage rate.

It remains the Participating Lender's responsibility to ensure that the proper level of mortgage insurance coverage is in place at the time of closing a Mortgage Loan. In addition, the Participating Lender must ensure that Mortgage Insurance Certificates/Endorsements are reflected on acceptable master policy forms as required by the Fannie Mae Selling Guide and Freddie Mac Seller/Service Guide, as applicable. For acceptable master policy forms, refer to the Fannie Mae Approved MI Forms List and the Freddie Mac Approved MI Exhibit.

CHFA will either decline to Purchase or will initiate Repurchase for any Mortgage Loan that does not have a valid mortgage insurance certificate, or where the Borrower did not qualify for the Mortgage Loan with the required mortgage insurance coverage.

L. Mortgage Insurance Premiums

The Participating Lender is responsible for remitting the initial or upfront mortgage insurance premium to the mortgage insurer or guarantor. The Participating Lender is also responsible for remitting any monthly mortgage insurance premiums due to the insurer or guarantor until the Mortgage Loan is Purchased and being serviced by CHFA. CHFA will not reconcile any monthly mortgage insurance premiums paid to the insurer or guarantor by the Participating Lender unless the Participating Lender requests the reconciliation within 30 calendar days after the Purchase date.

M. Life of Loan Flood Determination

Participating Lenders must order a Life of Loan Flood Certificate (Certificate) and transfer the Certificate to CHFA after Purchase. Participating Lenders must ensure the flood determination provider and Certificate meet insurer, guarantor, Fannie Mae, or Freddie Mac requirements and any other legal or regulatory requirements as applicable. A copy of the transfer request must be provided to CHFA.

B. CHFA DPA Second Mortgage Loan Award Letter

CHFA shall issue a CHFA Form 368, DPA Letter, to the Participating Lender for a CHFA DPA Second Mortgage Loan, provided such loan has been approved by CHFA to be closed in CHFA's name and delivered to CHFA in connection with the closing and delivery to CHFA of a related First Mortgage

Loan. The DPA Letter will be made available in HomeConnection upon Lock for all CHFA SmartStep and Colorado HFA1 Mortgage Loans. The DPA Letter will only become available in HomeConnection upon CHFA Program Compliance approval for all CHFA FirstStep, CHFA HomeAccess, and CHFA SectionEight Homeownership Mortgage Loans. DPA Letters are not issued for the CHFA Preferred Plus Program or CHFA Preferred Very Low Income Program.

The Participating Lender shall obtain the signature of each of the Borrower(s) on the DPA Letter at closing, returning a copy of the executed letter in the Purchase file submitted to CHFA.

C. Mortgage Loan Amount

The maximum CHFA DPA Second Mortgage Loan amount cannot exceed 4 percent of the associated total CHFA First Mortgage Loan's OPB. The full principal amount of the CHFA DPA Second Mortgage Loan must have been advanced to the Borrower or advanced in accordance with the direction of the Borrower prior to the Purchase of the CHFA DPA Second Mortgage Loan by CHFA. The full amount of the CHFA DPA Second Mortgage Loan must be as represented by the Participating Lender to CHFA and must be fully secured by the Second Deed of Trust.

D. Valid Second Lien

The CHFA DPA Second Mortgage Loan must list CHFA as the mortgagee and be secured by a CHFA Second Deed of Trust constituting a valid second lien on the Property. The Property must be free and clear of all prior encumbrances and liens except the CHFA First Mortgage Loan, and no rights may be outstanding that could give rise to such liens, subject only to exceptions previously approved in writing by CHFA and by the First Mortgage Loan insurer or guarantor.

E. CHFA Form 307, CHFA Second Mortgage Loan Promissory Note, and CHFA Form 314, CHFA Second Mortgage Loan Deed of Trust

Each Promissory Note and Second Deed of Trust must be legal, valid, and binding obligations of the Borrower, enforceable in accordance with their terms, free of any right of set-off, counterclaim, or other claim or defense. No part of the Property may have been released from the lien of the Second Deed of Trust. The terms of the CHFA DPA Second Mortgage Loan must not be modified, amended, waived, or changed, except as set forth in a written modification recorded with the appropriate recording office.

F. Disclosures

CHFA relies on its Participating Lenders to comply with any and all applicable legal and regulatory disclosure requirements. As such, Participating Lenders should follow their company's compliance and/or legal guidelines regarding the TILA-RESPA Integrated Disclosure Rule (TRID) and the Real Estate Settlement Procedures Act (RESPA). If a Mortgage Loan is for any reason found not to be in compliance with such disclosure requirements, it may be subject to Repurchase.

CHFA will rely on Participating Lenders to determine the required disclosures and disclosure contents under TRID and RESPA. Generally, the TRID Amendment provides lenders the option to use the TRID Disclosures (Loan Estimate and Closing Disclosure) for DPA Loans which meet the partial exemption criteria under 12 CFR 1026.3(h). Federally related mortgage loans not subject to the TILA disclosure requirements in 12 CFR §1026.19(e), (f), and (g) must continue to provide the RESPA disclosures where the partial exemption criteria in 12 CFR §1026.3(h) is not satisfied. Lenders should follow their company's compliance and/or legal guidelines regarding the disclosure requirements under TRID and RESPA.

CHFA has provided a Loan Estimate (CHFA Form 376) and Closing Disclosure (CHFA Form 377) on its website as a courtesy for Participating Lenders unable to generate disclosures through their own systems. These forms are made available for our Participating Lenders to use at their own discretion. CHFA makes no representation or warranty as to the accuracy of the content of these forms, including whether they meet regulatory requirements. By using these forms, the Participating Lender acknowledges that CHFA and its employees assume no responsibility for, and the Participating Lender will hold CHFA and its employees harmless from, any claims or expenses that may be related to or arise from use of these forms. CHFA will rely on its Participating Lenders to comply with TRID requirements. Participating Lenders should consult their compliance and/or legal departments for guidance to ensure any loan sold to CHFA meets those requirements.

The Property must be free and clear of all encumbrances and liens except the CHFA First Mortgage Loan lien, or other financing subordinate to the CHFA HomeAccess Second Mortgage Loan, and no rights may be outstanding that could give rise to such liens, subject only to exceptions previously approved in writing by CHFA and the First Mortgage Loan insurer or guarantor.

D. CHFA Form 305H, HomeAccess Second Mortgage Loan Promissory Note, and CHFA Form 311H, HomeAccess Second Mortgage Loan Deed of Trust

The Participating Lender

The Participating Lender must direct the closing agent to send the executed deed(s) of trust for recording and return the completed CHFA HomeAccess Second Mortgage Loan documents to CHFA.

F. CHFA HomeAccess Second Mortgage Loan Estimate and CHFA HomeAccess Second Mortgage Loan Closing Disclosure

CHFA relies on its Participating Lenders to comply with any and all applicable legal and regulatory disclosure requirements. As such, Participating Lenders should follow their company's compliance and/or legal guidelines regarding the TILA-RESPA Integrated Disclosure Rule. If a Mortgage Loan is for any reason found not to be in compliance with such disclosure requirements, it may be subject to Repurchase.

CHFA believes the TILA-RESPA Integrated Disclosure (TRID) forms are appropriate for CHFA DPA HomeAccess second mortgage loans. A Loan Estimate and Closing Disclosure must be issued by the Participating Lender in CHFA's name in accordance with the TILA-RESPA Integrated Disclosure Rule.

CHFA has provided a Loan Estimate (CHFA Form 381) and Closing Disclosure (CHFA Form 382) form on its website as a courtesy for Participating Lenders unable to generate disclosures through their own systems. These forms are made available for our Participating Lenders to use at their own discretion. CHFA makes no representation or warranty as to the accuracy of the content of these forms, including whether they meet regulatory requirements. By using these forms, the Participating Lender acknowledges that CHFA and its employees assume no responsibility for, and that the Participating Lender will hold CHFA and its employees harmless from, any claims or expenses that may be related to or arise from use of these forms.

section 705: title insurance requirements

The CHFA First Mortgage Loan must be insured by a title insurance policy, the benefits of which must inure to CHFA. A Short Form Residential Loan Policy (Revised 06.16.07) is required unless it is not available from the title insurance company. If not available, a full policy (ALTA Loan Policy 06.17.06) must be provided. The Policy must be received by CHFA within 90 calendar days after Purchase. The title insurance policy must be issued by a title insurance company acceptable to the First

Mortgage Loan insurer or guarantor or, in the case of insured conventional First Mortgage Loans, acceptable to Fannie Mae or Freddie Mac, and/or CHFA. The title evidence must insure that the title is acceptable and that the First Mortgage Loan constitutes a first lien on a fee simple or, in the case of Land Trusts, a leasehold estate. Title insurance is also required for any CHFA HomeAccess Second Mortgage Loan. However, standard endorsements are not required for the HomeAccess Second Mortgage Loan title insurance.

The Title Policy must include all required endorsements. If the final policy is not a Short Form Residential Loan Policy, then a policy jacket must be included.

A. Insured

The name of the insured must be the name of the Participating Lender, its successors, and/or assigns.

B. Effective Date and Recording Date

1. Short Form Policy

- a. The Date of Policy should be no earlier than the date and time of recording of the First Deed of Trust, unless the Short Form Title Policy also includes language stating: "or the date of recording, whichever is later."
- b. When the Short Form Title policy does not have the language stating: "...or the date of recording, whichever is later," then the original Date of Policy, or the updated Date of the Policy per a Date Down Endorsement, must be no earlier than the date and time of recording of the First Deed of Trust. If the Deed of Trust is rerecorded then the original Date of Policy, or the updated Date of the Policy per a Date Down Endorsement, must be no earlier than the date and time of the rerecording of the First Deed of Trust.

2. Long Form Policy

The amount of the title insurance policy must be at least equal to the Loan amount.

E. Location Endorsement

Location endorsements are required for all Mortgage Loans. The title insurance policy must include a Colorado Form 100, or its equivalent, for all properties except for Condominium units, which require a Form 115.1, and Planned Unit Developments (PUDs), which require a Form 115.2 or its equivalent.

3. PUD (Planned Unit Development) Project: a Colorado Form 115.2 endorsement or its equivalent is required

4. Mineral Reservations: If the Title Commitment or Title Policy reflects severed mineral rights, Colorado Form 100.29 or 100.30 endorsement or its equivalent is required. The Alta Endorsement 9-06 is an acceptable substitution for the 100.29 or 100.30. If the title company is unable or unwilling to provide any such endorsements, then the Participating Lender may be required to provide CHFA, in CHFA's discretion, an Indemnification Agreement covering against loss or damage to improvements on the Property from the use of the surface of the land for extraction or development of minerals.
5. Manufactured Housing: An ALTA Form 7 endorsement or equivalent containing the following language: "The term 'Land' as defined in this policy includes the manufactured housing unit located on the land at the date of policy."

2. Survey exceptions are not acceptable unless the Title Company insures over the exceptions by a Form 103.2 or 103.3 endorsement, or its equivalent, and the encroachments do not violate the requirements of the Mortgage Loan insurer, guarantor, or investor.
3. Other minor impediments to the title are acceptable to CHFA only if:
 - a. The Participating Lender warrants that they do not materially affect the marketability of the Property and agrees to indemnify CHFA, and its assigns, if a loss is later incurred that relates directly to the impediment; and
 - b. The impediments are acceptable to the Mortgage Loan insurer, guarantor, or investor, or for a conventional First Mortgage Loan, to Fannie Mae or Freddie Mac. The Participating Lender must identify the impediment and provide the warranty and indemnity prior to closing.

This policy must include coverage for replacement of improvements and betterment coverage to cover any improvements that the Borrower may have made to the unit.

The HO-6 policy is in addition to the condominium association blanket insurance policy. The premiums for the HO-6 are paid by the Borrower and must be included in the amount escrowed.

section 709: purchase reconciliations

Requests for a reconciliation of the Purchase Advice must include supporting documentation, such as a pay history, proof of payment, etc. CHFA will research all reconciliations against the Purchase Advice and payment history. If the Participating Lender makes a duplicate payment of any escrow amounts, the Participating Lender should contact the payee to request a refund. If the refund has been sent to CHFA, CHFA will reimburse the Participating Lender after receipt of the refund. CHFA will not work to reconcile any monthly mortgage insurance premiums paid in error by the Participating Lender to the insurer or guarantor. The Participating Lender should contact the payee directly to request reimbursement.

CHFA requires a separate reconciliation for each Mortgage Loan. CHFA is unable to accommodate bulk reconciliations. All reconciliation requests must be submitted to CHFA via email at reconciliations@chfainfo.com within 30 calendar days of Purchase.

At no time should a Participating Lender use a payment received from a Borrower in error as reconciliation for amounts due from CHFA. Any Mortgage Loan payments due CHFA should be forwarded directly to CHFA in their entirety.

section 710: purchase delivery procedures

A. General Purchase Delivery Procedures

Mortgage Loans must be delivered to CHFA for Purchase within 10 calendar days after the Closing Date. Additionally, if a Mortgage Loan is not Purchased by CHFA prior to Lock Expiration, CHFA may decline to Purchase the Mortgage Loan.

See Chapter 4, Locking Loans, for further details about Lock Expiration and applicable extensions and fees.

Purchase delivery procedures are the same as those for Program Compliance delivery, except where otherwise noted in this chapter. When submitting a file, lenders have the option of delivering either a paper file or an electronic file. If submitting an electronic file, lenders must use CHFA's electronic loan document delivery system, which can be accessed via HomeConnection. Instructions for utilizing this system are available on CHFA's website at www.chfainfo.com.

If submitting a paper file, Lenders should remove all staples and secure the file with a binder clip or rubber bands. Do not hole punch documents. Paper files should be sent to: Colorado Housing and Finance Authority, 1981 Blake Street, Denver, CO 80202.

1. Purchase Documents

To enable CHFA to Purchase a Mortgage Loan, the Participating Lender must deliver specific documents to CHFA within the Delivery Period. Should any of the required documents be omitted from the Purchase package, for the First Mortgage Loan and/or the CHFA HomeAccess Second Mortgage Loan, the Mortgage Loan(s) will be suspended for Purchase and a fee will be assessed, if not cleared for Purchase within 10 calendar days after the date of suspension. Each Program has a checklist, available at www.chfainfo.com, which lists all of the documents necessary for Purchase.

For all loans, discrepancies in the payment history provided by a Participating Lender related to the borrower escrow account may result in a loan being suspended by CHFA. CHFA validates that the initial escrows from the Closing Disclosure are reflected on the payment history, and that all monthly mortgage insurance premium(s) due have been paid. Loans lacking evidence of compliance with CHFA's interim servicing requirements will be suspended until an updated payment history confirming such compliance is provided.

The Participating Lender must also send proof of activation of private mortgage insurance on all Conventional loans utilizing mortgage insurance. For FHA loans, Participating Lenders must provide the FHA Case Details Results evidencing payment of all required monthly mortgage insurance premiums due, and any late fees, if applicable. If the Participating Lender has received borrower payments, CHFA will require this documentation prior to purchase. If the Participating Lender will be receiving a payment after purchase by CHFA, the FHA Case Details Results will be required for CHFA's Final Documents review.

Any required principal reductions must be reflected in the payment history provided to CHFA prior to purchase.

2. Servicing Deadline

CHFA will Purchase the Mortgage Loan from the Participating Lender and accept the next month's Mortgage Loan payment, if the Participating Lender submits the Mortgage Loan to CHFA, and CHFA has approved the loan for Purchase by the Servicing Transfer Deadline. See Chapter 9, Servicing, for Servicing Deadline details. Any Loans approved for Purchase after the Servicing Transfer Deadline will be Purchased on the projected Unpaid Principal Balance (UPB), and the Participating Lender will be responsible for continuing to service the loan and accepting the next Mortgage Loan payment(s).

B. CHFA SectionEight Homeownership Purchase Delivery Procedures

1. General Purchase Information

Mortgage Loans in the CHFA SectionEight Homeownership Program have specific delivery and purchase requirements differing from other loans. In addition, any CHFA HomeAccess loans utilizing a Section 8 voucher will also follow these delivery and purchase procedures. This process has several advantages to the Borrower, the Participating Lender, and to CHFA, including:

- a. Eliminating confusion to the Borrower about where to send mortgage payments as CHFA will accept the first payment from the Borrower;
- b. Reducing the possibility of lost payments; and
- c. Eliminating the need for Participating Lenders to set up the Mortgage Loan for servicing.

2. Pre-funding Package

To enable CHFA to Purchase a Mortgage Loan in time to accept the First Mortgage Loan payment, the Participating Lender must deliver specific documents to CHFA both within the Lock Period and within 10 calendar days after the Mortgage Loan Closing Date.

If the Pre-funding file is not received within 10 calendar days after the Mortgage Loan Closing Date, CHFA may decline to Purchase the First Mortgage Loan.

If the Purchase of the First Mortgage Loan is declined by CHFA, any CHFA Second Mortgage Loan may not be acquired by CHFA, and may be assigned to the Participating Lender.

CHFA Forms 702S and 702S-2nd, CHFA SectionEight Homeownership Purchase Review Checklist, is available on the website at www.chfainfo.com, listing all of the documents necessary for Purchase.

Upon Purchase, CHFA will order the monthly payment statements to be sent to the Borrower or set up automatic drafting (APP) for monthly payments from the Borrower's account. CHFA will begin collecting payments from the Borrower effective with the first payment. To avoid any delay in the Borrower receiving the payment statement, it is very important for the Participating Lender to ensure that the Closing Disclosure has the Borrower's mailing address. Note if the Borrower participates in Colorado's Address Confidentiality Program (ACP), Participating Lender must provide CHFA with the Borrower's substitute mailing address and a copy of the Borrower's valid ACP authorization card.

The Participating Lender is responsible for promptly filing any applicable lender record change notification with the applicable insurer or guarantor, naming CHFA as holder, and naming Dovenmuehle Mortgage, Inc. (DMI) as subservicer under a contractual agreement with CHFA.

section 711: purchase review

CHFA will review the Purchase package for completeness and accuracy prior to the Purchase of the Mortgage Loan. CHFA reserves the right to decline to purchase any Mortgage Loan that does not comply with the terms, conditions, and requirements of the Mortgage Purchase Agreement and this Guide. If the Purchase package is complete and satisfies the Purchase conditions, the Mortgage Loan will be approved for Purchase and Purchased at the next available funding date.

If Lock Expiration occurs while the Mortgage Loan is suspended for Purchase, CHFA may decline to Purchase the Mortgage Loan. Refer to Chapter 4, Locking Loans.

The Participating Lender may access HomeConnection to check the status of Mortgage Loans submitted to CHFA for Purchase. CHFA will also notify Participating Lenders in writing of the status of all Mortgage Loans that were submitted and reviewed for Purchase.

section 712: obligation to repurchase

A. Repurchase Amount Determination

The Participating Lender must Repurchase any Mortgage Loan Purchased by CHFA, in accordance with the Mortgage Purchase Agreement, for an amount equal to:

1. The unpaid principal balance of, plus accrued interest on, the Mortgage Loan;
2. The aggregate amount of any advances made by CHFA for the account of the Borrower and interest thereon at the Interest Rate;
3. The Servicing Release Premium and any other fee or premium paid by CHFA to the Participating Lender, if any;
4. The CHFA DPA Grant or CHFA DPA Second Mortgage Loan amount, if any (may be subject to exception, as determined by CHFA, such as for compliance with any applicable FHA down payment assistance mandates); and
5. Any attorney's fees, legal expenses, court costs, or other expenses which may have been incurred or expended by or on behalf of CHFA in connection with the Mortgage Loan and interest thereon at the Interest Rate, upon notice by CHFA.

B. Reasons for Required Repurchase

A Mortgage Loan is subject to Repurchase as provided in the Mortgage Purchase Agreement, including if:

1. The Participating Lender fails to deliver to CHFA any FHA, VA, HUD, RD-USDA, or private mortgage insurance Mortgage Insurance Certificate or Guaranty Certificate with respect to any First Mortgage Loan sold and delivered to CHFA pursuant to this Guide.
2. The Participating Lender, if at any time whether prior to or after purchase by CHFA, enters into an indemnification agreement with an insurer or guarantor, or Fannie Mae or Freddie Mac, whereby the Mortgage Loan does not fully meet the requirements of this Guide or the Mortgage Purchase Agreement. A Participating Lender must notify CHFA immediately upon execution of any such indemnification agreement with an insurer or guarantor, or Fannie Mae or Freddie Mac and include in such notification full explanation of the reasons or basis for the indemnification agreement or, if legally permitted, a copy of such indemnification agreement.

3. The Participating Lender fails to deliver any documents required by the Guide or pursuant to any condition of Purchase by CHFA, all in form and substance as required by CHFA or by State and Federal statutes and regulations, and satisfactory to CHFA in its sole discretion, within the period provided in this Guide.
4. It is determined, at any time, that any representation made by the Participating Lender with respect to the Mortgage Loan was untrue when made (including any information specified in this Guide with respect to such Mortgage Loan), or any warranty or term in the Mortgage Purchase Agreement or in this Guide has been breached. The Participating Lender agrees that any such determination shall be final and conclusive for all purposes between the parties.
5. There was an occurrence of fraud, violation of the Participating Lender's duties under the Mortgage Purchase Agreement or with respect to origination of the Mortgage Loan, or violation of the Participating Lender's Representations and Warranties.
6. It is determined, at any time, that:
 - a. Any material representation made by the Borrower with respect to the Mortgage Loan was untrue when made or a misstatement by the Borrower of a material fact relating to such Mortgage Loan exists in any of the documents delivered pursuant to this Guide;
 - b. Such misrepresentation or misstatement is one which the Participating Lender reasonably should have discovered by the exercise of due diligence in originating such Mortgage Loan; and
 - c. CHFA has suffered or is threatened with a material loss or detriment by reason of such misrepresentation or misstatement.
7. CHFA is required to Repurchase a Mortgage Loan for underwriting or compliance deficiencies, fraud, or misrepresentation related to the origination of the Mortgage Loan.
8. It is determined, at any time, through CHFA's quality assurance review process or otherwise that there are material underwriting or compliance deficiencies, or that the Mortgage Loan was originated based on fraud or misrepresentation.

C. Repurchase Process

1. Any Repurchase by the Participating Lender must take place on such date as CHFA may specify in its notice to the Participating Lender of the occurrence of one or more of the foregoing events. Upon Repurchase, CHFA shall transfer the Mortgage Loan servicing rights to the Participating Lender and reassign its interest in all appropriate Mortgage Loan documents, without recourse, including, without limitation, any insurance thereon or with respect thereto, to the Participating Lender, and to the extent permitted by law, will hold the Participating Lender harmless from any loss resulting from any action taken by CHFA which has impaired the mortgage lien.
2. In the event that the Participating Lender is required to Repurchase the First Mortgage Loan, the Participating Lender will also be required to purchase the related CHFA Second Mortgage Loan, subject to certain exceptions, including an exception for compliance with FHA secondary financing mandates. Upon Repurchase, CHFA agrees to promptly endorse the note and assign the deed of trust securing both the First Mortgage Loan and Second Mortgage Loan to the Participating Lender.

D. Rights and Obligations

1. The Participating Lender agrees to indemnify CHFA and hold CHFA harmless from any losses, damages, and expenses that CHFA may sustain as a result of the occurrence of any of the events constituting an obligation for Repurchase under the Mortgage Purchase Agreement or this Guide (each a "Repurchase Event"), even if such losses, damages, or expenses are determined

or incurred by CHFA following foreclosure. For example, Participating Lender shall reimburse CHFA for CHFA's losses from a denial or reduction in the amount paid to CHFA by the Mortgage Loan's insurer, guarantor or private mortgage insurance company, as applicable, due to the Participating Lenders' underwriting deficiency or other Repurchase Event. In addition to any other remedies available to CHFA, the Participating Lender agrees that, if CHFA is unable or delayed in its ability to require a Repurchase due to Ginne Mae's or applicable insurer, guarantor, or investor restrictions, as applicable, Participating Lender will, upon CHFA's request, enter into an indemnification agreement or tolling agreement to preserve CHFA's rights under the Mortgage Purchase Agreement or this Guide to address the violation(s) and to ensure CHFA is fully indemnified and reimbursed for its losses, damages and expenses caused in whole or in part by the Repurchase Event. In addition, CHFA may, in its sole discretion, offer the Participating Lender an indemnification agreement in lieu of a Repurchase even if Repurchase is an option.

2. Should CHFA have to take action to enforce its right to require Repurchase of a Mortgage Loan, the Participating Lender also will be liable to CHFA for attorney's fees and costs, administrative costs, and any related expenses, as well as for any applicable consequential damages.
3. The Repurchase liability period for the Participating Lender shall not exceed 120 calendar days after Purchase, with the exception of instances of fraud, misrepresentation, incomplete documentation, underwriting or origination irregularities, the requirement that CHFA must repurchase the Mortgage Loan as described in paragraph B.6 above, violation of the Participating Lender's duties, or violation of Representations and Warranties. CHFA agrees that it will not make future changes to this Guide related to the Participating Lender's obligations to Repurchase a Mortgage Loan that will have retroactive effect without the acknowledgement of the Participating Lender's Chief Financial Officer or Chief Executive Officer.
4. In the event that the Participating Lender has failed to observe or perform its obligations to Repurchase a loan, CHFA may suspend the right of the Participating Lender to make a Lock or sell Mortgage Loans to CHFA for a period of time to allow the Participating Lender to cure its deficiency. Such a suspension is strictly within the sole discretion of CHFA.

Further rights and obligations concerning Repurchase are set forth in the Mortgage Purchase Agreement.

section 713: early payoffs

If a Mortgage Loan is refinanced or paid in full within 180 calendar days of purchase by CHFA, then upon notice by CHFA, the Participating Lender must reimburse CHFA for all lender premiums paid by CHFA to the Participating Lender in connection with the Mortgage Loan. Reimbursement is due regardless of whether the Participating Lender had any direct or indirect influence or involvement in promoting or soliciting such refinancing.

chapter 8

final document procedures

section 800: final document delivery

CHFA requires a complete Mortgage Loan file to comply with FHA, VA, RD, Fannie Mae, Freddie Mac, and other investor regulations and requirements. When CHFA Purchases a Mortgage Loan, many of the required forms and documents are not available for submission by the Participating Lender. Therefore, these forms and documents must be submitted as final documents after CHFA purchases the Mortgage Loan.

A. Time Frame

Required forms and documents must be delivered to CHFA, and any and all loan document errors fully corrected, within 90 calendar days after the First Mortgage Loan Purchase Date, unless an earlier date is required, as set forth below. Failure to deliver and make any needed loan document error corrections within 120 calendar days after Purchase will result in a \$250 Final Document Late Fee being charged to the Participating Lender. Such fees are due within 15 calendar days of assessment. Unless previously approved for an extension by the Manager, Servicing and Post Close, CHFA may, in its sole discretion, begin the Repurchase process if all required forms and documents, and any loan document error corrections, are not submitted within 150 calendar days after Loan Purchase. See Chapter 7, Loan Purchase Procedures, of this Guide for Repurchase details.

The following required documents have specific time frame requirements:

1. Mortgage Electronic Registration Systems (MERS) Members must register the Mortgage Identification Number (MIN) in the MERS system prior to CHFA purchasing the loan.
2. Mortgage Electronic Registration Systems (MERS) Mortgage Identification Number (MIN) complete a TOS/TOB transfer using a transfer date within the five (5) calendar days of Purchase to both CHFA as the servicer (ORG ID 1008017) **and** DMI as the subservicer (ORG ID 1001484).
3. The Mortgage Insurance Certificate (MIC) must be delivered to CHFA within 30 calendar days after Purchase.

For FHA-insured loans, the Participating Lender is responsible for all Monthly Mortgage Insurance premiums for payments they accept, prior to the first payment due CHFA after purchase. The Participating Lender must transfer the holder to CHFA (05366) and transfer the servicer to Dovenmuehle (11303) after they have made all required monthly Mortgage Insurance Premium payments in FHA Connection.

B. Documents

The Final Document Review Submission Checklist, CHFA Form 738, available at www.chfainfo.com, lists all final documents required by CHFA. Participating Lenders should pay particular attention to whether or not an original document is required or if a copy is acceptable.

Participating Lenders should forward documents to CHFA upon receipt; it is not necessary to submit all documents at one time. If the required documents are not received in a timely manner by CHFA, CHFA will contact the Participating Lender's Final Documents department to determine what actions can be taken to resolve the delayed delivery of the final documents. This may include CHFA contacting Title Companies, Borrowers, and county recording offices.

Should CHFA and the Participating Lender agree that this is the most efficient solution, the Participating Lender will reimburse CHFA for all fees and costs associated with these efforts. Should CHFA and/or the Participating Lender not choose this option, and the outstanding documents are not received by CHFA promptly, the Mortgage Loan may, in CHFA's sole discretion, be subject to Repurchase.

Any errors relating to the Mortgage Loan documents, whether due to recording errors or otherwise, have been fully corrected and addressed in accordance with all applicable legal and regulatory requirements including, but not limited to, as required by the insurer, the guarantor, or Fannie Mae, or Freddie Mac and/or Ginnie Mae, as applicable. Participating Lender acknowledges that any such corrections are its sole responsibility and any efforts by CHFA or any other party to assist with such corrections or in addressing such errors in no way affects or diminishes such Participating Lender obligation or liability.

CHFA Form 205, Modification of Note and/or Deed of Trust – Lenders are encouraged to send any required Modification documents to their designated CHFA Final Documents contact for review prior to executing and/or recording.

C. Escrow Closeout Requirements

Closeout requirements for escrow repairs and FHA 203(k) loans must follow applicable insurer/guarantor and Fannie Mae or Freddie Mac guidelines, including providing all required documentation. CHFA, as required by such guidelines, must receive proof that the repairs have been completed, and CHFA will verify disbursement of funds. The FHA Connection Escrow Closeout Certification will be required for all 203(k) loans. chapter 9

section 900: purchase of mortgage loan and the servicing transfer deadline

CHFA, as Master Servicer, services Mortgage Loans Purchased by CHFA, and other loans for which CHFA has a separate servicing agreement. CHFA uses a subservicer, Dovenmuehle Mortgage, Inc. (DMI).

A. Servicing Transfer

CHFA's Servicing Transfer Deadline is 15 calendar days prior to the due date of the first payment to be accepted by CHFA, which will be the effective date of the servicing transfer.

1. If the Participating Lender intends or is required to have CHFA accept the first payment on the Mortgage Loan, the Participating Lender must submit the Mortgage Loan to CHFA and the Mortgage Loan must be Purchased before the applicable Servicing Transfer Deadline.
2. Otherwise, CHFA will Purchase Mortgage Loans from a Participating Lender and accept the next month's Mortgage Loan payment, following the Participating Lender's submittal and CHFA's Purchase of the Mortgage Loan by the applicable Servicing Transfer Deadline. Until then, the Participating Lender will be responsible for continuing to service the Mortgage Loan, including accepting the current Mortgage Loan payment due.

CHFA will Purchase most Mortgage Loans based upon the current Unpaid Principal Balance (UPB) or the scheduled amortized balance, depending upon the Purchase funding date. Refer to Chapter 7, Loan Purchase Procedures for details including calculations of any premiums paid to the Participating Lender. Upon Purchase, CHFA will provide the Borrower with a combined notice of servicing transfer, combining the transferor servicer notice from the Participating Lender and the transferee servicer notice from DMI, CHFA's subservicer.

CHFA SectionEight Homeownership Loans require first Mortgage Loan payments be sent to CHFA. Upon Purchase, CHFA will prepare the monthly payment statements to be sent to the Borrower or set up automatic drafting (APP) for monthly payments from the Borrower's account. The Participating Lender must submit the Mortgage Loan to CHFA within ten (10) calendar days after the Mortgage Loan Closing. CHFA may decline to Purchase the Mortgage Loan if the foregoing requirements are not met.

B. Assignment of Loan

For each Mortgage Loan Purchased by CHFA, CHFA will provide the Borrower with the notice of purchase, assignment, or other transfer of the Mortgage Loan. Such notices will also be provided to the Participating Lender for documentation purposes.

Should a Participating Lender choose to send its own correspondence to a borrower regarding loan servicing, please include the following information:

section 901: servicing requirements

If a Participating Lender receives principal reduction payments or any other unscheduled payments after CHFA has Purchased a Mortgage Loan, the Participating Lender must forward the payments via overnight delivery or registered mail to the CHFA Home Finance Division.

The Participating Lender is responsible for IRS reporting for the period prior to transferring the Mortgage Loan servicing to CHFA.

The Participating Lender will maintain all escrow funds in accordance with law, regulation, and the requirements of the mortgage insurer or guarantor, or in accordance with applicable Fannie Mae or Freddie Mac requirements for conventional loans, until the First Mortgage Loan is Purchased by CHFA, and servicing is transferred.

section 902: mortgage insurance premiums

The Participating Lender is responsible for remitting the initial or upfront mortgage insurance premium, guarantee fee, or funding fee (“upfront fees”) to the mortgage insurer or guarantor. The Participating Lender is also responsible for remitting any monthly mortgage insurance premiums directly to the insurer or guarantor until the Mortgage Loan is Purchased and servicing is transferred to CHFA.

If the Participating Lender calculated an inaccurate coverage level which resulted in a Borrower being charged an incorrect amount for the upfront fees, the Participating Lender must make the correction before CHFA will Purchase the Mortgage Loan.

If the inaccuracy in the calculation resulted in the Borrower being overcharged for the upfront fees, the Participating Lender must provide a principal reduction in the same amount as the overcharge. If the inaccuracy resulted in the Borrower being undercharged for the upfront fees, the Participating Lender must correct the upfront fees amount with the appropriate insurer or guarantor before CHFA will Purchase the Mortgage Loan.

The Participating Lender is responsible for making all monthly Mortgage Insurance Premiums for all payments they receive prior to the first payment due CHFA after the loan has been purchased. CHFA will not work to reconcile any monthly mortgage insurance premiums paid in error by the Participating Lender to the insurer or guarantor. The Participating Lender should contact the payee directly to request reimbursement.

Mortgage insurance premiums for CHFA Section Eight Homeownership Loans will be remitted by CHFA. The Participating Lender should not pay any monthly MIPs to the insurer or guarantor for these loans.

section 903: transfer of mortgage insurance/guaranty, hazard and flood insurance

The Participating Lender is responsible for filing any applicable mortgagee record change notification with the insurer or guarantor, as well as notifying hazard and flood insurers, Flood Determination Certificate issuers, and other interested parties of the transfer of servicing to CHFA. Failure to timely file these changes or notices may result in a required Repurchase of the First Mortgage Loan.

CHFA must have evidence a Mortgage Loan is insured. A Mortgage Insurance Certificate (MIC) or Private Mortgage Insurance (PMI) Fee of \$150 will be assessed on day 31 if the MIC or PMI required documentation has not been received. Thereafter, a fee of \$150 will be assessed every 31 days until the condition has been cleared.

All insurance and guarantee policies must reflect the Mortgagee Clause as follows:

section 904: payment of property taxes

For any loan closed in the prior year and purchased by CHFA after January 28th, Participating Lenders are responsible at minimum for the payment of the first half of required prior year's property taxes and all prior years' taxes due. In the event that January 28th falls on a weekend, the preceding Friday will serve as the purchased-by date.

For any purchase loan closed on or after January 1st, all prior year(s) property taxes must be paid at the time of closing.

CHFA will require proof of property tax payments prior to loan purchase.

chapter 10

mortgage credit certificates

section 1000: general information

The Mortgage Credit Certificate (MCC) Program is a homebuyer assistance program designed to help low- to moderate-income families afford homeownership. The MCC Program allows the homebuyer to claim a dollar-for-dollar tax credit for a portion of the mortgage interest paid per year. The remaining mortgage interest paid may still be utilized as an itemized deduction.

An MCC is valid for as long as the original Mortgage loan is outstanding and the homebuyer occupies the home as his or her Principal Residence. An MCC may be reissued if the Borrower refinances their original mortgage, meets the applicable criteria, and the MCC Program allows for a reissued MCC.

MCCs cannot be combined with any other loan program funded with the proceeds of Tax-exempt bonds, including the CHFA FirstStep Programs and CHFA HomeAccess Programs. All MCC Programs are subject to the Recapture Tax Provision. See Program Matrices for any additional restrictions.

section 1001: availability of funds

The CHFA MCC Program is not available.

section 1002: final certificate reporting and follow up

Under current Internal Revenue Service regulations, certain reporting and record maintenance requirements are imposed on Lenders and CHFA.

A. Lender Final Certificate Responsibilities

1. Reporting. Lenders must file an annual report to the IRS on Form 8329, Lender Information Return for MCCs, containing information on loans originated in connection with the applicable MCC program during the prior calendar year. This report must be filed on or before January 31 of the year following the year to which the report relates.

CHFA may provide the Lender with a report containing all information required by the IRS on all loans for which an MCC was issued for the prior calendar year. This report will be mailed to the Lender at the address listed on CHFA Form MCC18, Lender Information sheet.

Notwithstanding the foregoing, anyone failing to file a required report to the IRS at the time and in the manner required may be subject to a penalty imposed by the IRS for each MCC not reported.

2. Record Maintenance: The Lender must retain in its books and records certain information pertaining to the loans issued in connection with MCCs for six (6) years following the year the in which the loan is made, unless a longer period is prescribed by the IRS.

3. Notification to CHFA: If a Lender becomes aware of any MCC that does not meet the applicable MCC Program requirements, the Lender should immediately notify CHFA.

B. CHFA Final Certificate Responsibilities

1. Reporting: CHFA must report quarterly to the IRS certain information on holders of MCCs issued during the prior quarter.
2. Revocation of an MCC: An MCC is treated as revoked when the Property to which the MCC relates ceases to be the Borrower's Principal Residence.

CHFA may revoke an MCC if it is determined that the Borrower, Property, or other MCC Program requirements were not met. When revoking an MCC, CHFA will notify both the Borrower and the IRS.

section 1003: reissued mortgage credit certificate

A Reissued Mortgage Credit Certificate (RMCC) may be available to current holders of CHFA issued MCCs who refinance their mortgage loan.

A. Conditions for Reissuance

All RMCCs must meet the following criteria:

1. The Borrower has a CHFA-issued MCC.
2. The applicable MCC Program authorizes the issuance of a RMCC. MCCs issued under the CHFA Statewide MCC Program may be reissued.
3. The Certified Indebtedness Amount of the RMCC is limited to the lesser of the outstanding principal balance of the original loan or the existing loan at the time of refinance.
4. The tax credit rate on the RMCC cannot exceed the tax credit rate of the original MCC.
5. A higher interest credit than would have been available under the original MCC cannot be claimed for any taxable year.
6. The RMCC is valid only until the maturity date of the original Mortgage Loan, unless the maturity date of the new mortgage loan is prior to that of the original Mortgage Loan.
7. The Property is still the Borrower's Principal Residence.
8. There is no re-qualification of Borrower eligibility in terms of income or purchase price.
9. If the RMCC is not being issued under the names of all of the original MCC holders, then evidence, in form satisfactory to CHFA, of a title transfer from an original MCC holder to the remaining MCC holder(s).
10. Payment of a fee to CHFA for administration.
11. Other applicable Code requirements.

B. Application Procedure

To apply for an RMCC, or for additional information, visit the CHFA website at www.chfainfo.com.

C. Documentation Required for Reissuance

The following documentation must be submitted to:

CHFA Home Finance
ATTN: Home Finance MCC Reissuance
1981 Blake Street
Denver, CO 80202

1. CHFA Form MCC19, MCC Reissuance Affidavit;
2. Original Mortgage Credit Certificate;
3. Copy of Promissory Note (with all Riders and/or Addendums) from original loan;
4. Copy of Promissory Note (with all Riders and/or Addendums) from new loan;
5. Copy of the HUD-1 Settlement Statement from the closing of the new loan;
6. Evidence of the outstanding principal balance of the original loan on the date of the refinance;
7. An RMCC fee of \$250 in the form of a cashier's check, certified check, or money order made payable to CHFA.

chapter 11

recapture tax provision

section 1100: mortgage loans subject to recapture tax provision

The Internal Revenue Code's recapture tax requirements apply to Borrowers who receive the benefits associated with a Mortgage Loan funded by Tax Exempt Mortgage Revenue Bonds, either through a lower mortgage Interest Rate than what is customarily charged on other mortgage loans, or through receipt of a credit against their federal income taxes via a Mortgage Credit Certificate (MCC). Such Borrowers may be subject to recapture of those benefits under certain circumstances as described in this Chapter.

section 1101: borrower notification

When applicable, the Borrower is advised about the Recapture Tax Provision in CHFA Form 401, Initial Applicant Affidavit, which is signed at the time of application. Participating Lenders must explain the Recapture Tax Provision at this time.

CHFA Form 407, Notice of Recapture Tax to Mortgage Loan Applicant, explains the recapture tax formula in detail. When applicable, CHFA will provide CHFA Form 407 to the Participating Lender to be completed and given to the Borrower at closing. The Participating Lender must then provide the original completed and executed form to CHFA in the Loan Purchase package.

For the CHFA MCC and MCC Issuer Programs, Borrowers must sign CHFA Form MCC-2, Initial Applicant and Lender Affidavit, at the time of application and CHFA Form MCC-14, Notice of Recapture Tax to Mortgage Loan Applicant, at Loan Closing.

section 1102: recapture tax provision requirements

When a Borrower receives a Mortgage Credit Certificate with their Mortgage Loan, which loan is not part of the Tax-exempt Program, they are receiving the benefit of a credit against their federal income taxes based on their MCC rate. If the Borrower sells or otherwise disposes of the Property during the nine (9) years after Closing on the Mortgage Loan, this benefit may be "recaptured." The recapture is accomplished by an increase in their Federal Income Taxes for the year in which they sell the Property. The recapture only applies, however, if the Borrower sells their Property at a gain and if their income increases above specified levels.

A. Calculation of Recapture Tax

The "Maximum Recapture Tax" that a Borrower may be required to pay in addition to their Federal Income Taxes is 6.25 percent of the highest principal amount of their Mortgage Loan. The actual Recapture Tax due, if any, can only be calculated at the time of sale of the Property, using a formula which multiplies the Maximum Recapture Tax by the holding period percentage and the income percentage for the Borrower's geographic area of the State.

Borrowers will receive a Notice of Recapture Tax to Mortgage Loan Applicants (either CHFA Form MCC-14 or CHFA Form 407) along with additional information that will be needed to calculate the

Recapture Tax. Refer to these forms for more specific information regarding the calculation and payment of the Recapture Tax.

B. Exceptions to Required Payment of the Recapture Tax

In the following circumstances, no Recapture Tax is due, and the Borrower will not be required to pay the Recapture Tax:

1. The Borrower disposes of the Property more than nine (9) years after Closing on the associated Mortgage Loan;
2. The Property is disposed of as a result of the Borrower's death;
3. The Borrower transfers the Property either to his or her spouse or to his or her former spouse incident to divorce, and the Borrower has no gain or loss included in his or her income under Section 1041 of the Code; or
4. The Borrower disposes of the Property at a loss.

Borrowers may wish to consult a tax advisor or the local office of the Internal Revenue Service at the time they sell the Property to determine the amount, if any, of Recapture Tax required.

C. Reimbursement of Recapture Tax

CHFA will reimburse Borrowers for any Recapture Tax due to the IRS and actually paid, if the Recapture Tax is triggered by the payoff of a Mortgage Loan resulting from the sale of a residence on which there is:

1. A CHFA First Mortgage Loan funded with Tax-exempt Mortgage Revenue Bonds; or
2. An MCC issued by CHFA on a Property that also has a CHFA First Mortgage Loan.

Borrowers must complete CHFA Form 950 to request reimbursement.

chapter 12

targeted areas

section 1200: general information

Targeted Areas are determined in accordance with the Code, and may be changed by the Federal Government from time to time.

Each Participating Lender whose normal lending area includes one (1) or more Targeted Areas must use reasonable diligence in connection with Mortgage Credit Certificates (MCCs) or originating tax exempt Mortgage Loans in Targeted Areas. CHFA will furnish informational materials for distribution or reproduction by Participating Lenders and will take appropriate steps to advise residents of Targeted Areas of the availability of MCCs or other CHFA Programs. Participating Lenders are encouraged to take additional steps to assure that residents of Targeted Areas have fair and equitable access to all funds.

Although census tract descriptions of the Targeted Areas are included in this Chapter, Targeted Areas may change and it is possible that the information might not be current. You may also obtain census tract information by going to <https://geomap.ffiec.gov/FFIECGeocMap/GeocodeMap1.aspx> and utilizing the Geocoding/Mapping System. Some entire counties and cities have been designated as areas of chronic economic distress and are therefore considered Targeted Areas.
