## CHFA: Celebrating 50 years of Strengthening Colorado

This year CHFA celebrates 50 years of strengthening Colorado and investing more than **\$35.3 billion** in affordable housing and community development. The Colorado General Assembly is an important part of this journey, having created CHFA as a quasi-governmental authority in 1973 and by advancing key bipartisan supported resources such as the state Affordable Housing Tax Credit and the Middle-income Access Program to leverage private sector investment in affordable housing.

We invite you to join us in our celebration and thank you for your leadership.

## this week: 2023 chfa community report

CHFA is proud to announce the publication of its 2023 Community Report. Each year, this report offers a snapshot of CHFA's investments in affordable housing and community development across Colorado. It includes a mix of data, photographs, stories, program highlights, and key accomplishments.

In 2023, CHFA celebrated a number of significant milestones including several record-high investment totals. This work was made possible because of our community partners and stakeholders who share in CHFA's vision that everyone in Colorado will have the opportunity for housing stability and economic prosperity. This year, as CHFA celebrates 50 years of strengthening Colorado, we are grateful for the opportunity to build on this work as we continue to invest in the future success of our state.
